Chapter 3906

Mu Qing's body slowly submerged in the black mist, and the whole world became dark!

The black aura overwhelmed David from all directions!

In the face of the violent black energy, the golden light on David's body kept flickering, like an erratic candlelight in the apocalypse!

The golden dragon kept roaring, seeming to push back the surrounding darkness!

So everyone watched nervously. At this moment, they could no longer see David and Mu Qing, and they couldn't even feel their aura!

The black mist directly isolated the space where David and Mu Qing were, forming a separate space world!

David raised his hand, and the Divine King's Bow appeared in his hand. Then he pulled the Divine King's Bow, and an arrow feather appeared on the Divine King's Bow!

David used the Divine King Bow, but he didn't dare to be careless. After all, Mu Qing also used all his strength!

"Hmph, you're just a broken bow, what do you want to do to me..."

Mu Qing snorted coldly, his eyes filled with murderous intent, and screams echoed around the black mist!

David couldn't help but feel ecstatic when he saw that this Mu Qing didn't even know God King Gong!

Now that he is using the God-King Bow, no one outside can see it, so it will not be revealed that he has the God-King Bow!

And even if Mu Qing knew about it, he didn't know about the Divine King Bow he was holding, so David didn't have to worry about it!

While David pulled the God King's bow, the Dragon Pattern Bell was spinning above David's head, blocking incoming attacks for David at any time!

If Zhongli, the sword spirit of the Dragon-Slaying Sword, had not been injured, the Dragon-Slaying Sword would have been David's most proud weapon!

Now that David's Dragon-Slaying Sword does not have the blessing of the sword spirit Zhongli, it can only be regarded as an ordinary magic weapon!

Therefore, when David encountered a powerful enemy, he could only use the Divine King Bow. However, the Divine King Bow could not be used in public, which made David very depressed!

David pulled the God King's bow, and the condensed arrow feathers burned with flames!

Whoosh!

As soon as David let go, the arrow feathers came out and turned into thousands of arrow lights in mid-air.

At the same time, David followed closely behind and headed towards Mu Qing!

When Mu Qing saw that he had shown his full strength and David dared to fight with him instead of running away, he couldn't help but laugh evilly and said: "David, is this your full strength?"

After Mu Qing finished speaking, he instantly turned into a black mist and headed towards David. Accompanying Mu Qing were countless ghosts transformed from the black mist, all attacking together with their fangs and claws.

It was obvious that Mu Qing was going to fight David head-on!

With the strength of a first-level Mahayana realm, it would be too embarrassing to fight with a fourth-level monk in the Tribulation Realm and still need to dodge!

boom!

Thousands of arrows collided with countless ghosts!

One by one, the fierce ghosts roared and were defeated, and the arrows disappeared in the darkness!

The golden dragon above David also kept roaring and spitting out streams of flames, engulfing the fierce ghosts!

David kept drawing his bow and shooting arrows, and Mu Qing kept waving his hands, condensing a bunch of ghosts to attack!

The two people are getting closer and closer, competing with each other for the strength in their bodies!

“Do you want to fight me with all your breath and then collide with pure physical strength?”

Mu Qing seemed to have seen David’s plan!

“Don’t you dare fight with me physically?”

David said mockingly!

In fact, this is David’s plan. After all, Mu Qing is at the first level of the Tribulation Realm. Although David is not afraid of all the auras in his body, he doesn’t dare to be 100% sure!

But if he didn’t use the breath in his body and relied solely on the pure strength of his body, David wouldn’t be afraid of Mu Qing!

David’s physical body has been tempered countless times!

“Hmph, I can kill you in many ways, but you won’t be able to choose.”

“You want to compete with me in terms of physical strength, but I won’t compete with you.”

“I am the young master of a big family. It’s true, but I’m not a fool and won’t be fooled by you!”

Mu Qing actually stopped rushing towards David, and instead filled the air with more black mist, turning into a fierce ghost attack!

Chapter 3907

David gritted his teeth. He didn’t expect that Mu Qing, a guy with some brains, didn’t have the ability to provoke him!

The God King’s bow was continuously pulled by David, and various auras condensed on the God King’s bow!

Arrow feathers were shot out one after another, the golden dragon roared, and it was also covered in bruises at this moment!

David keeps approaching Mu Qing!

Only when he gets close, David can use the ancient body refining technique to fight with Mu Qing!

Seeing David approaching him, Mu Qing grabbed it and a long sword condensed with black mist appeared, and then slashed towards David!

This sword slashed out a hundred feet of sword light, approaching David!

David used the fire control step, and his body disappeared instantly, and then appeared in front of Mu Qing!

