Chapter 4291

They were afraid that if Jiang Yulian committed suicide, they would get nothing.

“Bah, even if I die, I won’t let you succeed. I will remember you even if I become a ghost and won’t let you go.”

Jiang Yulian said viciously with eyes wide open.

“Hahaha, as a cultivator, you actually said such a thing. Do you think we will let you become a ghost?”

“Once we are done with our pleasure, we will destroy your soul and spirit and you will not even be a ghost!”

A disciple of the Blood Bone Sect laughed wildly, and then rushed towards Jiang Yulian!

“Stop...”

Suddenly, there was a roar, like thunder in the clear sky, resounding throughout the Soul Demon Sect!

Di Chongjing and many disciples of the Blood Bone Sect all looked up and found that an airship was approaching quickly!

Seeing the airship, Di Chongjing’s face instantly became a little ugly!After

all, airships are not something that any cultivator can use, and they are not something that an ordinary sect can own!

Now such a huge airship suddenly appeared, and Di Chongjing didn’t know who was on it!

If they came to the Soul Demon Sect to reshape their bodies, then it would be troublesome!

Before Di Chongjing could react, the airship slowly landed, and then two people walked down from the airship!

“Mr. Chen...”

Seeing David, Zhe Yan, Jiang Yulian and Sect Master Jiang walking down from the airship, they suddenly became excited.

And Di Chongjing smiled when he saw this.

He originally thought that there would be many people on this airship, but he didn't expect that there were only two people, and they were all in the Tribulation Realm, and the highest was no more than the seventh level of the Tribulation Realm.

This kind of little cultivator doesn't need Di Chongjing to take action, his men can do it.

David walked up to Zhe Yan, and took advantage of the situation to pull Zhe Yan up.

"Are you okay?" David asked.

"It's okay, but these guys from the Blood and Bone Sect want to defile Yu Lian, Mr. Chen must help me."

Zhe Yan said.

"People from the Blood and Bone Sect?" David was delighted, and then he looked at Di Chongjing and other people from the Blood and Bone Sect.

"Are you really from the Blood and Bone Sect?"

David asked.

"Yes, we are from the Blood and Bone Sect, who are you two? If you are not from the Soul Demon Sect, then get out immediately and don't affect us."

Di Chongjing asked David.

"You are quite arrogant. You dare to tell me to get out. Now I will let you know who I am." After

David finished speaking, he took out the token of the Xiao Dynasty!

David knew that if these people from the Blood and Bone Sect had not been rescued by the Xiao Dynasty, they would have died long ago if they had lingered on in the territory of the Xiao Dynasty.

So these people from the Blood and Bone Sect should be grateful to the Xiao Dynasty.

Di Chongjing was shocked when he saw the token in David's hand, and hurriedly became respectful and said: "So you are from the Xiao Dynasty. I don't know why you

came to the Soul Demon Sect? Is there someone in the Xiao Dynasty who wants to reshape his body?"

Di Chongjing regarded David as a person from the Xiao Dynasty. After all, the person who can get the Xiao Emperor's token is definitely not an ordinary person, and maybe he has a very high status in the Xiao Dynasty!

"I'm not here to find the Soul Demon Sect to reshape my body. I'm just passing by here and seeing my friends."

David said indifferently!

When Di Chongjing heard this, his face became a little gloomy.

And Zhe Yan and the others were confused. They didn't understand how long it had been, and David had become a person from the Xiao Dynasty. And judging from the posture of holding the token, it is estimated that his status in the Xiao Dynasty is not low!

They all know the Xiao Dynasty. It is the largest force in the Western Regions. Even in the Tianren Realm, the Xiao Dynasty is one of the best forces!

Otherwise, when the Blood Bone Sect fled to the territory of the Xiao Dynasty, Jiang Zongzhu and the others would not dare to chase them!

"Fellow Daoist, I don't know who your friends are with the Soul Demon Sect?"

Di Chongjing asked!

Chapter 4292

If David was only following a friend of someone from the Soul Demon Sect, then he could spare that person.

As for the others, Di Chongjing had no intention of letting them go!

"All the people in the Soul Demon Sect are my friends, so you'd better get out. You can't touch any of the people from the Soul Demon Sect."

David said coldly.

When Di Chongjing heard this, his eyes narrowed slightly, and there was a bit of murderous intent in his eyes.

Although David was from the Xiao Dynasty and had a high status, it was impossible for Di Chongjing to let the Soul Demon Sect go!

He had to avenge the past.

“Fellow Daoist, the Xiao Dynasty did me a favor, but I earned that favor with my immortal bones, so it can only be considered a transaction.”

