Chapter 3961

“I accepted this disciple in Huhuangcheng, but I didn’t expect him to be so powerful!”

After saying this, Elder Yu also left in a hurry!

He just took the money to do the work, and he didn’t know that David was so awesome!

But it’s not a good thing for David to be too awesome. After all, the first bird to stick out gets shot, and it’s not good for David to be too conspicuous at that time! At

this moment in Elder Yu’s mansion, David was surrounded by Wei Qing and Qian Xiu and treated as a great hero!

“Junior brother, you are so awesome. I, your senior brother, am ashamed of myself in front of you.”

“This is the spiritual coins won from Liu Shitong. Check if the number is correct!”

Wei Qing said, and put two large bags of purple gold spiritual coins in front of David!

These are what Liu Shitong lost to David in a bet with David!

David didn’t even look at it, but just put away his bag of purple gold spirit coins, and then returned the remaining bag to Wei Qing and said, “Brother, share this bag of purple gold spirit coins with the brothers.” “

Just now during the competition, everyone was worried about me!”

A bag of purple gold spirit coins, more than a hundred pieces, such a large amount, even ordinary sects don’t have it!

Wei Qing took the purple gold spirit coins with trembling hands and nodded, “Okay, I’ll share them now!”

The other brothers were excited and kept praising David!

Some of them were about to kowtow to David. After all, many of them were outer disciples with low status. Not to mention so many spirit coins, they had never even seen them!

It's like suddenly becoming a millionaire from a beggar!

The reason why David did this was to win people's hearts so that he could move freely in Zi Yanmen!

"Junior brother, this is the first time I've seen a man like you. You are capable, rich, and humble."

"You don't know, you scared me to death just now. I thought you were going to die."

Qian Xiu held David's hand and said with concern! Qian Xiu's hands were soft and boneless, constantly rubbing David!

Wei Qing saw it, although he felt a little unhappy in his heart, he secretly liked Qian Xiu, but now Qian Xiu treated David like this, Wei Qing could only watch, not daring to say anything!

You know, compared with women and money, Wei Qing likes money more!

He can't offend David for Qian Xiu, not to mention that it was Qian Xiu who took the initiative to seduce David!

David pulled his hand back and said: "Senior sister, in the future in Ziyanmen, you still need senior sister to take care of you!"

"Little Junior Brother, don't worry, if you have any problems in Ziyanmen in the future, just find me."

"If I can't do it, let Senior Brother Wei Qing come forward. If anyone dares to bully Little Junior Brother, we all won't agree!" Qian Xiu patted his chest and said!

"Yes, we won't agree, we will follow Little Junior Brother in the future!"

Everyone said in unison!

"Thank you very much, Senior Sister!" David smiled slightly when he saw everyone like that!

"Junior brother, you just arrived, and there should be no place to rest yet. There are many disciples in Elder Yu's mansion, and there may be no empty rooms."

"If you don't mind, I will take you to my place. My master is locked up now, and I have the final say in the whole mansion."

"And I can talk to you anytime..."

Qian Xiu actually wanted to call David to live with her!

This was already a blatant seduction, but others did not laugh at Qian Xiu!

After all, if they were women, they would not hesitate to throw themselves into the arms of a man like David!

“Junior sister Qian, I can give up my room and let you rest, so you don’t have to worry about it.”

“I guess the master will be back soon. When he comes back, he will definitely talk to you, and it will not be convenient for him to go anywhere you go.”

Wei Qing stopped him and didn’t let David go!

Chapter 3962

“Hmph, stingy...”

Qian Xiu rolled his eyes at Wei Qing!

At this time, Elder Yu came back. Seeing Elder Yu coming back, Qian Xiu hurried forward and said, “Elder Yu, I wonder if my master’s affairs were mentioned in this council?”

“He just contradicted the Huo family leader for a few words, but he was imprisoned for thirty years. It’s too heavy!”

“We can’t do anything about this matter. Huo Yuanting’s attitude is very firm, but we will plead for Elder Hu. You go back first.” Elder Yu said!

Qian Xiu nodded, and then left with several disciples!

After Qian Xiu left, Elder Yu asked Wei Qing to take people away as well. Only Elder Yu and David were left in the hall!

“You made such a big noise, someone will notice you.”

“Learn to be low-key in the future, so that you won’t be discovered!”

Elder Yu reminded David!

“Don’t worry, I know my limits!”

David nodded!

Elder Yu did not ask about David’s identity or his strength!

Since he has received the money, Elder Yu also knows that he should ask what he should ask and not ask what he shouldn’t ask!

This is a matter of principle!

