## Chapter 4156

Xiao Yuanshan was also distressed when he saw his son like this, but he had no choice but to step forward and pull the chain hard!

He couldn't let Xiao Feng break free, otherwise all the pharmacists here would be in trouble!

"Son, calm down, calm down..."

Xiao Yuanshan comforted Xiao Feng!

"Father, let me die, die, I'm really in pain..."

Xiao Feng tried his best to suppress his mania and begged Xiao Yuanshan!

But as soon as he finished speaking, he immediately changed his face and began to struggle desperately!

After an incense stick of time, Xiao Feng slowly calmed down, and the whole person had already shown signs of collapse!

Xiao Yuanshan looked at his son, feeling both distressed and helpless!

But he had no way out!

"Father... please... please... let me die, I'm really in pain!"

Xiao Feng begged Xiao Yuanshan!

It is too difficult to live at this time, and death is a relief!

Xiao Yuanshan looked at his son, and tears slowly flowed out. Although he was the Emperor Xiao of the Xiao Dynasty, an existence above millions of people, he couldn't even save his own son!

This helplessness made Xiao Yuanshan look much older in an instant!

Xiao Yuanshan glanced at Xiao Feng, and slowly walked towards David. Although there was still some anger in his eyes, he no longer had the intention to kill!

“Go ahead, I just hope that my son will not feel any pain when he leaves!”

Xiao Yuanshan accepted it helplessly!

Xiao Feng’s living like this is a torture for Xiao Yuanshan, for Xiao Feng himself, and even for the entire Xiao Dynasty!

“Emperor Xiao, you don’t have to be sad. Maybe after this poison pill, your son will be fine.”

“To survive, perhaps only after dying once can you be full of hope for the next life!”

David said two sentences to Xiao Yuanshan. After that, he walked towards Xiao Feng!

Xiao Yuanshan stared at David blankly. He didn’t understand what David meant, but in Xiao Yuanshan’s eyes, there was a glimmer of hope!

His son was like this, maybe the poison pill in David’s hand could really bring a glimmer of hope!

Everyone looked at David. They didn’t know what David was thinking at the moment, let alone what Xiao Yuanshan was thinking!

After all, no one could watch their son swallow the poison pill with their own eyes!

“Prince Xiao, I have two pills here, one is the Forget Love Pill, and the other is the Poison Pill. If you choose to take the Forget Love Pill, you will forget the past, lose all your memories, and start all over again!”

“And if you choose the Poison Pill, you will die of the poison, but you can keep a trace of residual soul, with the previous memories, and slowly wander in this world of heaven and man!”

David stretched out his hand and handed over two pills and said!

Xiao Feng looked at the black and white pills and suddenly laughed!

He looked at David in disbelief and said, “After so many years, only you have really seen through the cause of my illness, and only you have seen through me...”

“What is love in this world? It only makes people live and die together.”

“I believe that girl is very beautiful, and you love her very much...”

David said to Xiao Feng!

Xiao Feng was slightly stunned, and murmured to himself, "What is love in this world? It only makes people live and die together?"

"What a good sentence, we have indeed lived and died together, and now she is gone, what is the meaning of my living."

Xiao Feng said, and actually took out something like a crystal ball from his arms!

The crystal ball was shining, and a girl in white was running inside, with a smile on her face!

Xiao Feng was chasing after her, and the two looked so happy and happy!

"This is the last time I saw her. I will take out the pictures recorded by the crystal ball and take them out to look at them whenever I am awake!"

## Chapter 4157

"She is a very good girl. Although she doesn't have much talent, strength, or background, she is kind. She doesn't have the utilitarian heart of those cultivators in the heavenly world who pursue the ascension to immortality."

"There are countless girls around me. Only when I am with her can I feel real happiness and warmth!"

"....."

Xiao Feng's eyes became more gentle as he spoke, and his face was full of smiles!

At this moment, Xiao Feng could no longer see a trace of tyranny and mania!

After speaking, Xiao Feng picked up the poison pill without hesitation and threw it directly into his mouth!

Without a trace of hesitation!

"I can die, but I can't forget her. I'm going to find her."

"Thank you, thank you for helping me get rid of it. If there is an afterlife, I will repay you!"  
Xiao

Feng looked at David with gratitude!

“You don’t have to wait for the next life. You have a chance to repay me!”

After David finished speaking, he turned and walked down the frame, and Xiao Feng was confused, not knowing what David meant!

But soon, he felt as if his whole body was burning with flames, and he seemed to be about to explode!

He knew that this was the onset of the poison pill!

Xiao Feng did not yell or scream, but sat cross-legged in the iron cage, quietly waiting for death!

Soon, Xiao Feng felt that his consciousness was becoming more and more blurred, and he seemed to see his beloved girl!

Xiao Yuanshan looked at his son, his heart was in great pain!

And David walked directly in front of Xiao Yuanshan, and then said softly: “Emperor Xiao, I said, put it to death and then survive. Although it is a poison pill, it is also a pill to untie his knot.”

