Chapter 3856

But Mu Naiyi heard it, raised the corner of his mouth, and said with disdain, “Boy, are you sure that I am the one who died?”

It turned out that David’s words were not wrong, but he was sure. Munayi must die today!

“Not only am I sure that you will die, but you will also die miserably.”

David said with confidence!

“Arrogant...” After Mu Nayi said this, a cloud of white mist suddenly erupted from his body!

The surrounding air instantly dropped to freezing point, and the surrounding space seemed to freeze, making it impossible to breathe! When

everyone saw this, they hurriedly backed away again, leaving a large enough distance!

After all, this is a duel at the peak of the Tribulation Realm. If one of them is affected, it will be fatal.

Mu Yao took the Mu family and backed away while suppressing Binglu and others!

“Come on...”

David hooked his hand towards Mu Nayi!

Mu Nayi was already very angry at this moment!

In front of so many people, she, a cultivator at the peak of the Tribulation Realm, was so provoked by a fourth-level Tribulation Realm cultivator!

“Boy, you are really looking for death!”

“I will let you know that in the face of absolute strength, no matter how many skills you have, it is useless.”

Mu Nayi said, the aura in his body continued to increase!

Binglu and others watched nervously, they were afraid that David was no match for Mu Nayi!

Even Mu Yao was feeling anxious at the moment. He didn't know why, but he was always worried!

Ordinarily, Munayi's strength at the peak of the Tribulation Realm cannot be lost to David!

But he is worried!

Whoosh!

Suddenly, Mu Naiyi moved. She couldn't bear it anymore. She immediately exploded a stream of spiritual energy, then jumped up and waved her hand, causing a surging cold wave!

When David saw this, flames burned around his body, and the intense flames swept across him!

David did not use the extremely cold ice flame because it was his trump card. Use it when you least expect it!

David uses fire to fight against Mu Naiyi's cold air!

In just an instant, the two of them had already fought more than ten times!

If this were in Guanghai Palace, Mu Naiyi would have frozen David with one palm. But now that they have fought for more than ten times, David has not been affected by the cold wave!

“Everything is frozen...”

Mu Naiyi was a little anxious at this moment. As a monk at the peak of the Tribulation Realm, she had fought against each other more than ten times without taking any advantage. This was unacceptable to her!

A ray of cold mist condensed into a huge white bear. The white bear breathed out cold mist and froze everything around it.

“Thunder Palm...”

David swung out his palm, and lightning and thunder exploded in the sky. Thunder and lightning struck down one after another, which was comparable to a thunder disaster!

And the thunder and lightning were actually mixed with flames!

This palm slapped on the white bear instantly made the white bear disappear!

Mu Nayi gritted her teeth, and a white light suddenly surged behind her!

As Mu Naiyi shouted loudly, the white cold mist turned into a sea of mist that covered the sky, and David was instantly submerged in it!

This cold wave spread to the surroundings, making everyone around them feel the coldness, and had no choice but to use their spiritual power to block it!

“What a terrifying power. It seems that the Mu family is really powerful.”

“The fire of the men of the Mu family and the frost of the women seem to be extraordinary.”

“No wonder the Mu family is developing so fast in this area!”

Ouyang Zhenhua felt the power of Mu Naiyi’s cold wave and couldn’t help but sigh!

There really aren’t many families like the Mu family that practice dual cultivation. Many families only practice one kind of technique!

Ouyang Zhenhua knew that he couldn’t resist this cold wave, but he didn’t know if David could resist it!

After all, David has just been promoted to the fourth level of the Tribulation Realm. Can he really withstand the terrifying attack at the peak of the Tribulation Realm?

At this time, Mu Nayi was floating above the large cold wave with an expressionless face, looking coldly at her feet!

Full Read Online **Chapter 3857** of the novel **A Man Like None Other** for free.

Chapter 3857

At this moment, under the cold wave, a spot of light continued to grow larger, and then broke out of the cold wave!

David's body erupted with fierce fire, and the surrounding temperature continued to rise under the fire!

“Holy Light Fist...”

David punched out fiercely, and the wind of the fist roared towards Mu Nayi with fierce flames! Boom

!

Unexpectedly, the fist light was filled with flames, like a meteor shower, and it hit Mu Nayi!

Mu Naiyi snorted coldly, raised his hands, and the cold wave under his feet instantly rose to the sky, forming a huge shield in front of Mu Naiyi!

And on top of this huge shield, there are whirlpools that seem to be swallowing everything!

David's fist light was actually sucked in by these whirlpools!

