Chapter 3756

Shen Jizi has now truly seen how terrifying David is. The arrow just shot would be difficult for even the ninth level of the Tribulation Realm to resist!

Shenjizi looked at David with a bit of horror in his eyes!

He didn't know if he had received so much money from David, would David want the money back in such a deserted place?

If David wants to go back now, Shenjizi probably won't even dare to fart!

David glanced at the dumbfounded Shenjizi, smiled lightly and said, "After accepting my money, you have to help me work. Come over and help dig..." "

Okay, okay..."

Shenjizi quickly got up, and then helped Chen Start digging down!

Waves of heat continued to pour out from where they were digging!

While David was digging with Shen Jizi, in a courtyard in Nanju City, Mu Yao was in a state of embarrassment and was cursing angrily!

"Bad boy, if I touch you, I will definitely cut you into pieces."

Mu Yao's body was burned to pieces by the fire, and his face was black!

"Uncle Mu, the eldest lady is here and has been waiting for you for a long time."

At this time, a young man from the Mu family stepped forward and whispered!

When Mu Yao heard this, he hurriedly walked towards the living room without even having time to change his clothes!

In the living room, Mukui's aunt was sitting upright with a grim expression.

“Miss...”

Upon seeing this, Mu Yao hurriedly stepped forward to salute!

Aunt Mu Kui glanced at Mu Yao’s embarrassed appearance and frowned involuntarily.

“Mu Yao, what have you done? Are you in such a mess?” “I

asked you to lead the team here this time because I have something to entrust you with. Look at your appearance now?”

Aunt Mu Kui asked sharply. !

Although Mu Yao is over sixty years old and very old, he is just a collateral member of the Mu family and has no status, so he is called by his first name and yelled at!

You know, in the family there are onlyOnly those who are directly connected can assume the position of head of the family and have a high status in the family!

Some of the more distant collateral lines are not even as high as the steward!

After being scolded, Mu Yao only dared to lower his head, and then told him everything that happened to him!

When Aunt Mu Kui heard that Mu Yao was in such a mess by a third-level monk in the Tribulation Realm, and that the other party could reach the source of fire, her eyes instantly narrowed!

Because she knew that David’s strength was the third level of the Tribulation Realm, and he also had the ultimate fire source. David used the ultimate fire source to break her ice-sealing technique at that time.

“The young man you met is the guy who killed Kuier. His name is David, and he is also the person who was killed by the Demon Sealing Alliance with a hundred years of sacrifice.”

Aunt Mu Kui said through gritted teeth!

“What? It’s him?” Mu Yao was stunned. “The eldest lady came here to kill that guy, right?”

“Yes, but you must keep it a secret. After all, this guy has been worshiped and killed by the Demon Sealing Alliance for hundreds of years. Man, if other people know his identity, someone will definitely fight with us.” “

In addition, Guanghan Palace is protecting that guy and falling out with our Mu family, so we have to give Guanghan Palace some color. .”

“On this trip to the polar regions, in addition to killing David, you also need to find the polar resources in Guanghan Palace first, and if you see the disciples of Guanghan Palace, kill them without mercy...”

Aunt Mu Kui is Guanghan. The elders of the palace have issued a killing order to the disciples of Guanghan Palace at this moment!

“Don’t worry, Miss, I know what to do!”

Mu Yao assured, patting his chest!

“Go and change your clothes quickly, you are really embarrassing our Mu family!”

After saying that, Aunt Mu Kui left!

David on the other side is still digging hard with Shen Jizi!

“It’s appeared, it’s appeared...”

Demon Lord Chiyun roared excitedly!

David also saw that several meters deep underground, a skull was placed quietly!

Chapter 3757

The skull has also become jade, showing a transparent shape, and the skull emits a lot of heat waves!

The reason why the snow here melts is because of this skull!

Looking at the skull in front of him, David couldn't imagine that it belonged to the great demon Lord Chiyun!

Picking up the skull, a breath instantly poured into David's sea of consciousness, and Demon Lord Chiyun almost jumped with excitement!

"I remembered something..."

Demon Lord Chiyun actually flew out of David's sea of consciousness!

When David saw this, he was shocked. The remnant soul of Demon Lord Chiyun could still survive in his own sea of consciousness. If he left it, it would probably disappear soon!

And the magic machine was shocked when he saw a remnant soul suddenly flying out of David's body!

"Senior, you are in danger!"

David quickly reminded! Demon

Lord Chiyun did not speak, but took his own skull!

