Chapter 4216

“These people are from the Central Region Liang Yi Sect. I have already informed them in advance, so they came here.”

David smiled slightly!

“Central Region Liang Yi Sect?” Chen Wenliang’s eyes widened, and he said in shock: “That is a very powerful magic sect. I am afraid that the Zhan Tian Fa Sect is not their opponent.”

“Could it be that the sect master they are talking about is Chen Daoyou?”

“It is me!” David laughed!

Buzz!

Everyone’s head buzzed. They had no idea that David, who was a sixth-grade cross-tribulation realm and a pharmacist, could become the sect master of a magic sect? Even

Liu Ruyan and the others were very curious. After all, David had never told them that he was the sect master of Liang Yi Sect!

“No wonder Fellow Daoist Chen is so confident and knows the battle formations like the back of his hand. He is actually the leader of the Liangyi Sect. I am so sorry for the disrespect!”

Zhou Qian came over and said politely when he heard it!

He didn’t believe David just now, but now that he knows David’s identity, he instantly became respectful!

Other pharmacists also began to become respectful to David. Even some people who had some ideas about David in their hearts and wanted to take the 100-year offering from the Sealed Demon League, now completely laughed at the idea!

David not only has the support of the Xiao Dynasty behind him, but he is also the leader of the Liangyi Sect. How could they dare to move!

Now everyone finally understood why the Sealed Demon League wanted to offer a hundred years of offerings. After all, if the benefits of a person of David's status were too low, it is estimated that no one would take action!

At this time, Su Tianshuo and others who were watching the battle from a distance were all dumbfounded when they saw the people from the Liangyi Sect suddenly appear!

"President Su, what's going on? Why did so many people suddenly appear?"

"And these people seem to have very powerful magic. Are they here to save Yaoshen Island?"

Bao Longxing asked with a frown!

"These are people from Liangyi Sect. They are all sects in the Central Region. Why did they suddenly come here?"

"Just now I seemed to hear them shouting about the Sect Master. Could it be that their Sect Master is also trapped here?"

Su Tianshuo was very puzzled. How could the Liangyi Sect, which was far away in the Central Region, come to the Western Region?

"The people trapped inside are all pharmacists. Where is the Sect Master of Liangyi Sect? It's really strange."

"Then what should we do? Do it?"

Bao Longxing asked!

"What do you want to do? I think Zhantian Fazong is going to be in danger. Let's see the situation. If the situation is not good, we will withdraw immediately!"

Su Tianshuo didn't know that the people from Liangyi Sect had also come, so he didn't dare to act rashly!

At this time, the people from Liangyi Sect and Zhantian Fazong were fighting in the dark, and all kinds of gorgeous magic kept exploding in the air!

Disciples from both sides suffered casualties!

"Gu Tianchao, we, Zhan Tian Fa Zong, have no grudges or hatreds with your Liang Yi Sect, and we don't have any grudges at all. Why did you come all the way to the Western Regions to deal with us?"

Wang Qingshi roared at Gu Tianchao!

Victory was already in sight, but the people from Liang Yi Sect suddenly came, which made Zhan Tian Fa Zong, who had already gained the upper hand, instantly fall into a disadvantage!

“Wang Qingshi, you, Zhan Tian Fa Zong, have no grudges or hatreds with our Liang Yi Sect, but you are blind and trapped our sect master in the big formation, so don’t blame us for being rude!”

Gu Tianchao snorted coldly!

“Your sect leader?” Wang Qingshi said in confusion, “Who is your sect leader? The people I trapped are all pharmacists from the Pharmacist Association. How can you be the sect leader?”

“David is the sect leader of our Liangyi Sect. Now you know it, right?”

“Release our sect leader, then kneel down to apologize and beg for our sect leader’s forgiveness, and you will still have a chance to survive!”

Chapter 4217

Gu Tianchao knew David’s ability. The magic of Zhantian Sect was just garbage in David’s eyes!

“Is it him?” Wang Qingshi was stunned, but he snorted and said, “Let me kneel down and apologize, it’s a daydream. Don’t think that your Liangyi Sect is amazing. I still have helpers.”

After Wang Qingshi finished speaking, he looked at Su Tianshuo who was not far away. As long as Su Tianshuo brought people to help deal with Liangyi Sect, Wang Qingshi would be sure to defeat Liangyi Sect!

“President Su, at this time, do you still want to stand idly by?”

Wang Qingshi asked Su Tianshuo loudly!

Su Tianshuo’s face was suddenly embarrassed. He agreed to cooperate with Wang Qingshi. Now seeing Wang Qingshi fighting with Liangyi Sect, they stood idly by!

