## Chapter 3991

When Zhu Ling heard this, she hurriedly stood in front of David: "Father, you can't hurt him. He is the disciple of Elder Yu. If you dare to hurt him, I will never talk to you again."

"Okay, okay, I won't hurt him. You said you didn't have any feelings, but now you are starting to ignore your old father for him."

"I'm just talking to him, I won't do anything. I can't hand my daughter over to someone I don't know at all." The

old master said helplessly!

"Senior sister, please go out. I believe the old master won't do anything to me. I'll have a good chat with the old master!"

David patted Zhu Ling's shoulder gently and said!

Seeing David say this, Zhu Ling nodded and walked out!

As soon as Zhu Ling walked out of the hall, the old master's face instantly became extremely cold,

and he no longer looked as kind as before! David couldn't help but tremble when he saw the old master's sudden change of face!

"Boy, who are you? Why are you approaching my daughter?"

The old master asked in a cold voice!

"Old Sect Master, I am the disciple of Elder Yu, and now I am the inner sect disciple of Zi Yan Sect. My name is Cheng Ping, and I didn't approach Senior Sister on purpose."

David pretended to be innocent and said!

"Humph, Elder Yu's disciple, how could Elder Yu recruit a disciple like you who can easily break the killing array."

"Your ability is probably not inferior to that Elder Yu. How much money did you give Elder Yu? What is the purpose of coming to our Zi Yan Sect?"

The old sect master directly pointed out David!

Although David had just concealed the power of the killing array from Zhu Ling, he did not hide it from the old sect master!

David did not expect that the old sect master could see through everything!

“Old sect master, I have no bad intentions, and I don’t want to do anything to Senior Sister Zhu Ling. The reason why I joined Zi Yan Sect is that I want to follow the old sect master to ask for the method of the ultimate fire fusion.”

David said truthfully!

“Ultimate fire fusion?”

The old sect master looked at David: “I do know how to fuse the ultimate fire, but do you think I will tell you? I don’t know your identity at all!” “Although I entered the Ziyan Sect by special means, I didn’t deceive the old sect master. My name is Cheng Ping, just a casual cultivator!”

David said!

David didn’t want to tell his true identity. After all, his identity was too shocking, and it would also cause a lot of unnecessary trouble!

“Go out. Since you can’t be honest with each other, why should I teach you?”

The old sect master waved his hand and let David leave!

“Old sect master, why is this?” David frowned!

“You hide your breath, change your appearance, but say that your identity is real. Do you treat me as a three-year-old child?”

“Since you are not sincere, why should I teach you.”

The old sect master snorted coldly!

When David heard this, he was immediately overwhelmed. He didn’t expect that the old sect master observed so carefully that he could see that he was hiding!

David knew that if he couldn’t tell his true identity, he was afraid that the old sect master would definitely not teach him!

David had no choice but to shake his body slightly and return to his original appearance!

“Old Sect Master, I have no choice but to deceive you. My original name is David. I have offended too many people, so I have to change my appearance and aura to hide my identity.”

David said helplessly!

“David? The one who was hunted down by the Demon Sealing League with a hundred years of offerings?” The

old sect master looked surprised!

“You know me?” David did not expect that the old sect master knew him even though he was locked up here!

“Hahaha, there are probably not many people in the whole world of heaven and man who don’t know your name.”

“It’s just the fourth level of the Tribulation Realm, but it’s really not simple to be hunted down by the Demon Sealing League with a hundred years of offerings.”

“In this case, you really should hide your identity, otherwise many people will not be able to withstand the temptation of the Demon Sealing League’s hundred years of offerings, and will kill you.”

The old sect master laughed!

Chapter 3992

“Old Sect Master, now that I’m telling you the truth, you won’t have any ideas about me, right?”

David looked at the laughing old Sect Master and asked nervously!

“How could it be? How could I have any ideas about my son-in-law?”

The old Sect Master laughed! “Son-in-law?” David was stunned, then waved his hand hurriedly and said, “Old Sect Master, don’t get me wrong. There’s really nothing wrong with me following my senior sister

. Nothing happened.”

“Okay, don’t explain. I can see that my daughter doesn’t object to you. Besides, you’ve seen my daughter’s body. Shouldn’t you be responsible?” The old Sect Master said! David was dumbfounded when he heard it. He didn’t understand how the old Sect Master knew that he had seen Zhu Ling naked! Besides, the old Sect Master was locked up here, and sometimes he was crazy, how could he know what was happening outside. “Old Sect Master, this is slander and rumor. I haven’t seen Senior Sister Zhu Ling’s body.” David could only grit his teeth and not admit it. After all, this was not a glorious thing! “It’s useless for you to deny it. Don’t think that I know nothing about the Ziyang Sect because I’m locked up here.” “Although my consciousness is sometimes controlled and I become crazy, I’m not stupid.” The old sect master said! Seeing this, David hurriedly changed the subject and said, “Old sect master, what’s the matter with your crazy symptoms? If possible, I may be able to help you heal.” “But I have a prerequisite. If I help the old sect master heal, I hope the old sect master will teach me the method of the ultimate fire fusion!” David wanted to rely on this condition to exchange with the old sect master! After all, the method of the ultimate fire fusion, if there is no conflict of interest, if others don’t teach it to him, David can’t force it! “You can’t cure it. I’m possessed by a demon soul. I don’t know how Huo Yuanting got in touch with the demon cultivators and put a demon soul in my body.”

