Chapter 4231

“Yes, that island is only a few hundred miles away from here. I was once overturned by a storm and drifted to that island.”

Feng Xing explained!

“What are you waiting for? Go quickly. I’ve been on the spiritual boat here long enough.”

Bao Longxing hurriedly urged to go to the island when he heard it!

The spiritual boat was small and shaky, and it was not comfortable at all!

Feng Xing did not move, but looked at Su Tianshuo! What

Su Tianshuo said here counts, as long as Su Tianshuo nodded!

Su Tianshuo forgot to glance at the boundless storm, nodded and said, “Okay, let’s go to that island and rest for a while.”

Feng Xing nodded and directed everyone to drive the spiritual boat towards the direction of the island!

At this time, David and others in the storm were still immersed in joy! The

terrifying storm around them, just treat it as if it does not exist!

Everyone got a lot of beast pills, spirit stones and treasures!

Especially David, who got a lot of gold-replenishing stones. It seems that his gold-based origin star can be bright.

Back on the spirit boat, many pharmacists gathered together to show off their gains!

At this time, David discovered that a pharmacist was holding a seventh-grade fairy grass in his hand!

This kind of fairy grass can’t appear on the sea, it should grow on land!

“Daoyou, did you get this fairy grass from the sea?”

David asked the pharmacist!

“Yes, I got it from a monster. I guess it’s what the monster didn’t finish eating!”

The pharmacist nodded and said!

“Daoyou Chen, is there anything wrong?”

Chen Wenliang asked!

“This kind of fairy grass can only grow on land and can never appear on the sea. Since these monsters have this kind of fairy grass, it is not far from here, so there must be land.”

At this time, Zhong Qing spoke up!

“Yes, Zhong Yaozun is right. I also suspect that there should be an island not far from here.”

David nodded and said!

“If there are islands, there must be fairy grass and many precious spiritual stones. After all, this place is far away from the mainland and no one has set foot here.”

“Aren’t we going to get rich this time?” “

It’s worth the trip, it’s worth the trip. Those who go back to the Western Regions will definitely regret it.”

When many pharmacists heard this, they all shouted excitedly!

Some resources on these continents in the Heavenly Realm have been mined almost by people!

Only on islands like this where few people go, there are precious resources, and maybe there are ten thousand year fairy grass!

Just when everyone was happy, Gu Tianchao leaned close to David’s ear and whispered, “Master, the spirit boat is damaged and cracks have appeared. I’m afraid it won’t last long...”

“What? Take me to see...”

David frowned slightly!

Gu Tianchao took David into the spirit boat. Seeing this, Chen Wenliang and others followed him!

In the center of the spirit boat, there is a small formation, which is the power to drive the spirit boat forward!

At this time, cracks appeared around the small formation!

There are also fine cracks like spider webs inside the spirit boat!

If this kind of cracks are subjected to wind and waves, there will definitely be more and more, and finally the spirit boat will collapse!

“Can it be repaired?” David asked!

Gu Tianchao shook his head: “We have tried, but it can’t be repaired. Now we can only slowly find a land and then build a spirit boat.”

“Now this spirit boat can’t take us back to the Western Region Continent. Once the spirit boat collapses in the vast ocean, everyone will be in danger.”

David was silent. Chen Wenliang looked at the spirit boat and was a little at a loss!

Although they are all cultivators who can walk on water and even fly in the air, they also have to consume spiritual power to do so!

It’s okay for short distances, but the nearest continent to the Western Region is probably thousands of miles away!

Who can hold on to such a long distance?

Chapter 4232

“This matter must be kept secret and cannot be spread out, otherwise it will easily cause panic.”

After a moment, Chen Wenliang said!

If they knew that the spirit boat was about to collapse, it would certainly make many pharmacists panic!

In this vast ocean, there is no place to stay!

Maybe they will be attacked by monsters in the sea!

“Okay, I won’t tell anyone.”

Gu Tianchao nodded.

“It can’t be concealed. If it is concealed, it will cause greater panic, and it is impossible to hide it from everyone.”

