Chapter 4055

“Boy, you are just bragging and you killed all the people from the Ghost Face Sect. Don’t you look at what kind of person you are?”

“You are just a fourth-grade cultivator in the Tribulation Realm. Even if you have some talent, can you kill dozens of demon cultivators from the Ghost Face Sect with your ability?”

“What’s more, Elder Tu from the Ghost Face Sect is a master of the Mahayana Realm. He can kill you with a slap!”

Huo Dong said to David with disdain!

He just couldn’t stand David’s bragging!

“Huo Dong, are you already a member of the Ghost Face Sect? You know so much about the Ghost Face Sect, and you just accused us of colluding with the Ghost Face Sect. I think it’s you who are colluding with the Ghost Face Sect.”

“You are full of demonic energy. You have been away from the Purple Flame Sect for so long, and suddenly returned to the Purple Flame Sect, and brought people from the Ghost Face Sect with you. What else do you have to quibble about?”

Elder Yu said to Huo Dong!

“Which eye of yours saw me join the Ghost Face Sect? What evidence do you have? I said you were colluding, and you were colluding.”

“Don’t forget, my father is the sect master now, and he has the Divine Fire Seal in his hand!”

Huo Dong said arrogantly!

Now Huo Yuanting is the real sect master of the Purple Flame Sect, so Huo Dong can certainly be arrogant!

“You want evidence, I have it here...”

David smiled faintly, then jumped out, and then returned again!

But this time, David was holding a person in his hand!

To be precise, it was a body!

There were no hands and feet, only a torso. If it weren't for the head and eyes moving, everyone would have thought it was a dead person!

David was holding Elder Tu in his hand. David originally kept him to torture him, but he didn't expect it to come in handy!

David threw Elder Tu's torso at the feet of Huo Dong and Huo Yuanting!

Elder Tu looked at Huo Yuanting and Huo Dong, and his eyes were suddenly filled with hope: "Master Huo, save me, save me quickly..."

"Elder Tu..."

Huo Dong and Huo Yuanting's faces changed drastically!

You know, Elder Tu is a master of the Mahayana realm, but now he has become like this, and he has become like this in the hands of David, a fourth-grade cultivator of the Tribulation Realm! "Elder Tu, what's going on? How did you become like this?"

Huo Dong asked in shock!

Huo Dong is now a disciple of the Ghost Face Sect, and his status is not as high as Elder Tu!

"It's all because of this David. He used the ancient demon soul to control his body, and used means to trick me like a magma river, so I was careless and fooled."

Elder Tu explained!

He couldn't say that he couldn't beat David, so he could only say that David was cunning!

In this way, everyone thought that Elder Tu was trapped and that's why he was like this, not because he couldn't beat David!

"David? This guy is called David?"

Huo Yuanting frowned slightly!

"Elder Tu, is this guy the one that the Demon Sealing League wants to kill with a hundred years of offerings?"

Huo Dong asked excitedly!

Others also looked at David one after another, with incredible eyes!

You know, David is also famous in the world of heaven and man, and he is being hunted down by the Demon Sealing League!

Zhu Ling opened her mouth wide and looked at David in surprise!

Her idol is David. She has always wanted to see David's true face, but she never had the chance!

Now this little junior brother in front of her is actually David?

Zhu Ling was so excited that she almost cried!

Elder Yu was also surprised. He really didn't expect that the disciple he brought in to make some benefits would be the one that the Demon Sealing League used a hundred years of offerings to kill!

"Yes, he is the one that the Demon Sealing League used a hundred years of offerings to kill. As long as you catch him or kill him, you can go to the Demon Sealing League to claim the reward."

Elder Tu replied hurriedly.

He killed David just to make Huo Yuanting and the others interested in David!

In this way, he would be saved, and it would also help him get revenge!

Chapter 4056

"You talk too much..."

David suddenly waved his hand, and a flame came in an instant!

No one reacted, and Elder Tu exploded directly, accompanied by screams, and was burned to death by the fire!

Everyone who saw this scene was shocked!

However, it was obvious that many people had greed in their eyes. The hundred-year offering of the Demon Sealing League was not a small number!

If the entire Zi Yanmen was obtained, the Zi Yanmen would not have to worry about resource problems for a hundred years!

“David, so you are David, no wonder you can defeat Liu Shitong, but you hide your identity, and it must be bad to come to our Zi Yanmen.”

“Now show your true face, let me see what the person who was killed by the Demon Sealing League with a hundred years of offerings looks like!”