Take money from people and eliminate troubles for them. Only in this way can there be more cooperation in the future!

Nowadays, there are constant internal struggles in Zi Yan Men, and Huo Yuanting is eliminating dissidents. Elder Yu doesn’t know how long he can stay in Zi Yan Men.

Taking advantage of this time, making a lot of money is the most important thing!

“It’s good to be sensible, but you have to be careful. Liu Shitong is not a generous person.”

“You still have to pass the inner sect disciples. Now you have to go to Siguo Cliff for a month of hard training. It has just been announced. I don’t know if you have to go!”

“I will try my best to fight for you. Don’t go to Siguo Cliff. That place is said to be a place for hard training, but it is actually a place for brainwashing. It may turn people into fools.” Elder Yu said to David!

“Practice hard for a month?” David was stunned when he heard it. He didn’t have time to spend a month here!

What’s more, he had a bet with Mu Qing, so it was impossible for him to stay in Ziyamen for a month!

“Elder Yu, I am now an inner disciple, and I hope you can arrange for me to meet the old master as soon as possible.”

David said!

“I will arrange it, but now Huo Yuanting is very strict with the old master. Even the descendants of the old master’s family are very difficult to meet now.”

“Don’t worry, if possible, I will let you meet the old master’s daughter first. If the old master’s daughter knows the method of overcoming the fire, you don’t have to see the old master.”

“Finish your business and leave Ziyamen as soon as possible, otherwise it will be very troublesome if you are targeted by others!”

Elder Yu didn't want David to stay in Ziyamen for a long time. After all, if the people who were brought in for money were investigated, it would be difficult for him to deal with them!

“Okay, everything is subject to Elder Yu's arrangement!”

David nodded.

Now that he is here, David can only listen to Elder Yu, otherwise David would not recognize the old master even if he saw him!

Elder Yu left, and Wei Qing walked in, very curious: “Junior brother, what did the master say to you?”

“Nothing, the master told me to be low-key, and also wanted me to meet the old master's daughter.”

David smiled slightly!

“What? The master asked you to meet Senior Sister Zhu Ling?”

Wei Qing's eyes were full of surprise: “Junior brother, you don't know that Senior Sister Zhu Ling is a rare beauty. She usually lives in seclusion. Even the disciples of Zi Yanmen have not seen many people.” “

I heard that a man will be seduced away by her once he looks at her. I have never had the opportunity to see her.” “I

didn't expect that the master asked you to see her just after you entered the inner gate. I also want to see her!”

Chapter 3963

“Senior Sister Zhu Ling? Could she be the daughter of the old master?”

David asked doubtfully!

“Yes, this is the only daughter of our old master. She has received the true teachings of the old master. Many clans and families in the Central Region wanted to come to ask for marriage, but they were all rejected by Senior Sister Zhu Ling.” “

I heard that Senior Sister Zhu Ling doesn't like any man, and there are rumors that she is a lesbian and only likes women...”

Wei Qing lowered his voice and whispered to David!

After hearing this, David couldn't help laughing!

People are cold and look down on men, so they are rumored to be lesbians.

What kind of logic is this?

“Senior Brother, I'm a little tired and want to rest. You should take me to a place to rest!”

David didn't want to listen to Wei Qing's gossip!

As for whether Zhu Ling is a lesbian, David didn't care at all, and it had nothing to do with him!

“Okay, I'll take you there, and you can live in my room!”

Wei Qing nodded!

Wei Qing took David to his own courtyard. Because Wei Qing was a deacon disciple, unlike ordinary inner disciples, he had his own separate courtyard!

Although the courtyard is not big, it is very delicate. There are many spiritual flowers and herbs planted in the courtyard, and the spiritual energy is very rich!

Moreover, there are array patterns around the courtyard, which are also arranged by someone!

It is estimated that when you reach the level of deacon disciples, you can enjoy the benefits that ordinary disciples cannot enjoy!

“Junior brother, although my courtyard is not as good as that of Liu Shitong, it is also good among the deacon disciples of Zi Yanmen. You can live here, and I will go outside to live with other junior brothers!”

Wei Qing said!

“Senior brother, there are several rooms in this courtyard, enough for the two of us to live in. Why do you still want to go outside? Just live together!”
David said!

“Junior brother, although there is a room, living together will inevitably cause disturbances, which will affect cultivation. It’s good for me to live with other junior brothers.”

Wei Qing smiled and then walked out!

David didn’t say much, then closed the door, but took a rest!

David summoned the two kinds of fire that he had just absorbed and refined, and he began to temper them!

