Full Read Online **Chapter 3701** of the novel **A Man Like None Other**

Chapter 3701

“Holy crap, what kind of magic is this?”

Mu Kui was shocked and his body fell rapidly!

When David saw this, he also rushed down directly!

The two people landed on a barren mountain a hundred miles away from Wantong Pavilion!

“Who are you? What technique did you use just now?”

Mukui asked with a slight frown!

“What kind of magic did I use? Who am I to tell you? Who do you think you are...”

David snorted coldly!

“Boy, don’t think that I don’t know that you also have the aura of supreme fire in your body. If this is the case, then I will force out your supreme fire soul so that it can become my cultivation resource!”

Mukui raised the corner of his mouth, and then waved his palm toward the ground!

Flames instantly rose from the ground, and these flames quickly formed a Bagua pattern!

In this Bagua graphic, a humanoid monster appears, and these humanoid monsters are all burning with flames!

David glanced at these humanoid monsters and couldn’t help but frown!

“These are not monsters, but human souls. I didn’t expect you to turn other people’s souls into murderous puppets.”

David glared at Mukui!

“The fire energy of these souls has been absorbed by me, so they have no value. Wouldn’t it be better to make them into murderous puppets?”

Mu Kui raised the corner of his mouth, “Don’t worry, your soul will become one of them soon.” “Yes.”

As Mu Kui’s words fell, David was surrounded by souls burning with flames, and there was a live connection between these souls!

“Do you think you can kill me with just your skills?”

David asked calmly!

“It seems that your aura is only at the third level of the Tribulation Realm. I am now at the seventh level of the Tribulation Realm and will soon be able to break through to the eighth level. What are you going to do to fight me?”

“It’s just in your body. That breath of fire? It seems that you are not a demon cultivator, and you should not be of the flame demon lineage, so where does the fire aura in your body come from?”

Mukai asked!

“Call Grandpa, and I will tell you...”

David said with a playful smile!

After breaking through to the third level of the Tribulation Realm, David has no fear at all against the seventh level monks of the Tribulation Realm!

What’s more, there are also many life-saving means, the God King’s Bow, the Dragon Pattern Clock, and the time magic weapon clock, any of which can save the day!

And now he has opened the Tianming Eye, and there is a Sky-Swallowing Beast in the storage ring. Although this little guy doesn’t know when the Sky-Swallowing Beast will appear, every time David is in the most critical moment, the Little Sky-Swallowing Beast will appear!

“You are looking for death...”

Mu Kui was angry, and he clasped his hands, and suddenly Those souls covered in flames rushed towards David!

These souls were burning with flames and burst out with great strength!

And the flames formed a ring, and the hot air began to tremble and make crackling sounds!

David He remained motionless, and the indestructible golden body on his body suddenly activated, and golden scales covered David's whole body!

“Do you still want to use armor to resist my flames? It's a joke, these are the ultimate fire, not ordinary flames! “

Mukui sneered!

David didn't finish speaking, but suddenly waved his palms. In his palms, two flames burst out instantly!

The stars of the fire element in David's body began to flash rapidly!

In David Flames were rising all over his body!

Heat waves rolled in, and several souls surrounding David actually flew out under the heat wave!

“Play with fire with me, I am your ancestor...”

David Ping smiled coldly, and the fire-bending steps appeared. His body disappeared in the blink of an eye, and then appeared in front of a soul. With a grasp of his hand, the flames on the soul were extinguished instantly, and the soul screamed and turned into nothingness!

Full Read Online **Chapter 3702** of the novel **A Man Like None Other**

Chapter 3702

David's figure disappeared again, and then appeared in front of a soul!

In this way, in the blink of an eye, these souls burning with flames all disappeared!

“This...how is this possible?”

Mukai's eyes widened with horror!

He simply didn't believe that David, who was in the third level of the Tribulation Realm, could be so powerful?

You must know that these souls were all refined by him, and the ultimate fire on his body was also a terrifying existence. How could he be easily extinguished by a guy at the third level of the Tribulation Realm?

Looking at the soul being killed by David softly, Mu Kui panicked in his heart, jumped up, and then fled into the distance!

He knew that as long as he returned to his home, no matter how powerful David was, there would be nothing he could do to him!

“Huh, you want to escape?”

David snorted coldly and immediately chased after him!

When it comes to playing with fire, David is really not afraid of this guy. After all, David now has the origin of fire, not to mention that he has more than one kind of ultimate fire in his body.

As for the fire-bending step that David was performing at this moment, the flames under his feet were something that no one in the world of heaven and earth could possess!

David's figure was looming, but in just the blink of an eye, he caught up with Na Mukui!

Immediately, David pointed his claw towards the void, and a huge suction force caused Na Mukui's figure to freeze in mid-air!

“Don't you like playing with fire? Then I'll let you taste the feeling of being roasted by fire...”

