Chapter 3584

“Don’t do it, don’t do it...”

Seeing this, Sheng Bushi hurriedly stood in the middle to stop him. Then he looked at Hai Dafu and said, “Sect Master Hai, if you have something to say, why did you target Mr. Chen when you came here?”

“Mr. Chen doesn’t seem to know you at all, right?”

“Fart, how could he not know you? He killed five of our outstanding men, and now he dares to come to our five major sects. Is this deceiving that there are no people in our five major sects?”

Hai Dafu Said fiercely!

“Kill five outstanding men?”

Sheng Bushi was stunned!

“You’re talking nonsense. Who killed the five heroes?”

Bai Qian looked angry. “If you want to make trouble, just say it. You are looking for something that is nothing.”

“Fox Princess, don’t make any noise either. , the person who killed our outstanding five sons is also you...”

Hai Dafu pointed at Bai Qian and said!

“You’re talking bullshit, what evidence do you have?”

Bai Qian was anxious!

“Sect Leader Luo, what’s going on? I’ve been with Mr. Chen all the time, and I didn’t see him kill the five outstanding men of yours.” “

And with Mr. Chen's current strength, he probably can't kill the five outstanding men, right? Sheng

Bushi looked at Sect Leader Luo and asked!

"He can't be killed, but with several of the Three Sovereigns and Four Kings of the Beast Clan, that's not necessarily the case."

Sect Master Luo's face turned gloomy at this moment!

"Why? Why did Mr. Chen kill the five outstanding men? Sect Master Luo can't just slander people like this without any evidence, right?"

Sheng Bushi simply didn't believe that David would kill the five outstanding men!

"You want evidence?"

Sect Master Luo snorted coldly and threw out the storage bag of Renjie Wuzi. "Did you see it? This is the storage bag of Renjie Wuzi. It fell out from David. We saw it with our own eyes. Can it be fake?"

"Mr. Chen dropped it? Did you see it with your own eyes?"

Sheng Bushi was a little unbelievable. Look at David!

After all, he didn't know what to say after seeing it with his own eyes!

David looked at the storage bag and frowned slightly. Then he seemed to think of something and asked Sect Master Luo, "Who told you that I killed the five outstanding men? Is it Qi Peijia?" "

Yes, he said that. Yes." Sect Leader Luo nodded!

"You've been fooled. It was Qi Peijia who really killed Renjie's five sons, and I saw it with my own eyes."

David saw with his own eyes that Qi Peijia followed Renjie's five sons in a fight, and finally killed them all!

"Boy, do you think we are stupid? You just believe what you say here, and we saw with our own eyes that the storage bag of the five heroes fell from your body."

Hai Dafu said.

“See it with your own eyes? Does it mean that what you see with your own eyes is true?”

David said, the aura on his body began to slowly change, and soon his appearance also changed!

In the blink of an eye, David looked exactly like Hai Dafu in front of him!

It's just that in terms of breath, it's still different from Haidafou!

But just looking at appearance, there is no difference between following Hai Dafu!

“This... this...”

Hai Dafu looked at David's transformed self, his face full of shock!

Even others looked at David in disbelief!

Although many people know about the art of disguise and illusion, the art of disguise relies on various props!

Illusion even controls people's brains, and then sees one person as another person!

But David is really changing his appearance!

Although the breath has not changed much, the change in appearance is enough to shock everyone!

“If I do something now, will what you see be done by another person?”

David asked Sect Leader Luo!

Sect Leader Luo remained silent. Indeed, whatever David was doing now, if you looked at it from a distance, it was Hai Dafu who did it!

Chapter 3585

David changed back and continued, "That Qi Peijia must have united with others and used this technique to change into my appearance, and then framed me." "The

five heroes were indeed killed by Qi Peijia, so He also has the storage bag of the Five Heroes, and he used the storage bag to frame me."

At this time, Sect Master Luo was a little unsure, after all, he had just seen with his own eyes that David quickly turned into a different person!

If the other party was like this at that time, how could they possibly find out!

"Sect Master Luo, didn't you say that several people from the Three Sovereigns and Four Kings helped Mr. Chen kill the five outstanding men?" "

You can find those people now. You will know as soon as you ask. The Four Emperors are considered respectable people, so they shouldn't be able to lie, right?" Sheng

Bushi asked Sect Master Luo to call in all the other three Emperors and Four Kings of the Beast Clan for questioning!

"No need to look for them, they are right here."

After Sect Master Luo finished speaking, he glanced at Hai Dafu and said, "Sect Master Hai, go and bring some of the Three Sovereigns and Four Kings..."

Soon, the Lion King and others were Brought to the hall!

Seeing Bai Qian and the others, Lion King and others were also a little surprised!

Especially when he saw the rhinoceros beast in the arms of the fire phoenix, the lion king was full of doubts!

You must know that only on his territory can there be telekinesis beasts!

"Why are you guys here?"

Bai Qian asked in surprise!

“Forget it, the people of these five major sects have to say that we killed their outstanding five sons and captured us here.” “Our

skills are not as good as others, there is nothing to complain about, but when our orc tribe develops, this debt will definitely be I will follow the five major sects to get it back.”

Thousand-faced Demon King looked helpless!

Who told them that their skills were inferior to others, that they could not defeat the five major sects, so they had to be arrested!

“You have gone too far. Do you really think that our beast clan is easy to bully?”

“In this case, then don’t blame our entire beast clan for fighting against your five major sects.”

r> Bai Qian was very angry!

Even though they usually fight each other, no one looks down on the other!

But if someone targets the Orcs like this, they will definitely unite!

