Chapter 4111

Listening to the words of the formation demon, David was very puzzled and said, "Isn't this spiritual wine a good thing for the two seniors?"

After hearing this, the formation demon looked at the ancestor of the divine pattern, and then laughed and said, "Of course this spiritual wine is useless to us. What we need for cultivation is fairy energy, not spiritual energy."

"Although the spiritual energy in this heavenly world is abundant, the fairy energy is very scarce, otherwise the two of us would not have been trapped in the heavenly world for so many years."

After hearing this, David was sure that the two people were from the heavenly world!

However, although there is not much fairy energy in this heavenly world, David has encountered a lot of it, especially at the ruins of the Wuji Holy Sect, there is also fairy spirit liquid!

That is a pool of fairy spirit liquid. If it is given to two people, wouldn't they be crazy with joy!

It's a pity that in the end David didn't get the fairy spirit liquid, and they were all absorbed by the leader of the Wuji Holy Sect!

"Boy, your talent is the best I have ever seen. If you practice hard, you will definitely become a great array master in the future."

"But on the road of practice, remember not to be impatient and need to progress slowly."

"Although you don't worship me as your master, I will teach you all the divine patterns I have learned."

"If you don't understand anything, you can ask at will."

The ancestor of the divine pattern said to David.

“I can’t teach you the magic pattern for the time being. Wait until you have completely mastered the divine pattern, and then come to learn the magic pattern from me. Anyway, we will not leave this place!”

The array demon also spoke to David!

“Thank you, two seniors, I just have one thing I don’t understand. I don’t know why the two seniors are trapped in the heavenly world?”

David was very curious. How could two people from the heavenly world be trapped?

Like the Red Cloud Demon Lord, his physical body was destroyed, and the remaining soul was hiding in the heavenly world, and there was no way to return to the heavenly world!

There are also Blood Demon, Wind Demon and others, all of whom are left with residual souls and suppressed!

But looking at the Array Demon and the Divine Pattern Ancestor, the two do not look like the bodies taken over by residual souls., if it was the original body, how could it be trapped?

The God Pattern Ancestor knew what David wanted to ask, so he smiled bitterly and said, “There are more than just the two of us trapped in the Heavenly Realm. There should be many people in the Heavenly Realm.”

“The God-Demon War that year was extremely cruel. Many immortals and demons fell, and many beasts also died tragically in the Heavenly Realm.”

“I don’t know how many people died in this Heavenly Realm. You can imagine how many people in the entire universe have fallen for this.”

“We were also seriously injured in the war that year, and someone set up the Heaven and Earth Array in the Heavenly Realm, making it impossible for everyone in the Heavenly Realm to return to the Heavenly Realm.”

The God Pattern Ancestor explained!

“Senior, what is the matter with the God-Demon War? And who set up this Heaven and Earth Array?”

“You must know that these trapped people are immortals and demons. If it was a demon who set up the Heaven and Earth Array, he couldn’t have trapped even their own demons, right?”

“But if it was done by a certain immortal, why did he seal these immortals?”

David was very curious, who did it!

Could it be that the person who set up the great formation of heaven and earth does not belong to either side

of the immortals and demons? Or maybe this person is the one who provoked the war between gods and demons and created turmoil. He does not belong to any side, but just uses this to reshuffle the heavens!

“How would I know who it is? As for what the war between gods and demons is about, I can’t explain it clearly, but now that I think about it, the war between gods and demons is more like a conspiracy.”

“It’s a pity that so many years have passed. Even if it is a conspiracy, what can we do? Now we can’t even go back to heaven.”

“Only by breaking this great formation of heaven and earth can we have a chance to return to heaven.”

The ancestor of the divine pattern said.

“Then who can break this great formation of heaven and earth?”

David asked!

“You, the future you, you can’t break it now, but you will definitely be able to break it in the future...”

The ancestor of the divine pattern pointed at David and said!

Chapter 4112

David was speechless for a moment when he listened to the words of the God Pattern Ancestor. He didn’t expect that the God Pattern Ancestor’s evaluation and expectations of him were so high!

David himself didn’t have such great confidence, but even if David didn’t break the great formation of heaven and earth, as long as he cultivated to the realm of immortality, he could ascend to heaven!

It’s just that these people trapped in the world of heaven and man, they can’t return to heaven, and they can’t use cultivation to improve their realm and then ascend!

So David didn't have to break the great formation of heaven and earth!

It's just that he accepted the divine pattern of the God Pattern Ancestor, and he also condensed the magic pattern of the array demon. Now if he says that he can't do it and can't break the great formation of heaven and earth, David feels a little sorry!

"If I have this ability in the future, I will break this great formation of heaven and earth and let the two predecessors return to heaven."

