Chapter 4246

“Okay, then we’ll go to the island. At worst, we can fight again!”

Chen Wenliang nodded when he saw this.

The broken spiritual boat began to move forward. This time, David and his team didn’t need to look for the island specifically. They would definitely be able to see it if they went in this direction!

At this time, on the sea that David and his team were facing, a huge spiritual boat was sailing fast against the wind and waves.

“Speed up, hurry up...”

On the deck, Mu Qiufeng, the leader of Zhantian Sect, looked at the sea with a serious expression. After receiving the information of support, he led his men to set off immediately.

“Sect Master, you don’t have to worry too much. Elder Liu and his team will be fine. Even if there are a few formation masters among these pharmacists, they must be doing it to better control the spiritual boat.”

“Maybe Elder Liu and his team have already subdued those pharmacists and are rushing here!”

A thin man comforted Mu Qiufeng!

“I’m not worried about those formation masters. Our spirit boat has many formations and the secrets of our Zhan Tian Fa Zong. Elder Liu and the others will be fine.”

“I’m just worried that they won’t be caught in the storm. This year’s storm is much stronger than in previous years. If they are really caught in it, I’m afraid it will be difficult to survive.”

Mu Qiufeng was not worried that Elder Liu and the others would be defeated by the pharmacists.

Even if there were a few formation masters among these pharmacists, they would definitely know that the spirit boat needs a formation master to control the spirit

formation and then provide protection for the spirit boat. Without the protection of the formation master, the spirit boat would not be able to break through the wind and waves and travel such a long distance!

These formation masters could never be the opponents of Elder Liu and the others. Mu Qiufeng was worried that Elder Liu would misjudge the power of the storm and be sucked into it!

“Sect Master, there is a boat coming...”

At this time, the disciple of Zhan Tian Fa Zong shouted!

Mu Qiufeng looked over and saw a tattered spirit boat moving towards this side. It looked like it was about to fall apart!

“Such a broken spirit boat, could it have rushed out from the storm sea?”

someone said!

“Isn’t it our Zhantian Sect’s spirit boat?”

someone else said.

“Go and have a look. Few people come here. Let’s see who these people are.”

Mu Qiufeng waved his hand and said!

As the two spirit boats kept approaching, Mu Qiufeng frowned and said, “This is not our Zhantian Sect’s spirit boat. The formation on this spirit boat is wrong.”

Even if the spirit boats are built the same, the formations that drive the spirit boats and the formations that protect the spirit boats are all different, so they can be distinguished by relying on the formations!

At this time, David, who was on the spirit boat, was also called to the deck by Chen Wenliang: “Fellow Daoist Chen, look, there is another spirit boat coming in the distance. I wonder if it is the boat of Zhan Tian Fa Zong.”

David took a look, felt the formation on the spirit boat, nodded and said: “It is the spirit boat of Zhan Tian Fa Zong...”

Chen Wenliang’s face tightened, and then said: “Then I will notify everyone to prepare for battle immediately.”

“No need for now, President Chen, take all the pharmacists to hide in the cabin, don’t expose your breath, and don’t make a sound.”

“If you can get away with it, then there is no need to fight.”

David knew that if a fight broke out, it was estimated that many of these pharmacists would die.

“Okay!” Chen Wenliang nodded!

All the pharmacists hid in the cabin, and the formation was used to hide their breath around.

David asked Gu Tianchao to take the people of Liangyi Sect, all of them stood on the deck, and went straight to the spirit boat of Zhan Tian Fa Zong!

Soon, the two spirit boats stopped face to face, dozens of meters apart!

David’s spiritual boat was tattered and looked much more shabby in front of the spiritual boat of Zhan Tian Fa Zong!

It was precisely because of this that the people of Zhan Tian Fa Zong did not recognize that this was the spiritual boat driven by Elder Liu!

Chapter 4247

David motioned Gu Tianchao to come forward and ask questions!

“Who are you? Why are you blocking our way?”

Gu Tianchao pretended not to know the identity of Mu Qiufeng and others, and asked loudly!

There was no trace of fear on Gu Tianchao’s face, but he looked a little dissatisfied!

Mu Qiufeng glanced at Gu Tianchao, frowned slightly, but still asked politely: “This Taoist friend, who are you? Why are you here? This place is thousands of miles away from the mainland.”

“What are you talking about? This place is thousands of miles away from the mainland. Why are you here too? This is not your home. I can go wherever I want!”

Gu Tianchao directly scolded Mu Qiufeng!

Mu Qiufeng was stunned, but he didn't get angry. He was sure that the people in front of him were definitely not that group of pharmacists. When the pharmacists saw him, they would probably have been scared to death.

"Daoyou, you misunderstood. That's not what I meant. I just saw that your spirit boat was seriously damaged. If you travel far, I'm afraid it won't be able to hold on."

"I think Daoyou should also be a formation master? Although your spirit boat is tattered, it is protected by several formations." Mu

Qiufeng asked!

