Chapter 4281

“General Qian has done a great job. When he returns, he will be rewarded handsomely!”

“As for the Demon Sealing League, ignore them. As long as they dare to touch our Xiao Dynasty, they will be killed without mercy...”

Xiao Yuanshan nodded with satisfaction!

It seems that General Qian has thought carefully and is afraid that the people of the Demon Sealing League will attack Fox Emperor City again!

However, Xiao Yuanshan knows that since he wants to protect David, there will definitely be conflicts with the Demon Sealing League, but Xiao Yuanshan is not afraid!

The Demon Sealing League can develop its power to the entire Tianren Realm, and there must be masters behind it!

Xiao Yuanshan can control such a huge Xiao Dynasty in the Tianren Realm. Doesn't he have masters behind him? If

there is a large-scale conflict with the Demon Sealing League, those people in the Tianren Realm will definitely come forward!

Rumble...

At this time, a thunderbolt suddenly struck down fiercely!

The house where David was was instantly smashed to pieces. The thunderbolt hit David, but David did not move!

At the same time, above David's head, a vague figure slowly appeared. This was another David. David's True Fire Dharma Body slowly appeared from the sea of consciousness, and was also enduring the thunderbolt of heaven and earth!

This kind of thunderbolt can also make David's True Fire Dharma Body more solid. When the True Fire Dharma Body is completely solidified, David will have a real clone!

Even if the physical body is destroyed, there is no need to worry, because this True Fire Dharma Body is solidified and becomes a body with flesh and blood!

David can use the True Fire Dharma Body to revive at any time, which is equivalent to having one more life!

Boom...

Another thunderbolt struck down!

I don't know how long it has been, and I don't know how many thunderbolts have been struck down, but they didn't cause any harm to David!

You know, many cultivators have died under the thunderbolt. It is very dangerous to cross the thunderbolt. The higher the strength, the more powerful the thunderbolt!

But David looked as if this thunderbolt was just tickling him!

David slowly opened his eyes, and the True Fire Dharma Body instantly entered David's body!

"Huh, this time's thunder tribulation seems to be much easier than before!"

David himself also felt that the thunder tribulation was not so severe!

"Your True Fire Dharma Body helped you block the thunder tribulation, so of course you feel relieved."

said the Red Cloud Demon Lord!

"What? True Fire Dharma Body?" David was slightly stunned, and hurriedly looked at the True Fire Dharma Body in the sea of consciousness. He found that the originally illusory True Fire Dharma Body was actually much more solid at this moment, and he could really see some body details!

"Mr. Chen, congratulations, congratulations on your seventh level of the Tribulation Realm!"

Xiao Yuanshan walked towards David and congratulated him!

David stood up and smiled, "I just reached the seventh level of the Tribulation Realm, there is nothing to show off."

"Daoyou Chen, your seventh level of the Tribulation Realm is probably comparable to the first level of the Mahayana Realm cultivator."

Zhen Yuandao also stepped forward and said at this time!

“More than that, if Fellow Daoist Chen now meets a first-grade cultivator in the Mahayana realm, he will probably beat the shit out of him!”

Zhong Qing actually flattered David!

During this period of time, Zhong Qing did get to know David a lot better, and also saw David’s strength, so this was not flattery, but a fact!

“Emperor Xiao, how long have I been practicing?”

David asked!

After all, when practicing, one has long forgotten the time. Some cultivators have been in seclusion for years, or even decades!

David was afraid that he would practice for too long and miss the time to compete with Mu Qing. In that case, Mu Qing would definitely think that David was scared, and then the Mu family would cause trouble for Guanghan Palace!

“Mr. Chen, you have been practicing for five days. I didn’t expect that you could break through in such a short time.”

“General Qian has already taken care of the matter of Fox Emperor City, and the Feng family has been destroyed. Mr. Chen doesn’t have to worry.”

Xiao Yuanshan thought that David was worried about the matter of Fox Emperor City!

Chapter 4282

“Thank you, Emperor Xiao. Your spirit beast should be fine these days, right?”

David asked!

“It’s fine. I wonder what method Mr. Chen used to make all the spirit beasts recover?”

Xiao Yuanshan asked curiously!

Zhen Yuandao and Zhong Qing also asked curiously: “Daoyou Chen, have you found the cause of the disease? What is the disease?”

“In fact, these spirit beasts are just afraid, not sick, so we can’t find the cause at first. We just need to find the reason for their fear.”

