Chapter 3581

Early the next morning!

Sheng Bushi came to call David to set off!

Sheng Jiahui blushed and ran out of David's room!

Seeing his daughter's appearance, Sheng Bushi laughed!

David was so kind to the Sheng family, and Sheng Bushi had nothing to repay except letting his daughter accompany David!

What's more, he can also see that Sheng Jiahui also likes David!

So what happened last night was all caused by Sheng Bushi asking Sheng Jiahui to do this! Chen

Ping put on his clothes and walked out of the room. He must have felt a little embarrassed when he was in his prime!

"Mr. Chen, I wonder how well my little girl served you last night?"

Sheng Bushi stepped forward and asked in a low voice!

When David heard this, he knew that Sheng Jiahui was sent by Sheng Bushi, so he sighed softly and said, "Master Sheng, I can understand your mood, but I am wandering and have no way to give Miss Sheng any guarantee. Maybe we can say goodbye There is no possibility of meeting each other again."

David was very helpless, just like the two sisters Ji Meiling and Ji Meiyang of the Ji family. Although they were also married and had done everything, David could not wonder if there will be a chance to meet again!

At that time, David was also forced to have s3x with the Ji family sisters because of the immortal finger of the ancestor of the Ji family!

“Mr. Chen, don’t be stressed. It is her blessing that my daughter can be favored by Mr. Chen. Even if we never meet again, I believe that my daughter will always remember this night. If she can get pregnant and give birth to a child, Having a son and a daughter is the greatest blessing for my Sheng family.”

“With Mr. Chen’s ability, the children in the future will definitely be the same.”

Sheng Bushi didn’t care at all whether David could marry Sheng Jiahui, even if they didn’t meet. does not matter!

He even wanted Sheng Jiahui to be pregnant with David’s child. When the child stays in the Sheng family, it may be able to change the fate of the Sheng family!

After hearing what Sheng Bushi said, David was stunned for a moment!

A word suddenly flashed in his mind!

Stallion.....

ChenPing doesn’t know how to answer Sheng Bushi!

I don’t even know whether I should be happy or angry!

“Master, can we set off now?”

Huofeng came over with the rhinoceros beast in his arms, and Bai Qian followed!

“Okay, let’s go...”

David nodded!

After walking out of Fancheng, Huofeng put down the spirit beast. After whispering a few words in the ear of the spirit beast, the spirit beast began to run wildly!

David and the others were chasing the rhinoceros beast closely from behind!

On a hillside not far away, Sheng Jiahui stared blankly at David not far away!

Looking at David’s back, I feel mixed emotions in my heart!

She was so happy last night!

But she knew that this kind of happiness might never come again in the future!

“David, you were so happy last night. If I hadn’t been too tired and rested early, I would have squeezed you dry.”

Bai Qian came to David and said with a playful expression!

David was speechless when he saw Bai Qian like that. It had been so long, and Bai Qian was still pestering him!

But David also knew in his heart that the initial deal between him and Bai Qian had slowly changed!

Bai Qian has feelings for him, and he seems to have feelings for Bai Qian too!

Now Bai Qian may be able to sacrifice his life for himself without hesitation!

It was this emotional change that made David let Bai Qian follow him!

Seeing that David was silent, Bai Qian whispered again, “The eldest lady of the Sheng family is secretly looking at you. She must have been so happy last night that she couldn’t bear to leave you...” After

hearing this, David hurriedly looked back and found Sheng Jiahui. He was on the hillside not far away, staring at them closely!

“Aren’t you going to say goodbye to that little girl?”

Bai Qian asked!

“No need, we are just passers-by in life.”

After David finished speaking, he speeded up!

Chapter 3582

A few hours later, David and the others arrived on a hill!

Under the hills, there are clusters of houses that look messy, but if you look closely, you will find that these houses are actually built according to the Five Elements and Bagua!

And these houses form a circle, and in the middle of the circle, there is a building. This is where the five major sects hold collective meetings!

“Mr. Chen, this is where the five major sects are located. These five major sects are Tianchen Sect, Tianhai Sect, Tianluo Sect, Tianyue Sect, and Tianyang Sect.” “Among them, Sect

Leader Luo of Tianluo Sect is considered one of the five major sects. First of all, Hai Dafu, the leader of Tianhai Sect among these five major sects, is the most cruel.”

“These five major sects used to be one ancestor, but they slowly developed and became five major sects. Sect, but the five major sects also go together when something happens. There is no difference between following a sect.” “

If what happened in Blood Spirit Valley is really the fault of the five major sects, I hope Mr. Chen will not be impulsive, otherwise we may not be able to get out of the five major sects. The door is open.”

Sheng Bushi followed David and introduced the five major sects!

“Okay!” David nodded. David himself knew that it was still impossible for them to compete against the five major sects!

Seeing David agree, Sheng Bushi took David and the others down the high hill and walked towards the five major sects!

The five major sects are all shrouded in formations, and the presence or absence of energy shields can be seen with the naked eye!

On the side of the formation, there is only one entrance to the sect’s powerhouse!

It’s just that this entrance is guarded by dozens of sect disciples!

“Who dares to trespass into the boundaries of our five major sects?”

a guard shouted loudly!

This desolate land was requisitioned by the five major sects. After the sects were established, it became private territory, and others were not allowed to intrude without permission!

What's more, the five major sects are considered very powerful in this area, so no one is willing to provoke them!

"This fellow Taoist, I am Fan Cheng. The Sheng family is extremely prosperous, please inform Sect Master Luo. "

Sheng Bushi hurried forward, then took out a bag of spirit coins and handed it into the guard's hand!