Especially the top-secret fire of Zi Yanmen, because Liu Shitong didn’t have too much fire on him, and David absorbed it secretly separately, so it was very weak.

David slowly nourished and tempered the two kinds of fire, making the two kinds of fire slowly begin to become powerful!

Five kinds of fire made David’s fire star particularly bright!

With a gentle wave of David’s palm, five kinds of fire jumped out beside David, and the fire of various colors flashed with light, and the breath of each fire was completely different!

For a time, David’s body was reflected by the fire in a colorful way, and from the outside, it looked like a colorful light was turned on in the room!

David circulated the fire, and then circulated the fire in various parts of his body. Then David relaxed his mind and let the fire roast his body!

David was going to use the fire to temper his body. When he followed Liu Shitong to compete, the reason why David was not afraid of Liu Shitong’s fire was because he had the extremely cold ice flame, so David was not burned!

It’s not that David’s body is not afraid of the fire, so David plans to use the fire to temper his body. If he can achieve the body not afraid of the fire, it would be really awesome!

However, David just relaxed his mind and let the fire bake. The severe discomfort made David almost shout out!

This kind of fire tempering body has no defense, just like throwing ordinary people into the fire!

David can't use spiritual power to form protection, let alone use other skills to offset the power of the fire!

What David needs is to grit his teeth and persist. Only after experiencing the most severe tempering can David's body be unafraid of the fire!

David gritted his teeth and felt that his body was about to be burned!

Chapter 3964

A man like him will surely die if caught by the police. He dares to come back, which means there is something here that is worth his risk.

"Bang!" There was a sound of glass hitting the ground from next door.

Tian Tian and I looked at each other tacitly, and then we put our ears to the wall, trying to hear what happened next door.

The noise was so loud, it should be that the two of them broke down in their talks.

"Song Yueyu, you dare!" There was a furious man's voice from next door. It should be Zhao Kaikuo's voice. He seemed to be angered by Song Yueyu and roared, "If you dare to touch my son, you can't live. I keep you because you are pregnant with my child. Otherwise, do you think you still have a chance to return to China?"

When he said this, Zhao Kaikuo probably took action. Tian Tian and I clearly heard a "pop!", and it was obvious that Song Yueyu was beaten.

"I know. I will take good care of the baby in my belly. I will." This is Song Yueyu's voice. She is probably a little afraid of Zhao Kaikuo, so her voice is a little trembling and a little hoarse. "But, the old lady of the Yan family said that when the child is born, she will arrange for someone to identify the child. I am worried that if she knows that the child is not Yan Yun's, she will drive me out of the Yan family, and then our plan will not be able to continue."

"Humph!" Zhao Kaikuo snorted coldly, "Since the old lady is a stumbling block, won't you find a way to send her to the west? You have entered the old house now, there are plenty of opportunities, Song Yueyu, don't tell me you don't dare?" "

But..."

"No buts!"

“I know.” This voice is Song Yueyu’s.

“Ladies, can we start ordering?” The door of the box was suddenly pushed open. Tian Tian and I were startled, and then we sat up straight, watching the waiter nod, and ordered dishes as if ignoring it.

But the sound from next door has disappeared.

Tian Tian ordered a few dishes in a daze. When she was about to listen again, the door of the private room next door seemed to be pushed open, and then there were footsteps in the corridor.

“Leaving?” Tian Tian frowned and looked at me and said. I pursed my lips and didn’t say anything, but the answer was yes.

Hearing the footsteps go away, Tian Tian and I breathed a sigh of relief. She looked at me and said after a moment, “Song Yueyu and Zhao Kaikuo must be planning something shameful. Go and tell Yan Yun to be careful of Song Yueyu.”

I pursed my lips and remained silent.

Seeing that I didn’t say anything, Tian Tian got anxious, “Go quickly.”

I sighed and told her helplessly, “Empty words are not enough. Yan Yun won’t believe it even if I tell him.” Yan Yun cares about Song Yueyu. Even if I tell him this, he will only think that I am making trouble for no reason.

“Don’t believe it? What should we do?” Tian Tian was a little anxious. “It would be fine if Song Yueyu didn’t do anything. What if she really attacked Old Lady Yan? You said before that the old lady let her live in the old house. If she wants to attack the old lady, it’s hard to prevent.”

At this point, she paused and looked at me and said, “Just now Zhao Kaikuo asked Song Yueyu to take good care of his son? So, the child in Song Yueyu’s belly is Zhao Kaikuo’s?”

I pursed my lips and thought carefully about the time period when Song Yueyu was pregnant. If the child is Zhao Kaikuo’s, does it mean that Zhao Kaikuo and Song Yueyu returned to China together? What’s the matter with Yan Yun and Song Yueyu?

