Chapter 4136

David left the teleportation array and soon saw Nie Heng and Liu Ruyan!

Seeing that David was also teleported over, Liu Ruyan excitedly went over and hugged David!

She was afraid that David would get into trouble at the Central Region Pharmacist Association!

“Mr. Chen, where are we going next? Do you want to report to the Western Region Pharmacist Association and prepare to attend the Pharmacist Conference?” Nie

Heng asked David!

“No, the Pharmacist Conference will not be held in Yongle City.”

David said!

“What?”

“Why?”

Nie Heng and Liu Ruyan were all stunned and asked in disbelief!

“The specific reason, I tell you, you won’t understand. This time’s Pharmacist Conference is probably worth seeing, so it will be held in other places.”

“Just follow me. As long as I can go, I will definitely take you two with me.”

David didn’t follow the two of them to explain in detail. After all, Liu Ruyan and Nie Heng might not know a lot of things!

“Okay!” Liu Ruyan nodded!

“By the way, President Chen asked me, and he wants you to join the Central Region Pharmacist Association, and then participate in the Pharmacist Conference in the name of the Central Region Pharmacist Association.”

“Are you two willing?”

David remembered Chen Wenliang’s words, so he asked!

“Of course we are willing. If we can join the Central Region Pharmacist Association, our Yuding Sect can be considered to have a backer.”

“The Northern Region Pharmacist Association exists in name only and is not reliable at all.”

Liu Ruyan nodded happily when she heard it!

For a small alchemy sect like Yuding Sect, it would definitely be beneficial if it could join the Pharmacist Association!

Not only can they obtain a lot of resources, but they can also ask each other for advice and improve the medical level of the sect.

“Okay, I’ll tell President Chen after I meet him.”

“Now come with me, I’ll take you to meet a few people!”

After David finished speaking, he contacted Ji Yun with the sound transmission jade slip!

Then Ji Yun told After telling David the exact location, David took Nie Heng and Liu Ruyan to the Zhen family!

When Bai Qian and Huo Feng saw David, they were all very excited!

For such a long time, they didn’t know what was going on with David, and they were very worried!

Although David had contacted Ji Yun once with the sound transmission jade slip in the middle, they would always be worried if they couldn’t see him!

Bai Qian and Huo Feng hugged David together, very excited!

Liu Ruyan was relieved when she saw this scene.

She knew that David had many women, and she also knew Huo Feng, but Bai Qian and Liu Ruyan didn’t know them. It should be a new girl David met!

“Sister Ruyan, why are you here too?”

After hugging David, Huo Feng saw Liu Ruyan, immediately let go of David, ran to Liu Ruyan and asked!

“I came to participate in the Pharmacist Conference. I didn’t expect to meet David, so I came here together.”

Liu Ruyan said with a smile!

“Sister Ruyan, let me introduce you to a sister. This is Bai Qian, the daughter of the Fox Emperor, and also the Taoist partner of the master.”

“Bai Qian, this is Liu Ruyan from the Yuding Sect...”

Huo Feng was the middleman, introducing the two to each other. If David introduced them himself, it would be a bit embarrassing!

Huo Feng did this, and it helped David a lot!

Liu Ruyan looked at Bai Qian, her heart was very calm, and she stretched out her hand very generously and said, “Hello...”

“Hello, you and David were together earlier than me, so I should call you sister, right?”

Bai Qian was also very generous!

After all, in the world of heaven and man, it is normal for one man to have multiple women!

As long as a man has the ability and strength, he can find anyone!

“Bai Qian, I will find a way to get Hu Huangcheng back from the Feng family for you.”

“But you have to wait until the Medicine God Conference is over. If you dare to touch my woman, I will make the people of the Feng family pay the price.”

David was afraid that Bai Qian would feel uncomfortable because Hu Huangcheng was occupied, so he said!

Chapter 4137

“Well, I believe you...”

Bai Qian nodded vigorously!

At the beginning, Bai Qian was just relying on David's bloodline, but who knew that after the two of them had been together for a long time, she really fell in love with David!

In fact, Huhuang City is no longer that important to Bai Qian. As long as she can always be with David, she will be content!

"Okay, the master and Sister Ruyan have just come over, so let's take a rest."

"Ji Yun has already tidied up the room, but it's a little shabby."

Huo Feng asked David and the others to rest!

"By the way, Ji Yun told me that Grandma Zhen is from the Zhen family of Yongle City, so you came along!"

"I saw that the Zhen family compound is very majestic, why are you arranged in such a simple place?"

David asked with some dissatisfaction!

"We only found out after we came here. Granny Zhen fled from the Zhen family, so the Zhen family is very unfriendly to Granny Zhen."

"If it weren't for the fact that Hu Huangcheng was occupied by the Feng family, Granny Zhen wouldn't have come back!"

