Chapter 3492

Cheng Jinghui also knew that he was in the wrong, and said with a gloomy face, “This guy killed my disciple, how can I let him go...”

“Sect Master Cheng, on the battlefield of gods and demons, How can we bring the matter in Tianmo Mountain to Tianmo Mountain? Since we have jointly set the rules, we cannot do anything in my Xuanyin Sect.”

“After leaving my Xuanyin Sect, you You can fight as much as you like, I don’t care...”

“But it doesn’t work here. If Sect Leader Cheng insists on taking action, don’t blame us for being rude.”

Sect Leader Kong of Xuanyin Sect said very displeasedly!

“Cheng Jinghui, you are really out of character by attacking the juniors here...”

“You were also present when the rules were made, how could you do it yourself? Destruction!”

“That’s right, you’ve gone too far. If you do it, we won’t be polite.”

Sect Master Kong Several people behind him also criticized Cheng Jinghui!

Cheng Jinghui looked ugly and snorted coldly, “Huh, you are all pretending to be sages now. When your disciples are also killed, I wonder if you can still be such sages.” “

After Cheng Jinghui finished speaking, he looked at David and said, “Boy, just wait for me...”

After saying that, Cheng Jinghui turned around and left!

David glanced at the people behind Sect Master Kong and asked Luo Shouhai, "Master Luo Valley, who are those people who just spoke?" "Oh, they are all from the five major sects near Tianmo Mountain.

There are also disciples from the five major sects entering the battlefield of gods and demons, so they are waiting." "It is estimated that this time five The big sects must have gained a lot, they sent out five outstanding men, who are the most talented among the five sects."

Luo Shouhai said with a hint of envy! When David heard this, he couldn't help but laugh. The five outstanding men had been killed by Qi Peijia, so there was nothing to gain!

"Dad, let's go. Mr. Chen must be tired from the battlefield of gods and demons these days. Let him take a rest!" Luo Xi said to Luo Xi Shou Hai said! "Okay, let's go..." Luo Shouhai nodded, leading David and the others toward the Blood Spirit Valley!

Not long after David and the others left Xuanyin Sect, suddenly a figure came towards David quickly!

Luo Shouhai was shocked. He thought Cheng Jinghui was unwilling to give up and was waiting outside Xuanyin Sect!

Bai Qian, who was beside David, jumped up and slapped the figure with a palm!

"Mr. Chen, it's me..."

The figure shouted, and David hurriedly asked Bai Qian to stop!

It turned out to be Elder Fei who came in a hurry!

"Mr. Chen, you have finally come out. I... am I about to get the poison? Please give me the antidote, Mr. Chen!"

Fei The elder begged!

It turns out that Elder Fei had been waiting for David to appear. David gave him poison. Without an antidote, he would have died from the poison!

"You didn't help me with anything, why should I give you the antidote?"

David said with a faint smile!

“Mr. Chen, Zuo Xuan and Elder Chu have not left Tianmo Mountain, they are still waiting to kill you!”

Elder Fei said to David!

“Kill me?” David sneered, “Then let them do it. I’m not afraid of them now.”

David now has Bai Qian by his side. , this is a seventh-level monk in the Tribulation Realm, how could David be afraid of the Demon Sealing Alliance!

“Mr. Chen, the strength of the Demon-Sealing Alliance is far more terrifying than you think. Otherwise, how could the entire world of heaven and humans have a sub-rudder from the Demon-Sealing Alliance?”“Please also ask Mr. Chen to give me the antidote.

I am willing to continue to be an undercover agent for Mr. Chen. As long as Mr. Chen has grasped the movements of the demon alliance, there is no need to be afraid.”

Elder Fei tried his best to show his value and make David feel useful! After hearing this, David felt that what Elder Fei said was right, so he took out a pill from his body and said, “If you take this, you won’t be poisoned within half a month.

If you If you dare to play tricks, I will make your death very painful.” “No, I will never play tricks.” Elder Fei took David’s hand He swallowed the elixir in one gulp, then turned around and left! He couldn’t stay away for too long, for fear of being suspicious of Zuo Xuan!

