Chapter 3515

“That’s not true, there is another one...”

said the elder Zong!

David and the others were relieved when they heard that there were still rhinoceros beasts. If they all died, wouldn’t their trip be in vain?

Mainly because of the tragedy in Blood Spirit Valley, there is no way to know who did it!

“Since there is still one, let’s take a look...”

Bai Qian said to the elders!

The sect elder nodded helplessly, and then led David and the others back!
After

walking for a while, the elders led David and the others suddenly turned around and headed directly towards the stone wall of a mountain peak!

Just when David and the others were puzzled, they saw the sect elder gently patting the stone wall with his palm, and the stone wall actually moved!

There is a secret door here!

It is estimated that the Spirit Beast Valley saw the abnormality of these spirit beasts and locked the last spirit beast in a secret room!

After walking into the secret door, the stone wall slowly closed automatically!

Directly behind the secret door is a very huge cave. At the top of the cave are countless luminous pearls, which illuminate the entire cave as bright as day!

“Elder Zong, why do I feel something is wrong with the aura inside?”

David suddenly frowned after entering!

“Mr. Chen, this is a pregnant rhinoceros beast. It is estimated that it is giving birth at this time...”

After the elder Zong finished speaking, he led David and the others towards the depths of the cave!

“Master, what do you feel is wrong with the aura? Why don't I feel it?”

Huo Feng saw David always frowning, so he asked!

“Nothing!” David shook his head, but his frown never relaxed!

Soon the elders of the sect took David and the others to the depths of the cave. There were already many monks here, and several magic formations had been set up!

These monks all looked nervous, and when they saw the sect elder coming, they all saluted!

David and the others looked at Here, a telekinesis beast that is several meters tall is making a deep roar, and the eyes of this telekinesis beast are glowing red!

There were several corpses surrounding the rhinoceros, which had obviously been killed not long ago!

“Elder Sect, just now this spiritual beast was about to rush out of the cave. We tried our best to stop it, and even killed and injured several people. Finally, we activated the magic circle to stop this spiritual beast.”

A monk followed the elders to report!

“How could this happen? The rhinoceros beast is very docile, why is this happening?”

The sect elder's face was full of questions, but it was obvious that he didn't know what was going on!

Roar...

At this moment, the rhinoceros beast suddenly roared crazily again, constantly attacking the magic circle!

It seems that this rhinoceros beast has no intention of living anymore, and it doesn't even care about the child in its belly!

“Quickly, stop it, stop it, this is the last spiritual beast, it can't die!”

the sect elder shouted loudly!

When several monks saw this, they had no choice but to rush through the magic circle. If they wanted to control the rhinoceros beast, they couldn't let it move violently, otherwise they might not be able to save both mother and child!

But as soon as a few monks rushed in, they were beaten to death by your rhinoceros beast in three or two blows!

Looking at the monks who died tragically, the sect elder looked helpless and shouted, “What should we do? What should we do...”

“Let me try...”

After David finished speaking, he went straight to the Go inside the magic circle!

“Master, you have to be careful...”

“David, don't show off, come out quickly...”

Huo Feng and Bai Qian were both worried about David!

The elders of the sect also looked at it with surprise on their faces. David was only in the first level of the Tribulation Realm. You must know that when this rhinoceros beast goes crazy, it explodes with huge power. David may not be able to resist it!

But David didn't seem to hear what Huofeng and Bai Qian said, and slowly walked up to the rhinoceros beast!

The rhinoceros beast roared, staring at David with scarlet eyes, and let out bursts of roars!

Chapter 3516

“Don’t be afraid, I’m here to help you...”

David actually spoke to the rhinoceros beast!

The rhinoceros beast didn’t seem to listen to David’s words. After a roar, a terrifying aura came towards David!

“It’s broken...”

Upon seeing this, the sect elder immediately shouted something bad, because he knew that the roar of the spirit beast was very terrifying!

But David actually stood motionless, letting the terrifying aura come towards him! The

breath shook several magic circles, but David’s body remained motionless!

Although David is only at the first level of the Tribulation Realm, his strength is not something that this spiritual beast can shake!

The sect elders who saw this scene were dumbfounded!

“Is this... is this a first-level cultivation level in the Tribulation Realm?”

The sect elder’s face was full of disbelief!

Seeing that a roar was useless to David, the rhinoceros beast retreated and planned to hit David!

“I won’t hurt your child...”

After David finished speaking, he waved his palm gently, and a soft light fell on the body of the spirit beast, and then formed a halo around the body of the spirit beast!

Moreover, David kept chanting the Heart-Cleaning Mantra in his mouth, and the spirit beast slowly became quiet, and the scarlet color in its eyes slowly disappeared!

“What’s going on?”

Seeing this scene, Bai Qian and Huo Feng were also a little confused!

The rhinoceros beast completely calmed down, and under the halo of light, it began to give birth to babies with force!

With the roar of the rhinoceros beast, a small rhinoceros beast was born!

The rhinoceros beast kept licking its child, looking like a gentle mother, without the violent look just now!

David looked at the silent beast and slowly walked out of the magic circle!

“What...what is going on?”

Seeing David come out, the elder Zong askedHe asked with a puzzled face!

