Chapter 3606

Hu Da also entered David's original space.

When looking at everything in front of him, Hu Da was dumbfounded. He really didn't expect that David's original space was actually a galaxy in the universe!

He once entered Hu Er's original space, which was a vast lake with no end as far as the eye could see.

He thought that this kind of original space was big enough!

But compared with David, Hu Er's original space is simply dwarfed!

"It's incredible that this kid's origin space is so huge..."

Hu Da said in shock!

"Brother, give me this body. I can use such a large source space. You haven't understood the source yet, so it won't be of much use if you take it away!" Hu

Er took the opportunity to follow . Hu Da wants David's body!

Hu Da was silent. In fact, he also liked David's body. It was so powerful!

But he did not understand the origin, so this origin space is useless to him!

Just when Hu Da didn't know how to answer, David's voice sounded from all directions!

"My body is not something that you ants can take over if you want. Do you really think that the ants can't shake the tree?"

David's voice was full of sarcasm!

"Damn it, this kid actually still has some remaining spiritual consciousness. He hasn't been completely taken away yet. The two of us will destroy his consciousness first."

After that, Hu Da and Hu Er left the original space and entered Chen In the flat sea of consciousness!

Just when the Hu brothers were about to attack David's sea of consciousness, golden light shone in David's sea of consciousness!

Daluo Jindian exudes golden light. This golden light shines on the Hu brothers, making them feel uncomfortable, as if they are being transformed by the golden light!

"You two reckless guys want to seize Mr. Chen's body, you are really overestimating your capabilities..."

Zhe Yan appeared from David's sea of consciousness!

"There are actually people in this kid's sea of consciousness, and what on earth is this golden light? It makes me feel so uncomfortable."

r> Hu Er said with a ferocious look!

"Brother, go quickly, leave this kid's sea of consciousness, quickly..."

Hu Da urged Hu Er!

"What's wrong, brother?"

Hu Er asked in confusion!

"This kid's sea of consciousness is too huge, and his consciousness is boundless. We can't take him away." "The

two of us were fooled. This kid must have let us enter his body on purpose!"

Hu Dala said. Hu Er is about to run!

But before he could move, David's consciousness rolled over in the sea of consciousness, directly surrounding the Hu brothers!

Then under the golden light of the Daluo Golden Code, the souls of the Hu brothers were quickly eaten away!

Until their death, the Hu brothers never thought that it was because they entered David's sea of consciousness and wanted to seize David's body that they would become like this!

David's sea of consciousness is not what they imagined!

The phantom array set up by David slowly disappeared, and David's figure was revealed!

But the bloody monster has disappeared, and the blood in the entire sacrificial blood array is slowly draining away!

After the Hu brothers died, the formation slowly stopped functioning, and then turned into a formation disk again and fell to the ground!

Seeing the formation disappear, everyone rushed forward!

"David, are you okay?"

"Mr. Chen, are you injured?"

"Master, you scared me to death just now..."

Bai Qian and Huo Feng were all very worried!

After all, David had just been promoted to the second level of the Tribulation Realm. Facing that bloody weirdo, how could he be his opponent?

"I'm fine!"

David smiled slightly, then handed the array disk to Luo Shouhai and said, "Lord Luo Valley, your Blood Spirit Valley has suffered such a catastrophe, and your strength in the Tianmo Mountain area has been severely damaged. This formation disk will be given to you. You, with this formation disk, you can still recruit some subordinates to revive the Blood Spirit Valley."

Luo Shouhai took the formation disk with trembling hands, tears kept flowing from his eyes, and he was choked and didn't know what to say!

Chapter 3607

"Let's go quickly. If we meet other people, it will be troublesome."

Sheng Bushi urged!

Now they are all injured, and David himself is also fighting fiercely. If someone else comes, it will be troublesome!

“Okay, let’s go quickly...” Old

Devil Mountain Ghost nodded and said!

David led a few people towards Fancheng again, but just after taking a few steps, hundreds of people came towards him!

Originally, they thought that these people didn’t know David at all, so it would be best if they could fool him!

But when they got closer, everyone’s expressions changed instantly!

I saw that the leader turned out to be the eldest elder of the Ye family in Yecheng!

There were hundreds of people behind him, wearing all kinds of clothes. They should not be from a sect family!

After seeing David, the eldest elder of the Ye family suddenly said ferociously, “Boy, let me see where you are going to escape today...” “

This boy is David. Whoever can kill him can exchange for a hundred years of worship from our Demon Sealing Alliance.” ...”