“Now my Blood Bone Sect is no longer in the territory of the Xiao Dynasty. If you still use the favor from the past to pressure me, don’t blame me for not giving you face.”

“Since you are from the Xiao Dynasty, you can take one of the people from the Soul Demon Sect away, and I will never pursue the matter.”

Chongjing couldn’t let go of all the people from the Soul Demon Sect, but it would be okay if he let one go.

“Mr. Chen, take Yulian away, take Yulian away...”

Seeing this, Zhe Yan hurriedly said to David.

“Mr. Chen, I hope you can take my daughter and Zhe Yan away. As for the grievances with the Blood Bone Sect, let me repay them alone.”

Sect Master Jiang hoped that David would take Jiang Yulian and Zhe Yan away!

“Master Jiang, what hatred does your Soul Demon Sect have with the Blood Bone Sect?”

David asked in confusion!

“Hey...”

Master Jiang sighed, and then slowly began to talk!

After David finished listening, he realized that the people who chased the Blood Bone Sect back then were actually Master Jiang and his men!

After the Blood Bone Sect fled to the Xiao Dynasty, they gave up.

After so many years, the Blood Bone Sect grew stronger in the Xiao Dynasty and finally left the Xiao Dynasty.

Now they are strong and powerful, and they come to seek revenge on the Soul Demon Sect.

“What if I want to save all the people in the Soul Demon Sect?”

David looked at Di Chongjing and asked.

Di Chongjing frowned slightly, and then said coldly: “Boy, I see that you are from the Xiao Dynasty, so I will give you some face, don’t be ungrateful.”

“You are only the seventh-grade strength of the Tribulation Realm. If I kill you, I will just wave my hand. Even if you are from the Xiao Dynasty, who can know that it was me who killed you now?”

“You’d better do as I say and get out of here immediately. If I change my mind, none of you can leave.”

Di Chongjing’s threat made David’s mouth slightly raised, with a disdainful smile on his face.

A first-grade cultivator in the Mahayana Realm is so arrogant and dares to talk to him like this!

“Since I told you to get out, if you don’t, don’t blame me...” After

David finished speaking, the Dragon Slashing Sword suddenly appeared in his hand!

Then the Dragon Slashing Sword slashed along with the momentum, and in an instant, the sword light of a hundred feet slashed towards the people of the Blood Bone Sect.

This sword shocked the world and made ghosts and gods cry, the void trembled, and the world moved.

Di Chongjing frowned and retreated suddenly, while the other members of the Blood Bone Sect were unable to dodge. Some were directly cut in half, and some were seriously injured!

“What a big courage, you are looking for death...”

Di Chongjing was furious, and his aura suddenly burst out!

The remaining disciples of the Blood Bone Sect were also filled with murderous aura, glaring at David one by one!

They didn’t believe that David, a seventh-grade cultivator in the Tribulation Realm, could beat so many of them!

The disciples of the Blood Bone Sect all rushed towards David. They didn't react just now, allowing David to take the lead!

This time, they attacked together, and they didn't believe that they couldn't take David!

A seventh-grade cultivator in the Tribulation Realm, no matter how awesome he is, how awesome can he be!

"Mr. Chen, be careful..."

Seeing these people attack David, Sect Master Jiang hurriedly reminded him!

Chapter 4293

David raised the corner of his mouth slightly, flipped his palm lightly, and a ball of fire ignited in his palm, and then waved his hand casually!

The flames all over the sky directly blocked the disciples of the Blood Bone Sect. Some of the disciples of the Blood Bone Sect were stained with the fire and were burned and screamed!

Looking at the fire all over the sky, they had to retreat again!

"Boy, who are you?"

Looking at the fire all over the sky, Di Chongjing asked David!

Because he knew that no one in the Xiao Dynasty could master this kind of fire. David could use the fire so easily, so he must not be a person from the Xiao Dynasty!

As for the token in David's hand, maybe it was stolen!

"I'm your father..."

David smiled playfully at Di Chongjing!

"Boy, you are looking for death..."

Di Chongjing was furious. He was old, but David, a young boy, said that. How could he bear it!

Di Chongjing waved his palms suddenly, and a red blood mist wrapped around David!

The blood mist was everywhere, and the whole world turned red. In this red, both vision and consciousness were affected.

It was pitch dark, and the consciousness could not sense the other party. David and his friends were equivalent to being blind!

Di Chongjing sneered. David and his friends were wrapped in blood mist and became lambs to be slaughtered!

But Di Chongjing didn't notice that David's forehead began to flash, and an eye opened on David's forehead.

David opened the Tianming Eye, so even if he was wrapped in this blood mist, he could clearly see what was happening around him!