“We must all work together to find a solution. Now we have to work together.”

David disagreed to hide it from everyone and must tell everyone! Chen

Wenliang saw David say this and didn’t say anything!

After all, they all have to rely on David to rush out of this huge storm!

David and the others returned to the deck!

Then he said to everyone: “Everyone, our spirit boat is damaged. It is estimated that it will not last too long, so we all need to be mentally prepared.”

“What? The spirit boat is damaged? If the spirit boat sinks, what should we do? It is impossible to fly in the air all the time.”

“It is thousands of miles away from the nearest continent. We can’t fly

there at all.” “There are many monsters in this sea. Are we all going to die here?”

“Hey, I just got so many beast pills and treasures, but I’m going to die here again!”

For a while, pessimism spread among everyone!

After all, without the spirit boat, most pharmacists can’t return to the Western Continent!

“Fellow Daoist Chen, isn’t there an island nearby? If we find the island before the spirit boat sinks, we will be fine.”

Zhong Qing said!

“Yes, I think so too, but no one knows where the island is and how far it is, so it is not an easy task to find it.”

David also knew that they had to find the island first, but they only knew that there should be an island nearby, but they didn’t know the exact location!

In this vast ocean, looking for an unknown island is undoubtedly like looking for a needle in a haystack!

“Let’s rush out of this storm first, and then discuss the matter of finding an island. If the spirit boat sinks, how can we rush out of this storm with so many people?”

Zhong Qing suggested!

Although David has the Dingfeng Pearl, without the spirit boat, so many pharmacists, and people from the Liangyi Gate, all fly in the air, and the Dingfeng Pearl cannot protect such a large area!

We must rush out of the edge of the storm before the spirit boat sinks!

“That’s what I mean. Everyone should be prepared. In case the spirit boat collapses when rushing out of the storm area, we must rush out as quickly as possible!”

David exhorted everyone!

This is why David told everyone about this, just to let everyone prepare in advance!

If you don’t tell everyone, no one is prepared. When rushing out of the storm, the spirit boat suddenly collapses, which will definitely cause panic. At that time, it is estimated that many people will die!

Everyone listened to David’s words, and they all became very alert, and David asked Gu Tianchao to take the people from the Liangyi Gate to use the formation to consolidate the spirit boat and start rushing out of the storm!

Su Tianshuo and his team, led by Feng Xing, quickly arrived at a small island!

The scenery on the island was pleasant and the environment was so beautiful!

Many pharmacists went to the island one after another, all with excitement on their faces!

“This kind of sparsely populated island must have a lot of treasures.”

Bao Longxing said excitedly!

Su Tianshuo also smiled and looked around at the surrounding environment!

Suddenly, Su Tianshuo’s smile froze on his face, and a trace of solemnity appeared in his eyes!

“President Su, what’s wrong?”

Bao Longxing asked!

Chapter 4233

“There are people on this island.” Su Tianshuo said!

“Someone?” Bao Longxing was stunned, then looked at Feng Xing and asked: “Old Feng, is there anyone on this island?”

Seeing this, Feng Xing smiled slightly: “Yes, and there are quite a few people...” As

Feng Xing’s voice fell, dozens of people suddenly rushed out from all around. The aura of these people was not weak. The most important thing was that when these people appeared, a series of formations lit up all around, surrounding Su Tianshuo and the others!

Now it is impossible for them to return to the spirit boat again. There are formations all around, and they can’t get out at all!

At this moment, all the pharmacists were stunned, and their faces changed drastically!

“Old Feng, what do you mean?” Su

Tianshuo frowned, stared at Feng Xing and asked!

Obviously, Feng Xing deliberately led them to this island. He knew that there were people on this island!

“President Su, don’t be nervous, no one will hurt you.”

“Let me introduce them to you. These people are actually from Zhantian Fazong.”

Feng Xing smiled slightly!

