Chapter 3498

David and Moshan Guilao waited for a long time, but did not see the thunder tribulation coming down, so they opened their eyes curiously and looked up!

“Mr. Chen, what is that?”

The Demonic Mountain Ghost Elder saw a small demonic beast emitting colorful rays of light under the demonic calamity cloud!

David was also pleasantly surprised, and then laughed loudly and said, “This little guy can actually block the thunder tribulation of the Demon Tribulation Cloud...” “

Oh, I almost forgot, this little guy is the Demon Lord’s mount, so for the Demon Lord Jieyun is not afraid at all!”

“Gui Lao, we are fine, we are fine...”

Demon Mountain Ghost Lao listened to David’s words and was a little confused, but seeing David’s excited look, he knew that this evil calamity The clouds won’t cause them any harm.

“Mr. Chen, there are several thunder tribulations ahead. I wonder if this little guy can withstand them?”

asked the Demon Mountain Ghost Elder!

“It should be fine, let’s wait and see...” Chen

Ping followed the Demon Mountain Ghost Elder to wait for the fifth thunder tribulation!

In the sky, demonic calamity clouds seemed to be brewing, and lightning flashed in the dark clouds!

But before the fifth thunder catastrophe came down, I saw the sky-swallowing beast opening its mouth and sucking in hard suddenly!

A huge suction force went straight towards the demonic calamity cloud!

Mojie Yun seemed to be conscious, struggling to break free, constantly changing its shape, and trying to escape from this huge suction!

But Mojie Yun struggled in vain, and in the end they were all sucked into the belly of the Sky-Swallowing Beast!

The dark sky suddenly became brighter, and the sun shone warmly on everyone!

Burp...

Suddenly, the Sky-Swallowing Beast burped!

Just this burp caused the whole earth to tremble instantly!

Whether it was Luo Shouhai or Elder Chu, they all stopped at this moment and stared blankly at the little sky-swallowing beast, their eyes full of shock!

The little swallowing beast didn't care about other people's eyes, but fell with a crash, ran back to David's storage ring and fell asleep!

"No...no more, the Demon Tribulation Cloud is gone?"

Demon Mountain Ghost Lao was so shocked that he was speechless!

The thunder tribulation behind is gone, not to mention the thunder tribulation, even the magic tribulation cloud is gone!

David was also full of surprise. He felt that it was good that this sky-swallowing beast could swallow the thunder tribulation, but it even swallowed the entire magic tribulation cloud. It was outrageous!

"Gui Lao, this can be regarded as defeating the devil's calamity cloud. You'd better break through quickly. I'll leave first..."

David asked Demon Mountain Gui Lao to break through, and he got up and left!

But just as David walked out of the room, he saw Luo Shouhai and others confronting the people from the Demon Sealing Alliance!

When he saw David coming out of the room, Elder Chu frowned, “It’s really you. What was the monster that just swallowed the Demonic Tribulation Cloud?”

Elder Chu wanted to know what it was that could actually take down the Demonic Cloud. Swallow the calamity cloud!

“Why should I tell you?”

David smiled coldly!

“David, you kill me, a disciple of the Demon Sealing Alliance, and I’m here to take your life. I don’t care about the demon calamity cloud. You must die today...”

Zuo Xuan shouted coldly at David.

David glanced at Zuo Xuan and said coldly, “You are the young master of the Demon Sealing Alliance, right? I heard that you have no real ability except relying on your father’s reputation to show off your power...” “

Nonsense, I don’t have the ability. , how can you, a little first-level Tribulation Realm, say, I will kill you with my own hands today...”

After saying that, Zuo Xuan headed towards David!

“Sir, don’t be reckless...”

Elder Chu wanted to stop Zuo Xuan, but Zuo Xuan had already taken action!

As soon as Zuo Xuan made a move, Luo Shouhai, Bai Qian and others also followed suit, and the melee started again!

David had just helped Demon Mountain Gui Lao overcome the tribulation, and all the power in his body had been almost exhausted. Now, it is really not a good time to follow Zuo Xuan!

