Chapter 3931

“What happened? Why did the pressure suddenly disappear?”

“It’s not hot anymore, I feel so relaxed!”

“Is the assessment level invalid?”

Everyone suddenly felt that the pressure was gone, and they all became surprised!

Even Qian Xiu was stunned, and said in disbelief: “How could this happen? Is the assessment level broken?”

“Senior sister, no matter what, let’s hurry up while there is no pressure now, otherwise we will be left too far behind.”

David hurriedly urged!

“Yes, let’s speed up!”

Qian Xiu nodded!

Without the pressure, everyone’s speed increased very quickly, and it didn’t take long for them to catch up with Lu San and the others!

“Senior Brother Lu, look, how did those guys catch up?”

Someone discovered David and the others and hurriedly reminded them!

Lu San turned around and saw that David and the others were approaching quickly!

And the speed was very fast, and they were about to overtake them!

“Damn, what’s going on?”

Lu San was also a little confused!

At this time, David and his group had already caught up, Qian Xiu sneered at Lu San and said, “Why are you so slow, just like a turtle, weren’t you very proud just now?”

“Hahaha, like a turtle...”

“Too slow, you’re still bragging!”

Other cultivators also mocked Lu San and his group!

“Qian Xiu, you cheated, why does the pressure here seem to have no effect on you?”

Lu San found that David and his group were very fast and relaxed, and it was obvious that they were not under pressure at all!

“You’re talking nonsense, it’s obviously this assessment level...”

Qian Xiu didn’t finish her words, but David reminded her, “Sister, the level is not invalid. Look at Lu San and his group. Although they are not slow, they obviously consume a lot of spiritual power!” Qian

Xiu looked carefully, and sure enough, Lu San and his group were also flushed at this moment, with sweat on their foreheads!

Although the speed is fast, it should be due to strong strength and strong ability to withstand pressure. It does not mean that the level has failed and the pressure is gone!

Qian Xiu was surprised, but luckily she didn’t say it just now!

“Lu San, you can’t beat us, so you just say we cheated. Are you shameless?”

“You just surpassed us, so is it okay if I say you cheated?”

Qian Xiu retorted to Lu San, and sent a message to everyone, asking Everyone, hurry up and show that you are in pain!

Otherwise, if you walk too easily, you will be easily suspected!

If we really investigate, I’m afraid our qualifications for this assessment will be gone!

After hearing Qian Xiu’s message, everyone bared their teeth, their foreheads were covered with sweat, and they looked very fed up!

But the speed of his feet is not slow!

Seeing everyone like that, David wanted to laugh. These guys are really good at acting!

Everyone struggled, but they soon surpassed Lu San and others, which made Lu San very angry!

“Senior Brother Lu, what’s going on? When did these guys become so powerful?”

“That’s right, the pressure is getting stronger and stronger, and they can still walk so fast.”

“It’s really a ghost...”

Lu San said Everyone around me looked puzzled!

Obviously they are stronger, but the opponent is faster than them!

“Maybe the stronger the strength, the greater the pressure. Let’s chase him quickly!”

Lu San didn’t know what was going on and could only make random guesses!

David and the others have long since disappeared, and Lu San and the others cannot catch up!

“Hahaha, I just saw how embarrassing Lu San and the others were. It was so enjoyable.”

“Since the level is not broken, why don’t we have any pressure?”

“It’s really strange. Could it be God helping us?”

At this time, everyone remembered. , the level is okay, why don’t they feel the pressure anymore.

Some even speculate that God will help!

Chapter 3932

David smiled and said nothing. If God helped, then it was God!

At this time, Liu Shitong, who was outside the assessment level, was also watching the assessment situation!

Wei Qing is also here, after all, a lot of spiritual coins are being staked on this!

When he saw David and the others being surpassed by Lu San, Wei Qing’s hands were stained with sweat!

But seeing David and the others suddenly speeding up and overtaking Lu San and others, Wei Qing had a smile on his face!

Liu Shitong frowned, with a gloomy look on his face!

“What’s going on? Is there something wrong with the assessment level?”

“Come here, check it out immediately.”

Liu Shitong roared!

Someone soon went to check the assessment level. After all, if there was something wrong with the assessment level, then the assessment would be meaningless!

