Chapter 4051

Qian Xiu was a little unhappy when he heard Wei Qing's words!

Many other disciples were also discussing David, wondering if David was still alive!

In the room, Elder Yu summoned several other elders under the old master, and followed Zhu Ling to discuss countermeasures!

Now that Huo Yuanting has obtained the Divine Fire Seal and is in power, the people of the old master's lineage will definitely be retaliated and suppressed!

"Hey, now that Huo Yuanting is in power and has obtained the Divine Fire Seal, I'm afraid we won't have a good life in the future."

An elder sighed and said!

"If this Huo Yuanting dares to retaliate against us, then we will die together."

Elder Yu gritted his teeth and said angrily!

He would rather die than surrender to you, Huo Yuanting!

Elder Yu is just greedy for money, but in the face of major issues, Elder Yu is absolutely reliable!

"Don't be too impulsive, Huo Yuanting has not made any unusual moves against us now, let's wait and see!"

Zhu Ling said to everyone!

Now that Huo Yuanting has obtained the Divine Fire Order, his strength has greatly increased. These people are no match for Huo Yuanting's lineage!

"I see that Huo Yuanting is busy with the inauguration ceremony. I guess he will attack us at the inauguration ceremony!"

Elder Yu said!

He never expected Huo Yuanting to let them go, just as if nothing happened!

“Or maybe Huo Yuanting deliberately forgave him for the sake of the overall situation of Ziyamen. After all, we have a lot of people.”

An elder said!

“Humph, will he consider the overall situation? This guy dares to cooperate with the Ghost Face Sect, so what is the overall situation!”

Elder Yu snorted coldly. He didn't believe that Huo Yuanting would consider the overall situation of Ziyamen at all! “Well, no matter whether Huo Yuanting will cause trouble to us or not, now that he has obtained the Divine Fire Seal, he is the most troublesome.”

Zhu Ling frowned!

Huo Yuanting has obtained the Divine Fire Seal and has already recognized the master!

If the inauguration ceremony begins, he will be the real leader of the Purple Flame Sect!

Even if Zhu Ling's father appears, there is no way to stop it. After all, this is the rule of the Purple Flame Sect!

“Otherwise, we can find a way to steal the Divine Fire Seal?”

An elder suggested!

“Impossible, Huo Yuanting will definitely carry it with him personally and send people to guard it.”

“And Gu Tianchao of the Liangyi Sect is also there. He can set up a magic circle to protect the Divine Fire Seal. Who of us can break the magic circle?”

Elder Yu said!

Hearing this, everyone was silent. After all, no one had that ability!

“It would be great if the junior brother was here. He could break the magic circle.”

“I don’t know how he is now. It will definitely be dangerous for one person to block so many people from the Ghost Face Sect.”

Zhu Ling thought of David!

Speaking of David, Elder Yu was also a little worried!

In any case, David faced the Ghost Face Sect alone to help them get out.

“Let’s take it one step at a time. Everyone should be careful these two days and try not to provoke the disciples of Huo Yuanting’s lineage.”

Zhu Ling reminded everyone and then dispersed!

Two days later, accompanied by three loud noises in the sky above Ziyamen!

All Ziyamen disciples were summoned to the square in front of the main hall, and even the outer disciples made an exception and gathered here!

With the announcement of Elder Na Tian, Huo Yuanting, dressed in a gorgeous dress, flew to the center of the square, holding the Divine Fire Seal in his hand, and excitedly glanced at a fist!

At this time, Huo Yuanting, don’t mention how high-spirited he was!

After showing the Divine Fire Seal, Huo Yuanting flew up and sat on the throne of the main hall!

From here, you can overlook the entire Ziyamen Square!

All Ziyamen disciples knelt down, even Elder Yu and the others were included! Elder Tian followed the procedure and flattered Huo Yuanting, telling him about his achievements for Zi Yan Men!

Elder Yu and the others gnashed their teeth, but they had no way to stop him!

“It is God’s will and the people’s will that Master Huo ascended to the throne of Master today, which is in line with the rules of our Zi Yan Men.” “

From today on, Master Huo is the real Master of Zi Yan Men, and all disciples must obey Master Huo's orders!"