## Chapter 3499

But now that things have come to this, David can't turn around and run away, not to mention that the Demon Mountain Ghost Lao is still at the final hurdle of breaking through!

Seeing Zuo Xuan's attack, David held the Dragon-Slaying Sword and suddenly swung it towards Zuo Xuan. In an instant, the Dragon-Slaying Sword unleashed hundreds or thousands of sword energy, cutting through the void and condensing into a storm of sword energy, heading straight for Zuo Xuan!

Zuo Xuan snorted coldly, and a breath suddenly burst out from his body. This breath was like waves in the sea, one wave after another!

The sword energy was directly knocked away, and David's sword was resolved instantly!

David followed closely behind the sword energy, and the Holy Light Fist burst out directly!

Now all the spiritual power, dragon energy and even the original power in David's body are almost exhausted. The only thing that can be used is the power of his physical body!

And only the Holy Light Fist is suitable for this purest form of power!

David's fist erupted with golden light, and countless fist shadows hit Zuo Xuan like cannonballs!

Zuo Xuan felt David's Holy Light Fist and immediately laughed!

"Hahaha, have you exhausted all the spiritual power in your body and started to use the power of your physical body? You don't want to defeat me with this low-level power, do you?"

Zuo Xuan laughed, then condensed the spiritual power with his two fingers, and then with a sudden finger, countless spiritual lights flashed, directly blocking David's Holy Light Fist!

I have to say that this guy Zuo Xuan is not a showman, he does have some strength!

Seeing Zuo Xuan's arrogant look, David was furious!

I saw David suddenly bite the tip of his tongue, and a mouthful of blood spurted out. The Dragon-Slaying Sword trembled violently, and then the sword energy was everywhere, and sword lights appeared behind David!

If David hadn't exhausted all his strength, he wouldn't have had the chance to burn his essence and blood!

If Sword Spirit Zhongli hadn't been injured, he wouldn't be in such a mess!

Although David has the God-King Bow, he may not be able to pull it now. Even if he could pull the God-King Bow, David would not use it unless absolutely necessary!

Another life-saving artifact is The Dragon Pattern Bell is gone. This is not a last resort, and David will not take it out!

As the saying goes, a man is not guilty of having a jade in his possession. If David showed off too many magical weapons, he would probably cause a lot of trouble!

Thousands of sword lights appeared behind David, and then headed straight for the left turn!

"Hmph, with your abilities, what can you do if you burn your essence and blood..."

Zuo Xuan snorted coldly, and black mist rose from his body, and then a huge skeleton formed behind him, exuding a strong evil aura!

Luo Xi, the sword of ten thousand swords, then collided with the huge skeleton!

David retreated continuously, and his face became increasingly ugly!

Even if he burns his essence and blood, David can't defeat this left spin!

Thousands of sword lights slowly disappeared, and the huge skeleton formed by the black mist also disappeared!

David propped himself on the ground with his Dragon-Slaying Sword, his forehead covered with cold sweat!

“David...”

Bai Qian was very anxious when she saw that David didn't lower his left hand at all!

But it was useless to be anxious. She was entangled by several people from the Demon Sealing Alliance and couldn't get away at all!

The Demon Sealing Alliance has many people and strong strength, and now Bai Qian and the others are in danger!

Luo Shouhai, in particular, could only parry under Elder Chu's attack!

“Boy, go to hell...”

Zuo Xuan smiled coldly and slapped David directly with his palm!

David frowned, watching Zuo Xuan slap him with his palm, he gritted his teeth suddenly, and his indestructible golden body flowed, with golden scales covering David's body!

It looked like David was going to resist this left hand palm!

“Young Master...”

Just when Zuo Xuan was about to slap him down, someone suddenly shouted Zuo Xuan!

Turning his head to the left, he saw that it was Elder Fei.

“What's the matter with you?”

Zuo Xuan frowned, very unhappy!

Chapter 3500

He was very unhappy that Elder Fei was disturbing him at this time!

“Young Master, David is just a turtle in the urn now, why bother to use Young Master to take action? I will help Young Master.”