Did Song Yueyu deliberately let Yan Yun think the child was his?

Song Yueyu did a lot of things like stealing and replacing pillars, but I didn’t expect that her mind would move to Yan Yun.

When Tian Tian saw that I didn't reply, she began to imagine, "Yuen, do you think there is a possibility that Song Yueyu slept with Yan Yun after sleeping with Zhao Kaikuo, and after she found out that she was pregnant, she didn't know whose child it was, so she told both men that the child was theirs, and then let both men be responsible for her?"

I raised my hand and knocked on her forehead, and said, "Do you think Zhao Kaikuo is a fool? He doesn't know whether the child is his or not?"

Zhao Kaikuo is a smart and vicious person. How could Song Yueyu want to deceive him?

"Then why do Yan Yun and Zhao Kaikuo both think that the child in Song Yueyu's belly is theirs?" Tian Tian looked at me, covering her forehead.

Chapter 3965

David lay quietly in the spirit pool, with the moonlight sprinkled on his body, and David's body almost became translucent!

Around David's body, countless small whirlpools constantly absorbed the spiritual energy in the spirit pool!

The thick spiritual mist was visibly decreasing!

If someone saw David's absorption speed, they would probably be shocked!

Just when David closed his eyes slightly, his body floated in the spirit pool, absorbing the spiritual energy, and felt extremely comfortable!

Several bubbles emerged from the bottom of the water, and then a girl with long hair emerged from the water!

The girl's skin was like mutton-fat jade, without any flaws, as if it was soaked in milk!

"How can the spiritual energy in this spirit pool dissipate so quickly?"

The girl was full of doubts, got out of the water, and looked around!

But when she put her eyes on David, the whole person was stunned instantly, her mouth opened wide, her eyes widened, and the whole person was dumbfounded!

At this time, David was floating naked on the spirit pool, and David's body, illuminated by the sun, exuded a faint white light!

David was exposed to the girl's eyes!

But David didn't know it at all, and still closed his eyes and enjoyed it!

“Ah.....”

Accompanied by the girl's scream, David was frightened and opened his eyes!

David looked up quickly, and happened to see the naked girl!

The two looked at each other! The

two strangers, a man and a woman, were actually frank with each other at this moment. The atmosphere was both awkward and subtle!

David looked at the girl's jade-like skin and her graceful figure, and his heartbeat began to accelerate!

You know, there is no shortage of women around David, and there is no shortage of beauties.

Now David can be calm when facing women!

But at this moment, David's heartbeat began to accelerate, and his breathing became heavy!

Because the girl's skin is so good, her whole face seems to be deliberately carved!

Among the women around David, the only one who can compare with the skin of the girl in front of him is probably Ji Ruxue!

But Ji Ruxue was in the secular world, and David hadn't seen her for several months!

“Rogue, bas***d...”

After a brief eye contact, the girl suddenly sank into the water and waved her palm towards David!

David jumped and jumped directly onto the shore, grabbed his clothes and put them on while running!

At this time, David was afraid that he couldn't explain it clearly!

Late at night, he ran into someone's yard, took off all his clothes and jumped into someone's spiritual pool to take a bath!

It's useless to say this!

David ran away, and the girl didn't chase him!

He returned to his own courtyard, and David breathed a sigh of relief. Fortunately, no one saw him. If he was regarded as a pervert, it would be embarrassing!

Not to mention learning the ultimate fire fusion technique, I'm afraid he can't stay in Ziyamen!

But thinking of the girl's figure and skin, David's mouth curled up a smile!

Although he saw it unintentionally, he still saw it after all!

"Junior brother, you haven't rested yet so late, are you also woken up?"

At this time, Wei Qing came over and asked David!

Seeing Wei Qing asking this, David immediately reacted, nodded and said: "Well, I just heard some noise, so I came out to see!"

"I don't know who it is, shouting in the middle of the night, I must find out tomorrow and punish him severely!"

Wei Qing said angrily!

"Brother, maybe he is too depressed and vents his emotions at night. I don't think he needs to be so harsh."

David said hurriedly!

He didn't want Wei Qing to investigate tomorrow. If he found out, how could he stay!

"Brother, I didn't expect you to be rich, powerful, and kind-hearted. Good men like you are rare!"

Wei Qing praised David!

Chapter 3966

“I’m afraid there are not many men like Junior Brother in the whole world of heaven and man!”

At this time, Qian Xiu walked in!

Seeing Qian Xiu, Wei Qing was stunned and said, “Junior Sister Qian, why are you here instead of staying in your own mansion at night?”