Huo Dong slowly stepped forward and said coldly!

“Since you want to see it, then let you see enough!”

David smiled lightly, the breath on his body circulated, and his appearance was also changing!

Soon, a handsome, handsome, and young face appeared!

“It’s him...”

Gu Tianchao frowned!

“Elder Gu, do you know this boy?”

Huo Yuanting asked!

“Yes, it was this boy who ruined my business at Wantong Pavilion. I must teach him a lesson today!”

Gu Tianchao said!

When David made his move at the beginning, he just felt that David’s aura was very strong. Now he can be sure that it was David who ruined his business! When

other people saw David’s face, they were all in a commotion and talked about it!

Especially the two girls, Zhu Ling and Qian Xiu, their hearts were pounding. When David was not exposed at the beginning, the two actually had a good impression of David!

Now David has revealed his true face, handsome and suave, and when the young girls and wives see him, their legs are weak and their eyes are shining! The old sect master smiled when he saw his daughter’s expression.

The one who was most surprised and unbelievable at this moment was actually Wei Qing. He had always regarded David as his junior brother!

Even though David showed extraordinary strength, Wei Qing tried his best to protect David!

But now, his junior brother turned out to be David.

This David who was hunted down by the Demon Sealing League and was famous in the world of heaven and man!

Wei Qing smiled bitterly and said helplessly: "Master, you have found a good disciple for our Zi Yan Sect..."

Elder Yu was embarrassed. He didn't know it was David at all. He just brought David in for the sake of profit and money!

"Mr. Huo, this person has some grievances with me. I will resolve the grievances first, and Mr. Huo will decide on this person!"

Gu Tianchao took a step forward and came to Huo Dong and said!

Huo Dong was stunned, and looked at Gu Tianchao and said, "Elder Gu, what do you mean by this? Are you competing with our Zi Yan Sect?"

"The centennial worshiper of the Demon Sealing League, Elder Gu is also tempted, right?"

Huo Dong thought that Gu Tianchao was going to compete with him. If Gu Tianchao killed David, wouldn't the centennial worshiper of the Demon Sealing League belong to the Liangyi Sect?

"Mr. Huo misunderstood. I do have some grudges with David, and I am not competing with your Zi Yan Sect."

"I will never kill him, I will just trap him and torture him. How could I compete with you on the territory of the Zi Yan Sect!"

Gu Tianchao hurriedly explained!

Huo Dong wanted to say something, but Huo Yuanting said, "Huo Dong, Elder Gu will not compete with us. Let him deal with that kid and vent his anger..."

Seeing Huo Yuanting speak, Huo Dong slowly retreated!

Gu Tianchao faced David, his eyes narrowed slightly, and asked in a cold voice: "Boy, do you still remember me?"

"I don't remember you, a scum like you who doesn't even let children go..."

David said with a faint smile!

Chapter 4057

David said this, obviously remembering it, but he was just angry at Gu Tianchao!

"Boy, you don't have to be arrogant, today I will make you live a life worse than death..."

After Gu Tianchao finished speaking, a burst of black mist filled his palms!

The black mist turned into two evil ghosts, soaring into the sky, intertwining and circling each other, and bursts of ghost cries!

This sound made everyone feel a chill.

"Two ghosts asked the sky, Mr. Chen be careful..."

Elder Cui saw the magic that Gu Tianchao performed, and was immediately shocked and reminded David!

David just saved him, and Elder Cui was very grateful!

I saw the two evil ghosts rushing to the sky, and the whole sky changed color in a moment, and then a ghost face bigger than Zi Yanmen appeared in the air!

The ghost face had a big mouth, looking down at all the people below!

Seeing this huge ghost face, everyone was shocked!

"Boy, you should accept the baptism of the ghost king!"

Gu Tianchao said with a sneer at David!

"Ghost King?" David sneered: "It's just an illusion. You can fool others, but how can you fool me..."

After David finished speaking, a golden light flashed on his body, accompanied by a dragon roar, and a golden dragon appeared above David's head and hovered!

Since his identity has been exposed, David has nothing to fear!

I saw the golden dragon soaring into the sky, spewing a lot of flames at the huge ghost face!

Under the impact of the golden dragon, the ghost face collapsed at the touch and disappeared in an instant!

Gu Tianchao was startled and his brows frowned instantly!

"It's impolite not to return the favor..."

After David finished speaking, the origin of illusion in the origin star began to rise and flash continuously!