“I also discovered by chance that the moonlight at night will cause the ground in the spirit beast yard to move abnormally, causing the spirit beast to feel fear.” “

I have dealt with it, so those spirit beasts only need to cultivate and they will be fine!”

David did not tell the matter of his getting the Fire Kirin. After all, the fewer people who know about this kind of thing, the better! As

the saying goes, a man is innocent but guilty of holding a treasure. Now David’s God King Bow dare not be shown to the world at will. If everyone knows that he has a Fire Kirin, I am afraid I don’t know how many people want to kill him! After

listening to David’s explanation, Xiao Yuanshan did not continue to ask. The spirit beast had been healed, that was enough!

“Mr. Chen, you saved my son’s life, and now you have healed so many of my spirit beasts. I hope Mr. Chen can stay in this imperial city so that I can repay Mr. Chen!”

Xiao Yuanshan tried to persuade David to stay again!

“Emperor Xiao, I’m really sorry, I still have a lot of things to deal with, I’m sorry I can’t stay in the Xiao Dynasty.”

“I have to go back, goodbye...”

David bowed to Xiao Yuanshan very embarrassedly!

“Since Mr. Chen insists on leaving, I have ordered people to prepare a large number of resources, and then Prime Minister Yu will personally escort you back!”

Xiao Yuanshan knew that David would not stay, and had prepared gifts!

David did not shirk, after all, he needed a lot of resources to practice himself, and the little fire unicorn and the little swallowing beast both needed to eat!

“Thank you!” David followed Xiao Yuanshan to express his gratitude, and then followed Zhen Yuandao and others to prepare to leave!

Just when David was about to leave, Xiao Feng suddenly appeared and stopped David!

“Mr. Chen, I have something to ask, and I hope Mr. Chen can help me.”

Xiao Feng said very respectfully!

“Prince Xiao, just tell me if you have something to say. As long as I can do it, I will definitely do my best!”

David said!

“Mr. Chen, I know you often walk in various places in the Tianren Realm. I want you to help me keep an eye on Ah Zhu and see where she went!”

Xiao Feng said!

“Ah Zhu, is that the girl you like?”

David asked!

“Yes, she has actually been living in the Western Regions, but she suddenly disappeared some time ago. I have been looking for her for many days.”

Xiao Feng’s face was filled with worry and loss!

“It’s all my fault. If I had sent people to guard Miss Azhu earlier, she wouldn’t have disappeared suddenly.”

“Don’t worry, son. I have ordered all the cities of the Xiao Dynasty to look for Miss Azhu. I believe she will be found soon.”

Xiao Yuanshan came over and comforted Xiao Feng. He was probably afraid that Xiao Feng was sick, which would be troublesome!

“Prince Xiao, I will help you keep an eye out. Once there is information about Miss Azhu, I will notify you as soon as possible.”

After David finished speaking, he took out some sound transmission jade slips and handed them to Xiao Feng!

Xiao Feng looked at David and took out a handful of sound transmission jade slips, and couldn’t help but be shocked!

After all, this thing is very expensive in the world of heaven and man. Even if he is the prince of the Xiao Dynasty, he dare not be so extravagant!

“Thank you, Mr. Chen!”

Xiao Feng took the sound transmission jade slip and bowed deeply to David!

After David said goodbye to Xiao Yuanshan and his son, he was escorted back to Yongle City by Prime Minister Yu!

Chapter 4283

David, who returned to Yongle City, did not stay long, but took Bai Qian and Huo Feng on an airship and rushed back to Fox King City!

When they parted, Grandma Zhen hugged Bai Qian and cried for a long time!

After all, the two have been together for decades. This time, Grandma Zhen reconciled with Zhong Qing and would not return to Fox King City, so she was a little sad!

However, all good things must come to an end, and it is normal for people to break up and get back together in the world!

On the way to Fox King City, Bai Qian was still in a low mood, and Huo Feng and David kept persuading her!

After a day of formation, the airship slowly landed on the outskirts of Fox King City!

Looking at the Fox King City in front of her, Bai Qian felt a little better!

“Hey, I don’t know what the Feng family has ruined my imperial city into during this period of time.”

“And I don’t know what happened to my former subordinates!” Bai

Qian sighed lightly, worrying about her subordinates!

“Don’t worry, the Feng family occupies Fox King City, it is impossible for them to kill everyone in Fox King City, we will know if we go in and take a look!”

Huo Feng said to Bai Qian softly to comfort her!

A group of four people walked towards Fox King City!

The guards at the door were all unfamiliar faces, and there was no beastman’s breath on them. They were obviously human cultivators!