The words of the eldest elder of the Ye family caused hundreds of people behind to scream!

Everyone’s eyes were full of greed, and they wanted to rush forward and kill David right away!

But David and the others were facing hundreds of people, and their faces were all ashen!

Even David has lost his fighting spirit!

Even if he is more powerful, what else can he do when facing hundreds of cultivators in the Tribulation Realm?

Seeing that David's face was ashen and had no fighting spirit, the elder of the Ye family snorted coldly and said, "Today, I will avenge our master!"

After saying that, the elder of the Ye family waved his hand, and hundreds of monks howled. He shouted and rushed towards David!

But as soon as he moved, he heard a strange sound of "dong dong dong" in the distance.

Immediately afterwards, the earth began to tremble, as if there were thousands of horses galloping!

The sky suddenly turned dark, and an invisible pressure weighed on everyone's hearts!

On the ground, smoke and dust rolled in like ocean waves!

So everyone was shocked, looking in all directions in shock!

Soon, countless flying beasts flashed their wings in the sky!

On the ground were hundreds of various monster beasts, making deafening roars!

The Lion King, the Monkey King, the Thousand-Faced Demon King, and the Leopard King are slowly approaching!

Seeing these people, David felt relieved.

Bai Qian smiled, "You guys came at the right time, otherwise you would never see me again..."

"Fox Princess, it doesn't matter whether I see you or not, we just don't want my aunt to be wronged!"

The Monkey King said with a look on his face . Look at Huofeng flatteringly!

"Monkey, it's not your fault that I helped you so much before, auntie."

Huo Feng said happily!

The eldest elder of the Ye family looked at the Orcs, and his expression became very ugly!

“Do you, a little beast tribe, also want to join us in opposing the Demon Sealing Alliance?”

the eldest elder of the Ye family said angrily!

“So what if you go against the Demon Sealing Alliance? Besides, you are just an elder of the Ye family. Even the head of the Ye family is just a small helmsman of the Demon Sealing Alliance. He cannot represent the Demon Sealing Alliance.”

“You guys. If you are wise, get out of here right away. If you disturb our aunt, I will beat the shit out of you.”

The Monkey King looked at the elder of the Ye family with disdain and said!

“You...”

The elder of the Ye family flushed with anger!

“Huo Feng, you go, just a few of us are enough here!”

Thousand-faced Demon King said to Huo Feng!

“Okay, be careful too!”

Huofeng nodded, then looked at David and said, “Master, let’s go...”

David nodded, and then left with Huofeng and the others!

The Ye family elders and hundreds of monks were watching with eager eyes, but because of the presence of people like the beast tribe, they did not dare to act rashly!

“The Demon-Sealing Alliance has given me a hundred years of worship. We must not let him escape. We must fight...”

Someone couldn’t stand the temptation and took action against David!

Chapter 3608

The Demon-Sealing Alliance has been enshrined for a hundred years, which can change destiny!

Someone took action against David, and others also took action!

Although they also know the danger, the temptation is too great!

“Do it...”

Upon seeing this, the Thousand-faced Demon King’s eyes turned cold and he shouted loudly! In

an instant, the scene directly entered a fierce battle!

Hundreds of cultivators in the Tribulation Realm were fighting together with hundreds of monsters.

Bai Qian looked back and could see the worry in her heart!

After all, she is also an orc, and these are her kind. If it weren’t for her injury, she would definitely stay!

Everyone else also looked back. After all, these orcs are here to protect them!

“Stop looking, get out of here quickly...”

Huofeng urged!

Everyone left in a hurry and rushed back to Fancheng!

As for the final result of the battle between the Thousand-faced Demon King and the monks, David didn’t know, but David kept this kindness in his heart!

Regardless of whether these beasts were trying to save themselves or Huo Feng, the final result was to save David!

If it hadn’t been for the appearance of these orcs, David and the others would have been killed long ago!

“Dad, what’s wrong with you?”

Sheng Jiahui couldn't help but worry when she saw Sheng Bushi and others rushing back. Their faces were all pale, and some were covered in blood!

"Jiahui, find all the herbs in our Sheng family and give them to Mr. Chen."

Sheng Bushi explained!

All of them were injured, and David had to refine elixirs to heal them!

Sheng Jiahui nodded and quickly ordered people to prepare the herbs!

"Are you okay? I see you lost a lot of blood..."

After explaining everything, Sheng Jiahui looked at David and asked!

At this moment, David's body was covered in blood, like a bloody man!