“What? People from Zhantian Fazong? Zhantian Fazong was destroyed, and the sect leader Wang Qingshi has been captured. How come there are people from Zhantian Fazong again?”

Su Tianshuo was confused and didn’t understand what was going on!

“Hahaha, Wang Qingshi is just the deputy sect leader of my Zhantian Fazong. Later, due to different ideas, he rebelled against my Zhantian Fazong and approached the Western Region Continent with some disciples.” “

This guy has been active in the name of our Zhantian Fazong. How can our Zhantian Fazong be destroyed so easily!”

At this time, an old man in white walked in front of Su Tianshuo with a dragon-like and tiger-like step!

This man looked quite old, with wrinkles all over his face, but his eyes were shining, and he had a majestic aura!

The aura of cultivation exuded was very strong, and he was already at the second level of the Mahayana realm!

On this uninhabited island, being able to cultivate to this level is simply a miracle!

After all, this island is not big, and its resources cannot be more than those of the Five Domains Continent!

“President Su, this is the real leader of the Zhantian Sect, Mu Qiufeng.”

Feng Xing introduced Su Tianshuo!

“It turns out to be Sect Leader Mu, I’m sorry...”

Su Tianshuo was simply, and hurriedly greeted politely!

Arriving at someone else’s territory, regardless of who is the real leader of the Zhantian Sect between Mu Qiufeng and Wang Qingshi, now you have to curry favor with each other first!

“President Su, tell your people not to be nervous, we will never hurt you.”

“Since you are here, you are the guests of my Zhantian Sect. Didn’t you reach a cooperation with Wang Qingshi?”

“Although Wang Qingshi has been arrested now, our Zhantian Sect has not died, and I can still cooperate with President Su.”

Mu Qiufeng said to Su Tianshuo!

Su Tianshuo glanced at Feng Xing. He knew that it must be the message from Feng Xing, otherwise how could Mu Qiufeng know that he was cooperating with Wang Qingshi!

All along, Su Tianshuo always thought that his plan was perfect. Now it seems that Feng Xing is the final winner!

From the beginning when he joined the team, he might have anticipated what happened today!

And it seems that it was all calculated to lead David and others into the storm sea!

Now Su Tianshuo wants to take David's body to the Demon Sealing League in exchange for a hundred years of worship, which is obviously impossible. All this has become a wedding dress for the Zhantian Fazong!

"Master Mu, we are willing to cooperate with you!" Su Tianshuo could only squeeze out a smile, and then said to many pharmacists: "Fellow Taoists, don't be nervous, Zhantian Fazong will not hurt us, relax a little!"

"President Su, I have prepared wine and food, please..."

Mu Qiufeng made a gesture of invitation!

Su Tianshuo had no choice but to follow Mu Qiufeng!

Chapter 4234

The other pharmacists followed behind, surrounded by the people of Zhan Tian Fa Zong, and none of these pharmacists dared to resist!

"Master Mu, there is another group of pharmacists who are trapped in the storm, and now their lives and deaths are unknown."

"The David who was hunted down by the Feng Mo League with a hundred years of offerings is also among them. You should send someone to take a look!"

Feng Xing said to Mu Qiufeng!

"Oh? That David is also here. It's just right to use him to negotiate terms with the Feng Mo League."

Mu Qiufeng's eyes lit up, and then he waved to a middle-aged man with a big beard and said, "Elder Liu, take someone to drive the spirit boat to take a look. Except for that David, try to bring other pharmacists back alive."

“Yes!” Elder Liu nodded, and then took people to take the spirit boat away!

Zhan Tian Fa Zong found so many pharmacists to help refine the elixir. To put it bluntly, these pharmacists will work for Zhan Tian Fa Zong for free in the future!

So if the pharmacist dies, it will be of no value at all!

This island has a lot of resources, but Zhan Tian Fa Zong does not have its own pharmacists, so many resources are wasted! This

is why after Wang Qingshi led some of the disciples of Zhantian Sect to leave here, he began to learn alchemy, and even wanted to seize Yaoshen Island to strengthen the ability of Zhantian Sect to refine pills!

