Chapter 3506

“Master, Luo Shouhai is indeed not here, and I haven’t seen that guy named David either.”

The disciple of Blood Spirit Peak walked up to Cheng Jinghui and reported!

“Damn it, where did they go? Didn’t they go back to Blood Spirit Valley?”

Cheng Jinghui frowned!

“Master, what should we do now?”

The disciples of Blood Spirit Peak looked at the corpses on the ground and asked at a loss!

No one has been found yet, and all the Blood Spirit Valley disciples have been killed. In any case, they can be considered the same clan!

Now that he is so ruthless, if Luo Shouhai knew about it, he would definitely not let it go!

“Erase all traces. No one is allowed to tell anything about today’s events, otherwise they will be killed without mercy...”

Cheng Jinghui slowly calmed down at this moment and began to give orders loudly!

What he did in this matter was indeed a bit too much!

Many disciples of Blood Spirit Peak began to work nervously to eliminate all traces of them!

After eliminating all the auras and traces, Cheng Jinghui quickly left with everyone from Blood Spirit Peak!

Not long after Cheng Jinghui left, Sect Leader Na Luo arrived with people from the five major sects!

“Sect Leader Luo, why do I feel that this Blood Spirit Valley is so quiet and smells of blood...”

someone said with a frown!

“I smelled it too. There is indeed the smell of blood, and why can’t I feel it at all? Isn’t there no one in the Blood Spirit Valley?”

Someone echoed!

Sect Leader Luo released his spiritual consciousness and soon frowned!

“Go in and take a look. Everyone in the Blood Spirit Valley has been killed...”

After Sect Master Luo finished speaking, he led his people into the Blood Spirit Valley!

I saw corpses all over the Blood Spirit Valley, rivers of blood, and several one-meter-long vultures eating the corpses!

Seeing the tragic situation in front of them, everyone was shocked!

Although the Blood Spirit Valley belongs to the demon clan, in the Heavenly Demon MountainA generation ago, the conflict between humans and demons was not so intense!

The five major sects did not have many disputes with the demons in Tianmo Mountain. On the contrary, they often cooperated together!

Now that everyone in the Blood Spirit Valley has been killed, the people of the five major sects feel a little sad!

They came angrily, just to get an explanation and to ask Luo Shouhai to hand David over. They didn’t even think about destroying the Blood Spirit Valley!

“See if there are anyone alive? Then find out who did it. This kind of thing hasn’t happened in our entire southern region for many years.”

Sect Leader Luo said with a gloomy face!

The entire Southern Territory is considered the most harmonious. Although there are fights and deaths and injuries, things like this kind of extermination of families almost never happen!

Now that something like this suddenly happened, of course he had to find out who did it!

After all, the status of their five major sects in the Southern Territory is not low, so of course they must take care of this kind of thing if it happens!

“Sect Master Luo, we have checked, there are no survivors at all, and there are no traces of breath. The person who does it should be able to erase it.”

Someone said!

“Sect Leader Luo, since Luo Shouhai is not here, let’s go. Don’t worry about this kind of nonsense. Luo Shouhai is not a good person anyway. Now that we can’t find David, I think we should look for the Orcs. Several guys!”

“Our disciples were killed, and several guys from the orc tribe were also involved. This matter is not over yet...”

Beside Sect Master Luo, a black-faced man said angrily!

“Master Hai, even if we find a few of the Three Sovereigns and Four Kings of the Beast Clan, you have to suppress them. We can’t do anything when we meet. We have to ask clearly.” “

We follow the Beast Clan without any grievances. I don’t understand. Why did they help David kill our disciple?”

Sect Master Luo said!

“Sect Master Luo, isn’t this clear? Of course it’s for profit. In that battlefield of gods and demons, no matter whether there is hatred or not, they are all chasing the treasure.”

Sect Master Hai said loudly!