"I'm fine, this is other people's blood, not mine!"

David explained!

This was in the sacrificial blood formation, and it was stained with blood. It looked like David was injured!

"I'm going to wash you up..."

Sheng Jiahui said, pulling David into her boudoir!

Ever since she followed David and pierced the window paper, Sheng Jiahui had already decided that she was David's person!

However, she thought it would be difficult to see David again in her life, but she didn't want to see David again in just a few days.

David did not refuse and allowed Sheng Jiahui to pull him into the boudoir and then take off his clothes!

Looking at David's plump body, Sheng Jiahui blushed, but she still prepared hot water for David and wiped it gently!

After all the blood on David's body was washed away, Sheng Jiahui felt relieved when she saw that David was really not injured!

After David finished washing, he immediately prepared the Shennong Cauldron and began to make elixirs to heal several people!

David knew that he couldn't stay in Fancheng for too long. If he stayed in Fancheng for too long and was discovered, it would only bring disaster to the Sheng family!

I have to say that this killing order from the Demon Sealing Alliance really made David very passive, like a rat crossing the street!

Using the herbs from the Sheng family, plus some fairy herbs stored in his storage ring, David refined more than a dozen elixirs in two days!

After giving it to Huofeng and the others, the injuries of several people were significantly relieved!

However, David fell asleep directly because he was overworked!

When David opened his eyes, he didn't know how long he had been asleep, but the first thing he did was to ask Huofeng about their injuries!

David breathed a sigh of relief when he learned that everyone was almost recovered!

After getting dressed, David followed Sheng Bushi to say goodbye, and then left the Sheng family without stopping!

David did not have too much contact with Sheng Jiahui, because he knew that the two of them might not have a chance to meet in the future, and he should not let Sheng Jiahui have too many feelings for him!

Chapter 3609

After leaving the Sheng family, David and the others rushed back to the Blood Spirit Valley as quickly as possible!

They did not take the airship because the target of the airship was too big and could easily be discovered!

After returning to Blood Spirit Valley, David and the others breathed a sigh of relief!

“Dad, Mr. Chen, you are finally back. We are all worried to death.” Luo

Xi saw David and the others were back and hurried to greet them!

“Master, have you found the person who massacred so many of my brothers in the Blood Spirit Valley?”

Jin Dong asked!

Now he can't wait to avenge his senior brother immediately!

Luo Shouhai shook his head, “We didn't find it. The spirit beast took us to the five major sects, but it wasn't the five major sects who did it. They just came here and left their breath!”

Jin Dong frowned when he heard that he didn't find it. He frowned and said, “Master, what should we do? Did these brothers die in vain?”

“Hey...”

Luo Shouhai sighed, he didn't know what to do.

“Master Luo Valley, don't be discouraged. I will think of a way to activate the time weapon in my hand to see if I can go back to the time when the Blood Spirit Valley was massacred.”

David comforted Luo Shouhai and said!

David has Feng Mo's time weapon in his hand, and Feng Mo also gave him the formula. As for whether it can be used, David himself is not very sure, but he can give it a try!

“Mr. Chen, you are back...”

Song Tianhai came over with several Soulless Hall disciples!

David nodded, and then looked at Song Tianhai warily!

After all, many people know that he is now worth a hundred years of worship from the Demon Sealing Alliance!

Although the Wanli message transmission was random, David didn't believe that with so many people in the Soulless Palace, not one of them had received the killing order from the Demon Sealing Alliance!

If this soulless palace is being tempted by the hundred-year offering of the Demonic Alliance, David must be careful!

Seeing David's vigilant eyes, Song Tianhai seemed to have thought of something, so he approached David and said solemnly, "Mr. Chen, I also know about the Demon Sealing Alliance's order to kill you, and I also know about the Demon Sealing Alliance's order to kill you. I will reward you with a hundred years of worship."

"But please don't worry, Mr. Chen. It is absolutely impossible for me in the Soulless Palace to help the Demon Sealing Alliance, and I will not do anything to Mr. Chen. If Mr. Chen can't trust me, I can take Wuhun immediately. The disciples of the palace should leave here."

David looked at Song Tianhai and smiled awkwardly and said, "Palace Master Song, I believe you. You should live in the Blood Spirit Valley. It is still safe here for the time being." "

Now that you have left the Demon-Sealing Alliance, the Demon-Sealing Alliance people from the alliance must be looking for you."

"Mr. Chen, thank you for your trust. If you can get my soulless palace, I, Song Tianhai, will be obliged to do so."

Song Tianhai said gratefully!

