Chapter 3636

During the dinner, Sect Leader Jiang was in high spirits, and the entire Soul Demon Sect was immersed in joy!

Now that Sect Leader Jiang has recovered, it is a matter of joy!

Sect Leader Jiang was very grateful to David. No matter what David said, he rescued Jiang Yulian and Zheng Jian, so they should be treated with courtesy!

“Master, there is still a residual soul residing in Mr. Cheng’s body. That is Mr. Cheng’s friend. Mr. Cheng would like to ask if it is possible to reshape his friend into a physical body?”

Zheng Jian asked Sect Leader Jiang. !

Sect Master Jiang smiled slightly and said, “The residual soul in Mr. Cheng’s body is just in the Fusion Realm. Of course, he can reshape his body. But I am recovering from a serious illness. I don’t know how many days I can wait?”

Sect Master Jiang could tell at a glance that Chen In the Ping Consciousness Sea, Zhe Yan’s strength shows that his research on the soul is even more in-depth!

But when David heard that Sect Leader Jiang actually had to wait for several days, he couldn’t help but frown slightly!

Because Sect Leader Jiang is burning his true energy to maintain his current life. How can he reshape Zhe Yan’s body after everyone dies in a few days?

Seeing David’s expression, Jiang Yulian hurriedly explained, “Mr. Cheng, Master has just recovered from a serious illness. He needs to recover before he can be more confident. You must know that there is a chance of failure in rebuilding the body.”

“And to reshape the body, we also need to prepare a lot of things, and it won’t happen overnight.”

Jiang Yulian thought David was unhappy!

“Miss Jiang misunderstood. Since Sect Master Jiang has agreed, it doesn’t matter if we wait for a few days...”

David hurriedly squeezed out a smile and said!

After dinner, David was arranged in the largest room. Although the room was a bit crude, it was the best for the Soul Demon Sect!

“Mr. Chen, the life span of Sect Leader Jiang is about to decline. You said he won’t live for three days, then...”

Zhe Yan was a little worried. If Sect Leader Jiang couldn’t live for three days, how could he reshape his body?

“Don’t worry, let alone his life span. Even if he dies, I will take him back from the underworld and reshape his body for you.”

David said with a smile!

“Mr. Chen, do you have a way to end the decline of Sect Master Jiang?”

Zhe Yan said in surprise!

“How can I change the way of heaven and stop the decline of lifespan, but I can help Sect Leader Jiang improve his cultivation realm. As long as his realm improves, the decline of lifespan will naturally end, and his lifespan will increase a lot.”

David explained!

“Improve your cultivation level?” Zhe Yan said speechlessly, “Then Sect Master Jiang should be at the seventh level of the Tribulation Overcoming Realm. It’s not easy to improve his cultivation level...” “

Then Sect Master Jiang is indeed at the seventh level of the Tribulation Overcoming Realm, and he is also at the level of Overcoming the Tribulation Realm. He has reached the peak of the seventh level. With a little improvement, he can break through to the eighth level.” “

It’s just that his current physical condition cannot withstand thunder tribulation at all. Even a small level of thunder tribulation can make him disappear. .”

“Now we can only find ways to help him improve his realm and at the same time enable him to resist the attack of thunder tribulation. As long as he survives the thunder tribulation, the decline of Jiang Sect Master’s life span will naturally disappear.”

David said calmly. !

When Zhe Yan heard that David had already figured out a solution, he felt relieved. After all, it was very rare to find an opportunity to reshape his body!

David started refining the elixirs overnight. He wanted to prepare all the elixirs he needed when Sect Leader Jiang's lifespan declined!

For two days, David refined a lot of elixirs. These elixirs can completely increase the strength of Sect Master Jiang to the eighth level of Daodu Tribulation Realm!

"Mr. Cheng, Mr. Cheng..."

Just two days later, Jiang Yulian suddenly found David anxiously!

David opened the door and saw Jiang Yulian's face full of tears. She had already cried!

"Miss Jiang, is Sect Master Jiang ill again?"