“Brother, I came to see how Junior Brother is recovering, and brought some fruits to Junior Brother!”

Qian Xiu took out a few bright red spiritual fruits from his arms!

You know, it’s too difficult to eat fruits in a desert like Ziyanmen, let alone this kind of spiritual fruit!

“Junior Sister Qian, you...you stole Elder Hu’s spiritual fruit?”

Wei Qing looked at the spiritual fruits and said in surprise!

“How can it be considered stealing? Now my master has been imprisoned for thirty years. I have the final say in the entire mansion, and these things are distributed by me.”

“I was worried that Junior Brother would not recover well, so I brought it to him!”

“Junior Brother, eat quickly, this kind of thing can only be seen by elders!”

Qian Xiu handed a few spiritual fruits to David!

David was not polite: “Thank you, Senior Sister!”

“Why are you being polite to Senior Sister? Just tell me what you want and I will satisfy you!”

Qian Xiu said with a smile!

This made Wei Qing on the side envious and about to cry!

David was also speechless for a while. He could see that Qian Xiu wanted to sleep with him!

But David didn’t have any feelings for Qian Xiu!

Although Qian Xiu was pretty and could be considered a beauty, she was still a little bit worse than the women around David!

If compared with the girl he saw in the spirit pool just now, she was even worse!

“Senior Brother, did you know that Huo Dong is back today?”

Qian Xiu said to Wei Qing!

“What? Why is he back? Wasn’t he expelled from the sect?”

Wei Qing asked with a puzzled look on his face!

“Who knows? Now that his father is the leader of the sect, he must have called him back.”

“And Liu Shitong was almost beaten to death by the junior brother, so Sect Leader Huo must find a capable helper!”

Qian Xiu said!

“Brother, who is this Huo Dong?”

David asked curiously!

“This Huo Dong is the son of Sect Leader Huo. He was kicked out of the sect and no one knows where he went.”

“I didn’t expect him to be back now!”

Wei Qing explained!

“Why was he kicked out of the sect?” David was puzzled. Huo Yuanting was an elder before, so why was the elder’s son kicked out of the sect?

“Junior brother, you don’t know that Huo Dong is a big pervert. He raped many female disciples in the sect at that time.”

“As a result, there were fewer and fewer female disciples in Zi Yan Sect later, but because his father was an elder, no one cared about him.”

“But I didn’t expect that this guy was so bold that he actually attacked Senior Sister Zhu Ling and almost raped her. Fortunately, he was discovered.”

“At that time, the old sect master saw that his daughter was almost raped, and he was furious and wanted to kill Huo Dong, but after several elders pleaded for him, Huo Dong was expelled from the sect!”

“Now that the old sect master has abdicated and Huo Yuanting has become the sect master, he didn’t expect to call his son back again. This time, the female disciples in the sect are going to suffer again.”

Wei Qing sighed!

After Wei Qing finished speaking, David couldn’t help but look at Qian Xiu, after all, Qian Xiu was also a female disciple!

Seeing David looking at her, Qian Xiu hurriedly explained: “I have not been touched by Huo Dong, I am still innocent now!”

“Junior Sister Qian has not been touched. Elder Hu was watching closely at that time, so Huo Dong could not find a chance to attack.” Wei Qing also hurriedly said!

“Junior Sister Qian, you have to be careful when Huo Dong comes back. Now that Elder Hu is locked up, there is no one to make decisions for you. If Huo Dong messes up, can you beat him?”

David reminded Qian Xiu!

Chapter 3967

Qian Xiu heard and shook her head: “When Huo Dong left, he had already reached the eighth level of the Tribulation Realm. I don’t know how much he has improved now.”

“If he messes around, I will commit suicide directly. Even if I die, I can’t let him ruin me.”

When Qian Xiu said this, she looked determined. Obviously, when it really came to that moment, she really dared to commit suicide!

“Sister Qian, even if you commit suicide, if Huo Dong is still interested in your body, then wouldn’t it be.....”

David didn’t finish speaking. He believed that Qian Xiu knew what he meant!

Qian Xiu’s face became very ugly. She hadn’t thought about this!

Huo Dong couldn’t be so perverted, right?

But no one can say for sure!

Qian Xiu was embarrassed!

“Sister Qian, if Huo Dong makes trouble for you, tell me and I will protect you!”

Wei Qing looked at Qian Xiu’s embarrassed look and hurriedly said!

“Brother, can you beat Huo Dong?” Qian Xiu asked!

“I.....”

Wei Qing was speechless for a while. Of course he couldn’t beat him!