A ball of flame danced in the palm of David's hand, and then went straight to Na Mukui!

boom!

The surrounding area of Mukui's body instantly burst into flames.

Logically speaking, it is normal for Mukui to practice fire-based skills and have flames burning around his body!

But at this moment, the flames around Mukui's body seemed to have life, constantly penetrating through the skin and drilling into Mukui's body!

"Ah..."

A scream came from Na Mukui's mouth, and his body fell directly from the air!

"Friend Taoist, have mercy on me, Taoist friend, have mercy on me, I can return your soul to you!"

r> Mu Kui struggled desperately, but he couldn't get rid of David's extreme fire!

A seventh-level monk in the Tribulation Realm was beaten until he was begging for mercy from a third-level Tribulation Realm. It was a great spectacle!

David waved his hand, and the flames on Mu Kui disappeared instantly!

Looking at Mu Kui again, he was in an extremely embarrassed state, and he still looked like a young man!

David stretched out his hand and said, "Hand over your soul..."

Although Mu Kui was reluctant to give up, he still handed over the bag on his waist to David!

David opened the bag and took a look, and found that it was indeed Zhe Yan's soul, so he put the bag away!

"I gave my soul to you, can you let me go?"

Mukai asked cautiously!

"Let you go?" David snorted coldly. "You took away my friend's soul and almost killed him. Do you think I will let you go?" "I will kill you

today to save you from harming others. ...”

After David said that, he slapped Mu Kui with one palm!

Mu Kui was shocked, but under David’s palm, he found that he had no way to escape!

“Mr. Cheng, please show mercy...”

At this time, Elder Xia and his men hurriedly caught up!

David stopped, looked at Elder Xia and said, “Elder Xia, this guy caused trouble in Wantong Pavilion and almost killed my friend. Wouldn’t it be a good idea to kill him? Why did you stop me?” “

Mr. Cheng, I hope you can give me some help. ” Just to save my face, let me take him back to Wantong Pavilion to punish him, so as to scare others.”

Elder Xia said to David very politely!

Seeing that Elder Xia had said this, David could only nod his head in agreement!

Soon, David and the others flew back to Wantong Pavilion!

David opened the bag and released Zhe Yan’s soul. After the soul returned to his body, Zhe Yan immediately woke up!

Because of the soul-fixing bead, Zhe Yan is not a serious problem!

At this time, Zheng Jian, who was on the side, saw that Mu Kui was captured, his face became extremely ugly, but he still pretended to be calm!

Chapter 3703

“You guy, you almost killed Brother Yan, I’m going to kill you...”

Seeing Mu Kui being captured, Jiang Yulian became furious and wanted to kill him!

“Yulian, stop!”

Sect Leader Jiang stopped Jiang Yulian. After all, this guy is the son of the Mu family. If he really kills him, the Mu family will definitely not follow their Soul Demon Sect and let it go!

“Mr. Mu, our Soul Demon Sect has some friendship with your Mu family. Why are you attacking my Soul Demon Sect disciples?” “If you

don’t make it clear today, then our Soul Demon Sect will never be finished. I, the Soul Demon Sect, will never be finished.” Zong Ye is not one to be bullied.”

Sect Master Jiang looked at Mu Kui angrily and asked!

It’s impossible that Mu Kui doesn’t know someone from their Soul Demon Sect, and it’s impossible that it’s Jiang Yulian!

Now Mu Kui has taken action against Jiang Yulian, injured Jiang Yulian, and captured Zhe Yan’s soul. It is obvious that he does not take their Soul Demon Sect seriously!

Mu Kui felt the anger in Sect Master Jiang’s eyes. He knew that it would be difficult for him to escape if he didn’t explain clearly today, so he said, “Sect Master Jiang, in fact, this matter...”

“Master, don’t listen to his sophistry, just kill him.” Yeah...”

Zheng Jian panicked when he saw that Mu Kui was about to betray him, so he slapped Mu Kui with his palm, trying to kill him and silence him!

Fortunately, Elder Xia reacted quickly and stood directly in front of Na Mukui, blocking the blow!

“Zheng Jian, you are so bold, stand down!”

Seeing that Zheng Jian did not obey orders and dared to take action privately, Sect Master Jiang became angry!

When Mu Kui saw that Zheng Jian wanted to kill him, he was also furious. He immediately cursed, “Zheng Jian, you despicable villain, didn’t you tell me this?”

“Sect Master Jiang, it was you, my disciple, who found me. Then he asked me to do this. He said that there was a guy competing with him for his little junior sister, so he asked me to kill him.” “

I was just bewitched by him, and it was not really aimed at your Soul Demon Sect... ..”

Mu Kui simply said it all, after all, it’s already this time!

When Sect Leader Jiang heard this, he was stunned. He had never thought that Zheng Jian would do this!