David had already guessed it when he saw Jiang Yulian arriving!

Chapter 3637

"Yes, Master, he is in a coma. His whole body has aged, and his hair has turned white again. Mr. Cheng, please go and have a look quickly..."

Jiang Yulian was very anxious and started crying again.

"Miss Jiang, don't worry, I'll go and have a look with you..."

After David finished speaking, he followed Jiang Yulian and left quickly!

When David arrived at Sect Master Jiang's room, he found that it was full of people. Sect Master Jiang was lying on the bed. He was extremely thin and his hair was gray! Chen

Ping stepped forward and immediately poured in a burst of spiritual energy, and then Sect Leader Jiang slowly woke up!

"Master..."

Seeing that Sect Master Jiang was awake, Jiang Yulian, Zheng Jian and others all shouted!

"Miss Jiang, if you two stay, let the others leave. Too many people will affect the treatment!"

David frowned slightly when he saw the room full of people crying!

Jiang Yulian nodded and hurriedly drove everyone out!

“Sect Master Jiang, how do you feel?”

David asked Sect Leader Jiang!

Sect Leader Jiang glanced at David, and then lamented, “It seems that my life is really declining. Mr. Cheng is right. My Yang Yuan is about to expire and I am dying. It is not because of illness.” “

Then Divine Doctor Liu lied to us. , I also deceived the Heavenly Demonic Dragon Ginseng, and I can feel that my end is coming.”

After speaking, Sect Master Jiang glanced at Jiang Yulian and Zheng Jian and said, “Listen, you two, after I die, I will take it with me right away.” The Soul Demon Sect has moved to a more remote place, and there is no need to track down any traitors. We were all deceived by that Divine Doctor Liu.” “

He must have leaked your whereabouts and then gave the soul-fixing beads to the other party. He Knowing that I am suffering from longevity, I deliberately said that the Heavenly Demon Dragon Ginseng can cure it, just to get the Heavenly Demon Dragon Ginseng!”

“Master...” Jiang Yulian and Zheng Jian knelt on the ground and started crying!

Jiang Yulian even saved David’s legs “ChengSir, please, please save my master. As long as you can cure my master, I can do anything you ask me...”

David was transformed into a middle-aged uncle at this moment. Jiang Yulian could still say Such words prove that she cares too much about her master!

“Miss Jiang, I will try my best to restore Sect Leader Jiang, don’t worry! “

David helped Jiang Yulian up, then looked at Sect Master Jiang and said, “Sect Master Jiang, I have known for a long time that your life is about to decline, so I have specially refined a lot of elixirs in the past two days. You can take these elixirs. . “

David took out the elixir he had refined and handed it into the hands of Sect Master Jiang!

“Mr. Cheng, thank you for your kindness. It’s just that my life is declining because of the will of heaven. It’s because my Yang Yuan is running out. No other elixir can be used.” Impossible to stop. “

Everyone will die, even monks cannot avoid it. This is the law of heaven and cannot be changed. It's just a pity that I can't help your friend reshape his body!" "

Zongzong Jiang is dead, but he is still thinking about reshaping Zhe Yan's body!

"Zongzong Jiang, the law of heaven cannot be violated, but if your realm improves, your life span will also increase. This does not violate the law of heaven. "

David said!

"Mr. Cheng, I know what you mean, but even if I improve my realm now, I can't withstand the thunder tribulation at all. When the time comes, I will be wiped out in ashes, not even a whole corpse can be left. It's better to die slowly like this. Woolen cloth! "

Sect Leader Jiang slowly shook his head and said!

"Sect Leader Jiang, I can find a way to help you survive the thunder tribulation. Now your level improvement is your only chance to survive. Although the thunder tribulation cannot be passed 100%, There's always a chance. "

But if you continue to waste like this, you will definitely die without any chance..."

David persuaded Sect Master Jiang!

After all, this kind of thing can only be done if Sect Master Jiang agrees and he has a strong desire to survive. If he wanted to die, there was nothing David could do!