Chapter 3493

“Mr. Chen, this demon alliance is really difficult to deal with. It seems that you should pay more attention in the future.”

Jin Dong said to David!

Ever since he met the people from the Demon-Sealing Alliance in Mohai, Jin Dong knew that David would definitely form a grudge if he followed the Demon-Sealing Alliance!

“It’s okay. If the Demon Sealing Alliance dares to provoke me, I will be rude to them.”

David said nonchalantly!

David and his party continued to rush towards the Blood Spirit Valley, but not long after they left, the sky suddenly became dark, and then large black clouds piled up in one place!

“Isn’t that the place where the Demon Mountain Ghost always lives? Is this the Thunder Tribulation Cloud?”

Luo Xi looked up at the gathering black clouds and said !

“There is no thunder cloud like this. Although we are demon cultivators, when we broke through, we also suffered from the thunder and disaster, and it was not this kind of black cloud!”

Jin Dong also took a look and said!

Only Na Luo Shouhai looked at the gathering black clouds, his face became a little ugly!

“It’s broken. This is the Demon Tribulation Cloud. The old ghost is in danger...”

Luo Shouhai said with a frown!

“Magic Cloud? What is this?”

David’s face was full of confusion!

“Mr. Chen doesn’t know something. When we demon cultivators go through tribulations, we have a very small chance of encountering a demonic tribulation cloud. This kind of demonic tribulation cloud is so powerful that it is difficult to get through it.”

a> “Mr. Chen, it’s dangerous. You can’t get past it. This devil He can’t just ignore death, he wants to see what’s going on! David frowned, and then

quickly ran towards the place where the Demon Mountain Ghost lived! “I’ll go take a look...” Bai Qian also raised his head and looked at it. Said the accumulating black cloud! “I have also heard of this demonic calamity cloud, and I have never seen its power. Today I have seen it!”

Luo Shouhai followed David and explained! “But there is also an advantage, that is, after passing through, the strength will be much higher than those in the same realm. However, for so many years, I have not heard of anyone being able to survive the cloud of evil.”

Jie Yun is very powerful! “

Luo Shouhai shouted. Seeing that David had run away, he could only tell Luo Xiang and Jin Dong, “You guys wait here, don’t get close, I’ll go take a look. ...”

Luo Shouhai also headed towards the place where the Demon Mountain Ghost Lao lives!

Bai Qian also jumped up and chased after her. She let Huo Feng and Ji Yun stayed where they were!

After all, their level was too low to prevent them from being hurt by the demonic calamity cloud!

Just as David and the others were heading toward the demonic calamity cloud When rushing to the place where the old mountain ghost lived, the old mountain ghost slowly opened his eyes, looked up at the gathering black clouds, and smiled bitterly!

“I didn’t expect that I would meet him. It’s a rare evil calamity that only happens in a century, but it’s a pity that I’m afraid I won’t be able to withstand it. “

“Fate, this is fate...”

The old devil’s eyes were full of despair!

“Gui Lao...”

At this moment, David suddenly rushed in!

“Mr. Chen...” Demon Mountain Gui Lao saw David, He was overjoyed immediately, but soon he said anxiously, “Mr. Chen, please leave quickly, it’s too dangerous here, the lightning will strike soon, and you won’t be able to leave by then!” “

“Old Ghost, I already know. I’m here to help you survive this thunderstorm. “

David said!

“Mr. Chen, this is a cloud of demonic calamity. I will definitely not be able to get through it. Don’t stay here and die. Hurry up. Click to leave...”

Devil Mountain Ghost Lao rushed David out anxiously!

But at this time Luo Shouhai also arrived. Seeing Luo Shouhai, Devil Mountain Ghost Boss became even more anxious and said, “Lao Luo, why are you here? Please take Mr. Chen away quickly. This thunderstorm is coming soon...”