Sect Master Jiang looked at Zheng Jian angrily. Zheng Jian suddenly panicked and knelt down in front of Sect Master Jiang!

“Master, I was wrong, I was wrong. I was my childhood sweetheart with my younger junior sister, but my love was snatched away by this Zhen Yan. I am unwilling to

accept it!” Zheng Jianyan’s body was trembling, and he kept admitting his mistake!

“Senior brother, you...why are you such a person? I have always treated you as a brother. I only have family affection for you, not love.”

Jiang Yulian also looked at Zheng Jian in disbelief!

Sect Leader Jiang gritted his teeth and looked at Zheng Jian coldly. He didn’t know what to say for a moment!

At this time, David on the side said, “When we were on the road, we met that Divine Doctor Liu who suddenly attacked us. You must have told them, right?”

After hearing what David said, Sect Leader Jiang suddenly realized, and half thought about it. On the way, after meeting Divine Doctor Liu, Zheng Jian said that he had a stomachache and wanted to go for a while, so he asked them to go first!

But when Zheng Jian caught up with him, he met Divine Doctor Liu and his people who stopped them!

During this period of time, it is very likely that Zheng Jian went to inform and reveal David's identity!

"Master, I was wrong, I was really wrong, please go around me this time!"

Zheng Jian desperately begged for mercy without refuting, proving that David's guess was right!

"You beast, you have ruined the reputation of my Soul Demon Sect, I will kill you..."

Sect Leader Jiang raised his hand and was about to slap Zheng Jian!

At this moment, Zheng Jian became crazy when he saw that Jiang Sect Master insisted on killing himself regardless of the relationship between master and disciple!

"Kill him, I'm not afraid, but before I die, I will tell everyone that Mr. Cheng's surname is not Cheng at all, his name is David, and he is David who was hunted by the Demon Sealing Alliance with a hundred-year reward."

"Whoever can." If you kill him or capture him and take him to the Demon Sealing Alliance, you can get a hundred years of worship from the Demon Sealing Alliance..."

Zheng Jian roared loudly, and his eyes looked at David angrily. If it weren't for David, Zhe Yan wouldn't be either. Will appear.

Chapter 3704

"Zheng Jian, you beast..."

Seeing that Zheng Jian had exposed David's true identity, Sect Master Jiang suddenly became angry and slapped him down without hesitation!

With this slap, Zheng Jian died instantly!

Seeing the dead Zheng Jian, Sect Master Jiang was stunned for a moment, with a mixed expression on his face. After all, he was the disciple he brought up, but now he died in his own hands!

Jiang Yulian looked at Zheng Jian's body and had mixed feelings. She didn't know what to do!

Zheng Jian's words also made many people around him look at David instantly!

Especially Elder Xia and that Mu Kui!

The two people looked at David in disbelief!

Mu Kui was filled with shock at this moment. He finally understood why David, who was in the third level of the Tribulation Realm, was able to face his seventh level of the Tribulation Realm with ease and was not afraid at all!

It turned out that he was the person who was ordered to kill by the Demon-Sealing Alliance with a hundred-year tribute. David must have some skills, otherwise the Demon-Sealing Alliance wouldn't have come up with the hundred-year tribute!

"Elder Xia, let's go to your house. Let me explain some things to you!"

Sect Leader Jiang knew that if many people knew David's identity while staying on this street, then David would be in danger!

Now he can only bet that Elder Xia will not do anything to David. After all, David just saved Elder Xia's daughter!

Elder Xia also understood what Sect Master Jiang meant, so he nodded, and then told his subordinates, "Watch this Mukui, don't let him run away..."

While instructing his subordinates, Elder Xia's eyes quietly glanced at him. One glance!

The subordinates immediately understood. For what Mu Kui did in Wantong Pavilion, Wantong Pavilion could only teach him a few words. If he really wanted to kill Mu Kui, Wantong Pavilion didn't want to cause trouble!

Even if David kills Mu Kui, it is estimated that the Mu family will still find trouble in Wantong Pavilion. After all, the cause of the incident is in Wantong Pavilion!

After Elder Xia brought Sect Leader Jiang and others back to his home, Mu Kui was released by the people from Wantong Pavilion!

“Elder Xia, I did deceive you. This is Mr. Chen Pingchen, the one who issued the killing order from the Demon Sealing Alliance. However, we did not hide it deliberately. After all, in this situation, if David’s identity is not hidden, Sir, he is very dangerous.”

Sect Master Jiang followed Elder Xia and said truthfully!

David also changed his aura at this moment and returned to his original appearance!

Elder Xia looked at David, looking up and down with curiosity in his eyes, so he asked David, “Mr. Chen, I really want to know what on earth you did to make the demon alliance give out a hundred-year offering.” Are you going to kill you?”