On this remote island, Wang Qingshi did that because he suffered from the lack of pharmacists!

Su Tianshuo and the others were taken to the main hall of Zhantian Sect. Although they were treated with good food and drink, they had no freedom!

They were all locked in the room, which was surrounded by formations. These pharmacists had no idea about the formations and could not escape even if they wanted to!

“If I have a chance, I will kill this old man Fengxing...”

Bao Longxing roared angrily!

Su Tianshuo sighed lightly: “Don’t shout, stay here honestly, I didn’t expect that I would be calculated all my life, and this time I was calculated by someone!”

Su Tianshuo lay on the bed and accepted his fate!

Bao Longxing saw this and was helpless. He sat at the table and started drinking.

At this time, David and the others had already rushed out of the storm, and the spirit boat was moving away quickly!

If the spirit boat suddenly collapsed and sank at this time, the suction force generated by such a big storm was terrible, and I was afraid that someone would be involved!

“Don’t relax, you must stay away from the storm before you can relax!”

David told everyone!

Gu Tianchao took the people of Liangyi Gate and tried his best to maintain the spirit boat and urged the spirit boat to move forward!

After being away from the storm for hundreds of miles, the spirit boat began to make a crackling sound under the heavy load!

“Master, the spirit boat can’t hold on, we have to abandon the ship...”

Gu Tianchao said loudly!

“Okay, everyone fly in the air, don’t be on the spirit boat!”

After David finished speaking, he jumped up first, and his body was suspended in the air!

Others saw this and flew into the air one after another!

Just after everyone left the spirit boat, the spirit boat suddenly exploded and sank quickly!

Dozens of people, floating in the air, looking at the vast sea, had no idea for a while!

“Fellow Daoist Chen, what should we do next?”

Chen Wenliang asked David!

David looked around and said, “President Chen, let’s select a few of the strongest pharmacists and then go to find the island separately.”

“Everyone else stays here, and no one should move around, so that you can preserve your spiritual power.”

“Whether you find the island or not, you must come back and reunite after one day.”

“Okay, let’s do as you say!” Chen Wenliang nodded!

Now it can only be like this. If these people go to find the island together, I’m afraid that some pharmacists with low strength will not be able to maintain flight halfway!

Chen Wenliang selected several of the strongest pharmacists and then separated them into groups of two.

David asked for a direction for himself. He was used to being alone, and there would be no burden!

Chapter 4235

But just when David and his men were ready to disperse and search for islands, a huge spirit boat slowly appeared in the distance!

“Spirit boat, a boat is coming...”

“What a big spirit boat, we are saved.”

“Great, there is always a way out...”

After seeing the spirit boat, everyone shouted excitedly!

David’s face was solemn. He looked at the spirit boats that kept coming in the distance and said with a little doubt: “How could there be such a big spirit boat in this vast sea where few people go?”

“It’s so strange, this can’t be a pirate, if we encounter pirates, we will be in trouble.”
Zhong Qing said!

He had heard that in this sea area, pirates robbed someone, and then there was no news!

“Pirates? There are pirates here, it’s really strange!”

Chen Wenliang couldn’t help but be amazed when he heard it!

After all, he was in the Central Region, there was no sea in the Central Region, and it was surrounded by the four regions, so he didn’t know what pirates were!

“Everyone else should be alert. Let’s go and take a look. If we find something wrong, everyone else should flee immediately!”

David will definitely take Chen Wenliang and Zhong Qing to take a look!

If there are really pirates on this spiritual boat, then they are the strongest and can deal with it. The others can take the opportunity to escape quickly!

“Okay, let’s go and take a look!”

Chen Wenliang nodded, and then followed David towards the spiritual boat!

At this time, on the huge spiritual boat, Elder Liu of the Zhantian Sect was sitting in the cabin to rest. He knew that this huge storm would take many days to gradually disappear, so he was not in a hurry at all!

“Elder Liu, a group of cultivators were found floating in the air more than ten miles ahead!”