Immediately afterwards, the fist light was mixed with fierce flames, and was frozen one after another in the cold wave, and huge pieces of ice fell from the cold wave!

But just when the huge pieces of ice fell, they suddenly changed direction and smashed towards David from the bottom up!

When David saw this, he hurriedly waved his fists and punched the ice!

The ice cubes shattered, but the fragments were still coming towards David like cannonballs!

David once again shot out a series of extreme fires, causing the ice cubes to pass through the flames and evaporate instantly!

But just when David relaxed a little, he felt a dangerous breath coming from above his head!

David felt alert and stepped back suddenly!

Mu Nayi looked at David with a sneer and said, "It's too late..."

The next moment, a huge ice block suddenly appeared above David's head, as if it suddenly fell from the void!

David had no time to escape and was directly hit by the huge ice block!

The body fell directly to the ground!

The ice cubes also crashed down, creating a huge deep pit!

David's body was directly embedded in the ice!

Mu Naiyi put his hands against the huge ice block, and the cold mist was still moving towards the ice block.Go!

"Mr. Chen..."

Seeing this scene, Binglu and others were all shocked!

Mu Yao finally smiled and breathed a sigh of relief!

When Ouyang Zhenhua and others saw this scene, they kept shaking their heads!

"After all, the disparity in strength is too great. How can the fourth level of the Tribulation Realm be compared with the peak level of the Tribulation Realm?"

"Hey, if given more time, I believe he will definitely become a famous genius in the heaven and human world. It's a pity, it's a pity... .."

Ouyang Zhenhua's face was full of regret!

David is talented and very smart. He only needs time to become the leader of the world of heaven and humans!

It's a pity that it has been exterminated now!

David was frozen in a huge block of ice, as if he had lost his life and was motionless!

Mu Nayi was not careless, but still exuded bursts of cold mist from his hands!

This guy David makes Mu Naiyi dare not relax!

Just when Mu Naiyi was freezing David, no one noticed that there was also an inaudible aura spreading out from David's body!

This breath came from the inside out, turning the huge ice cube into milky white!

Mu Nayi looked at the ice cubes that were gradually changing in front of her. Although she was confused, she did not let go!

She had to kill him with one blow, and she couldn't let David have any hope of living!

Mu Nayi is still emitting cold mist!

But soon, she suddenly felt some discomfort in her hands!

She originally practiced ice-based skills, and it was impossible for her to be cold!

But now, Mu Nayi always feels as if her hands are freezing!

"Could it be that my power exploded too quickly?"

Mu Nayi looked confused!

Because she has never been in this situation before, this is the first time!

Just when Munayi was confused, she discovered that her hands began to form frost, and the frost spread very quickly, and her entire arm was about to be frozen!

Chapter 3858

Munaiyi was shocked and quickly raised his arms, but the frost on his arms did not disappear!

Mu Naiyi panicked. She was practicing ice-based skills. She was immune to this kind of cold air. How could she be frozen?

Just when Mu Naiyi was at a loss, the huge ice block began to crack, and finally completely shattered!

David's figure also soared into the sky!

"Holy Light Fist..."

David's whole body was emitting golden light, and he looked like a great golden immortal. The huge shadow of his fist came straight towards Mu Naiyi!

Munaiyi was shocked and instinctively wanted to stop him, but his arms were frozen and he couldn't use the technique at all!

boom!

This punch knocked Mu Naiyi to the ground!

"I'll make you awesome, I'll make you awesome..." Chen

Ping was suspended in the air, with a golden fist mark, and punched Mu Naiyi's body!

The entire sect trembled, and Mu Naiyi roared angrily!

"Mr. Chen, you're so awesome..."

Seeing this scene, Binglu and others shouted happily!

Ouyang Zhenhua and others had shocked faces and said in disbelief, "That's awesome. He's at the fourth level of the Tribulation Realm. He's riding on the peak of the Tribulation Realm and beating him violently?" "What kind of boxing is this? It looks

very impressive!"

Everyone was shocked and unbelievable. They didn't understand how David, who was in the fourth level of the Tribulation Realm, had such terrifying strength!

Mu Yao and the Mu family were all dumbfounded when they saw Mu Nayi being punched to the ground!

Just now, I was secretly happy that David was no match for Mu Nayi, but in the blink of an eye, the situation had reversed!

They really couldn't believe that David was still alive in the big ice of the cold wave.

At this moment, Mu Naiyi's body had already been smashed into the ground, but David did not relax at all, and punches continued to hit him!

Mu Nayi's clothes were already in tatters!