Chapter 3507

“Sect Master Luo, I feel that Sect Master Hai is right. Let’s not worry about this place now. We should go find those guys from the beast tribe and ask what’s going on.”

Someone echoed what Sect Master Hai said!

Seeing this, Sect Master Luo could only nod his head and said, “Okay, let’s go back first, and then send people to find the Three Sovereigns and Four Kings of the Orc Clan. If they really did it, even if they break up with the Orc Clan, they will never be spared.” Kill them!”

The people from the five major sects left the Blood Spirit Valley, and the disciples of the Blood Spirit Valley were still being eaten by vultures!

At this moment, Luo Shouhai was still recovering from his injuries and had no idea that all his disciples had been killed!

David has completely recovered after training! And

in the past few days, David has gained a deeper understanding of the Fire Control Step and the Imitation Breathing Technique!

But David still couldn’t start the clock. He didn’t know how to use it!

“Mr. Chen, these are some spiritual stones and fairy grass sent by Mr. Gui...”

Ji Yun put some resources in front of David!

In the past few days, in order to help David recover faster, Demon Mountain Ghost Lao went out early and returned late every day to look for various resources that could be used!

Why is it that Demon Mountain Ghost Lao is now able to withstand the Demon Tribulation Cloud? His breakthrough in strength is all due to David!

“Ji Yun, have you practiced during this time?”

David asked Ji Yun!

“Mr. Chen, I have been collecting various resources with Mr. Gui during this period, so I haven’t had time to practice yet.”

Ji Yun said!

David looked at Ji Yun and waved his hand to signal Ji Yun to sit opposite him!

“You have been following me for a while, but your strength has not increased much, and you have not gained anything...” “

Mr. Chen, I am very content to be able to follow you. I can see the world with you.”

Before David could finish speaking, Ji Yun hurriedly said!

“What’s the use of seeing the world? I will teach you a set of Nine Shadow Sword Techniques now. When you go to the Weapon Refining Sect after a while, I will let the Weapon Refining Sect help you forge a sword, and your strength will be improved a lot! “

After David finished speaking, he gently pressed one hand on the top of Ji Yun’s head!

Soon, the Nine Shadows Sword Technique was transmitted to Ji Yun’s sea of consciousness!

Ji Yun used his spiritual consciousness to pass through the sea of consciousness, He was suddenly surprised and said, “Mr. Chen, is this the Nine Shadows Sword Technique?” It looks so advanced...” “

If this Nine Shadow Sword Technique can be practiced to a proficient level, it can produce nine clones with the same aura and even the same power! “

“When the time comes, you slash out with one sword, and what you actually slash out are ten actual swords. Your own power will be amplified a lot. Of course, the Nine Shadows Sword Technique can also be used as an escape! “

Remember that when practicing swordsmanship, if you are too impatient, you will not only fail to practice successfully, but will also make yourself collapse.”

“I can now have six clones, and I will pass on some of my experiences and cultivation methods to you. ” “

David said, and passed on all his knowledge of the Nine Shadows Sword Technique to Ji Yun. He had no reservations about Ji Yun!

Ji Yun's face was full of excitement, and he knelt down directly in front of David." Mr. Chen is so kind and has taught me the Nine Shadows Sword Technique, which is like reinventing his master. I..." "

Stop it, we are friends and brothers. I am not your master, otherwise I would not teach it to you. "

David hurriedly interrupted Ji Yun!

Looking at Ji Yun like this, he wants to become his master. David has never thought about who he wants to be his master!

When Ji Yun heard this, he got up with an embarrassed look on his face and followed David After thanking him, he couldn't wait to leave, probably to practice!

"David, I heard that you have almost recovered, and now you have to pay back the debt you owe me..."

Ji Yun walked back, and Bai Qian walked in!

And with a look on his face Looking at David affectionately, water seemed to well up in his eyes!

"What account?" "David asked, pretending not to know!

"Stop pretending..."