“I seem to know why these rhinoceros beasts committed suicide...”

David said with a solemn face!

“Why?”

Huofeng and Bai Qian asked in unison!

“Because there is an undetectable evil spirit. This evil spirit is almost undetectable, but this spirit beast is extremely sensitive to the breath, so it is disturbed by this evil spirit.” “

I just used magic to block the evil spirit . , the spirit beast immediately became quiet, which seems to be the cause of this evil spirit.” “

I felt a strange aura from the beginning, but I couldn’t be sure. Just when I entered the magic circle, the spirit beast It was only when there was a roar and a terrifying breath that I caught the evil spirit.”

David explained carefully!

“Why didn’t I feel the evil spirit?”

Bai Qian was stunned. With her current state, David should have noticed it, so she shouldn’t have been able to detect it!

The elder of the sect was also full of doubts and said, “Evil energy? It shouldn’t be. Although there is evil energy in the Valley of the Dead, there is a formation in the middle to block it. There is no way for the evil energy to enter the Spirit Beast Valley.”

“Let’s go and take a look, maybe You know...”

After David finished speaking, he walked out of the cave!

Huofeng and the others hurriedly followed, and then followed David towards the Valley of the Dead!

After leaving the cave, David could no longer detect the evil aura, but he still walked towards the Valley of the Dead!

Coming to the Valley of the Dead again, David slowly walked in when he saw the bones on the ground and the motionless spiritual beasts!

When Huofeng and Bai Qian wanted to follow them in, they were stopped by David.

“Don’t come in. There can’t be any other aura in this place now.”

David was afraid that the auras on Huofeng and Bai Qian would cover up the undetectable evil spirit!

When David entered the Valley of the Dead, he was instantly surrounded by the thick evil spirit!

Chapter 3517

David is not afraid of these evil spirits, but he likes them very much!

It's just that these evil spirits are different from the evil spirits that David just noticed in the cave!

David looked at the dead rhinoceros beasts. They all seemed to be asleep, but they no longer had the slightest breath!

David circulated the Heart Condensation Technique, swallowing up the evil energy around him!

At the same time, David also needs to find the special evil spirit among these evil spirits. By following that evil spirit, he can find out the cause!

However, no matter how hard David searched, he still couldn't find it out, which made David very angry!

However, David would not let go of so much evil energy. Above David's head, the evil energy gradually condensed into mist and continued to pour into David's body!

But just as David was greedily absorbing the evil spirit, his body suddenly shook slightly!

Because he noticed that special evil spirit, and it was obvious that this evil spirit seemed to have life. He just checked around David, but it was not absorbed by David, and then disappeared quickly!

A glimmer of light flashed in David's eyes, and then the Heart Condensation Technique stopped operating, and his consciousness focused on one place, firmly locking on the evil aura! Huofeng

and the others saw that David suddenly started running, and he ran towards the depths of the Valley of the Dead!

However, David had given instructions, so they did not dare to rush in privately, for fear of ruining David's important event!

Soon, David's figure disappeared before their eyes.

David locked on to the evil spirit until he reached the foot of the mountain peak. This mountain peak was once the place where the God King's bow was placed!

Following the evil spirit, David climbed toward the mountain peak, and soon found a small-looking cave halfway up the mountain!

And this evil spirit is emanating from this cave!

Looking at the bottomless black cave, David did not dare to go in rashly. He observed the outside for a while, and then wanted to use the fire to force out the evil things inside!

Before David could use Ultimate Fire, he saw a black shadow rush out quickly, and then slapped David with a palm!

David was so shocked that he retreated and fell directly from the mountainside!

But the black shadow clung to David and chased after him!

After David landed, he hit him with a backhand palm!

boom!

After a loud noise, a bright light shot out in all directions!

The moment his palms came into contact, David was stunned!

And the black shadow also stopped and looked at David in disbelief!

“Senior Yin Mo, you... why are you here?”

David looked at the Yin Mo in front of him, his face filled with disbelief!

Yin Mo was also shocked, “You... why are you back? And your realm seems to have improved a lot?” “

I have been in the heaven and human world for a long time. I don't know what Senior Yin Mo is doing here. What?”

David asked in confusion!

“Of course I have to practice. My suppressed remnant soul escaped back to the world of gods and humans to reshape my body. I have lost most of my cultivation, so of course I have to practice.” “The evil

spirit of the Valley of the Dead is prevalent, so it is most suitable to practice here. “

You got the God King’s Bow, but you still don’t hide. You dare to come here. Be careful of being discovered by those beasts.” The

Yin Demon said to David!

“It doesn’t matter, even if the Beast Lion King is here, he won’t dare to do anything to me.”

David smiled lightly.

Yin Mo looked David up and down, and then said in amazement, “I didn’t expect that your boy, who is in the first level of the Tribulation Realm, is very strong. My palm just failed to do anything to you.”

“Senior Yin Mo, you absorb the power of Yin Sha There is no problem with Qi cultivation, but why did you kill these spiritual beasts? Fortunately, the Lion King is not here. If he were here, he would probably find your whereabouts.”

David asked, pointing at the corpses of the spiritual beasts all over the ground!