David knew that these guards should be soldiers of the Xiao Dynasty!

When David and the other four walked into the city gate, several guards just took a look, but did not stop them!

This made David a little curious. These guards did not check or stop them. Could it be that they were just for show?

Bai Qian frowned slightly, stopped and walked forward to question several guards: "You guys are guarding the city gate, why don't you check people coming in and out?"

A guard looked at Bai Qian, then said coldly: "Our general has ordered that people coming in and out don't need to be checked."

"If we don't check, what if someone plotting something bad comes and makes trouble in Fox King City?"

Chapter 4284

Bai Qian was very happy that Xiao Dynasty helped to take back the mansion, but now Xiao Dynasty wanted to bring Fox King City under its control, and Bai Qian would never agree to it!

"Are you the queen of Fox King City?"

Captain Zhang looked at Bai Qian again, and then said, "You said you are the queen here, so you are? Even if you are really the queen, you have to obey our arrangements now."

"I suspect that you guys want to make trouble, so you are not allowed to enter the city. Get out immediately. You can only enter when we have the right identity!"

"Why? This is my territory?" Bai Qian was anxious!

"Just because everyone in Fox King City is from my Xiao Dynasty now." Captain Zhang raised the corner of his mouth, and then licked his lips, "You can go in if you want, as long as you two women serve me well, you can enter Fox King City at will, and I can really let you become the queen of Fox King City!"

"You..."

Bai Qian was so angry that she couldn't do it, but she didn't dare to do it, after all, the other party was from Xiao Dynasty!

"I didn't expect that there would be a scum like you among the soldiers of the Xiao Dynasty?"

David said with a cold face, and stepped forward!

“Who are you talking about? I think you want to come to Fox King City to make trouble?”

“Our general is just trying to catch a few troublemakers, and I think you are the right ones!”

“Catch them for me...”

Captain Zhang said, and in an instant more than a dozen soldiers surrounded David and his men!

David just glanced at them, without any fear on his face!

“Do you believe it or not, you will release us the same way you caught us?”

David said calmly!

“Bah, I don’t believe it, I won’t let you go, what can I do?”

“I tell you, even if you have an identity background, and you are a son of a noble family, don’t even think about showing off in front of me.”

“We in the Xiao Dynasty are not afraid of these, and I, Zhang Longhu, am even less afraid...”

Zhang Longhu’s face was full of arrogance. As a sergeant captain of the Xiao Dynasty, he had to give some face wherever he went!

The Xiao Dynasty is the best backer!

Although it can be seen that David and the others may have some family background, in Zhang Longhu’s eyes, any background is not worth mentioning!

“Afraid or not, you will know in a while!”

David smiled, and actually stretched out his hands directly for the soldiers to tie him up!

Seeing this, Ji Yun and the others did not resist and were tied up by the other party!

In this way, the four people were escorted and walked towards the main hall of Fox King City!

This used to be Bai Qian’s palace, but now entering, they have to be escorted by people, like prisoners!

In the hall, a middle-aged man with a sturdy body and squinting eyes was lying on a chair in the hall to rest!

After hearing the noise, he slowly opened his eyes!

“General, there are four guys who want to make trouble and I caught them...”

Zhang Longhu said to General Qian!

General Qian just took a look and frowned slightly, “Zhang Longhu, you are getting worse and worse. I want to take this opportunity to get some military merits. I want you to catch some people who are making trouble. At least you have to catch some powerful ones.”

“These guys are all small cultivators in the Tribulation Realm. They haven’t even exceeded the seventh level of the Tribulation Realm. Can this be considered a military merit?”

“Why don’t you catch some cultivators in the Fusion Realm for me, so that I can take credit?”

“Waste stuff, I asked you to catch some powerful ones, especially those from the Demon Sealing League. Emperor Xiao has said that if you encounter people from the Demon Sealing League looking for trouble, you should kill them first and then report!”

“Jiang family, I think these four guys are from the Demon Sealing League...”

Zhang Longhu winked at General Qian and said!

General Qian understood what he meant, sat up instantly, straightened his body and said, “What are you four guys from the Demon Sealing Alliance doing in the Demon King City? Are you dissatisfied and want to avenge the Feng family?”

Chapter 4285

“We are not from the Demon Sealing League. I am the queen of this Demon King City. How can I avenge the Feng family?”

Bai Qian hurriedly explained loudly when she heard it!

“Queen?” General Qian hurriedly stood up and looked at Bai Qian, “You said you are the queen, do you have any evidence?”