The Soulless Palace is like a dog in the Demon Sealing Alliance. Anyone who dares to disobey will be killed!

After all, the status of demon cultivators in the entire heaven and human world is not high!

Those demon cultivators who are unwilling to cooperate with the Demon-Sealing Alliance will all be slaughtered. The Demon-Sealing Alliance just wants to take all the demon cultivators in the heaven and human world under its command and treat them as their own dogs!

Nowadays, the place where demon cultivators can still live safely is in the Tianmo Mountain area, and the entire southern region is relatively tolerant of demon cultivators, unlike other places where they will kill all the demon cultivators they see!

This also makes the southern region have the most demonic cultivators, especially in the Tianmo Mountain area!

David rested for a day in Blood Spirit Valley, and then began to study Feng Mo's clock!

Although there are formulas, David can't always understand the meaning of the formulas.

David knew that in order to activate the time magic weapon, he must be able to feel the flow of time and truly feel the speed of time!

Although everyone can find that time keeps moving forward, few people truly realize the flow of time!

Chapter 3610

Especially the speed at which time passes. Sometimes people feel that time passes very quickly, and sometimes people feel that time passes very slowly!

These are all perceived time flow rates, but these are just accidental. It is not that difficult to feel the time flow rate anytime and anywhere!

"This time never stops. It feels like the flow rate is the same. How can it be possible to feel the speed?"

David frowned slightly, with a very embarrassed expression!

But if you can't feel the flow of time, then it will be difficult to open this time magic weapon, not to mention having to go back in time!

Now if we want to find out who was slaughtered in the Blood Spirit Valley, we can only rely on the time weapon in David's hand!

David felt like his head was going to explode, so he walked to the window and opened the door quietly!

There is a tree outside the window. Under the moonlight, the shadow of the tree is reflected into David's room! Chen

Ping looked at the shadow of the big tree in the room, and every leaf was extremely clear!

David watched quietly, entranced for a moment!

Soon, David discovered that among the shadows of these leaves, there was a leaf that was constantly changing!

The shadow of this leaf changes from a bud to a leaf!

David hurriedly looked at the big tree and saw leaves starting to grow on one branch!

David stared blankly at the growth of leaves, from small buds to leaves, and then withered and fell off!

The leaves on this branch keep repeating themselves like this!

David looked at the changes in the leaves, and seemed to have a profound understanding of time in an instant!

Until it is created, the moonlight disappears and the sun rises high!

The sun shone on David's face, making David suddenly enlightened. He seemed to know something!

The clock in David's hand emitted light, and the hands on it began to turn backwards rapidly!

David felt as if his soul had entered a time vortex and was being sucked in!

Soon, ChenPing felt that all time around him had stopped, and he slowly opened his eyes!

I found myself floating in the sky above the Blood Spirit Valley!

At this moment, in the Blood Spirit Valley, there were waves of shouts of killing, and blood filled the air!

David discovered that many disciples in Blood Spirit Valley were fighting to the death with a group of people!

Among this group of people, David discovered Cheng Jinghui from Blood Spirit Peak, Luo Shouhai's junior brother!

David's eyes were full of surprise. He really didn't expect that the person who slaughtered all the people in the Blood Spirit Valley would be the people from the same sect and sect of the Blood Spirit Valley.

This is simply unbelievable. If David hadn't gone back in time, no one would have believed that these were true!

As David watched, all the people in Blood Spirit Valley were slaughtered!

Cheng Jinghui ordered people to clean up the scene and hide the aura!

Just when he finished all this, Cheng Jinghui suddenly looked up at the sky. He always felt like a pair of eyes were staring at him!

But they didn't see it, so they could only take the people from Blood Spirit Peak and leave quickly.

Not long after the people from Blood Spirit Peak left, people from the five major sects arrived!

They only stayed for a short time and then left!

Everything is the same as what Sect Master Na Luo said!

"Mr. Chen, Mr. Chen..."

David felt someone calling him!

David felt his soul pulling back quickly, returning to his body in an instant!

Suddenly he opened his eyes and found that he was still in the room. Luo Shouhai, Luo Xi and Jin Dong were calling him!

"Master Luo Valley..."

Seeing that it was Luo Shouhai, David let out a long sigh!

If someone had just attacked him, he probably wouldn't have been able to avoid it!

“Mr. Chen, what's wrong with you? You're so motionless?”

Luo Shouhai asked in confusion!

“I...”

David hesitated. He didn't know whether he should tell Luo Shouhai the truth!
