Chapter 3983

Everyone looked outside in surprise, not knowing where the strong wind came from!

“Elder Yu, don’t agree to him, don’t agree to him...”

At this time, Elder Hu’s voice floated slowly!

“Elder Hu?” Elder Yu and others were all shocked. They didn’t know when Elder Hu was released!

Huo Yuanting was also stunned. He stood up suddenly and said, “Elder Hu, you left the place of detention without permission. This is a capital crime!”

“Hahaha, Huo Yuanting, you don’t have to go to great lengths to kill me. You want to get the Divine Fire Seal, and you even want to use me to threaten Elder Yu and others.”

“Even if I die, I won’t let you succeed...”

Elder Hu said, and the whole person actually floated into the meeting room!

Seeing this scene, Elder Yu’s eyes widened immediately: “Old Hu, what’s going on? Why did your soul leave your body?”

It turned out that this was Elder Hu’s soul, not Elder Hu leaving the place of detention!

“Elder Yu, I know that Huo Yuanting wants to use me to threaten you, so I committed suicide. I left this wisp of soul to tell you that you must not compromise.”

“If he doesn’t get the Divine Fire Seal, he won’t be able to completely control the Ziyang Sect. There is still hope for our Ziyang Sect!”

Elder Hu said, and his soul began to fade and slowly dissipate!

“Old Hu, Old Hu, why are you so stupid...”

Elder Yu wanted to step forward to keep Elder Hu’s soul, but he was powerless!

In the end, Elder Hu’s soul disappeared, which was considered a real death, and there was no hope of resurrection!

The elders of the old sect master's lineage were all grief-stricken!

In order for them not to be threatened, Elder Hu actually chose to end his life!

Huo Yuanting was also shocked. He didn't expect Elder Hu to commit suicide!

In this case, how can he threaten Elder Yu and others?

"Master Huo, we will not agree to open the Divine Fire Mountain. If you have the ability, kill us all."

Elder Yu glared at Huo Yuanting fiercely, turned around and walked out!
All the elders of the old sect master's lineage stood up and left, not giving Huo Yuanting any face!

Seeing this, Elder Cui also stood up and left!

Since the elders' meeting could not pass, he would not open the God Mountain Fire!

Looking at the half-empty position, Huo Yuanting roared angrily: "Ah... I will make them look good sooner or later!"

"Master, now that the God Mountain Fire cannot be opened, what should we do?"

An elder looked at Huo Yuanting and asked!

"How do I know what to do? If it doesn't work, just kill them all, and no one will object."

Huo Yuanting's eyes were murderous!

"Master, you must not do this. In this way, the Purple Flame Sect is bound to be seriously injured, and it may be attacked and annexed by other sects."

At this time, Elder Tian stood up and said!

"Elder Tian, what do you have in mind?"

Huo Yuanting asked!

"Since Elder Yu and others do not agree to open the God Mountain Fire, then we will secretly open the God Mountain Fire ourselves."

Elder Tian said!

"In the entire Purple Flame Sect, only Elder Cui can open it, and Elder Cui will not listen to us." Huo Yuanting shook his head!

“No need, Elder Cui. To open the God Fire Mountain, we need a formation. Although Elder Cui is the only one in Ziyang Sect who knows the art of formation, there are more than one person in the entire Central Region who knows the art of formation.”

“Liangyi Sect is a sect that specializes in formation. We can go to Liangyi Sect to ask for help. As long as we promise a lot of resources, I think Liangyi Sect will agree.”

Elder Tian said!

After hearing this, Huo Yuanting’s expression suddenly became happy and said, “Elder Tian, if you have this idea, why didn’t you say it earlier?”

“I think if Elder Yu and others agree, we don’t have to go to Liangyi Sect, and we can also save a lot of resources.”

Elder Tian said!

Chapter 3984

“Oh, it’s already this late, and you’re still thrifty. Go to Liangyi Gate in person, and invite the people from Liangyi Gate no matter how much it costs.”

“As long as the people from Liangyi Gate can help us open the God Fire Mountain, tell them that there will be a huge reward.”