“Fortunately, my own consciousness is strong enough. This demon soul can only disturb my consciousness during the day. At night, with the moonlight, the fire in my body will control the demon soul and gain a short period of sobriety.”

“This demon soul is very powerful, even I can’t completely control it. You are only a fourth-grade in the Tribulation Realm. How can you control the demon soul or even destroy it?” The

old master smiled helplessly!

After hearing this, David smiled confidently and said, “It’s just a demon soul. I can catch it easily. I can beat him and call him daddy...”

David had a countermeasure in his mind. In fact, when he entered the door, he saw the black air around the old master and the resistance of the purple air, and he had guessed it roughly!

It is very likely that Huo Yuanting wants to rely on the demon soul to control the old master in order to completely control the Purple Flame Sect!

However, the old master’s consciousness was so strong that the demon soul entangled in the old master’s sea of consciousness and became crazy. Sometimes the old master’s consciousness took the upper hand and he would become sober!

Seeing that he could not control the old master, Huo Yuanting locked him up!

“You are not old, but you are really good at bragging. The demon soul in my body is not a small demon cultivator, but a big demon.”

“If it was just a small demon cultivator’s soul, I would have buried him in the sea of fire long ago.”

The old master did not take David’s words seriously, and thought that David was bragging!

David said: “Old master, just say whether you agree or not. If I destroy the demon soul and give you freedom, can you teach me the method of fusion with fire?” David

was confident. In the old master’s sea of consciousness, the demon soul was awesome, and was there any more powerful than the Red Cloud Demon Lord in his own sea of consciousness?

As long as David introduced the demon soul into his sea of consciousness, the Red Cloud Demon Lord would destroy him in minutes!

The Red Cloud Demon Lord is the great devil of the ninth heaven. Even the so-called devils in the celestial world are not even his grandsons in front of him!

## Chapter 3993

“Okay, I promise you, but let me be frank. If you are invaded by the devil’s soul and become demented, it has nothing to do with me.”

The old master said!

“Don’t worry, I won’t look for you later.”

After David finished speaking, he stretched out his hand and shot out a breath!

After this breath touched the black air surrounding the old master, the black air instantly became ferocious!

At this moment, the old master’s eyes were instantly dull, and his whole mind was controlled by the devil’s soul!

David gently put his hand on the old master’s head, wanting the black air to enter his body!

But the black air seemed to know something, and it didn't enter David's body and attack David's sea of consciousness, but emitted a foul air and began to erode David's body!

This is to erode David's body and make David have no flesh!

But David's flesh has been tempered many times, and it has been tempered with fire!

This turbid air can't shake David's flesh at all!

Seeing this, David operated the Condensation Heart Technique and began to emit a huge suction force, absorbing the devil's soul in the old master's body!

Feeling the huge suction force, the demon soul struggled desperately.

"Boy, do you want to die? I don't enter your body, not because I'm afraid of you, but because it's my job to control this old guy."

"If you don't want to die, get out of here right now, don't make me angry!"

The demon soul threatened David coldly with the help of the old master!

"Bah, you are afraid of me, are you afraid that after entering my sea of consciousness, I will imprison you and beat you to death?"

David sneered, constantly provoking the demon soul to enter his sea of consciousness!

"You are talking nonsense, you are just a fourth-grade cross-tribulation realm, how can I be afraid of you."

The demon soul was a little angry, and his voice was a little exasperated!

"Since you are not afraid of me, then invade my sea of consciousness, and let's have a contest."

"I don't think you dare at all, you can only bully old men, what kind of guy!"  
David still stimulated the demon soul!

"Ah, brat, I'll kill you first, and then continue to control this old guy!"

The demon soul was angry, and then a wisp of demon energy rushed into David's body like a sharp blade!

As soon as it entered the body, it went straight to David's sea of consciousness!

As long as David's sea of consciousness is controlled, David will be a living dead man.  
How do you want David to die, David will die!

However, when the demon soul just entered David's sea of consciousness, it regretted it instantly!

I saw the Red Cloud Demon Lord sitting in David's sea of consciousness with his legs crossed, waiting for the demon soul to enter with a sneer on his face!

At the same time, above David's sea of consciousness, a golden golden book of Daluo flashed with golden light, which made the demon soul shudder!