“In fact, Prince Xiao has no disease, but because of lovesickness, his sea of consciousness has mutated and his mind has split.” “

To be precise, it is a split personality, which is a kind of mental illness!”

“Mental illness?” Xiao Yuanshan frowned slightly: “Lovesickness?”

“Does your son have a favorite...Girl?” David asked!

“Yes, he likes a girl, but that girl is just a child from an ordinary family, powerless, and her strength level is not good. She can’t help Feng’er at all, so I don’t agree with them being together.”

“In order to make Feng’er give up, I said that the girl is dead and don’t let him think about her anymore.”

Xiao Yuanshan nodded and said!

“So, the girl is not dead?” David asked!

“Yes, she is not dead. She has been living in the Western Regions.”

Xiao Yuanshan said!

“That’s great. My poison pill can only prevent him from having a mental breakdown temporarily. If the girl is not dead, as the saying goes, the person who tied the bell must untie it. If you want your son to recover, only the girl can do it!”

David said!

“It turns out that my son’s illness was all because of that girl. I didn’t expect him to be so affectionate to the girl.”

“Hey, it’s all because of my old age. Why did I stop it and almost killed my own son.”

“Now that Feng’er has eaten the poison pill, won’t he die? “

Xiao Yuanshan now has some trust in David!

“Of course not, although the poison pill can indeed take a person’s life, but all things are interdependent, and my poison pill is just to restrain mental splitting.”

“With the strength of Prince Xiao, although the poison pill will cause some damage to his body, it will never be fatal.”

David assured!

As David’s voice fell, Xiao Feng suddenly spurted out a mouthful of blood, followed by a splitting headache, and his eyes turned scarlet!

Everyone looked at David in shock. Now Xiao Feng is like this, it should be the poison pill that has taken effect, and he probably won’t survive!

But after spitting out a few mouthfuls of blood, Xiao Feng suddenly fell headfirst!

Xiao Yuanshan hurried forward to open the iron cage and carried Xiao Feng out!

About an incense stick of time, Xiao Feng actually woke up slowly!

Although the breath on his body was obviously much weaker, the violent and manic breath was gone!

Chapter 4158

Seeing that Xiao Feng was not dead but woke up, everyone was surprised!

They couldn't believe that Xiao Feng didn't die after taking the poison pill!

Looking at the situation just now, Xiao Feng was definitely dead!

Could it be that the poison pill can really cure diseases? All

the pharmacists present knew that the poison pill couldn't cure diseases, but David gave Xiao Feng the poison pill, but Xiao Feng didn't die. Instead, the manic aura on his body disappeared!

You know, this poison pill has been checked by everyone, and it is indeed a poison pill!

"How is it possible?"

Su Tianshuo couldn't believe it, and he flashed forward, then shot a stream of spiritual energy into Xiao Feng's body!

After a moment, Su Tianshuo retreated in a daze!

"Really...really cured?"

Su Tianshuo's expression was a little dazed!

Chen Wenliang, Zhong Qing, Ouyang Wufeng...

Many pharmacists all surrounded him and began to examine Xiao Feng's body!

They really wanted to know if Xiao Feng was cured!

If he was really cured, they could learn some experience from it!

After all, the pharmacist conference was also for many pharmacists to learn and exchange ideas together!

Xiao Yuanshan was watching from the side, looking at his son, like a monkey, being surrounded and studied by everyone!

"Strange, really strange, poison pills can actually cure diseases?"

Zhong Qing looked at David in disbelief, and said very respectfully: "Daoyou, I wonder if you can tell me how you did it?"

"Of course, every pharmacist has his own unique skills. It doesn't matter if you don't want to say it..."

Zhong Qing knew that every pharmacist would have his own unique skills that would not be passed on to others. Even at the pharmacist conference, everyone was just communicating and learning from each other, but no one would bring out their own unique skills!

“Senior Zhong, actually, this is not a unique skill. It’s just that I have seen this kind of disease before, and you haven’t seen it!”

David smiled slightly!

In the secular world, there are so many mental illnesses, whatThere are all kinds of them! There

are many people with split personalities like this!

There are also people who are men at one moment and women at another. It is not uncommon at all.

But this kind of disease is rare in the world of heaven and man, so many pharmacists have never seen it and don’t know how to treat it!

“Zhong Yaozun, is my son really healed?”

Xiao Yuanshan asked Zhong Qing in disbelief!

After all, Xiao Yuanshan can trust Zhong Qing’s reputation!

“Emperor Xiao, Prince Xiao is indeed healed after my investigation. There is no bloodthirsty aura on his body. Although the aura in his body is a little weaker, these are not big problems!”

Zhong Qing said!

Xiao Yuanshan looked at David excitedly and said gratefully: “Little brother, thank you. I, Xiao Yuanshan, will always remember your kindness!”

After Xiao Yuanshan finished speaking, he hurriedly helped Xiao Feng, who was still confused, up!