Huo Yuanting seemed a little excited at this moment!

“Okay, I’ll go right away!” Elder Tian nodded!

After Elder Tian left, Huo Yuanting raised his mouth slightly: “As long as the God Fire Mountain is opened, I don’t see who in the entire Ziyang Gate dares to disobey!”

.....

Elder Yu’s mansion!

Qian Xiu was depressed and kept crying!

Wei Qing and David comforted her on the side!

“Junior sister, although Elder Hu is dead, his spirit will live forever. You will live here forever in the future. I will let Master protect you.”

Wei Qing said comfortingly!

“Senior sister, don’t be too sad. This is Elder Hu’s own choice. He did this for the entire Ziyang Gate!”

David also comforted him.

After Elder Yu came back, he told David about Elder Hu, which shocked David!

“I want to be alone for a while...”

Qian Xiu said with a lonely look!

Seeing this, Wei Qing and David could only get up and leave, leaving Qian Xiu alone to be alone!

“Hey, Junior Sister is so pitiful. Now that Elder Hu is dead, Huo Dong will be even more unscrupulous. I think it won’t be long before Junior Sister will be poisoned by him and ruined by him.”

“In the past, we also had many female cultivators in Zi Yan Sect. After all, many female cultivators also like to practice fire-related exercises, but many senior sisters and junior sisters were discouraged and withdrew after being ruined by Huo Dong.”

“This also makes Zi Yan Sect famous. No female cultivator dares to come. It’s hard for us brothers and sisters in Zi Yan Sect to find a dual cultivation partner now!”

Wei Qing sighed!

David didn’t say a word, and he didn’t know how to comfort Wei Qing!

After all, there is no shortage of women around him, and he can’t understand Wei Qing’s pain!

David returned to his room and waited quietly for the night to come!
As the sky got darker, David’s heart began to get a little excited!

If he could meet the old master tonight and learn the method of the ultimate fire fusion, he could leave Ziyangmen!

But when he thought of Qian Xiu and Zhu Ling, David felt a little bit reluctant!

If he learned the method of the ultimate fire fusion and left, Qian Xiu would definitely suffer from Huo Dong’s poisonous hands!

And Zhu Ling might also be ruined by Huo Dong!

When he thought of Zhu Ling, a beautiful woman who was so beautiful that she could topple a country, being suppressed by Huo Dong, David was full of anger!

“Let’s see what the situation is. Even if you have learned the method of the ultimate fire fusion, you haven’t seen the God Fire Mountain and the God Fire Seal. You should see these things before leaving Ziyamen!”

David made an excuse for himself. In fact, he was afraid that Zhu Ling and Qian Xiu would be ruined by Huo Dong!

Just when David was thinking about it, the door was suddenly pushed open!

David was stunned. He didn’t understand who would come to him so late?

David got up and saw Qian Xiu walked in wearing a cool pajamas!

“Senior sister?”

David’s face was full of doubts: “It’s so late, what’s the matter with you?”

“Junior brother, I can’t sleep, can you talk to me?”

Qian Xiu said with a sad look!

David looked at the sky outside, then nodded and said: “Okay, senior sister, please sit down quickly!”

Qian Xiu sat on David’s bed, and David sat next to her!

“Senior sister, you have to mourn, the dead can’t be resurrected.”

David comforted Qian Xiu!

If it weren’t for the suicide of Elder Hu today, David would not let Qian Xiu come to his room!

And he has something else to do later, and he needs to see Zhu Ling!

But now that Qian Xiu is sad, David is embarrassed to refuse Qian Xiu!

Chapter 3985

“Junior brother, I have thought it through. Sooner or later, my body will be ruined by Huo Dong.”

“Instead of giving my innocence to Huo Dong, it is better to give it to my junior brother.”

After Qian Xiu finished speaking, she actually leaned on David’s shoulder, and her pajamas began to slip off!

David panicked all of a sudden!

He didn’t expect Qian Xiu to have this idea!

“Senior sister, don’t worry, as long as I am here, I will not let Huo Dong succeed, you put on your clothes quickly.”