David, who had realized the origin of illusion, it was ridiculous for Gu Tianchao to want to use illusion to confuse David!

With the outbreak of the origin of illusion, Gu Tianchao's face was startled, and he instinctively wanted to retreat, but before he could retreat, it suddenly became dark in front of him! Then the scene changed, and a white-haired old man appeared, looking at him majestically!

"Father....."

Gu Tianchao was shocked, and then he started crying: "Father, I actually saw you!"

In the eyes of everyone, they saw Gu Tianchao's face suddenly changed, and then he kept calling David father!

This sudden scene made many people laugh!

Everyone obviously knew that Gu Tianchao was under an illusion!

"Little... Mr. Chen, your illusion is really powerful!"

Zhu Ling approached David and said with a smile!

She just wanted to get close to David and take a good look at David!

Zhu Ling wanted to continue calling David little junior brother, but found something wrong, so she quickly changed her words!

“Senior sister, just call me little junior brother, no matter who I am, am I not your little junior brother?”

David smiled faintly at Zhu Ling!

Zhu Ling was already in love at this moment, and hurriedly nodded and said, “Yes, you will always be my junior brother!”

David was dealing with Gu Tianchao, and he even had time to flirt with him. Seeing this, Huo Yuanting and his son were so angry!

But at this time, in Gu Tianchao’s eyes, his wife actually appeared, and she was flirting with his father!

This made him angry!

“Father, you actually had an affair with your daughter-in-law, you cuckolded me, I missed you for so many years, I want to kill you...”

Gu Tianchao shouted, wanting to fight with David!

David waved his hand, and a formation instantly enveloped Gu Tianchao. Gu Tianchao himself was in the formation, jumping up and down, yelling like a monkey!

Everyone couldn’t help laughing out loud. It felt that David used an illusion to make Gu Tianchao wear a green hat, and it was his father who put it on!

This kind of stimulation and blow is probably difficult for Gu Tianchao to bear. Even if the illusion array is dispelled and Gu Tianchao regains consciousness, he will probably still be greatly stimulated!

Chapter 4058

Huo Yuanting and Huo Dong looked at Gu Tianchao’s embarrassment, and they were so embarrassed at the moment!

They didn’t expect that David’s array technique was even more powerful than Gu Tianchao’s!

“Boy, I didn’t expect you to be an array master, but even if your array is powerful, don’t even think about leaving our Ziyamen today!”

“I’ve got the centenary offering of the Demon Sealing League...”

Huo Dong stepped forward and looked at David coldly!

Huo Dong’s strength at the peak of the Tribulation Realm, not even the Mahayana Realm, dared to provoke David, also because of the Divine Fire Seal in Huo Yuanting’s hand!

There is another point, that is, he doesn’t believe that David is talented, a fourth-grade cultivator in the Tribulation Realm, can still beat him at the peak of the Tribulation Realm!

As for the tragic death of Elder Tu, it was entirely because of the demon soul in David’s sea of consciousness, which was not David’s true strength!

“What, do you still want to show me?”

David saw Huo Dong step forward, his mouth slightly raised, and said with disdain!

“Yes, the centennial worshiper of the Demon Sealing League is worthy of my effort!”

Huo Dong sneered!

“For someone like you, you are just sending yourself to die in vain. The elder of the Ghost Face Sect is not my opponent, so what do you think you are?”

“I think you should let your father take action, you are still a little unworthy!”

David said contemptuously!

“Humph, you are too arrogant, whether I am worthy or not, you will know after trying!”

After Huo Dong finished speaking, he flew into the air with a whoosh and looked down at David!

“Little Junior Brother, don’t be fooled, this Huo Dong is very insidious, I will meet him...”

Zhu Ling stopped David and prepared to meet Huo Dong in person!

Zhu Ling, who is at the ninth level of the Tribulation Realm, is not much worse than Huo Dong, and can even fight with Huo Dong!

“Senior Sister, don’t worry, for someone like him, I will beat him to his knees and call him daddy.”

“Doesn’t this kid always harass you and tease you? Today I will make him shut, so that he will never tease women again in his life.”

David said with a faint smile! Facing Huo Dong, David was still confident!

“Don’t be careless, Huo Dong obviously has evil skills, and they have the Divine Fire Seal in their hands. The Divine Fire Seal can restrain the ultimate fire, and the ultimate fire on you will be useless at that time.” The

old master reminded David!

