Chapter 3571

The water in the holy pool began to boil, and rays of light divided the water, making waves of roar!

David suddenly shrank in pain, and then retreated at an extremely fast speed. No matter how fast David was, he was still hit by several rays of light!

The scales of David's indestructible golden body fell off, and finally became invisible!

David groaned, and the blood in his body surged!

"Mr. Chen, are you okay?"

Zhe Yan asked with concern!

"I'm fine, this guy is too strong..."

David said with a frown!

"Hmph, even if I have a trace of residual thoughts, it's not something you, a mere first-level kid in the Tribulation Realm, can deal with." "

But your body is quite strong, and you're fine when you're attacked."

The man was very concerned about David's physical body. It's appreciation!

David didn't speak, he just stared at the man and the Sky-Mending Stone not far away. Although David wanted to get it, he was no match for that man!

"Mr. Chen, since you can't get the Sky-Mending Stone, you can practice at the bottom of the holy pool and absorb the breath from the Sky-Mending Stone."

"Waiting until the breath of the Heaven-Mending Stone is absorbed

, this Heaven-Mending Stone The stone will become waste stone!"

Zhe Yan said to David!

“It seems like this is the only way. Although it will be much slower, there is no other way...”

After David finished speaking, he actually sat cross-legged in front of the man!

Then the Heart Condensation Technique was activated, and the strange aura emanating from the Sky-Building Stone was all absorbed by David!

The man was extremely surprised when he saw that David was able to absorb the breath in the Sky-Mending Stone!

“How is it possible? You are just a young monk in the Tribulation Realm. How can you absorb the breath from the refining Sky-Mending Stone?”

the man asked in shock!

“My technique can refine all things, so what does the aura of your Sky-Mending Stone mean?”

David smiled coldly.!

The man glared at David, but was powerless. David also discovered that as long as he did not pass through the light curtain, the man would not pose any threat to him!

David can safely and boldly absorb the breath from the Sky-Building Stone!

At this time, above the holy pool!

Ye Liancheng is still guarding the holy pool. As long as David dares to come out, he will take action immediately!

“Master, the statistics have been calculated. This time, forty-three monks of our Ye family died in the battle, and seventeen were seriously injured.” “

And the three demon cultivators from the far north were all dead, and none of them were left. Get off.”

The great elder walked to Ye Liancheng and said with a heavy expression!

Ye Liancheng narrowed his eyes slightly, “These daring guys from the Sheng family, wait until I kill the kid who broke into the holy pool, and then go and destroy the Sheng family!”

“Master, the three demon cultivators are dead, but the remaining I got this thing.”

The great elder opened his hand, and there were three red inner elixirs in his hand, and the three inner elixirs exuded a hot aura!

“Inner elixir? Is this what the three demon cultivators left behind after their death?”

Ye Liancheng asked in shock!

“Yes, I found it from the bodies of those three demon cultivators after they died.”

The great elder nodded!

When Ye Liancheng heard this, he burst into laughter. He understood what the great elder meant!

These demonic cultivators are dead anyway, so it’s okay to loot them!

“With these three inner elixirs, I wonder how that kid can escape.”

Ye Liancheng took the three inner elixirs and swallowed them directly!

After swallowing the inner elixir, Ye Liancheng’s body emitted waves of heat!

After feeling the hot feeling in his body, Ye Liancheng jumped into the holy pool with a pop!

Because he didn’t have to resist the cold air in the holy pool, Ye Liancheng dived much faster!

Ye Liancheng was filled with anger. He thought that as long as he saw David, he would definitely kill David without mercy!

Chapter 3572

The bottom of the holy pool!

David is still using the Heart Condensation Technique to continuously absorb and refine the breath in the Sky Mending Stone!

The man had a solemn expression, but he had no way to deal with David who was outside the light curtain!

Just when David relaxed his vigilance and was focusing on other distractions, the sound of water flowing above his head made David wake up instantly!