David turned his head and did not dare to look at Qian Xiu!

Seeing David’s expression, Qian Xiu’s tears flowed out, and she said very aggrievedly: “I know you dislike my ugliness. I am not as pretty as Senior Sister Zhu Ling.”

“You have seen Senior Sister Zhu Ling, and you look down on me even more. When Senior Sister Zhu Ling was naked in front of you, you stared at her without blinking.”

“But now, you don’t even look at me...”

David was overwhelmed when he heard it. He didn’t know who spread the news that he looked at Senior Sister Zhu Ling’s body?

It must be Wei Qing, because Elder Yu couldn’t say it!

Then it can only be Wei Qing. It should be Wei Qing who told Qian Xiu so that Qian Xiu would give up on David. In this way, Wei Qing would have a chance!

“Senior sister, don’t listen to other people’s nonsense. Where have I seen Senior Sister Zhu Ling’s body? I beat Senior Sister Zhu Ling today.”

“In my eyes, women are all the same. There is no beauty or no beauty. Senior sister, please don’t get me wrong!”

David turned his head and could only fumble to help Zhu Ling put on her clothes!

“What do you mean?”

Qian Xiu was stunned and stared at David in confusion: "In your eyes, women are all the same? There is no difference between beauty and no beauty?"

"Yes!" David nodded!

Qian Xiu suddenly realized and stood up from the bed: "Junior brother, are you...are you gay..."

"Sorry, I disturbed you..."

Qian Xiu didn't finish her words and ran out in a hurry!

Seeing this, David knew that Qian Xiu had misunderstood him. He was about to explain, but stopped!

Misunderstanding is misunderstanding, otherwise Qian Xiu will pester him all day and make David annoyed!

After Qian Xiu left, David tidied his clothes and went to find Zhu Ling!

David held his breath. He couldn't let others find out that he went to Zhu Ling's mansion in the middle of the night!

Last night, David himself didn't know what happened. He was not discovered by the guards and entered Zhu Ling's mansion!

He waited for a long time before going in, but there were layers of guards!

At this moment, Zhu Ling was sitting in the yard, quietly waiting for David!

She didn't know why, ever since David beat her during the day, she had been thinking about David all the time!

David's figure always appeared in her mind!

At this moment, she was actually a little impatient to see David!

Looking at the sky, Zhu Ling was a little anxious in her heart: "This guy, won't he not come?"

"Is Senior Sister Zhu Ling so anxious to see me?"

At this time, David's voice rang!

Zhu Ling hurriedly got up and saw David walking in, and then said with a cold face: "Who is anxious to see you, I just don't want to owe you a bet."

“Really? Why do I see that Senior Sister’s face is red?”

David smiled!

“Don’t talk nonsense, who is blushing, let’s go quickly, we must be back before dawn!”

Zhu Ling rolled her eyes at David, and then walked out of the yard!

David followed behind Zhu Ling. He was not familiar with this place and did not dare to move around casually!

“The place in front is where my father is imprisoned. If you want to see him, in addition to avoiding the guards, you have to secretly break through several formations.” “

Don’t run around. If you touch the formation, then we will fail!”

Zhu Ling reminded David!

“Senior sister, I didn’t expect you to know the formation. You are so beautiful and talented!”

David praised behind Zhu Ling! Zhu

Ling rolled her eyes at David, but said happily in her heart: “How can I know the formation, but I have a formation plate that Elder Cui gave me before.”

Chapter 3986

David watched Zhu Ling fiddling with the array plate. Although her technique was still immature, she operated it without any problems!

And this array plate was really powerful. When the array plate was turned on, it seemed as if a light curtain fell from the sky, and then the light spread out, revealing the array formations hidden around. Then the array formations were invaded by the light curtain, forming a crack!

There was a lot of spiritual energy flowing around the crack, and these spiritual energies were used to make the array formations overlap!

“Okay, we can go in quietly!”

Zhu Ling put away the array plate and walked in through the crack!

Seeing this, David also walked in along the crack. After a while, the crack slowly overlapped, and then it was as if nothing had happened!

Looking at the overlap in the array formation, David’s face showed a smile!

