## Chapter 4191

There are also several people who have reached the ninth level of the Tribulation Realm!

There is even a master of the Mahayana Realm, and this Mahayana Realm master is Diao Changmin!

The head of the Diao family in Yongle City!

“Head of the Diao family?” Seeing Diao Changmin, David seemed a little confused: “Aren’t you with President Su and the others?”

“I started to follow them, but now we are separated. I just want to see the ancient medicine cauldron of Chen Daoyou.”

“I don’t think Chen Daoyou will be so disrespectful as to not show it to me, right?”

Diao Changmin asked!

It turned out that this guy had been thinking about David’s Shennong Ding. Later, he secretly followed Su Tianshuo and others and separated, and brought everyone from the Diao family to find David!

He wanted to get the Shennong Ding. If he and Su Tianshuo and others work together, it is not certain who will get the Shennong Ding!

“Oh, so you just want to see the medicine cauldron, isn’t that simple!”

David acted as if he didn’t care and was about to take out the medicine cauldron!

Seeing this, Diao Changmin’s eyes lit up, full of greed!

As long as David took out the Shennong Ding, he would attack David without hesitation. After killing David, the Shennong Ding would be his, and the Hundred Years of Offerings of the Demon Sealing League would also be his!

After all, he could easily kill a small cultivator of the sixth rank of the Tribulation Realm with the elite of the Diao family!

Moreover, he was a master of the Mahayana Realm, and he couldn't be afraid of David!

David flipped his hand and took out not a medicine cauldron, but a dragon-slaying sword!

The cold sword light shot out in an instant!

Seeing this, Diao Changmin retreated violently and barely avoided David's sword!

But the two people behind Diao Changmin were not so lucky. They were directly hit by the sword light and their bodies were cut in two!

"You..."

Diao Changmin glared at David when he saw his own people being killed.

"Humph, you want to spy on my medicine cauldron? You're dreaming. You guys think you can deceive me!"

r> David sneered, and his body suddenly jumped up and ran quickly to the side!

"Damn it, you want to run, I must kill you today!"

Seeing that he was being teased by David, Diao Changmin was furious, with murderous eyes, and led people to chase David!

David was in front and Diao Changmin led people behind, constantly shuttling through the fog!

Although David's body was not invaded by toxins much, he had been shuttling through the fog, which made David feel that the circulation of his spiritual energy was a little unsmooth!

David actually didn't take these people seriously. The reason why he didn't fight with them was because of the fog around him!

If he really fought, the speed of the poison invading the body would be accelerated!

Even if David killed Diao Changmin and others, he must have been poisoned. If he encountered a situation, it would be troublesome!

Diao Changmin and others chased after him, and kept throwing pills in their mouths!

This is a detoxification pill. Although there is no way to completely eliminate the toxins in the fog, it can also temporarily slow down the speed of the poison invading the body!

Soon after entering the mist, they noticed something strange in the mist, so they began to take detoxification pills!

As a family of medicine, detoxification pills are something that needs to be needed for a long time!

“Master, we don’t have many detoxification pills. If we continue to consume them like this, it will be troublesome!”

At this time, a middle-aged pharmacist next to Diao Changmin reminded him!

Diao Changmin frowned slightly, looking at David not far ahead, and said in some confusion: “Damn, why hasn’t this kid been poisoned yet? I don’t think I saw him taking detoxification pills along the way!”

“Master, this guy is not immune to all poisons, right?” said the middle-aged pharmacist!

“Bullshit, the toxins in this mist are not ordinary toxins. Even if he is immune to all poisons, he can’t resist the toxins in this mist at all!”

“Our detoxification pills can also detoxify all poisons, but in the face of this kind of toxins, they can only delay, and there is no way to prevent the toxins from entering the body!”

Diao Changmin cursed!

## Chapter 4192

“What should we do? Many of us have already started to show symptoms.”

The middle-aged pharmacist asked!

“Take a few people to stay, refine detoxification pills on the spot, and then catch up with us as soon as possible!”

Diao Changmin asked the middle-aged pharmacist to take people to stay and refine detoxification pills on the spot!

Fortunately, they all carried various immortal herbs, so it was easy to refine detoxification pills!

Diao Changmin led the rest of the people and continued to chase David!

After running for a while, David stopped directly!

He knew that he couldn't run anymore. If he continued to run, the toxins in his body would accumulate more and more!

At that time, Diao Changmin and others would fall down without them doing anything!

Changmin and others can refine detoxification pills, but David himself can't refine pills while running!