“I don’t have evidence, can you recognize me? You can find those people from Fox King City, they must know me.”

Bai Qian planned to let his former subordinates recognize me, and the identity would be confirmed!

“General, don’t listen to these guys’ nonsense, they are from the Demon Sealing League, now record it, and hand these four people over to me for disposal.”

Zhang Longhu said to General Qian!

General Qian nodded: “Okay, I will report to Emperor Xiao and say that four more people from the Demon Sealing League have been captured...”

Bai Qian was so angry that she almost cursed!

At this time, David said, “I have a token here that can prove our identity.”

“What token?”

General Qian looked at David and asked!

David’s mind moved, and the token of the Xiao Dynasty flew out directly from the storage ring!

General Qian reached out and took the token directly in his hand!

The moment he saw the token, the whole person trembled, and almost knelt down!

General Qian trembled and wanted to untie David and the others!

“Wait a minute!” David immediately stopped General Qian, and then glanced at Zhang Longhu, “Whoever tied us up, we have to untie us!”

General Qian understood what David meant, and immediately said to Zhang Longhu, “Why don’t you untie us quickly...”

“General, what are you doing...”

Zhang Longhu was confused, and didn’t understand what was wrong with General Qian!

“I fu**ing asked you to untie, are you deaf...”

General Qian kicked Zhang Longhu fiercely, and the kick was very heavy, and Zhang Longhu was kicked out directly!

Then Zhang Longhu got up and hurriedly ran to release David and the others!

“I guess you are Mr. Chen, right? I’m really sorry, we are blind, and I hope Mr. Chen won’t blame us!”

General Qian held the token with both hands respectfully and handed it back to David!

He only knew that Emperor Xiao had awarded a token to a Taoist named Chen, but he didn’t know David.

At this moment, Zhang Longhu also saw the token. When he saw that the token was awarded by Emperor Xiao himself, he knelt down with a plop!

He never thought that such a small cultivator of the seventh rank in the Tribulation Realm would have such great power that Emperor Xiao personally awarded the token!

“Mr. Chen, I was wrong. You are a great man who doesn’t remember the mistakes of the villain. I look down on people with my dog eyes.”

Zhang Longhu kowtowed desperately!

Because he knew that if David said a word now, General Qian would kill him without hesitation!

With the token in hand, it was like Emperor Xiao was here in person. General Qian had several heads and dared not go against David’s wishes!

“Mr. Chen, this bastard dared to tie you up. I will kill him and vent Mr. Chen’s anger...”

General Qian finished speaking and was about to slap Zhang Longhu with a palm!

But David made a move and grabbed General Qian’s wrist directly!

“Forget it, let him go this time!”

David said indifferently!

General Qian looked at David in shock, his face full of disbelief!

You know, he is a peak cultivator of the first rank of the Mahayana Realm, and he will soon be able to ascend to the second rank!

A casual move is not something that a cultivator of the Crossing Tribulation Realm can stop!

But David easily grabbed his wrist, making General Qian unable to move!

General Qian's eyes almost popped out of his shock!

At this moment, he finally understood why Emperor Xiao gave the token to David. It turned out that David was not as simple as they saw!

If David was just an ordinary cultivator of the Crossing Tribulation Realm, how could he have entered Xiao Yuanshan's eyes!

Chapter 4286

"Thank you, Mr. Chen, thank you, Mr. Chen..."

Zhang Longhu kowtowed to David as soon as he heard it!

General Qian also took his hand back. After all, he didn't want to kill Zhang Longhu. He was his brother for many years!

"Mr. Chen, the Fox King City has been taken back, and the Feng family has been destroyed. There haven't been any special personnel in the past two days. It should be safe!" General

Qian followed David and said!

"Thank you, General Qian..." David said lightly!

"It's my honor to work for Mr. Chen."

General Qian wiped the cold sweat from his forehead and said!

"General Qian, where are my men in the Fox King City? Why are all your soldiers along the way?"

Bai Qian asked General Qian!

"Oh, when we captured Fox King City, there weren't many beastmen in the entire Fox King City. Most of them were from the Feng Family, and some were from the Demon Sealing Alliance."

"It's probably because Fox King City was occupied, and those people ran away, or were killed by the Feng Family!"

General Qian said!

Bai Qian suddenly became depressed when she heard this. As the queen, she ran away, leaving her subordinates and people in the city. Now she didn't know how they were doing!

If they ran away, it would be better. If they were all killed, Bai Qian would not be able to forgive herself!

