Chapter 4016

“Senior is mighty!” At this time, David could only obey the Red Cloud Demon Lord. If he likes to brag, then let him brag a few times!

Several demon souls surrounded David and instantly poured into David’s body!

Soon, they rushed into David’s sea of consciousness!

Seeing David possessed by the demon soul, Elder Tu laughed triumphantly!

“Even if your sea of consciousness is strong, I don’t believe that I can’t subdue you with these demon souls together!”

Elder Tu slowly walked towards David!

David looked at Elder Tu who was coming, and suddenly he had an idea. His eyes instantly became dull, as if his sea of consciousness was controlled!

But at this time, after entering David’s sea of consciousness, those demon souls regretted it one by one!

They all screamed, and were beaten to death by the Red Cloud Demon Lord with a wave of his hand!

This is not an opponent of the same level at all. Although the Red Cloud Demon Lord is only a remnant soul at this moment, even so, it is not comparable to the souls of these demon cultivators in the Heavenly Human Realm!

Elder Tu walked up to David at this time, and seeing David’s eyes were dull and the whole person was like a puppet, he couldn’t help but smile coldly!

“Elder Tu’s demon soul is still powerful. Even if this guy is powerful, it’s useless if his sea of consciousness is not strong!”

The man from the Ghost Face Sect also caught up, and then praised Elder Tu!

“This trip is really worthwhile. Not only did we negotiate the terms with the Purple Flame Sect, but we also thought we caught this David.”

“Now we can find the Sealed Demon Alliance in exchange for a hundred years of offerings. You take this kid back to the sect now, and I will chase the guys from the old sect masters of the Purple Flame Sect. We must not let them make trouble.”

Elder Tu said to the man!

After all, David is now controlled by the demon soul, and it's no different from following a fool, so anyone can take David away!

“Okay!”

The man nodded, then walked up to David and waved, “Follow me...”

David mechanically moved his steps and followed the man!
Elder Tu led his men to chase Elder Yu and the others!

But just as David followed the man for a few steps, the corners of his mouth suddenly raised, and his eyes, which had no expression at all, now revealed a hint of coldness!

Swish!

The Dragon Slashing Sword suddenly appeared in David's hand, and then he chopped it!

This chopped directly cut off the head of the man walking in front!

The man didn't have time to react at all!

He always thought that David was controlled at the moment, so he relaxed his vigilance. Who could have thought that David was actually pretending!

“Stupid idiot, you've been fooled. Just a few demon souls want to control me. It's a joke...”

David yelled at Elder Tu, and then kicked the man's head in front of Elder Tu!

Elder Tu originally led his men to chase Elder Yu and the others, but suddenly heard David's voice. When he turned around and looked, a black shadow attacked!

Elder Tu stretched out his hand and grabbed it, and then he found that it was the head of his own men!

After David sneered at Elder Tu, his figure disappeared instantly!

Elder Tu was going to die of anger!

The few demon souls that he cultivated with great difficulty did not cause any harm to David.

Instead, he was deceived by David and killed his men with a sword!

“Boy, I will definitely kill you, definitely...”

Elder Tu roared and chased after David!

Seeing this, the disciples of the Ghost Face Sect also chased after him!

David used the Fire Control Step and quickly chased after Elder Yu and the others!

If it were only Elder Yu and the others, I’m afraid there would be no way to stop Huo Yuanting and the others!

You know, the people from the Liangyi Sect are also there, but they are masters of formations. If they set up a formation, Elder Yu and the others will not be able to break it!

David quickly chased in the direction of Elder Yu and the others!

But when David caught up with Elder Yu and the others, he found that Elder Yu and the others were all blocked by the lava river in front of them!

Chapter 4017

Looking at the flowing magma in front of him, David was actually full of excitement. You know, these magmas are all the fire of the earth’s core!

David can absorb the flames in these magmas and enhance his own fire of the earth’s core!

However, David does not have time to absorb it slowly at the moment!

“Junior brother, are you okay?”