He has to kill Diao Changmin and others before the poison breaks out!

Diao Changmin saw that David had stopped, and his face was not very good, he immediately smiled coldly and said: "Run, why don't you run?"

"I thought you were immune to all poisons, but you are also seriously poisoned, right?"

Diao Changmin smiled smugly!

Then more than a dozen Diao family members surrounded David!

Then Diao Changmin directly threw out a formation plate, accompanied by a humming sound, a breath spread out to the surroundings, directly covering the area of dozens of miles!

This is a shielding formation, which is to shield the breath and sound of the monks in the formation!

In this way, David has no way to call for help!

Diao Changmin did this to prevent someone from noticing and coming to compete with him!

David is very valuable now. Not counting the hundred-year offering of the Demon Sealing League, he also has an ancient medicine cauldron in his hand!

Diao Changmin wants to take all these things for himself!

"Are you afraid that others will know that you killed me?"

ChenPing saw that Diao Changmin had blocked off the surroundings, so he smiled slightly!

"Of course, you are a hot commodity now, and everyone wants to take a bite, but many people dare not offend Xiao Huangchao, so they have been forbearing."

“Now I kill you, and I don’t know who killed you in this place, so Xiao Huangchao wants to avenge you, but I don’t know who to find!”

Diao Changmin said very proudly!

“You do this yourself, aren’t you afraid that President Su and others will know?”

David asked!

Diao Changmin was with Su Tianshuo and others. If he suddenly left now, he would definitely be suspicious!

“Hahaha, so what if he knows? Besides, Su Tianshuo doesn’t have time to take care of these things.”

“His target is the pharmacist of the entire Tianren world. What he needs is to control the entire pharmacist world.”

“I don’t have such big ambitions. I just need the medicine cauldron in your hand and get the hundred-year offering of the Demon Sealing League.”

Diao Changmin laughed!

After hearing this, David was slightly stunned: “Pharmacists of the entire Tianren world? What does this mean?”

“Since you are about to die, I might as well tell you. We have known for a long time that Zhantian Fazong is coming to attack Yaoshen Island.”

“And Su Tianshuo has also reached a cooperation with Zhantian Fazong. Zhantian Fazong occupies Yaoshen Island. What Su Tianshuo has to do is to use Zhantian Fazong’s hand to eliminate dissidents.”

“When the time comes, who dares not to obey orders?”

“You idiot, you thought we were only targeting the Zhou and Zhen families, so naive!”

Diao Changmin was so proud at this time that he told all of Su Tianshuo’s plans!

In his opinion, David was doomed to die, so it didn’t matter even if he told David!

David frowned, with murderous intent in his eyes. He didn’t expect Su Tianshuo to be so vicious!

He was also deceived by Su Tianshuo. No wonder Su Tianshuo was very active in coming to Yaoshen Island to hold the Pharmacist Conference!

## Chapter 4193

“I want to know, how did you find my location?”

David was very puzzled. How could Diao Changmin know his exact location!

After all, Yaoding Mountain is very large. Several people in Yaoding Mountain are even smaller than ants!

If he didn't rely on breath and consciousness, how could Diao Changmin know his exact location?

“Of course it's our eyes. The brother and sister following you are our eyes. They will announce your location at any time.”

Diao Changmin sneered!

After hearing this, David didn't feel surprised. In fact, he also suspected the brother and sister Nie Lei and Nie Hong! From

the beginning, when the pharmacists found him accurately, David actually had some doubts about the brother and sister!

But there was no definite evidence, and he didn't say anything!

Now that Diao Changmin can rush towards him effortlessly, David is even more suspicious!

The reason why he asked Diao Changmin was just to confirm his guess!

Diao Changmin is getting carried away, he will definitely tell you everything!

Now David can be sure!

“Thank you for telling me this!”

After David finished speaking, a burst of horror suddenly burst out from his body, and the indestructible golden body wrapped around his body, emitting a dazzling golden light!

“Humph, it's useless, even if you have more means, you will definitely die today!”

Diao Changmin snorted coldly, and then roared: "Kill him..." More

than a dozen pharmacists burst out with all their strength and attacked David!

They each used their most powerful moves!

For a time, the world shook, and the space roared!

David was instantly wrapped in countless auras, and the whole person disappeared!

Seeing this, Diao Changmin sneered. With so many people attacking together and hitting David, David would have been wiped out at this time!

Boom!

A loud noise suddenly sounded, and then the pharmacists closest to David screamed and flew out!"

What?"

Diao Changmin was stunned!