Di Chongjing didn't know that David could see it, but he walked towards David in a swagger, intending to teach David a lesson!

But Di Chongjing just walked in front of David, and before he could do anything, there was a sudden loud noise!

Bang!

Then, a whip hit Di Chongjing hard

Chongjing was stunned, and then he had a splitting headache. It was as if there were thousands of ants gnawing in his sea of consciousness!

Di Chongjing retreated desperately, then fell to the ground, and kept rolling.

The pain of the sea of consciousness being attacked made him too uncomfortable.

As Di Chongjing rolled on the ground, the blood mist slowly dissipated.

Zhe Yan and Jiang Zongzhu saw Di Chongjing rolling on the ground, and they seemed to be in great pain, and they were all confused.

There was blood mist just now, and they didn't find out what happened.

"You...you actually have a magic whip..."

Di Chongjing was helped up by his disciples, and then looked at David with horror in his eyes and said.

"You are quite knowledgeable. This magic whip is specially used to deal with magic cultivators like you."

“Does this taste good? Do you want to try it again!”

David said with a sneer, holding the magic whip in his hand.

Di Chongjing didn't say anything, but from his expression, it can be seen that he didn't want to be hit like this again!

“Boy, don't be arrogant. As a master of the Mahayana realm, if I am subdued by you, a mere seventh-grade monk in the Tribulation Realm, then I don't need to live.”

After Di Chongjing finished speaking, he turned his palm and a milky white, radiant bone flute appeared in his hand!

This bone flute is obviously made of fairy bones. It is white and smooth, more than half a meter long, and it is a human calf bone.

Moreover, there seems to be blood flowing on this bone flute, and there is a constant red glow, flashing!

“Since you want to die, then I will fulfill your wish...”

Di Chongjing held the bone flute, and his eyes were filled with murderous intent!

As Di Chongjing put the bone flute to his mouth and blew it, a humming sound emanated from the bone flute!

The sound was extremely low, like the roar of a hungry ghost in hell. After hearing it, people can't help but stand up with their hair, and their minds are also tightened!

Soon, as the sound of the bone flute continued to ring, some disciples of the Soul Demon Sect began to become manic, and their eyes were full of bloodshot!

Chapter 4294

Seeing this, David knew that the sound of the bone flute would affect people's consciousness, and then they began to go crazy!

David opened his mouth slightly, and the Qingxin Mantra kept coming out of his mouth!

As the Qingxin Mantra echoed in everyone's ears, the symptoms of madness disappeared instantly!

Seeing this, Di Chongjing widened his eyes and blew the bone flute even louder.

However, it had no effect on the disciples of the Soul Demon Sect!

It's just that the sound of the bone flute spread to the surroundings and soon spread hundreds of miles!

Rumble...

In an instant, the mountains and forests around the Soul Demon Sect seemed to be shaking like an earthquake, making loud noises! The

whole earth was shaking, and it seemed that countless monsters were rushing here from all directions!

In a moment, countless monsters, with red eyes, rushed over with a roar!

These monsters were controlled by the bone flute and lost their minds, so they rushed over like crazy!

"There are so many monsters, so scary..."

Seeing this, Ji Yun's face suddenly changed! Sect

Master Jiang and the others also opened their eyes wide, with panic on their faces!

There are hundreds of monsters, and there are also many monsters in the Tribulation Realm, densely surrounding the entire Soul Demon Sect!

No wonder Di Chongjing dared to bring a few people to run around in Tianmo Mountain and dared to cause trouble for the Soul Demon Sect!

It turns out that this guy already has means, and these monsters are his trump cards!

"Hahaha, aren't you very crazy? Why aren't you crazy now?"

Seeing that Sect Master Jiang and others were all panicked, Di Chongjing laughed!

"Di Chongjing, did you steal this magic flute from Master?"

Sect Master Jiang saw that Di Chongjing had such a treasure in his hand, so he questioned!

"Bullshit, I made this myself. It's made of top-grade immortal bones, and it's amazing."

“And this immortal bone should be from a demon cultivator, because there’s magic in this sound.”

“It’s a pity that you hunted me down and let me live in the Xiao Dynasty, and gave that Emperor Xiao a piece of immortal bone, otherwise I wouldn’t have more than one bone flute in my hand.” When

Di Chongjing mentioned what happened back then, his eyes were full of anger!

The other disciples of the Blood Bone Sect were all excited when they saw the monsters around them, waiting to watch the fun!

“Damn, this guy made a flute out of my bones.”

“Boy, give me your body right now, I’m going to chop this grandson into pieces!”