Bai Qian pounced directly on David and rode on David!

Chapter 3508

A few days later, time flies!

David was immersed in the fire-bending steps!

I saw an undetectable flame under David's feet. The flame was like a filament, constantly swirling around David's feet!

David thought, and those two filament-like flames quickly penetrated into the ground!

David took a step forward and his body disappeared!

When David opened his eyes, he found that he was already several miles away!

"Damn it, I still can't reach a hundred miles in one step. It's too difficult to practice. I really shouldn't have angered the Fire Star Lord in the first place..."
Chen

Ping sighed, although this fire-bending step is good, but it's too difficult to practice!

During this period of time, apart from recovering, David was also studying the fire-bending steps. Now he can only move a few miles in one step!

David is now dissatisfied with a single step or several miles. He has never thought that in the secular world, he could only travel a few hundred meters through the void with the Universe Circle!

Now David is running the fire-controlling step, and he is miles away with one step, but he is not satisfied anymore...

Human desires are really unlimited!

"Mr. Chen, my father called you. He has fully recovered now and wants to call you to visit Blood Spirit Valley!"

Luo Xi ran over and said to David!

"Okay, let's go then!"

David also wanted to visit the Blood Spirit Valley, and then asked Jin Dong to take him to the Demon Swallowing Cave.

David and his group headed towards the Blood Spirit Valley!

The old solitary man from the Demon Mountain Ghost also followed David and the others to the Blood Spirit Valley!

When he was still dozens of miles away from the Blood Spirit Valley, Bai Qian frowned slightly and kept looking at the sky!

“What’s wrong?”

David asked Bai Qian!

“There are a lot of vultures circling in the sky. There should be people fighting around here, and people have died.”

“Looking at the number of vultures, there should be quite a few people dead...”

Bai Qian said!

After hearing what Bai Qian said, everyone raised their heads and saw that there were indeed many people in the sky. The vultures are circling and sometimes swooping down!

“It’s broken...”

Luo Shouhai was shocked. “There is only my Blood Spirit Valley in this area. Could it be that something happened to our Blood Spirit Valley?”

Luo Shouhai quickened his pace, and the others followed closely behind, increasing their speed to the extreme!

For David and others, the journey of dozens of miles is just a blink of an eye!

Looking at the lifeless Blood Spirit Valley in front of him, the permeating smell of blood, and the constantly circling vultures, Luo Shouhai’s face became extremely ugly!

Even when he reached the door, Luo Shouhai didn’t have the courage to open it!

“Ji Yun, go call the door...”

David asked Ji Yun to call the door.

Ji Yun stepped forward and knocked on the door gently, but there was no movement at all. Ji Yun could only push and the door slowly opened!

The door was opened, and there were corpses all over the yard. Some of the corpses had been eaten by the Turks and only the bones were left!

Seeing this tragic scene, Luo Shouhai's eyes suddenly widened, a mouthful of blood spurted out, and he fainted!

Jin Dong and Luo Xi also stood stunned on the spot, as if they were stupid!

You know, these are their senior brothers, senior brothers who have lived together for many years!

Seeing this, David stepped forward and grabbed Luo Shouhai's wrist, and a burst of spiritual power penetrated into Luo Shouhai's body, causing Luo Shouhai to wake up faintly!

“Who, who did this...”

Luo Shouhai roared and ran into the yard!

David and the others followed in, and they couldn't bear to look at the tragic situation!

Demon Mountain Ghost Elder frowned and said, “Who did it? This kind of thing has not happened in Tianmo Mountain for a long time...”

Luo Xi and Jin Dong looked at the corpses on the ground and cried!

No one who sees this kind of scene can control their emotions!

David remained calm and his consciousness spread out. He wanted to check if there were any other auras besides the auras of these Blood Spirit Valley disciples in the Blood Spirit Valley!

If so, it would be easy to find out who the murderer is!