Seeing David catching up, Zhu Ling asked with concern!

“Senior sister, I’m fine!” David shook his head and then asked, “Can’t this magma river fly over?”

“I can’t get through. Just now a disciple tried and was directly swallowed by the flames. The flames in this magma river are too strong.”

Elder Yu said to David!

David looked at the magma river carefully. If he had time, he could absorb all the flames in the magma, but now he didn’t have time!

The people of the Ghost Face Sect were chasing behind, and they should be able to catch up soon!

David approached the magma river tentatively. When David’s body approached the magma river, a large amount of flames suddenly erupted from the magma river!

“Junior brother, be careful...”

Seeing this, Zhu Ling reminded David loudly!

However, this flame will not cause any harm to David. After all, David has refined the fire of the earth’s core. Even if he enters the magma at this moment, he will not be harmed!

David can pass through the magma river, nothing will happen, but how can others pass?

Just when David was at a loss, he suddenly thought of something, and then a ball of white flame jumped in his palm!

Then, David slowly hit the white flame into the magma river! In

an instant, the magma in the magma river stopped flowing, and even the rising flame stopped jumping!

Everyone saw this scene and looked at David in shock. They didn’t understand how David did it!

“Hurry up and pass through, I can’t hold on for long!”

David saw this and said hurriedly! Elder Yu and the others heard this and hurriedly began to fly over the lava river!

Because the lava river was controlled by David, it was not attacked by flames!

When everyone passed the lava river, David gasped and put away the extremely cold ice flame!

David's forehead was full of cold sweat!

At this time, not far away, Elder Tu and the people of the Ghost Face Sect had already chased over!

"Junior brother, come here quickly, come here quickly..."

Seeing that the people of the Ghost Face Sect were chasing, Zhu Ling hurriedly shouted at David!

David glanced at the people of the Ghost Face Sect and knew that if he left at this moment, the people of the Ghost Face Sect would definitely catch up soon!

"Senior sister, you go first, stop Huo Yuanting immediately, I will catch up later!"

David shouted to Zhu Ling!

"Miss, let's go first. It's more dangerous to let him cross the lava river at this time. The people of the Ghost Face Sect will be here soon."

"Our top priority is to stop Huo Yuanting from getting the Divine Fire Seal. We must stop him!"

Elder Yu pulled Zhu Ling and said!

Zhu Ling also knew that what they had to do now was to stop Huo Yuanting from getting the Divine Fire Seal!

Helpless Zhu Ling, after taking a deep look at David, turned around and headed towards the Divine Fire Mountain with tears in her eyes!

This time, she didn't know if David could still escape!

After all, there was a magma river blocking in front, and the Ghost Face Sect was chasing behind, where could David escape?

And David looked at the angry Elder Tu, knowing that it would not be so easy to escape this time!

"I don't know if I can fight with this puppet!"

David frowned slightly!

Just now, David used the extremely cold ice flame to freeze the magma river directly, allowing Elder Yu and others to pass, which had already consumed a lot of energy!

There was no time to breathe, and Elder Tu brought people to catch up!

“With your current state, you have no power to fight.”

The Red Cloud Demon Lord said! “If I die, you won’t be able to live either, so stop talking nonsense...”

“Think of a way quickly, you are the demon king of heaven, you are useless.”

David said unhappily!

“It’s not that I don’t have a way, I’m just afraid that you won’t agree.”

said the Red Cloud Demon King.

“Tell me quickly, what is the way?” David asked!

“That is to let me attach myself to you and let me control your body.”

“But don’t worry, I will definitely control the breath, I won’t damage your body, and I won’t take it away and not give it back to you.”

“We have been together for such a long time, don’t you believe me?”

said the Red Cloud Demon King!

“No problem, I can give up my body and let you control it.”

David agreed without hesitation!

Seeing David agree so readily, the Red Cloud Demon Lord was a little surprised: “Boy, are you really going to agree? Aren’t you afraid that I won’t give you my body? Or aren’t you afraid that I will occupy your body and then play with your women?”

