Chapter 3578

Death penalty can be avoided, but living crime cannot be avoided
Everyone in Yecheng ran away, and Sheng Bushi also withdrew the formation!

The eldest elder of the Ye family looked at David helplessly, and finally fell to his knees on the ground!

Everyone in the Ye family also knelt down one after another!

David looked at the Ye family members who were kneeling on the ground, and felt relieved in his heart.

He didn't kill Ye Liancheng at all. He was just bluffing. Unexpectedly, the Ye family members believed it!

If the eldest elder of the Ye family and the Ye family still fight tooth and nail, plus the people from Ye City, even if David breaks through to the second level of the Tribulation Realm, it will be completely meaningless.

There are too many people on the other side, and the Ye family is also the branch of the Demon Sealing Alliance. If the other branches of the Demon Sealing Alliance get the news, they will definitely rush to help the Ye family quickly

By then, David and the others are afraid that none of them will be able to escape. Now David's identity is unknown to the elders of the Ye family, and neither do the Ye family members, so they kneel down and beg for mercy!

If it were known that David was the one who killed Zuo Xuan and was the number one person being hunted by the Demon Sealing Alliance, it is estimated that the Ye family would have tried their best to keep David!

Sheng Bushi and others were shocked when they saw everyone in the Ye family kneeling at David's feet!

“Let’s go...”

David said to Sheng Bushi and others!

There is no need to stay in the Ye family now. Ye Liancheng is dead, and it is estimated that the Ye family will no longer get the attention of the Demon Sealing Alliance in the future!

David took Sheng Bushi and others back to the Sheng family!

This time, the children of the Sheng family also suffered heavy losses, and Sheng Tiantai was also seriously injured. At this time, he knelt on the ground with a face full of shame!

Although Sheng Bushi and Sheng Jiayue were rescued, many people in the Sheng family died!

“Brother, everything is my fault. I want to kill you or chop you into pieces. I am ashamed of the ancestors of our Sheng family...”

Sheng Tiantai lowered his head and said!

Sheng Bushi looked at Sheng Tiantai without saying a word!

Because he didn’t know what to say. After all, many people in the Sheng family died because of Sheng Tiantai!

But if he is asked to execute his younger brother now, he will can’t bear it!

“Dad, although the second uncle was wrong, his starting point was also for the good of the Sheng family, but he was deceived by the Ye family.” “

And the second uncle also worked hard later and killed many members of the Ye family. I hope you can start from I’m sorry.”

Sheng Jiahui began to plead for Sheng Tiantai!

David took Bai Qian and the others aside and said nothing. After all, this was a household matter of the Sheng family, so there was no need for him to get involved!

However, David could tell that Sheng Bushi didn’t want to kill Sheng Tiantai, but it was difficult to follow the instructions of everyone in the Sheng family!

What he needs now is for someone to stand up and intercede for Sheng Tiantai!

“Master, although the second master made a mistake, the crime is not worthy of death. I hope you can think twice.”

Long Bo also begged for mercy!

This made Sheng Bushi feel confident, so he looked at Sheng Tiantai and said, “Sheng Tiantai, no matter what your starting point is, you have indirectly killed so many people in our Sheng family.” “Although the

death penalty can be avoided, the living penalty it’s hard to escape, so you go down first. We’ll decide after discussion how to punish you.”

Upon hearing this, Sheng Tiantai kowtowed, at least he doesn’t have to die!

After Sheng Tiantai was taken away, Sheng Bushi looked at David with great gratitude and said, “Mr. Chen, thank you so much. If it weren’t for you, our Sheng family would probably be doomed.” “I don’t know why

Mr. Chen came suddenly . Where is it here?”

Sheng Bushi didn’t understand why David suddenly came to visit the Sheng family at this time!

David didn’t hide anything and told the story about Blood Spirit Valley!

Hearing that Blood Spirit Valley had been massacred, Sheng Bushi arrived and was surprised!

