Chapter 4181

“This Medicine God Island is so bad. If the Zhan Tian Fa Sect attacks, I don’t know how many pharmacists will die.”

Zhen Huan also said angrily!

Everyone began to curse the Medicine God Island, feeling that they were all deceived!

“Everyone, you misunderstood the Island Master Ouyang. He didn’t want everyone to help him resist the Zhan Tian Fa Sect. He just didn’t want the many inheritances and treasures in the Medicine God’s Falling Place to fall into the hands of the Zhan Tian Fa Sect!”

“So he moved the Pharmacist Conference to the Medicine God Island, and also to let everyone benefit from the Medicine God’s Falling Place.”

“After three days, everyone must leave, because the Zhan Tian Fa Sect will attack the Medicine God Island in three days.”

David helped Ouyang Xing explain!

“If that’s the case, then we really don’t have time to waste on fighting.”

“But now, if we don’t fight with Su Tianshuo and others, they will probably not give up this opportunity.”

Zhen Yuandao said with a frown!

“That’s easy. I’ll tell President Su about this matter. I believe they will understand what to do.”

David planned to tell Su Tianshuo about this matter.

As long as Su Tianshuo knew that Zhan Tian Fa Zong was going to attack Yao Shen Island, if they really only had three days, they would not waste time on the Zhou and Zhen families!

But David didn’t know that Su Tianshuo had already known about Zhan Tian Fa Zong, and he had already reached a cooperation with Zhan Tian Fa Zong!

“Okay, I’ll leave this to you, Chen Daoyou!”

Zhen Yuandao didn’t want to fight with Su Tianshuo and others in Yaoding Mountain!

After all, they came to the place where Yao Shen fell to try their luck. If they could get the inheritance of Yao Shen, they would be instantly successful!

“I’ll do my best...”

David nodded!

After saying goodbye to Zhen Yuandao and others, David and others continued to head towards the mountain!

Yaoding Mountain is very large. When nearly a thousand pharmacists enter Yaoding Mountain, they can’t see anything at all!

David! don’t know if I will run into Su Tianshuo and others, but if I do, David will try his best to stop the fight!

David doesn’t know yet that he has become the prey of Su Tianshuo and others, and he still wants to stop the fight!

Not long after David and others left, suddenly several breaths came towards them!

Although the distance was not very close, David could sense that these breaths were coming towards them!

“Mr. Chen, what’s wrong?”

Seeing David suddenly stop, Nie Heng asked curiously!

“Someone is running here, I don’t know who it is!”

David said with a serious face!

Although all the people who entered Yaoding Mountain were pharmacists, David couldn’t know them all!

I don’t know whether the people coming here are enemies or friends!

Now almost all pharmacists know David’s identity. The hundred-year offering of the Demon Sealing League is placed here, and it is inevitable that some people will have evil thoughts! Even

with the deterrence of Xiao Yuanshan, it is still inevitable that someone will take risks for the hundred-year offering of the Demon Sealing League!

As the saying goes, people die for money and birds die for food!

“David, why didn’t we feel anyone coming?”

Liu Ruyan asked!

“Yes, we didn’t seem to feel anything!”

Nie Lei and Nie Hong also said!

“Don’t worry, they should appear soon!”

David looked ahead with a serious expression!

Soon, several figures really appeared, and as soon as they appeared, these people surrounded David and his men!

Looking at this scene, David understood instantly!

“Who are you? What do you want to do?”

Nie Heng saw that these people had ill intentions, so he asked!

“Never mind your business, get out of here quickly, we are here to find this David.”

One of the pharmacists in a gray cloth gown said!

They were obviously here for the Hundred Years of Offerings of the Demon Sealing League!

Chapter 4182

David took a glance and found that these people were all in the seventh or eighth level of the Tribulation Realm, and their strength was not weak!

“Daoyou Lu, why don’t you go to the mountain to look for treasures, and find Daoyou Chen?”

