Chapter 4261

These flames roared out crazily, densely packed like a torrential rain!

“This guy, he actually played the ultimate fire to this extent?”

Mu Qiufeng was shocked. He didn't expect David to control the ultimate fire to this extent! As soon as

he made a move, it was actually a raging flame.

Mu Qiufeng muttered something, and his hands instantly drew a formation pattern in front of him. Then, in front of Mu Qiufeng, a formation shield appeared!

As the leader of the Zhantian Sect, Mu Qiufeng's mastery of the formation is also extremely pure and handy!

The surging flames were blocked in front of him by the shield!

The huge impact force caused Mu Qiufeng's body to retreat rapidly!

“Break...” Mu

Qiufeng shouted, and the array shield in front of him exploded instantly, following the flames, all scattered all over the sky, disappearing without a trace!

“Boy, you are only at the sixth level of the Tribulation Realm, but you have burst out with strength that is not weaker than the Mahayana Realm. You are really a genius among geniuses.”

“If it were before, I might respectfully send you away, but now, no matter how capable you are, don't even think about leaving!”

After Mu Qiufeng finished speaking, waves of red light appeared in his eyes!

With the red light flashing in Mu Qiufeng's eyes, the sea surface around the entire island began to surge with turbulent waves!

The waves rolled, and countless monsters jumped out of the sea and fled!

I saw a series of flashing array patterns rising slowly from the depths of the sea!

Countless array patterns filled the sea for dozens of miles, wrapping the entire island in it!

Seeing this, David frowned!

Such a huge formation, I don't know how many years it has been arranged in advance!

This should be the killer of Zhantian Fazong, and the formation was laid in the depths of the sea a long time ago!

Seeing the formation that suddenly rose up, Chen Wenliang and Gu Tianchao were stunned!

And those disciples of Zhantian Fazong raised their mouths, instantly left the battle, and jumped into the air!

I saw that these people from Zhantian Fazong offered their blood, which was instantly absorbed by the formation!

Soon, a formation with a radius of dozens of miles was formed, and everyone, including the people from Zhantian Fazong, was trapped in the formation!

However, these people from Zhantian Fazong did not seem to be afraid, on the contrary, they were extremely excited one by one!

"Originally, I wanted to capture those pharmacists alive, but it seems that you are going to lose the resistance, so all of you will die!"

Mu Qiufeng was immediately proud when he saw that the formation had been completed!

As Mu Qiufeng waved his palm to form a formation pattern, the formation began to start!

In the air, on the sea, and even on the island, suddenly, a series of spiritual lights shot out like dense arrow feathers!

Whoosh whoosh whoosh...

Thousands of spiritual lights went towards Chen Wenliang and his group, and each spiritual light carried a terrifying aura.

At this moment, Chen Wenliang and his group were completely panicked. How could they dodge such dense spiritual lights?

“Hurry up and lay down the defensive shield...”

Seeing this, David hurriedly shouted to Gu Tianchao.

Chen Wenliang and his pharmacists couldn't stand these spiritual lights at all, so they could only let Gu Tianchao and the people from the Liangyi Sect lay down defensive shields to resist!

Gu Tianchao hurriedly led the Liangyi Sect to lay down shields around everyone to resist the spiritual light!

A series of spiritual lights hit the shields, and Gu Tianchao and his disciples of the Liangyi Sect all showed extremely painful expressions!

It seemed that they couldn't hold on for long!

David wanted to go over to help, but countless spiritual lights were also attacking him!

“Hahaha, don't waste your energy. This formation was laid by our successive patriarchs of the Zhantian Sect over a thousand years.”

“You guys still want to resist, you are just like ants. Even if you are at the peak of the Mahayana realm, you may not be able to withstand the attack of this formation.”

Mu Qiufeng laughed and said!

Chapter 4262

Puff, puff, puff...

Gu Tianchao and the others couldn't bear it anymore. Some spiritual lights penetrated the shield and instantly hit the pharmacists!

Soon, some pharmacists began to be injured or died tragically. Some wanted to escape, but as soon as they left the shield, they were pierced by the thousands of spiritual lights!

David was anxious at this moment. Although the spiritual light of this formation couldn't hurt him, if it went on like this, I'm afraid that Liangyi Sect and those pharmacists would be killed or injured!

“Boy, do you want me to help you? This kind of formation, I'm afraid you can't break it with your current ability!”

At this time, the Red Cloud Demon Lord spoke!

“Senior, do you also understand the art of formation?”