“Liu Shitong, if our people surpass you, there is something wrong with the level. You know, your people were in front just now. Why didn’t you go check it?”

Wei Qing asked Liu Shitong with some pride!

“Wei Qing, it is my duty to check checkpoints. I can check whenever I like. Do you care?”

Liu Shitong glared at David angrily!

Soon, several disciples went to check the checkpoints, but they returned soon!

“Senior Brother Liu, there is nothing wrong with the level. Everything is moving normally. Whether it is the formation patterns or the spiritual stone reserves, they are all normal.”

After checking, he said to Liu Shitong!

Liu Shitong frowned. He couldn’t understand why people like David were so fast. Why did the coercion seem to have no effect on them?

He could never have imagined that David could eliminate this pressure with a wave of his hand!

“Go and check it again, carefully.”

Liu Shitong sent people away again!

At this time, David and the others were about to pass through that oppressive place!

It was relaxed and happy along the way, talking and laughing, without digesting my own spiritual power at all!

“We are about to kill the fire spirit beast ahead. Fortunately, no one has consumed their spiritual power along the way, so there is no need to be afraid when facing the fire spirit beast.”

Qian Xiu said to everyone!

After listening to Qian Xiu's words, David felt that the Ziyan Sect's inner sect assessment was really abnormal. Along the way, people almost consumed all their spiritual power, and then killed the fire spirit beast. Wouldn't this mean that they would be killed by the fire spirit beast? Are you going to die?

Fortunately, along the way, everyone had David's help and did not consume their own spiritual power, so they were not afraid when facing the fire spirit beast!

As the pressure disappeared, thousands of beasts burning with flames appeared in front of David and the others!

But David could tell at a glance that these fire spirit beasts were just phantoms, they were all phantom beasts!

If it were a real fire spirit beast, the Zi Yan Sect's inner disciple examination would probably turn into a mountain of corpses and a sea of blood, and I don't know how many disciples would die!

However, these transformed beasts will not really kill the disciples who are undergoing the assessment. After all, these are phantom beasts and are controlled by the Purple Flame Sect!

Moreover, the strength of these fire spirit beasts is also controlled by the chief judge of the assessment, and can be adjusted at will!

Looking at the dark fire spirit beast in front of them, although everyone has preserved their strength, they are still frightened!

"Don't be afraid, everyone. These fire beasts are not that powerful. As long as you kill hundreds of fire beasts, you can pass this level."

"But no one is allowed to help. You must complete the killing alone. If the fire spirit beast is killed by two people, or more people, it does not count. When the fire spirit beast dies, only one person's breath must be left on it,"

Qian Xiu explained to everyone!

"Senior Sister Qian, please tell me about the characteristics of these fire beasts, so that we can deal with them more easily!"

someone asked!

Chapter 3933

Qian Xiu shook her head and said, "The fire spirit beast has no characteristics, and its strength is ominous. The strength of the fire spirit beast in each assessment is adjusted by the chief judge, so it is not the same, and the fire spirit beast has no fixed characteristics, in order to prevent targeted training."

Upon hearing this, everyone was a little disappointed. It seems that they must go all out, and it is useless to rely on the old man!

"Sister, let's do it!" David said!

"Wait, and this fire spirit beast must be killed with the ultimate fire. No other skills can be used, let alone real weapons."

Qian Xiu reminded again!

"Understood!" Everyone nodded, and then stretched out their hands, and flames jumped in their hands, and then these flames turned into various weapons!

"Kill....."

Everyone waved the weapons transformed by flames and rushed towards the fire spirit beasts!

"Little Junior Brother, your ultimate fire is too weak, and the strength of these fire spirit beasts is also high and low. You follow me behind, and if you encounter a weak one, I will leave it to you to kill."

Qian Xiu took David's hand, like protecting a child, and protected David behind him!

"Sister, I want to try it myself!"

David finished speaking, and a flaming sword ignited in his hand. Then he jumped up and headed towards the fire spirit beasts!

"Junior brother!" Seeing this, Qian Xiu followed closely!

But before he got in front of David, he saw that after David arrived, he slashed with a sword, and a fire spirit beast wailed and fell to the ground!

Wherever David's sword passed, the fire spirit beasts were all beheaded!

David was like a harvester, reaping the lives of the fire spirit beasts!