This array plate was given to Zhu Ling by Elder Cui, but the array formation here was also set up by the debt collector!

And coincidentally, the array plate can easily break the array formation, and it will not cause damage to the array formation!

Even a fool can see that Elder Cui did it on purpose!

It seems that Elder Cui is also loyal to the old master’s lineage, but he can’t stand on the side blatantly!

“How is it, this array disk is very powerful, I also accidentally discovered that the array disk can break these arrays.”

“There are many arrays behind, you must not run around, follow me closely behind!”

Zhu Ling said to David!

“Okay, senior sister!” After David finished speaking, he came directly behind Zhu Ling, almost sticking his body to Zhu Ling’s back! They

were almost hugging each other!

“What are you doing?”

Zhu Ling was stunned, turned around and glared at David!

“Senior sister, didn’t you ask me to follow you closely? I’m afraid that if I’m too far away from you and accidentally touch the array, it will be troublesome.”

David hurriedly explained!

“Then you don’t have to stick to me directly, you are against me, just one step away from me!”

Zhu Ling rolled her eyes at David!

David nodded hurriedly, pretending to be an ignorant white, letting Zhu Ling command!

In terms of the control and understanding of the formation, Elder Cui is not as good as David!

David can see through these formations at a glance!

However, David can’t enter the formation silently, and can only rely on breaking the formation!

Seeing David so obedient, Zhu Ling turned around with satisfaction and continued to move forward quietly!

When David and his friends came to an archway, they saw from a distance that four guards were standing upright!

Seeing these guards, David whispered: “Senior sister, there are people watching here, how can we get in?”

“Don’t worry, I have a way!”

Zhu Ling said, taking out two palm-sized copper plates, and the copper plates were engraved with hidden formations!

“I have two concealment arrays here. I’ll tell you how to use them later, and then you can hide your body and go in.”

“Don’t panic. If you reveal your breath in a flash, you will be discovered by the other party. If you are caught, it will be troublesome. I can’t come here secretly in the future.”

Zhu Ling warned David!

“Is this also given to you by Elder Cui?”

David asked curiously!

“Yeah!” Zhu Ling nodded: “I often go out to play with the concealment array. Many people have never seen me and think that I have been staying in the mansion. I will be suffocated to death!”

David took the concealment array and was more convinced that Elder Cui was from the old master’s lineage, at least he was inclined to the old master’s lineage!

Otherwise, why did he give Zhu Ling so many arrays?

Although these arrays are not very advanced, in a place like the Heavenly Realm, each array is extremely expensive!

Even the simplest things like the sound transmission jade slips are priceless, let alone the arrays!

Zhu Ling taught David how to use the arrays!

Chapter 3987

It was really hand-in-hand!

Zhu Ling grabbed David’s hand and explained it bit by bit, including how to inject his own breath into the array.

Zhu Ling taught very carefully, and David also learned very seriously!

“How is it?”

Zhu Ling asked after teaching for a while.

“Well, very soft, very smooth...”

David couldn’t help but exclaimed!

“Very soft and smooth?” Zhu Ling was stunned: “What are you talking about?”

“Oh, I learned it, very good!”

David reacted!

In fact, David didn't learn it at all, but kept feeling the feeling brought by Zhu Ling's tender and smooth little hands!

"It's okay if you learn it, I'm here, don't be nervous."

Zhu Ling's attitude towards David has improved a lot!

At least tonight, David was very obedient, and he also praised what Zhu Ling liked to hear, which made Zhu Ling's favor for David obviously increase!

"Well, it's my honor to be protected by Senior Sister Zhu Ling. Even if I die, if I can die in Senior Sister Zhu Ling's arms, I will be satisfied."

David nodded and said!

"Slippery tongue!" Zhu Ling smiled, then activated the array and hid!

David quickly hid himself as he swayed. He didn't need any array plate at all!

The array plate given by Elder Cui was really not as good as David's own array!

Zhu Ling carefully led David through the archway, and then continued to move forward. After passing through two more arrays, Zhu Ling's speed slowed down!