David asked curiously! He

hadn't heard the Red Cloud Demon Lord say that he also understood the formation!

“I don't understand, but to break this formation, do I need to know any formation techniques?”

“I broke this formation with a slap, but I don't know if your body can withstand it.”

said the Red Cloud Demon Lord!

After David pondered for a moment, he nodded and said, “Come on, I can handle it...”

“But senior, you should also take it easy, don't rush in without caring, and hold back your strength!”

David could only fight, but he still reminded the Red Cloud Demon Lord!

If the Red Cloud Demon Lord played crazy and burst out the strength of the Heavenly Demon Lord all at once, his body would not be able to withstand it 100%!

“Don't worry, I still need you to help me collect bones, I won't let your soul fly away.”

After the Red Cloud Demon Lord finished speaking, he instantly controlled David's body!

In an instant, David's eyes began to become extremely dark, and the indestructible golden body on his body slowly dissipated, but was replaced by a layer of black mist that seemed to be there and not there!

David was wrapped in black mist, and the whole person looked like a bloody demon!

As David raised his palm lightly, the demonic energy in the sky began to spread out, and then surged forward!

Everyone was dumbfounded when they saw David like this ! Especially Mu Qiufeng, his eyes widened and he said, “How can this guy also be a demon cultivator? Then he must not be the prince of the Xiao Dynasty.”

Countless spiritual lights hit David, but David did not react at all. And the demonic energy that was surging out turned into a huge fist and flew into the sky! Boom!

The huge fist transformed by the demonic energy hit the formation fiercely! The formation was turbulent, and the radiant spiritual light began to attack aimlessly! Even the people of Zhantian Fazong were attacked by the spiritual light!

This time, the people of Zhantian Fazong had to use the formation shield to form protection! Boom! There was another loud noise, and the formation shattered directly, and countless formation patterns began to fall into the sea!

“What? It’s so easy to break our formation?” Mu Qiufeng was going crazy. This was the formation that their successive patriarchs of the Zhantian Sect had spent a thousand years to lay!

It was for the purpose of using this formation to turn the tide of the battle when the Zhantian Sect was facing life and death. But before the battle was reversed, the formation was broken by a punch!

Just now he was still bragging, saying that it was useless even at the peak of the Mahayana Realm, and David was only at the sixth level of the Crossing Tribulation Realm, but he broke the formation!

Chen Wenliang and the others were also looking at David in shock. They suddenly realized that the aura on David’s body had changed and became very strange!

Especially Liu Ruyan, she was very familiar with David and often slept together, but the current David made her feel scary and strange! She was sure that the David in front of her was definitely not the David just now!

“You ignorant children, being able to die in my hands is the blessing you have cultivated for ten lifetimes!” David looked at Mu Qiufeng and others and shouted coldly! Mu Qiufeng looked at David.

He could conclude that David’s soul had definitely been replaced by someone else, or that he was possessed by a demon soul!

Chapter 4263

No matter how powerful David is, he can’t burst out such a breath!

This breath directly made Mu Qiufeng feel despair. This is a breath he has never felt before!

“Escape...”

Mu Qiufeng suddenly shouted, and then took the lead to run! Since

even the big formation was broken in the end, they had no chance of winning and relying on it. What are they waiting for now?

“Hahaha, no one has run out of the palm of my hand yet. Do you ants want to escape too?”

David laughed loudly, as if his palm gently pressed down!

The sky was filled with black fog, as if a big hand, instantly covering hundreds of miles!

No matter how fast Mu Qiufeng and the others were, it was impossible to escape hundreds of miles in an instant!

Mu Qiufeng was shocked. The sky changed color in an instant. He felt as if he was being played with in the palm of David’s hand and couldn’t escape at all!

“Senior, that’s enough. My body can’t handle your magical power!”

David hurriedly persuaded the Red Cloud Demon Lord!

Just one palm covers hundreds of miles. This kind of magical power cannot be seen in the entire Tianren Realm. Moreover, David is only a sixth-grade cultivator in the Tribulation Realm. No matter how strong his body is, he can’t stand it!

“Sorry, I almost forgot...”

The Red Cloud Demon Lord hurriedly smiled, and then took back the palm!

While taking it back, David’s body moved instantly, and those disciples of the Zhantian Law Sect who had already escaped far away screamed one by one!

The screams reached Mu Qiufeng’s ears, making him tremble all over and grit his teeth to run for his life!