After all, the beast race is much weaker than the human race. Even in the area of Tianmo Mountain, the beast race’s spiritual consciousness is weaker than the demon race!

Now that they are being treated unfairly, of course they must unite and resist!

“Fox Princess, don’t get excited, we just invited them to come and ask questions.”

Seeing this, Sect Master Luo knew that there might be a misunderstanding, so he hurriedly said!

If the orcs really unite to attack their five major sects!

The consequences would be disastrous!

“Fart, you have invited us to speak. We have been imprisoned for several days.”

“Did you invite me like this? Either you kill a few of us now, or you won’t be finished.”

The Monkey King said angrily!

“Monkey, you have backbone, my aunt gives you a thumbs up.”

Huo Feng saw that the Monkey King was very tough, so he gave a thumbs up!

You must know that in the past, when the Monkey King was still a little monkey, he was often bullied and was very timid!

Seeing Huo Feng praising him, the Monkey King immediately grinned and said, “Thank you, grandma, for the compliment...”

The people of the five major sects were stunned.

You must know that the Monkey King is a figure among the Three Sovereigns and Four Kings of the Beast Clan. He is not even angry when being called grandma like this!

People from the five major sects all looked at Huofeng, very curious about Huofeng’s identity!

After all, the Fire Phoenix realm doesn’t seem to be high, and it hasn’t even reached the Tribulation Realm!

“It’s a misunderstanding. It must be a misunderstanding. It seems that we have all been fooled by Qi Peijia.” “I

hope everyone can calm down. If there is a fight, both sides will lose.”

Sheng Bushi hurriedly acted as peacemaker!

Sect Leader Luo also saw that they had indeed misunderstood. The five heroes should not have been killed by David and the Three Sovereigns and Four Kings!

Chapter 3586

“It must be a misunderstanding. We will investigate this matter carefully. I hope you will calm down.”

Sect Master Luo took the initiative to show weakness and apologized!

As for the Lion King and others, they just said angry words when they were angry.

You can't really get all the orcs to fight with the five major sects just for this matter, right?

“Since Sect Leader Luo has apologized, even if this matter is in the past, I can guarantee that Mr. Chen definitely did not kill any of the

five outstanding disciples.” “If it is really Mr. Chen who did it, my Sheng family is also willing to take responsibility. The door handles it.” Sheng

Bushi made peace with each other. After all, a fight would not be good for anyone!

“Sect Master Luo, the matter of the five outstanding men is over. I would like to ask, what is going on in our Blood Spirit Valley?”

Luo Shouhai asked to Sect Leader Luo!

David and the others came to ask about Blood Spirit Valley, but now they were bitten by the five major sects.

“Didn't I already tell you that when we went there, everyone in the Blood Spirit Valley was already dead?”

Sect Leader Luo said!

“Who killed that?” Luo Shouhai asked!

“How would I know if I saw the murderer?”

said Sect Leader Luo!

“Then how do you prove that the people in Blood Spirit Valley were not killed by people from your five major sects?” “

Just now you have been falsely accusing us of killing your five outstanding men.”

Bai Qian snorted coldly!

“There’s no way to prove it. If you don’t believe it, there’s nothing I can do.”

Sect Master Luo can’t prove it, and he doesn’t need to prove it!

This is in the five major sects, on their own territory, there is no need to prove it to anyone!

Don’t say they didn’t kill him, even if they really destroyed Blood Spirit Valley, they wouldn’t be afraid of it on their own territory!

With the strength of people like David, it is impossible to shake the five major sects!

Sect Leader Luo’s words made the atmosphere tense again!

“I believe what Sect Leader Luo said, Blood Spirit Valley should not be caused by the five major sects.”

David suddenly spoke when the atmosphere was tense!

“If it wasn’t done by the five major sects, then who could it be?”

Bai Qian asked!

“When we go back, we will check again. The reason why the spirit beast came here is because the five major sects finally appeared in the Blood Spirit Valley, so the spirit beast smelled it.” “The

five major sects did not kill the blood spirits. The reason for the valley.”

David said!

“Since it was all a misunderstanding and the misunderstanding has been resolved, everyone should stop being hostile.”

Sheng Bushi stood up and said!

Sect Leader Luo waved his hand and asked everyone from the five major sects to walk out of the hall!

Only a few of their sect leaders were left, this was also to ease the atmosphere!

“Master Sheng, the misunderstanding has been resolved. They can leave at any time, but I have something to ask Master Sheng for help.”

Sect Master Luo said to Sheng Bushi.

“Sect Master Luo, just tell me if you have anything to say,” Sheng Bushi said!

“The formations around our five major sects have gone through so many years. I hope that since Master Sheng is here, can you help strengthen the formations?”

Sect Leader Luo wants Sheng Bushi to help strengthen the formations!

“Of course, our Sheng family has cooperated with the five major sects for so long, this little thing is no problem.”

Sheng Bushi agreed happily!

After all, the five major sects purchase a lot of talismans from the Sheng family every year, which allows the Sheng family to continue!

Otherwise, how could the Sheng family have so many resources!

Sheng Bushi agreed to stay to strengthen the formation, and David and the others also chose to stay for one night!

After all, the Sheng family has a lot of conflicts with the Ye family. If Sheng Bushi stays alone, he will be in trouble if he encounters any danger when he returns!

The four of them, Lion King, left and were locked up for several days. They had long been concerned about their territory!

When night fell, Sheng Bushi began to strengthen the formations for the five major sects, while the others went to rest early!

We plan to set off together early tomorrow morning and rush back!