The God-King Bow in David's hand has been replaced by the Dragon-Slaying Sword. In close combat, the Dragon-Slaying Sword is still more useful!

The dragon-slaying sword burst out with endless sword light, stabbing straight towards Mu Qing!

The long sword in Mu Qing's hand blocked the situation!

When David saw this, a sneer flashed in his eyes, and he took out the Dragon-Slaying Sword directly!

David took the Dragon Slaying Sword away, leaving Mu Qing a little confused!

He didn't understand what David was going to do!

"Holy Light Fist..."

This time, David's Holy Light Fist did not use the slightest breath in his body, just pure physical power!

Although it was just pure physical strength, this punch actually made Mu Qing feel terrified!

But with David's punch, there was clearly no breath coming out!

Mu Qing really couldn't understand what the purpose of David's punch was!

But just when David's Holy Light Fist was about to hit Mu Qing, a phantom appeared behind Mu Qing!

The endless black mist turned into a huge shadow!

The phantom holds a vajra in his hand, and his eyes are extremely empty!

With the appearance of the phantom, Mu Qing's body actually merged with the phantom!

David's punch hit the shadow and penetrated directly without causing any damage to Mu Qing!

"David, even in a physical competition, you are no match for me. In my eyes, you are just an ant!"

Mu Qing laughed, but his voice emanated from the shadow!
At this moment, everyone finally saw the situation clearly!

Mu Qing merged into a huge shadow, looking down at David's ant-like existence!

Lifting your feet gently, a breath of air hits your face!

David's body was like a lone boat, and he was instantly knocked out!

"Poro Dharmakaya?"

Demon Lord Chiyun said with some surprise in David's sea of consciousness!

David flew dozens of feet upside down and finally stabilized his body. Listening to Demon Lord Chiyun's words, he asked with confusion on his face: "What is this Poro Dharmakaya?"

"I tell you, you don't understand either. Fortunately, this The guy's Poro body is just a phantom, and it's just a shadow.

"If I take it out just now, even everyone here will die, not to mention you!

" Lord Yun Mo said!

"Holy shit..."

David looked shocked. He didn't expect how this Mu Qing knew so many magic arts!

And each one is more powerful than the other, no wonder they talk so madly!

"What should I do? Is there any way I can defeat him?"

David asked!

"It's probably impossible to defeat him. You'd better think about how to survive!"

“It seems that the only way to let the sky-swallowing beast come forward and suck away the devil’s energy from that guy is that the Poro body will be broken.”

Demon Lord Chiyun Said!

When David heard this, he was speechless!

This little sky-swallowing beast is just like the big man, who knows if it will help!

David prayed in his heart that the little swallowing beast would come out to help quickly while thinking of countermeasures!

“Hahaha...David, don’t you want to fight with me up close? I’ll give you a chance, come on!”

Mu Qing laughed and looked down at David.

“The second young master is so awesome. It seems that the master of the house is really wise and allowed the second young master to go out and practice for many years.”

Manager Liu looked at Mu Qing with admiration in his eyes!

Chapter 3908

As young as Mu Qing, with such a level of cultivation, his future prospects are immeasurable!

David looked at Mu Qing and said loudly: “If you have the ability, change back to yourself and fight me. Do you dare?”

“I’m not an idiot. That’s it. I won’t do anything. I’ll give you three moves.”

Mu Qing wanted to David was humiliated in public, so he chose not to take action and let David do three moves!

“Okay, it’s a deal, if I can’t defeat you with three moves, I will kneel down and kowtow to you!”

David said loudly!

He was just looking for an opportunity to delay, when Mu Qing showed up!

“Hahaha, it’s a deal. With so many people as witnesses, just wait and kowtow to me!”

Mu Qing laughed, the shadow dozens of feet tall, trembling all over!

“You are ready, my first move is coming.”

David started to get lucky!

“Second Young Master, no, it’s too dangerous.”

Manager Liu shouted when he saw that Mu Qing wanted David to do three moves!

“Don’t worry, he won’t hurt me at all!”

Mu Qing’s face was full of confidence!

David, on the other hand, moved his body, and the aura around him continued to condense!

But at this moment, David kept shouting at the little sky-swallowing beast in his heart!

“Little ancestor, wake up and help me. You have taken so much of my resources and can’t sleep all day!”

“Wake up quickly. If you don’t wake up, I will die and you won’t have anywhere to eat or sleep. ” “Go!”

David shouted in his heart, but the little swallowing beast didn’t respond!

“Senior, please help me. If I die, you are finished. We are just grasshoppers on a rope!”

David said to Demon Lord Chiyun!

“What can I do? It doesn’t listen to me.”

