Chapter 3896

Hearing this sound, Butler Liu's body trembled slightly, and then he hurriedly looked in the direction of the sound!

I saw a figure slowly appear, it was the young man who was watching David and the others leaving the city in Nanjing City!

"Second Young Master, you... why are you back?"

Seeing this young man, Butler Liu's face was full of disbelief!

This person is Mu Qing, the second son of the Mu family!

"My eldest brother and aunt were killed, and all the children of the Mu family were recalled. Can't I come back?"

"Am I not a child of the Mu family?"

Mu Qing said with a cold face!

"No, no, no, that's not what I meant. It's just that the Second Young Master is studying abroad, and I won't let you know."

"What's more, we are enough to deal with Guanghan Palace, and there is no need for the Second Young Master to come forward.

"Looking at Mu Qing, Butler Liu had a slavish look on his face. He never looked as domineering as others in the Mu family again!

"Hmph, you don't know, right? I saw David leading thousands of monks to Guanghan Palace."

"Obviously they were already on guard."

Mu Qing said coldly. said!

“Thousands of monks?”

Butler Liu was surprised, his face full of disbelief!

He didn't expect that David could summon thousands of monks in such a short period of time!

“Second Young Master, we are waiting for the master to come out of seclusion. As long as he comes out of seclusion, no matter how many people there are, it will not help.”

After being shocked, Butler Liu said!

After all, in the face of absolute strength, quantity is not that important!

“How long will it take for my father to be released from confinement?”

Mu Qing asked!

“I don't know, it must have been in the past few days. The master's soul left his body once and caused some damage, so the retreat time may be longer.”

Butler Liu said!

“No need to wait for my father, I will take you to get revenge!”

Mu Qing said!

“Second Young Master, you must not do this. You just said that David has brought thousands of monks to Guanghan Palace. Before the master can leave seclusion, it will be in danger if we go.”

“And the people from Guanghan Palace are in danger .” The princess is in the Mahayana realm and is not that easy to deal with. ” “

There is also David. Although he is not in a high realm, he is very powerful. Both the eldest son and the eldest lady died in his hands.

The young lady is no match for those at the highest level of Tribulation Realm. If you want to defeat David, you will probably have to reach the Mahayana Realm,”

Butler Liu quickly said to dissuade him!

“Mahayana realm...”

Mu Qing smiled coldly, and then the aura on his body exploded instantly!

For a moment, the sky and the earth were dark, and boundless black fog filled the sky over the Mu family, as if it was the end of the world!

And in the dark mist, balls of flames continued to fall, and then attached to Mu Qing’s body!

In just an instant, Mu Qing turned into a burning man!

With Mu Qing’s wave of his hand, the vision of heaven and earth disappeared instantly, and even the flame disappeared!

“Second Young Master, you...you actually broke through to the Mahayana realm?”

Butler Liu said in disbelief!

“If I hadn’t broken through to the Mahayana realm, how would I dare to go home.”

“This time, can I go to Guanghan Palace to take revenge?”

Mu Qing said with a cold smile!

Butler Liu hesitated for a moment, then nodded and said: “Okay, I will take people to follow the second master. Although the master of Guanghan Palace is powerful, I still have the confidence to deal with it.”

“The second master only needs to kill David. Okay!”

Mu Qing nodded: “Don’t worry, I will definitely kill that David to avenge my elder brother and aunt.”

“What if he finds thousands of monks, they are just some rubbish in the Tribulation Realm. ! “

Mu Qing has just broken through to the Mahayana realm, and now he calls the Tribulation realm garbage!

Mu Qing and Butler Liu, with hundreds of members of the Mu family, headed towards Guanghan Palace!

They didn't wait for the head of the Mu family to come out of seclusion!

Chapter 3897

Guanghan Palace!

David follows the master of Guanghan Palace to take charge!

He directed everyone to set up layers of defenses, and everyone was full of energy and ready for battle!

At this moment, they are only waiting for the arrival of the Mu family!

“Mr. Chen, Palace Master, someone from the Mu family is here!”

Binglu walked into the hall and said with a slightly nervous expression!

As soon as they heard that the Mu family was coming, David and the Palace Master of Guanghan Palace stood up at the same time, and then they disappeared in the blink of an eye!

When they appeared again, the two of them had arrived at the door of Guanghan Palace!