“You know, your women are all stunning beauties. I haven’t seen such beautiful women in the heavens!”

“Stop talking nonsense. If you dare to have this idea, I have my own way to deal with you, but I believe in the character of the senior more. You won’t do this.”

David said!

“Okay, but if you give up your body, you must also find a way to suppress this heavenly book. This thing is hanging over my head all day long. I’m afraid that if there is any abnormal movement to occupy your body, it will be directly beaten to ashes.”

The Red Cloud Demon Lord reminded!

The Daluo Golden Classic in David’s sea of consciousness has been protecting David all the time. No soul can control David’s body through David’s sea of consciousness!

“Don’t worry, hurry up...”

David urged!

Afterwards, David’s consciousness spread, and a figure appeared in his sea of consciousness. David took the initiative to give up his physical body and let his soul enter into the sea of consciousness!

Chapter 4018

Seeing this, the Red Cloud Demon Lord directly controlled David’s body!

“Hahaha...”

The moment he controlled David’s body, the Red Cloud Demon Lord laughed crazily!

He couldn’t remember how many years it had been since he appeared in this world in his real physical body!

While laughing, the world suddenly became dim!

All the clothes on David’s body disappeared instantly, his skin began to turn dark, and red lines appeared on David’s skin!

Endless black demonic energy surged in David’s body with terrifying power!

And in the center of David’s eyebrows, the eyes that had been flashing with a gloomy light suddenly appeared!

This sudden change made Elder Tu, who had been chasing after him, stop instantly!

“This... What’s going on? How can this guy have such a terrifying demonic energy?”

Elder Tu looked at David with surprise in his eyes!

Especially when he saw the eye in the center of David’s eyebrows, he felt a chill!

“Senior, that’s enough. You’ve shattered all my clothes. How can I face people later?”

“Just feel that you can beat these guys. Don’t burst out too much energy. I’m afraid that this body can’t bear it.”

David hurriedly reminded the Red Cloud Demon Lord in his sea of consciousness!

This guy should not be happy for a while, forget everything, and completely let go of himself. David’s body can’t bear it!

Fortunately, David’s body has been tempered many times, and it can still bear it now!

Otherwise, the explosion of the demonic energy just now would have directly exploded the body!

“You kid, you’re really a bummer. I finally want to show my skills, but you stop me!”

The Red Cloud Demon Lord said very unhappily!

“Senior, stop making trouble. My body is ruined. It’s too difficult to reshape it. If I can’t reshape it, where can I find such a handsome body?”

“By then, all the women around me will run away...”

David hurriedly said in a pleading tone! “Hahaha, don’t worry, I know my limits!”

After saying this, the Red Cloud Demon Lord rushed towards the Ghost Face Sect disciples holding the Dragon Slaying Sword!

“Little bas***s, give me your lives...”

David roared and rushed forward!

Elder Tu was stunned. Shouldn’t David run away? How dare he attack and rush towards him?

When David rushed over fearlessly, Elder Tu frowned and said, “Damn, this kid is actually possessed by a demon soul, but such a terrifying demon energy is not the demon souls I released.”

“No wonder my demon souls can’t hurt him at all, it turns out that there are more powerful demon souls in his body!”

Elder Tu’s face changed slightly. He finally knew why David suddenly became full of demon energy, and the whole person seemed to have changed like a different person!

“Stop him, stop him...”

Elder Tu roared!

Without knowing what David’s situation was now, Elder Tu could only let his Ghost Face Sect disciples test him!

Looking at the Ghost Face Sect disciples rushing over, David was not afraid at all, but extremely excited! He

was shouting in his mouth!

And those Ghost Face Sect disciples mobilized their magic energy one by one, and used various means to come towards David!

In David’s eyes, waves of black magic energy surged, and the Dragon Slashing Sword in his hand also made a buzzing sound!

Then David raised the Dragon Slashing Sword, and a series of sharp sword energy burst out, rushing straight into the sky!