At this time, Gu Tianchao noticed Su Tianshuo and others, and his brows frowned instantly! He

didn't expect that the many pharmacists on the Lingzhou were actually with Zhantian Fazong!

If these people act together, Liangyimen will be in trouble!

Su Tianshuo carefully judged the current situation, and then said loudly: "Master Wang, how can we stand idly by? I will bring people now..."

Boom!

Before Su Tianshuo's voice fell, there was a loud noise!

Zhantian Fazong's formation was broken!

David led Chen Wenliang and others and rushed out of the black net!

Seeing everyone rushing out, Su Tianshuo was stunned for a moment!

"Ouyang Island Master, President Chen, it's time for revenge."

David smiled slightly after rushing out of the formation!

"Brothers, it's time for revenge. Kill these beasts of Zhantian Fazong and avenge your brothers!"

Ouyang Xing shouted loudly!

Many disciples of Yaoshen Island roared and rushed to Zhantian Fazong!

Zhou Qian's eyes were also bloodshot, and he rushed forward with a roar. He wanted to avenge the children of the Zhou family.

"Fellow Daoists, fight..."

Chen Wenliang also roared and rushed forward with the people of the Central Region Pharmacist Association!

The Zhen family and other pharmacists all went to Zhantian Fazong!

If there was no Liangyi Gate, Wang Qingshi would not have taken these pharmacists seriously!

But now that Liangyi Gate has come forward, the various spells of Zhantian Fazong have been broken as soon as they were cast, and for a while they could not stop the attacks of these pharmacists at all!

“Escape...”

Wang Qingshi saw it and roared and took the lead to escape!

Seeing this, many disciples of Zhantian Fazong also began to flee.

“Want to run?” David snorted coldly, holding the Dragon Slashing Sword, and instantly chased after him!

“You two stop him...”

Wang Qingshi asked the two elders to stop David, and he ran for his life!

At this time, he couldn't care about his disciples!

Although the two elders of Zhan Tian Fa Zong were unwilling, they had no choice but to stop and prepare to stop David!

“Cut...”

David slashed down with a sword, and the sharp sword light, as if falling from the sky, directly cut into an elder of Zhan Tian Fa Zong!

Seeing this, the two elders hurriedly cast magic to form a shield!

But it was useless. The sword light easily cut through the shield and then split one of the elders in half!

“The power of the Zhan Long Sword is getting stronger and stronger. I don't know how Zhongli is doing. It seems that I have time to go to the Refining Sect to completely restore the Zhan Long Sword, so that Zhongli will be free.”

David looked at the Zhan Long Sword in his hand and couldn't help but sigh in his heart!

For so long, since the sword spirit Zhongli was injured and couldn't leave the Zhan Long Sword, the power of the Zhan Long Sword has also weakened a lot!

The most important thing is that Zhongli can't leave the Zhan Long Sword, which means David has lost a helper!

Chapter 4218

Seeing this, another elder of Zhan Tian Fa Zong was so scared that he peed his pants and turned around and ran!

Wang Qingshi also staggered and almost fell into the sea!

Wang Qingshi waved his palms, and a black mist appeared in front of him instantly. Wang Qingshi's body rushed into the black mist and then disappeared!

David went to another elder of Zhan Tian Fa Zong!

Seeing this, the guy knew that he couldn't run away, so he crushed a rune, and a blood-red light appeared in front of him instantly!

In the light, there were runes shuttling through it!

David sneered, waved his hand, and the blood-red light disappeared instantly without a trace!

Playing magic in front of David is just like playing with a big knife in front of Guan Gong!

"This..."

The elder of Zhan Tian Fa Zong was dumbfounded!

Before he could react, a flash of light flashed before his eyes, and his head moved instantly! After

killing the two elders of Zhantian Fazong, David attacked the other disciples of Zhantian Fazong, and by the way, he looked for the trace of Wang Qingshi!

This guy definitely couldn't have opened the teleportation array and teleported himself away!

His current magic power is not enough to set up a teleportation array in an instant!

This guy must have used some kind of sleight of hand!

However, even if David used his divine sense now, he couldn't detect the existence of Wang Qingshi!

The disciples of Zhantian Fazong were panicked and ran around everywhere!

Many pharmacists and people from Liangyi Sect chased these people from Zhantian Fazong like dogs chasing a lost home!

"Don't fight, don't fight, I surrender, we surrender, spare us..."

A disciple of Zhantian Fazong couldn't stand it anymore, and desperately began to beg for mercy!