"Yes, we are from the Liangyi Sect in the Central Region. I am Gu Tianchao, the leader of the Liangyi Sect. I originally wanted to capture some monsters on the sea by taking a spirit boat, but a storm suddenly arose and blew us to this place."

"If it weren't for our formation being relatively strong, I'm afraid this spirit boat and us would have died in the storm long ago."

"What a fu**ing broken place this is. I've seen a lot of strong winds and waves, but I've never seen such a horrible storm."

"I advise you not to go. The storm hasn't stopped yet. Be careful that you will be swept in!"

Gu Tianchao said cursing.

"So you are Master Gu of Liangyi Sect. I have heard of you. I heard that the ancestor of your Liangyi Sect knows divine patterns. It is really amazing!" When Mu Qiufeng heard about

Liangyi Sect, he immediately became polite.

Liangyi Sect is also a relatively famous existence among the formation sects!

"I didn't expect you to know our ancestor of divine patterns. Who are you?"

Gu Tianchao asked pretending to be ignorant!

"Oh, we are from Zhantian Sect. I am Mu Qiufeng, the master of Zhantian Sect."

Mu Qiufeng bowed and said!

“Zhantian Fazong?” Gu Tianchao pretended to think for a while, then said, “I heard that Zhantian Fazong was destroyed a long time ago? I haven’t heard any news about your Zhantian Fazong for many years.”

Mu Qiufeng looked embarrassed, and then explained: “We were not destroyed, but there was no place for us to settle down on the mainland, so we came from afar to live in this vast ocean.”

“Speaking of which, we have lived here for a thousand years, and now I have long forgotten what the mainland looks like.”

Gu Tianchao nodded in enlightenment, and then said: “So that’s the case. Since you have lived here for so long, you must know where there is a place to settle down nearby?”

“Our spirit boat needs to find a place to settle down and repair it...”

“Of course, there is a small island in front, we have been living there, you can go there to settle down, but I have something else to do, so I can’t take you there.” Mu Qiufeng said!

“That’s great, we can go there by ourselves, I don’t know what Master Mu has to do?”

Gu Tianchao asked casually!

But after asking, Gu Tianchao regretted it. Is there any need to ask? These people are of course going to reinforce Elder Liu!

“One of our spiritual boats encountered some difficulties, so we went to take a look. I wonder if Master Gu has seen our boat along the way?”

Mu Qiufeng asked.

Chapter 4248

“I didn’t see it. Could it be that it was caught in the storm?”

Gu Tianchao was a little panicked!

He hated himself for asking so much!

“Maybe, I’ll go and see. You can go to the island to rest first...”

Mu Qiufeng waved his hand and let Gu Tianchao and the others leave!

Gu Tianchao breathed a sigh of

relief and immediately ordered people to set up the spiritual boat to bypass Mu Qiufeng and his spiritual boat! Seeing this, many pharmacists in the cabin also secretly breathed a sigh of relief! Even

David relaxed. He had been in the cabin, maintaining the shielding formation to shield the breath of these pharmacists from being noticed!

But just with this relaxation, at the moment when the two boats intersected, Mu Qiufeng frowned!

“Master, there are still people in this spiritual boat...”

A slightly hunchbacked old man said to Mu Qiufeng!

“Master Gu, please wait a moment!” Mu Qiufeng called Gu Tianchao!

This time, Gu Tianchao’s heart rose to his throat again!

“Master Mu, is there anything else?” Gu Tianchao asked!

“Master Gu, is there anyone else in your cabin?”

Mu Qiufeng asked directly.

“No, the spirit boat is broken like this, how could there be someone else!”

Gu Tianchao shook his head!

“Humph, you still want to lie, there is obviously someone in your cabin, but you say there is no one.”

The hunchbacked old man snorted coldly, and actually jumped towards Gu Tianchao’s spirit boat!

He was about to rush into the cabin, which scared Gu Tianchao!

If this guy was allowed to enter the cabin, all the pharmacists inside would be discovered!

Just when Gu Tianchao was at a loss, a cold voice suddenly came from the cabin!

“How can you enter the place where I rest?”

As the cold voice sounded, the spiritual energy in the cabin surged wildly!

Boom!

An arrow condensed by the fire rushed out like a fire dragon, heading straight for the hunchbacked old man! The hunchbacked

old man was shocked, and his body was instantly hit by the fire, and the whole person flew out!

David, on the other hand, walked out of the cabin slowly with his hands behind his back!

David's eyes were full of contempt and coldness!

Looking at the hunchbacked old man who flew out, David waved his palm lightly, and a fire tornado formed instantly!

The sky and the earth changed color instantly, and the flames covered the sky and the sun!

The fire tornado directly rolled the hunchbacked old man into it, and then raged wildly on the sea!

Seeing this scene, everyone was stunned, especially Mu Qiufeng!

This hunchbacked old man is an elder of the Zhantian Fa Sect. How could he be dealt with by someone with the strength of the first grade of the Mahayana realm?

