### Chapter 3676

After all, the Divine King's Bow is a famous weapon in the world of gods. How many people have lost their lives for the Divine King's Bow. If Zeng Nian'an gets greedy when he sees the Divine King's Bow, David will really be doomed!

Qi Peijia is so difficult to deal with, and with the addition of the Tianmo Sect, David has no hope of survival at all!

David held the dragon-slaying sword and quickly clicked it in the void a few times. A formation pattern visible to the naked eye appeared, and all the power in David's body began to operate!

Then, a flame appeared between David's eyebrows, and as the flame hit the pattern, a wall of fire appeared!

The dark golden flames made the entire void become hot, and even the surrounding rocks began to melt.

Then the black mist collided with the wall of fire that David had just launched!

boom!

With a deafening loud noise, the wall of fire quickly extinguished under the black mist, but the speed and power of the black mist also began to decrease!

David knew that his wall of fire could not block the black mist at all, so after the wall of fire was extinguished, he immediately slashed with the dragon-slaying sword!

And while swinging a sword, his body kept retreating!

A light curtain blocked the black mist, but in just a short breath, the black mist came through the light curtain!

David frowned. He found that Qi Peijia was too difficult to deal with. If he didn't use the God King's Bow, he really couldn't deal with it!

Under the two blocks of the black mist, both speed and power dropped a lot. David knew that he had no choice but to retreat, so he spit out a mouthful of blood. The blood mist attached to David's immortal gold and was instantly absorbed by the indestructible golden body!

After the essence and blood were absorbed, the indestructible golden body emitted countless golden lights, and a halo visible to the naked eye appeared around David!

“Ah...”

David shouted loudly, asking him to use his indestructible golden body and his powerful body to resist Qi Peijia's blow!

All the breath in David's body was erupted, and the original stars in the original space were shining with dazzling light!

boom!

That black mist hit David's body!

A loud noise instantly resounded throughout the Tianmo Sect, and violent shock waves spread out in all directions!

Sect Leader Jiang and Zhe Yan clenched their fists, their hearts in their throats!

David's body trembled suddenly, and then he flew backwards. At the same time, the black mist dissipated instantly!

David fell heavily to the ground, creating a huge pit more than ten meters deep!

Mountains and rocks collapsed all around, like the end of the world!

“Mr. Chen...”

Seeing this scene, Sect Master Jiang and the others became anxious and ran over with a roar!

Qi Peijia raised the corner of his mouth, and the beast condensed in the black mist slowly dissipated!

“Fight with me, you’re still far away...”

Qi Peijia sneered. With this blow, he knew that even if David survived, he would definitely not be able to get up!

Zeng Nian’an also shook his head slightly and sighed slightly, “It’s a good talent, but it’s

a pity... it’s a pity...” “Even if it’s me, I’m afraid I can’t take that blow just now...”

Zeng Nian’an is also at the eighth level of the Tribulation Realm. , but Qi Peijia’s blow just now was indeed too powerful. Although he was also at the eighth level of the Tribulation Realm, he was not confident that he could withstand that blow!

At this time, Sect Leader Jiang and others had already run to the edge of the pit that was smashed by David. Looking at the pit more than ten meters deep, Sect Leader Jiang, Zhe Yan and others were shouting!

“Mr. Chen...”

“Mr. Chen...”

But after shouting several times, David didn’t respond, and David couldn’t be seen. He was buried under rocks!

At this time, Sect Master Jiang and others panicked. They were all afraid that something had happened to David. After all, the blow just now was too terrifying!

Chapter 3677

Zhe Yan was about to jump into the pit to find David, but just as he was about to jump down, he found that the rocks at the bottom of the pit moved, and then David got out of the rocks!

But at this time, David's indestructible golden body had disappeared, his clothes were in tatters, and there was blood flowing from the corner of his mouth!

It proves that although David was not killed by the blow just now, David was injured!

"Mr. Chen, I knew you couldn't die..."

Zhe Yan said happily when she saw David was still alive!

"How can I die so easily? The person who can kill me hasn't been born yet!"

David grinned and then jumped out of the pit!

Seeing that David was not dead, Qi Peijia was slightly startled, but soon sneered, "You are really capable, you are not dead like this, but no matter how capable you are, you will not survive today." It's gone."

Zeng Nian'an couldn't help but be shocked when he saw that David was still alive and jumped out of the pit on his own. Although he was injured, he didn't seem to be in serious trouble.

"It's not that easy to kill me..."

David touched the blood at the corner of his mouth, and then took out the magic whip!