As the eldest daughter of the Mu family, she is now being beaten. Forget it, all the clothes were in tatters and all was gone, which Mu Nayi simply couldn't bear!

"Ah..."

Mu Nayi's face turned red and she roared like a beast!

Immediately afterwards, waves of white cold mist erupted from Mu Nayi's body, wrapping her body!

She couldn't let anyone just expose her!

This kind of humiliation is worse than killing her!

"I want you to die, I definitely want you to die..."

Mu Naiyi roared angrily, she wished she could eat David alive!

"Damn it, you still dare to scream..."

David's face was cold, and his palms suddenly unleashed an endless storm!

The storm surged and blew away the white cold mist that covered Mu Naiyi's body!

This time, Mu Nayi was exposed to everyone!

“Close your eyes, close your eyes...”

Seeing this, Mu Yao quickly asked everyone in the Mu family to close their eyes.

But he secretly opened his eyes to take a peek from time to time. After all, the eldest daughter of the Mu family was very noble, and Mu Yao didn't have the opportunity to take a second look at her!

Binglu and the others burst out laughing, their faces full of jokes!

This Munaiyi killed so many of their sisters, and he deserves to be treated like this!

The other monks didn't care. They all opened their eyes wide and began to discuss it critically!

“As expected of the eldest lady of the Mu family, her skin is so good.”

“Look at how white it is. Maybe it's because of practicing ice-type skills. The whole skin is crystal clear.”

“This time, it's really not in vain, even if it's not. What kind of treasure can I get, and I can appreciate the figure of the eldest daughter of the Mu family, and I will die without regrets.”

Mu Naiyi trembled, and all the people's comments reached her ears!

David looked at Mu Nayi with a sneer without blinking!

Here in David, there is no pity, only a strong murderous intention!

Mu Nayi killed so many saints, David wants to avenge them!

Full Read Online **Chapter 3859** of the novel **A Man Like None Other** for free.

Chapter 3859

What's more, those saints have all suffered humiliation, and David wants to let Mu Naiyi taste the humiliation!

“Ah...”

Mu Naiyi was going crazy, roaring loudly, and suddenly slapped her forehead with one hand!

“It's broken. The eldest lady is about to open the seal of the Mu family.”

Mu Yao was secretly admiring Mu Naiyi's figure when he suddenly noticed Mu Naiyi's crazy behavior and was shocked!

saw blood marks starting to appear on Mu Naiyi's jade-white skin!

Those blood marks actually formed an extremely complex pattern on Mu Naiyi's body. Even Mu Naiyi's skin turned red at this moment!

Along with the complicated lines that penetrated the whole body, a shocking aura climbed up in Mu Naiyi's body!

The surrounding void is constantly trembling, and the violent aura is rushing in all directions like a tide!

Mu Naiyi's whole body was shrouded in a red light, and his aura continued to surge!

“What's going on? Is Mu Naiyi going to break through the Tribulation Realm and ascend to the Mahayana Realm?”

“What a terrifying atmosphere. Is it so easy to break through this Mahayana Realm?”

“I have never seen a Mahayana Realm monk before. It's over!”

Everyone looked at Mu Naiyi in shock, and they were all shocked by the aura on her body. No one was admiring her body!

Binglu and others also looked worried, worried about David!

David himself also frowned. He didn't expect that Mu Naiyi had such evil skills that could instantly increase his strength!

You know, this Mu Naiyi is at the peak of the Tribulation Realm. If it improves, it will be the Mahayana Realm!

Mu Yao and others were not happy about Mu Naiyi's improved strength at this moment. On the contrary, they all looked worried!

They know that crossing the Tribulation Realm to the Mahayana Realm is a huge leap, and the gap between them is not so easy to cross!

Mu Naiyi has not reached the peak of the Tribulation Realm for many years!

I have been unable to find the right opportunity!

But now, Mu Naiyi has opened the Mu family's seal and forcibly increased his strength.

You must know that every direct member of the Mu family has a special seal of the Mu family, which contains the power of the ancestors of the Mu family!

However, this sealing power cannot be used casually, because once it is opened, while the strength increases, the body will also suffer backlash!

At worst, if the strength is stagnant, he will never become an immortal; at worst, if the Dantian is damaged, he will directly become a useless person.

No one will open the seal unless absolutely necessary!

Now Mu Naiyi is not at the end of his rope, and they still have Bing Lu and others as bargaining chips, so there is no need to open the seal at all!

Maybe Mu Naiyi was too stimulated and couldn't control it!

After all, a woman who values her body the most, how could she not get angry when being watched by everyone!