David had to agree temporarily!

"You can do it if you are willing to wait."

"But to break the great formation of heaven and earth, you must be willing to do it. We will not force you. After all, this involves the affairs of the entire heaven and human world."

"And it may also affect your cultivation and ascension, but there is one thing, if you really break the great formation of heaven and earth, after you ascend to heaven, I think many people will be grateful to you."

The ancestor of the divine pattern said!

"Senior, don't worry, I am willing. When my strength improves, I will come to senior Zhenmo to learn magic patterns. At that time, I will find a way to break the great formation of heaven and earth and give you freedom."

David said solemnly!

"Hahaha, okay, I'm waiting for you..."

Zhenmo laughed!

"Senior, I still have things to deal with, so I can't stay here with you, and I can't leave after learning all the divine runes."

"I still hope that the senior can show mercy and let me leave!"

David prayed to the ancestor of the divine runes!

If I really practiced all the divine runes, I don't know when I will be able to do it!"
Of course you can. I'll let Bai Ju take you out. Also, let Bai Ju do what you promised Gu Tianchao."

"It's just that Gu Tianchao has bad behavior and is not suitable to be the leader of Liangyi Sect. Let him be the deputy leader, and you will be the leader."

“When you are not here, Gu Tianchao will manage Liangyi Sect, so that we can have some control over him.”

The ancestor of Shenwen said to David!

David knew that the ancestor of Shenwen knew everything, so he didn't know what to say. He let him be the leader, and he would be the leader. Anyway, he didn't have to stay here to manage!

The management was still handed over to Gu Tianchao, and there was no difference between Gu Tianchao, the deputy leader, and the leader!

“Everything is up to the senior, but Senior Brother Bai has never left this place. Can he take me out?”

David was puzzled. You know, Bai Ju said that he had never left here!

“He just doesn't want to go out. He has been hiding in this small world to practice. I don't control him.”

“Whenever he wants to go out, he can go out at any time. He has also been to Liangyi Gate many times. People from Liangyi Gate who want to see me are all brought in by him.”

The God Pattern Ancestor said!

David was speechless when he heard it!

It feels like Bai Ju has been talking for a long time. He doesn't want to leave here at all. At that time, David felt sorry for this guy. Now think about it, he really worried about nothing!

“Thank you, senior...”

David stood up and prepared to leave here!

But just when David turned around, the God Pattern Ancestor spoke again: “Don't take all the blood jade. The remaining two, we two brothers will recover.”

“We won't fight anymore in the future. We will just wait quietly for you to break the heaven and earth formation and return to the heaven.”

David blushed when he heard it. He promised Gu Tianchao just for the blood jade of Liangyi Gate!

Now that the God Pattern Ancestor said it directly, he was a little embarrassed!

Chapter 4113

“I understand!”

David nodded!

After David walked out of the thatched hut, Bai Ju grinned at David and said, “Junior brother, come with me...”

Bai Ju took David to the Liangyi Gate!

The God Pattern Ancestor and the Array Demon continued to drink!

“Senior brother, how long do you think it will take for this kid to break through the great array of heaven and earth and let us return to heaven?”

The Array Demon asked the God Pattern Ancestor!The

God Pattern Ancestor slowly stretched out a finger and did not speak!

“One hundred years?” The Array Demon seemed surprised: “This is impossible. This guy probably won’t be able to get through the Tribulation Realm in a hundred years. How can he break through this great array of heaven and earth?”

“Not a hundred years...” said the God Pattern Ancestor!

“That’s a thousand years?”

The Formation Demon calmed down: “A thousand years is possible, but even if we two brothers continue to waste time here, when we return to the heaven, the entire heaven will probably have changed.” “

Those old guys who are with us have been practicing for thousands of years, so their strength is probably much higher than ours. We will inevitably be ridiculed by them.”

“Hahaha, junior brother, why are you so pessimistic? Can’t it be just one year?”

The ancestor of the Divine Pattern laughed!

“One year?” After hearing this, the Formation Demon hurriedly shook his head and said, “Stop joking. How is it possible for this kid to break the Heaven and Earth Formation in one year? It is absolutely impossible.”

“Junior brother, don’t you realize that this kid’s identity is very unusual?”

“Don’t you think about it, a sixth-grade cultivator in the Tribulation Realm can kill a cultivator in the Mahayana Realm, and he has the aura of three clans in his body.”

“Such a small little cultivator, but he has a vast origin space and has mastered several kinds of ultimate fire. In just a few days, he condensed his natal divine pattern, and learned several divine patterns in a few hours.”

“Your magic pattern was also condensed in a moment, and it can also make the divine pattern and magic pattern connected to each other.”

“Have you ever thought about why there are so many strange behaviors?”