David was full of fighting spirit, and the sword light was extremely powerful under the blessing of the magic energy!

When this sword was cut down, the sky and the earth changed color, and the earth shook!

More than a dozen Ghost Face Sect disciples were instantly wiped out, and even the slag could not be seen!

“Hahaha, it’s fun...” The Red Cloud Demon Lord shouted that it was fun!

And David said with a bitter face: “Senior, at least get a piece of clothes to put on. This naked body, swaying around, is too indecent...”

Chapter 4019

The Red Cloud Demon Lord looked down and couldn't help but chuckle. It really didn't look very elegant!

As soon as the Red Cloud Demon Lord stretched out his hand, a disciple of the Ghost Face Sect was caught and his clothes were torn off with a casual pull!

Seeing this scene, many disciples of the Ghost Face Sect and Elder Tu were all shocked!

They didn't know what David was going to do, why did he take off his clothes?

Everyone couldn't help but tighten their legs!

David put on his clothes, patted his hands, and let the Ghost Face Sect disciple go to see the King of Hell!

"That's it, I'm going to have a good time..." After

putting on his clothes, David raised the Dragon Slaying Sword again and fell with one sword!

Boom...

With David as the center, a huge crack suddenly appeared in the sky, and in the huge crack, dark whirlpools appeared

one by one! This sword actually tore the void and revealed another world!

A gray breath emerged from the dark whirlpool!

All these gray auras were absorbed by the Dragon Slashing Sword, causing the Dragon Slashing Sword to glow!

At the same time, the entire area around the Godly Fire Mountain seemed to be in the end of the world, and even the magma river on the side was boiling at this time!

Facing the terrifying sword, all the disciples of the Ghost Face Sect were stunned, and even Elder Tu's face changed drastically!

It was hard for him to imagine that this sword would actually be erupted by a small cultivator of the fourth rank of the Tribulation Realm.

Especially the torn void, there was a breath coming out from another world!

And this breath was also absorbed by the Dragon Slashing Sword. You must know that in the myriad worlds, not all auras are suitable for cultivators in the Heavenly Realm to practice!

If you inhale that kind of breath that is not suitable for practice, not only will it be of no benefit, but on the contrary it will cause irreversible damage to the body!

Now David doesn't seem to be worried at all, and desperately uses the Dragon Slashing Sword to absorb the gray aura!

Soon, after the Dragon Slashing Sword absorbed the aura, the sword light fell with a bang!

The sword light that erupted this time was something that no one had ever seen before, like a lifeless dead air, this kind of aura has never existed in the Heavenly Realm!

Facing David's sword, many disciples of the Ghost Face Sect began to resist. They cast spells one after another, and endless black air formed a shield in front of everyone! Some people chose to escape and run away!

However, the sword light fell like the sickle of the god of death!

The black gas shield was as fragile as glass under this sword and shattered in an instant!

The disciples of the Ghost Face Sect screamed one by one, their bodies were torn into pieces, emitting a strong smell of blood!

One by one, the bodies of some disciples of the Ghost Face Sect were broken into two halves, and some were turned into a pool of mud!

Others had half of their heads cut off by the sword light. The situation at the scene was like purgatory, extremely cruel!

This sword made more than 20 disciples of the Ghost Face Sect separate their heads and bodies!

Some of those who escaped by chance suddenly vomited when they saw the scene in front of them!

Elder Tu was in a state of confusion!

What a joke?

Although these disciples of the Ghost Face Sect were not strong, they were all masters of the Tribulation Realm!

How could they be killed like ants under this sword?

Elder Tu understood at this moment that the Demon Sealing Alliance was not stupid. They were willing to offer a hundred years of sacrifice to kill David, which proved that David was definitely worth the price!

“That’s awesome. I want to play with this supreme fire too...”

David put away the Dragon Slaying Sword, and then five different colors of supreme fire ignited around his body!

Five kinds of supreme fire jumped in the void!

Elder Tu was deeply shocked again when he saw this scene!

