Chapter 3587

At midnight!

Suddenly, a bright light lit up in the sky!

This ray of light seemed to erupt from the ground and soar into the sky!

Immediately afterwards, there was a tremor in everyone's consciousness!

Along with the trembling of the sea of consciousness, there was an angry and low sound!

"To kill David, you can use his head to exchange for a hundred years of worship in our Demon-Sealing Alliance..."

This voice belonged to Zuo Tianzheng, the leader of the Demon-Sealing Alliance!

And this voice resounded in the sea of consciousness of hundreds of thousands of people throughout the heaven and human world!

Within the five major sects, many people woke up suddenly, their eyes wide open with disbelief in their eyes! Hai

Dafu suddenly jumped up, looking at the brilliance outside that shot up to the sky, he was very shocked in his heart!

"The hundred-year dedication of the Demon Sealing Alliance is such a huge resource."

Hai Dafu murmured to himself!

You must know that the Demon Sealing Alliance has its own power in the entire heaven and human world. With such huge strength and hundreds of years of worship, the resources are inexhaustible!

With such huge resources, you will definitely get twice the result with half the effort when practicing!

“What on earth did this David do to provoke the Demon-Sealing Alliance to use thousands of miles of sound transmission and even offer a hundred-year offering?”

Hai Dafu muttered, put on his clothes, and headed towards the hall!

At this moment, many people have come to the halls of the five major sects!

Sect Leader Luo also got up and sat at the top of the table!

“I didn’t expect that you all received the message from the Demon Sealing Alliance. How did this David offend the Demon Sealing Alliance?”

Hai Dafu asked curiously when he saw everyone was there!

“I don’t know, but if the Demon-Sealing Alliance can offer a hundred-year tribute, I’m afraid David will cause a big trouble.”

Yang Zongzong of Tianyang Sect said!

“Could it be that the son of the leader of the Demon Sealing Alliance was killed by David? Other than this kind of thing, what else could make Zuo Tianzheng so angry?”

r> Sect Leader Yue of Tianyue Sect said!

“No matter what the reason is, now that the Demon Sealing Alliance has come up with a hundred-year offering, it seems that the good days of our five major sects have come.” “

We just need to capture David and hand it over to the Demon Sealing Alliance. From now on, we will The five major sects no longer have to worry about cultivation resources.”

said Sect Leader Chen of Tianchen Sect!

“Yes, let’s arrest David now, otherwise we will take advantage of others.”

Hai Dafu nodded and said!

However, Sect Leader Luo remained silent and seemed to be thinking about something!

The hundred-year enshrinement of the Demon-Sealing Alliance is indeed very tempting!

However, they followed David without any grievances. They just arrested David for the centenary sacrifice of the Demon Sealing Alliance. Sect Master Luo felt that something was wrong!

After all, their five major sects are considered to be well-known and upright sects. They cannot do such things that benefit themselves at the expense of others!

What's more, Sect Leader Luo doesn't like the Demon Sealing Alliance very much!

He had also heard of some of the actions of the Demon Sealing Alliance, and Sect Master Luo also felt shameless about some of the practices of the Demon Sealing Alliance!

"Everyone, now that we know that David is not the one who killed our five outstanding sons, if we arrest David for the hundred years of the Demon Sealing Alliance, what will happen to our five major sects?"

"The hundred-year enshrinement of the Demon Alliance is tempting, but don't forget the ancestral teachings of our five major sects. We are well-known and decent sects. Although there are many people in the world of heaven and humans who will do whatever it takes to practice, we can't do this!"

"I hope! We can all protect the last bit of justice in our hearts. As for what kind of grudge David has with the Demon Sealing Alliance, we will not get involved. We will just let them leave our station tomorrow." Sect

Leader Luo said to the other sect leaders . !

"Sect Master Luo, if we don't take action, I believe others will take action against David."

"Are we just watching the fat slip away from our mouths?"

Hai Dafu looked at Sect Leader Luo in confusion!