The aura in Mu Naiyi's body has been rising continuously. At this moment, Mu Naiyi's strength has already surpassed the peak of the Tribulation Realm!

However, there was no thunder catastrophe bombarding me!

That is to say, Mu Naiyi's body is still at the peak of the Tribulation Realm, but his strength has already exceeded the peak of the Tribulation Realm!

“Master, what’s going on? Why didn’t the thunderstorm happen?”

An Ouyang family member asked Ouyang Zhenhua in confusion!

“Because this breath does not belong to Miss Mu. It should be that she originally had such a breath of power in her body.”

“So even though it seems now that her strength exceeds the peak of the Tribulation Realm, it does not attract Lei. “

If my guess is correct, her power will not last long, and it will have side effects.”

“Such a sudden increase in physical strength that violates the laws of nature will cause backlash .

“This is the law that everything in the world follows. We must abide by it. This is what I teach you. You must practice steadily and gradually. “

Full Read Online **Chapter 3860** of the novel **A Man Like None Other** for free.

Chapter 3860

“Don’t be impatient, opportunistic, and use various evil skills and techniques to improve your strength in a short period of time. This will eventually harm yourself!”

Ouyang Zhenhua educated the people he brought!

However, his analysis is indeed correct. The strength Mu Naiyi possesses at the moment is not permanent and will slowly disappear before long!

“Die...”

Mu Nayi roared, and his body disappeared in an instant!

David frowned and his pupils shrank suddenly. “It’s so fast. The strength of the Mahayana realm is really amazing!” Chen

Ping can still fight against the peak of the Tribulation Realm now, but if he directly fights against the Mahayana realm, Then you have more than enough ambition but not enough energy!

You know, as one reaches a greater realm, one's strength increases exponentially!

Especially a gap-like crossing from the Tribulation Realm to the Mahayana Realm!

You must know that the higher the realm, the more difficult it is to break through. Some people can only be trapped in the realm of transcending tribulation throughout their lives, and there is no way to break through the Tao Mahayana realm.

After breaking through the Tribulation Realm, one becomes a semi-immortal body, and is not far away from a true immortal. Often after reaching the Mahayana Realm, both the state of mind and the thinking are also changing!

Monks after the Mahayana realm will pay more attention to cultivation. After all, they are only one step away from immortals.

The temptation and desire of the immortal will be even more intense!

This is why in the world of gods and humans it is rare to see Mahayana monks wandering around, most of them are practicing in seclusion!

If there is nothing special, a Mahayana monk will not run around!

The Palace Master of Guanghai Palace is an exception. After all, she shoulders the important task of rebuilding Guanghai Palace, and there is no condition for her to practice in seclusion!

David retreated sharply, not daring to follow Mu Naiyi head-on!

If the opponent has reached the Mahayana realm, David would still be self-aware!

Seeing that David did not dare to take action and kept retreating, Mu Naiyi said coldly, "Let's see where else you can escape!"

With a loud noise!

Countless strands of white cold air instantly rushed out from around Mu Nayi's body, heading directly towards David!

David's face was solemn, and he waved out a stream of extreme fire, forming a wall of fire in front of him!

The best way to deal with this cold air is fire!

The white cold air kept hitting the wall of fire, making bursts of roaring sounds!

David gritted his teeth and kept retreating!

Seeing this, Mu Nayi shouted loudly, and the cold mist in his body spurted out again!

However, this time, the cold mist sprayed out of Mu Nayi's body turned out to be colorful, not just white!

Everyone was shocked when they saw this scene!

I don't understand how this extremely cold mist can have other colors!

Especially Binglu and others, they have never seen the colorful cold mist!

The cold mist condensed into a colorful long sword in Mu Nayi's hands, and then rushed towards David!

Rumble...

After a loud noise, the wall of fire that David raised with all his strength collapsed in an instant under the cold mist!

David's body was also directly knocked away and fell heavily to the ground!

David frowned slightly. He could feel how powerful Mu Nayi's aura was at this moment!

"Don't confront him head-on. This guy uses external force to forcibly improve his strength. It shouldn't take long. Use your advantage and try to delay as much time as possible."

At this time, Demon Lord Chiyun said in David's mind!

He was also afraid that David would die. In that case, he would be doomed!

Now the two of us are like grasshoppers on a rope, and no one can escape!

When David heard this, the moment he landed on the ground, he activated the fire-controlling step, and his body disappeared directly, and then appeared hundreds of meters away!

Seeing this, Mu Naiyi once again controlled the colorful cold mist and rushed towards David!