The ancestor of the divine pattern said!

“Why?” the array demon asked curiously!

“You, you don’t use your brain at all. Now that he has condensed his own magic pattern, you can find out by yourself.”

The ancestor of the divine pattern smiled and said!

“Don’t tell me, I really haven’t checked this guy.”

After the array demon finished speaking, he lightly pointed his finger at the void, and a magic pattern flashed by!

It was only a moment, the array demon’s eyes widened, and the wine glass in his hand fell to the ground with a crash!

“Master... Senior Brother, he... He turned out to be the real body of the golden dragon, the son of the dragon...”

“Is he the child of that person?”

The array demon said in horror.

“Yes, that’s why I said that in one year, this great formation of heaven and earth may be broken.”

The ancestor of the divine pattern nodded and said!

After a long pause, the Array Demon said excitedly, “Hahaha, maybe in less than a year, half a year, we can return to the Heaven.”

“We two still want to accept him as a disciple, this is really embarrassing, if the ba***ds in the Heaven know this, I’m afraid they will laugh at us for the rest of our lives!”

“If he hadn’t condensed his own divine pattern, I wouldn’t have used it to investigate, who would have thought of his identity?”

“Now his identity is hidden very deeply, I don’t think many people can see it, so we must keep this secret.”

The God Pattern Ancestor said!

“Brother, don’t worry, we stay here all day, and it’s impossible to tell others.”

“With an identity like his, the stronger the strength, the deeper the identity is hidden. I’m afraid he will only be exposed at the end.”

“A small place like the Heaven Realm actually hides the Son of Dragon.”

The Array Demon sighed!

“Maybe he doesn’t know his true identity himself, so the two of us will wait slowly.”

The God Pattern Ancestor smiled faintly!

The Array Demon and the God Pattern Ancestor clinked their glasses and drank more happily!

Chapter 4114

Liangyi Sect!

Gu Tianchao was so depressed at this time. He had agreed with David, but now David has disappeared without a trace and there is no news at all!

The day of the sect leader election is coming soon. Gu Tianchao knows that he can’t become the sect leader with his qualifications, otherwise he wouldn’t have to join forces with David!

“Elder Gu, the sect leader invites you to come over!”

At this time, a disciple of Liangyi Sect came over and said!

Gu Tianchao nodded, then got up and went to the main hall!

There were many people in the main hall, most of whom were high-level members of Liangyi Sect! The

sect leader of Liangyi Sect, Peng Wu, sat on the throne.

The system of Liangyi Sect is different from that of other sects. Every twenty years, the sect will hold a sect leader election!

If the sect leader is not strong enough or is unpopular and is pushed down by others, he can only sit back in the position of elder and continue to wait for the next opportunity!

This election system has an advantage, that is, anyone has the opportunity to become the sect master, and it can also prevent the sect master from having the final say.

However, after hundreds and thousands of years of changes, although this system still exists, it has become in name only!

After each sect master comes to power, he will work hard to cultivate his power, and use the power in the hands of the sect master to speed up the practice!

In this way, even if the twenty-year deadline is reached, no one dares to elect the sect master, and the original sect master will still be in office!

“Sect master, you are looking for me?”

Gu Tianchao asked in a panic after seeing the sect master!

He wanted to seize the position of sect master, but he didn't dare to tell anyone about this. After all, people's hearts are separated from their stomachs. If Peng Wu knew about it, Gu Tianchao knew that it would be difficult for him to gain a foothold in Liangyi Gate!

That's why Gu Tianchao will seek help from external forces. Only when external forces intervene can Peng Wu be overthrown!

“Elder Gu, the day of the sect master election is coming soon. What do you think?”

Peng Wu asked Gu Tianchao!

“Of course, we will elect the leader to continue his term. Under the leadership of the leader, our Liangyi Sect has become more and more powerful.”

Seeing this, Gu Tianchao hurried to flatter him!

Without the absolute strength to overthrow Peng Wu, Gu Tianchao would not go against Peng Wu!

“Hahaha, Elder Gu is still very righteous.”

“But I heard that Elder Gu went to see the God Pattern Ancestor a few days ago?”

Peng Wu’s face suddenly turned slightly cold!

Gu Tianchao’s God Pattern trembled slightly, then nodded and said, “Yes, I went to see the God Pattern Ancestor, because I have some confusion in cultivation, and I hope the ancestor can solve my doubts.”

“Really? You should know that your elders only qualify to see the God Pattern Ancestor once in fifty years. You used this qualification because of a little confusion?”

“You are not going to see the ancestor for other things. You are not going to report me, right?”

Peng Wu asked coldly.

“No, no, no, I came to ask for advice, and I didn’t tell on the Sect Master. How could I waste such an important qualification just to tell on the Sect Master?”

