Chapter 3911

David saw that the Territory Lord of the Southern Territory was an old man who looked very ordinary, but the majesty on his body was radiating from the inside out, not deliberately!

The Territory Lord of the Southern Territory looked at David, causing David to lower his head unconsciously!

Because the pressure that the Southern Territory Lord freely exuded made David feel like he was being pressed down by a mountain. His whole body couldn't help but tense up, and he could only resist with all his strength!

The eyes of the Southern Territory Lord stayed on David for a long time!

Then his eyes slowly moved away, and he said calmly: "I don't care why you are fighting, if you dare to fight on a large scale, you will all die!"

At this sentence, everyone's body was shaken, and cold sweat broke out on their heads!

Several monks were so frightened that they were knocked out of their bodies and frightened to death!

Fortunately, the soul is still there. As long as the physical body is not destroyed, it can return to the physical body and live again!

"This is awesome. I'm just a fairy. I haven't become a real immortal yet. I'm just so awesome. After I finish finding the bones and reshape the body, I will be much more awesome than him."

Chi Yun The devil's face was filled with envy!

At this moment, he also wants to show off!

When he was alive, he had never looked at these low-level monks at all!

A world like the Heavenly World is just a battlefield for demons like Demon Lord Chiyun!

As for the life and death of the monks living here, they don't care at all, and they have never thought about showing off in front of these monks!

After all, two powerful immortals would find a lower plane world to fight!

Even if this low-level world is destroyed, they don't care!

They are all ordinary monks. To immortals like them, they are not even ants!

If you die, you will die!

This is the law of heaven and earth where strength is respected!

When you have no strength, no one will care about your life or death!

"Shut up, don't cause trouble for me. I don't want to die. Let's wait until you regain your physical body and become awesome again!"

David told Demon Lord Chiyun to shut his mouth!

If he really offended this domain lord, he would probably be slapped to death!

However, David's worries were unnecessary. With the disappearance of the pressure, the Southern Territory Lord had already left!

It wasn't until the Southern Territory Lord left for a long time that everyone dared to slowly stand up and look up!

Without that pressure, everyone let out a sigh of relief!

Although both sides were glaring at each other at this moment, no one dared to take action!

Even the Territory Lord who has not shown up for hundreds of years has been provoked. If he dares to take action, his soul will definitely be gone!

Mu Qing looked at David unwillingly, but he didn't dare to take action anymore. Moreover, he was punched by David and his body was injured. Now was not the time to take action!

Especially when a ray of his father's soul suddenly disappeared, Mu Qing was very worried!

If the Southern Territory Lord blamed him, he might be hurting his father now!

If you get injured during this critical period of retreat, all your efforts will be wasted!

All the time spent practicing in seclusion was in vain!

“Boy, you are unlucky today, but you will never be so lucky in the future.”

“If you have the ability, we will meet you at the martial arts arena in Nanjing City in a month.”

“If you dare to come, I’ll be waiting for you. If you don’t dare, then our Mu family will still blame Guanghai Palace for this debt!”

Mu Qing gritted his teeth and said with cold eyes!

David, who he originally didn’t pay attention to at all, is now making a bet!

“Why don’t you dare to do this? After one month, you will never be my opponent.”

David has full confidence. After one month, Mu Qing, who is a first-level Mahayana realm, will not take it seriously at all. !

“Okay, if you have the guts, I’ll wait for you!”

After Mu Qing finished speaking, he left with a flourish of his sleeves, taking everyone in the Mu family with him!

The chaotic scene just now has become much quieter now!

Chapter 3912

After a while, everyone finally reacted!

The appearance of the Territory Lord just now caused everyone to stop thinking!

“Everyone will rest in Guanghai Palace for two days. For those who are injured, I will practice the elixir as soon as possible.”

“The Soul Demon Sect will also reshape the bodies of the monks with remaining souls as soon as possible!”

David said to everyone!

“Thank you all...”

The Palace Master of Guanghan Palace saluted everyone!

Although these people all came for David, they were indeed injured or even sacrificed to protect Guanghan Palace!

“Palace Master, you’re welcome. Just worry about arranging everyone’s affairs!”

“I have to recover as soon as possible. This battle has taken too much damage!”

David followed Mu Qing’s fight, and all kinds of aura energy were flowing out. Almost exhausted!

He must recover as soon as possible, and then find a way to improve to a higher level within this month!

If you can’t improve, just rely on your current strength, I’m afraid you won’t be so lucky if you compete with Mu Qing!