His body was suspended in the air, looking at the dark crowd of people rushing towards Guanghan Palace!

“Master Luo Valley, please go down and prepare to fight!”

David looked at the Mu family members who were about to arrive, and said to Luo Shouhai!

“Okay!” Luo Shouhai nodded!

Soon, all the sects and aristocratic families, as well as several great beast kings, were ready!

A breath of soaring energy erupted from Guanghan Palace and soared straight into the sky!

The aura erupted by thousands of monks was absolutely terrifying!

Feeling the aura erupting from Guanghan Palace, many people in the Mu family began to be frightened!

After all, the head of the family has not left seclusion, and they are following Mu Qing to crusade, and it is really uncertain whether they will win or lose!

Mu Qing felt the aura erupting from Guanghan Palace and frowned slightly!

But it's already here, no matter what, it's impossible to go back quietly!

Wouldn't that be so embarrassing!

Manager Liu felt the terrifying aura, and his expression changed slightly!

"Where did this David find so many monks, and they are so strong?"

Butler Liu said with a frown!

From these auras, most of them turned out to be masters of the Tribulation Realm, including many great monks at the eighth or ninth level of the Tribulation Realm!

Originally, he thought that even if David summoned thousands of monks, they would still be trash in the Fusion Realm!

Who would have imagined that many of them are cultivators in the Tribulation Realm, and they are also very powerful!

"Now that you're here, why don't you come over and take a look!"

After Mu Qing finished speaking, he led everyone to Guanghan Palace!

At a glance, Guanghan Palace was surrounded by rays of light. It was obvious that formations had been set up all around!

At the same time, David and the others were all suspended in mid-air, all ready to fight!

When Mu Qing saw this, he jumped up!

There are also more than a dozen monks from the Mu family floating in the air!

“Mr. Liu, what do you mean by bringing so many people to my Guanghan Palace?”

the Palace Master of Guanghan Palace asked to Mgr. Liu!

She doesn't know Mu Qing. After all, Guanghan Palace was just established here, and Mu Qing has been away from home for many years!

It's normal that the Palace Master of Guanghan Palace doesn't know him!

“You know what Guanghan Palace has done. We are here today to avenge the eldest young master and the eldest lady.”

“In addition, I also advise other fellow Taoists that our Mu family will follow Guanghan Palace on this trip. “Shui, you'd better not go in.”

“It's not appropriate to risk your own life just for some benefit.”

Manager Liu is threatening others!

He thought that David was able to find so many people, many of whom were here for profit!

“Do you think they all came to help us in Guanghan Palace because of their own interests?”

the Palace Master of Guanghan Palace said with a smile!

“Of course, otherwise who would work for your Guanghan Palace.”

“But if your Guanghan Palace hands over David and lets our Mu family handle it, we may be able to bypass your Guanghan Palace.”

Manager Liu Said!

“Bah, who are you? If you still want to deal with Mr. Chen, you have to ask us first if we agree!”

Old Devil Mountain Ghost spat fiercely and cursed loudly!

Manager Liu's face turned cold, and his eyes began to show murderous intent!

Mu Qing, who had been silent all this time, said: "Fellow Taoists, I am Mu Qing, the second son of the Mu family. If you give my Mu family a face and leave today, my Mu family has decided to give resources to everyone."

"But if you insist on going your own way, then report your name, and don't blame our Mu family for killing them all!"

Mu Qing is using both soft and hard tactics, hoping that someone will retreat in spite of the difficulties!

Chapter 3898

The Shenzhen market is really good.

Although it was only the beginning of April, all kinds of young ladies on the road could not wait to put on their favorite clothes.

Jiang Chen found a station with huge traffic.

Then, squat in the corner.

To be honest, Jiang Chen was a little excited.

X-ray eyes! This is an ability that exists in myths and legends.

open! start! In an instant, Jiang Chen felt that the whole world had no secrets from him.

Happiness value + 1, happiness value + 1, happiness value + 1...system prompts kept appearing in my mind.

Jiang Chen became more and more excited.

But, soon, the sound disappeared.

Jiang Chen took a deep breath and stood up.

Damn it.

This path is not good, and it is impossible to quickly increase the happiness value.

I only increased it by more than ten points, so I stopped increasing it.

