

## **A Man Like None Other Novel**

### **Chapter 4009**

He began to suspect that David was not a disciple recruited by Elder Yu, but a master invited from outside, who then broke the formation and helped the old master to eliminate the demon soul!

And the reason why David looked like he only had the strength of the fourth level of the Tribulation Realm was definitely to hide his strength and not be discovered!

"Damn, I've been fooled. It turns out that they have been plotting to heal the old master."

Huo Yuanting gritted his teeth and felt that he had been fooled!

"Those who can pass through layers of formations and destroy the demon soul are definitely not ordinary people. I guess this time when the God Fire Mountain is opened, Master Huo may not be able to get the God Fire Seal."

"The other party has obviously invited a master, and your old master has come out. Do you think you still have a chance to sit on the position of the master?"

Elder Tu asked Huo Yuanting!

Huo Yuanting was silent. Of course, he knew that if the old master came out, he would have no chance, not to mention that the other party had already planned it!

After thinking for a moment, Huo Yuanting looked at Elder Tu and asked, "Tell me, what do you want?"

"Of course I want to cooperate with Master Huo."

"We will help Master Huo remove the obstacles so that you can get the Divine Fire Seal and sit on the position of the master."

"Of course, Master Huo will also take out some of the resources of the Divine Fire Mountain so that our Ghost Face Sect can live in the Purple Flame Sect!"

Elder Tu stated the conditions of their Ghost Face Sect!

"Let me think about it..."

Huo Yuanting frowned slightly!

If he agreed, it would be like inviting a wolf into the house. Maybe after a long time, the entire Purple Flame Sect will become the Ghost Face Sect!

By then, even the Divine Fire Mountain will become a resource place for the Ghost Face Sect!

"I can give Master Huo time to consider, but I'm afraid that the old master's lineage will not give you time."

"The people you left behind probably can't hold out for long."

Elder Tu said!

Huo Yuanting also knew that he left a part to stop Elder Yu and the others, but it was just a delay!

After he entered the Divine Fire Mountain and got the Divine Fire Seal, he wouldn't be afraid!

So he didn't leave too many powerful people! Most of them were taken to the Shenhua Mountain. After all, finding the Divine Fire Seal was the most important thing!

But now, a magma river suddenly appeared to block the way, and knowing that the old master had recovered, Huo Yuanting's heart had long been in chaos!

"Okay, I promise you!" Huo

Yuanting finally gritted his teeth and agreed!

"Hahaha, Master Huo, this is a wise move. Even your son is from our Ghost Face Sect. By then, we will be a family and can communicate with each other."

Elder Tu laughed!

"Don't forget what you said, help me get the Divine Fire Seal and be the master of this sect."

"Now I have to cross this magma river, and there are people who block the old master's lineage."

Huo Yuanting said!

"This is not a problem. I can come, so I can definitely help you..."

After saying that, Elder Tu stretched out his hand to take off his ghost face and threw it away!

The ghost face suddenly grew larger in the air, like a flying boat hanging in the air!

At the same time, Elder Tu's scarred face was also exposed!

"Now you can go up and fly over the lava river. As for the disciples of the old master's lineage, I will deal with them."

Elder Tu said!

Seeing this, Huo Yuanting nodded and led people to jump onto the ghost face!

Elder Tu shot out a black mist, which held the ghost face and went to the other side of the lava river! Seeing

Huo Yuanting and others leave and reach the other side, Elder Tu raised his mouth!

How could the Ghost Face Sect be under another sect? Now it's just the first step!

Sooner or later, they will replace the Purple Flame Sect and completely occupy the God Fire Mountain!

At this time, Elder Yu and his people also defeated all the people who had left their hands in Huo Yuanting's lineage. Elder Tian was not Elder Yu's opponent and was defeated!

Because they were all disciples of the Purple Flame Sect, they did not kill them. Except for some people who were injured, they were not in danger of life!