From the skull, faint rays of light continued to interweave with the remnant soul of Demon Lord Chiyun!

After a while, Demon Lord Chiyun showed a painful expression, and then returned to David's sea of consciousness!

Shen Jizi stared at everything blankly, not daring to say a word!

"Senior, what did you remember?"

David asked quickly!

"This mountain range is my burial place, and my body is buried under the entire Heavenly Demon Mountain."

Demon Lord Chiyun said with dull eyes!

"This..."

David didn't know what to say. This Heavenly Demon Mountain is the largest mountain range in the entire Heavenly Realm, running through the entire Southern Territory.

And the body of Demon Lord Chiyun was buried in such a large mountain range.

This is harder than finding a needle in a haystack!

How to find it?

“Senior, do you know who killed you, buried you in the Demonic Mountain, and trapped your remnant soul here?”

David asked!

The person who can kill Demon Lord Chiyun, dismember his body and bury it in Heavenly Demon Mountain, and suppress his soul in Heavenly Demon Mountain, it must be very powerful!

Demon Lord Chiyun shook his head, “I don't know, my memory is still very vague now, but sooner or later I will know, and sooner or later I will take revenge.”

Demon Lord Chiyun began to have murderous intent in his eyes!

This proves that he is slowly recovering his memory!

“Senior, now I only have your hand bones and skull. It may be difficult to be reborn. If there are opportunities and clues, I will find other bones for you.”
David

said to Demon Lord Chiyun!

For Demon Lord Chiyun, David can only serve carefully. If this guy is really reborn, he may be David's most powerful backer!

“Boy, you are serious. If I can really be reborn, I can ensure that you are free in heaven!”

Demon Lord Chiyun said very gratefully!

When David heard this, he knew that this guy was bragging!

There are so many masters in the heavens, and there are still many heavens in the sky, and Demon Lord Chiyun is only in the ninth heaven!

If he was really awesome, he wouldn't be killed and dismembered to suppress him!

But being invincible in the world of gods and humans and helping him ascend would be great for David!

After leaving Xuexi Valley, David is going back to Guanghai Palace!

Shen Jizi's mission has been completed, and he will continue to make money in Nanju City!

"Fellow Taoist, although I don't know your identity, but with those magical weapons you carry, I can be sure that you are definitely not an ordinary monk." "

I have twenty purple gold spiritual coins here. I'll give them all to you. From now on, everything I do is considered helping, and I also want to make you a friend!"

Shen Jizi is not stupid, he is always afraid that he has stolen David's money, and David will take revenge!

What's more, it's worth spending this little money to make friends with people like David!

Looking at Shen Jizi's appearance, David knew that this guy was scared after seeing what he was capable of!

"Take the money, you deserve it, and I won't trouble you for this little money."
"Maybe I will bother you

again after a while. After all, you are more familiar with this place!"

David said with a faint smile!

Chapter 3758

When Shenjizi heard this, he quickly put away the spirit coins, and then said with a smile, "No problem, I am most familiar with this area. If you let me lead the way, I will definitely do it for free!" After

bidding farewell to Shenjizi, David returned to Guangzhou. Cold palace!

It was already late at night. David originally wanted to go back to his room to rest, but he didn't expect that the master of Guanghan Palace was already waiting for him!

"Mr. Chen, is there something wrong with you coming back so late?" "If you are going to solve a need, I have said that I, the disciple of Guanghan Palace, can choose for you, so you don't have to be embarrassed

!"

The Lord asked David!

When David heard this, he quickly explained, "Palace Master misunderstood, I just went to Nanjing City to purchase some things."

"Since the trip to the polar regions is dangerous, we must prepare in advance."

"How did Mr. Chen gain?" the palace owner asked!

"Not bad, the things I bought should be useful on the road."

David said!

"Then I won't disturb your rest, but you must remember that in the most dangerous time, you must ensure your own safety and escape. You can ignore those saints." "

I will also ask them to cooperate with you as much as possible. Saints are arrogant, so sometimes what they say is not pleasant to the ears, so don't worry about it, Mr. Chen."

The palace master said to David!

"I understand, I won't care!"

David smiled lightly!

“That’s good!” The palace master left!

David returned to his room, then took out the black tortoise shell and carved formation patterns on it!

Carving formation patterns in such a small place takes the most energy and energy!

It took a whole night for David to finish carving more than a dozen black tortoise shells!

The black tortoise shell, coupled with the formation patterns carved by David, is enough to withstand attacks from the eighth level and above of the Tribulation Realm!