Although David has several kinds of ultimate fire on his body, the old master has also seen it, but Huo Yuanting has the Divine Fire Seal in his hand. When it comes to the critical moment, Huo Dong will definitely use this Divine Fire Seal. At that time, David’s ultimate fire will be useless!

“Don’t worry, old master, even if they come together, I’m not afraid!”

David said with a smile.

Although David is bragging, everyone can hear it, but the old master’s lineage is so comfortable listening to David bragging!

Especially Zhu Ling, watching David bragging, her eyes are full of admiration!

“Little Junior Brother, Senior Sister believes in you. No matter what the result is, Senior Sister will stand with you!”

Zhu Ling said while sending her eyes!

This almost pissed off Huo Dong in mid-air!

David was bragging and praising and criticizing him and his son, but now Zhu Ling was flirting with David in front of him!

You know, Huo Dong has always been thinking about Zhu Ling and wanted to get her!

In the end, he didn’t get her. David has only been here for a few days, and Zhu Ling is about to throw herself into his arms!

“David, stop being so fussy, if you have the guts, fight me to the death!”

Huo Dong roared, and his aura burst out!

David paused, and instantly flew into the sky, then suspended in mid-air, looking at Huo Dong from a distance!

Huo Dong's aura at the peak of the Tribulation Realm burst out without any concealment!

David burst out with the aura of the fourth level of the Tribulation Realm, which is also his full strength!

For a while, black clouds swept in the sky, and the wind whistled all around. Waves of invisible pressure made many disciples of the Purple Flame Sect retreat!

There were even disciples with low strength, whose faces turned pale and vomited blood!

In a showdown of this kind of strength, the aftermath could cause many people to die!

Chapter 4059

“Elder Cui...”

The old sect master shouted, and Elder Cui immediately understood what he meant. He pinched his hands together, and a huge formation slowly formed, surrounding David and Huo Dong inside!

At the same time, the old sect master and Huo Yuanting attacked at the same time, and a series of light curtains shot up into the sky, directly isolating everyone outside!

Whether it was the old sect master or Huo Yuanting, although they had different political views, no one wanted the Purple Flame Sect to be destroyed!

This isolation could prevent the aftermath of the fight between the two from hurting many disciples of the Purple Flame Sect!

“David, I don't know where you got the courage to say such awesome words, but I will let you taste my power!”

After Huo Dong finished speaking, bursts of black air emerged from his body, and the black air instantly turned into a long sword, which was held in Huo Dong's hand.

At the same time, Huo Dong's face began to become a little distorted, and a ghost face that seemed to be there and not there appeared on Huo Dong's face!

At this point, there was no need to say anything, and even a fool knew who was colluding with the Ghost Face Sect!

The dirty water that Huo Yuanting had thrown on Elder Yu and the others was now broken!

“Huo Yuanting, your son is actually from the Ghost Face Sect. You dare to slander others. You are so shameless...”

The old sect master was so angry that his face turned red. He cursed at Huo Yuanting!

Huo Yuanting said nothing and looked at the battlefield with a serious expression!

If Huo Dong showed signs of being defeated, he would not hesitate to throw the Divine Fire Seal to Huo Dong.

The Divine Fire Seal has recognized its master. Huo Dong has the same bloodline as Huo Yuanting, so there is absolutely no problem for Huo Dong to use the Divine Fire Seal!

“Look at your appearance, neither human nor ghost. I feel sick to fight with you!”

David curled his lips and took out the Dragon Slaying Sword!

“I want to see how long you can be stubborn...”

Huo Dong shouted angrily, and the black air in his body exploded instantly, and the world was directly shrouded in thick black fog!

Huo Dong turned into a black giant beast, holding a long sword, and came towards David!

The body that was dozens of feet high was like a small mountain in front of David!

It seemed that the whole black fog was filled with the figure of Huo Dong!

The long sword that was swung was also more than ten feet long, instantly tearing through the void, emitting a hellish howl!

Facing Huo Dong's attack, David's eyes narrowed slightly. Despise the enemy in momentum, and take the enemy seriously in tactics. David will not really underestimate any enemy!

The Dragon Slaying Sword radiates with light, and a stream of mysterious Dao rhyme is emanating from the Dragon Slaying Sword!

“Nine Shadow Sword Techniques...”

David's eyes flashed with brilliance, accompanied by a swing of the Dragon Slaying Sword!

Buzz!

On both sides of David, white light flashed instantly, and identical Davids appeared one after another!