Bai Qian sighed softly!

"Escape from the Zhen family?" David was confused!

Huo Feng whispered to David's ear and told David about Granny Zhen's affairs!

When David heard that it was because of this kind of thing, he could only smile awkwardly!

Even these cultivators in the heavenly world can't escape the word love!

Even the immortals in the heavenly world can't get rid of it.

It's easy to become an immortal, but it's hard to break love...

David took Liu Ruyan and Nie Heng to rest.

In the hall of the Western Region Pharmacist Association, the four presidents of the five major pharmacist associations all sat there with a solemn face!

Only the president of the Northern Region Pharmacist Association did not come!

The heads of the four major families in Yongle City were also in this hall, including Zhen Yuandao, the head of the Zhen family.

Zhong Qing was also among them. As a famous medicine master in Yongle City, thisOf course, he was indispensable to the meeting!

There were also some heads of major medical families in other regions, a total of dozens of people sitting in the hall!

Everyone's face was solemn!

"Everyone, I believe you all know about the Medicine God Island. Now we gather together to discuss some countermeasures. What should we do about this matter? Should we go to Medicine God Island to hold a pharmacist conference?"

Su Tianshuo, president of the Western Region Pharmacist Association, asked everyone!

There was silence below, and no one spoke, because everyone knew that the first person to speak would be questioned the most!

After a long while, Chen Wenliang asked: "President Su, you know more about the situation on Medicine God Island than we do. If we don't listen to Medicine God Island, will Medicine God Island really take action against our major pharmacists?" "

Yes!" Su Tianshuo nodded without hesitation!

Seeing Su Tianshuo so sure, Chen Wenliang didn't know how to speak for a while!

"Everyone, the strength of Medicine God Island is not something we can contend with at all. Even if we join together, we can't contend with Medicine God Island."

"When the people from Medicine God Island came to inform me, although there were only three people, all three of them were Mahayana cultivators."

"And I heard from them that there are countless Mahayana cultivators on their island!"

"With this kind of strength, what can we use to compete?"

Su Tianshuo said!

At this moment, everyone was even more silent, and some people were worried in their hearts, and their faces were sweating with nervousness!

“President Su, if we go to Medicine God Island, I’m afraid that those people from Medicine God Island will not let us come back.”

“Instead of going to Medicine God Island and fighting with them, it’s better to give it a try. As long as the people from Medicine God Island dare to go ashore, we will fight.”

Zhen Yuandao said!

“Yes, if we go to the island, we will become lambs to be slaughtered.”

“Fight, if they dare to go ashore, we will fight them!”

“We must not go...”

Many people began to echo Zhen Yuandao’s words!

Chapter 4138

After all, no one dared to guarantee that after going to Yaoshen Island, the people of Yaoshen Island would not attack everyone!

“Everyone, the people of Yaoshen Island have also said this. I am afraid that everyone will be worried, so the people of Yaoshen Island guarantee that when going to Yaoshen Island to hold the Pharmacist Conference, Yaoshen Island will never attack any pharmacist.”

“And this time at the Pharmacist Conference, Yaoshen Island will also take out various resources and reward everyone who attends the conference.”

Su Tianshuo said!

“There is such a good thing? Would those people on Yaoshen Island be so kind? What are their intentions?”

“They Yaoshen Island can’t do things that are not profitable, right?”

Someone questioned!

“Yes, what is their Yaoshen Island for? They are taking resources and holding a pharmacist conference. Are they just to communicate with us about alchemy?”

Chen Wenliang asked puzzled!

“Of course Medicine God Island also has its own intentions. They said that if you want to go to Medicine God Island to participate in this pharmacist conference, you must pass their assessment.”

“Only those who have passed the assessment are eligible to go to Medicine God Island.”

“And Medicine God Island will also open the place where Medicine God fell, and then let everyone go to explore.”

“The place where Medicine God fell is very mysterious. The pharmacists of the entire Medicine God Island have only comprehended a small part of it.”

“This time, Medicine God Island invites everyone to go, and it is also to be able to solve the secret of the place where Medicine God fell.”

Su Tianshuo followed everyone to explain!

“Of course, these are also people from Medicine God Island. They told me this, and I just explained it to everyone.”

“Believe it or not!”

Su Tianshuo was afraid of getting himself involved, so he added two sentences at the end!

“What? Medicine God Island is going to open up the immortal place where Medicine God fell?”

“I’ll go, I’ll participate, no matter if it’s a conspiracy.”

“I’ll go too, I want to see what the place where Medicine God fell looks like!

“Hearing this, many people agreed!

As the saying goes, people die for money and birds die for food. In the face of absolute interests, no one can withstand the temptation!