Chapter 3509

David used his spiritual consciousness to detect for a long time, but he couldn't detect anyone else's aura at all. It was obvious that the other party had eliminated all traces of aura!

Now, it would be difficult to know who did it!

“Let me find out who did it, and I will cut them into pieces...”

Luo Shouhai roared, and a terrifying aura erupted from his body!

At the same time, Luo Shouhai's consciousness covered the entire Blood Spirit Valley. He wanted to see who came to the Blood Spirit Valley and killed all his disciples!

But Luo Shouhai used his spiritual sense to explore for a long time, but he couldn't find anyone else's aura!

“Master Luo Valley, I have also checked. The other party should have deliberately erased the aura and traces, so it cannot be detected.”

David said to Luo Shouhai!

“Ah...”

Luo Shouhai roared like crazy, his heart full of grievances and unwillingness!
in

Dong also gritted his teeth and said, “If we can't find out who it is, can we just forget about it? Will my brothers and I die in vain?”

Jin Dong was also unwilling to give in, but what's the point of not being willing to do so? Yes, I can't find out who did it now!

“Could it be that Cheng Jinghui who did it? After all, when Mr. Chen just came out of the battlefield of gods and demons, that guy wanted to kill Mr. Chen, but was stopped by Lord Luo. If he was dissatisfied and attacked Blood Spirit Valley What?”

Ji Yun guessed!

“Impossible. Although my junior brother is competitive and ruthless, he will never do such a thing to our Blood Spirit Valley. After all, we are from the same sect.”

Luo Shouhai shook his head, he didn't believe it at all. It was Cheng Jinghui who did it!

“This is really strange. Logically speaking, Blood Spirit Valley has always kept to itself and never fought with others. Who could be so cruel as to destroy the entire family?”

Bai Qian said!

The reputation of Blood Spirit Valley has always been good. Whether they are humans, demons or beasts, they all compare Luo Shouhai's character to others. Most admired!

Now that something like this happens suddenly, it's really hard to guess!

“Master Luo Valley, I know that there is a monster called the Lingxi Beast, which can trace the aura. Even if the opponent deliberately erases the aura, this monster can recover.”

Demon Mountain Ghost Lao followed Luo Shouhai and said!

After listening to the words of the Demon Mountain Ghost Elder, Luo Shouhai frowned and said, “I have also heard of this kind of monster, but where can we find such a monster? What's more, even if we find it, will this monster listen to us? , maybe they will attack us.”

“I know this spiritual beast. There is such a monster in the Spirit Beast Valley. I can help you get one.”

Bai Qian heard this and said quickly!

As a member of the Three Sovereigns and Four Kings of the Beast Clan, Bai Qian shouldn't have much of a problem getting a monster!

“Spiritual Beast Valley, is that the Lion King's territory, right?”

Huofeng said after hearing this!

“Yes, it’s the Lion King’s territory, but he won’t be stingy if you ask him for a spiritual beast, not to mention you are here!”

Bai Qian looked at Huofeng and said!

“That’s right, it’s just a spiritual beast. Back then, the Lion King took advantage of me a lot!”

Huo Feng said proudly.

Although David didn’t know what a spiritual beast was, he heard what they said, so he said, “Then I’ll follow you two and get a spiritual beast quickly.” “

Okay, let’s go...”

Bai Qian nodded!

David followed Ji Yun and told him a few words, asking Ji Yun to help Luo Shouhai with his funeral arrangements!

He followed Huofeng and Bai Qian and headed straight to the Spirit Beast Valley!

Spiritual Beast Valley is on the other side of Tianmo Mountain, thousands of miles away. Even if David and the others were traveling at full speed, it would probably take them a day and a night!

But if David masters the fire step and can move a hundred miles in one step, it won’t take long. Now they can only fly in the air and hurry up as soon as possible!

Chapter 3510

In a dense forest in Tianmo Mountain!