“Senior sister, why don’t you come and stay with me? If he comes here to cause trouble for you, I won’t let him go out of this door.”

David said to Qian Xiu!

When Qian Xiu heard it, she nodded excitedly: “Okay, okay, I’ll sleep with my junior brother, I’ll go get the bedding now...”

Qian Xiu ran to get the bedding after she finished speaking!

David looked at Qian Xiu’s look and smiled bitterly. He really just wanted Qian Xiu to sleep here for her safety!

There was absolutely no other meaning, but Qian Xiu probably didn’t think so!

Wei Qing also looked at David with envy: “Junior brother, you don’t actually know that Junior Sister Qian is usually quite cold, but now in front of you, she has become a little fan girl!”

“You are blessed tonight, enjoy it, I won’t disturb you!”

“Brother, you misunderstood. I’m really just worried about Sister Qian’s safety. I don’t have any other ideas, and I won’t touch Sister Qian.” David hurriedly followed Wei Qing to explain!

“Okay, you don’t have to explain. Even if you don’t have any ideas, can you guarantee that Sister Qian doesn’t have any ideas?”

“Look at her, I guess she can eat you tonight. Take care of yourself!”

Wei Qing said, and turned and left!

Soon Qian Xiu came with the bedding, and pulled David into the room without saying anything!

David hurried into the room and closed the door!

“Sister Qian, there is a room next door, you should go and sleep there, I’m used to sleeping alone!”

David didn’t let Qian Xiu enter his room!

Qian Xiu tried hard for a long time, and seeing that David was unmoved, he could only go to the next door angrily!

Seeing Qian Xiu go to the next door, David lay on the bed and fell asleep with peace of mind!

At this time, in the residence of the leader of Zi Yanmen!

In front of a tall building, several disciples of Zi Yanmen stood!

In this building, Huo Yuanting was sitting in the main seat of the hall. Below him, there were also several elders, all of whom were from his lineage!

These elders all followed him, so Huo Yuanting would summon them late at night!

However, the right of these elders to speak in Ziyamen was not as important as that of Elder Yu and Elder Hu!

After all, Elder Yu and Elder Hu were all respected elders of Ziyamen, and they were trained during the time of the old master!

And Elder Yu and Elder Hu had the same status in Ziyamen as before Huo Yuanting!

It was just that Huo Yuanting used means to make the old master abdicate, and he became the master of the door, and his status was higher than that of Elder Yu and Elder Hu!

This is why Elder Hu would contradict him and did not accept him as the master of the door at all!

Today, Huo Yuanting summoned several elders under his command to discuss how to consolidate his position!

Chapter 3968

Behind Huo Yuanting was Huo Dong, who had long been expelled from the sect. At this time, Huo Dong was wearing a black brocade robe, a jade crown on his head, deep eyes, and a proud look on his face.

Even though he was expelled from the sect, even facing these elders, Huo Dong was expressionless!

“Master, now you are in power and have welcomed the young master back. If anyone disobeys you, just lock him up, just like Elder Hu, who will be locked up for thirty years.”

At this time, a thin elder stood up and flattered Huo Yuanting!

“Yes, now the entire Ziyang Sect is under the control of Master Huo. Even if Elder Yu and the others are unhappy, they dare not do anything. Do they dare to rebel?”

Another elder echoed!

After hearing this, Huo Yuanting did not speak, but looked at the last elder, who was bloated and had his eyes slightly closed!

“Elder Tian, do you have any opinions?”

Huo Yuanting asked!

Elder Tian then slowly opened his eyes and said, “As long as the Fire Seal is not in hand, Master Huo’s position will not be stable. Although the old master abdicated due to illness, he still has a daughter.”

“If the Fire Seal falls into Zhu Ling’s hands, I think there will not be many people in the Ziyang Sect who will listen to Master Huo.”

“And the young master was expelled from the sect, and now he is welcomed back by the sect master. Many people will have complaints in their hearts, and these resentments are bound to erupt at a certain point.”

Elder Tian’s words made everyone shut up!

Huo Yuanting also had a solemn face. He knew how he got the position of the sect master. The

old sect master was secretly drugged by him and became a little crazy. He would get sick from time to time, so he had to abdicate!

Although he is the sect master now, he is only the acting sect master, and he has not really sat firmly in the position of the sect master!

If you want to sit firmly in the position of the sect master, you must get the Fire Seal to command the Ziyang Sect!

This Fire Order is like the imperial seal!

Only when you get this thing can you be justified!

“Many years ago, old man Zhu put the Divine Fire Seal into the Divine Fire Mountain. I guess he prevented anyone from spying on the position of the sect master.”