David also sighed that the place where the old master was imprisoned was too heavily guarded. It was even stricter than a prison!

"Senior sister, are we there?"

David asked in a low voice!

"No, through here, I can see my father, but the formation here is too tight, and several formations are superimposed on each other."

"And there are two formations among them, which are the formation plates that Huo Yuanting bought with a lot of money, not set by Elder Cui."

Zhu Ling frowned slightly and said!

David heard that Huo Yuanting didn't trust Elder Cui very much. He was also wary of Elder Cui's tendency to lean towards the old master's lineage!

"What should we do? If we can't open the formation, how can we get in?"

David asked!

David glanced at it and indeed found that there were several formations superimposed in front, and there were actually two killing formations, which were not defensive formations!

It seems that Huo Yuanting wants to kill those who sneaked close to the old master directly. Those

who can sneak close to here must be people from the old master's lineage, so even if these people are killed, Huo Yuanting will not lose anything, on the contrary, it will be of great help!

It is estimated that these two killing formations are the formation plates that Huo Yuanting bought with a lot of money. After all, Elder Cui can't set up such a killing formation!

"I'll contact my father, he can help open the magic circle from inside, then we can meet."

"This magic circle is to prevent people from sneaking in, but it won't prevent people from opening it."

"After my father opens it, he will tell me how to get in, and we have been meeting like this."

Zhu Ling said!

"Isn't the old master crazy?"

David was surprised!

"My father is only crazy occasionally, not all day long, and my father said that his illness is likely to be poisoned, but he himself can't find out the reason, and there is no evidence."

Zhu Ling explained!

"Then how do you contact the old master? This magic circle is blocked, I'm afraid it won't work to transmit sound, and even the breath is difficult to penetrate."

David didn't understand how Zhu Ling contacted the old master!

Zhu Ling took out a sachet, and then shook it in front of David: "This sachet contains ashes from my father's burnt hair. As long as I pass through this sachet, I can communicate with my father's mind."

"And this thing can only be used by me, and it's useless for others to get it. After all, my father and I are connected by blood!"

Chapter 3988

After that, Zhu Ling began to close her eyes and put her spiritual consciousness into the sachet, wanting to communicate with the old master!

But after waiting for a long time, Zhu Ling still had no reaction, and a lot of cold sweat appeared on her forehead!

Seeing this scene, David slapped Zhu Ling's shoulder directly, and a spiritual power hit Zhu Ling's body!

Zhu Ling took a long breath and opened her eyes palely!

"What are you doing? The whole spiritual consciousness is radiating out, isn't this looking for death?"

David yelled at Zhu Ling!

Zhu Ling actually radiated all her spiritual consciousness. Fortunately, David discovered it in time and helped Zhu Ling pull back her spiritual consciousness!

If the spiritual consciousness can't come back, Zhu Ling is afraid that she will become demented, and may even die!

"Why can't my father sense it at all? I can't sense him..."

Zhu Ling frowned and said nervously!

"Could it be that the old master is getting sick, so he can't communicate with you telepathically?"

David said!

"Impossible, even if my father is ill, I can sense his presence, but he can't respond to me."

"But this time, I didn't feel my father's breath."

Zhu Ling looked nervous, with worry in her eyes.

"Is it possible that the old master has been moved and is not here anymore?"

David said again!

“It’s impossible, this is the most guarded place in the entire Ziyang Sect, Huo Yuanting will not move my father away.”

“Could it be that something happened to my father, and they murdered my father?”

Zhu Ling became emotional and wanted to break through the formation by force!

“Senior sister, don’t be impulsive, if you break through the formation by force, not only will you not be able to see the old master, you may be discovered and captured.”

David stopped Zhu Ling and said!

“Don’t worry, I know my limits.” After Zhu Ling finished speaking, she actually opened the sachet and swallowed all the ashes inside!

David was stunned: “Senior sister, what are you going to do?”

“Don’t be upset.....”

“Who is upset?” Zhu Ling glared at David: “My father said that the ashes in this sachet, in addition to being able to communicate with him spiritually, can also be swallowed in times of danger, and then I can get my father’s strength.”

