Chapter 4166

Seeing that the leader of the Five Heroes was indeed injured, the blue-clothed deacon looked at David, glanced at him coldly and said, "You fought and injured people in the neighborhood. Now follow me and I must lock you up for a few days!"

"You lock me up if you say so. Who do you think you are?"

"I injured that guy's arm, but don't you ask why?"

"These beasts beat people in the street and molested the little girl. Not to mention breaking his arm, I would take their lives, it would not be too much."

"You want to arrest me as soon as you come. Let's see if you have the ability."

David didn't tolerate this hurried law enforcement monk at all!

These guys must be from the Ouyang family. After all, the Ouyang family is the most powerful in the entire Medicine God Island, and Ouyang Wufeng's father is the island owner, which makes these servants of the Ouyang family look down on others!

"You are so bold that you even dare to scold the law enforcement officers of Yaoshen Island. It seems that you don't know the rules of Yaoshen Island at all."

The leader of the Five Heroes saw that David was so arrogant with the people of the Ouyang family, and he immediately laughed!

Now they don't need to do anything, these law enforcement officers will not let David go!

Sure enough, several law enforcement officers frowned and surrounded David directly!

On Yaoshen Island, no one dared to talk to them like this!

And David faced several law enforcement officers without any fear!

"Is this guy a new pharmacist on the island? He doesn't even know the rules."

"He even dares to insult the law enforcement officer on the island. Isn't this courting death?"

“He must not know that the name of this Medicine God Island belongs to the Ouyang family, and these people are from the Ouyang family.”

“Just wait and see. This time, there are so many pharmacists on the island who suddenly came to the pharmacist conference. Some of them will definitely break the rules.”

When everyone saw that several law enforcement officers were about to attack David, they all hid aside to watch the fun with glee!

But this scared Old Miao!

He has been with Miao Miao on Yaoshen Island for a while, so of course he knows the rules of the island!

He knows that these law enforcement deacons cannot be provoked, because they are all from the Ouyang family!

“Several deacons, he has just arrived on the island and doesn’t know the rules. I hope you can be generous!”

Miao Lao said, taking out all the herbs and valuables on him!

He wanted to bribe these people not to attack David!

But the blue-clothed deacon just glanced at him and knocked Miao Lao to the ground!

“Old thing, you treat us as beggars, and you actually give me some rags to send me away?”

The blue-clothed deacon said angrily!

David frowned, helped Miao Lao up, looked at several law enforcement deacons coldly and said, “What else can you do besides bullying the weak?”

“Today I will teach you a lesson and let you know that even if you are a dog, you have to be restrained.”

“Damn it, you are looking for death!” The blue-clothed deacon was furious and took people to attack David!

“Stop!” With a roar, a figure stepped into the air!

“Subordinates greet the young master!”

Seeing the newcomer, several law enforcement deacons immediately knelt down!

It turned out that Ouyang Wufeng had come, the young master of the Ouyang family!

“Young Master Ouyang...”

When the Five Heroes of Nanfang saw Ouyang Wufeng, they also approached him with a flattering look on their faces!

The son of the owner of Yaoshen Island, no one would dare to provoke him on Yaoshen Island! However,

Ouyang Wufeng did not even look at the Five Heroes of Nanfang and several deacons, but looked at David and asked: “Fellow Daoist Chen, are you okay?”

“I’m fine!” David shook his head!

“It was because we didn’t discipline them well, and our men almost offended Fellow Daoist Chen.”

“Do you know what happened? What made Fellow Daoist Chen so angry?”

Ouyang Wufeng was extremely polite to David!

Chapter 4167

Regardless of what is said, David cured Xiao Feng and became a guest of honor of the Xiao Dynasty. Xiao Yuanshan said in person that he would protect David!

Moreover, David still has the token of the Xiao Dynasty in his hand. As long as Ouyang Wufeng is not stupid, he will not offend David!

After all, the Xiao Dynasty is the largest force in the Western Regions, and its area alone occupies nearly one-third of the Western Regions!

What can a small Medicine God Island compare with the Xiao Dynasty?

Seeing that Ouyang Wufeng was so polite to David, everyone was stunned!

Especially those law enforcement deacons and the five heroes of Nanfang who were kneeling on the ground!

The five people all had a dull look on their faces, full of incredible faces! They

didn't understand what was going on?

David is just a sixth-grade cultivator in the Tribulation Realm!

How could Ouyang Wufeng be so polite?

Could it be that there is a huge force behind David?

Thinking of this, the foreheads of the five heroes of Nanfang instantly broke out in cold sweat!