"Don't be sad, take your time, I believe Fox King City will still develop..."

David looked at Bai Qian's expression, hurriedly hugged her shoulders, and comforted her softly!

General Qian, who was standing aside, looked at David and Bai Qian, and instantly understood the relationship between the two, and hurriedly said: "Queen, you can find someone if you are gone. I believe there will be many beastmen who want to find a place to rest now."

"Before Fox King City develops stably, I will send people to stay in Fox King City as guards to protect the safety of Fox King City!"

Now General Qian is desperately trying to curry favor with David!

No matter how great the military achievements are, it is better to coax David at this time and let David's words in front of Emperor Xiao be effective!

"I will also order Liangyi Gate and Ziyang Gate to help. I believe that Fox King City will soon return to its peak."

David stroked Bai Qian's hair!

Now Bai Qian is David's woman, and they have feelings for each other. It is no longer the kind of transaction at the beginning!

David's current strength of the seventh level of the Tribulation Realm does not need Bai Qian to protect himself at all!

And Bai Qian's blood has also merged with David, so she doesn't need to sleep with David at all!

But now the two still maintain a relationship, that is, feelings, not an exchange of interests!

Bai Qian looked at David and nodded vigorously!

David only stayed in Fox King City for two days, and then went to Tianmo Mountain!

Ji Yun followed David, and Huo Feng was left in Fox King City!

After all, it is still very difficult for Bai Qian to develop Fox King City slowly by herself, and David is not too relieved!

David could feel more at ease with the Fire Phoenix accompanying him. After all, the Fire Phoenix had great prestige among the beastmen!

The airship sped through the air, passing through mountains and rivers, all the way to the Heavenly Demon Mountain!

David was sitting on the airship, calculating the time to compete with Mu Qing!

“Ji Yun, we are going to Nanjin City and passing by the Soul Demon Sect. Let’s stop at the Soul Demon Sect to see how Zhe Yan is doing!”

David saw that he had enough time to compete with Mu Qing, so he planned to go to the Soul Demon Sect to see Zhe Yan!

There was another thing, that is, David wanted to follow the Soul Demon Sect’s Jiang Zongzhu to inquire about the news of the Blood Bone Sect!

The Soul Demon Sect is a sect that specializes in souls and can help people reshape their bodies!

The Blood Bone Sect specializes in using human bones for cultivation. There are more or less some connections between the two sects. Maybe the Jiang Zongzhu will know the news of the Blood Bone Sect!

With the news of the Blood Bone Sect, David can find out the skeleton of the Red Cloud Demon Lord from the Blood Bone Sect. Maybe the Blood Bone Sect still has the skeleton of the Red Cloud Demon Lord!

Ji Yun nodded, then controlled the airship and slowly entered the South Region.

Chapter 4287

Soul Demon Sect!

Zhe Yan and Jiang Yulian have become a dual cultivation partner. Most of the Soul Demon Sect’s affairs are handled by Zhe Yan and Jiang Yulian!

And Sect Master Jiang is rarely free, and he practices in seclusion all day!

“Miss, there are several cultivators outside who want to see the Sect Master.”

Soul Demon Sect disciple walked into the hall and said to Jiang Yulian!

“Are they here to reshape their bodies again? Let them in!”

Jiang Yulian said!

The Soul Demon Sect is famous for reshaping the body, so many sects and families, if there are disciples whose bodies are destroyed, will come with the residual souls to reshape the body!

Soon, a red-haired old man walked in with several disciples!

Zhe Yan only took a glance and knew that these people were not here to reshape their bodies, because these people did not carry residual souls!

Zhe Yan himself has been a residual soul for such a long time, so he can tell at a glance whether there is a residual soul in the other party!

Jiang Yulian also frowned and asked: “Fellow Taoists, I wonder if you are here to reshape your body?”

“Niece, it seems that you don’t remember me. No wonder, when I left, you seemed to be holding me in your arms!”

The red-haired old man said to Jiang Yulian!

Jiang Yulian heard it and said with a puzzled look on her face: “You are...”

“My name is Di Chongjing, your father’s junior brother. I became a disciple with your father back then.”

“I wonder if your father has mentioned me to you?”

Di Chongjing asked with a smile!

When Jiang Yulian heard this, her face instantly turned ugly, but she recovered quickly and then shook her head: “I’m so sorry, my father didn’t tell me.”