By then, the little Sky-Swallowing Beast may not be able to come out, and the Territory Lord may not show up either!

“Go ahead and leave this place alone. I will take good care of these people.”

The Palace Master of Guanghan Palace nodded!

David went to the backyard of Guanghan Palace, and then sat cross-legged in the room, recovering all kinds of power in his body!

Especially the three kinds of ultimate fire in the body. At this time, the ultimate fire in David’s body is much weaker!

While David was recovering, he continued to nurture those three kinds of ultimate fire!

At the same time, the Demon Sealing Alliance headquarters was thousands of miles away!

Alliance leader Zuo Tianzheng was sitting on a [chair](#) with a grim expression!

“Alliance leader, David caused a stir in the Southern Territory. He actually led thousands of monks to fight with the Mu family.”

“The entire Heavenly Demon Mountain was almost destroyed, and the void in the Southern Territory showed signs of collapse.”

“Finally... The Territory Lord of the Southern Territory was lured out, and the war was calmed down.”

Elder Chu followed Zuo Tianzheng to report!

“What? The South Territory Lord has come out?”

Zuo Tianzheng frowned: “It has been hundreds of years. I thought they had already ascended to the heaven, but I didn’t expect that they were still in the heaven and human world.”

Zuo Tianzheng felt pressure in his heart. He founded the Demon Sealing Alliance and then spread his power throughout the heaven and human world, not to kill demons, but to become the master of the heaven and human world!

What he wants is to control the entire heaven and human world, not a certain region!

Now that the Territory Lord of the Southern Territory has come out, Zuo Tianzheng’s idea of dominating the entire heaven and human world may not be realized.

“Inform the forces in all regions that David will be killed without mercy. As long as he leaves the Southern Region, he will never be allowed to survive.”

Zuo Tianzheng said through gritted teeth!

Compared with the Southern Territory, all races are relatively harmonious, and the Demon Sealing Alliance’s power is the lowest in the Southern Territory!

The Southern Territory also has the largest number of demon cultivators, but the Demon Sealing Alliance does not dare to massacre the demon cultivators in the Southern Territory Heavenly Demon Mountain!

Now we can only wait for David to leave the Southern Territory and strangle him!

“I understand!” Elder Chu nodded!

“There is also the Mu family in the Southern Territory. Let’s see if we can cooperate. Go and talk in person.”

“Now that David can gather thousands of monks in the Southern Territory, we must not underestimate this person.”

Zuo Tianzheng continued!

“Okay!” Elder Chu nodded again, and then said: “Alliance leader, we have recently sent several groups of demon cultivators, but they have not been able to kill David. There are

even some who were persuaded to rebel by David. Will we send demon cultivators again in the future? ?”

“No more, these guys are all duplicitous, not sincerely loyal, and unwilling to work hard,”

Zuo Tianzheng said with a wave of his hands!

The Soulless Palace sent out not only failed to kill David, but now they have become David’s helpers!

“I will inform all the forces in the region immediately, and then go to the Mu family in the southern region to discuss cooperation!”

Elder Chu said, turned and left.

Zuo Tianzheng let out a long sigh, and his figure slowly disappeared. It turned out that the person sitting here was not the real Zuo Tianzheng!

Chapter 3913

Guanghan Palace!

Two days passed quickly!

David’s body has almost recovered, and three kinds of ultimate fire are suspended in front of David, bursting out with different flames!

Compared with two days ago, these three kinds of ultimate fire are obviously much stronger!

“Only three kinds of supreme fire are good, but if they can be fused, it would be perfect.” Everyone sat together. Now that the matter has been resolved, everyone else is planning to leave!

After all, all members are mobilized. If any other sect family has evil intentions at this time, then the hometown will be doomed!

“Mr. Chen, if there is nothing else, we will go back, even if there is no one at home!”

Luo Shouhai said to David!

“Yes, there has been no one for several days, so don’t let people worry about you anymore!”

Head Sheng also said!

“I’ll take you back. Ji Yun has an airship, so it can go faster!”

After David finished speaking, he looked at the Palace Master of Guanghan Palace and said, “Palace Master, then the Mu family should not dare to do anything to Guanghan Palace in the short term. It’s time to take advantage of this period to develop Guanghan Palace as much as possible. “

With Jishi Mine, Guanghan Palace only needs time to develop quickly!

“Aren’t you going to stay a few more days?”

The eyes of the Palace Master of Guanghan Palace were full of reluctance!

