Chapter 3861

David used fire-bending steps and started to dodge, suddenly disappearing and reappearing!

Mu Naiyi's attacks were all dodged by David!

David used the Fire Control Step to the extreme. Many figures of David appeared in the air. These were all shadows left behind because David was too fast!

Mu Nayi frowned slightly. She understood that David did not fight back, but just dodged desperately in order to consume herself!

As a result, when the time for Mu Nayi's aura to explode comes, he will definitely be defeated!

"You want to consume me, your thoughts are too beautiful..."

Mu Naiyi saw through David, and then pinched his fingers, and the colorful cold air began to spread!

At the same time, a ray of light began to flicker between Mu Nayi's eyebrows, and then the light flew up and flew directly into the cold air!

When David saw this, he couldn't help but frown. He could feel that Mu Nayi seemed to be giving life to the cold air in front of him.

As a result, Munaiyi will not only become a useless person if he suffers the backlash, but may also die directly!

"Does this guy want to die with me?"

David gritted his teeth and activated his indestructible golden body!

The power of the dragon in the chest is moving, and all the power is gathered at this moment!

Facing Mu Nayi, who was in the Mahayana realm, David didn't dare to be careless in the slightest!

“Resurrection...”

Mu Nayi roared, and the light merged with the colorful cold air!

Then streaks of cold air exploded, and then the cold air of each color solidified again!

However, this time the cold air solidified into ferocious beasts!

Each one has a different shape, as if there are no such monsters in the world of heaven and humans!

As the monster beast solidified, everyone was shocked!

After all, this kind of monster that has never been seen before is the biggest impact on people!

David was also confused. He had never seen these strange monsters before!

There were five monsters in total, exuding violent auras!

“Five elemental beasts in the heaven, I didn't expect that this ancestor of the Mu family is actually a person in the heaven!”

At this time, Demon Lord Chiyun spoke!

As a demon king in the heaven, he still knows these five monsters!

“Five-element beasts?” David looked confused!

And if the ancestor of the Mu family was from the heavenly realm, how could he come to the heavenly and human realm to thrive?

And it seems that the Mu family's techniques are not immortal. They don't even recognize the eternal energy and can't absorb it!

From this point of view, how could the ancestors of the Mu family be from heaven?

Demon Lord Chiyun saw David's confusion, so he explained: "This is a good explanation. In the war between gods and demons, not everyone died."

"There must be immortals and demon cultivators from heaven who survived. These The person must have been injured and could not return to the heaven, so he stayed here."

"But the world of heaven and earth only has spiritual energy, not immortal energy. If you want to thrive, you must change your skills and let future generations practice with spiritual energy.

" Thousands of years later, it is normal for future generations to only know spiritual energy and not immortal energy. "

"And this person suddenly increased his strength. The aura that burst out at that time contained the immortal energy. Now he has transformed into a five-element beast. It can be confirmed. This ancestor of the Mu family must be from heaven."

After hearing Demon Lord Chiyun's explanation, David finally understood!

But how to deal with these five element beasts?

"Senior, how do you deal with these five element beasts?"

David asked!

"These five element beasts can be divided and combined. Each one has its own power of the five elements. When they are combined, it is the most terrifying."

"You must defeat each other and defeat each other one by one."

Red Cloud Demon Jun said!

"Destroy them one by one?" David's head was so big!

How do you defeat them one by one?

"Senior, I wonder who is better than the Sky-Swallowing Beast or the Five Elements Beast?"

David thought of the Sky-Swallowing Beast!

It would be easier if the sky-swallowing beast came out and directly swallowed the five-element beast!

Chapter 3862

“Who are you scolding?” Demon Lord Chiyun was angry: “You dare to compare my sky-swallowing beast with the five-element beast. The five-element beast is just an ordinary monster in the heaven.”

“I am a sky-swallowing beast. A sneeze will make the five elements beasts disappear into ashes. Although this ancestor of the Mu family is from the heaven, he is not very strong in the heaven. He is just the lowest level of loose immortal.”

“But even the most rubbish monster in the heaven. It’s not something you can deal with now. “

“Fortunately, this Five Elements Beast is just an illusion, not the original Five Elements Beast. It shouldn’t be difficult to deal with!”

David’s head was buzzing after hearing what Demon Lord Chiyun said!

It seems that even if this is a dimensionality reduction attack, an ordinary monster in the heaven will become a top existence in the heaven and human world!

Even if the lowest level immortal in the heaven is injured, he can spread his branches and become a huge family in the world of heaven and humans!

I just don’t know if this ancestor of the Mu family is dead or has returned to heaven!

If he was still alive and living in the Mu family, then David might as well commit suicide!

His strength is difficult for the Mahayana realm to deal with, let alone the immortals in the heaven!