“As long as I can get my father’s strength, it will be easy to split this formation, not to mention that I still have Elder Cui’s formation plate in my hand!”

“Can it be like this?” David’s face was full of doubts!

However, after Zhu Ling swallowed the ashes, the aura on her body did change a lot!

“Don’t follow me, I’m afraid I can’t come back this time, you’d better go back obediently.”

“If I see my father, I will ask for you. If we have a chance to meet again, I can tell you!”

Zhu Ling asked David to leave. After all, this was very risky. She didn’t want David to take risks with her!

“Sister, what are you talking about? How could I leave you alone?”

“Since we are already here, even if we are tied

together, I will die with you.” “Besides, I will die without regrets if I can die with you...”

David said with a righteous face!

Zhu Ling looked at David and was moved to tears by him!

Zhu Ling had never felt such care before!

Although many men pursued her and said they liked her!

But no man was willing to die for her!

“Junior brother, thank you, I won’t let you die.”

Zhu Ling grabbed David’s hand, and then pulled David slowly into the formation!

David grabbed Zhu Ling’s hand, and he felt so happy!

However, David wanted to break the formation with Zhu Ling, not to pursue Zhu Ling. He was just afraid that something would happen to the old master. Then who would he learn the method of fire fusion from?

Chapter 3989

Zhu Ling grabbed David’s hand and walked very carefully. With the opening of the array disk, the superimposed array in front of David and the others was slowly opening a gap!

Zhu Ling was extremely cautious at this moment, breaking the array pattern little by little and heading towards the depths of the array!

At this moment, Zhu Ling’s forehead was already covered with sweat, and her clothes were soaked with sweat!

But even so, Zhu Ling still pulled David, for she was afraid that David would accidentally touch the array and something would happen!

David looked at Zhu Ling in front of him, with beads of sweat dripping on her white cheeks. Because of the wet clothes on her body, her exquisite curves were also looming!

Just when David was inadvertently admiring Zhu Ling’s body, Zhu Ling suddenly stopped!

And David also sensed the breath of danger at this moment!

David retracted his mind and looked ahead, and found that the two killing arrays were in front of him!

These two killing arrays were obviously not set up by Elder Cui, so Elder Cui's array disk had no way to break these two killing arrays!

Now he can only rely on Zhu Ling to break the array herself!

"Junior brother, don't move. I'm going to break those two killing arrays. If anything happens to me, you run back immediately and don't worry about me!"

After Zhu Ling finished speaking, she actually handed the array plate in her hand to David. It seems that she trusts David quite a lot!

David took the array plate and said with some emotion: "Senior sister, I believe you, you can definitely do it!"

Zhu Ling nodded. In fact, she herself was not sure. Although she temporarily possessed the strength of the old master, Zhu Ling had no experience in breaking the array!

Seeing Zhu Ling's nervous look, David stepped forward and hugged Zhu Ling tightly!

"Senior sister, don't be nervous, you have to believe in yourself!"

David did not deliberately take advantage of Zhu Ling, but at the moment of holding Zhu Ling, David flicked his fingers!

A white light instantly sank into the killing array!

Although this killing array is very dangerous, for David, it is just the level of a child playing house!

David did not choose to break the killing array directly, but weakened the power of the killing array, and then let Zhu Ling break the array!

In this way, Zhu Ling will not doubt anything, but will think that she is very powerful and can break the killing formation!

Zhu Ling was hugged by David. Although she didn't like men hugging her, she didn't feel disgusted when David hugged her. On the contrary, she hoped that he could hug her for a while longer!

"Senior sister, go and break the formation. Whether it succeeds or not, I won't run away. I want to be with you!"

David said with a firm face!

This moved Zhu Ling very much. In the entire Ziyang Sect, no one except her father had treated her like this!

Zhu Ling nodded, then took a deep breath and went to break the killing formation!

David was watching leisurely from behind, especially when he saw Zhu Ling's nervous and trembling look, David wanted to laugh!

"You kid, you don't forget to pick up girls while learning the skills."

The Red Cloud Demon Lord said jokingly!