For these saints of the sixth level of Tribulation Realm, self-defense is enough!

Putting away the tortoise shell, David took a long breath. After feeling turbid, he got up and went to find the Palace Master of Guanghan Palace!

He wants the palace master to take him to the place where the saints practice and give them these black tortoise shells!

At this time, the palace owner was sitting in a courtyard, with the cold air surrounding her constantly surrounding her.

The temperature here is extremely cold, but the palace owner is wearing a gauze skirt, which is as thin as cicada wings and very transparent!

Maybe he forgot about David’s existence and felt that there were only female disciples in Guanghan Palace, so the palace owner just sat in the courtyard to practice!

When David came to the Palace Master’s courtyard and saw the Palace Master in a see-through outfit, David was stunned for a moment!

He didn’t expect that the palace master would dress like this when he was practicing!

At this moment, David didn’t know what to do!

Should I leave or stay here?

Although David tried his best to dodge his eyes, David's eyes seemed to be disobedient and always glanced at him inadvertently!

The palace master also noticed that someone was spying on him, he suddenly opened his eyes, and a cold light came out!

When David saw this, he quickly dodged and was not hit!

"Mr. Chen..."

The palace owner was stunned when he saw it was David!

David was also embarrassed and did not dare to look directly at the palace master. He hurriedly said, "I want to ask the palace master to take me to the place where the saints practice."

"Okay!" The palace master nodded, and then went back to the room to change. A whole suit of clothes!

When the palace owner changed her clothes, she found that David's face was red, as if he had a fever!

Seeing David like this, the palace owner covered her mouth and smiled. Of course she knew why David was like this!

"Mr. Chen, you have saved my life. Normally, if you want it, I should give it to you. It's a pity that I am now responsible for the mission of Guanghai Palace and cannot practice dual cultivation with Mr. Chen until I pass on the position of Palace Master to the next generation. As a saint, I can be at Mr. Chen's disposal."

The palace owner said calmly to David!

"Palace Master misunderstood, I didn't mean that, let's leave quickly..."

David blushed and walked quickly towards the back hill of Guanghai Palace!

Chapter 3759

The palace master took David to the space where the saints practiced again!

As soon as I entered, I heard bursts of yelling and the sound of explosions in the void!

These are the saints sparring with each other!

Only in this way can these saints achieve the greatest tacit understanding!

Tomorrow we will set out for the Pole. As for how many of these saints will be able to come back alive, no one knows!

“Everyone stop!”

the palace master shouted, and soon more than a dozen saints appeared from everywhere!

“Palace Master, I am training hard with my sisters. On this trip to the polar regions, we will not disgrace our mission and will definitely help our Guanghan Palace find resources.” Binglu

stepped forward, Said to the Palace Master of Guanghan Palace!

“You have worked hard. We will set off tomorrow. You have been practicing hard today, but it is not of much use. You might as well relax.” “

You can leave this space today and go outside for a walk.”

The palace master said!

Upon hearing this, the saints were very happy. After all, they have been here for several months and have never gone out!

“Thank you, Palace Master!” the saints said in unison!

“Mr. Chen came here today to bring you gifts.”

After the palace owner said that, he glanced at David!

And those saints all looked at David, but there was not much happiness in their eyes. On the contrary, their contempt for David became even greater!

They thought David gave them gifts to bribe them so that they would be obedient along the way!

David ignored the gazes of these saints and took out the refined black tortoise shell.

The black tortoise shell exudes a faint light, and formation patterns appear and disappear!

“Black tortoise shell?”

Binglu looked shocked!

You must know that this black tortoise shell is extremely hard and can be used as a shield!

Especially the formation patterns carved on the black tortoise shell, That’s even harder!

“Yes, I bought these black tortoise shells from Nanjing City. I carved formation patterns on them overnight. Each of you will take one with you.” “

In times of crisis, these black tortoise shells can be used to save your life. There is no problem in resisting a blow from an eighth-grade monk or above.”

After David finished speaking, he waved his hand, and more than a dozen black tortoise shells accurately fell into the hands of these saints!

When they heard that the formation patterns on the black tortoise shell were carved by David himself, the faces of the saints were filled with disbelief and a bit of confusion!

You must know that an array master is very rare in the world of heaven and man, especially an array master who can carve array patterns on this kind of tortoise shell!

No matter how David looked at it, it didn’t look like he was a high-level formation master!

David also saw the doubts of these saints, and smiled lightly and said, “Are you questioning the hardness of the tortoise shell?”