Gu Tianchao waved his hand quickly!

However, Gu Tianchao’s forehead was already covered with cold sweat!

“It’s good that it’s not. Someone told me that you, Elder Gu, are interested in becoming the Sect Master, but I don’t quite believe it. After all, I have been very kind to you for so many years.”

“Over the years, you have been secretly running around to take private jobs and earn private money, and I have turned a blind eye to it. I have been good to you.”

Peng Wu deliberately knocked on Gu Tianchao!

“The Sect Master has been very kind to me, how could I have the idea of becoming the Sect Master?”

“I will recommend the Sect Master to continue to be re-elected with both hands. No one in our Liangyi Sect is more suitable than the Sect Master.”

Gu Tianchao hurriedly began to flatter him!

If Peng Wu is unhappy, his days in Liangyi Sect will be difficult!

Chapter 4115

Gu Tianchao is not stupid, on the contrary, he is very smart and flexible, otherwise he would not have coveted the position of the sect leader!

Now that David is missing and no one is helping him, Gu Tianchao knows that he will never be the sect leader, so he can only flatter Peng Wu!

As the saying goes, a real man can bend and stretch, at worst he can look for an opportunity in the next twenty years!

Seeing that Gu Tianchao is so sensible, Peng Wu will not pursue anything! If

Gu Tianchao dares to behave a little bit wrong today, Peng Wu will take action!

“Okay, go back and prepare well, and remember not to let down when you recommend.”

Peng Wu waved his hand, intending to let Gu Tianchao go back!

But at this moment, a disciple of Liangyi Sect hurriedly walked into the hall and said, “Master, Master Bai is here...”

“What? Master Bai is here? Could it be that the ancestor of Shenwen has any instructions?”

Seeing this, Peng Wu hurriedly got up to greet him, and others did not dare to neglect him!

You must know that Bai Ju is the disciple of the ancestor of Shenwen, and the Liangyi Sect was originally founded by the ancestor of Shenwen! If

all of them want to see the ancestor of Shenwen, they must go through Bai Ju, so these people dare not offend Bai Ju!

Gu Tianchao also followed Peng Wu to greet Bai Ju!

But just when he arrived at the gate of Liangyi Sect, Gu Tianchao was stunned, because he saw that David was actually with Bai Ju!

Peng Wu and others did not know David. When they saw Bai Ju coming with a young man, they hurried forward and said, “Master Bai, how come you have time to come here?”

“Is this person arranged by the ancestor? I will find a place for him right away.”

“Master Peng, this person was indeed arranged by my master, so he asked me to bring him here.”

Bai Ju said!

“I’ll arrange it right away.” After Peng Wu finished speaking, he looked at David and said politely, “Brother, I’m Peng Wu, the leader of the Liangyi Sect.”

“My name is David...”

David also introduced himself!

“David?” Peng Wu was slightly stunned, feeling that the name was somewhat familiar, but he couldn’t remember it for a moment!

However, since he was introduced by the ancestor, he must pay attention to him!

“Brother David, since the ancestor arranged you here, you must have some ability. You can be an elder in Liangyi Sect first.”

Peng Wu felt that it was good to arrange an elder for David, after all, David was so young!

David just smiled and didn’t say anything, but Bai Ju spoke!

“Master Peng, the ancestor asked him to be the master of the sect, not an elder.”

Bai Ju said!

“Master?” Peng Wu was stunned, and immediately said in disbelief: “Master Bai, I am still the master of Liangyi Sect. How could the ancestor suddenly arrange a master?”

“It has never happened in all these years. After a few days, everyone will start to recommend. Isn’t it the one with the highest recommendation who will be the master?”

“The ancestor has never appointed a master. This is not the ancestor’s style.”

Peng Wu was very suspicious. After all, David was so young, and the ancestor of Shenwen had never interfered in the selection of the master of Liangyi Sect for so many years!

So why did he suddenly send a master this time?

“What? Are you saying that I am lying?”

Bai Ju said coldly!

“I dare not!” Peng Wu shook his head and said, “It’s just that the ancestor has never done this before, so I need to ask the sect master in person.”

“No need to ask, I am conveying my master’s meaning. He is qualified to say who will be the sect master of Liangyi Sect.”

“You have been the sect master of Liangyi Sect for many years. You have privately cultivated forces, formed cliques and factions, and directly undermined the sect master recommendation system. Don’t think that the master doesn’t know.”

“Back then, the master established this system in order to select geniuses in formation and train them. However, you occupied the position of the sect master of Liangyi Sect and relied on various means to undermine the recommendation system. Now I ask you to step down. Are you dissatisfied?”

Bai Ju looked at Peng Wu with a grim face and asked!