Miao Lao was also looking at David in shock at this moment. He didn't understand why David made the young master of Yaoshen Island so respectful?

You know, Yaoshen Island is located in a remote area, and David has never been here!

What is going on?

"These five guys are bullying men and women and being overbearing. I just made a slight move to stop them, but I didn't expect these law enforcement deacons to arrest me and lock me up without asking any questions!"

David said calmly!

Ouyang Wufeng certainly knew the character of the Five Heroes of Nanfang, and he only beat them because they were bullying the weak and afraid of the strong. It's just that a few people can do things for the Ouyang family, so they turned a blind eye!

But now, the five people have offended David, and Ouyang Wufeng can't pretend not to see it!

"You bas***s, why don't you provoke anyone else, but you dare to provoke Chen Daoyou, he is a distinguished guest of the Xiao Dynasty."

"Prince Xiao's illness was cured by Chen Daoyou. Emperor Xiao has already said that whoever dares to provoke Chen Daoyou will be killed!"

Ouyang Wufeng shouted at the Five Heroes of Nanfang!

When these five guys heard that David had actually cured Prince Xiao, He became a distinguished guest of the Xiao Dynasty, and instantly fell to his knees in fear!

Everyone finally understood why Ouyang Wufeng was so polite to David, a sixth-grade cultivator in the realm of tribulation!

It turned out that David had the Xiao Dynasty behind him, so of course he had to be polite!

“Mr. Chen, we are blind and deserve to die...”

The Five Heroes of Nanfang kowtowed desperately!

Those law enforcement deacons were also trembling all over, and they were scared!

If they knew that David was behind the Xiao Dynasty, they would not dare to do anything to David even if they had a hundred courages!

Not to mention scolding them, even if they slapped them twice, they would not dare to move!

“Fellow Daoist Chen, if you don’t let out your anger, you can do whatever you want with these guys!”

Ouyang Wufeng pointed at the law enforcement deacons and the Five Heroes of Nanfang who were kneeling on the ground and said!

In other words, David could let these people die at any time with just one word!

But David could see what Ouyang Wufeng meant, and he didn’t want these people to die!

The reason for saying this was to give David enough face in public!

David said, “Forget about what happened today. I hope you can discipline them more in the future!”

David did not attack, let alone kill these people!

“Of course, I will discipline them strictly after I go back!”

Ouyang Wufeng nodded!

Then Ouyang Wufeng took everyone away!

Those who wanted to see David’s excitement came up one by one! Since

David was able to cure the illness of Prince Xiao, he must have great medical skills!

Many people wanted David to help with the treatment, and they also gave a lot of rewards! Others

wanted to get close to David and build relationships!

After all, David has the Xiao Dynasty behind him. Being able to be friends with David is like leaning on a big tree!

Seeing the noisy crowd, David had a headache and could only leave quickly with Liu Ruyan and Miao Lao!

David took Miao Lao and Miao Miao directly to his residence!

Chapter 4168

“Miao Lao, what is going on? How come you are here on Medicine God Island?”

“And what happened

to Miss Miao?” After returning to his residence, David asked Miao Lao in confusion!

Miao Lao sighed and said, “Mr. Chen doesn’t know that after we came out of the battlefield of gods and demons, Boss Cai and the others left, but my granddaughter has always had mental problems.”

“She keeps nagging and sometimes goes crazy...”

“I have also found many people to treat her, but there is no way to cure her. In the end, I can only try my luck on Medicine God Island.”

have been here for more than ten days, but unfortunately I don’t have any treasures as a reward, and no one treats my granddaughter.”

“If I hadn’t met Mr. Chen today, I don’t know what the consequences would be!”

Miao Lao was grateful to David!

“Miss Miao had her memory erased by Bai Qian at that time, and that memory was erased. Why is she still like this?”

David was very puzzled!

Looking at Miao Miao’s appearance, it is obvious that she is in this state because of mental stimulation and can’t bear it!

Generally, the mental power of cultivators is very strong, otherwise it is impossible to emit spiritual consciousness to explore the surrounding situation!

Compared with ordinary people, the mental power of cultivators is hundreds or thousands of times stronger!

This kind of mental power, logically speaking, should not become mentally ill after a little stimulation!

“I don’t know, maybe the memory is not completely erased, and Miao Miao still has that painful memory in her sea of consciousness!”

Miao Lao didn’t know why. If he knew, he might have found a way to treat it long ago!

“Let me help Miss Miao...”

After David finished speaking, a stream of spiritual energy instantly entered Miao Miao’s body!

This spiritual energy directly entered Miao Miao’s sea of consciousness!