This time, many people agreed. It seems that there is no obstacle to going to Yaoshen Island to hold the Pharmacist Conference!

“Okay, since everyone agrees, then I will contact Yaoshen Island.”

“This time, the assessment of Yaoshen Island may be stricter. Many pharmacists should not be qualified to participate, so I hope you can do a good job of appeasement!”

Su Tianshuo said!

After all, I came all the way here, and now this has happened. I believe no one will be happy if I can't participate in the Pharmacist Conference!

After the meeting, everyone left!

Zhen Yuandao walked to Zhong Qing and said with a smile: “Zhong Yaozun, I don't know if you have seen my sister?” Zhong

Qing shook his head: “No, Zhen Ni didn't see me, I guess he still hasn't forgiven me...”

“Don't be discouraged, Zhong Yaozun, after returning, I will persuade her well, I believe my sister will forgive her.”

Zhen Yuandao patted Zhong Qing on the shoulder!

“Thank you, Master Zhen...”

Zhong Qing nodded!

Zhen Yuandao left the Pharmacist Association and went straight home to Granny Zhen's residence! It was

Zhen Yuandao's idea to let Granny Zhen live in this dilapidated courtyard!

He just wanted Granny Zhen to realize her mistakes and accept Zhong Qing!

The Zhen family was able to become one of the four major families in Yongcheng City because of Zhong Qing!

Zhong Qing, the medicine master, and Granny Zhen fell in love with each other, so the Zhen family took advantage of this to grow rapidly in alchemy skills and soon became one of the four major families in Yongle City!

It's a pity that Zhong Qing was having fun with other women and was discovered by Granny Zhen. She was so sad that she wanted to cut off contact with Zhong Qing!

But the Zhen family disagreed. After all, the Zhen family relied on Zhong Qing. With Zhong Qing behind them, no one could shake the strength of the Zhen family in Yongle City!

Full Read Online **Chapter 4139** of the novel **A Man Like None Other** for free.

Chapter 4139

Now it is absolutely impossible for Granny Zhen to cut off contact!

Granny Zhen was heartbroken and left the Zhen family in a rage. She went to Huhuang City in the Central Region and stayed there for decades!

If Huhuang City had not been occupied by the Biefeng family, Granny Zhen would probably never come back in her life!

Creak...

Granny Zhen's door was pushed open!

Granny Zhen was holding the white handkerchief at this time. When she saw someone coming, she hurriedly hid the handkerchief!

When she saw that it was her eldest brother Zhen Yuandao, Granny Zhen's face became very ugly!She

knew that her eldest brother only had interests in his eyes and no brotherly love!

"Sister, I arranged you here, you don't blame me, right?"

Zhen Yuandao glanced at the dilapidated house and said embarrassedly!

"No, I am very grateful that my brother can accept me and give me a place to stay."

Granny Zhen said expressionlessly!

Zhen Yuandao smiled awkwardly. He knew what Granny Zhen meant. He could tell from her expression!

"Actually, I did this just to let you know that if our Zhen family lost the support of Zhong Yaozun, it would not take long for it to become so dilapidated."

"I know you are scolding me in your heart, scolding me for not caring about the relationship between brothers and sisters, scolding me for only caring about interests."

"But who understands me? There are hundreds of people in our Zhen family. In this small Yongle City, if no one supports us, how can we become one of the four major families?"

“Our ancestors did not leave behind any superb medical skills or exquisite alchemy skills. If I rely on myself to fight, can I feed these hundreds of people?”

“The world of heaven and man is a society where the strong prey on the weak. If there is no Zhong Yaozun, our Zhen family might have been trampled and eaten by others in Yongle City.”

“I’m not doing this for myself, I’m doing this for the hundreds of people in the Zhen family.”

“And Zhong Yaozun is not a bad person, and his character is not bad. If you ask around in the entire Yongle City, who doesn’t say he is good?”

“As for men, if they make small mistakes, it can be forgiven. That is the impulse and instinct of men. It does not mean that he does not love you anymore.”

“After so many years, Zhong Yaozun is still helping our Zhen family. What is he doing for?”

“Brother, please forgive Zhong Yaozun. You two should stay in Yongle City.”

“If you think I am ruthless, I can give you the position of the head of the Zhen family, and you can manage the hundreds of people in the Zhen family!”

Zhen Yuandao looked at his sister with tears in his eyes!

For decades, how could Zhen Yuandao not worry about his sister!

But the world of heaven and man is so vast that it is harder to find someone than to find a needle in a haystack!

Grandma Zhen looked at her brother and was a little absent-minded for a while!

When she ran away from home in anger, she never thought about other people at all. She just thought that no one in the Zhen family understood her!

In the blink of an eye, decades have passed. Now, when Grandma Zhen listens to her brother’s words, she actually feels a little guilty!