Gently holding David’s hand, the Palace Master of Guanghan Palace held back the tears that were about to flow out!

She really likes David more and more!

If it weren’t for the important responsibility of Guanghan Palace, the master of Guanghan Palace would have given himself to David!

She wants to be David’s woman!

“I’ve been here in the Southern Territory for such a long time, so I want to go back and have a look.”

“And it’s not like I won’t come back. I will come back in a month to teach that Mu Qing a lesson!”

David said with a smile!

“Okay, then take care on the road.”

The master of Guanghan Palace let go of David’s hand!

“By the way, I wonder if the palace master knows where there is a technique to fuse the ultimate fire?”

David remembered that his three types of ultimate fire could not be fused, so he asked!

“Fusion to fire?” The palace master of Guanghan Palace was stunned, and then shook his head: “We all practice ice-based techniques, so I don’t know where there is a technique to fuse to fire!”

“But you can Ask the sects who practice fire techniques. They may know. “

“It’s just that in the entire southern region, it seems that the Mu family is the only one who practices fire techniques.”

David frowned slightly after hearing this. He couldn’t go. Just ask the Mu family, and it’s impossible to tell him!

Chapter 3914

“Mr. Chen, the Purple Flame Sect in the Central Region also practices fire-based skills, and in the entire heaven and human world, their Ziyang Sect’s fire-based skills should be the strongest.”

“And this Ziyang Sect is located in the sky. The center of the human world, where it is extremely hot all year round and surrounded by desert, is more suitable for practicing fire-based techniques. They may know the technique of merging into fire,”

Demon Mountain Ghost Lao said after David!

“Purple Flame Sect?”

David had never heard of this sect, and he was not familiar with it as a follower of the Ziyang Sect. If he rashly asked someone about their exercises, would they tell him?

“Mr. Chen, we can go to Ji’s house and ask my uncle. Maybe my uncle has a relationship with the Ziyang Sect!”

Ji Yun saw David’s embarrassment and said!

When David heard this, his eyes suddenly lit up. He had actually forgotten about the Ji family!

But when he thought of going to Ji’s house, David thought of the two sisters Ji Meiyang and Ji Meiling!

After all, it was David’s first time sleeping with sisters!

“Where are you going to Ji’s house? Just ask me. I know an elder from Ziyang Sect.”

At this time, Bai Qian said!

“How do you know him?” David asked curiously!

“Mr. Chen, this Fox Princess is famous even in the Central Territory. No one in the entire Central Territory knows about Hu Huangcheng.”

The Monkey King said from the side!

When David heard this, he looked at Bai Qian in surprise: “Are you in the Central Territory?”

“Of course, otherwise you thought we were all in the Southern Territory? The Southern Territory cannot accommodate us Three Emperors Five of the Four Kings,”

Bai Qian said with a smile!

David was right. Although the Southern Territory was very big, if five of the Three Sovereigns and Four Kings of the Orcs were in the Southern Territory, it would inevitably cause disputes.

In the Northern Territory, Yihe and King Li only have two beast clan forces, and they are still fighting secretly!

“Okay, let’s leave without further ado!”

David nodded and said!

After bidding farewell to the master of Guanghan Palace, David and the others left in an airship!

Then along the way, the airship sent everyone back!

All the way to Blood Spirit Valley, Luo Shouhai, Demon Shangui Lao, Song Tianhai and others got off the airship.

Only four people, David, Huo Feng, Bai Qian and Ji Yun, were left on the airship!

Looking at the endless Tianmo Mountain, David was also filled with emotion!

David gained a lot from this trip to Tianmo Mountain!

Not only has his strength been raised to the fourth level of the Tribulation Realm, but he has also gained the little Sky-Swallowing Beast and the remnant soul of the great demon Lord Red Cloud!

There is also the Supreme Fire Essence, Wuji Ling, who has realized the origin of time, learned the fire control step...

and even learned about the Blood Demon, Wind Demon and Yin Demon!

The airship went further and further away, and soon Tianmo Mountain was submerged in the white mist!

David's eyes were full of reluctance!

"Master, seeing that you are so unhappy, are you reluctant to let go of your palace master?"

"It seems that you two haven't slept together yet. Are you the one who hasn't slept together and misses her the most?"

Huofeng looked at Chen As usual, he stepped forward and said jokingly!

"I think I miss that girl Jiahui. I didn't see that Sheng Jiahui was crying so hard when she left."