“But since you are my father’s junior brother, please take a rest for a while. My father is in seclusion. Let me wake my father up and chat with Uncle Di!” “

Hahaha, I didn't expect that my senior brother is still so hardworking after so many years. Then I'll wait for him!"

Di Chongjing laughed!

"Take Uncle Di to rest, and be sure to entertain him!" Jiang Yulian ordered a disciple of the Soul Demon Sect!

Di Chongjing and the others were taken away to rest, and after seeing Di Chongjing leave, Jiang Yulian slumped down on the chair with a plop!

At this moment, Jiang Yulian was sweating profusely, and there was panic in her eyes!

"Yulian, what's wrong?"

Seeing this, Zhe Yan hurried forward to ask!

"The man just now turned out to be my father's junior brother. My father mentioned this junior brother to me."

"This junior brother of his is very cruel. He practices with human bones. It seems that he has also created a blood bone sect, sucking human blood and gnawing human bones."

"And my father used what he learned to build the Soul Demon Sect. In addition to helping people, he can also earn some resources for himself."

"Because the two people have different ideas, my father never interacted with this junior brother. I didn't expect him to come to our house." "

I don't know what his intentions are. My father is in seclusion at this time. I'm afraid we can't deal with it!"

Jiang Yulian explained in detail with Zhe Yan!

Zhe Yan was also shocked when he heard it!

Just now, Di Chongjing can be seen at a glance that he is a master of the Mahayana realm. This kind of master is difficult for their Soul Demon Sect to deal with!

Even if the leader Jiang comes out of seclusion, plus the many disciples of the Soul Demon Sect, it is not a simple matter to defeat Di Chongjing and the other cultivators!

"Let's wake up father first. We can't let him stay in seclusion anymore. If the Soul Demon Sect is gone, it will be useless for father to stay in seclusion."

Zhe Yan also thought about waking up Sect Master Jiang first and then discussing countermeasures!

Zhe Yan and Jiang Yulian have become a dual cultivation partner, so the name has changed!

“Okay, let’s go wake up father and see what ideas he has.”

Jiang Yulian followed Zhe Yan to the place where Sect Master Jiang practiced!

Chapter 4288

After waking up Sect Master Jiang, Jiang Yulian told Sect Master Jiang about Di Chongjing’s visit!

Hearing that his junior brother had come to visit him, Sect Master Jiang frowned instantly!

His expression became gloomy, and there was a bit of panic in his eyes!

Upon seeing this, Zhe Yan said, “Father-in-law, even if your junior brother is cruel and ruthless, you are his senior brother after all. He can’t do anything to you, right? You don’t have to worry so much.”

“Hey... you don’t know, this guy is definitely here to cause trouble. Back then, his Blood Bone Sect killed living beings, which made many cultivators angry, so we joined together to fight him, including me!” “

We chased the people from the Blood Bone Sect all the way, and finally these guys fled to the territory of the Xiao Dynasty in the Western Regions, and only then escaped!” “He

suddenly comes to me now, he must be here for revenge. In his eyes, there is no such thing as a senior brother.”

“It seems that this battle is inevitable. Gather all the disciples first. If a fight really breaks out, and the situation is not right, you two just run. The farther the better!”

Sect Master Jiang instructed Zhe Yan and Jiang Yulian!

“Father, there are only a few of them. There are so many of us, so don’t be afraid.”

“If you want to escape, we will escape together. We will never leave you alone!” Jiang

Yulian shook her head and said!

“Yes, we will not leave you alone, father-in-law. If you want to leave, we will leave together!” Zhe Yan also said!

“That Di Chongjing came for me. If I leave, he will never give up. If I stay, you will have a chance to escape!”

Jiang Zongzhu said!

“Father-in-law, why don't I contact Mr. Chen? As long as Mr. Chen comes, he will definitely have a way to deal with this blood bone sect!”

Zhe Yan said, and was about to take out the sound transmission jade slip to contact David!

“No need. Even if we contact Mr. Chen, he has a long way to go. By the time we get there, Di Chongjing will have already run away.”

“You two will act according to circumstances later...”

After Jiang Zongzhu finished speaking, he walked out of the room to meet Di Chongjing!

Zhe Yan and Jiang Yulian followed behind him, and the other disciples of the Soul Demon Sect were also summoned!

Before Jiang Zongzhu and his friends arrived at Di Chongjing's resting room, Di Chongjing had already noticed it, and then led people out!

“Brother, I haven't seen you for many years. I hope you are well...”

Di Chongjing looked at Jiang Zongzhu and said with a fake smile!