She has never considered other people in the Zhen family, but only herself!

If you say selfish, maybe you are the selfish person!

“Brother, I.....”

Granny Zhen didn’t know what to say!

“Don’t say anything. When Zhong Yaozun comes to find you, you can have a good talk and untie the knot

in your heart.” “Actually, I know that you can’t let him go, otherwise you wouldn’t be alone in a daze with a handkerchief.”

Zhen Yuandao said with a faint smile!

Granny Zhen blushed instantly!

“Okay, I’ll let Huan’er arrange new accommodation for you, and take the friends you brought with you.”

Zhen Yuandao said and left!

Soon, a beautiful girl wearing grosgrain came to Granny Zhen’s room!

“Aunt.....”

After the girl saw Granny Zhen, she immediately burst into tears!

Full Read Online **Chapter 4140** of the novel **A Man Like None Other** for free.

Chapter 4140

Granny Zhen also hugged the girl and said, “Huan’er, are you okay?”

“Aunt, I’m fine. If my father hadn’t told me, I wouldn’t have known you were home?”

“My father is really a jerk. How could he arrange you in such a place? I must settle accounts with him in the future!”

Zhen Huan took a look at the environment of the room and said angrily!

“Your father is also very thoughtful. Didn’t he ask you to arrange another place for me?”

Granny Zhen said!

“Yes, I still have my aunt’s old courtyard and have always sent people to clean it. Now I will take my aunt there!”

Zhen Huan nodded!

“Wait a minute, I have a few friends, take them together!”

Granny Zhen said, and called Bai Qian, Huo Feng and others!

Then David and Liu Ruyan also walked out of the room!

Seeing so many people, Zhen Huan seemed a little shy!

“Miss, this is my niece Zhen Huan...”

Granny Zhen followed Bai Qian to introduce!

“Huan’er, aunt has been living in Huhuang City all these years, thanks to the young lady for taking her in.”

Granny Zhen looked at Zhen Huan and said!

“My name is Zhen Huan, thank you for taking my aunt in.”

Zhen Huan politely followed Bai Qian and said!

“My name is Bai Qian. In fact, it is Granny Zhen who has taken care of me all these years.”

Bai Qian said embarrassedly!

Obviously, it was Granny Zhen who took care of her all these years!

“Okay, you guys come with me. Guests are guests. It is rude of our Zhen family to let you live in such a place.”

Zhen Huan said with guilt!

Looking at Zhen Huan’s polite appearance, she is worthy of being the eldest lady of a big family!

Zhen Huan brought David and others to a luxurious courtyard, which was magnificently decorated!

This is the style of a big family!

“Aunt, you guys should rest first. My father will hold a family dinner to welcome aunt in the evening.”

After bringing Granny Zhen and others to the place, Zhen Huan slowly said slowly!

“Huan’er, go and get busy. You have to work hard for the pharmacist conference in two days!”

Granny Zhen looked at Zhen Huan lovingly and said!

Zhen Huan nodded, and when she was about to leave, someone outside suddenly shouted loudly: “Huan Huan, Huan Huan...”

Hearing the shout, Zhen Huan hurried out!

Granny Zhen and the others followed her out!

“Silang, what’s wrong?” Zhen Huan saw the person coming, so she asked!

“Huan Huan, there is a notice posted outside. This year’s pharmacist conference will be held on Yaoshen Island, and not all pharmacists can participate. They need to be assessed.”

Silang said anxiously!

“There is such a thing?” Zhen Huan was a little surprised!

When Silang saw Granny Zhen and others, he was slightly stunned and said: “Huan Huan, who is this?”

“Oh, Silang, let me introduce you, this is my aunt.”

“The others are my aunt’s friends, and they are also here to participate in the pharmacist conference.”

Zhen Huan hurriedly introduced!

When Silang heard this, he hurriedly bowed and said, “Zhou Silang, meet your aunt...”

“Huan’er, who is this young man?”

Granny Zhen looked at Zhou Silang and asked!

“Aunt, this is the son of the Zhou family in Yongle City, the fourth child, named Zhou Silang.”

“We have been engaged some time ago.”

Zhen Huan followed Granny Zhen and said!

“Oh, it turns out to be Zhou Yiwei’s son. I didn’t expect that he named his son so casually.”

Granny Zhen laughed after hearing this!

Zhou Silang saw this, he could only smile foolishly. After all, Granny Zhen was an elder and seemed very familiar with his father. Even if she said so, he, a junior, didn't dare to say anything!

“Do you have a brother named Zhou Dalang, Zhou Erlang, and Zhou Sanlang?”

Huo Feng asked jokingly!

“Huo Feng, don't be rude!” David saw this and hurriedly scolded Huo Feng!

After all, it's impolite to say this to someone you are not familiar with!