Bai Qian also echoed from the side!

David glanced at Bai Qian and Huo Feng, smiled lightly and said, "What? Are you two jealous?"

"Bah, who is jealous? You have so many women. If you were jealous, you would have died of soreness."

Bai Qian rolled her eyes!

David pulled Bai Qian and Huofeng up and walked into the room inside the airship!

In the room, the sound of fighting soon came.

Ji Yun is already used to driving an airship!

After all, it would take the airship two days and two nights to reach Huhuang City. It would be impossible for David to remain indifferent to two beauties for such a long time!

It wasn't until the airship arrived over Huhuang City that David followed Bai Qian and Huo Feng out of the room!

All I can say is that David is too strong!

Chapter 3915

“Mr. Chen, we will arrive at Huhuang City soon!”

Ji Yun said when he saw David walking out!

David nodded, then approached the porthole and saw a city in front of him!

The city is very large, and the imperial city of Biyhe is not small!

Bai Qian walked over with aching legs, and then said proudly: “How is it? My imperial city is not small, right?”

“From now on, you will be the master of this imperial city!”

Bai Qian leaned against him Over David’s shoulder, looking at Hu Huangcheng below, he said!

David never thought that Bai Qian, a woman at the seventh level of the Tribulation Realm, could actually conquer such a large area of the imperial city!

The airship slowly landed in a square in Huhuang City!

A large number of orcs gathered around, as if they were very unfamiliar and curious about airships!

“Get out of the way, everyone, get out of my way...”

With a loud roar, a pair of soldiers in armor rushed over and surrounded the airship!

One of them wore a golden helmet and held a long sword in his hand, looking at the airship warily!

“This is my captain of the bodyguard, his name is Xue Kun!”

Bai Qian pointed at the man wearing the golden helmet and said!

David took a look and said casually: “This person is stronger than you. Will he be willing to listen to you?”

“Giggle, this is what makes me great.”

Bai Qian smiled and asked Ji Yun to open the door The airship hatch!

Seeing the cabin door open, Xue Kun immediately became alert. When he saw Bai Qian coming down, his eyes suddenly lit up!

“My Lady Queen, you are back!”

Xue Kun hurriedly stepped forward and helped Bai Qian down!

When everyone around them saw this, they all knelt on the ground and shouted “Queen!”

“You guys come down too!”

Bai Qian looked at David and the others who were a little confused, and said with a smile!

David took Ji Yun and Huofeng off the airship!

“Queen, who are these people??”

Xue Kun looked at David and the others and frowned slightly!

“These are all my friends!”

Bai Qian said!

Xue Kun didn't say anything, but ordered someone to drive back to the palace!

Bai Qian's palace is much more magnificent than Yihe's. After all, girls like to be beautiful!

That night, Bai Qian held a grand party ceremony for David, Ji Yun and Huofeng!

I have to say that Bai Qian's life in Huhuang City was really nourishing!

After all, the queen of a city is the ruler in this city, and she can do whatever she wants!

“Xue Kun, while I'm gone, no one in the Feng family is looking for trouble, right?”

Bai Qian asked Xue Kun at the banquet!

“Queen, the Feng family is not looking for trouble. It seems that something is going to happen to the Feng family in the past few days. They have been gathering people frequently. They seem to be looking for a man named David.”

“I heard that the Demon Sealing Alliance has ordered the execution.”

“I also heard that an elder from the Demon Sealing Alliance headquarters personally went to the Feng Family for this matter,”

Xue Kun said . !

When Bai Qian heard this, she glanced at David slightly, and then said, “Where’s Granny Zhen? I didn’t seem to see her when I came back.” “Grandma Zhen has been out of the city to collect medicine for many days

, and she should be back soon!”

Kun replied!

Bai Qian nodded, not saying anything!

After the banquet, David curiously asked Bai Qian, “What does the Feng family have to do with you? And who is Grandma Zhen?”

“The Feng family is a big family in the Central Region, and This Feng family is still a vassal family of the Demon Sealing Alliance. It has wanted to cooperate with me, Hu Huangcheng, many times. “

“I won’t agree to it. The Demon Sealing Alliance is not a good thing. Now the Demon Sealing Alliance has issued a killing order for you. ” It’s even more impossible for me to cooperate with the Feng family.” “As for Granny Zhen, she is a servant who has been following me. Granny Zhen has taken care of me since I was very young, and Granny

Zhen has very good medical skills.”

Qian followed David and explained in detail!