David looked up and found Ye Liancheng with a ferocious face coming towards him!

Ye Liancheng's eyes turned red, as if he was possessed!

David knew that Ye Liancheng's consciousness was affected!

Ye Liancheng has three inner elixirs of the Flame Demon lineage, which can withstand the cold in the holy pool. However, as it goes deeper, what appears in the holy pool is not the cold meaning, but huge pressure!

Ye Liancheng's strength in the ninth level of the Tribulation Realm was no problem in resisting pressure, but he ignored the influence of the holy pool on his spiritual consciousness!

So at this moment, Ye Liancheng seemed to be going crazy and came towards David!

Ye Liancheng's ninth-level Tribulation Realm strength exploded out, and he didn't hold anything back at all!

And he doesn't care if the holy pool will be destroyed. Now that his consciousness is damaged, he only wants to kill David and doesn't consider anything else at all!

Seeing Ye Liancheng going crazy, David frowned and quickly activated all the power in his body!

Facing a ninth-grade monk in the Tribulation Realm, David didn't dare to be relaxed or careless in the slightest!

David also knew that it was simply impossible to kill Ye Liancheng on his own!

So David looked at the light curtain!

Ye Liancheng still doesn't know what the light curtain represents, nor does he know about the Sky-Mending Stone, so as long as David uses means to make Ye Liancheng interested in the Sky-Mending Stone, that's it!

“Boy, give me back my Fire Spirit Pearl...”

Ye Liancheng roared angrily and punched David!

David used all his strength to resist, and his body kept retreating after being punched by Ye Liancheng!

In the end, David was powerless to fight back, and blood was constantly spurting out of his mouth!

Ye Liancheng looked at David ferociously, his eyes full of disdain!

“Open your belly and give me the Fire Pearl...”

Ye Liancheng said to David!

“Okay, I'll give you the Fire Spirit Pearl...”

David actually spat out the Fire Spirit Pearl!

There is no icy air at the bottom of the pool now, so it doesn't matter whether there is a Fire Spirit Pearl or not!

Seeing David spit out the Fire Spirit Pearl obediently, Ye Liancheng was a little surprised!

David threw the Fire Lingzhu out, but the Fire Lingzhu actually rolled to the other side of the light curtain!

When Ye Liancheng saw this, he went to pick up the Fire Spirit Pearl without any hesitation!

But just as he walked to the light curtain, a ray of light flashed, and the man's figure appeared again.

“Trespassers will die...”

The man’s words made Ye Liancheng slightly stunned!

Then the light emitted by the Sky-Mending Stone also attracted Ye Liancheng’s attention!

“That’s the Sky-Mending Stone. The reason why this holy pool can reshape the bloodline is because of the Sky-Mending Stone.”

“You can take the Sky-Mending Stone, so that your son doesn’t need to be in the Holy Pool to reshape it. Bloodline.”

David said to Ye Liancheng!

Ye Liancheng stood blankly, no longer as crazy as before, as if his consciousness was slowly recovering!

Ye Liancheng glanced at David, with a cunning look in his eyes!

“Are you trying to trick me?” Ye Liancheng’s brain recovered!

“Why did I cheat you?”

David asked with a weak look on his face, pretending to be ignorant!

“You’ve been at the bottom of the pool for a long time. Why didn’t you go get the Sky-Mending Stone?”

“This Sky-Mending Stone is guarded. Are you trying to borrow a knife to kill someone?”

Ye Liancheng saw through David’s mind!

David smiled lightly, raised the corner of his mouth slightly and said, “I won’t take it because I can’t defeat that remnant soul at all. I am only a first-level warrior in the Tribulation Realm. Even if the opponent is a remnant soul, it’s not me.” You can handle it.”

“You, a ninth-level monk in the Tribulation Realm, won’t be frightened by the other party’s remnant soul, right?”

Chapter 3573

David's words directly stimulated Ye Liancheng!