Seeing David take out the magic whip, Qi Peijia sneered, "I now know how powerful your magic whip is, so if you want to use this whip to fight me, I won't let you succeed." After

Qi Peijia finished speaking, he suddenly A mouthful of black blood spurted out. As the black blood spurted out, Qi Peijia shouted, "The devil is coming..."

Soon, this mouthful of black blood turned into a humanoid monster!

When David saw this, he frowned and his expression became very ugly!

This magic whip is carried on the demon cultivator and can attack the demon cultivator's spiritual consciousness. Even if there is armor on the body, it is useless!

But to deal with this condensed monster, the magic whip will be useless!

The magic whip has no effect at all on these monsters. After all, these monsters have no consciousness!

Looking at David's expression, Qi Peijia laughed and said, "Hahaha, your magic whip is useless, right? Have you forgotten how you were beaten and fled in embarrassment by me in the battlefield between gods and demons?"

David looked at it Looking at Qi Peijia's proud look, although he was angry, he had no choice but to use the God King's Bow?

"Boy, although this demon is powerful, it is full of weaknesses. This guy is really useless. He has not learned even one percent of what I learned."

At this time, the Red Cloud Demon Lord spoke!

When David heard that Demon Lord Chiyun spoke, he felt happy and put away the magic whip!

"Senior, tell me what's the weakness of this devil's arrival, and then tell me how to deal with this guy. I was about to be beaten to death just now." "

If I die, you won't even have a place to stay." No more, other people's consciousness can't tolerate you!"

David asked the Red Cloud Demon Lord!

"Damn it, are you threatening me?" Demon Lord Chiyun cursed!

"Don't dare, I'm just reminding seniors."

David said quickly!

"This demon is afraid of fire when it comes, don't you have the fire!"

Demon Lord Chiyun said!

"Senior, although this demon is afraid of fire when it comes, if I attack with fire, it will soon turn into a pool of blood. My ultimate fire will lose its effect, and the blood will condense again later, and it cannot be eliminated at all. ."

When David was on the battlefield of gods and demons, he used extreme fire to deal with this humanoid monster, but it was useless!

Later, I still used the God King Bow to get a chance to escape!

“As long as the blood enters the ground, it will no longer condense. Do you understand what I mean?”

Demon Lord Chiyun asked!

When David heard this, he nodded repeatedly and said, “I understand, I understand...”

Chapter 3678

“Kill him...”

Qi Peijia gave the order, and the humanoid monster quickly rushed towards David!

The fire source star in David’s body burst out with dazzling light, and a ball of flame began to rise in David’s hand!

With the push of David’s palm, the overwhelming flames directly enveloped the humanoid monster! The

terrifying fire emitted heat waves, trapping the humanoid monster in place!

Qi Peijia didn’t panic at all when he saw this, but raised the corner of his mouth slightly, and then the humanoid monster disappeared and turned into a pool of blood flowing!

The fire lost its target and quickly went out!

“It’s useless, your ultimate fire can’t stop my demon from coming...”

Qi Peijia sneered!

But David didn't pay attention, but quickly squatted down, stretched out his palm, and touched the ground gently!

The moment David touched the ground, formation patterns emerged from the ground, and the whole earth began to shake!

Buzz!

The moment David's palm came into contact with the ground, a long ravine began to open in all directions!

The pool of blood flowed directly into the ground. When Qi Peijia saw this, he was shocked and quickly made a seal with his hands to make the pool of blood return to the ground!

But it was too late, I saw countless formations flashing with light, directly trapping the pool of blood underground, and then the cracked gully closed again!

The earth returned to calm, as if nothing had happened!

Qi Peijia frowned and stared at David!

He didn't understand why David suddenly thought of this way to deal with the demon coming to him!

"Do you want your demon to come under the spell? I want to see how much blood essence you have available!"

David said with a sneer!

Qi Peijia's eyes narrowed slightly, "Humph, even if there is no need for the devil to come, it will be easy for me to kill you..."

Say it, QiThe whole body of the armor was shrouded in black mist, and then slowly formed a pair of armor!

"Black Magic Armor..."

David frowned when he saw that Qi Peijia was wearing the Black Magic Armor again!

“This black magic armor has more flaws. I really don’t know how this guy learned it...”

Demon Lord Chiyun snorted!

“You command, I take action...”

David’s dragon-slaying sword appeared instantly, then his feet suddenly stopped, and his body disappeared instantly!

David’s body disappeared from the same place as if he teleported!