David, a fourth-grade cultivator in the Tribulation Realm, actually possessed five kinds of supreme fire?

Isn’t this too outrageous?

“I’m going to play with your God King Bow, don’t be stingy!”

The Red Cloud Demon Lord actually wanted to take out David’s God King Bow!

Chapter 4020

“Damn it, senior, please stop making trouble. If the God King Bow is exposed, I will become the target of public criticism if it gets out.” Seeing that the Red Cloud Demon Lord wanted to play with his own God King Bow, David quickly refused!

If he let one of the people from the Ghost Face Sect escape and spread the news that he had the God King Bow, there would probably be more people who wanted to kill him!

“Look at your stingy look, don’t worry, no one will leave here alive!”

After the Red Cloud Demon Lord finished speaking, he took out the God King Bow from David’s storage ring!

“fu**...”

David looked depressed, but he couldn’t stop it!

Now his body was completely controlled by the Red Cloud Demon Lord, and David could only shrink his soul in the sea of consciousness and watch!

Elder Tu looked blankly and saw David suddenly take out a longbow, then bend the bow and put an arrow, five kinds of fire, each kind of fire actually condensed into an arrow burning with flames!

Whoosh!

David pulled the bow to the full, and five arrows shot out into the sky, and then fell from mid-air!

But when it fell, it turned into a dense rain of arrows!

The remaining Ghost Face Sect disciples were all mentally broken at this moment!

They wanted to dodge, but they didn't know where to hide when they saw the rain of arrows!

"Don't be afraid, don't panic..."

Elder Tu finally reacted. He knew that if this continued, they would be wiped out!

Elder Tu waved his hand, and the air was instantly filled with black fog. The endless black fog swallowed up the arrows!

Seeing that all the arrows were swallowed, Elder Tu's mouth corner instantly raised an arc!

But before he could brag, colorful lights suddenly flashed in the black fog!

The swallowed arrows actually penetrated the black fog and quickly came to the ground!

Seeing this, Elder Tu dodged in a hurry, and those Ghost Face Sect disciples, after listening to Elder Tu's words, all stood there blankly, thinking that Elder Tu could block the attack.

But who knew that Elder Tu not only didn't block it, but ran away!

By the time the Ghost Face Sect disciples reacted, countless arrows had already fallen, turning them into hedgehogs, each one dead beyond death!

"Hahaha, this is fun, so fun..." The Red Cloud Demon Lord shouted!

He couldn't remember how many years it had been since he had such a good time!

At this time, only a few of the dozens of disciples of the Ghost Face Sect were still alive, but they were all injured!

Elder Tu looked at the tragically dead disciples of the Ghost Face Sect, his face turned green!

“I don’t care if you are possessed by a demon soul, I must kill you today!”

Elder Tu’s face was gloomy, and he waved his hand suddenly, and the terrifying breath swept like a hurricane ! The sky was full of black fog, making the entire

Shenhuo Mountain shrouded in darkness!

“A mere ant wants to resist, then I will send you to hell!”

David looked at the furious Elder Tu, his face full of disdain!

Holding the God King Bow in his hand, he pulled it hard! This time, countless breaths between heaven and earth rushed towards the God King Bow! Even the black fog that Elder Tu erupted was swept over at this moment! The God King Bow burst into a dazzling light, and a golden arrow appeared! Even the flames in the Shenhuo Mountain and the magma river were absorbed! Everyone who had already reached the Divine Fire Mountain looked at the direction of the mountain in surprise! “It’s so refreshing...” The Red Cloud Demon Lord was having a great time, but he forgot that David’s body could not withstand such an explosion! David’s body began to ooze blood, and the blood vessels became very obvious! “Senior, stop, stop, my body is going to explode.” Seeing this, David was so scared that he hurried to stop the Red Cloud Demon Lord! But the Red Cloud Demon Lord was already bloodthirsty now, so he didn’t care at all! David was scared and his face was full of annoyance. You know, if the Red Cloud Demon Lord didn’t listen, he would not give him his body!