But soon, he found that no matter how he ran, he seemed to be in the same place, so he looked around, only to find that he was surrounded by a circle of black mist!

Mu Qiufeng’s actions were restricted by this circle of black mist, and he couldn’t run away at all!

No matter how Mu Qiufeng attacked or what formation he used, it was useless!

In the end, Mu Qiufeng gasped and surrendered helplessly!

“Who are you? This is definitely not something that a sixth-grade cultivator in the Tribulation Realm can do. What kind of immortal are you, possessing this guy!”

Mu Qiufeng knew that David must have been deprived of his physical body, otherwise he would not have suddenly become so powerful!

It was simply a massacre. The people of Zhantian Fazong were really not as good as ants in front of David!

“Humph, just based on you, you want to know about this old man...”

“It doesn’t matter who I am. The important thing is that you are finished now...”

David returned to his original appearance and looked at Mu Qiufeng with a sneer!

Just now, the Red Cloud Demon Lord wanted to brag, but David hurriedly took his body back!

Since the formation was broken, the people of Zhantian Fazong were all dead, and only Mu Qiufeng was left, David didn’t need the Red Cloud Demon Lord!

Mu Qiufeng was slightly stunned, and he could clearly perceive the changes in David’s aura!

But even if the devil soul in David’s body disappears now, Mu Qiufeng has no chance of winning!

With so many pharmacists and a pervert like David, he has no way to escape!

What’s more, this is the vast ocean, far away from the mainland, and there is no escape!

Now Mu Qiufeng can only accept his fate!

At this time, Chen Wenliang and others also surrounded him, especially Bao Longxing and other pharmacists. Seeing that Mu Qiufeng became a prisoner, they were indignant and wanted to beat Mu Qiufeng to death!

Mu Qiufeng locked them in the dungeon. If David and others hadn’t come, then these pharmacists would become slaves in the future, and they would be enslaved without sun and moon.

“Kill him, beat this beast to death...”

“Dare to look down on us pharmacists, today we will use the strongest poison to make you die in pain!”

“Yes, poison him to death, use the Heart-Eating Pill, let him die in pain!”

Many pharmacists shouted!

Chapter 4264

“Don’t kill me, don’t kill me, as long as you let me go, I can give you all the resources of Zhantian Sect!”

Mu Qiufeng saw that these pharmacists were so angry that they wanted to poison themselves to death, and hurriedly said!

“Who are you kidding? We have searched this island several times inside and out, and there is nothing.”

“The hall of your Zhantian Sect is also empty, where are the resources!”

Chen Wenliang said coldly!

“Yes, there must be, but it is hidden with formations, so you can’t find it!”

“Our Zhantian Sect has been here for a thousand years, how could there be no resources!”

Mu Qiufeng hurriedly said!

When everyone heard it, they also felt that what Mu Qiufeng said was right. After all, Zhantian Sect has been here for a long time! And

when searching, it was Chen Wenliang who led the pharmacists to search, and David led Gu Tianchao to set up the formation. If there was a hidden formation to hide the resources, Chen Wenliang and his team would not be able to find it!

“Take us there, if you dare to play tricks, you will die miserably!”

David decided to let Mu Qiufeng take them to see what resources the Zhantian Sect has!

“No, no...”

Mu Qiufeng nodded hurriedly.

Then, under the escort of everyone, Mu Qiufeng went to the main hall of the Zhantian Sect!

The main hall of the Zhantian Sect is not particularly luxurious. After all, it is far away from the mainland, and all the materials are self-sufficient on the island. So it is already very good to be able to make the main hall like this!

After entering the main hall, David instantly sensed the fluctuations of the formation. It seems that there is really a formation in this hall!

Mu Qiufeng was muttering something, and he waved his hand gently. A door appeared on a wall that was originally empty!

And there were many restrictions around the door!

Mu Qiufeng opened the restrictions one by one, and with the last restriction opened, the door slowly opened! Seeing

the door opened, many pharmacists were about to rush in! After all, those who rushed in first can get more resources! "Stop, no one is allowed to move, let Chen Daoyou go in first..."

"We can live now, all thanks to Chen Daoyou and the people from Liangyi Gate. Even if there are supplies, they should take them first!" Chen Wenliang roared, and the pharmacists who were about to rush in stopped instantly, and retreated one by one with embarrassment on their faces!

David couldn't do it either, so he took Mu Qiufeng in, and Gu Tianchao and the others followed closely! When they walked into the room, they found that there were actually many beast pills stored in it, as well as a lot of fairy grass and spirit stones! The huge room was filled with piles of things.