Everyone was shocked to see this scene!

After all, at the beginning, everyone thought that David was just a rich second generation, and was brought to Zi Yanmen by Elder Yu because of his rich connections!

But now it seems that David is also very strong!

“Sister, isn’t this little junior brother a rich second generation? How can he be so powerful?”

“Could it be that this little junior brother encountered the weakest fire spirit beast?”
Everyone asked Qian Xiu!

“Stop talking nonsense. Who said that the second generation of rich people can’t be strong? The junior brother is the one with lots of money and strength.”

Qian Xiu looked at David’s outstanding strength, and his eyes were full of appreciation!

Rich, handsome, and powerful!

It wouldn’t be a pleasure to be able to practice dual cultivation together...

Qian Xiu was so fascinated by David’s figure that he almost burst into tears!

The other brothers and sisters all laughed when they looked at Qian Xiu!

“Why are you laughing? Why don’t you take action quickly and pick out the weak fire beasts to kill? When Lu San and others come, they won’t be able to catch them.”

Qian Xiu glared at everyone and said!

Only then did everyone react and started to take action!

At this time, Lu San and his men were also late. When they saw that David and the others were already killing the fire spirit beasts, and there were many fire spirit beast corpses on the ground, Lu San was filled with anger!

“These guys are so fast and kill the fire spirit beast so fiercely. They must not be affected by the pressure.”

Lu San said angrily!

“Senior Brother Lu, these guys are really evil. They are all so fierce, especially the new guy. He has killed so many fire beasts.”

Someone pointed at David and said to Lu San!

Lu San glanced at David and found that David had killed dozens of fire beasts and was about to pass the exam!

“Let’s take action too, don’t mix with them, let’s go somewhere else.”

Lu San jumped up, left the place where David and the others killed the fire beast, and went to the other side to take action!

Seeing Lu San and others moving away from him to kill the fire spirit beasts, David thought that these guys were not taking action here because all the weaker fire spirit beasts here had been slaughtered!

Chapter 3934

Qian Xiu and the others thought the same way, so they didn’t pay too much attention!

“Senior Brother Lu, why do we have to hide from these guys? We also rushed up to kill the fire spirit beasts, and we can also trip them up.”

Someone asked Lu San in confusion!

“Idiot, the strength of this fire spirit beast is controlled by Senior Brother Liu. After we separate, Senior Brother Liu can make the fire spirit beast on our side weaker and make the fire spirit beast on their side stronger.”

” If you don’t understand this, I think you should go back!”

Lu San said with a glare!

When the others heard this, they all laughed, feeling that they could use the back door!

“Senior Sister Qian, when Lu San and others saw us, they were so scared that they ran away.”

“That’s right, they must feel that they can’t compare with us and are afraid of being embarrassed!”

“Hahaha, I didn’t expect them to be like this.”

See . Lu San and the others went aside, and the monks from the old sect leader’s lineage all started teasing them!

But Qian Xiu frowned slightly, as if he had a bad premonition!

“Stop talking, kill the fire beast quickly, and then pass this level quickly!”

Qian Xiu reminded!

“Okay...”

the monks replied!

But when these people followed the fire spirit beast, they discovered that the fire spirit beast that was clearly easy to kill just now had become much more powerful now!

“What’s going on? Why did the fire spirit beast suddenly become so powerful?”

“That’s right, it was easy just now.”

Everyone said in confusion!

David could also feel that this fire spirit beast suddenly increased its strength!

However, this improved strength is of no significance to David, but it is not easy for other monks!

For a long time, everyone failed to kill a fire spirit beast. Instead, they were made very embarrassed by the fire spirit beast!

Lu San and others easily killed the fire spirit beast. Seeing Qian Xiu and the others being very embarrassed by the fire spirit beast, Lu San and others all laughed!

“Senior sister, this fire spirit beast is considered to be more difficult to control. Now we will take people to mix with Lu San and the others.”

“We will go wherever they go. The fire spirit beast over there must be simple.”

David discovered the problem immediately!

Lu San led people to the other side, not because he was afraid of them, but because he deliberately separated them, just to cause trouble!

Qian Xiu glanced at Lu San and others and saw that these murderous fire spirit beasts should not take it easy!

“Damn it, it must be Liu Shitong’s fault. As the chief judge of the assessment, he engaged in malpractice for personal gain.”