“Mr. Chen, it is not something that only one or two people can do to massacre the Blood Spirit Valley. Moreover, according to the guidance of the Spirit Rhinoceros, the last aura of the Blood Spirit Valley was in this direction, but our Sheng family does not have the ability to destroy the Blood Spirit Valley. Gu, and there is no need for the Ye family to do this. Besides, during this period, the Ye family has been plotting for our Sheng family to join the Demon Sealing Alliance, and they have no energy to do it.”

Sheng Bushi was very puzzled. The Lingxi Beast How could David be brought in this direction!

Chapter 3579

“Master Sheng, are there no other forces in this direction besides Fancheng and Yecheng?” “

I heard that there are other five major sects...”

David said!

“After our two cities, further forward is the territory of the five major sects. The five major sects built their bases according to the directions of the Five Elements and Bagua. However, after passing the five major sects, there are no other forces.”

” If you want to meet the sect forces, you have to go out of the Tianmo Mountain area. I am afraid you have to walk thousands of miles. I guess it cannot be done by forces outside the Tianmo Mountain area.”

Sheng Bu Shi said!

“Could it be these five major sects?”

David frowned slightly!

“We in the Blood Spirit Valley follow the five major sects and have no hatred. Why do they want to do this?”

Luo Shouhai doesn’t understand. They follow the five major sects and have no hatred. Why do the five major sects do this!

“Mr. Chen, I have some friendship with the five major sects. Let me go and have a look with you. The five major sects often buy talismans from us.” “The five-element magic

circle where their five major sects are stationed is still the same as that of our ancestor of the Sheng family. I’m here to help lay the groundwork,”

Sheng Bushi said!

When David heard this, he nodded repeatedly and said, “That’s really troublesome for Master Sheng...”

David didn't want to start a conflict with the five major sects. If this matter was not done by the five major sects, and they came to argue with him like this, a conflict would probably occur. !

It would be much better if Sheng Bushi was in the middle!

But if it was done by the five major sects, no matter what the five major sects were capable of, David would have to follow them!

"Mr. Chen saved our Sheng family from danger. Don't talk about this. Even if Mr. Chen asks our Sheng family to fight hard, our Sheng family will never back down." "It's

getting late now, but Mr. Chen is still here. Stay one night and we will set off early tomorrow morning."

Sheng Bushi said to David, then Very grateful!

David nodded and said, "That's fine. I just used my evening time to help the Sheng family write a few formation secrets, hoping to help the Sheng family."

David knew that Sheng Tiantai dedicated many formation secrets to the Sheng family. Ye family!

Now David's understanding of formations is obviously beyond the reach of the Sheng family, so David wants to write some formation secrets to help the Sheng family!

When Sheng Bushi heard this, he quickly knelt down to David.

"Thank you, Mr. Chen, thank you, Mr. Chen..."

Sheng Bushi kowtowed repeatedly!

"Master Sheng, don't be polite!"

David helped Sheng Bushi up!

At this time, Huofeng came with the spirit beast in his arms. Originally, Huofeng took the spirit beast to play. When he returned, he found that no one was there, so he entered Fancheng and inquired about the Sheng family!

Sheng Bushi settled down David and the others. Because of the fierce battle, Bai Qian did not ask David to improve his bloodline and took a rest early!

Huofeng hugged the rhinoceros beast and did not go to David!

David had a rare moment of relaxation this night!

David, who had nothing to do, began to refine the fire spirit beads to increase the power of the fire element!

The fire spirit beads slowly began to disappear under David's absorption, and then David urged the fire source stars to continuously absorb them!

In David's origin space, the origin stars are trembling slightly!

David's fire source stars are getting brighter and brighter, and they are slowly expanding, and there seems to be some kind of aura that is closely connected between the source stars.

"Can different original auras be integrated?"

David also felt the connection between the original stars!

This was something he had never felt before. Could it be because of the aura of the Sky-Mending Stone that gave David a connection between his original stars?