Puff!

But as soon as the voice fell, he was killed by a pharmacist from Yaoshen Island with a sword!

"You want to surrender now? We have lost so many brothers. You want to surrender? There is no way!"

The many pharmacists on Yaoshen Island have been killing like crazy!

Hundreds of disciples of Zhantian Fazong, only dozens of them are left at this moment, trapped in it!

David slapped his head with a palm full of fire, and all these disciples of Zhantian Fazong joined in, and finally fell in the sea of fire!

Su Tianshuo and others not far away were already scared silly at this moment!

It was not until this time that Su Tianshuo reacted: "Quick, turn around, turn around and escape..."

Su Tianshuo commanded the spirit boat to turn around!

Because the people of Zhantian Fazong died too quickly, Su Tianshuo had not reacted yet, Zhantian Fazong had been destroyed, and even Wang Qingshi disappeared!

But just when the spirit boat turned around, there was an extra person on the spirit boat at this time!

This person was Wang Qingshi who had just used the black fog to escape!

He did not run away, because he could not escape, he could only temporarily use the shadow escape technique to escape to Su Tianshuo's spirit boat!

"Master Wang?"

Su Tianshuo was shocked to see Wang Qingshi!

"Su Tianshuo, you fucking bas***, we agreed to cooperate, but you stood by and watched?"

Wang Qingshi's face was full of anger, and he was about to take action with a wave of his hand!

He felt like he was being fooled by Su Tianshuo!

“Master Wang, don’t do it, the most urgent thing is to find a way to deal with those pharmacists.”

Bao Longxing saw this and hurriedly stopped Wang Qingshi!

“Master Wang, let’s not fight among ourselves now, we have to find a way to turn defeat into victory.”

Su Tianshuo did not expect that Wang Qingshi would appear in his spirit boat, so he said!

“How the hell can we turn defeat into victory? All my people are dead!”

Wang Qingshi said angrily!

“Master Wang, you should be able to find that these people now all regard David as their backbone.”

“As long as we find a way to kill David, those people will lose their backbone and become scattered sand in an instant.”

Chapter 4219

“How to destroy him? This guy looks like he is only at the sixth level of the Tribulation Realm, but he is very powerful and knows magic.”

“At such a young age, he is the leader of the Liangyi Sect. He should not be underestimated!”

Wang Qingshi asked!

“Master Wang, don’t be scared by this guy. As the leader of the Zhantian Sect, your strength is above that of David. How could you be afraid of him?”

“If we fight alone, David will definitely not be Master Wang’s opponent!”

Su Tianshuo flattered Wang Qingshi!

“Yes, yes, Master Wang’s magic is unmatched. If it weren’t for the Liangyi Sect’s sudden attack, these people would have died in Master Wang’s formation.”

“Master Wang will definitely not be afraid of David...”

Bao Longxing saw this and started to flatter him!

This time, Wang Qingshi was really flattered!

“Of course, I am the leader of Zhantian Sect, a second-grade master of Mahayana Realm, how could I be afraid of a mere sixth-grade cultivator of Dujie Realm?”

“But there are so many of them, if they come together, I am afraid I am not their opponent.”

Wang Qingshi frowned slightly!

“Master Wang, just name it and fight against David. If they dare to start, we are not vegetarians and will help you block it.”

“As long as we kill David, these people will collapse in an instant!”

Su Tianshuo fooled Wang Qingshi to fight David!

Now Su Tianshuo hates David the most. If it weren't for David, their plan would have been perfectly presented long ago!

“Okay, I'll try it. This guy killed so many of my disciples, and I want to avenge my disciples!”

Wang Qingshi was fooled and jumped directly from the spirit boat!

The black cloak fluttered in the wind, and the mask was still on his face!

“Wang Qingshi, this guy didn't run away...”

Seeing this, Ouyang Xing hurriedly shouted!

Everyone was also shocked. They didn't understand why Wang Qingshi didn't run away when all the disciples of Zhantian Fazong were dead?

Wang Qingshi threw away his cloak and took off his mask!

Under the mask was a distorted face with cold light in his eyes!

The aura of the Mahayana realm on his body continued to burst out, causing many pharmacists to feel their breathing stagnant!

“I didn't expect you didn't run away, and you are still waiting to die here!”

David was also a little surprised to see Wang Qingshi appear! It

's not like this guy didn't see his strength, but he dared to show up!

David didn't know that this guy was fooled and showed up!

"Hmph, I think you are the one who is looking for death. You killed so many of my disciples. I must avenge them."