After Xiao Feng opened his eyes, he saw that everyone surrounded him in a while, and then all kinds of auras kept wandering in his body, checking his body!

Until now, Xiao Feng is still confused and doesn’t know whether he is dead or alive!

“Father, am I... am I still alive?”

Xiao Feng looked at Xiao Yuanshan blankly and asked!

“Son, you are alive, you are still alive, you are fine, it’s okay.”

“It’s all your fault. I shouldn’t have forcibly separated you and Ah Zhu. I lied to you. Miss Ah Zhu is not dead. She has been living in the Western Regions.”

Xiao Yuanshan remembered David’s instructions and hurriedly followed Xiao Feng to say!

When Xiao Feng heard it, he was stunned. After a long time, tears burst out: “Father, don’t lie to me. Is Ah Zhu really not dead?”

“No, really not dead. After I go back, I will promise you to marry Miss Ah Zhu. After so many years, I have also understood that what is a good match, what a famous family, is bullshit.”

“As long as you can be well, nothing is a problem. I will never interfere with your feelings in the future.”

Xiao Yuanshan’s face was full of regret. If David hadn’t cured his son, Xiao Yuanshan would probably hate himself to death!

## Chapter 4159

Just for the sake of his own career, he has to sacrifice his son’s feelings!

This is selfish!

Xiao Feng was extremely excited, then he looked at David and suddenly knelt down!

You know, Xiao Feng is a prince, with an extremely noble status, how could he kneel down easily!

But at this time, Xiao Feng knelt down to David!

He knelt down to David not because David saved his life, because Xiao Feng didn’t care about his own life!

The reason why he knelt down to David was because David fulfilled him and enabled him to be with his beloved woman!

“Prince Xiao, you must not...”

Seeing this, David hurried forward to support Xiao Feng!

Everyone around was extremely envious. Even Prince Xiao knelt down to David. If David made a small request at this time, I believe Xiao Yuanshan would agree without hesitation!

will definitely become a guest of honor of the Xiao Dynasty in the future, and a distinguished guest of the Xiao Dynasty!

“Little brother, you saved my son and deserve his respect.”

“From today on, you are the supreme guest of my Xiao Dynasty. Whenever you go to Xiao Dynasty, you can enter and leave the palace at will.”

Xiao Yuanshan said, and took out a golden token and handed it to David! When everyone saw this token, they were so envious that their saliva was about to flow out. With this token, David could enter and leave Xiao Dynasty freely, and he also had great power!

But David did not take the token at the first time, because what David wanted was not the token, but the fairy bone!

What if he asked for the token and the other party did not give the fairy bone?

Xiao Yuanshan saw David’s concerns, so he smiled and said, “Little brother, take this token, and the reward on the doctor-seeking list will be given to you, but I don’t have the fairy bone with me, so I need to get it for you!”

David heard Xiao Yuanshan say this, and took the token with an awkward smile!

“I still believe in the character of Emperor Xiao!”

David smiled!

“Little brother, I don’t know your identity yet, I wonder if you can tell me?”

Xiao Yuanshan asked!

“I am David...”

David said his name!

“David?”

Xiao Yuanshan was stunned!

Many pharmacists were also stunned, because many people were familiar with this name!

After all, many people know the person who was killed by the Hundred Years of Offering of

the Demon Sealing League! “You are the David who was hunted down by the Hundred Years of Offering of the Demon Sealing League?”

Xiao Yuanshan asked!

“Emperor Xiao also knows about this?”

David asked back, but this was tantamount to admitting his identity!

Seeing David admit it, many people had hungry wolf-like eyes, and they couldn't wait to rush up and catch David now!

The Hundred Years of Offering of the Demon Sealing League is an unimaginable resource!

David could also feel the hungry wolf-like eyes in the crowd!

But David was not afraid. Since he dared to expose his identity and admit it, he would not be afraid!

“I think this matter has almost reached the point where everyone in the Heavenly Human Realm knows it. How could I not know it?”

“But you actually dared to admit your identity in public, you are really brave. Aren't you afraid?”

Xiao Yuanshan was very curious, why did David dare to say his identity!

There are so many people, but many of them are yearning for the Hundred Years of Offering of the Demon Sealing League!

“There is nothing to be afraid of, just fight back when the enemy comes and cover up when the water comes.” David acted very calmly!

“You have guts, since you saved my son today, I will give you a gift!”

After Xiao Yuanshan finished speaking, he jumped up and floated in the air, then looked down and said: "Everyone is here today, I want to announce in public that my Xiao Dynasty will protect little brother David."

"From now on, David will be a distinguished guest of my Xiao Dynasty. I don't care if they are from the Demon Sealing League or other people. If you dare to attack David, don't blame me, Xiao Yuanshan, for turning your face and not recognizing you!"

"I advise you not to lose your life for the illusory Hundred Years of Offering. If people are dead, no matter how many resources you have, it will be useless!"

After speaking, Xiao Yuanshan slowly fell!