Although many people know that the Demon Sealing Alliance killed David, not many people know the specific reason for it!

Elder Xia was also very curious. Seeing as David had not reached the third level of the Tribulation Realm and was still very young, how could he provoke the Demon Sealing Alliance?

“It’s nothing, I just killed the son of the leader of the Demon Alliance...”

David said lightly!

“What?”

Elder Xia suddenly took a breath of air, “Isn’t this nothing? No wonder the Demon Sealing Alliance used such great force to kill you!” “

But don’t worry, I, Wantong Pavilion, don’t lack resources, so I I won’t do anything to you for the hundred years of worship from the Demon Sealing Alliance, not to mention that you saved my daughter.” “But you ca

n't stay in our Wantong Pavilion for long. After all, your identity has been exposed, and I believe many people are ready to take action against you. After all, there are many other monks in our Wantong Pavilion."

"I will take you to find out the news about Guanghai Palace now. Once you find out, please ask Mr. Chen to leave quickly!"

Elder Xia seemed to be doing it for Chen. Ping Hao, actually I don't want to cause trouble to Wantong Pavilion!

If everyone knew that David was in Wantong Pavilion, I believe many people would flock to Wantong Pavilion to take action against David. It would be very difficult for Elder Xia to do it then!

Full Read Online **Chapter 3705** of the novel **A Man Like None Other**

Chapter 3705

David and the others followed Elder Xia to Wantong Pavilion, a place specializing in selling news!

There were already a lot of people lined up here, and David and the others had to make an appointment until the afternoon, but because of Elder Xia, a few people got in easily!

"Elder Xia, why do you have time to come here..."

At this time, a member of Wantong Pavilion asked in surprise!

"I took a few friends to inquire about something. Is Elder Sun here?"

Elder Xia asked!

"Yes, it's in the back room!"

The Wantong Pavilion member nodded and said!

Elder Xia nodded slightly, and then led David and the others towards the back. The journey was smooth and no one dared to stop them!

David couldn't help but sigh, if it matters, it's easy to do things!

Elder Xia took David and the others into a room at the back, where they saw a thin, middle-aged man wearing coarse linen clothes, writing something!

Hearing someone coming in, the middle-aged man raised his head slightly, and then said in surprise, "Lao Xia, why do you have time to come to my place? Please sit down..."

The middle-aged man stood up quickly!

"Old Sun, I have a few friends who came over to inquire about something!"

Elder Xia said!

Only then did David realize that the middle-aged man in coarse linen clothes in front of him was actually the elder of Wantong Pavilion!

You must know that Wantong Pavilion is extremely rich, and as the elder of Wantong Pavilion, he is also wealthy, but the thin middle-aged man in front of him is wearing coarse linen clothes and looks like he is very poor!

Elder Sun looked at David and Sect Leader Jiang, then nodded and said, "If you have anything you want to ask, just ask. I dare not say anything about the entire heaven and human world, but in the entire Southern Territory, there is nothing I don't know."

"Mr. Chen, this is Elder Sun from our Wantong Pavilion who is responsible for collecting information. If you want to know, just ask!"

Elder Xia said to ChenPing said!

David nodded, and then asked Elder Sun, "Elder Sun, do you know about Guanghai Palace?"

"Of course I do. I heard that Guanghai Palace existed thousands of years ago, but then disappeared. It has only appeared in Tianmo Mountain in the past six months, and all the Guanghai Palace are female cultivators."

Elder Sun replied!

When David heard this, he immediately felt happy. He also heard the Saint of Guanghan Palace say that Guanghan Palace was destroyed by the demons back then. It seems that Elder Sun really knew!

“Elder Sun, I wonder if you can tell me where Guanghan Palace is. I want to go to Guanghan Palace...”

David asked excitedly!

“Are you going to Guanghan Palace?” Elder Sun looked at David, then smiled slightly and said, “Are you also going there because of its reputation? Since the appearance of Guanghan Palace, there have been constant rumors in the market about the female cultivators in Guanghan Palace. She looks like a fairy, and many young monks want to see her, hoping to find a Taoist partner.”

“Actually, they don’t know that true disciples in Guanghan Palace are not allowed to form Taoist partners, only the outer gate of Guanghan Palace Only disciples can form Taoist partners, but even so, many young monks have gone there.”

“Our Wantong Pavilion has also opened a channel to Guanghan Palace. There will be airships going to Guanghan Palace, but This trip is so popular that it has already been fully booked. If you want to go, you may have to wait for a few days.” After

hearing what Elder Sun said, David was stunned. He didn’t expect Guanghan Palace In just half a year, so many people knew about it!

But it’s normal to think about it. With so many female cultivators, and the fact that they are said to be as beautiful as immortals, of course many cultivators want to see it!

Even the monks in the world of heaven and humans can’t change their food and s3x habits!