Elder Fei said to Zuo Xuan!

“Go away, I want to kill this guy with my own hands. I don’t need your help.”

Zuo Xuan cursed at Elder Fei!

Elder Fei looked embarrassed, lowered his head and backed away!

Zuo Xuan ignored Elder Fei and looked at David again, stretched out his hand and slapped him down!

But just as Zuo Xuan raised his hand, he saw a flash of silver light, and Zuo Xuan’s arm flew out instantly!

Zuo Xuan was stunned for a moment, and soon severe pain hit him!

He watched helplessly as his arm was broken and bleeding profusely!

“Ah...”

Zuo Xuan’s face was full of disbelief and he looked at Elder Fei angrily!

I saw Elder Fei holding a long sword in his hand. He took advantage of Zuo Xuan’s inattention and cut off Zuo Xuan’s arm!

“You’re fucking crazy, do you know what you’re doing?”

Zuo Xuan yelled at Elder Fei!

“Of course I know. I don’t want to be the dog of your Demon Sealing Alliance and be yelled at by you. Moreover, I can’t let you kill this David because I took David’s poison. If he dies, I will also live.” No way...”

Elder Fei said with a cold smile!

“You...you fucking dare to betray our Demon Sealing Alliance, do you know the consequences? Your entire Soulless Palace will die!”

Zuo Xuan gritted his teeth, itching with hatred!

“The Soulless Palace has been dead for a long time. The current Soulless Palace is just a puppet of your Demon Sealing Alliance. I don’t care...”

Elder Fei didn’t care at all!

“I’ll kill you...”

Zuo Xuan roared, about to attack Elder Fei!

But at this moment, David saw the right opportunity, and the Dragon-Slaying Sword lay directly across Zuo Xuan’s shoulder!

As long as he rotates left, his head will move!

There was a bit of fear in Zuo Xuan’s eyes, and he shouted to David, “David, what do you want to do? If you kill me,, None of you can survive...”

“Are you threatening me? “The dragon-slaying sword in David’s hand penetrated deeply into Zuo Xuan’s flesh!

“No, don’t kill me...”

Zuo Xuan was suddenly afraid!

“Stop...”

At this time, Elder Chu discovered Zuo Xuan Being controlled by David, he was shocked!

He slapped Luo Shouhai on the chest, causing Luo Shouhai to spurt out a mouthful of blood and fly backwards!

Immediately after, Elder Chu went straight to David, “Boy, let go.” Kill our young master, otherwise I will make your life worse than death...”

“Uncle Chu, save me, save me...”

Seeing Elder Chu, Zuo Xuan shouted quickly!

“I hate other people’s threats the most...”

David After saying that, in front of Elder Chu, he chopped it down with a sword!

Zuo Xuan's head flew high, and then rolled to the ground!

A black mist flew out of Zuo Xuan's body. This is Zuo Xuan's soul!

“Hmph, Do you think that if you learn a few tricks from a demon cultivator, you can return to life? “

David snorted coldly, reached out and grabbed Zuo Xuan's soul, and then a spiritual power penetrated Zuo Xuan's soul. With Zuo Xuan's scream, the soul was crushed by David!

“Ah... How dare you To kill our young master, you must die...”

Elder Chu went crazy, and hit David with a palm that covered the sky!

Although Elder Chu was also at the eighth level of the Tribulation Realm, the power of this palm was obviously Much stronger than Luo Shouhai, his aura locked onto David, making him unable to avoid him!

“Mr. Chen...”

“Master...”

Luo Shouhai, Huo Feng and the others all screamed when they saw this. !

At this critical moment, thousands of golden lights erupted in the building, and then a figure suddenly flew out!

“Bold, dare to be disrespectful to Mr. Chen, seek death...”

I saw the eyes of the old devil mountain ghost shining, like a heavenly being coming to the world, The aura instantly locked onto Elder Chu, causing Elder Chu's figure to tremble!

At this moment, the Demon Mountain Ghost Old Man was in high spirits, and his cultivation aura was powerful. He had obviously made a breakthrough!