Luo Shouhai glanced at , hurriedly said to David, “Mr. Chen, let’s leave quickly. This is Gui Lao’s fate, and no one can change it. ”

“David, leave quickly and stop showing off!” “

Bai Qian also arrived, pulling David to leave!

“You guys go, I want to help Gui Lao resist this thunder disaster...” ”

Chapter 3494

Rumble...

Dark clouds are gathering, lightning and thunder are coming, and thunder is about to strike!

“Mr. Chen, please leave quickly. You can’t help. This thunder tribulation needs to follow the same aura as the old ghost. No one can help him.”

Luo Shouhai urged anxiously!

“You guys leave quickly, I will definitely be able to help Gui Lao!”

David looked up at the demonic calamity cloud, and the aura on his body began to surge. !

Seeing this, Luo Shouhai and Bai Qian could only turn around and leave. There was no use for them to stay!

Just as Gui Lao was about to say something, David grabbed his wrist, and then a breath flowed into Demon Mountain Gui Lao’s body!

Old Devil Mountain Ghost was stunned and looked at David with a look of disbelief on his face: “Mr. Chen, this... this power...”

“Don’t be distracted. Realize the power I pass on to you!”

David asked the Demon Mountain Ghost Lao not to be distracted!

Old Demon Mountain Ghost nodded, feeling very excited because he found that the power that David passed on to him was exactly the same as the breath in his body!

In this case, the strength against thunder tribulation will be greatly enhanced.

Now, the Demon Mountain Ghost has some confidence!

The reason why David is able to do this is because of the breath imitation method that David has learned. Although David cannot completely change his appearance and all his breath, he can turn a kind of power into a ghost and old man. The same breath, this is still simple!

“Mr. Chen, the Thunder Tribulation is coming...”

Old Devil Mountain Ghost followed David and warned him!

At this moment, Luo Shouhai and the others became extremely nervous as they watched the lightning disaster coming down immediately!

Huo Feng clenched his fists tightly, wishing that he could rush into the cloud of demonic calamity and fight the thunder calamity for David!

“Huofeng, don’t worry too much. Since David dares to stay, he must be sure.”

Bai Qian comforted Huofeng. !

Rumble...

In the sky, black clouds gathered and reached the limit, and then a thunderstorm crashed down.

A strange red light suddenly flashed on the old Demon Mountain Ghost!

The thunder tribulation struck the Old Man from the Mountain with a bang, instantly making the Old Man from the Mountain tremble, and countless wounds suddenly appeared!

David also frowned and felt a sense of suffocation!

You must know that this is just the first thunder tribulation, but it is so powerful. If it comes later, David doesn’t know if he can withstand it!

But if this continues, David can only grit his teeth and persevere!

Soon, the black clouds changed, and a thunderstorm suddenly struck again!

David’s eyes flashed, and the aura on his palms became even stronger!

The body of Devil Mountain Ghost Old Man once again glowed with dazzling red light, and his eyes were even more clear!

With David here, Demon Mountain Ghost Lao has confidence in his heart and the belief to fight!

Demon Mountain Ghost Lao burst out with all his strength and resisted the second thunder tribulation again!

However, after this thunder tribulation, the Devil Mountain Ghost Elder’s aura was extremely weak and his whole body was scarred!

David was not much better, his forehead was covered with cold sweat, and his whole breath became much weaker!

“Mr. Chen, you’d better leave quickly. We can’t survive until the end. This is the second thunder disaster...”

Devil Mountain Ghost Lao once again persuaded David to leave!

After all, the second thunder tribulation almost consumed all the strength of the two of them. So how to deal with the next thunder tribulation?

“Gui Lao, don’t be discouraged. As long as we have a firm belief, we will be able to do it. Cheer up...”

David is still cheering up Devil Mountain Gui Lao. , but David himself was a little unsure.

The power of this evil calamity cloud is really beyond imagination!

David’s chest flashed with light, bursts of dragon energy emitted from the dragon crystal, and even the stars were twinkling in the original space!

Now David has used all the means at his disposal!

At this point, it is impossible for David to leave!