This is nature!

“Elder Sun, since your airship is fully booked, you can tell me the location and I will go there by myself.”

David plans to go to Guanghan Palace by himself!

Full Read Online **Chapter 3706** of the novel **A Man Like None Other**

Chapter 3706

“My little fellow Taoist, Guanghan Palace is located in the extreme south of Tianmo Mountain. It is covered with snow all year round and the temperature is extremely cold. To go there, you have to pass through the deepest part of Tianmo Mountain. The journey is chaotic.”

” If you want to go alone, I’m afraid you will be killed if you don’t reach Guanghan Palace. There are many demon cultivators in the depths of Tianmo Mountain, and there are also many casual cultivators, which are not as safe as here.”

“Besides, you can only survive the tribulation. With a third-level cultivation level, let alone going deep into the Heavenly Demon Mountain, even if you are at the foot of the Heavenly Demon Mountain, you may die. You have to think clearly.” “

If Elder Xia hadn’t brought you here, I wouldn’t have followed you. Those who said this...”

Elder Sun persuaded David!

After hearing this, David frowned slightly. He didn’t expect that the southernmost point of the human world was also an extremely cold place. Just like the secular world, the Antarctic and North Pole of the secular world were covered with snow all year round, which could freeze people to death. Existence is just that the area of the heavenly and human world is many times that of the secular world. Chen

Ping also knows that there are many demon cultivators deep in Tianmo Mountain, and they are indeed dangerous, but he can’t wait here for a few days just to take the airship!

“Old Sun, to be honest, Mr. Chen has just cured my daughter and can be regarded as my daughter’s savior. Please clear up a seat on the airship!”

Elder Xia looked at David like this and said. !

When Elder Sun heard this, he was a little surprised and said, “Lao Xia, you said your daughter is fine, is she okay?” “

Well, it was Mr. Chen who did it!” Elder Xia nodded.

However, he did not tell David’s true identity. Although he could not deal with David for the centenary sacrifice of the Demon Sealing Alliance, he could not guarantee that others would do the same!

Elder Sun looked at David in disbelief, and his eyes clearly changed when he looked at David!

“Since you are the savior of Lao Xia’s daughter, I will make arrangements for you. There will be an airship heading to Guanghan Palace in a moment. You can follow me. I will personally be in charge of the airship heading to Guanghan Palace.”>

“After all, there are many dangers in the depths of Tianmo Mountain. Many demon cultivators are eyeing our airship in Wantong Pavilion. I must ensure the safety of the airship!”

Elder Sun said to David!

“Thank you, Elder Sun!” David quickly thanked him!

Elder Xia also stepped forward and patted Elder Sun on the shoulder and said, “Thank you, Old Sun. When you come back, come to my house for a drink.”

“Hahaha, definitely...”

Elder Sun laughed loudly!

“Mr. Chen, why don’t we go with you...”

Sect Leader Jiang approached David and whispered!

After all, the southernmost part of Tianmo Mountain is an extremely harsh place. It is covered with snow all year round and is very difficult!

“Yes, let’s go with you so that we can take care of you!”

Zhe Yan also said!

But David shook his head and said, "Sect Master Jiang, this journey has been troublesome enough for you. The Soul Demon Sect cannot be left alone to manage. I can just go by myself."

David spoke, then looked at Zhe Yan and said, "Zhe Yan, You have been with me for such a long time, and now your physical body has finally recovered and you can live a normal life. You are in agreement with Miss Jiang, so just stay in the Soul Demon Sect!" "

If there is a chance, we can still meet... .."

"Mr. Chen..."

Zhe Yan's tears came out all of a sudden, even though David destroyed Zhe Yan's body and imprisoned his soul in the sea of consciousness!

But Zhe Yan did not blame David. On the contrary, he was very grateful to David!

Following David during this time, Zhe Yan has indeed grown a lot!

Now, with the help of David, he has recovered his physical body, and his strength has also increased a lot. He has also found a Taoist couple to practice together. Zhe Yan is very lucky!

"How come a grown man is still crying!"

David patted Zhe Yan on the shoulder and said with a slight smile!

Full Read Online **Chapter 3707** of the novel **A Man Like None Other**

Chapter 3707

"Mr. Chen, if you can use me to get Zhe Yan, I will never give up."

"Can you give me some jade slips for sound transmission, so that I can contact you when I have something to do!"

Zhe Yan followed David. Said!

After all, things like the Sound Transmission Jade Slips are rare in the eyes of others, but in David's eyes, they are worthless!

He can easily refine many sound-transmitting jade slips!

"No problem!" David casually took out a dozen sound transmission jade slips from the storage ring and handed them to Zhe Yan!

Zhe Yan smiled and put away the jade slip of the sound transmission!

Seeing this scene, Sect Master Jiang and Elder Xia were stunned!