"Hmph, how can I be afraid of a ray of remnant soul, but don't think you are very smart, wait until I get the Sky Mending Stone and the Fire Spirit Orb, and then I will kill you..." After

Ye Liancheng finished speaking, he walked directly towards the light. !

He didn't care at all about the man's warning!

After all, the other party is just a ray of residual soul, not even a residual soul, just a ray of residual soul, the guardian of the sky-repairing stone! Ye

Liancheng is quite confident. As a ninth-level monk in the Tribulation Realm, how can he be afraid of that remnant soul?

Seeing Ye Liancheng walking towards the light curtain, David's eyes flashed with surprise. The Dragon-Slaying Sword suddenly appeared in his hand, and he was ready to take action at any time!

"Trespassers will be killed without mercy..."

The man threatened Ye Liancheng again!

But how could Ye Liancheng care about the threat of a remnant soul!

Ye Liancheng walked into the light curtain confidently, bent down and picked up the Fire Spirit Bead!

Seeing Ye Liancheng walking into the light curtain, David tightened his grip on the Dragon-Slaying Sword!

But after waiting for a long time, Ye Liancheng was fine, and the man didn't launch any attack on Ye Liancheng!

At this moment, David was dumbfounded. What the hell had it been agreed that anyone who entered the light curtain would be killed without mercy?

Cowarded?

“Hahaha, even a ray of remnant soul dares to speak so shamelessly. I miss you to protect the Sky Mending Stone. I won’t destroy you. You should leave on your own!”

Ye Liancheng laughed and waved his hand towards the man. !

The man did not move, staring at Ye Liancheng with cold eyes!

Ye Liancheng raised the corner of his mouth, and then passed directly through the man’s body. The man was just a ray of remnant soul and had no body at all. Ye Liancheng passed through easily and picked up the Sky-Mending Stone.

Seeing that Ye Liancheng had gotten all the Sky-Mending Stones, but the man still didn’t attack, David was stunned!

What’s going on?

Why is it directly attacked?

Is it just because you are easy to bully because of your first-level strength in the Tribulation Realm?

r> David is anxious!

If this man doesn’t take action, Ye Liancheng will definitely kill himself if he comes out with the Sky Mending Stone. David is not Ye Liancheng’s opponent now!

“Are you still a man? A man’s words are hard to follow, and your words are like farts.”

“You must be an immortal if you have an immortal stone like the Sky Mending Stone. I have never seen such a cowardly immortal as you.” .”

“I really don’t understand, how did you become an immortal? Did you go through the back door through a trust relationship?”

“A ninth-level monk in the Tribulation Realm has scared you. I don’t think you have much strength, so don’t F***k with me in the future. Bragging.”

David cursed at the man.

David also wanted to arouse the man's fighting spirit by doing this. He couldn't just watch Ye Liancheng walk out of the light curtain. If Ye Liancheng came out, everything would be over!

David's angry curse made the man frown!

"You brat, you are still the first person who dares to curse me. Today I will let you see if I am a man."

After saying that, the man's body emitted a ray of light, and then his hands turned into swords and moved toward Ye Liancheng beheaded!

"Cut..."

The man's eyes were extremely cold!

A divine light flashed across!

Ye Liancheng's eyes widened and he didn't even have time to react!

Poof!

The divine light passed through Ye Liancheng's body and cut Ye Liancheng in half!

Ye Liancheng's life soul tried to escape, but was also cut off by this divine light!

Ye Liancheng is dead!

A ninth-level monk in the Tribulation Realm was killed so easily!

David couldn't believe it. You must know that this is just a remnant soul, how can it be so powerful?

Ye Liancheng himself never understood until his death that a remnant soul that he looked down upon at all could still have such strength!

"Boy, please remember that when you ascend to immortality, I will keep you quiet. Am I considered a man?"

The man looked at David coldly, then his figure gradually blurred, and finally disappeared. !

Chapter 3574

The entire light curtain also disappeared, and now only the Fire Spirit Pearl and the Sky-Mending Stone were emitting light!