Demon Lord Chiyun said!

David felt very helpless at this moment!

“What are you doing? Do you want to take action?”

Mu Qing said impatiently when he saw that David was still reluctant to take action!

“Here we come...”

After David finished speaking, his body instantly rose into the air!

Then a huge fist was thrown out by David!
David's body followed closely, hitting the shadow heavily!

However, David's body penetrated the shadow and was unable to cause any harm to Mu Qing!

"Hahaha, I told you, you can't hurt me at all."

Mu Qing laughed!

David frowned. If this continues, let alone three moves, thirty moves will be useless!

The Palace Master of Guanghan Palace and Luo Shouhai looked nervous when they saw this!

"Everyone, be prepared. As long as Mr. Chen loses, we will take action together."

"We must not let Mr. Chen fall into the hands of the Mu family, let alone let Mr. Chen kneel down and be humiliated!"

the master of Guanghan Palace whispered. !

"Okay!"

Everyone nodded in unison!

Manager Liu also noticed the action here, so he whispered: "Everyone is ready and ready to attack at any time!"

At this moment, both sides were ready to attack!

David is also planning a second attack.

While preparing to attack, David shouted in his heart about the little sky-swallowing beast!

But there was still no movement.

David's second attack penetrated the shadow again and caused no damage!

"There is one more move, just wait until you kneel down and be stepped on by me!"

Mu Qing said proudly!

The Palace Master of Guanghan Palace and others have already grasped their weapons and are ready to take action at any time!

When David saw this, he seemed to accept his fate. He only had one last resort to fight!

I saw David floating in mid-air, with bursts of light flashing on his right fist!

All the strength in his body was concentrated in David's right fist!

“Holy Light Fist...”

David's punch burst out with endless brilliance, as dazzling as the sun!

The aura that destroyed the heaven and earth was heading towards Mu Qing!

“Humph, it's this move again...”

Mu Qing snorted indifferently!

But just as Mu Qing snorted, a ray of light suddenly flashed out from David, followed by a huge suction force, causing the phantom formed by Mu Qing to begin to be swallowed up!

Chapter 3909

In just an instant, the huge shadow was sucked into the belly of the little sky-swallowing beast!

Mu Qing's figure appeared!

Mu Qing was shocked, but David's Holy Light Fist was already in front of him, and he had no time to dodge!

boom!

Mu Qing was hit hard by David's move!

Mu Qing's body flew backwards instantly, vomiting blood!

He never expected that this would happen!

When Manager Liu saw this, he panicked, jumped up, and slapped David with his palm!

The palm prints are condensed and overwhelming!

When the Palace Master of Guanghan Palace saw this, his body rose into the air in an instant. The temperature of the world suddenly dropped, and with a palm shot, it directly froze and shattered Manager Liu's palm print!

This way David was not harmed, otherwise David would definitely not be dead or injured if General Manager Liu took action!

“Kill...”

As Manager Liu followed the master of Guanghan Palace to fight, Luo Shouhai shouted loudly!

In an instant, everyone rose into the sky!

They had already made preparations, and now they are firing out spiritual power one after another!

Everyone in the Mu family also took action at the same time!

Just when the melee was about to break out, the void shook, and then a figure appeared in the air!

“Father...”

Mu Qing suddenly became excited when he saw the person coming!

It turned out to be a phantom of the head of the Mu family. He must have known that Mu Qing and others came to Guanghan Palace to take revenge, so he came worried!

“Qing'er, you are too careless. Now you are the only son left as a father. What will happen if something happens to you?”

“Now do what you want to do, and I will stop the others!”

The head of the Mu family said to Mu Qing!

After hearing his father's words, Mu Qing nodded excitedly!

But the Palace Master of Guanghan Palace has a terrifyingly gloomy face at this moment, and his eyes are full of coldness!

She can still handle Manager Liu!

But here comes another Mu family leader. Although he is just a shadow, his strength is probably not lower than the ninth level of the Tribulation Realm!

“I’ll stop this old guy!”

Old Devil Mountain Ghost shouted angrily, and then a gray aura surged through his body, directly forming a giant claw and heading towards the head of the Mu family!

The master of Guanghan Palace also waved his hand, and the monstrous cold air surged out, turning into two icicles and attacking Manager Liu!

The melee started instantly, with countless auras flying around and various spells intertwined!

The heaven and earth were trembling in the melee. The entire Southern Territory seemed to be affected, and space-time cracks continued to flash in the void!

The entire Heavenly Demon Mountain shook, and countless people stared in the direction of Guanghan Palace!

Thousands of monks were fighting in mid-air!