You must know that this sound transmission jade slip is the most convenient means of communication in the heaven and human world, but it is too expensive and cannot be used by ordinary monks!

But David took out more than a dozen sound-transmitting jade slips at once and gave them to others as if they were worthless!

"Mr. Chen, this... these sound transmission jade slips are very expensive. Why do you have so many?"

Sect Master Jiang asked in shock!

If Jiang Yulian and the others were being hunted at that time, if the jade slips were transmitted in the future, they could immediately notify Sect Master Jiang to lead people to rescue them!

It's just that they don't have jade slips for sound transmission. Let alone them, even the entire Soul Demon Sect doesn't have jade slips for sound transmission!

"I have a lot of these things. If Sect Master Jiang likes it, I'll give you some too!"

David said, taking out a dozen more jade slips for sound transmission and handing them to Sect Master Jiang!

Sect Master Jiang was stunned when he held the jade slip for transmitting messages!

Elder Xia and Elder Sun also looked on in shock. They couldn't figure out why David got so many jade slips for transmitting messages?

“Mr. Chen, I don’t know how many you can give me. I don’t want it in vain. Your consumption at Wantong Pavilion and the airship ride are all free of charge.” “

And you can take my token. There is free passage in Wantong Pavilion. As long as I, Wantong Pavilion, can go, you can go!”

Elder Xia Tentatively, he followed David and asked!

“Of course, I have a lot of these things!”

David directly gave Elder Xia a dozen jade slips for sound transmission.

Elder Sun on the side was licking his lips, his eyes full of envy!

If he has this thing, he can always contact his family when running outside!

After all, Elder Sun spends a lot of time outside, so communicating with his family is very troublesome!

But with the Jade Slip of Sound Transmission, you can contact us anytime and anywhere!

Seeing Elder Sun like that, David smiled, took out a dozen jade slips of sound transmission and said, “Elder Sun, I have to trouble you to take care of me along the way, so I will give you these jade slips of sound transmission!”

Sun The elder was immediately overjoyed. He nodded desperately while holding the sound transmission jade slip and said, “Don’t worry, Mr. Chen. I will arrange a first-class cabin for you with a room. You will have a room by yourself!” “

Mr. Chen, you...how on earth did you get here? ” There are so many jade slips for sound transmission? You must know that not many people can refine this thing, and it is expensive!”

Sect Master Jiang asked in confusion!

“Sect Master Jiang, Mr. Chen is a spell master. Not to mention low-level spells like the sound-transmitting jade slips, Mr. Chen can easily refine even high-level spells.”

Zhe Yan said with a smile!

“What?”

Sect Leader Jiang was stunned!

You must know that spell masters, formation masters, including pharmacists, are very rare in the world of gods and humans!

But he didn't expect that David could combine all these things into one person. Not only was he an array master, but he was also a medicine master and a spell master!

Isn't this too outrageous?

Moreover, David is at the third level of the Tribulation Realm, but he is not afraid of the seventh level of the Tribulation Realm. This kind of leapfrog fighting is rarely seen in the world of heaven and humans!

From this point of view, David is a genius among geniuses!

Elder Xia was also surprised. He saw with his own eyes that David recognized the Ten Thousand Souls Formation, broke the formation, and rescued his daughter's soul!

Now David is still a spell master, which is so shocking!

Full Read Online **Chapter 3708** of the novel **A Man Like None Other**

Chapter 3708

Soon, it's time for the airship to set off!

Elder Sun personally took David to the place where the airship was parked!

Zhe Yan bid farewell to David with tears. He also knew that after this farewell, he didn't know when he would be able to see David again!

With Elder Sun personally leading him, David walked directly onto the airship without anyone checking!

But David didn't pay attention. A pair of eyes secretly saw him boarding the airship and then left quickly.

"Master Mu, the guy named David has already boarded the airship heading to Guanghan Palace."

As soon as David boarded the airship, someone immediately reported it to Mu Kui!

Mukui had already left the Wantong Pavilion territory at this moment, with a gloomy look on his face!

Although Elder Xia of Wantong Pavilion deliberately let him go, Mu Kui was still dissatisfied!

What's more, David was killed by the Demon Sealing Alliance with a hundred years of tribute. If he could kill David, he would get a hundred years of worship from the Demon Sealing Alliance!

"I know..."

A sneer appeared at the corner of Mukui's mouth, and then disappeared quickly!

At this time, David was looking at the airship of Wantong Pavilion in shock. The airship of Wantong Pavilion was very large and could accommodate hundreds of monks!

Elder Sun led David all the way to the first class cabin, then opened a door and said, "Mr. Chen, you can rest here. I will provide personal service along the way. If Mr. Chen needs anything, just ask him." ."

Elder Sun was very polite. It seems that David's dozens of jade slips for transmitting messages were not given in vain!