All the pressure in the holy pool disappeared, and the bottom of the pool became extremely calm!

“Mr. Chen, you seem to have offended an immortal. If you ascend to immortality and enter the immortal world, will you be retaliated against?”

Zhe Yan said to David!

“Whatever, what happened just now, if I didn’t scold him and let Ye Liancheng walk out of the light curtain, we would all be doomed.”

David said, picking up the Fire Spirit Bead!

When David got the Sky-Building Stone, the Heart Condensation Technique in his body began to move far away on its own, and the huge suction force continued to absorb the breath in the Sky-Building Stone!

David looked surprised, but he quickly came to his senses, sat cross-legged and began to refine the aura!

Maybe with this sky-repairing stone, David’s realm can be improved to a higher level!

David can practice steadily this time, and time is passing by minute by second!

Above the holy pool, the elder of the Ye family and others were anxious!

Ye Liancheng has been in the water for so long, but there is no movement at all, which makes everyone in the Ye family panic!

Moreover, after a period of chaos, the holy pool immediately became calm, and now there is no movement!

The great elder and his men have been staring at the holy pool for a long time!

“Great Elder, the master of the house has been silent for so long, could it be...”

Someone asked the Great Elder worriedly!

“Don’t talk nonsense. The head of the family is a ninth-level master of the Tribulation Realm. There will definitely be no problem. Let’s wait...” the

great elder scolded.

Now that Ye Liancheng is not here, the Great Elder has the final say, and Ye Feng has returned to that small dark room again!

Now it’s not just the Ye family who are worried, but also Moshan Gui Lao and the others!

“Mr. Chen has been here for such a long time, and he still hasn’t left the Ye family. Could something have happened?”

Devil Mountain Ghost Lao frowned.

“Otherwise we rush into Ye’s house and take a look. Logically speaking, it’s been so long.No matter what happened to Mr. Chen, there should be news. “

Luo Shouhai is also worried about David’s safety!

“With just a few of us, aren’t we seeking death by rushing into Ye’s house? “

Bai Qian looked at Mo Shan Gui Lao and the others!

There are only four of them now. Everyone in the Sheng family has evacuated. After all, there are many Sheng families and they don’t dare to lurk in Yecheng!

Just Mo Shan Gui Lao, Luo Shouhai, Bai Qian and If Ji Yun and the four of them break into the Ye family, how can they be the opponents of the Ye family! What’s

more, the head of the Ye family is a ninth-level monk in the Tribulation Realm, and the Demon Mountain Ghost Elder is no match!

“Hey, could it be that Just keep waiting like this? “

Mo Shan Gui Lao sighed!

Everyone was silent. They were in a dilemma at this time!

“Let’s rush into Ye’s house together and look for Mr. Chen’s traces...”

At this moment, Sheng Bushi suddenly appeared in front of several people!

“Master Sheng, haven’t you already returned to the Sheng family? “

Seeing Sheng Bushi, Bai Qian asked curiously!

“I went back to Sheng’s house. I made some simple arrangements and brought people back. Mr. Chen was trapped in Ye’s house to save me. How could I just sit back and do nothing? . “

It’s been so long, and there’s still no news about Mr. Chen. We have to go to the Ye family to find out. Even if we follow the Ye family to fight to the death, so what!” “

Sheng Bushi’s eyes flashed with fighting spirit!

For David, what if we follow the Ye family and fight to the death again!

The Sheng family can die, but they must not repay the favor!

With Sheng Bushi, the Devil Mountain Ghost and the others will They are all full of fighting spirit!

“Without further delay, we will rush into the Ye family to find Mr. Chen now. If something unexpected happens to Mr. Chen, even if I risk my life and blow myself up, I will make the Ye family pay the price.” . “

Moshan Ghost Old Man said with a ferocious look!

“Let’s go find Mr. Chen...”

Luo Shouhai also said loudly!

The group of people headed towards the Ye family without any concealment!