“Now he is often crazy, and the Divine Fire Mountain can’t be opened. How can the Divine Fire Seal be taken out?”

Huo Yuanting sighed lightly!

“Sect Master, Elder Cui can use the array plate to open the Divine Fire Mountain, but this guy is stubborn and will not listen to us.”

The thin elder said!

“No need to beg Elder Cui. As long as the sect master convenes an elders meeting and all the elders pass the resolution to open the Divine Fire Mountain, Elder Cui can only open it. Does he dare to violate the rules of the sect!”

said an elder!

“It’s easy to say, how could Elder Yu and the others agree? I guess they have been thinking about how to push Zhu Ling to the position.”

The thin elder retorted!

“Okay, stop arguing. Let’s talk about the elders’ decision in a few days. But you must all raise your hands to agree to my son Huo Dong’s return to the sect.”

“As for other people’s opposition, I will pretend not to see it. Anyway, there is no room for negotiation on this matter!”

Huo Yuanting knocked on the table and said!

“Dad, I returned to the sect only to help you secure your position in the sect. I don’t want to stay in the sect at all. The world outside is exciting.”

“And when I come back this time, I must do that Zhu Ling. It was because of her that I was kicked out of the sect.”

“As long as Zhu Ling becomes my woman, no one in the entire Ziyang Sect will threaten you.”

Huo Dong said with a slight smile and his eyes slightly condensed!

“Young Master, don’t be impulsive. I heard that Zhu Ling doesn’t go out all day and has been practicing. It is estimated that her strength has reached the ninth level of the Tribulation Realm.”

The thin elder hurriedly persuaded Huo Dong!

Chapter 3969

He just came back and wanted to play with the old master’s daughter. This is not a good thing!

If things go wrong, the internal fighting of Ziyangmen will break out and it will be out of control!

“Hahaha, the ninth level of the Tribulation Realm is nothing!”

Huo Dong laughed, and his aura suddenly burst out, and black flames continued to burn around Huo Dong’s body!

“The ultimate fire of the demon clan?”

Everyone was shocked, only Huo Yuanting had a blank expression. He seemed to have known that Huo Dong had practiced magic skills!

Then the ultimate fire around Huo Dong’s body turned brown and then turned into light purple. As the ultimate fire changed, Huo Dong’s aura continued to rise!

“The peak of the Tribulation Realm?” All the elders were stunned!

None of them expected that Huo Dong, who left the eighth level of the Tribulation Realm, had reached the peak of the Tribulation Realm after returning at this moment! It

only takes a small opportunity for Huo Dong to be honored as a master of the Mahayana Realm!

It’s incredible, especially that Huo Dong’s body actually mastered three kinds of ultimate fire!

“Elders, with my strength, if I want to play with Zhu Ling, no one will stop me, right?”

Huo Dong said with a faint smile!

Everyone was silent. With this strength, I'm afraid that Elder Yu couldn't stop him at all!

“In fact, there is another reason why my son came back this time, that is, to use the Divine Fire Seal as an opportunity to break through the Tribulation Realm and ascend to the Mahayana master.”

“So in the next few days I will find a way to open the Divine Fire Mountain and expose the Divine Fire Seal.”

Huo Yuanting said!

At this moment, everyone also understood why Huo Yuanting suddenly called Huo Dong back from outside!

If the Divine Fire Seal can be used as an opportunity to allow Huo Dong to break through the Tribulation Realm and ascend to the Mahayana realm, then it is really worth it!

“Master, I have an idea, which is estimated to be able to make Elder Yu and others agree to open the Divine Fire Mountain.”

Elder Tian said!

“What's the idea?” Huo Yuanting asked with interest!

Elder Tian has always been Huo Yuanting's think tank, which is why Huo Yuanting asked Elder Tian by name at the beginning!

And Elder Tian dared to close his eyes and pretend to sleep in front of Huo Yuanting, all because of his brain!

Elder Tian's strength is not very high, but his brain is good!

The world of heaven and man respects strength, and many people practice desperately, so their IQ is not high!

Those who have a little brain can be think tanks!

“Master, Elder Yu and others have been dissatisfied with Elder Hu being imprisoned for thirty years.”

“We can use Elder Hu as a bargaining chip. As long as Elder Yu and others agree to open the God Mountain Fire, Elder Hu can be released and not imprisoned for thirty years.”

“If they don’t agree, then keep him locked up. These elders of the old master’s lineage have a deep friendship. I think they will definitely agree for Elder Hu.”

Elder Tian analyzed carefully!

“Yes, why didn’t I think of it?”