"Thank you, Elder Sun!"

David said politely!

"Mr. Chen, you're welcome. Although I'm personally on duty along the way, it's still inevitable that someone will try to take advantage of this airship."

"If you hear any noise, just rest, Mr. Chen. I will take care of it,"

Elder Sun reminded . road!

It seems that Elder Sun often runs this route, so he is very confidence!

“Understood!” David nodded!

Even if Elder Sun doesn't tell, David will not show his face easily. If he meets someone who knows him, his identity will be exposed, which will be troublesome!

As soon as he arrives at Guanghan Palace and gets the Heavenly Demon Stone, David will leave immediately!

David locked the door, then carved a small formation and started practicing by himself!

The airship slowly took off, and then quickly headed towards the southernmost part of Tianmo Mountain!

David entered a state of cultivation and didn't know the passage of time!

I don't know how long it took, but the airship suddenly stopped. David didn't care. After all, Elder Sun also said that David didn't have to worry about anything!

At this time, around the airship, a dozen monks with powerful auras were surrounding the airship, each with a fierce look!

“Everyone, this is the airship of Wantong Pavilion. Please show your respect. If you need resources, I can give you a token. With the token, you can go to any branch of Wantong Pavilion to receive resources.”

Sun The elder jumped out of the airship, followed by a dozen Wantong Pavilion disciples behind him!

Going to Guanghan Palace is the most dangerous route, so every time we set out, Elder Sun will bring more disciples!

“Elder Sun, the resources we need today are not something your Wantong Pavilion can afford.”

A man with only one eye said with a sneer.

The man's aura surged, and his strength at the eighth level of the Tribulation Realm was clearly revealed!

The other people behind the man were all holding various treasures, and they were all at the fifth or sixth level of the Tribulation Realm!

Elder Sun frowned slightly. He was only at the eighth level of the Tribulation Realm. Most of the Wantong Pavilion disciples behind him were at the second or third level of the Tribulation Realm!

If there were a fight, they would have no chance of winning!

But if all the monks on the airship help, there may be hope of victory!

But will anyone help?

Chapter 3709

At this moment, many monks on the airship were terrified when they felt the cultivation of this group of people!

Most of the people in Guanghan Palace are young monks, just to catch a glimpse of the disciples of Guanghan Palace, and also to find Taoist companions!

Most of these young monks are not very strong, and most of them are in the second or third level of the Tribulation Realm!

Now suddenly encountering such a powerful monk blocking their way, these young monks are of course afraid!

“Fellow Taoist, since you dare to stop our Wantong Pavilion airship, you must also know the strength of our Wantong Pavilion. Do you think you can ignore our Wantong Pavilion?” Elder

Sun suppressed With the anger in his heart, he followed the other person and said!

It's better not to take action if you can. After all, these people have been operating deep in the Demon Mountain all year round. If they really form a deadly feud and the other party often harasses them, they will also bring a lot of unnecessary trouble to Wantong Pavilion!

"Elder Sun, I didn't say I would ignore you at Wantong Pavilion, but today I just want one person from Elder Sun. As long as you hand over this person, I can let you go without robbing you of any resources. "

The one-eyed monk said coldly!

"Who are they?" Elder Sun was stunned. He didn't expect that these guys were not blocking the road to steal money, but robbing people!

"A guy named David, hand him over!"

the one-eyed monk said!

"Mr. Chen?"

Elder Sun frowned, "Mr. Chen, does he have any grudge against you? Why are you looking for him?"

When the one-eyed monk heard this, he laughed and said, "Elder Sun, are you pretending to be confused, or do you really not know? Yeah, that David was the one who was ordered to be killed by the Demon Sealing Alliance with a hundred years of sacrifice. As long as I kill that David, I can go to the Demon Sealing Alliance to receive the reward." "

I don't think you don't know, you must want to monopolize the hundred-year offering from the Demon-Sealing Alliance?"

Elder Sun was stunned by the words of the one-eyed monk. He really didn't know about this!

At this moment, David, who was in the luxurious private room, also heard the words of the one-eyed monk, and his heart suddenly tightened. He did not expect the news that he would board the airship and go to Guanghan Palace. It was also known!

At the same time, there was a commotion on the airship, and many monks were shocked when they heard what the one-eyed monk said!

Many of them also knew about the killing order issued by the Demon Sealing Alliance, but they didn't know David, so even if David got on the airship, they didn't know!

But now that the one-eyed monk said that David was on the airship, these monks instantly exploded!

“Who is David, which one is David?”

A fifth-level monk in the Tribulation Realm, who was considered to be a powerful monk among the many young monks, stood up and asked loudly after a glance!

But no one dared to speak, after all, these people are not David!

“This David is worth a hundred years of worship from the Demon Sealing Alliance. He will definitely not sit with me. It is likely that he will be in the luxurious first class cabin.”