In just a moment, Miao Miao suddenly ran away and started yelling!

Upon seeing this, David struck Miao Miao unconscious with a palm!

Then he frowned!

Because at this time, David had already found out what she had experienced from Miao Miao’s sea of consciousness!

Although Bai Qian had erased Miao Miao’s memory, this memory was too deep for Miao Miao!

Even if it was erased, the memory imprinted in the sea of consciousness still remained!

That’s why Miao Miao would slowly pick up that unbearable past!

A girl was raped by dozens of people in a line, anyone would go crazy!

After the investigation, David looked at Miao Lao with a heavy face!

“Mr. Chen, how is my granddaughter? Can she be cured?”

Miao Lao asked hurriedly!

“Miao Lao, the experience in the battlefield of gods and demons was a huge blow to Miss Miao. It is too difficult to erase that memory alone.”

“If you want Miss Miao to recover now, you can only erase all her memories so that she can recover. But by then she won’t recognize anyone, so you have to guide her slowly.”

David said to Miao Lao!

Miao Lao listened to David and looked at Miao Miao quietly, struggling in his heart!

What’s the point if his granddaughter doesn’t recognize him at that time!

But he can’t watch Miao Miao go crazy like this all the time!

After hesitating for a moment, Miao Lao gritted his teeth and said, “Okay, that’s the only way!”

“Miao Lao, I will try my best to leave the most basic memory of Miss Miao, but I can’t guarantee that it will be successful 100%!”

David has never helped anyone erase their memories, so he can’t guarantee it!

“Mr. Chen, you can do it boldly. No matter what the result is, I can bear it!”

Miao Lao said with trust.

David nodded, and then a golden light emanated from his palm, wrapping Miao Miao up completely!”Miao Lao, what is going on? How come you are here on Medicine God Island?”

Chapter 4169

It is easy to erase the memory of ordinary people, but it is extremely difficult and costly to erase the memory of a cultivator in the sea of consciousness!

After several hours, David stopped, and his whole body was soaked in sweat!

“Miao Lao, I have erased Miss Miao’s memory. Whether the most basic memory can be preserved can only be known when she wakes up!”

After David finished speaking, he sat down on the chair!

He was too tired and exhausted!

Miao Lao looked at David like that, his face full of gratitude: “Mr. Chen, thank you, no matter whether Miao Miao recognizes me or not, I will take good care of her!”

At this moment, Miao Miao slowly opened her eyes. Seeing

Miao Miao wake up, Miao Lao hurried over nervously. He didn’t know if his granddaughter still recognized him!

When Miao Miao saw Miao Lao, he called softly, “Grandpa...”

When Miao Lao heard this, he immediately agreed happily, and his tears could not stop flowing out!

“Grandpa, why are you crying? Where are we?”

Miao Miao stood up and asked while wiping Miao Lao’s tears!

“Grandpa is okay, I’ll take you home now!”

Miao Lao was so happy to see that his granddaughter still recognized him!

David was also relieved. Miao Miao still had the most basic memory, so there was no need for Miao Lao to slowly guide her!

“Mr. Chen, thank you so much...”

After Miao Lao finished speaking, he actually knelt down to David!

“Miao Lao, it’s just a piece of cake!”

David hurriedly supported Miao Lao and stopped him from kneeling down!

“Grandpa, who is this person? Why are you kneeling to him?”

Miao Miao looked at David in confusion. She didn't understand why her grandfather knelt down to a young man like David!

“Miao Miao, this is Mr. Chen, a nobleman in our family. He...”

Miao Lao was about to follow Miao Miao to introduce David, but was interrupted by David and said, “Miao Lao, it's better not to tell Miss Miao too much, whatever she can remember is enough to prevent her from falling into memories. “

When Elder Miao heard this, he quickly shut his mouth!

“Elder Miao, where are you going next?”

“If you have nowhere to go, you can live here. Anyway, the house here is spacious enough.”

David asked!

“Thank you, Mr. Chen. I plan to take Miao Miao home and won't take her around anymore.”

Elder Miao said!

“Well, the world is dangerous, and a stable life is the most important thing.”

David sighed lightly. The dangers of the heavenly world are thousands of times more severe than those of the secular world!

In the heavenly world, there are no rules at all, and strength is everything!

And the secular world at least has legal constraints, so it is not so chaotic!

Elder Miao took Miao Miao away, and David swallowed a lot of pills and set up a spirit gathering formation. David had to have a good rest before he could recover!

And while David was resting, in the area where they lived, the only three-story building was brightly lit although it was late at night.