"I didn't, I just wanted to gain trust so that I could learn the method of fusion to fire!"

David hurriedly denied it!

"Bah, you just hugged me and I had a reaction, and you dare to say no?"

The Red Cloud Demon Lord said contemptuously!

David was stunned, and then laughed awkwardly!

After all, Zhu Ling is really too beautiful, and her figure and skin are first-class!

Especially when he saw Zhu Ling's smooth skin, David couldn't help but think of Ji Ruxue!

They have been separated for several months, and he doesn't know how Ji Ruxue and the others are doing.

Just when David was thinking about it, Zhu Ling suddenly screamed, pulling David back to reality!

"Senior sister, what's wrong with you?"

David rushed over and nervously pulled Zhu Ling and asked!

Chapter 3990

"I'm fine. I broke the killing array. I'm so awesome..."

Zhu Ling was happy!

“Senior sister is so awesome. I said that if Senior Sister came out, there would be no problem.”

David praised Zhu Ling.

Zhu Ling hugged David excitedly. She felt that David was like her confidant!

David hugged Zhu Ling. For a moment, he felt that he had nowhere to put his hands, and then he started to grope around randomly!

Zhu Ling also noticed it, but she didn't stop David!

“You bold and mean guy, you dare to touch my daughter?”

Just when David was touching her happily, he suddenly shouted angrily, which scared David and pushed Zhu Ling away!

“Father?”

Zhu Ling was immediately happy when she heard this voice!

Hearing the voice of the old master, it proved that the old master had no accidents!

Zhu Ling took David through the array, and then came to a magnificent building. After pushing open the door, David found that under a curtain of light, an old man in a purple robe was sitting quietly on the jade platform.

This is the old master of Ziyang Sect. He looks very kind and gentle, and there is no sign of madness.

“Father...”

Zhu Ling shouted excitedly!

“Old master!” David also shouted hurriedly!

However, David looked at the old master's body, and there were faint black air surrounding it, as if these black air were about to invade the old master's body!
However

, there was a layer of light purple around the old master's body, blocking the invasion of the black air!

David glanced out the window. It was the time when the full moon was hanging high. Under the moonlight, the purple air around the old master's body became thicker and thicker!

Seeing this, David seemed to have guessed a rough idea.

The reason why the old master was crazy must be because the devil entered his body and controlled his consciousness!

The reason why he is sometimes crazy and sometimes sober is that under the moonlight at night, the breath in the old master's body will temporarily force the evil spirit out of the body, and then he will be sober!

However, every time Elder Yu and his friends come to see the old master, they must enter during the day, so every time they see the old master, he is in a crazy state!

"Father, I couldn't contact you just now, which really scared me to death. Why don't you pay attention to me?"

Zhu Ling said to the old master with some complaints!

The old master glanced at David, and then said to Zhu Ling: "Girl, our meeting is a top secret among the top secrets. Even Elder Yu doesn't let you tell me. How can you suddenly bring a strange boy here?"

It turned out that the old master noticed David's existence, so he didn't contact Zhu Ling!

"Father, this is Elder Yu's new disciple. He is my junior brother and should not be a stranger."

Zhu Ling hurriedly introduced David's identity!

"Silly girl, I think you are fascinated by love. Did you bring him here because you like this guy?"

The old master sighed!

"No, absolutely not. I just made a bet with him and I lost, so I brought him here."

"How could I possibly like him? Absolutely not!"

Zhu Ling denied hastily.

Seeing Zhu Ling's flustered look, the old sect master was even more convinced, so he smiled faintly and said, "Okay, don't quibble. That guy just touched you for a long time, and you didn't resist."

"You know, if other men look at you for a few more times, you will hit them."

"I..." Zhu Ling opened her mouth and didn't know how to quibble for a while!

Just now, David did hold her and touch her with his hands!

She did not resist, and she didn't even feel disgusted, and she even felt a little comfortable!

“Okay, you go out, I'll have a good talk with this boy. I want to see how capable he is if he dares to flirt with my daughter!”

The old sect master waved his hand and asked Zhu Ling to go out!