“Junior brother, I'm afraid you are the strongest among all the brothers!”

Seeing Di Chongjing's strength, Jiang Zongzhu was even more panicked!

He was only in the ninth level of the Tribulation Realm, while the other party was already at the peak of the first level of the Mahayana Realm. This gap in realm could not be made up by the number of people!

What's more, the people brought by Di Chongjing were all in the Tribulation Realm, and their strength was much higher than that of the disciples of the Soul Demon Sect!

“Brother, you don't have to flatter me so much. If you hadn't joined forces with everyone to hunt me down, my strength would be even higher than it is now.”

“It’s just that you haven’t made any progress in so many years, and you’re still in the Tribulation Realm. It’s really embarrassing for our master!”

As soon as Di Chongjing opened his mouth, he directly mentioned what happened back then. Sect Master Jiang knew that today might not end well!

“Brother, when we left our master, he told us not to kill innocent people indiscriminately.”

“Although we are demon cultivators, many people are prejudiced against us, and even have malice towards us, but we can’t give up on ourselves. We must regain the dignity of demon cultivators.”

“We follow other cultivators, but the methods of cultivation are different, and there is no essential difference.”

“But you suck human blood and gnaw human bones, which is no different from the devil. I have no choice but to enforce justice on behalf of the heavens!”

Sect Master Jiang could only express his own difficulties!

Chapter 4289

If Di Chongjing didn’t do this, Sect Master Jiang wouldn’t have been able to unite with everyone to hunt him down!

“Shut up, you keep saying you’re doing justice for the heavens, but do you know what the heavens are?” “Do

n’t pretend to be merciful. Haven’t you ever killed anyone or plundered resources?”

“In a place like the Heaven Realm, you’re telling me you’re doing justice for the heavens? It’s a joke.”

“Is there a heaven in the Heaven Realm? This is hell, a hell that makes us kill each other!”

“I’m telling you the truth, I’m here today to avenge the past, I want to use your blood and bones to improve my strength.”

Di Chongjing stopped pretending, and yelled at Sect Master Jiang in anger!

“Junior brother, I can donate my blood and bones, as long as you are willing to bypass everyone in my Soul Demon Sect!”

Sect Master Jiang knew that if they fought, their Soul Demon Sect would be destroyed!

If he is sacrificed now to save the Soul Demon Sect, he is willing to do so!

“Father...”

“Father-in-law...”

“Sect Master...”

Jiang Yulian, Zhe Yan and many Soul Demon Sect disciples all looked at Master Jiang in shock!

Master Jiang’s selfless spirit moved everyone very much!

“Brother, since you and I are from the same sect, I should agree to your request.”

“It’s a pity that all these people under me also need to practice and need resources, and your disciples of the Soul Demon Sect are the best resources.”

“So I can’t agree to you, none of you Soul Demon Sect can stay, all must die...”

Di Chongjing’s eyes were cold and cruel!

“You...”

Master Jiang was stunned, his eyes full of anger “Di Chongjing, if you force me, our Soul Demon Sect will fight to the death, and it’s not easy to mess with.”

“Hahaha, I’m going to force you, what can you do? I can crush you to death with just one finger!”

Di Chongjing smiled coldly, he looked down on Master Jiang at all!

Sect Master Jiang looked at Di Chongjing and knew that this guy would not have room for negotiation, so he gritted his teeth and said, “Everyone in the Soul Demon Sect, listen to my order, fight with these people from the Blood Bone Sect. Even if you die, you can’t let them suck your blood and gnaw your bones.”

Sect Master Jiang roared and attacked Di Chongjing directly!

To deal with someone like Di Chongjing who is stronger than you, you must take the initiative and catch him by surprise!

As soon as he attacked, Sect Master Jiang used all his strength and the shocking spiritual energy to go towards Di Chongjing!

The other people in the Soul Demon Sect also attacked at the same time!

Anyway, they were going to die anyway, so everyone in the Soul Demon Sect burst out with the strongest fighting power!

Boom boom boom...

For a while, there was a constant roar in the Soul Demon Sect, and the earth was shaking!

The spiritual energy was like a wave, spreading around one wave after another!

However, the disciples of the Soul Demon Sect were weaker after all, and soon some of them fell to the ground seriously injured!

The people from the Blood Bone Sect did not kill them, because if these people died, they could not be used as cultivation resources!

Only when you are alive, the blood and bones on your body are of the most useful value!

However, it is different for those fallen immortals. Even if those immortals have been dead for a long time, their immortal bones are of extremely high value!