There were a total of six Davids, all holding Dragon Slaying Swords!

These six Davids have the same breath and appearance!

The six swords pointed at the black beast that Huo Dong transformed into!

Seeing six identical Davids suddenly appear, everyone was stunned!

"This... What's going on? Why are there six junior brothers?"

Zhu Ling was confused!

She likes David, but so many Davids appeared at once, which one does she like?

Which one is real?

If all these Davids are real, she can't bear it...

Zhu Ling blushed as she thought about it!

Looking at Zhu Ling's blushing face, the old sect master seemed to have thought of something and hurriedly said, "Silly daughter, these Davids are just illusions, all of them are phantoms, there is only one real David!"

Huo Yuanting was also stunned for a moment, then he sneered!

It is simply futile to scare people with this kind of illusion!

In the face of absolute strength, all illusions are futile!

Just when Huo Yuanting just smiled coldly, the six Davids all moved!

Swish!

Six sword qi came out in all directions, and for a moment the sword qi flashed with golden light, and followed the domineering black sword to collide and explode!

Chapter 4060

Storms arose between heaven and earth, constantly bombarding the light curtain shields around. If there were no light curtain shields, I don't know how many lives of Zi Yanmen disciples would be endangered!

And just when the battle was in chaos, a figure slowly emerged from the black fog and came to the edge of the light curtain.

Everyone looked and found that it was David!

David came to the edge of the light curtain and smiled at Zhu Ling!

This time, everyone was stunned, and the old master rubbed his eyes, his face full of disbelief!

Six identical Davids, holding the Dragon Slaying Sword, followed the black beast transformed by Huo Dong in a fierce collision and fight!

But here appeared another David, with a relaxed look on his face, and smiled at Zhu Ling from time to time!

What is going on?

Zhu Ling was also stunned, and looked at the old master: "Dad, don't you say it's an illusion? Don't you say that those are phantoms? Do phantoms also have combat power?"

"This... .." The old master was speechless when asked.

"Sister Zhu Ling, maybe what we are seeing now is an illusion. How could there be so many Davids in the world? Even if they are twins, it is impossible."

"It's fake. The David who smiled at you must be fake. The illusion we see is caused by the illusion!"

Wei Qing stepped forward to explain and help the old master out!

Zhu Ling listened and felt that there was some truth

in it, so she nodded! "Big Brother, what are you talking about? Who is fake? I am standing here with flesh and blood. You say I am fake, so I will just cut off your eyes."

David said to Wei Qing speechlessly!

Although there is a light curtain shield, it does not block the sound. David heard Wei Qing's words clearly, so he spoke!

"fu**, little brother, this is all real?"

Wei Qing was shocked! Zhu Ling was also startled, and hurried over, approached David and looked carefully, then asked: "Junior brother, you are chatting with us here, who are the six people fighting with Huo Dong in the black fog?"

"Senior sister, of course it's me, those are my clones!"

David said!

"Clone?" Zhu Ling was stunned, feeling a little incredible and said: "Junior brother, have you ever used your clone to find me?"

"For example, you are with Junior Sister Qian, and then you use your clone to find me..."

"Senior sister, what are you thinking? My clone will only be used in battle, and it can't be too far away from the main body."

"The various spiritual powers consumed by the clone now are also provided by my main body. Do you really think my clone can act independently?"

"If it can act independently, then there will be several of me, and I can be with many women at the same time..."

David didn't continue to say, but Zhu Ling understood, rolled her eyes at David, and ran away blushing!

"David, your clone is so powerful. While dealing with Huo Dong, you actually have the leisure to chat!"

The old master stepped forward and said in surprise!

"Huo Dong is just strong on the outside but weak on the inside. He has no real skills, so I am so relaxed!"

David said with a faint smile!

This Huo Dong is far worse than Mu Qing of the Mu family. Even compared to Mu Naiyi, he is not as good!

David killed Mu Naiyi, so Huo Dong is even more of a piece of cake!

Huo Yuanting looked at David who was talking and laughing, and then looked at the six identical Davids who were fighting with Huo Dong in the black fog. At this moment, he was greatly shocked and shocked!

He suddenly had a bad premonition that his son, who was at the peak of the Tribulation Realm, might not be able to beat David!

A mere fourth-grade Tribulation Realm could allow the Demon Sealing League to kill him with a hundred-year technique. That must be a real skill, otherwise how could it be worth the Demon Sealing League's hundred-year offering!
