Chapter 3916

Just as David was talking to Bai Qian, a figure suddenly flashed past Bai Qian's room.

"Someone..."

David stood up instantly and chased after him!

Bai Qian followed closely behind. In his own palace, someone dared to peek at him outside the room. He was so desperate!

The moment David chased Bai Qian out, the figure suddenly fell to the ground!

When David and the others caught up, they found that it was a girl!

The girl's body was covered with scars and she was obviously seriously injured!

"Xiao Cui?"

Bai Qian exclaimed when he saw the girl!

"Do you know him?" David asked!

"This is my personal maid."

Bai Qian frowned slightly and said!

When David saw this, he directly picked up the girl and returned to Bai Qian's room!

After some inspections, David shook his head and said: "The injury is too serious and the soul is damaged. I'm afraid it will be difficult to save her."

"How could this happen? Who dares to kill my personal maid? ?"

Bai Qian's face was full of anger: "David, can you wake her up? I want to ask who beat her like this."

"Let me try!" Ping nodded, and then a burst of spiritual power entered the girl's body!

David took out a rejuvenation pill from the storage ring and gently put it into the girl's mouth.

After a while, the girl slowly opened her eyes!

“Xiao Cui, who beat you like this?”

Bai Qian saw this and asked quickly!

“The Queen...is...it's Xue Kun. Run away...”

“Xue Kun has been cooperating with the Feng family. He's just waiting for you to come back and attack you.”

“I'm risking my life to tell you, hurry up and leave .” Well, Granny Zhen didn't go to collect medicine, but was locked up in a water prison!”

“Queen, let's go...”

After the girl finished speaking, she tilted her head and lost her breath!

Bai Qian listened to the girl's words, her whole body was full of shock and confusion.

She didn't understand that Xue Kun had betrayed her!

When David saw Bai Qian, he didn't know how to persuade him!

As a queen, you must be strong!

You know, this is the world of gods and humans, where strength is the most important thing and there are no rules at all!

This is not the secular world. In the secular world, without real ability, you can get into the position of mayor and manage a city just by flattering others!

No matter how capable his subordinates are, it's useless, no one dares to rebel!

Because the secular world has sound rules, and these rules are for ordinary people to obey!

But in this human world, there are no rules!

Everything has spoken for itself!

“This Xue Kun, I want to kill him, I must kill him.”

Bai Qian roared.

“Queen, you want to kill me, you have to have that ability!”

A cold snort came, and then the door was kicked open!

I saw Xue Kun and many guards directly surrounding Bai Qian’s room!

Seeing Xue Kun, Bai Qian’s eyes were full of anger: “Xue Kun, you dare to betray me?”

“Why don’t I dare? Now the Feng family has negotiated with me. We, Hu Huangcheng, will join the Demon Sealing Alliance. When the time comes, we will Provide us with various resources.”

“You are only a seventh-level warrior in the Tribulation Realm. Do you still want to rule the entire Huhuang City?”

“The reason why I am willing to listen to you is because I want to practice dual cultivation with you. It doesn’t matter who is in charge of Hu Huangcheng.” “But after

all these years, you haven’t even let me hold your hand, and I have understood that you have no intention of practicing dual cultivation with me, so I might as well do the opposite.”

“Now I am already a crosser . The strength of the ninth level of the Tribulation Realm, the entire Huhuang City listens to me. If you obey me, I can ensure that you enjoy the glory.”

“If you don’t obey, then don’t blame me for being rude...”

Xue Kun looked ferocious. proud!

Bai Qian looked at Xue Kun like that, and her expression became even more angry!

Chapter 3917

At this time, Ji Yun and Huo Feng also rushed over from the next door, but Xue Kun was not afraid!

After all, none of these people is stronger than him!

After listening to Xue Kun’s words, David looked at Bai Qian with a smile and said, “Is this your way of controlling people? Is this what you said you are so good at?”

“You just rely on your looks to win over others, time. When you grow up, Kaizi will understand that if you want to make people obey, you still need strength.”

Bai Qian glared at David, and then said angrily: “You are still laughing at me, I want to play with your woman. Aren’t you angry?”

“What’s there to be angry about? This proves that my woman is beautiful. Many people have had thoughts about the women around me, but it’s a pity that they are all dead!”

After David said that, he looked at that person. Xue Kun said: “How dare you touch my woman even if you are in the ninth level of Tribulation Realm?”

Xue Kun frowned and stared at David: “Your woman?”

“Of course, your queen is now My woman, I should be your prince-in-law.”

“Why don’t you kneel down when you see your prince-in-law?”

David said with a playful look!

