Chapter 3569

“You...”

Ye Liancheng glared at David, wishing he could eat David in one bite!

“Come on, hit me...”

David provoked Ye Liancheng! In

this holy pool, the two of them are evenly matched, and David is not afraid at all!

Seeing David’s arrogant and domineering look, Ye Liancheng was itching with hatred!

“Feng’er, give me the Fire Spirit Pearl. You go back to the shore first. Wait until I kill this kid. You are rebuilding your bloodline!”

Ye Liancheng knew that if he could not exert his full strength, there would be no way to kill him. David’s.

If you want to use your full strength, you must use the spiritual power to resist the cold air of the holy pool. Now you can only use the fire spirit beads to help yourself resist the cold air!

Ye Feng nodded and swam towards Ye Liancheng!

When David saw this, he slashed at Ye Feng with his sword. He couldn’t let Ye Liancheng get the Fire Spirit Pearl!

If Ye Liancheng gets the Fire Spirit Pearl, everything will be over!

The sword light went straight towards Ye Feng, frightening Ye Feng so much that he quickly stopped and kept retreating!

As Ye Feng retreated, he threw the Fire Spirit Bead directly towards Ye Liancheng!

After the Fire Spirit Pearl was released, Ye Feng felt the coldness entering his body, and he was so frightened that he kept floating upwards.

Ye Liancheng stretched out his hand to grab it, and a suction force attracted the fire spirit bead towards him quickly!

When David saw this, he also grabbed the fire spirit bead!

I saw flames igniting under David's feet, and he directly used the fire control step, and his speed instantly became much faster!

Seeing David trying to snatch the Fire Spirit Bead, Ye Liancheng waved his hand and shot out three spiritual lights!

If David didn't dodge, he would definitely be hit by the aura!

Seeing that he was about to get the Fire Spirit Bead, David gritted his teeth and let the three spiritual lights hit him without dodging!

The moment David's hand grabbed the Fire Spirit Pearl, three spiritual lights also hit David!

Loud rumble!

The water in the holy pool kept rolling, and David was directly knocked away!

"Hand over the Fire Spirit Pearl..."

When Ye Liancheng saw that David had obtained the Fire Spirit Bead, he roared and rushed over!

David adjusted his breathing, smiled at Ye Liancheng, then opened his mouth and swallowed the Fire Spirit Pearl!

Seeing David eating the Fire Spirit Pearl, Ye Liancheng was furious!

Without the Fire Spirit Orb, his son would have no way to enter the holy pool to rebuild his bloodline!

"Go to hell..."

Ye Liancheng roared and slapped a terrifying palm!

With this palm, Ye Liancheng used all his spiritual power and no longer even resisted the cold air of the holy pool!

A huge whirlpool appeared in the holy pool, heading towards David quickly!

When David saw this, his body sank rapidly!

He didn't dare to resist Ye Liancheng's palm!

Seeing David heading towards the bottom of the pool, Ye Liancheng wanted to continue chasing, but the cold air made his body shake violently!

Helpless, Ye Liancheng could only quickly surface and did not dare to pursue David!

When Ye Liancheng surfaced, Ye Feng rushed over!

"Dad, how's it going? Did you kill that guy?"

Ye Feng asked!

"No, he also took away the Fire Spirit Pearl and swallowed it."

Ye Liancheng's face was full of atmosphere!

"Ah?" Ye Feng was stunned. "Then what should I do? Without the Fire Spirit Pearl, how can I rebuild my bloodline?"

"Don't worry, I'm here to guard you. I don't believe he will never come out. As long as he shows up, I will kill him directly and take out the Fire Spirit Pearl from his stomach."

Ye Liancheng comforted Ye Feng!

Ye Feng nodded and could only wait!

At this time, the sound of fighting in the Ye family had stopped. Sheng Bushi and Sheng Jiayue were rescued, and the Sheng family members also evacuated!

Devil Shan Gui Lao and the others also withdrew. Originally, they wanted to find David, but Sheng Bushi persuaded them to leave the Ye family!

However, they did not return to the Sheng family, but found a place in Yecheng to wait for news about David!

If there is no news about David for a long time, they will enter the Ye family again!

Chapter 3570

In the holy pool!

David kept sinking downwards. With the Fire Spirit Pearl in his body, David would be fine even if he didn't use the original fire!

But soon, David felt a buzz in his sea of consciousness, and the cold air in the holy pool disappeared!

But what comes with it is endless pressure!

David felt his bones snapping all over his body, and his whole body seemed to be compressed!

David quickly activated his indestructible golden body and was able to withstand the pressure of the holy pool!

"It's really strange. How come there are different obstacles in this holy pool?"

David was very puzzled!

However, David continued to dive downwards, but the holy pool seemed to be boundless and had no bottom at all!

David himself didn't know how long he had been sinking, and he couldn't detect it with his spiritual consciousness.

David now feels as if he is floating in an endless dark universe. The loneliness is scary!

“Mr. Chen, Mr. Chen...”

Zhe Yan’s voice sounded!

Only then did David come back to his senses from the endless loneliness!

“Mr. Chen, your consciousness is trapped and has been floating motionless...”

Zhe Yan said to David!

“What, I haven’t moved all this time?”

David’s face was full of surprise. He thought he had been diving!

“It’s not moving. It feels very strange in this holy pool. Mr. Chen, you should pay more attention.” Zhe Yan reminded David!

David’s head was breaking out in a cold sweat at this time. If Zhe Yan hadn’t woken him up, David would have been floating here forever. That would be too scary!

David hurriedly woke up, then held his breath and concentrated on diving downwards!

Soon, sediment appeared in front of David, proving that the bottom of the pool had arrived!

When David stepped on the bottom of the pool, he finally felt that solid feeling in his heart!

David looked around and found a ball of light not far away!

Looking at the bright light, David was very happy in his heart. It would be great if there was a treasure at the bottom of the pool!

David slowly walked towards the light!

When David got closer, he found that it was a piece of jade that was emitting light!

And around the jade, there is a light curtain covering the jade!

This jade stone is the size of a palm, and the aura it emits is very strange!

Just when David reached out to pick up the jade, his palm passed through the light screen, and the jade suddenly emitted a dazzling golden light!

In the golden light, a man's figure slowly appeared!

"You dare to spy on my Sky-Mending Stone..."

The man looked at David with a cold look on his face. His voice was like a loud bell, which made David's consciousness go into a trance!

David quickly took back his hand and looked at the man quietly, his eyes full of greed.

"Mending Sky Stone? Is this a fairy stone?"

David asked the man!

"Hmph, you are a first-level monk in the Tribulation Realm. Why are you asking so many questions? This is an immortal stone, but it is useless to you."

"

Come here when you ascend to immortality..."

The man's eyes were filled with contempt!

Feeling the man's contemptuous gaze, David sneered and said, "You are just a remnant soul now. It's not even a remnant soul, it can only be regarded as a remnant." "

You still look down on me. Today I Just take away the Sky-Mending Stone, what can you do to me?"

David is not afraid of this man, this guy might have died long ago, and left a trace of residual thoughts here to scare people!

David won't let him scare him easily!

I saw David grabbing him with one palm, not caring about the man at all!

And David's palm actually penetrated the man's body!

“Ignorant child, die...”

the man yelled angrily, and the Sky-Mending Stone bloomed with thousands of rays of brilliance!

These ten thousand rays of light were like sharp swords, coming directly towards David!