Seeing the spirit coins, the guard immediately smiled, so he put the spirit coins away, nodded and said, "So it's Master Sheng, please wait a moment, I will report to Sect Master Luo right away..." When

David saw this scene, he did not expect that the world of heaven and man could not avoid the secular world, and he had to make the gatekeeper happy, otherwise there would be great danger. You can't even get in at the door!

At this time, in the hall of the five major sects, several sect leaders are there, discussing the affairs of the five outstanding men!

"Is that David still flying? I haven't found him for so many days. "

"If I find him, I will be the first to peel off his skin and cramps, and dare to attack our five major sects. Hai

Dafu shouted with a cold face!

"Sect Master Yang, have you recruited the Three Sovereigns and Four Kings of the Beast Tribe?" "

Sect Leader Luo looked at a middle-aged man wearing an eyepatch!

This person is the leader of Tianyang Sect!

"No, these guys are very tough and refuse to admit that they helped David kill our five outstanding men. "

Zongzhu Yang shook his head and said!

Zongzhu Luo frowned slightly and his expression became serious.

“Do you think it is possible that our five outstanding sons were not killed by David, and that the three emperors and four kings did not help? “

Sect Leader Luo said!

“How is it possible? We saw with our own eyes that the storage bag of the five heroes fell from David’s body. “

Hai Dafu said!

“Sometimes what you see with your own eyes may not be true. Now it’s not like there are no disguise techniques. We should be careful not to be taken advantage of. “

Recently, I have discovered that Tianmo Mountain is not at peace either. Some time ago, the Blood Spirit Valley was massacred. This has never happened before.” “

Through these days of thinking, Sect Leader Luo began to doubt what Qi Peijia said!

Chapter 3583

“Report...”

At this moment, the guard ran in!

“Sect Master Luo, Sheng Bushi of the Sheng family in Fancheng, is waiting at the door, asking to see the sect leader...”

the guard reported!

“What are you doing here in Sheng Bushi?”

“It seems we didn’t buy anything with the Sheng family, right?”

“The Sheng family can’t do it either. The Sheng family talisman is used by the fifth son, and it cost so much. Qian was still killed.”

Several sect leaders started talking about it!

Sect Leader Luo waved his hand and said, “Let them in...”

The guard received the order and immediately turned around and left!

Soon, Sheng Bushi led David and the others into the hall!

Just walked into the lobby!

David felt several sharp eyes looking at him, and each of them was filled with murderous intent!

David was a little surprised. He didn’t understand why these people were looking at him like this!

Sect Leader Luo was slightly startled when he saw David behind Sheng Bushi, but he didn’t say anything and asked Sheng Bushi and others to sit down!

At this time, the entire hall was filled with a murderous atmosphere, and almost everyone’s eyes were fixed on David!

This puzzled David, and so did everyone else!

After a few minutes, Sect Master Luo said, “Master Sheng, I wonder what brought you here?”

Sheng Bushi glanced at David, then smiled slightly and said, “Sect Master Luo, I wonder if you know that Blood Spirit Valley was About the massacre?”

“I know!”

Sect Leader Luo nodded unabashedly!

Luo Shouhai frowned. Originally, he didn’t believe that the five major sects would massacre the Blood Spirit Valley!

After all, there is no grievance or enmity, so why do the five major sects do this!

But now Sect Leader Luo actually directly said that he knew, which made Luo Shouhai begin to suspect that it was the five major sects that did it!

Sheng Bushi didn't expect that Sect Master Luo would answer so happily!

"Sect Master Luo, since you know, then I will open the skylight and tell the truth. We found this place based on the spirit beast. In other words, the auras of the five major sects finally stayed in Enter the Blood Spirit Valley.

"I wonder how Sect Master Luo should explain it? " Or does Sect Leader Luo know who slaughtered Blood Spirit Valley? Sheng

Bushi asked cautiously!

After all, the strength of the five major sects is here, Sheng Bushi didn't dare to offend them!

"Sheng Bushi, what the hell do you mean?" Are you saying that our five major sects massacred the Blood Spirit Valley? "

Hai Dafu slammed the table and shouted loudly!

Sheng Bushi quickly apologized, "Master Hai, I misunderstood, I didn't mean that..."

"Master Sheng, we did go to the Blood Spirit Valley, but we just went there. By that time, all the people in Blood Spirit Valley had been slaughtered. "

Sect Leader Luo said truthfully!

"Why did you go to my Blood Spirit Valley? "

Luo Shouhai stood up suddenly and asked Sect Leader Luo!

After all, the five major sects had no intersection with the Blood Spirit Valley, and the five major sects were not on the way back, so why did they go to the Blood Spirit Valley?

"We are looking for him... "

Sect Master Luo pointed at David!

"Looking for me? "

David was a little confused all of a sudden!

He didn't understand, what were the people from the five major sects going to the Blood Spirit Valley to do with him?

He followed the people from the five major sects and he didn't even know him!

"You go to the Blood Spirit Valley to find me. What? "

David asked in confusion!

Seeing David like that, Sect Leader Luo snorted coldly, "Don't you know why I'm looking for you? "

David was confused. Of course he didn't know why!

Looking at David's confused look, Hai Dafu slammed the table again and said, "What the hell are you pretending to be? What have you done? Don't you know? ? Just showing off here.

"Catch him and give you a good meal later. You will know what you have done. " "

As soon as Hai Dafu spoke, more than a dozen sect disciples rushed forward to arrest David!

"Who dares..."

Bai Qian, Devil Mountain Ghost Lao and the others burst out their auras at the same time, and the whole hall was instantly at war with each other!