“Bah, you’re just a fourth-level monk in the Tribulation Realm. How could the Queen fall in love with you? You dare to talk nonsense. I’ll skin you!”

Xue Kun didn’t believe what David said at all!

Seeing that Xue Kun didn’t believe it, David hugged Bai Qian and kissed her, even raising and lowering his hands!

Bai Qian didn’t resist or dodge at all!

This time, Xue Kun was so angry that he flew into a rage!

“Tear off my skin? Do you have what it takes?”

After David finished speaking, his figure disappeared in a flash!

Before Xue Kun could react, he was slapped in the mouth and flew out of the room!

David and the others also walked out!

Xue Kun looked at David in disbelief. He never imagined that a young monk at the fourth level of the Tribulation Realm could slap him away with a slap. “

Many guards around looked at them in shock.

“Boy, you are looking for death...”
Xue Kun roared, and a bear loomed behind him!

The bear opened his bloody mouth, bared his teeth and claws, and the aura of the ninth level of the Tribulation Realm kept pressing towards David!

David snorted coldly: “A bear, also wants to play with my woman...”

After David finished speaking, the dragon crystal on his chest kept flashing, and the terrifying power of the dragon exploded!

A golden dragon appeared behind David!

The golden dragon roared with such power and domineering force that the surrounding guards fell to their knees!

Seeing this, Xue Kun frowned, and there was obviously a hint of panic in his eyes!

He didn't expect that David turned out to be a dragon!

“So what if you are a dragon? With your level 4 strength in the Tribulation Realm, you can't even think of killing me!”

Xue Kun roared angrily, and the bear figure behind him kept getting bigger!

“Then with me, can I kill you?”

The fire phoenix turned around and transformed directly into its true form!

The huge fire phoenix was burning with blazing fireworks, hovering in the sky!

The appearance of the fire phoenix made everyone in Hu Huangcheng kneel down when they saw this scene!

Xue Kun looked at the fire phoenix in front of him and was dumbfounded!

Before Xue Kun could react, the golden dragon and fire phoenix spurted flames from their mouths, burning Xue Kun to death!

A monk at the ninth level of the Tribulation Realm was burned to death without any time to resist!

It was only then that many guards realized how terrifying David, who did not seem to be at the fourth level of the Tribulation Realm, was!

This Xue Kun has just been promoted to the ninth level of the Tribulation Realm. This strength is indeed not enough for David!

You know, even David, a first-level monk in the Mahayana realm, can fight in a battle. A promoted ninth-level monk in the Tribulation Realm, it is not easy to kill him!

Xue Kun didn't understand until his death. Why did he die?

He didn't even understand that Bai Qian had met so many friends who expressed their opinions!

Chapter 3918

Xue Kun died, and the remaining guards followed Bai Qian to beg for mercy!

Bai Qian did not punish these guards, but went directly to the water prison and rescued Granny Zhen!

The crisis in Hu Huangcheng was simply resolved, and Xue Kun's long-planned rebellion was also shattered in an instant!

This is the embodiment of strength!

Early the next morning!

Bai Qian sent someone to Ziyang Sect and invited Elder Yu from Ziyang Sect to come!

After all, no one knows now whether Ziyang Sect has the technique to merge into fire!

If there is no Ziyang Gate, then David doesn't have to go to Ziyang Gate again!

David's current status is not suitable for running around!

"Queen, why did you send someone to invite Elder Yu from the Ziyang Sect?"

"The Ziyang Sect must have changed dynasties recently. I heard that the old sect leader was forced to abdicate and the new sect leader took power."

"During this period, Ziyang Sect is The internal fighting within the sect is the most serious. We in Hu Huangcheng should not get involved in the affairs of the Ziyang Sect."

Granny Zhen thought Bai Qian invited Elder Yu to discuss the internal fighting in the Ziyang Sect!

“Purple Flame Sect has a new sect leader?”

Bai Qian was a little surprised in her heart: “How long has it been? It’s incredible that a sect as big as Ziyang Sect has changed its dynasty.”

“But don’t worry, Granny Zhen, I don’t want to get involved with the Ziyang Sect, but my friend wants to merge with the fire, so I asked if there is any skill in the Ziyang Sect that can be merged with the fire.”

Grandma Zhen heard this. Qian didn’t want to get involved in the internal fighting of the Ziyang Sect, so he nodded and said: “The Ziyang Sect should have this kind of skill. After all, the Ziyang Sect is the most powerful sect in the world of heaven and earth that practices fire skills.

“It’s just that I don’t know if the Ziyang Sect will spread this kind of technique. After all, the techniques of each sect are not spread to the outside world.” Bai

Qian also smiled after hearing Granny Zhen’s words. Difficult, he then looked at David and said, “What if this Ziyang Sect has the technique of merging with fire, but it doesn’t spread it to outsiders?”