## Chapter 3588

“Sect Master Hai, it has nothing to do with us if others take action. We’d better not get involved in this matter.”

Sect Master Luo said with a gloomy expression!

He would not choose to help David, but he would not choose to harm David either!

After all, the five major sects are not related to David, so Sect Leader Luo has no need to help David!

“Sect Master Luo, we...”

“Okay, I have made the decision on this matter. When David and the others leave the five sects’ headquarters tomorrow, we will immediately seal the camp and no entry or exit for the time being.”

Zong Leader Luo waved his hand!

Seeing Sect Master Luo’s resolute attitude, the others could only remain silent as they had no choice but to say anything!

After all, among the five major sects, Sect Leader Luo has the highest say!

Everyone left the hall, but Hai Dafu still had greed in his eyes! *m.vD.W.a*

There is no way he would miss such a good opportunity!

At the same time, in the room where David was resting, Bai Qian suddenly woke up with a look of panic on his face!

“David, wake up, wake up...”

Bai Qian shook David and woke him up!

“It’s so late, you still have to do it? How many times have you done this? Let me rest!”

David said helplessly!

This Bai Qian is asking for it so hard that David can no longer bear it!

Fortunately, Huo Feng is sensible and plays with the Rhinoceros all day long. If Huo Feng were added to the mix, David would really not be able to handle it!

“Hurry up and wake up. The Demon-Sealing Alliance has actually issued a killing order in the entire heaven and human world. As long as someone kills you, you can get a hundred years of worship from the Demon-Sealing Alliance...”

Bai Qian said nervously!

“How did you know?” David opened his eyes and looked at Bai Qian in confusion!

They have always been together, how did Bai Qian know about the Demon Sealing Alliance’s killing order?

“The Demon Sealing Alliance used the Ten Thousand Miles Sound Transmission Technique, and my sea of consciousness received it.”

Bai Qian said!

“Wanli sound transmission technique?” Chen PingHe was stunned, “You can receive it, why didn’t I receive it?”

“This thousands-mile sound transmission technique is a sound transmission treasure left in the heaven and human world in ancient times. I heard that only three of them have been found in the entire heaven and human world. .”

“The Demon-Sealing Alliance has one in hand, but they didn’t expect to use it here. This thousands-mile sound transmission technique uses the monk’s sea of consciousness to spread, but not everyone can hear it, but it is random.”

” I believe that someone in the five major sects must have heard the news. Let’s leave quickly. If the five major sects also know the news, it will definitely be detrimental to you.”

Bai Qian urged David to hurry up . Get dressed and leave!

At this time, Old Devil Mountain Ghost and the others had also gotten up and knocked on David's door!

After David opened the door, Demon Mountain Ghost Elder said anxiously, "Mr. Chen, the Demon Sealing Alliance has issued a killing order for you and offered a reward of a hundred years of sacrifice. I'm afraid someone will do harm to you."

"We ." It's better to leave quickly, we can't stay here for long..."

"Have you also received the message from the Demon Sealing Alliance?" David asked curiously!

Devil Mountain Ghost shook his head, while Ji Yun on the side said, "Mr. Chen, I heard it, as if someone was talking in my head!" "

I didn't know what was going on at the time, so I got up. I planned to check, and found that the halls of the five major sects were brightly lit, and these people had gathered at night." "

I thought it was about the Demon Sealing Alliance's killing order, so I hurriedly called Gui Lao and Luo The Valley Master and others are here to find you."

"We'd better leave quickly, I'm afraid we won't be able to leave if we don't leave..."

Ji Yun urged David with an anxious look on his face!

Huofeng hugged the Rhinoceros Beast and walked out from the next door with a confused look on her face. It was obvious that she had not received the killing order from the Demon Sealing Alliance!

"Okay, let's leave here."

David nodded. Although he followed the five major sects without any enmity, he did not dare to bet on the humanity of the five major sects!

After all, in the face of huge interests, many people can do anything.