"Do you dare to fight me alone? Whether it is a real sword or a magic battle, I can let you fight first."

Wang Qingshi said!

"David, don't listen to him. This guy is too shameless. A master of the Mahayana realm actually shouted that a cultivator of the Tribulation realm should fight alone. Shameless!"

Liu Ruyan hurriedly stopped David and said!

She didn't want David to fight alone. There were so many of them, and they were numerous and powerful. If they attacked together, Wang Qingshi would definitely not be able to escape!

"Wang Qingshi, you are really shameless. How can you have the nerve to say that you want to fight alone?"

Ouyang Xing said to Wang Qingshi with contempt on his face!

"Hmph, I just don't want to see the lives of the living beings. If you come together, it will inevitably cause a fight, and then those weak pharmacists will die."

Wang Qingshi found a noble reason for himself!

"Bah, you are so shameless, you can even say such a thing!" Chen Wenliang spat at Wang Qingshi! "

Mr. Chen, don't be fooled, this guy did it on purpose."

Nie Heng said to David!

Chapter 4220

“Hahaha, don’t brag, just try if you have the ability!”

Wang Qingshi was overjoyed when he saw David agreed!

“David, you are crazy, we...”

Liu Ruyan was anxious and wanted to stop David!

After all, here, Liu Ruyan is the closest person to David, after all, they have slept together!

“Ruyan, don’t worry, don’t you even trust your own man?”

David said to Liu Ruyan with a smile!

When Liu Ruyan heard this, her face was full of shyness, and she nodded and said, “I believe you...”

“Miss Liu, don’t worry, if Chen Daoyou is in danger, we will never stand idly by.”

Chen Wenliang said!

Many of them were saved by David, so if David is in danger, they will not sit idly by!

David jumped up, holding the Dragon Slaying Sword, and instantly cut out a sword light, heading towards Wang Qingshi!

“Hmph, a mere sixth-grade Crossing Tribulation Realm dares to be so presumptuous...”

Wang Qingshi snorted coldly, and his palm reached out to the void! He

immediately attracted lightning, and then those lightning were caught in Wang Qingshi’s hand and turned into a long sword!

Seeing this scene, everyone was shocked!

After all, this was too magical. As pharmacists, where have they seen these?

Gu Tianchao on the side smiled coldly and said, “It’s just a bluffing technique. Our sect leader wants to attract lightning, and he only needs to think about it!”

David himself has the origin of lightning. He only needs to think about it, and the origin of lightning will burst out, and there will be lightning and thunder between heaven and earth in an instant!

David’s sword beams swarmed in, and Wang Qingshi began to resist passively!

Boom!

The sky was full of golden light, and Wang Qingshi's body instantly retreated, and the long sword transformed by lightning in his hand was also shattered in an instant!

Wang Qingshi was horrified. He was at the second level of the Mahayana Realm. Although he was a formation master and had practiced to the second level of the Mahayana Realm, his explosive power might not be as good as other cultivators!

But it was impossible for him to not be able to withstand the attack of a sixth-level cultivator in the Crossing Tribulation Realm! No matter

how powerful David was, he could still jump so many levels when fighting against others? "Show me your special skills. If you fight me head-on, your strength is not enough." David said with a cold smile! Wang Qingshi knew that David was not bragging, so he did not dare to be careless.

He took out a piece of golden talisman paper that was more than one person tall from his arms! The talisman paper was densely covered with runes. As the talisman paper burned, a golden giant appeared faintly behind Wang Qingshi, holding a giant sword in his hand! "Using blood as a guide, people as food, heaven and earth as the respect, my life..."

Wang Qingshi was like a fool, muttering something in his mouth, and his whole body began to slowly become transparent! Wang Qingshi formed seals with his palms and slowly merged into the body of the hundred-foot giant! Buzz! The giant trembled for a moment, and the whole person came alive. The giant and Wang Qingshi actually merged together! The breath exuded from the giant was exactly that of Wang Qingshi!

Everyone was shocked, even Gu Tianchao frowned, he didn't expect that Wang Qingshi would know such a magic! Seeing this, David also frowned slightly. This kind of fusion magic was the first time David saw it! "Hahaha, David, it's your honor to die under the secret technique of our Zhantian Sect."

Wang Qingshi laughed wildly! As he said that, Wang Qingshi slashed at David with a sword! At this moment, David was as weak as an ant in front of Wang Qingshi! Seeing this, David was no longer careless. His body instantly emitted golden light, and the indestructible golden body covered his whole body. The dragon crystal on his chest also emitted light! A huge golden dragon slowly appeared behind David!