At this time, Nie Lei stepped forward and said to the gray-clothed pharmacist!

“Nie Lei, Nie Hong, you two brothers and sisters are here too.”

“I advise you two to stop meddling in other people’s business. We are only looking for David, and it has nothing to do with you brothers and sisters.”

The gray-clothed pharmacist said!

“Do you want the hundred-year offering of the Demon Sealing League?”

David asked!

“Yes, as long as you kill you, you can get the hundred-year offering of the Demon Sealing League. These resources are enough for us brothers to practice for a hundred years.”

The gray-clothed pharmacist said!

“Humph, with your virtue, you also want to kill me and get the hundred-year offering of the Demon Sealing League. It’s ridiculous!”

David said with disdain on his face!

“You are a sixth-rank cultivator in the Crossing Tribulation Realm, and you dare to speak so arrogantly. I don’t think we brothers are not your opponents!”

The gray-robed pharmacist drew out a long knife!

Others also showed their weapons, ready to attack David at any time!

Seeing this, Nie Heng and Liu Ruyan all took up their positions!

The brother and sister Nie Lei and Nie Hong also stood in front of David!

“If you two brothers and sisters don’t get out, do you want to die too?”

The gray-robed pharmacist frowned and said!

“Since we have chosen to follow Fellow Daoist Chen, we can’t just sit back and watch.”

Nie Lei said!

“Okay, then you will die together today!”

After the gray-robed pharmacist finished speaking, he was about to take action!

“All of you get out of the way, I can handle a few little cultivators in the Crossing Tribulation Realm by myself!”

David asked Liu Ruyan and the others to get out of the way

! David didn't even take the little cultivators of the seventh and eighth ranks of the Crossing Tribulation Realm

seriously! Seeing David despise the cultivators of the Crossing Tribulation Realm so much, Nie Lei and Nie Hong couldn't help but look ugly! Chen

Ping was only at the sixth level of the Tribulation Realm, but he actually said something that looked down on the Tribulation Realm cultivators!

, then you better be careful not to get covered in blood...”

Nie Heng warned David, then hid aside!

Seeing this, Liu Ruyan also left!

With the strength of the two of them, even if they helped, they couldn't do much, and it might also distract David!

They knew David's strength. Several cultivators of the seventh or eighth level in the Tribulation Realm could not kill David!

But seeing this, brother and sister Nie Lei and Nie Hong seemed a little at a loss!

“Brother Nie, you two brother and sister come over too, let Mr. Chen deal with it alone. “

Nie Heng waved at Nie Lei and his sister!

Because they all had the surname Nie, Nie Heng was very close to the brother and sister!

Seeing this, Nie Lei and Nie Hong slowly stepped aside!

Seeing that everyone had dodged, the gray-robed pharmacist's aura instantly spread, and the rest of the people were also full of vigor and vitality!

“Boy, you can only blame yourself for being too valuable, don't blame us...”

The gray-robed pharmacist took the lead in attacking David!

David raised the corner of his mouth slightly, and he didn't dodge or take out a weapon, but a faint golden light began to emanate from his body!

Seeing this, the other people also rushed towards David together!

Just after a few guys approached David, David's body seemed to explode!

Boom!

Suddenly, a burst of sky-high fire emerged from David's body, and the red flame rushed straight into the sky!

The guys who were caught off guard were immediately ignited by the fire!

“Ah...”

“Fire, it's on fire...”

“Burn me to death...”

Several guys were burning with flames, rolling on the ground desperately, but the flames could not be extinguished at all!

Liu Ruyan and Nie Heng were not surprised!

But Nie Lei and Nie Hong looked at the scene in front of them with shock!

Several cultivators of the seventh and eighth rank of the Tribulation Realm, each of them was no worse than the two brothers and sisters, but now they were swallowed by the sudden burst of fire without even touching a hair of David!

Horrible, it was simply too terrible..