The Monkey King, the Lion King, the Leopard King and the Thousand-Faced Demon King are gathering together!

The expressions of the four of them are not very good. This time in the battlefield of gods and demons, the four of them did not gain much!

Especially the Lion King, who finally found out the whereabouts of the God King's bow, but had no way to get it back!

The Thousand-faced Demon King seemed to see what the Lion King meant, and stepped forward and patted him on the shoulder and said, "Lion King, that God-King Bow is destined not to belong to you or me, so none of us can get it, let alone get it. We can't use it either."

"The God King's Bow has been stored on your site for so many years. You can't even pull it out from the mountain, let alone pull it, so you can't even think about it. "

This time in the battlefield of gods and demons, although we didn't gain much, we still gained something. Let's go back to our respective families and practice hard. The power of our beast race is too low now." After listening to

the Thousand-faced Demon King's words, The Lion King also seemed relieved. After all, even if the God King's bow was given to him, it would be difficult for him to pick it up!

"This time, the Fox Princess is lucky. Maybe in the future, among our three emperors and four kings, the Fox Princess will become the boss." The

Leopard King said with some envy!

"It doesn't matter who is the boss. We orcs must unite, otherwise it will be more difficult to gain a foothold in the human world."

"Let's all go back to our respective families. I'm leaving too..."

the Thousand-faced Demon King finished. , turned around and prepared to leave!

But just as the Thousand-faced Demon King turned around, dozens of rays of light suddenly appeared around him!

Then dozens of figures surrounded the four of them, the Thousand-faced Demon King!

When the four people saw this, they all became alert instantly!

When he saw clearly who was coming, the Thousand-faced Demon Emperor took a step forward and said, "It turns out they are people from the five major sects. Do you know what's wrong with you?"

The people from the five major sects all stared at the four Thousand-faced Demon Emperor with eager eyes. There is murderous intent in it!

"Thousand-faced Demon King, You four, please come with us..."

Sect Master Luo stood up and said!

"Sect Master Luo, what's going on? We don't seem to have much contact with you five major sects. I think if you have something to say, I'd better just tell you. "

Thousand-faced Demon Emperor said!

"Thousand-faced Demon Emperor, stop fucking pretending, just follow me when I ask you to follow me. Where is there so much nonsense? "

Hai Sect Master shouted angrily!

Thousand-faced Demon Emperor's face instantly turned cold. Although their realm is not as high as that of the five major sect masters, in terms of status, they, the Three Sovereigns and Four Kings, follow the human clan sect masters equally. !

Now this Haizong advocate is scolding, which makes the Thousand-faced Demon Emperor look ugly. However, the Thousand-faced Demon Emperor does not retaliate. After all, the opponent has many people and strength, and a good man will not suffer the immediate loss!

"Hai Dafu, you damn !" How to speak? Why should I follow you? Are you bullying us just because you have more people? "

The Lion King stared at the Hai Sect Master with dissatisfaction and said angrily!

The Lion King's territory is in the area of Tianmo Mountain. He is relatively familiar with the five major sects, so he is not afraid of them at all! The

Lion King knows that the five major sects People, as a human clan, will not kill people randomly, especially in the area of the Demon Mountain in the Southern Territory!

Whether they are human, demon, orc, they all maintain courtesy and large-scale fights rarely occur!

Now five The people from the major sects suddenly surrounded them, and the Lion King was not afraid. He did not believe that these people dared to take action!

If there was a large-scale dispute between the Yin Qi Beast Clan and the Human Race, the five major sects would not be able to afford it!

“Lion King, I want you to follow me.” , just follow along, stop talking nonsense, do you dare to say one more thing today, do you believe I will kill you? “

The aura on Hai Dafu’s body surged, and he immediately pressed towards the Lion King!

The leaders of the five major sects are stronger than the Lion King and the others, and there are more people on the other side. If there is a fight, the four of the Lion King and the others will not be able to fight. Not an opponent!