"The ceremony begins, and all disciples begin to congratulate!"

Elder Tian announced loudly!

Just as Huo Yuanting was happily waiting for the congratulations of many disciples, a cold and atmospheric voice suddenly came!

"Wait a minute, who recognized Huo Yuanting as the Master?"

At this time, a figure slowly appeared and kept walking towards the center of the square!

"Father..."

"Old Master..."

Seeing the person coming, Zhu Ling and Elder Yu were shocked!

It turned out that the old Master had come, and many of them didn't know that the old Master had recovered!

The disciples of the old sect master's lineage, seeing the old sect master appear, got up from the ground one by one and kept cheering!

When Huo Yuanting saw the old sect master, his face instantly became extremely ugly!

How could the old sect master escape when he was controlled by the devil's soul?

And it seemed that the old sect master didn't seem to be affected at all, as if he had recovered!

"Master Zhu, why are you here?"

Huo Yuanting hurriedly got up, and then asked Master Huo politely!

"Why am I here? If I didn't come, wouldn't the Purple Flame Sect let you be the sect master?"

The old sect master looked at Huo Yuanting indifferently!

“Old sect master, what do you mean by this? I officially became the sect master after I got the Divine Fire Seal and recognized the master.”

“You came out a little late, now the sect master of the Purple Flame Sect is me!”

Huo Yuanting frowned and said coldly!

Chapter 4052

After Huo Yuanting finished speaking, the Divine Fire Seal in his hand emitted bursts of flames, and a terrifying heat wave swept towards everyone!

Feeling the heat waves emitted by the Divine Fire Seal, everyone in the old master's lineage looked solemn!

The old master also frowned slightly, and the breath on his body slowly emanated!

Originally, the Divine Fire Seal recognized the master in his hand. It was because he found that Huo Yuanting was determined to rebel that the old master put the Divine Fire Seal in the Divine Fire Mountain!

The reason is that even if Huo Yuanting becomes the master of the sect, it is only temporary. After all, without the Divine Fire Seal, it is impossible to be the real master of the sect!

But now, he found that the Divine Fire Seal has no connection with him at all. It seems that Huo Yuanting really let the Divine Fire Seal recognize the master!

Huo Yuanting felt the breath of the old master and laughed immediately!

“Hahaha, although you are not crazy now, it is obvious that your consciousness is seriously damaged and has not yet fully recovered.”

“Do you think you are suitable to be the leader with your current strength?”

Huo Yuanting held the Divine Fire Seal and questioned the old leader!

The old leader remained silent and took back his breath!

He really has not fully recovered now. If he really had a conflict with Huo Yuanting, they would not be able to take advantage at all.

“Huo Yuanting, since you have recognized the Divine Fire Seal as the master, then you can be the leader of the Purple Flame Sect!”

The old leader compromised!

Hearing the old leader say this, Huo Yuanting sneered, glanced at Elder Yu and others and said: “Did you hear it? Now I am the real leader, why don’t you kneel down...”

Elder Yu and others had no choice but to kneel down!

The old leader has admitted it, what else can they do!

Seeing Elder Yu and others kneeling in front of him, Huo Yuanting burst into laughter!

“Today I officially become the leader of the Purple Flame Sect, so I have to set new rules and rectify the sect’s style!”

“Elder Yu and others colluded with the Ghost Face Sect and intended to overthrow our Purple Flame Sect. They also accepted money and property from others and sought positions for outsiders in the Purple Flame Sect. “I now declare that Elder Yu and others are all expelled from Ziyamen, all their identities are revoked, and they are no longer disciples of Ziyamen.”

“Because Zhu Ling was deceived, she will be imprisoned for ten years as a punishment!”

As soon as Huo Yuanting said this, there was an uproar at the scene!

Even the old sect master did not expect that Huo Yuanting would start to attack his own people just after he took office!

This is too fast, is he so impatient?

It is obvious that they are targeting him!

Especially Elder Yu and others, they actually accused him of colluding with the Ghost Face Sect. It is obvious that Huo Yuanting colluded with the Ghost Face Sect!

If he said that he accepted money and brought people into Ziyamen, Elder Yu could admit it and accept punishment!

But he could not admit that he colluded with the devil cultivators even if he was beaten to death!