Moreover, David looked young, and it seemed that he was only at the sixth level of the Tribulation Realm!

A sixth-level cultivator in the Tribulation Realm beat a first-level cultivator in the Mahayana Realm without any chance to fight back, and more importantly, the other party looked very relaxed!

"Who is this guy? The fire he used was so pure, it seems that this guy's fire source has reached perfection."

Mu Qiufeng frowned and looked at David!

Being able to activate the fire with a wave of his hand, he must have realized the fire source, otherwise he would not be so skilled.

But even if he realized the fire source, a sixth-level cultivator in the Tribulation Realm should not have burst out with such power?

Just when Mu Qiufeng was puzzled, David said to Gu Tianchao with a cold face: “Gu Tianchao, how do you do things? Don’t you know that I don’t like to be disturbed?”

Seeing this, Gu Tianchao hurried forward and said: “Sir, I’m really sorry, I was careless.”

Seeing Gu Tianchao’s respect for David, Mu Qiufeng was even more confused!

Liangyi Sect is a big sect, and it is also a formation sect. The leader of such a big sect is so respectful to a small cultivator of the sixth level of the Tribulation Realm. There is only one reason, that is, David’s identity is not simple!

Chapter 4249

At this time, David inadvertently showed the token of Xiao Dynasty to Gu Tianchao, and Gu Tianchao instantly understood what it meant!

But before Gu Tianchao could speak, there was a loud bang!

The fire tornado exploded instantly, and the hunchbacked old man rushed out of the fire tornado angrily!

At this time, the hunchbacked old man was burned all over his face, and his clothes were tattered, like a beggar!

“Boy, I’m going to kill you...” The

hunchbacked old man’s eyes were scarlet, his teeth were clattering, and he punched David!

As an elder of Zhantian Sect and a first-grade cultivator of the Mahayana Realm, he was attacked by someone and was so embarrassed, which made the hunchbacked old man very angry!

David faced the attack of the hunchbacked old man, but he didn’t care at all, and there was a bit of disdain on his face!

Golden light circulated on David’s body, and the indestructible golden body began to cover David’s whole body little by little!

Seeing this scene, Mu Qiufeng was stunned!

“Elder Li, stop...”

Mu Qiufeng jumped up and stopped the hunchbacked old man directly!

“Master, don’t stop me, I must get rid of this breath today!”

The hunchbacked old man was anxious!

“Elder Li, don’t be angry first, this kid’s identity is not simple, wait until the identity is confirmed.”

Mu Qiufeng stopped the hunchbacked old man and said!

The hunchbacked old man glanced at David and found that David was already in golden armor at this time, with a stern look and contempt in his eyes!

Seeing this scene, the hunchbacked old man stopped, and he also found that David was indeed a little bit unusual!

How could a sixth-grade cultivator in the Tribulation Realm have such courage?

Unless he has a powerful family behind him!

They dare not provoke that kind of terrifying family. At that time, even if they escaped here from the Zhantian Law Sect, they would probably die!

“If you dare to provoke me again, I will peel off your skin and let you die in this sea!”

David said to the hunchbacked old man!

“You...”

The hunchbacked old man was furious when he saw David say this to him!

But he was stopped by Mu Qiufeng and couldn’t do anything!

“Calm down, this kid’s identity must be not simple, wait until I ask it out.”

“If he doesn’t have any identity, it’s not too late for you to do it.”

Mu Qiufeng persuaded the hunchbacked old man!

The hunchbacked old man could only nod. Now even if he was angry, he could only listen to Mu Qiufeng!

“This fellow Taoist, our elder was presumptuous just now, I’m really sorry.”

“I just don’t know what the identity of this fellow Taoist is? He is so young, but his temper is so big?”

Mu Qiufeng looked at David and asked!

David just glanced at Mu Qiufeng coldly, and didn’t say anything. That expression looked down on Mu Qiufeng from the bottom of his heart!

Mu Qiufeng was slightly stunned, and Gu Tianchao spoke at this time: “Master Mu, to be honest, we came to this sea area this time mainly to accompany the young master to experience it, but for safety reasons, we let the young master not come out of the cabin.”

“Oh? The person who can be called a young master by Master Gu of Liangyi Sect must be very powerful, right?”

Mu Qiufeng asked!

“Master Mu, I wonder if you have heard of the Xiao Dynasty?”

Gu Tianchao smiled slightly!

Mu Qiufeng’s face changed, and his expression became a little nervous. Then he nodded and said, “Of course I have heard of it. The Xiao Dynasty is the largest force in the Western Region Continent. Even in the Tianren Realm, the families that can compete with the Xiao Dynasty can probably be counted on one hand.”

“Hahaha, since you know the Xiao Dynasty!” Gu Tianchao laughed!

“What? Is this the prince of the Xiao Dynasty?”

Mu Qiufeng widened his eyes!

“Yes, this is the prince of the Xiao Dynasty. We are just doing things for money.” Gu Tianchao nodded!