This is Yaoshen Island is the residence prepared for Su Tianshuo, the president of the Western Region Pharmacist Association. How can one say that Su Tianshuo has made a great contribution to the Pharmacist Conference of Yaoshen Island this time!

In the hall of the room, Su Tianshuo sat quietly, and opposite Su Tianshuo, there were more than a dozen people sitting!

These people are the heads of major medical families, including two of the four major medical families in Yongle City!

Bao Longxing, the head of the Bao family, and Diao Changmin, the head of the Diao family.

But the people from the Zhou family and the Zhen family were not present!

Everyone looked solemnly, looking at Su Tianshuo in front of them!

“Everyone, I called you here, I believe you also know why.”

“This time’s Pharmacist Conference is by no means as simple as it seems on the surface. I tell you the truth, I am afraid that half of the people who come here will die on this Yaoshen Island.”

Su Tianshuo slowly spoke after a moment of silence!

Chapter 4170

Hearing what Su Tianshuo said, everyone’s eyes flashed with surprise, but they didn’t speak!

Su Tianshuo continued: “Whether it is the Pharmacist Association or the major families, they have always been fighting openly and secretly.”

“In this regard, the Bao family head and the Diao family head of Yongle City should have the most experience. Now the Zhou family and the Zhen family are married, Zhong Yaozun has also become a member of the Zhen family, and the David who suddenly appeared was also brought by Zhen Ni, who had been away from the Zhen family for decades.”

“Now the strength of the Zhen family and the Zhou family is obviously not something that other families can contend with. At that time, the Bao family and the Diao family will definitely be annexed.”

“And this time’s Pharmacist Conference may be the time for a reshuffle. Yaoshen Island will not be so kind to invite everyone. As far as I know, Yaoshen Island has been threatened, so it is trying hard to hold the Pharmacist Conference on Yaoshen Island.”

After Su Tianshuo said this to everyone, everyone was a little furious!

“President Su, what’s going on? If you knew, why didn’t you tell us at the beginning, and let us come to Yaoshen Island?”

“Who dares to endanger Yaoshen Island? Yaoshen Island’s strength cannot be underestimated now!”

“Yaoshen Island is threatened, so are you asking us to be a shield?”

Everyone asked in confusion!

“President Su, what do you mean? All of us trust you very much, and you don’t have to keep us in suspense.”

Bao Longxing, the head of the Bao family, asked!

“Yes, we are a community of interests now, so don’t hide it from us.”

Diao Changmin, the head of the Diao family, said!

“Do you know the Zhantian Sect?” Su Tianshuo asked!

“Of course I know, isn’t it the sect that understands both medical skills and formation techniques?”

“This Zhantian Sect is just a scam, and they only know the basics of medical skills, but their formation techniques are really good.”

“If I remember correctly, this Zhantian Sect should be a sect of demon cultivators, right?”

Everyone said one after another!

“President Su, what is the relationship between Zhantian Sect and Yaoshen Island? Could it be that Zhantian Sect is threatening Yaoshen Island?”

Bao Longxing asked!

“Yes, Zhantian Sect also knows that Yaoshen Island is the place where Yaoshen fell, and wants to occupy Yaoshen Island. Yaoshen Island has put out a lot of resources and asked us all to come to Yaoshen Island to hold the Yaoshen Conference. It is also to gather people like us to help resist Zhantian Sect!”

Su Tianshuo nodded and said!

Everyone was a little confused, and then asked puzzledly: “President Su, how do you know these things? Did someone from Yaoshen Island tell you?”

“Of course not!” Su Tianshuo shook his head: “Because I have been cooperating with Zhantian Sect, so of course I know!” As

soon as Su Tianshuo finished speaking, everyone was in an uproar!

Some people even stood up suddenly and looked at Su Tianshuo in disbelief: “President Su, are you a demon cultivator?”

Of course I’m not a demon cultivator. Who says only demon cultivators can cooperate with Zhantian Sect?”

“I gathered you together secretly and specifically told you about this. When the time comes, we will cooperate with Zhantian Sect from inside and outside, and Medicine God Island will be ours.”

“Whatever resources there are on Medicine God Island, they belong to us, and no one will share them with us.”

“As for those other pharmacists, if they know the times, we will recruit them. If they don’t, we will kill them all!”

“By then, we will be the only ones who control the medical skills in the entire Tianren Realm. No matter how powerful the sect is, they will always come to us for help.”

Su Tianshuo’s eyes flashed with greed!

A small president of the Pharmacist Association of the Western Regions could not satisfy him at all. What he wanted was the entire Tianren Realm!

He wanted to control the medical skills of the entire Tianren Realm. By then, he would have whatever resources he wanted!