As the Fire Spirit Bead was slowly absorbed and disappeared, David's fire source star directly broke through a shackle.

boom!

An origin aura erupted, and the fire origin stars in David's origin space instantly skyrocketed, becoming larger than the other origin stars!

And the fire source stars have become much brighter!

David was a little surprised when he saw this. He didn't expect that this source star could be promoted!

“It seems that this fire spirit bead is really a good thing. If I have the opportunity to get more, I just don’t know how many fire spirit beads the Balrog has.”

David thought in his heart!

Then David took out the Sky Mending Stone from the storage ring!

At this time, the patchwork stone is gray-brown, without any luster, just like an ordinary stone, without any breath!

The Sky-Mending Stone was sucked dry by David, which raised David’s realm from the first level of the Tribulation Realm to the second level!

David looked at the Sky-Building Stone in his hand, thinking about inputting all the original powers in his body into the Sky-Building Stone to see what reaction it would have!

Since these types of origin stars are connected, then these types of origin powers should also be able to be integrated!

Just when David was about to do the experiment, there was a knock on the door!

“Please come in...”

David wondered, who would come to his room so late?

Could it be Huofeng and Bai Qian?

David wanted to take a night’s rest, but I didn’t want those two people to torment me anymore.

The door opened, and it turned out to be Sheng Jiahui holding a night of hot noodles!

“Mr. Chen, I saw it was so late and the lights were still on in your room, so I made you some midnight snacks in case you were hungry...”

Sheng Jiahui said!

Sheng Jiahui was wearing a translucent pajamas. Under the moonlight, her graceful figure was clearly visible!

David just raised his head and quickly lowered his head!

He knew why Sheng Jiahui came here. He was now a monk in the Tribulation Realm. Even if he didn't eat, he wouldn't be hungry. Sheng Jiahui's excuse was simply not valid!

But since Sheng Jiahui was kind-hearted, David smiled slightly and said, "Thank you, Miss Sheng..."

Sheng JiaHui put the noodles on the table, saw the stone in David's hand, and moved over!

"What is this? It's a very ordinary stone. If Mr. Chen likes stones, Tianmo Mountain has all kinds of stones."

Sheng Jiahui deliberately put her body close to David and pressed directly against David!

"This is the Sky Mending Stone, obtained from the Ye family's holy pool."

David said directly!

"The Sky-Mending Stone? Could this stone be used to patch the sky? Is it used by Nuwa to patch the sky?"

When Sheng Jiahui heard this, she immediately became interested!

David smiled and said, "I don't know if it is true, but this stone is not an ordinary stone."

As David said, he input the original breath in his body into the Sky Mending Stone!

The origin of fire, the origin of thunder and lightning, the origin of illusion...

When David input the power of various origins into the Sky-Building Stone, the Sky-Building Stone actually began to tremble, and then emitted light!

A strange aura began to appear slowly, and that aura was actually the same as the aura that existed at the beginning of the Mending Sky Stone!

David was very shocked!

You must know that David suddenly reached the second level of the Tribulation Realm because of this strange aura!

If various source powers can be integrated into this kind of aura, David can use the source power to practice and improve his realm!

Just when David was about to use the aura in the Sky-Mending Stone to practice, he suddenly heard a roar!

The Sky-Swallowing Beast ran out of David's Storage Ring and ate it in one bite!

"You little beast, spit it out..."

David was startled and shouted quickly, but after the Sky-Swallowing Beast swallowed the Sky-Mending Stone, he ran back again!

"Ah... what is this? It's so scary!"

Sheng Jiahui was frightened when she saw the sky-swallowing beast, and hurriedly threw herself into David's arms!

David looked helpless and gently comforted Sheng Jiahui!

But Sheng Jiahui suddenly threw David on the bed!

"Miss Sheng, don't..."

Chen Pingyuan originally wanted to take a night's rest, but...