Without him! Because Jiang Chen felt a little numb.

It even started to feel uncomfortable! This feeling of being able to only watch but not eat made Jiang Chen feel uncomfortable. Jiang Chen fell into deep thought again.

How about buying lottery tickets? As long as you can win the jackpot, your happiness level will definitely increase.

But...using the power of perspective, I decided to buy scratch-off tickets.

How many wins can you win in this scratch-off lottery? I estimate that I have visited all the lottery shops in Shenzhen City.

I can't find a million-dollar jackpot. The best thing I can do is win three to five hundred.

Thousands more.

But compared to his own incredible ability.

In the end, I could only get this small amount of money. Can I really increase my happiness value? Jiang Chen directly rejected his idea.

He frowned slightly.

Next breath.

He made a decision.

This is Shenzhen City! It's only an hour away from Okushima by boat! Since you want to increase the happiness value.

So, why not just start a big one! Thinking about what he had just done, Jiang Chen felt a little contempt for himself.

Damn it! It's too silly, isn't it? Jiang Chen no longer hesitated and ran directly to the dock.

Chapter 3899

“Mr. Chen, don't be fooled. The aura of this guy is very weird. Although I can't tell the realm, I feel it is definitely not low.”

The master of Guanghan Palace reminded David in a low voice!

David stared at Mu Qing. This guy was obviously a human monk, but he had a trace of devilish energy in him!

And he couldn't tell the level of his realm at all, which made David dare not agree rashly!

Seeing that David did not dare to agree, Mu Qing continued to mock: “Why, even if you die, will you drag all the people around you to be buried with you?”

“Or you are afraid that if I am stronger than you, you will die. In my hand?”

“If you don't dare, you can kneel down and get under my crotch. I will spare your life. You only need to be a slave of our Mu family for five hundred years,”

Mu Qing said . After all, he started to show his realm!

The cultivation level of the seventh level of Tribulation Realm!

Seeing Mu Qing take the initiative to reveal his realm, David frowned!

Proves that Mu Qing deliberately exposed his state!

The seventh level of the Tribulation Realm is just a realm that Mu Qing wants to expose, and it is not real!

It seems that he just wants David to know that his level is not high, so he dares to fight alone with him!

“Mr. Chen, don’t be fooled. There is no way this guy is at the seventh level of the Tribulation Realm.”

Luo Shouhai quickly reminded David!

“I know!” Of course David knew. This was Mu Qing’s deliberate show of weakness!

“Senior, if this guy’s realm surpasses the first level of the Mahayana realm, do I have any hope of living?”

David asked Demon Lord Chiyun!

Listening to David’s words, Demon Lord Chiyun shook his head: “If his realm surpasses the first level of the Mahayana realm, you will definitely die!”

Demon Lord Chiyun’s words stunned David. He couldn’t see through Mu now. Qing, I can only bet that this guy has no cultivation beyond the first level of the Mahayana realm!

David, who is at the first level of the Mahayana Realm, can still deal with it with all the magic weapons in his hands, but if it exceeds the first level of the Mahayana Realm, David probably has no hope!

This kind of transcendence of large realms can no longer be compensated by various magical weapons, especially as the gap in realms becomes larger as the level goes up, even if it is a small realm, the gap in strength will be a chasm!

David is now just a fourth-level monk in the Tribulation Realm. Using various magical skills and magic weapons to barely cope with the first-level Mahayana Realm, he is already a very evil being!

Not to mention the world of gods and humans, even in the entire universe and galaxy, there are not many such geniuses in the world!

Just when David was hesitant, Demon Lord Chiyun spoke again: “But there is another way. Even if this guy’s strength exceeds the first level of the Mahayana realm, it doesn’t matter.”

“What way?”

David was stunned!

“You forgot, you have a guy who only eats, sleeps, and doesn’t work.”

Demon Lord Chiyun said with a smile!

“Little swallowing beast?” David thought of the little swallowing beast!

But this guy sleeps all day, and no one knows when he will wake up or help himself. Speaking of which, this little sky-swallowing beast is also unknown!

“I’m afraid I can’t count on this little guy. Who knows if he will help me at a critical moment!”

David said helplessly!

“Then just bet that it will help you. Anyway, if you die, it will have nowhere to go. There will be no place to eat, drink or sleep.”