The air was filled with thick fluctuations of spiritual energy, and every time the monk swung his fist or drew his sword, it was accompanied by a huge roar of spiritual power, as if it was about to tear the world apart.

Their figures shuttled quickly across the battlefield, as elusive as ghosts, and every confrontation was accompanied by a dazzling aura bursting out, illuminating the entire battlefield.

The monks’ magic weapons and spiritual weapons were flying in the air, some piercing the sky like meteors, some weighing down like giant mountains, and some as misty as phantoms.

Every time the magic weapon collided, there was a deafening sound that made the ground tremble.

The light of the magic weapons intertwined to form a brilliant sea of light, enveloping the entire battlefield.

The shouts, roars, and curses of the monks came and went, forming a passionate battle symphony.

Their faces were filled with determination and madness, and each pair of eyes shone with blazing light, as if they were about to pour out all their power.

On the battlefield, dust was flying and smoke was filling the air. Every time the monk fell to the ground, a blood flower bloomed, dyeing the land bright red.

Chapter 3910

However, these monks seemed to be tireless. They stood up again and again and charged again and again until they were exhausted.

I saw a monk holding a long sword, the sword flashing with cold light. His body was like the wind, and he shuttled lightly among the enemy groups.

His sword skills are like flowing clouds and flowing water, sometimes as fast as lightning, sometimes as soft as willow catkins. Every time he swings his sword, he can bring up a fierce sword wind, forcing the enemies around him to retreat several steps.

At the same time, another monk was wielding a huge battle ax. His power was amazing, and every time he swung the ax, he seemed to be able to shake the earth.

The battle ax drew sharp trajectories in the air, and the air flow it brought up rolled up the surrounding dust, forming a chaotic battlefield.

The two monks passed each other in the air, and the collision of swords and axes made a deafening sound, as if even the sky was shaking.

The shock wave generated by the collision spread in all directions, forcing the surrounding monks to retreat.

Around here, other monks were fighting equally fiercely.

Someone casts a powerful spell, activating the power of heaven and earth to form a sea of fire, ice or thunder, submerging the enemy in it.

Some rely on their superb body skills to move freely among the enemy, looking for flaws and delivering a fatal blow.

On the battlefield, the light of various spells intertwined to form a colorful light curtain.

In this light curtain, the figures of the monks were looming, and every confrontation was full of thrills and excitement.

Monks continue to die, losing their lives forever!

More monks saved their souls, and then Jiang Yulian led the people of the Soul Demon Sect to urgently begin to rebuild their bodies!

David's eyes turned red when he looked at the fallen monks!

In today's battle, David can only be worthy of the dead monks by killing that Mu Qing!

Mu Qing's eyes were also scarlet red. At this moment, both sides were already red-eyed!

"Death..."

David and Mu Qing all turned into a stream of light and collided fiercely together!

Now for them, either you will die or I will die!

There is no room for retreat!

Just when David and Na Mu Qing were about to collide, everything around them suddenly seemed to stop!

Then a voice from outside the world came slowly: "I have been in seclusion for hundreds of years, and I am about to ascend to immortality, but I was disturbed by you ignorant kids."

"It's so damned. Did you think that I haven't shown up for hundreds of years? Don't you take me seriously?"

As an old man in gray robe stood in the void with his hands behind his back, everyone felt their breath tightening and fell from the mid-air!

Even the Palace Master of Guanghan Palace fell to the ground, having difficulty breathing due to the pressure, and had no choice but to kneel down on one knee!

"Lord...Lord of the Territory, Lord of the Southern Territory?"

A shadowy figure of the head of the Mu family looked at the old man in gray robe in front of him in horror!

"You don't practice honestly and sacrifice your soul to join in the fun. Go back!"

The old man in gray robe waved his hand gently!

A powerful burst of purple energy was waved out from his hand, and then the shadow of the head of the Mu family disappeared in an instant!

But at this moment, the head of the Mu family, who was in retreat at the Mu family, was vomiting blood and his face was extremely pale!

“Why did you provoke the Lord of the Territory? Damn it...”

The head of the Mu family wiped the blood from the corner of his mouth. It seems that such a long period of seclusion and cultivation was in vain!

And in Guanghan Palace, everyone felt the shaking pressure of heaven and earth, the void was trembling slightly, and the wind was howling!

Many monks with low cultivation levels have been knocked unconscious by this coercion!

More monks lowered their heads and trembled!

Even Mahayana masters such as General Manager Liu and Palace Master Guanghan Palace were pale, their eyes were full of fear, and they did not dare to look directly at the Southern Territory Lord.

David raised his head hard and looked at the Southern Territory Lord. He wanted to see what the person in charge of a region was like!