“Huo Yuanting, you are slandering me. It is obviously you who colluded with the Ghost Face Sect, and you actually framed us!”

Elder Yu retorted angrily!

“Elder Yu, is this how you talk to the Sect Master? You are disrespectful and your crime is even more serious!”

Elder Tian immediately reprimanded Elder Yu!

Elder Yu gritted his teeth and his face flushed!

If he was framed and kicked out of Zi Yan Sect alone, it would be fine, but now all the disciples of the old Sect Master’s lineage are to be kicked out of Zi Yan Sect!

Except for the old Sect Master and Zhu Ling, everyone else will be kicked out!

Although the resources allocated to the disciples of the old Sect Master’s lineage were much less after Huo Yuanting became the acting Sect Master, after all, they still had resources allocated to them because they relied on Zi Yan Sect!

Whether it was elixirs, fairy herbs, or even the Divine Fire Mountain to assist in cultivation, these were all helpful to them!

But if they were kicked out of Zi Yan Sect, where could so many people go?

Chapter 4053

“Of course, where is this? What are we doing here?”

Xie Yunniang looked a little nervous, and Zhuo Huai beside her was even more silent, because although Xie Yunniang was a lady in the inner house who never left the house, she might not know or understand many things and places.

But Zhuo Huai still knew a little bit, for example, at the end of this sparsely traveled road was an even more sparsely traveled place – the Supervisory Office.

“Sister, sister...” Zhuo Huai whispered, “Why are we here? And...”

Zhuo Huai said, carefully glancing at the man sitting opposite them.

He continued in a low voice, “... and with the prince.”

Xie Yunniang’s expression became more and more uneasy, “Of course, has something happened?”

Although Xie Yunniang was a woman in the inner house who didn’t care about the world, she was not stupid. A seriously injured prince, traveling with them... This matter was dangerous no matter how you looked at it.

After the carriage stopped, Zhuo Shiran held his mother’s shoulders with both hands.

“Mom, don’t worry, you and Xiao Huai will be safe here.” Zhuo Shiran said.

But Xie Yunniang didn’t relax her frown when she heard this. She

still frowned and looked at Zhuo Shiran worriedly, “What about you? Ranran, how about your safety?”

Zhuo Shiran was slightly startled when he heard this, and then he laughed, “As long as you are safe, I will be fine. So don’t worry.”

“Get off the car.” Zhuo Shiran said, and glanced at Sikong Xian.

Sikong Xian was sitting aside, looking at Zhuo Shiran deeply with a pair of deep eyes.

In fact, when she was still in Zhuo Shiran's mansion before, when she said that she would put them all in a "place with iron walls", Sikong Xian didn't think that the place she was talking about would be here.

It's normal. Any normal person would avoid the Supervisory Office under normal circumstances. Who would think of coming here on their own initiative?

But when the carriage really drove towards this road, Sikong Xian felt that it seemed to be here.

It was worthy of the "place with iron walls" mentioned by Zhuo Shiran. Zhuo Shiran jumped off the carriage first, then turned around and stretched out his hand to help his mother get off the carriage. He did not forget to tell Zhuo Huai, "Help the prince, he is still injured."

"Okay." Zhuo Huai obediently helped Sikong Xian down.

They followed Zhuo Shiran and stood in front of this majestic and solemn gate.

At this time, Sikong Xian was also a little uncertain, "Shiran, are we...really going in?"

"Otherwise, do you think I'm taking you here for a tour?" Zhuo Shiran raised his eyebrows and looked at him, "Let's go in."

Zhuo Shiran said, and walked in front.

But he did not go through the main gate, but walked along the dark wall all the way to the side door.

'Shi, Shiran, you can also, you can come to the Supervisory Department to find me, don't go through the main gate, save, save people, nagging. You go from the main gate, along the wall, walk to the left, when you see the flying eaves and brackets of the third house...'

Zhuo Shiran looked at the house on the other side of the wall.

One, two, three...

She stopped and took out a whistle of exquisite style, which was black and silver in color, with a red string tied to the tail.

“Just blow this, and I will come to pick you up when I hear you.”

Zhuo Shiran put the whistle between his lips and blew it.