Huo Yuanting slapped the table and stood up, his face full of excitement and said: “Then use this method. If Elder Yu and others don’t agree, I will lock Elder Hu up for decades to see if they agree!”

“Father, I heard that Elder Yu has a new disciple. In the inner door martial arts test, he defeated Liu Shitong and asked Liu Shitong to call him brother?”

Huo Dong asked Huo Yuanting!

“Yes, I don’t know where this guy got the disciple from. It seems that he is only at the fourth level of the Tribulation Realm, but in the end he defeated Liu Shitong.”

“In the end, Liu Shitong sacrificed the Black Demon Lotus and exposed the top-secret fire of our Ziyang Sect, but he couldn’t defeat that guy.”

“That guy doesn’t seem to be afraid of the fire, which is really strange.”

When Huo Yuanting mentioned this, his brows frowned!

His most proud disciple was defeated, and he still called him brother, which was a complete loss of face!

The main thing is that David was not afraid of the fire, which made Huo Yuanting very strange!

Chapter 3970

“Not afraid of the fire?” Huo Dong also frowned: “Could that guy be a real fire tyrant?”

“How is it possible? The real fire tyrant body needs ten kinds of fire tempering, and it must be able to withstand it to become a real fire tyrant body.”

“That guy obviously can’t be a real fire tyrant body. I suspect that he has some treasure that can restrain the fire.”

Huo Yuanting shook his head and said!

Huo Yuanting was right. David was not a real fire tyrant. He just used his own extreme cold ice flame to protect his body!

If someone with a stronger fire than David came and broke through David’s extreme cold ice flame directly, David would not be able to burn to death!

“I have time, I want to meet this guy.”

Huo Dong was very interested in David!

“Son, you have to keep a low profile these days. If there is a conflict, it will be troublesome if you can’t let Elder Yu and others agree to open the God Mountain Fire.”

Huo Yuanting reminded!

“I understand!” Huo Dong nodded!

The secret meeting lasted until midnight before it was disbanded!

As for Elder Yu and others, they didn’t know about the secret meeting held by Huo Yuanting in the middle of the night!

The next morning!

Wei Qing arrived at David’s courtyard very early. He wanted to see if David slept with Qian Xiu!

However, when he saw David and Qian Xiu coming out of two different rooms, he felt a little happy!

It seems that David is really a gentleman. He didn’t take the opportunity to sleep with Qian Xiu!

“Brother, why are you here so early?”

David asked in confusion when he saw Wei Qing!

What is Wei Qing doing this early in the morning?

“Junior brother, Master asked me to find you. I want to take you to see Senior Sister Zhu Ling!”

Wei Qing said!

David nodded happily when he heard it!

If he could learn the method of fire fusion from Zhu Ling, David would not have to stay in Zi Yanmen incognito!

“You want to take your junior brother to see Senior Sister Zhu Ling?”

Qian Xiu was surprised when she heard it!

“Yes, my master wants to take me there. Not everyone has this opportunity. I really envy me.”

Wei Qing said!

Qian Xiu stopped talking, but you can see that her face is not very good!

Because she knows that compared with Zhu Ling, she is much inferior!

If there is no comparison, Zhu Ling can still seduce David slowly!

But if David wants to meet Zhu Ling, I am afraid that he will only think about Zhu Ling in his heart, and will not look at Qian Xiu at all!

David also saw Qian Xiu’s meaning, but he didn’t say anything, because he really didn’t feel anything for Qian Xiu!

You can’t just sleep with her just to please Qian Xiu without any feelings!

After all, she is still a big girl, it is irresponsible to do this!

David followed Wei Qing to see Elder Yu!

After seeing Elder Yu, Elder Yu said: “I have already said hello, and I will take you to meet your senior sister Zhu Ling today.”

“Wei Qing, go with you, it seems that you haven’t met your senior sister Zhu Ling yet!”

“What? I can also meet senior sister Zhu Ling? Great!” Wei Qing shouted excitedly!

Seeing Wei Qing’s loss of composure, Elder Yu hurriedly coughed twice!

This is too embarrassing!

Wei Qing then put away his excitement and tried hard to control his emotions!

The two followed Elder Yu out of the mansion and went deep into the Zi Yan Gate!

The deeper into the Zi Yan Gate, the stricter the security, and the strength of the disciples was not low!

“Junior brother, even inner disciples can’t get in here easily.”

Wei Qing whispered to David!

But David was a little confused, because he found that he seemed to have walked this road!

Especially the surrounding buildings, he seemed to have seen them when he was strolling last night!

“Master, after meeting Senior Sister Zhu Ling, can I meet the old master?”

David asked!