Qian Xiu cursed and then led his men to rush towards Lu San and others!

Anyway, they are all about killing fire beasts, as long as they kill a hundred of them!

It doesn't matter where they were killed!

Lu San saw Qian Xiu and others coming, and wanted to follow Qian Xiu and others to distance themselves!

But wherever they go, Qian Xiu will take them!

“Qian Xiu, you are so shameless, why do you take people wherever we go?”

Lu San became anxious and reprimanded Qian Xiu loudly!

“Lu San, it's you and Liu Shitong who are shameless. Don't think that we can't detect your cheating for personal gain.”

“Anyway, for this test, you only need to kill a hundred fire beasts. You don't care where I kill them. “

After Qian Xiu finished speaking, he said loudly: “Junior brothers, kill the fire spirit beast quickly and pass this level!”

Everyone began to kill them wantonly!

Lu San could only be angry, but there was nothing he could do.

David watched quietly from the side, because he had already killed a hundred fire beasts!

As the time for this level ended, David and the others all completed the assessment and killed a hundred fire spirit beasts. However, there were actually a few people from the third group of Lu who did not complete the assessment!

Chapter 3935

“Ah, I killed ninety-nine, just one short, just one short...”

A cultivator roared unwillingly, but was finally teleported out of the test field by a beam of light!

Seeing that David and the others had all passed, Lu San's face became very ugly!

“This level has been passed, and you must pay special attention to the next level, which is also the place that tests the ultimate fire the most.”

Qian Xiu said to everyone!

She also said this to David. David’s ultimate fire was too weak, so the next level was very important!

With a large area of light shining down, David and the others were slowly wrapped by the light, and then everyone’s eyes were all black!

When David opened his eyes again, he found that there was a vast expanse of white all around, and he could not see anything, and his spiritual consciousness could not penetrate!

At this moment, David felt like he was in a confined space!

David tried to penetrate this white area, but found that he could not get out at all!

“Little Junior Brother, don’t be afraid, you just need to use the ultimate fire in your body to withstand the test for a while.”

“Don’t worry, there will be no danger to your life. If you really can’t hold on, you can shout to quit.”

At this time, Qian Xiu’s voice came over!

“Got it, Senior Sister Qian!”

David nodded, then sat down quietly, quietly waiting for the test to come!

Soon, waves of heat rolled, and David seemed to be in the flames!

David could feel the burning flames around him. Although he couldn’t see it, he could feel it!

So people use the fire in their bodies to resist this heat wave.

The burning of the fire in the body will prevent the heat waves around from invading the body!

David sat quietly. Even if he didn’t use the ultimate fire to resist, the heat wave of this power couldn’t do anything to him!

David sat for a while and felt a little bored. He actually began to actively absorb the heat wave. He wanted to see what kind of flames the heat wave produced was!

As David absorbed the heat wave, he was surprised to find that these waves of heat waves were actually emitted by the ultimate fire of Zi Yanmen!

Feeling this breath, David's heart suddenly became happy!

This is the ultimate fire of Zi Yanmen, which David has never seen before. If he can absorb and refine the ultimate fire of Zi Yanmen and make it his own, wouldn't it be another kind of ultimate fire?

Thinking of this, David actually began to actively absorb the heat wave, and his consciousness continued to extend outward with the heat wave!

David must find the location of the ultimate fire before he can try to refine and absorb it!

The whiteness all around blocked his consciousness, but David used the heat wave to extend his consciousness!

As David's consciousness extended, he found that at this moment, all of them were in a huge space. The distance between each person was not far, but they were all covered by the formation!

Among them, a ball of fire kept jumping. It was obvious that the rolling heat waves were emitted by this ball of fire!

Just when David was about to observe the fire carefully, suddenly a figure was sneaking towards the fire!

David saw that the figure was Lu San.

David was stunned. He didn't understand how anyone could leave his place during the assessment!

You know, no matter how David walked, he couldn't leave his area!

But how did Lu San leave his area?

David used his spiritual sense to explore this guy. He wanted to see what Lu San was up to!

Lu San was holding something wrapped in red cloth in his hand. After opening it, it turned out to be a bronze mirror with array patterns engraved on it!

And Lu San used this bronze mirror to travel freely in this area!