Originally, he thought it would be a crisp sound, but it was not. Instead, it was a very sharp sound, like some kind of high-frequency sound wave.

To be honest, Zhuo Shiran thought it might be a bit like a dog whistle.

They followed Zhuo Shiran, not knowing how she was going to let them in.

Chapter 4054

Although he could invite a formation master from Liangyi Sect, he was invited after all. Huo Yuanting could not hand over some secret matters of the sect to Gu Tianchao!

For example, the formations for the sect assessment were all maintained and operated by Elder Cui, and outsiders could not be allowed to do it!

“Master Huo, since you have obtained the Divine Fire Seal and recognized the master, then you are the master of Ziyang Sect. Of course, I can’t go against you!”

“It’s just that I don’t want Ziyang Sect to lose both sides, and I don’t want outsiders to participate in the internal affairs of our Ziyang Sect.”

Elder Cui said with a righteous face!

Huo Yuanting frowned slightly and looked at Gu Tianchao. After all, he was able to get the Divine Fire Seal thanks to Gu Tianchao!

And he would have to cooperate with Liangyi Sect in the future. It would be inappropriate to drive Gu Tianchao away now!

If a fight really breaks out, Gu Tianchao's formation can play a big role!

Seeing Huo Yuanting in trouble, Gu Tianchao smiled coldly and said, "Master Huo, I have heard that Elder Cui of your Ziyang Sect has a very powerful formation. I want to learn from him..."

After Gu Tianchao finished speaking, he formed seals with his palms, and strange formation patterns appeared in the air. These formation patterns emitted a blood-red light and carried a strong smell of blood!

The formation patterns fell from the sky and enveloped Elder Cui. At the same time, from the formation patterns, a group of extremely ferocious ghosts, as if they appeared from hell, surrounded Elder Cui with a shrill roar!

"Ten thousand ghosts are coming?"

Elder Cui's face changed drastically, and he tried his best to use magic to resist, but it was obvious that Elder Cui was not the opponent of Gu Tianchao!

Seeing this scene, the faces of the old sect masters all changed drastically, and their expressions became extremely nervous!

Seeing this, Huo Yuanting laughed coldly!

In the entire Ziyang Sect, no one could stop him. He could do whatever he wanted!

"Elder Cui..."

Elder Yu and others saw Elder Cui surrounded by thousands of ghosts, but they were powerless and could only shout desperately!

Even the old master could only watch helplessly, with no way out!

"A mere little ghost dares to embarrass himself..."

Suddenly, a gust of wind swept past, and then a figure appeared.

With thousands of golden lights filling the sky, those ferocious ghosts, under this golden light, instantly turned into bursts of black mist and disappeared without a trace!

Elder Cui's face was pale, and his forehead was covered with cold sweat. If it was a little later, he might have died here! "Junior brother..."

"Junior brother..."

Wei Qing, Zhu Ling and the others were all excited when they saw that the person who came was David!

The old sect master was also slightly stunned when he saw David. He was shocked by the strength shown by David!

Elder Yu saw David coming, but he felt an inexplicable sense of security in his heart!

Huo Yuanting looked at David with incredible eyes!

He didn't understand how this newly recruited disciple of Elder Yu could have such a skill. Elder Cui couldn't break the formation. David waved his hand and made the ten thousand ghosts disappear without a trace!

And Gu Tianchao looked at David with his brows tightly furrowed. He could clearly remember David's breath!

When he was in Wantong Pavilion, it was David who ruined his good thing!

"Senior sister, are you okay?"

David walked up to Zhu Ling and asked with concern!

"It's okay, we're fine. Junior brother, where have you been? Where are the people from the Ghost Face Sect?"

Zhu Ling asked curiously!

David was blocking so many people from the Ghost Face Sect alone. In their opinion, David should be dead!

But now David is back, and he seems to be uninjured!

"Kill them all..." David said calmly!

"What?"

Everyone was shocked!

David is a fourth-grade cultivator in the Tribulation Realm. Even if he can fight against opponents of higher levels, he can't face dozens of people from the Ghost Face Sect alone, and Elder Tu from the Mahayana Realm!

How could he kill those people from the Ghost Face Sect?

This is obviously impossible!