“My master will also be wiped out. Let’s see where it goes to enjoy it!”

Chi Lord Yunmo said!

David thought for a moment, then gritted his teeth and decided to take a gamble!

After all, several times, when I was in the most critical moment, the little swallowing sky beast came forward to solve the problem. This time, maybe it will help in the critical moment!

What’s more, this Mu Qing may not have the strength to be above the first level of the Mahayana realm!

“Okay, let me compete with you. Life and death are determined by fate and wealth. No matter whether you win or lose, your Mu family must not cause trouble in Guanghan Palace.”

After David decided, he looked at Mu Qing and said!

Chapter 3900

“Mr. Chen, you can’t!”

Upon seeing this, the Palace Master of Guanghan Palace hurriedly stopped him!

“Don’t promise him.”

“Don’t, this is a scam.”

“Master...”

Everyone looked at David in unison and stopped him!

They all knew that Mu Qing was deliberately showing weakness and exposing himself to the seventh level of the Tribulation Realm, but no one knew his true strength!

This is the most terrifying thing. As the saying goes, if you know yourself and the enemy, you will be victorious in any battle, but now you don’t even know the opponent’s strength, how can you fight?

“Don’t worry, I know my own limits. He can’t hurt me.”

David said with a confident smile!

“Hahaha, I have seen a lot of confident and arrogant people, but you impress me. I can promise you three moves.”

Mu Qing laughed arrogantly!

“No need, you’d better use your full strength, otherwise when you lose, you will be lying and denying it, saying that you didn’t use your full strength.”

“I don’t like people who are nagging. They are all young people and bragging. If so, don’t say any more!”

David looked at Mu Qing and said firmly!

“Okay!”

After Mu Qing said that, the aura on his body exploded instantly, and then he waved: “Come out...”

“Mr. Chen, you must not go out!”

The master of Guanghan Palace dissuaded David with an anxious look on his face. !

“Mr. Chen, we are not afraid of death, don’t be fooled!”

Luo Shouhai also said!

But David had made up his mind. With a wave of his hand, the defensive formation deployed in front of Guanghan Palace slowly closed!

David took one step forward and was in front of Mu Qing!

Mu Qing waved his hand, and everyone behind him retreated. After all, the battle between two Tribulation Realm monks would affect a large area!

Butler Liu led the people back, his eyes full of confidence!

Mu Qing is a monk in the Mahayana realm. How can David, a fourth-level monk in the Tribulation Realm, be able to compete with him!

No matter how talented David is and how brilliant his methods are, in the face of the absolute gap in strength, this is an unbridgeable gap!
“You take action!”

Mu Qing looked at David and said!

David shook his head: “You’d better take action first, I don’t want to lose my temper, lest you lose later and find an excuse.”

Mu Qing’s eyes narrowed slightly, staring at David: “Like you This is the first time I’ve seen a tough-talking guy, so let me slap your mouth until it becomes swollen!” As soon as

Mu Qing raised his hand, the sky suddenly filled with black mist!

As the second son of the Mu family, Mu Qing actually performed magic skills in public without any shyness!

I saw a huge palm coming towards David!

With this palm shot, countless black filaments fell from the endless void like heavy rain.

These filaments were as fast as lightning, then continued to grow in size, and finally turned into giant black pythons!

Countless giant pythons swooped down from the sky and opened their bloody mouths!

These giant pythons cover the sky and the sun, and each giant python is actually emitting a faint white light!

“The Vientiane Demonic Art...”

Song Tianhai from the Soulless Palace suddenly exclaimed, his pupils contracted, and his whole body trembled!

Everyone was stunned when they heard the words Wanxiang Demonic Skill!

Mu Qing also looked at Song Tianhai, his eyes filled with disbelief!

Obviously, he didn't expect that someone would recognize his method!

“Palace Master Song, the Wanxiang Demonic Skills you mentioned are the skills of the big devil?”

Luo Shouhai asked with shock on his face!

“Not bad...”

Song Tianhai nodded!

At this moment, many people's expressions changed drastically!

They all knew what the big devil represented.

After the war between gods and demons, the demons almost disappeared, and they were in an environment where everyone was shouting to fight!

Many demon cultivators live in seclusion and practice secretly!

But there was a big demon who, instead of hiding, killed people wantonly in order to revive the demonic ways.