At this moment, the Five Elements Beast has launched an attack!

On the ground, earth pillars stood high, causing David's figure to be in mid-air in an instant!

Then walls of water appeared all around, completely surrounding David!

At the same time, countless vine branches in mid-air, like hundreds or thousands of tentacles, were entangled towards David!

There were more blazing flames mixed with the sound of golden roar, wrapping up David!

"Mr. Chen..."

Binglu couldn't help shouting when she saw this scene!

The faces of all the saints were solemn, and they could also feel that the monsters transformed by Mu Nayi were all very powerful!

"Hey, the monsters that have never been seen before are very likely not to belong to the world of heaven and humans. Now, Fellow Daoist Chen is in trouble."

"Could this be the monsters of heaven, right? Each one has its own five elements. If this can be combined, it would be terrifying."

"With the power of the Mahayana realm, there is no doubt that he can transform into a monster in the heavens." When

Ouyang Zhenhua and others saw this scene, they knew that David was finished!

Mu Nayi looked at the scene in front of her, her eyes full of anger and unwillingness!

In order to let David die, Mu Nayi paid everything!

She also knew that after David died, she would probably die soon. She had already used all her cards and even sacrificed her own life, so that the Five Elements Beast was transformed!

But as long as David can be killed, everything is enough. David's humiliation to her makes her alive a burden!

As the eldest daughter of the Mu family, she has no shame in being alive after being looked down upon by everyone!

Otherwise, he wouldn't have died with David!

The Five Elemental Beasts are constantly attacking David, but David is trapped in them with no way to escape!

But just when everyone thought David was bound to die!

Suddenly, a black shadow appeared in mid-air, and then the black shadow got bigger and bigger!

Only then did everyone realize that it turned out to be a big bell!

There is actually a dragon circling around the big clock!

Everyone was stunned, wondering why a big bell suddenly appeared here!

What is this big clock for?

Just like that, under the gaze of everyone, the big bell fell from the sky and directly trapped David inside!

This time, all the attacks from the Five Elements Beasts hit the big clock, but they could not cause any harm to David!

"What is going on?"

"Did Fellow Daoist Chen use the big bell to lock himself up?"

"This bell is really special!"

Everyone kept exclaiming!

David is hiding in the dragon pattern clock, leisurely and contented!

Since he knew that Mu Naiyi could not hold on for long, David used the dragon pattern bell to lock himself up. When Mu Naiyi's aura faded and she was half dead, he would come out to deal with her!

Chapter 3863

The Five Elements Beasts are attacking desperately, but David is hiding in the Dragon Pattern Bell and is enjoying himself, nothing is wrong at all!

Gradually, the Five Elements Beast's attacks are getting weaker and weaker, and the Five Elements Beast's figure is gradually disappearing!

This five-element beast is just an illusion, not an entity. It will dissipate after all its energy is consumed!

"No, damn you, come out if you have the ability!"

Looking at the huge dragon-patterned clock in front of him, Mu Naiyi roared and slapped the dragon-patterned clock with his palm!

"I won't go out, I'll make you mad!"

David said leisurely and contentedly inside the dragon pattern clock!

"Ah..."

Mu Naiyi roared!

"Miss, this guy is a coward, then we will kill all the Saints of Guanghan Palace to see if he can get out!"

Mu Yao reminded Mu Naiyi!

They still have Binglu and others in their hands, and they can blackmail David!

When Mu Naiyi heard this, he immediately laughed and shouted at David:
"Did you hear that? If you don't come out, I will kill all these saints."

"Mr. Chen, don't come out, we are not afraid. Die!"

Binglu shouted!

"I asked you to shout..."

Mu Yao stepped forward and slapped Binglu hard on the face!

“Kill me if you can. Even if we commit suicide, we will never let you succeed.”

“Sisters, we must not drag Mr. Chen down, let alone let the Mu family beasts use us to blackmail Mr. Chen.”

“I’ll leave first. Come on, you all follow...”

After saying that, Binglu’s aura began to swell, and he was about to self-destruct!

Upon seeing this, several other saints also chose to self-destruct, and they would never drag David down!

This time, the people of the Mu family were frightened!

Mu Nayi also didn’t expect that these saints were so unafraid of death!

“In front of me, you don’t even have the ability to self-destruct!”

Mu Naiyi waved his palm, and a vigorous aura instantly pressed down on Binglu and the others, causing Binglu and the others’ bulging aura to suppress them directly. , there is no way to rise!

In the face of absolute strength, suicide is a luxury!

“Is your Mu family so shameless that you rely on dirty tricks to defeat your opponents?”

At this time, the Dragon Pattern Bell suddenly disappeared, and David slowly appeared!

“David, you coward. If you kneel on the ground and die, I can let these saints go.”