The Fire Control Step is easy to use, but it’s a pity that David has only scratched the surface of understanding it. Now David regrets it when he thinks about it. It would have been better if he didn’t offend the Lord Fire Star in the battlefield of gods and demons. Maybe he will be given some pointers now. I have already learned a lot about firebending steps!

Qi Peijia’s pupils shrank, David’s speed was so fast that he couldn’t see David at all.

Qi Peijia could only tiptoe a little, and his whole body shot straight into the sky!

But just as Qi Peijia’s figure flew up, an afterimage appeared in front of him!

“Nine Shadows Sword Technique...”

David shouted loudly, and six figures instantly surrounded Qi Peijia.

Then countless sword lights came densely towards Qi Peijia!

When Qi Peijia saw this, he snorted coldly and completely ignored him!

He knew that David’s attack could not break through his black magic armor at all!

When David saw that Qi Peijia didn’t care, he was immediately ecstatic. With Demon Lord Chiyun’s command, David could easily know the flaw in the black magic armor, but Qi Peijia was careless and didn’t notice it!

Countless sword rays hit Qi Peijia’s body, but they were all blocked by the black magic armor, unable to cause any damage to Qi Peijia at all!

“Hahaha... You can't hurt me at all, no matter how many attacks you try, it will be in vain!”

Qi Peijia laughed!

David had a sneer on his face and looked at the laughing Qi Peijia with disdain. He knew that Qi Peijia would stop laughing soon!

Chapter 3679

Sure enough, Qi Peijia stopped laughing soon, and the smile froze on his face. At Qi Peijia's feet, there were several sword rays stabbing fiercely!

As several rays of sword light pierced the soles of Qi Peijia's feet, the black magic armor on his body began to shatter. In the end, the black magic armor shattered into pieces and turned into a burst of black mist and dispersed!

“This...”

Qi Peijia was shocked. He didn't expect that David actually knew the weakness of the black magic armor and defeated it!

You know, no one will attack the soles of the opponent's feet unless they know that the opponent's weakness is on the soles of the feet! Now

that David is using the Nine Shadows Sword Technique, the sword light that bursts out is to attract Qi Peijia's attention. David also knows that those sword lights cannot break Qi Peijia's black magic armor at all!

Only when Qi Peijia is careless can he unexpectedly attack the weak points of the black magic armor!

“How do you know the weakness of the Black Magic Armor? How on earth do you know that?”

Qi Peijia roared at David!

“If you want to know, kneel down and beg me, and I can tell you...”

David made a move and instantly became more confident!

As long as Qi Peijia's various magical powers can't do anything to David, then David won't be afraid!

"Without the black magic armor, I can easily kill you..."

Qi Peijia's palm slowly moved across his forehead, and instantly there was an extra eye on his forehead!

With the blinking of his eyes, the entire sky turned into a dim color, all of which seemed to be under Qi Peijia's gaze.

"Tian Ming Eye..."

David hurriedly asked Demon Lord Chiyun, "Why is this Tian Ming Eye broken? This thing is too perverted. If I open the Tian Ming Eye, all my movements will not escape his eyes..."

When the Tian Ming Eye is opened, it's as if time slows down instantly. David's every move seems to be in slow motion in Qi Peijia's eyes!

How could David follow Qi Peijia Dou?

"Thunder, use the power of thunder to bombard Tian Ming Eye. What Tian Ming Eye fears the most is the power of thunder., besides, he has only scratched the surface of his Tian Ming Yan training. "

Demon Lord Chiyun said!

When David heard this, he understood instantly, and his whole body was filled with a strange aura!

The sky turned dark instantly, and dark clouds rolled in all over the sky. It was like the end of the world, and it was as dark as ink for hundreds of miles!

And in the dark clouds, streaks of lightning continued to flash across, and David's body soared up, suspended under the dark clouds! The

original breath of thunder and lightning emitted, instantly attracting those lightnings to his body!

At this moment, David was surrounded by Thunder and lightning, there are constant lightning flashes in a pair of eyes!

The permeating aura of the origin of thunder and lightning makes all the lightning intertwined to form a large lightning network! The

origin of thunder and lightning is running crazily in David's origin space. David has never exploded like this Through the power of the source.

The source of thunder and lightning was operating to the extreme. Then David slowly raised his hand, and all the thunder and lightning gathered in one place! A

lightning as thick as a bucket formed in front of David!

David then pointed his finger, and the lightning struck instantly. Down!

Brush!

This thunder and lightning streaked across the void, causing the dark sky to shine instantly!