Someone said loudly!

“Yes, I saw Elder Sun personally taking him to the first class cabin. That must be the guy named David.”

Someone else said!

Upon hearing this, the fifth-level cultivator in the Tribulation Realm rushed towards the first-class cabin without hesitation!

Now Elder Sun led everyone outside the airship. There was no one in charge of the airship. The fifth-level monk in the Tribulation Realm quickly arrived at the first-class cabin. He was about to kick open the door, but found that the door opened by itself!

David walked out of the first-class room, and then looked coldly at the fifth-level monk in the Tribulation Realm!

This guy was so excited when he saw that David was only at the third level of Tribulation Realm!

He kills David now, and the hundred-year enshrinement of the Demon Sealing Alliance is his!

“Your name is David?”

the monk asked David!

“Yes!” David nodded!

When the fifth-level cultivator in the Tribulation Realm heard this, he was very happy. Just as he was about to attack David, he heard someone say, “This guy must be a fake. With a third-level cultivation in the Tribulation Realm, how could the Demon-Sealing Alliance use hundreds of years of sacrifices to pursue him?” Kill him!”

“Just send a few people to kill this guy. Are you going to issue a killing order with a hundred years of sacrifice as a reward?”

Chapter 3710

When the fifth-level cultivator in the Tribulation Realm heard this, he felt that this was also true, so he frowned slightly and said, “Are you the David who was enshrined by the Demon Sealed Alliance for hundreds of years and issued a killing order?”

“Yes, it’s me, kill him. I can get the hundred-year tribute from the Demon-Sealing Alliance!”

David nodded and admitted without hesitation!

At this time, everyone was confused and didn’t understand how David dared to admit it?

Doesn’t he know that if he admits it, he will die?

He is only at the third level of the Tribulation Realm. There are many people present who can kill him!

“Okay, since you admit it, don’t blame me. You would rather kill by mistake than let it go!”

Seeing David's admission, the fifth-level cultivator in the Tribulation Realm didn't hesitate anymore and took action directly!

I saw this guy slapping David with one palm!

The gap between the two realms, in his opinion, only requires one palm to kill David on the spot!

But just when this guy slapped his palm, David also moved!

David also slapped him out!

But David is faster!

Snapped!

With one slap, the fifth-level cultivator in the Tribulation Realm was instantly thrown away, and then he fell heavily in front of everyone!

Then he vomited blood and lost his breath!

With the death, a ray of soul from the monk's body slowly came out, trying to escape from the airship!

David flicked his finger, and a burst of fire instantly ignited the monk's soul!

Amidst the shrill screams, the monk's soul was burned to pieces!

The body dies, and the soul is burned to the ground!

There is no chance of survival anymore!

On the airship, all the monks looked at David in shock, dumbfounded.

They never expected that David, a third-level monk in the Tribulation Realm, would slap a fifth-level monk in the Tribulation Realm to death!

Is this too outrageous?

David glanced at everyone, and then said with an indifferent expression, "Who else wants the hundred-year enshrinement of the Demon Sealing Alliance? You can take action now!"

Facing David's cold eyes, many people lowered their heads. .

They finally understood why David only had a third-level cultivation in the Tribulation Realm, but the Demon Sealing Alliance was offering a hundred-year offering as a reward!

David saw that many monks on the airship were restrained by him, so he walked towards the outside of the airship!

Since these people are here to find him, David will always have to face them!

But relying on Elder Sun and the others, I am afraid they are no match for these people!

Outside the airship, the one-eyed monk had lost his patience and said coldly to Elder Sun, "Hand over the people. If you don't call them out, I will kill everyone."

"You Wantong Pavilion can't protect the passengers. It's safe, let's see if anyone else is on your Wantong Pavilion's airship..."

As the one-eyed monk spoke, a murderous aura continued to fill the air, and the pressure on his body shook even more!

More than a dozen demon cultivators, all with killing looks on their faces, are ready to take action at any time!

The young monks on the airship felt this murderous aura and were all sweating. They wanted to go to Guanghan Palace to be cool, but they were about to die on the way!

"Fellow Taoist, do you really want to fight to the death? If we really fight, you won't be able to take advantage."

Elder Sun said with cold eyes!

Although Elder Sun was surprised when he learned David's identity, there was no way he would hand David over!

Not to mention that David gave him more than a dozen jade slips for transmitting messages and also saved Elder Xia's daughter!

Even if David was an ordinary passenger of this airship, Elder Sun would not be able to hand him over!

If it is handed over, how will Wantong Pavilion do business in the future?

“Elder Sun, you are the one who wants to defeat the enemy. I just asked you to hand over David. Why are you so reluctant to do so?” “Are you

also spying on the Demon-Sealing Alliance’s century-old offerings?”

the one-eyed monk asked. !