Jiang Zongzhu opened his eyes wide and kept attacking Di Chongjing. Every time he attacked, he was extremely cruel!

Unfortunately, every time he was easily dodged by Di Chongjing!

Di Chongjing was just playing with Jiang Zongzhu at this moment. He didn't want to kill him. He just kept dodging, making Jiang Zongzhu being played with like a monkey and confused!

However, those disciples of the Soul Demon Sect fell one by one and were seriously injured!

Zhe Yan tried his best, and flames went towards those disciples of the Blood Bone Sect!

It's a pity that Zhe Yan's strength is too low. Even if the flames hit the people of the Blood Bone Sect, it would not cause too much damage!

Chapter 4290

In just over ten minutes, there were only a few disciples of the Soul Demon Sect who could stand. The others all fell to the ground, groaning in pain!

Seeing this, Sect Master Jiang gasped for air, and his heart was in great pain!

The intense consumption made it difficult for Sect Master Jiang to gather a terrifying blow at this moment. With so many disciples injured, Sect Master Jiang was anxious!

Puff!

A mouthful of blood spurted out, and the breath of Sect Master Jiang instantly declined!

“Father...”

“Father-in-law...”

Zhe Yan and Jiang Yulian hurried over and supported Sect Master Jiang!

At this moment, Sect Master Jiang’s breath became weak, and his face was full of wrinkles, as if he had aged a lot!

The rage and rapid consumption made Sect Master Jiang’s body unable to bear it and collapsed directly. Di

Chongjing, who was watching this scene, was so proud!

“Brother, you are such a wimp. I didn’t even fight back, so how come you can’t do it?”

“If you don’t kill me, then I can do it to your daughter. I have so many people under me, and they haven’t tasted the taste of dual cultivation yet.”

Di Chongjing deliberately provoked Jiang Zongzhu.

“You...”

Puff...

Jiang Zongzhu spurted out another mouthful of blood, and his breath became weaker.

“Hahaha...” Seeing this, Di Chongjing laughed wildly!

“fu** your grandma...”

Zhe Yan was angry. Jiang Yulian was his woman. Di Chongjing dared to humiliate her like this. As a man, how could he not be anxious!

I saw Zhe Yan's whole body burst into flames, and the whole person was like a fire man.

The sky was full of red flames, and then Zhe Yan rushed towards Di Chongjing desperately! Zhe

Yan wanted to use his body as a weapon and die with Di Chongjing!

Di Chongjing was stunned for a moment, then sneered: "With your strength, even if you self-destruct, you can't hurt me at all. In my eyes, you are just an ant."

I saw Di Chongjing waved his hand, and a blood mist spread out, instantly wrapping up Zhe Yan!

The flames on Zhe Yan's body were extinguished instantly, and then it seemed like he hit a wall, and the whole person flew out and fell heavily at Jiang Yulian's feet!

"Zhe Yan..." Jiang Yulian wanted to help him up, but she tried several times and failed.

Zhe Yan was injured, and very seriously.

After all, Di Chongjing was a master of the Mahayana realm, and it was easy to deal with Zhe Yan!

"Yulian, I'm sorry, I don't have the ability to protect you..."

Zhe Yan's face was full of guilt!

As a man, being unable to protect his woman is the most incompetent performance!

"Stop talking, stop talking. If God really wants us to die, then we will die together."

Jiang Yulian said with tears.

"Niece, I won't stop you if you want to die, but you have to let my men feel comfortable before you die."

After Di Chongjing finished speaking, he winked at his men and said, "Go ahead, don't rush, line up one by one..."

"Thank you, Sect Master!"

The guys from the Blood Bone Sect had gleaming eyes, and then went towards Jiang Yulian.

“Di Chongjing, you beast, if you have anything to do, come to me alone, I will take it all on myself, don’t attack my daughter.”

Sect Master Jiang roared, but his body couldn’t move at all.

Zhe Yan’s eyes were also spitting fire, but he was helpless.

Jiang Yulian held a long sword in her hand, looking at the guys from the Blood Bone Sect with gleaming eyes, with determination in her eyes.

Even if she died, she couldn’t let these guys from the Blood Bone Sect succeed.

“Little girl, don’t think about resisting. Just listen to me and it will be over soon with your eyes closed.”

“We promise to be gentle to you. Besides, you are not a virgin anymore, so don’t pretend to be a loyal heroine.”

“If you serve us well, we can ask the master to let you go.”

Several guys from the Blood Bone Sect persuaded Jiang Yulian.