Seeing this, Qi Peijia's expression became extremely nervous, and the black energy around him burst out instantly!

But at this moment, the world seemed to Still, thick thunder and lightning streaked across the void and continued to fall downwards!

David unexpectedly used Immortal Finger this time!

This is a unique skill passed down to David by the ancestor of the Ji family. Only David can use it after he understands the origin of time. !

But with this finger of David, he inadvertently used Immortal Finger, making the whole world seem to be still!

David didn't know that the reason why this happened was because Qi Peijia's Tianming Eye had changed this space. The speed of time!

Although David did not understand the origin of time, he could cast the time magic weapon. He had a slight understanding of time. He had just used it inadvertently, and it had the effect of the Immortal Finger!

## Chapter 3680

You must know that the Immortal Finger is an enchantment. With the blessing of the Immortal Finger, the thunder and lightning instantly penetrated Qi Peijia's black mist.

Qi Peijia's eyes widened and he looked at David in disbelief. He never expected that David would use such a powerful move!

The thunder and lightning were almost not seen flying by, and they were already in front of us!

Then he hit Qi Peijia's eyes hard on his forehead!

"Ah..."

Qi Peijia's forehead flowed with blood, and the opened Tianming Eye disappeared in an instant under the thunder and lightning!

The gray-brown appearance between the sky and the earth gradually disappeared, and as the dark clouds dissipated, the entire world became bright again!

"Why, why can you break my Tianming Eye, why..."

Qi Peijia yelled like crazy!

He didn't understand why David could find his own weaknesses.

Obviously when he was on the battlefield between gods and demons, David was beaten so badly that he couldn't find a way to solve it!

But now we can find the various weaknesses of Demon Advent, Black Magic Armor, and Tianming Eye!

This is so weird!

If Qi Peijia knew that in David's sea of consciousness lived the big devil who taught him these techniques, he wouldn't have such a strange expression!

Sect Master Jiang and others looked at David in shock. They did not expect that David would be so powerful and directly grasp Qi Peijia's weakness!

Especially Zeng Nian'an, his jaw dropped to the ground in shock. A second-level monk in the Tribulation Realm beat an eighth-level monk in the Tribulation Realm and put him at a disadvantage. It was really outrageous!

"What other skills do you have? Let me tell you, I know even the skills you are running now and can find the weaknesses."

David said with a sneer on his face while suspended in mid-air!

"Boy, just wait, I will kill you sooner or later..."

After Qi Peijia finished speaking, he waved his palms suddenly, a black mist enveloped him, and he quickly fled!

Seeing Qi Peijia fleeing, David did not pursue him!

But the body falling from mid-air!

Although under the command of Demon Lord Chiyun, David could defeat Qi Pei Jia everywhere, but after all, the gap in realm was too big. David had almost exhausted all kinds of breath in his body just now!

If Qi Peijia doesn't run away and follows David to fight, David really has no way to deal with it and can only use the God King Bow!

Now that Qi Peijia has run away, David will not chase him. Even if he catches up, David has no chance of killing him!

"Mr. Chen..."

Seeing David fall from mid-air, Sect Leader Jiang, Zhe Yan and the others hurriedly ran over!

David's face looked a little ugly at this time, and his breath was much weaker!

"Mr. Chen, are you okay?"

Zhe Yan asked with concern!

"It's okay, I'm just a little tired, it's okay."

David shook his head, took out a lot of pills from the storage ring, and swallowed them all!

“A mere second-level Tribulation Realm master actually beat away an eighth-level Tribulation Realm master monk. It’s really a rare sight!”

Zeng Nian’an slowly walked over and praised David!

David smiled bitterly. He knew that if it weren’t for the help of Demon Lord Chiyun and knowing Qi Peijia’s weakness, David would not have been able to scare Qi Peijia away. In addition, he had just inadvertently used the Immortal Finger, which scared Qi Peijia, so he ran away. .

If it were any other eighth-level cultivator in the Tribulation Realm, David would probably be the one who escaped in embarrassment!

“Mr. Chen, I think you should rest for two days before entering the cave!”

Sect Leader Jiang said to David!

Now in David’s situation, it would be dangerous to enter the cave to get the secret realm of the skills!

“No, if we let others get there first, then our trip will be in vain.”

David shook his head and said!

If no one enters the cave, David may be able to take a rest. Now that someone is inside, and they haven’t been blasted out for such a long time, it is very likely that the other party will succeed!

If someone else takes the Heavenly Demon Stone away, David doesn’t know where else to look for the Heavenly Demon Stone!