Then he saw the flames rising into the sky, followed by a dragon roar, and a golden dragon appeared on David's body!

The golden dragon's whole body was burning with flames, and the terrifying breath made everyone stunned!

The golden dragon roared, and the overwhelming fire went towards the pharmacists!

Wherever the golden dragon passed, the pharmacists were instantly knocked out, and several pharmacists with low strength were directly torn to pieces by the golden dragon!

The flames all over the sky made everyone terrified!

In just a moment, the dozen pharmacists brought by Diao Changmin all lost their combat effectiveness!

Even if there were immortals, they only had one breath left, lingering on!

"This...what's going on?"

Diao Changmin's face was full of disbelief!

He couldn't believe that David, who was only a sixth-grade cross-tribulation realm, had such ability?

You know, he brought the elite of the Diao family, all of whom were eighth-grade and ninth-grade cross-tribulation realm!

Logically speaking, it would be easy for these people to kill David, but now it has become this situation!

Could it be that this fellow David has hidden his strength? He is not a sixth-grade cultivator in the realm of transcending tribulation, but in the realm of Mahayana?

But such a young Mahayana cultivator is rare in the entire world of heaven and man!

As the sky-high fire slowly dissipated, David stood there unscathed!

The golden and indestructible golden body was still shining!

The golden dragon circled above David's head, roaring from time to time!

Looking at the golden dragon above David's head, Diao Changmin's legs went weak and he almost fell to the ground!

"You...what is your strength?"

Diao Changmin asked loudly!

Although Diao Changmin is in the realm of Mahayana, David wiped out all the elite of their Diao family as soon as he made a move. Diao Changmin was also very scared at this moment!

"Can't you see that I'm only a sixth-grade cultivator in the realm of transcending tribulation!"

David smiled faintly!

Chapter 4194

"Impossible, absolutely impossible. If you are only at the sixth level of the Tribulation Realm, how could you have such strength?"

Diao Changmin didn't believe what David said at all!

A sixth-level cultivator in the Tribulation Realm crippled more than a dozen pharmacists at the eighth and ninth levels of the Tribulation Realm. It was incredible!

“Believe it or not, but you can’t leave here alive today.”

After David finished speaking, the golden dragon above his head roared and went towards Diao Changmin!

Diao Changmin was already scared at this moment, and he didn’t dare to resist. Seeing that David was about to take action, he turned around and ran!

He only wanted to save his life and didn’t care about face at all!

A Mahayana master was chased by a sixth-level cultivator in the Tribulation Realm. If someone saw him, it would be really embarrassing! Diao

Changmin didn’t care, and ran away desperately. The shielding array he had laid was also released by him at this time!

“Master...”

Just when Diao Changmin turned around and fled, the middle-aged pharmacist who was originally left behind to refine the detoxification pill came with his men!

Seeing his own people coming, Diao Changmin shouted anxiously: “Stop him, stop him for me...”

The middle-aged pharmacist led his men, jumped up, and went straight to David!

Diao Changmin secretly breathed a sigh of relief. As long as someone stopped David, he could escape!

But just when the middle-aged pharmacist led his men to rush towards David, David suddenly swung the Dragon Slaying Sword in his hand!

The sword light covered the sky!

The middle-aged pharmacist and others were directly pierced through the body under the sword light, and countless blood holes appeared on their bodies!

Seeing this, Diao Changmin’s legs softened and he fell directly to the ground!

David pointed the Dragon Slaying Sword in his hand at Diao Changmin, his eyes full of murderous intent!

“Don’t... don’t kill me. As long as you don’t kill me, I’ll do whatever you say.”

“I can expose that Su Tianshuo...” Diao

Changmin began to beg for mercy with a horrified face!

As the head of the Diao family and a Mahayana cultivator, he had to beg for mercy at this moment!

But Diao Changmin didn't care, he just wanted to be alive, as long as he was alive, everything was not a problem!

"I don't need you to expose!" David said coldly!

"I can give you all the resources of the Diao family, and I am even willing to surrender to the Zhen family, as long as you don't kill me!"

Diao Changmin begged David desperately!

At this moment, Diao Changmin's face was pale and his body was also uncomfortable!

After all, there was no antidote pill, coupled with the mental space, the toxins in the body would spread quickly!

"I don't need anything. From the moment you spied on the Shennong Ding on me, your fate was doomed!"

After David finished speaking, he swung the Dragon Slaying Sword in his hand!

Diao Changmin's head flew directly out, and even his soul disappeared!