“This is not easy to handle. I can just join the Ziyang Sect and become a disciple of the Ziyang Sect.”

David said with a faint smile!

It seems that David has already thought of a countermeasure. He also knows that the skills of each sect are basically not taught to outsiders. If you want to learn, you must become a disciple within the sect!

“You think it’s so easy to join the Ziyang Sect, but you need to take an assessment.”

Bai Qian said!

“What? Do you think I can’t even pass the examination of a disciple?”

David asked playfully!

“That’s not true!” Bai Qian shook her head. Although David is only at the fourth level of the Tribulation Realm now, his true strength is no match for even the ninth level of the Tribulation Realm. It is easy to pass the Ziyang Sect assessment!

“Master, if you want to join the Ziyang Sect, you must change your appearance and your name. Don’t let the people of the Ziyang Sect take advantage of their own interests and detain you.” The

fire phoenix on the side said. !

After all, many people now know that the Demon Sealing Alliance used a hundred years of sacrifice to kill David!

If people from the Ziyang Sect know David’s true identity, I’m afraid David will become a prisoner if he fails to learn this technique!

After all, the hundred years of worship from the Demon Sealing Alliance is very tempting!

“This is easy to handle...”

David smiled, then turned his body twice, and his whole appearance changed instantly!

As for the aura that cannot be completely changed, David is not worried. After all, no one in the Ziyang Sect knows David’s aura!

“Let’s wait until Elder Yu comes and ask. If he knows about this technique, with our friendship, maybe he will tell the truth.”

Bai Qian doesn’t want David to take the risk of becoming a disciple of Ziyang Sect. !

If you can get the technique from Elder Na Yu, even if you spend a certain amount of resources, it will be worth it!

Near noon, Elder Na Yu arrived!

At this time, Elder Na Yu looked a little tired!

Chapter 3919

“Fox Princess, why did you send someone to look for me? If it weren’t for the close friendship between the two of us, I wouldn’t have come.”

“Our Ziyang Sect is in the midst of troubled times recently, and there are many things that need to be dealt with!”

Elder Yu said to Bai Qian.

“Elder Yu, this time I went to the Southern Territory Demon Mountain, and I gained something. The first thing I thought of was Elder Yu.”

Bai Qian said, and took out some resources obtained in the Demon Mountain!

Seeing this, Elder Yu had a smile on his face, and collected all the resources unceremoniously, and then said: “You are too polite. If you have anything, just tell me. I know you came to me, but it’s not ” In order to give me these resources.”

“Elder Yu is really smart. I have a friend who also practices fire techniques and has mastered several kinds of ultimate fire, so I want to ask Elder Yu about the techniques of your Ziyang Sect. , is there any technique that can fuse the ultimate fire?”

Bai Qian asked!

“A technique that can fuse with fire?” Elder Yu frowned slightly, then shook his head and said, “It seems that in our Ziyang Sect, we don’t have a technique that can fuse with fire.”

When Bai Qian heard this, she felt a little discouraged. Wouldn’t it be a waste to give away so many resources? Ziyang Sect doesn’t have such a technique at all!

David was also speechless. If even the Ziyang Sect, which is the best at practicing fire-based skills in the heaven and human world, does not have this kind of skill, it seems that only the heaven can have it!

But with David’s current strength, if he wants to ascend to heaven, it will probably take quite a while!

What’s more, in a month, he will compete with Mu Qing. If David’s strength does not increase, he may not be able to compete with Mu Qing!

Just when Bai Qian was discouraged and David was speechless, Elder Yu changed the subject and said: “Although our Ziyang Sect does not have the technique of merging with the Ultimate Fire, I have heard that after the Ultimate Fire Crossing Tribulation, It can be integrated.”

“To cross the fire?”

David and Bai Qian said in unison, their faces full of surprise!

They don’t know what it means to cross the tribulation of the fire!

“This kind of ultimate fire transcending tribulation is to bombard the ultimate fire in the body with tribulation thunder. No matter how much ultimate fire it is, the ultimate fire after being transcended will merge together and will not differentiate.” “

But this I have only heard of it, and I have never seen it. Our old sect master seems to have successfully survived the tribulation of fire.”

Elder Yu’s words undoubtedly gave David confidence!
Although David didn’t know what it meant to survive the tribulation, he had made a good start.

“Elder Yu, I wonder if you can bring my friend to meet your old sect leader?”

Bai Qian asked!

Elder Yu smiled awkwardly and said: “I’m really sorry, our old sect leader is in retreat and can’t meet people casually.”