“Otherwise, I will let you watch with your own eyes as these saints are humiliated to death one by one.”

Mu Nayi stared at David and said coldly!

She knows that her strength will not last long, so she doesn’t want to fight with David!

When Mu Yao and others heard this, their eyes suddenly turned lustful and they licked their lips!

When David heard this, he immediately frowned!

“Mr. Chen, leave us alone, go away...”

Binglu shouted!

“You Mu family are really beasts.”

David said sternly!

“Beast? I’ll show you what a beast is!”

Mu Yao sneered, and suddenly with one hand, he tore off a saint’s clothes with a stab!

“Ah...”

The saint’s snow-white skin was exposed, and her eyes were full of anger!

“Beasts...” Binglu and others roared!

Mu Yao had a sinister smile on his face: “David, are you going to kneel down and die?”

After saying that, Mu Yao tore off Binglu’s clothes!

As long as David disagrees, it seems that Mu Yao will tear off the clothes of all the saints one by one!

David’s eyes burst out with anger, and his body was trembling with anger!

Just when David was in a dilemma, Ouyang Zhenhua suddenly burst out!

“Damn it, you Mu family are a bunch of beasts!”

Ouyang Zhenhua and the monks suddenly rose up and rushed towards Mu Yao and others!

Mu Yao and the others never thought that Ouyang Zhenhua would suddenly launch an attack with many monks. They were caught off guard and suffered heavy casualties!

Binglu and others were also rescued by Ouyang Zhenhua and others!

“Fellow Daoist Chen, you can fight with peace of mind. You must not let these beasts like the Mu family go!”

Ouyang Zhenhua shouted at David!

Chapter 3864

Liu Zhan, Lei Tianli and others thought that Liu Tianfeng was simply praising Chen Tian’s medical skills. Only Chen Xun and Chika Terai knew that Liu Tianfeng was really secretly praising Chen Xun and believed that Chen Xun’s cure of Gu Xingyue would have a great impact on future action plans. There are benefits.

“Ha.” Chen Xun chuckled and said with a pun: “Even without the Gu family, I can still be successful.”

Liu Tianfeng pursed his lips and smiled, his eyes sparkling, and his sweetheart was still as confident as ever.

“Tch.” Lin Yuehuang took Liu Tianfeng’s arm and said, “Without the support of the Gu family, you would have been stepped on by Ming Yuang at the auction yesterday.

Sister Tianfeng, don’t listen to his bragging, I’ll do it Let me introduce you to a great beauty, this is Chika Terai’s sister from Japan. How about her? Pretty, isn’t she? “

Liu Tianfeng has known Chika Terai for a long time, and even hunted Chika Terai in Yuyun Province.

Now the two women pretended not to know each other and nodded to each other, but they were a little cold to each other.

“Everyone, please stop standing and talking. Captain Liu, please take a seat.” Liu Zhan called the waiter and asked him to add a chair next to Lei Tianli, obviously trying to bring Lei Tianli and Liu Tianfeng together.

Lei Tianli opened the chair for Liu Tianfeng like a gentleman and invited: “Captain Liu, please...”

Before he could finish his words, Liu Tianfeng had naturally sat next to Chen Xun, completely ignoring Lei Tianli’s invitation. Moreover, he and Terai Chika were sitting on Chen Xun’s left and right sides, making Chen Xun hug him from left to right.

Lei Tianli couldn’t sit still, nor could he continue to stand. He looked embarrassed as he stood there.

Liu Zhan spoke up in time to smooth things over and said with a smile: “Brother Lei doesn’t know something. Captain Liu is a well-known female hero in Beijing circles. She has always been informal and can sit wherever she wants. Brother Lei, don’t worry, please take a seat.”

Lei Tian Li then calmed down and sat down, turning all the dissatisfaction in his heart into murderous intent towards Chen Xun. If Liu Tianfeng hadn’t sat next to Chen Xun, he wouldn’t have been so embarrassed and used “Sound Transmission” against Liu Zhan. Said: “I must kill Chen Tian tonight... No, not only kill him, but also cut him into pieces!”

Liu Zhan coughed twice, pretending that nothing happened, and looked suspicious Authentic: “Captain Liu has always been polite to the opposite sex. Tonight he treated Brother Chen differently and took the initiative to sit next to Brother Chen. It is really unexpected. Could it be that you have known each other before?”

Based on his attitude towards Liu Tianfeng. He understood that it was impossible to favor someone of the opposite sex whom he had just met. In addition, he had already doubted Chen Xun’s identity, so Liu Tianfeng’s abnormality only aggravated his suspicion of Chen Xun.

Liu Tianfeng was shocked. Did he inadvertently reveal a flaw in his intimate attitude towards Chen Xun?