The Red Cloud Demon Lord roared in David’s sea of consciousness!

When he took out the bone flute just now, the Red Cloud Demon Lord was a little skeptical. Now that Di Chongjing said this, the bone flute must be made of his own bones!

“Senior, don’t worry. I can deal with this guy. You are not needed.”

“Even if the bones are made into a flute, it can’t prevent you from recovering your body. Don’t be angry. Being angry can easily hurt your mind.”

David hurriedly persuaded David!

“Boy, you must not let this grandson die too easily. Torture him for me...”

“Dare to use my bones to make a flute, it’s simply unreasonable!”

The Red Cloud Demon Lord roared!

“No problem, senior, you can do it!”

David comforted the Red Cloud Demon Lord. If this guy really went crazy and competed with himself for control of the body, then Di Chongjing would find an opportunity!

After comforting the Red Cloud Demon Lord, David looked at Di Chongjing calmly and said, “Do you expect these monsters to deal with us? What a joke!”

“Boy, your whip is useful to our demon clan, but if you want to deal with these monsters, it’s wishful thinking!”

After Di Chongjing finished speaking, he blew the bone flute again!

These monsters roared like crazy under the urging of the bone flute, and waves of red light continued to radiate from the bone flute!

Chapter 4295

There were more and more monsters, densely packed and black!

With Di Chongjing's urging, all these monsters rushed towards David!

This scared Jiang Zongzhu and others, and they were ready to fight to the death with these monsters!

David said, "Jiang Zongzhu, don't be afraid, don't do anything, let me deal with all the monsters."

After David finished speaking, his body began to emit golden light!

David wanted to use the power of the dragon to make the golden dragon appear, so that he could suppress these monsters!

But just before he was about to use it, David suddenly thought of the fire unicorn he had subdued!

Although the fire unicorn is still very weak now, it is a beast of the heaven after all, and it is not comparable to these monsters in the heavenly world!

Thinking of this, David waved his hand, and the little fire unicorn appeared instantly from the storage ring!

With the appearance of the little fire unicorn, a strange pressure suddenly broke out!
The

breath that burst out from the little fire unicorn directly stopped the violent monsters!

You know, the little fire unicorn is a divine beast, and the monsters' fear of divine beasts is engraved in their bones!

The breath of the little fire unicorn was instantly released and surged around!

All the violent monsters felt the breath of the little fire unicorn, and they stopped one by one. The blood-red color in their eyes had long disappeared, but was replaced by fear!

Di Chongjing and others were all stunned when they saw this scene, and looked at the little fire unicorn in disbelief!

Sect Master Jiang and the others were also confused, because they had never seen such a creature!

“Ji Yun, what kind of creature is this?”

Zhe Yan asked Ji Yun!

“I don’t know either!” Ji Yun shook his head!

Although the little fire unicorn was very small, it was burning with flames all over its body. Then it began to walk slowly in front of hundreds of monsters!

Every time the little fire unicorn took a step forward, the monsters trembled all over and unconsciously took a step back!

Soon, the little fire unicorn came in front of a bear monster. This bear monster was several meters tall and weighed ten thousand pounds. Its sole alone was bigger than the little fire unicorn!

But when the little fire unicorn walked in front of the bear monster, the bear monster’s legs softened and it knelt down with a plop, then lowered its head and stuck to the ground tightly!

I saw the little fire unicorn raised his foot and kicked the bear monster’s head a few times, and then urinated on the bear monster’s face!

The bear monster was so scared that he didn’t dare to breathe!

Everyone saw this scene, in addition to being shocked, they couldn’t help but want to laugh!

Di Chongjing widened his eyes, his face full of disbelief, and then blew the bone flute desperately, but the sound of the bone flute had no effect on those monsters anymore!

“This is the monster you summoned. How come it is as cowardly as you?”

David said with a joking face!

“This... what’s going on? What kind of creature is this guy with a body on fire?”

Di Chongjing asked David!

“If you want to know what this is, I won’t tell you...”

David finished speaking and winked at the little fire unicorn!

The little fire unicorn has already recognized its master and is in tune with David, so he knew what David meant with just one look!

The little fire unicorn raised its head and roared, and a flame shot up into the sky!

Rumble...

Hundreds of monsters, no matter how big or small, no matter how strong they are, all turned around and ran away in fear!

There were also many monsters that were so scared that they peed, making the Soul Demon Sect full of urine smell!

It only took a moment for those monsters to run away without a trace!

The little fire unicorn held his head high and returned to David’s storage ring with a proud look!

Di Chongjing was going crazy, and the disciples of the Blood Bone Sect were going crazy too!

These monsters are their reliance, their trump card!