He found that although David was only at the fourth level of the Tribulation Realm, his sea of consciousness was extremely vast, and there were souls living in the sea of consciousness!

The moment the demon soul left the old master's body, the old master instantly woke up, and then quickly closed his sea of consciousness to prevent the demon soul from invading again!

At the same time, the old master looked at David, his eyes full of surprise, and said, "Did you really introduce that demon soul into your sea of consciousness?"

"Yes, that demon soul is now in my sea of consciousness."

David nodded!

"Then why weren't you controlled?" The old master was very puzzled. How could David not be controlled?

With David's strength, the demon soul would be controlled immediately after entering the sea of consciousness!

"I've said it before, a mere demon soul can't control me at all. After entering my sea of consciousness, I asked him to call daddy, and he must call."

David said with a smile!

The old master was puzzled, but still didn't believe what David said!

Seeing this, David could only say, "Call daddy, shout happily, maybe I can spare you, and you still have a chance to reshape your body and revive."

At this moment, the demon soul was in David's sea of consciousness, being held by the collar by the Red Cloud Demon Lord, like a little chicken, and was about to cry!

## Chapter 3994

He could feel the breath of the Red Cloud Demon Lord, which was the breath that only Demon Lords had!

The Demon Lord of Heaven was something he had never thought of!

He had never thought that he could meet a Demon Lord from Heaven, and he had never thought that in the sea of consciousness of a fourth-grade cultivator in the Heavenly Realm, there actually lived the soul of a Demon Lord from Heaven!

“Did you hear me? I told you to call me daddy!”

The Red Cloud Demon Lord said to the demon soul!

“Dad, dad, dad...”

The demon soul shouted desperately.

At this moment, let alone asking him to call daddy, he would be willing to call him ancestor or grandpa!

The old sect master listened to the voice coming out of David's body. The tone and breath were indeed from the mouth of the demon soul! The old sect master

had been dealing with the demon soul in his sea of consciousness for so long, so he could hear it and feel it!

The old sect master looked at David in surprise and disbelief!

He really couldn't imagine how David did it!

The old sect master could never have imagined that there would be a demon lord in David's sea of consciousness!

“Okay, you can die now!”

David said calmly.

As soon as David finished speaking, he heard a scream! With

a wave of his hand, the Demon Lord Chiyun turned the demon soul into ashes and became a resource for David's cultivation!

“Old Sect Master, isn't it time to fulfill your promise and teach me the method of the Ultimate Fire Fusion?”

David asked the old Sect Master!

“I can teach you, but I don’t know how...”

The old Sect Master said with a wry smile!

“Damn, you old thing, are you trying to trick me?”

David got anxious when he heard it!

He worked hard to come to Ziyang Sect just to learn the method of the Ultimate Fire Fusion, and he also helped the old Sect Master to clear the demon soul!  
You are telling me you can’t do it now? What

were you doing before?

“My dear son-in-law, don’t be anxious, don’t be anxious, why are you still swearing!”

Seeing this, the old master hurriedly comforted David: “I can’t fuse the ultimate fire, but it doesn’t mean that others can’t!” “

Then who can?” David asked angrily!

“In fact, the method of fusing the ultimate fire is in the divine fire seal of our Ziyang Sect. At the beginning, I also got the divine fire seal and realized a trace of the mind method from it, which made the two ultimate fires fuse.”

“This kind of perception can’t be taught. If you also want to fuse the ultimate fire, you must get the divine fire seal and comprehend the mind method from the divine fire seal.”

“I don’t know how many kinds of ultimate fire you want to fuse?”

The old master asked David!

When David heard it, it turned out to be this reason. The old master did not lie to him, so his expression eased and said: “I want to fuse at least five kinds of ultimate fire...”

David has already mastered five kinds of ultimate fire, and maybe he can master more later!

So David now has to fuse at least five kinds of ultimate fire!

“Five kinds?”

The old master's eyes widened, his eyes full of surprise, and he said, "How can you have five kinds of supreme fire? Can you show the supreme fire to me and let me see it?"

David was embarrassed when he heard it!

Two of his supreme fires were stolen from the Purple Flame Sect. If he showed them, how could he explain to the old master?

Seeing David's shy look, the old master said with a cold face, "Since you don't want me to see it, then I won't see it. As for how to use the Divine Fire Seal to comprehend the mind method, I have nothing to say!"

"Old master, I'm not stopping you from seeing it, I'm just afraid of scaring you. Since you insist on seeing it, I'll let you see it!"

After David finished speaking, groups of supreme fire began to burn around his body!

The black demon supreme fire, the fiery red earth core fire, the white extreme cold ice flame, brown, purple...

Five different colors of supreme fire jumped around David's body!

"Damn, this is the ultimate fire of our Zi Yan Sect. How the hell did you get it?"

Upon seeing this, the old sect leader immediately became anxious!