To be able to accumulate so many resources on such a barren island, the Zhantian Sect must have accumulated them for many years! However, among these resources, a three-meter-high statue seemed out of place with these resources! David didn't understand why this statue was placed here instead of in the main hall? "Who is this statue?"

David asked Mu Qiufeng! "It's said that he was our first sect master, but I'm not very clear. Since I took over the Zhantian Sect, this statue has been here."

Mu Qiufeng said truthfully! "President Chen, take your people to transport these resources away and share them with everyone, and then treat the injured Taoist friends quickly!" David said to Chen Wenliang! "Daoyou Chen, you have made the greatest contribution, and these resources should be taken by you first."

Chen Wenliang said very embarrassedly! “President Chen, don’t be polite to me, just do as I say!” David said! Seeing this, Chen Wenliang nodded, took his people to clear all the resources, and then began to distribute them! David did not leave the room, but took Mu Qiufeng with him to look at the three-meter-high statue!

Chapter 4265

David’s forehead actually began to flash red, and soon an eye appeared!

The Tianming Eye was opened, and David wanted to see what was so strange about this statue!

Zhan Tian Fa Zong couldn’t put an ordinary statue here!

At the moment when the Tianming Eye was opened, Mu Qiufeng’s body trembled slightly, and there was a bit of panic in his eyes!

Then a trace of black mist appeared in the palm of his hand, and he slapped it directly on the statue!

At the moment of contact with the statue, the statue suddenly emitted golden light, and the whole statue was flashing with array patterns!

And Mu Qiufeng was actually sucked into the body of the statue!

“Hahaha, hahaha...”

“You’ve been fooled, there is an array pattern in this statue. Now I am integrated with the statue and can be immortal.”

Mu Qiufeng laughed crazily!

Now he has merged with the statue, and with a light wave of his hand, a huge force came towards David!

David’s body was instantly blown away by a huge force!

Mu Qiufeng flew into the sky, causing the entire hall to collapse!

The huge noise made Chen Wenliang and others all look over here in shock!

They saw that the huge statue actually came to life at this moment, and flew into the sky, causing the hall to collapse!

“David...”

Liu Ruyan was the first to discover David who was blown away, so she rushed over!

Seeing this, the others didn't care about dividing any resources, and hurried towards David!

They didn't know what happened!

“David, are you okay?”

Liu Ruyan helped David up!

David had blood at the corner of his mouth, and shook his head and said, “I'm fine. I didn't expect this guy to have a trick up his sleeve!”

“Daoyou Chen, where's Mu Qiufeng?”

Chen Wenliang asked!

David pointed to the statue and said, “Mu Qiufeng has merged with the statue, and now the statue is Mu Qiufeng.”

“What?”

All the pharmacists became nervous!

“You guys destroyed my sect and killed my disciples. Today I will let you die here, all of you die here!”

Mu Qiufeng was in the air, overlooking David and the others, and said arrogantly!

“Do you think you can kill us with just a small statue?”

David pushed away the crowd, and his body also jumped up, looking at Mu Qiufeng and said!

“You know shit, this statue is made of ancient array patterns. There are tens of thousands of arrays in this statue.”

“As long as I don't leave this statue, no one can hurt me!”

Mu Qiufeng snorted coldly!

“I don’t believe it!” After David finished speaking, the fire rose from his palm, and then he waved it vigorously!

The flames all over the sky wrapped Mu Qiufeng in it!

The flames formed by the fusion of several fires were so powerful that the whole sky was reflected red by the flames!

“Hahaha, I’ve said it before, as long as I don’t leave this statue, no one can hurt me.”

“Now I’m immortal, so you don’t have to waste your energy!”

Mu Qiufeng laughed, not afraid of the fire at all!

Seeing that Mu Qiufeng was not afraid of his fire, David frowned slightly!

And Mu Qiufeng waved his palms, and a formation pattern suddenly appeared out of thin air, forming a cage, covering David!

This suddenly appeared formation cage, David actually had a familiar taste!

But he couldn’t remember for a while, who had used this formation!

David’s body retreated rapidly, and at the same time, a holy light fist was punched out, breaking the formation cage!

“Since you are not afraid of the fire, then try the power of the magic whip!”

David took out the magic whip, he knew that the most feared thing for the magic cultivator was the magic whip!

And the attack of the magic whip is not a physical attack, but a magic attack!