“What’s more, your friend is not a disciple of our sect. Even if he meets our old sect leader, he It’s impossible to teach him anything.”

“I can join your Ziyang Sect,” David said hurriedly!

Elder Yu looked at David, and then smiled coldly: “Do you think it is so easy to join our Ziyang Sect?”

“You are only at the fourth level of the Tribulation Realm. It is very difficult to pass the inner sect assessment. .”

“I can try.” David said!

“We...”

“Elder Yu, I have some things here that I want to give to you.” Before Elder Yu could say anything, Bai Qian once again used a large amount of resources!

When Elder Yu saw this, he laughed, took everything away and said, “I can take you to take the assessment. You may not pass. It all depends on your ability. It doesn’t matter what I, the elder, say.”

“No problem!” David nodded!

“Okay, then you come with me. If you can really pass the test, for the sake of the Fox Princess, I will also take care of you.”

Elder Yu looked at David and said!

“Elder Yu, thank you very much.”

Bai Qian quickly thanked him!

But I have long been scolded in my heart. This is not for her sake, but for the sake of resources!

Chapter 3920

David told Ji Yun and Huo Feng a few words, asking them to stay in Huhuang City for a while!

He himself followed Elder Na Yu to the Purple Flame Sect!

The terrain structure of the Central Territory is very different from that of the Southern Territory. There are not many mountains, and most of them are plains!

As we get closer and closer to the Ziyang Gate, the temperature also rises!

A large expanse of desert appeared in front of us!

David was very puzzled as to why the Ziyang Sect built the sect in such a desert. It was too difficult!

Soon, in the desert, David saw a large area of buildings. These buildings were exquisite, spectacular, and very grand!

David took a quick look and found that these building stairs were very orderly!

“Fellow Daoist Cheng, this is our Ziyang Sect. If you want to become a disciple of the Ziyang Sect, you must take the exam.”

“See these buildings. The closer you are to the buildings inside, the higher the level of the disciples who live there. “

The outermost are the outer disciples. You need to start the assessment from the outer disciples,”

Elder Yu said to David!

David changed his appearance, now his name is Cheng Ping!

“Elder Yu, we still need to assess the outer disciples. Can’t we directly assess the inner disciples?”

David frowned slightly!

If this assessment is from the outer sect, when will he be promoted to a senior disciple of Ziyang Sect, and when will he be able to meet the old sect master!

“It’s not that it’s impossible, it’s just...”

Elder Yu glanced at David and said hesitantly!

David instantly understood what Elder Yu meant. He just wanted some benefits.

This guy is really greedy, but David has nothing to do, so who can ask for help from others!

David had no choice but to take out some fairy grass, spiritual stones, and a large bag of purple gold spiritual coins from the storage ring.

“Elder Yu, these are the only things I have with me. Take them first. When I become an official disciple of Ziyang Sect, I will naturally not forget Elder Yu.”

“I just came to Ziyang Sect. If you are familiar with it, you will have to count on Elder Yu to take care of it in the future.”

David gave the thing to Elder Yu very wisely.

Elder Yu looked at the things in his hands and said with a bright smile: “You’re welcome, fellow Daoist Cheng. If you have anything to do with Ziyang Sect in the future, just come to me directly. I am not an elder for free.”

“I have a good relationship with the Fox Princess. You It’s his friend again, of course I have to take care of him.”

“Just follow me and forget about the external examination.”

As the saying goes, after taking David’s things, Elder Yu said. It’s obviously easier to talk.

Elder Yu followed David and floated in the air, then explained to David the Purple Flame Sect: “Look at the two large buildings in the front. These are the outer sect disciples, and only those inside are the inner sect disciples.”

“Look at the middle . That large area of buildings is where the high-level members of Ziyang Sect live, and behind them are the family members of the old sect master. The

new and old sect masters have just replaced each other, so there are still a lot of things to deal with in Ziyang Sect. “

“You just entered. Disciples of the sect, remember not to inquire casually, and don’t offend anyone. As long as you practice well, you will always have a chance to meet the old sect master.”

“Okay!” David nodded!

The two people fell from the air and then entered through the main entrance of Ziyang Gate!

Although the entire Ziyang Gate is in the desert, after entering the Ziyang Gate, you can’t see a grain of sand, it is lined with green trees, and there is even a small fountain!

Being able to build such a large-scale building in the desert, with green trees and fountains, shows that the Ziyang Sect’s financial resources are also very strong!

Elder Yu took David into the Ziyang Gate without anyone blocking him.

The outer disciples guarding the sect did not dare to stop the elder.

In this way, Elder Yu led David through two huge building complexes and arrived at the place where the inner disciples were!