Diao Changmin's eyes were wide open, and his head rolled far away. He never thought that the matter of holding the hand would end up like this!

If he knew, he would never bring people to rob David privately even if he was beaten to death!

It's too late to regret now!

There is no regret medicine in the world!

Puff...

After killing Diao Changmin, David also spurted out a mouthful of blood! He pressed the Dragon Slaying Sword tightly against the ground with both hands!

Relying on the Dragon Slaying Sword to support his body, David just tried his best, causing the poison in his body to spread rapidly!

The reason why David used all his strength as soon as he started was that he was afraid that once the poison took effect, he would have no chance!

“You are seriously poisoned, quickly find the detoxification pills from these people and take them.”

“Although I can’t help you detoxify, I can control the spread of the poison!”

The Red Cloud Demon Lord said to David!

David hurriedly found the detoxification pills from the dead pharmacists, and then swallowed them all in one go!

After taking the detoxification pills, David’s body finally had a little strength!

## Chapter 4195

Although David couldn’t resist when he was ambushed, he still had no problem walking!

“You kid has really improved. You can kill so many people even when you are poisoned.”

The Red Cloud Demon Lord praised David!

David did wipe the blood from the corner of his mouth, and laughed miserably, “These people are also poisoned. Although they are taking detoxification pills, they still have toxins in their bodies!”

“These toxins have weakened the strength of these people, they just didn’t notice it.”

“Otherwise, I wouldn’t have been able to kill these people so easily!”

David had the pill at the time, protecting his body from being poisoned at all, and at that time, Diao Changmin and others began to be invaded by toxins!

In addition, David’s body is special, even if he is poisoned, the toxins spread very slowly!

This means that although Diao Changmin and others took detoxification pills, the toxins still spread, and their strength is constantly declining!

In this way, David took advantage of the situation and was able to kill these people quickly while the other party was proud!

“Okay, you’d better leave this fog quickly. I don’t want to see you being poisoned to death here!”

said the Red Cloud Demon Lord!

David smiled, then used the Dragon Slaying Sword as a crutch and began to walk forward step by step!

“David...”

Just after David took two steps, Liu Ruyan suddenly shouted!

At this moment, Liu Ruyan and the others rushed towards David!

Seeing David’s haggard appearance, Liu Ruyan knew that David must have been poisoned!

So she hurriedly gave the pill in her hand to David!

When holding the pill in his hand, the toxins in David’s body were quickly absorbed by the pill!

David’s complexion and strength were also recovering at a speed visible to the naked eye!

And Nie Lei and Nie Hong, the brother and sister who followed behind Liu Ruyan, saw the corpses around them and the head of Diao Changmin that had been chopped off, and they were all dumbfounded!

The two people were stunned on the spot and didn’t speak for a long time!

They didn’t expect that David would kill all the people in the Diao family by himself, even Diao Changmin was beheaded!

You know, Diao Changmin is a master of the Mahayana realm!

How could this happen?

And Nie Heng looked at the charred corpses all over the ground and asked David: “Mr. Chen, who are these people? Are they targeting you?”

“These are all people from the Diao family in Yongle City. They want my Shennong Ding and want to use me to exchange for the Hundred Years of Offerings of the Demon Sealing League.”

“It’s a pity that their strength is not enough, and I killed them all!”

David said lightly!

“It’s really strange, why can someone always find us accurately?”

Liu Ruyan frowned slightly, she also felt something was wrong!

This Yaoding Mountain is so huge that even if you want to find someone deliberately, it is very difficult, but they have been found again and again!

Hearing Liu Ruyan’s words, Nie Lei and Nie Hong looked at each other, with fear in their eyes!

David doesn’t even take the Mahayana cultivators seriously. The strength of the two of them is probably not even an ant in front of David!

David glanced at the brother and sister, who lowered their heads quickly, not daring to look at David, let alone look at David!

“Why are we always found? We have to ask these brother and sister!”

David walked towards Nie Lei and Nie Hong!

“The two of them?” Liu Ruyan

was puzzled!

Nie Heng frowned and said, “Mr. Chen, could it be that these two brothers and sisters secretly leaked our whereabouts?”

Nie Lei and Nie Hong panicked when they heard it.

“Fellow Daoist Chen, don’t joke. How could we leak our whereabouts? Besides, we have always been together.”

Nie Lei hurriedly squeezed out a smile and said!

“Yes, we will never do such a thing. If you think we are a burden, just say it directly. Why bother to accuse us!”

As soon as Nie Hong opened her mouth, she put on the big hat of morality again!