The saints did not speak, but they were indeed worried. After all, the formation patterns were carved by David. If the formation is not advanced, the Black Tortoise Armor alone cannot withstand a blow from a cultivator of level 8 or above in the Tribulation Realm!

David glanced at the Palace Master of Guanghai Palace, who nodded. She understood what David meant!

David then threw the remaining black tortoise shell in his hand into the air, and the palace master waved his sleeves!

A cold light came instantly!

With just one wave at any time, the aura that burst out was as strong as the ninth level of the Tribulation Realm!

The cold light suddenly hit the black tortoise shell!

The black tortoise shell shone with dazzling light, and the formation patterns carved on it activated, and the black tortoise shell also became huge at this moment!

boom!

The cold light suddenly disappeared, and the formation patterns on the black tortoise shell slowly shattered, and then the black tortoise shell fell to the ground!

On the black tortoise shell, cracks began to spread!

Then it fell apart!

The saints couldn't help but be shocked when they saw this scene in front of them!

This black tortoise shell combined with the formation patterns can withstand a blow from a ninth-level monk in the Tribulation Realm!

Chapter 3760

Although the black tortoise shell could only withstand it once before being damaged, it could save their lives just this once!

At this moment, these saints were looking at David with a little more admiration in their eyes!

Although David is only at the third level of the Tribulation Realm, he is an array master. In the world of gods and humans, array masters are as respected as pharmacists!

Precisely because David is a formation master, his level is not too high. After all, he spends most of his energy on carving formations!

“Thank you, Mr. Chen. We will obey the palace master’s order and protect Mr. Chen’s safety along the way.”

Binglu took the initiative and saluted David!

After all, if someone gave such a valuable thing, it would be hard for these saints to fight against David!

Listening to Binglu’s words, David smiled faintly, “You just need to protect yourselves first. If possible, I will try my best to bring you all back!”

David’s words made him feel a little confused just now. Grateful for the ice dew, my face suddenly turned cold!

The other saints also looked at David unconvinced!

“You mean, you alone are stronger than a dozen of us?”

Binglu asked David!

David didn’t say anything, but the Palace Master of Guanghai Palace said, “Yes, Mr. Chen’s strength is such that a dozen of you can’t hurt him at all. You just need to be obedient along the way.” “

Follow me now. Go out and relax...” After

the Palace Master of Guanghai Palace finished speaking, he turned around and walked out!

Although these saints were unconvinced, no one dared to refute the palace master!

David just smiled and didn't say anything!

After leaving, more than a dozen saints all went down the mountain together and went to Nanjing City to play!

Tomorrow's trip to the polar regions is uncertain, so have fun today!

David went to his room to rest. Carving the formation patterns all night was a huge drain on him!

He must return to his best condition as soon as possible!

When David opened his eyes, the moonlight had already shone in, and it was already dark. It's dark!

But the white snow reflects the moonlight, making it look like day outside!

David walked out of the room and felt the cold wind blowing by, feeling very comfortable!

An ordinary person would not be able to stay in this kind of environment and weather for a whole day, but for monks like David, the severe cold is not that terrible!

David jumped up and sat on the roof!

He saw a graceful figure in the palace owner's courtyard!

That's the palace master, holding a long sword in his hand and practicing!

The moonlight shone on her body, and the gauze was light and transparent, making David dumbfounded!

The palace owner also felt that someone was watching. She knew who it was, so she didn't care!

David felt his nose feel hot, and then a few drops of nosebleeds fell on the white snow!

"Don't hear what's inappropriate, don't see what's inappropriate..."

David quickly turned around and recited the Pure Heart Mantra!

What a joke, he always felt like the palace owner was seducing him!

After reciting the Heart Purifying Mantra several times, David's heart calmed down!

Watch the moon change its direction as time goes by!

David fell into deep thought!

“What is the origin of time...”

When he was in the Ji family, the ancestor of the Ji family passed down the Immortal Finger to David, who needed to understand the origin of time.

There are also firebending steps, which are also needed!

Although David now has some understanding of time and can even use fire-bending steps, he still has a long way to go before he can completely condense the origin of time into the stars!

David stared blankly at the moonlight, completely lost in thought!

At this time, the saint who came back from Nanjing City also rushed back to Guanghan Palace!

“Sister Binglu, I had so much fun today. I haven't been this happy for a long time.” “

Yes, I also ate a lot of delicious food.”

“Nanjing City is much more lively than before!”

said the saints one by one. Something to laugh about!