“Ha!” Chen Xun chuckled and said half-jokingly: “Maybe Captain Liu will fall in love with me at first sight? I can’t help it. Being too popular with women has always been a problem for me.”

Liu Tianfeng immediately knew Chen Xun’s intention and said scornfully He snorted and cooperated with Chen Xundao: “Fell in love with you at first sight? You are really wishful thinking! I was just curious about how you cured Gu Xingyue, so I sat next to you and wanted to ask you carefully. Do you really think of yourself? Are you ready?”

Chen Xun said with a smile: “It turns out that Captain Liu is attracted by my superb medical skills. It’s simple. Just kiss me and I’ll tell you the details of how to cure Gu Xingyue. How about it?”

Liu Zhan, Kong Cheng and others all exclaimed, Liu Tianfeng is famous in Beijing circles as a rose with thorns, who among those who want to pursue Liu Tianfeng has not been beaten by her? Chen Tian dared to tease Liu Tianfeng in public. Was he really going to die?

However, after Chen Tian made such a fuss, Liu Zhan’s doubts about Chen Xun and Liu Tianfeng disappeared.

These cold mist spirit snakes were cut off, but there was no way to stop them. They would condense and fuse again!

It can’t be burned to death, it can’t be cut off!

David has a headache!

“Don’t worry about these cold fogs. As long as the person who casts them dies, these cold fogs will disappear.”

Demon Lord Chiyun reminded!

David’s eyes lit up, and then he used the Fire Control Step, and his figure disappeared instantly!

When David’s figure appeared again, he was already in front of Mu Nayi!

“Go to hell...”

David swung his sword towards Mu Nayi!

Mu Naiyi did not dodge, but said with a ferocious laugh: “Hahaha, you want to kill me, you are so delusional...”

After saying that, Mu Naiyi’s body swelled rapidly, as if he was going to self-destruct!

boom!

With a loud noise, Mu Naiyi’s body exploded instantly, and blood-red cold air filled David’s body!

At this moment, everyone was stunned!

I don’t understand how this Mu Naiyi could self-destruct?

But David knew that this guy didn’t self-destruct at all, but integrated himself into the blood mist!

David used his spiritual consciousness to the extreme, but he couldn’t capture Mu Naiyi’s aura at all!

When David saw this, he could only retreat desperately, trying to get out of the cold mist!

But the cold air followed him like a shadow, as if it had life, directly wrapping David’s body!

David only felt that his movements began to slow down and his body became a little stiff!

“The strength of the Mahayana realm is really great, it’s too difficult to deal with...”

David’s movements became slower and slower, and frost began to appear on his body!

These frosts are actually blood red!

Soon, David turned into a bloody man, but the blood was not his own!

Seeing this scene, Binglu and others were very worried!

Ouyang Zhenhua and many monks also looked desperate!

If David loses, can they escape?

Full Read Online **Chapter 3865** of the novel **A Man Like None Other** for free.

Chapter 3865

Seeing David being frozen, the blood mist began to gather in the sky, and Mu Nayi's figure appeared in mid-air again!

“It's your turn...”

Mu Nayi looked at Ouyang Zhenhua and others coldly!

This time, these people were frightened!

How could they escape the cold mist of Mu Nayi's blood!

Their faces were filled with fear. They wanted to run away, but their bodies seemed to be out of control, and their legs were extremely stiff!

Ouyang Zhenhua and others could only watch helplessly as the cold fog continued to sweep towards them!

And they can only sit back and wait for death, with no way to do anything, not even the ability to resist!

Seeing that everyone was about to be covered by the cold mist, suddenly thousands of rays of light emanated from David's body, and the entire Wuji Holy Sect was filled with warmth!

Immediately afterwards, a golden light flew out, and the frozen frost on David's body was shattered in an instant!

Everyone's eyes widened, looking at the golden light!

Even David was surprised and looked at it in disbelief!

Mu Nayi's face was solemn and her expression became complicated!

No one knows what that golden light is, not even David himself!

The golden light slowly converged, and everyone saw clearly that what was in the mid-air was a jade slip!

After the golden light converged, the jade slip suddenly fell and fell directly into David's hands!

David, holding the jade slip in his hand, was also confused!

This is the Wuji Order given by the Wuji Holy Sect Grandmaster, which contains the Wuji Holy Sect's inheritance!

This is just a recording thing, how can it fly out on its own?

Just when David couldn't figure it out, the words "Wuji Ling" actually shone brightly!

The light swam on the Wuji Order, and then a strong aura storm was generated!

I could only hear the howling wind, and the storm shook all the breath between heaven and earth!

A huge vortex began to form, and the huge suction force seemed to suck the entire Wuji Holy Sect into it!

The spiritual energy of heaven and earth, the immortal energy, the cold energy...

all the breaths were sucked into this Wuji Order, and even the void was sucked and twisted!
