Chapter 4316

In a very strange formation, more than a dozen monks were imprisoned. These monks were both male and female, and all of them were full of fear!

Because there were hundreds of monks imprisoned with them at the beginning, but as time went on, there were fewer and fewer people, and finally there were only a dozen of them left! During

this period of time, they also knew that these demon cultivators who caught them were all sucking human blood and gnawing human bones to practice, and they were extremely cruel!

So when they saw Tan Rongkun bringing people, these monks panicked one by one, and some kept kneeling on the ground begging for mercy, begging bitterly!

Others tried to escape, but there was no way at all, their strength was too low! And

Tan Rongkun looked at these monks in front of him, without any expression in his eyes, he didn't pity these people at all!

The world of heaven and man is a world where strength is respected!

The weak are the objects of slaughter!

"There are too few of these monks, and their cultivation is too weak. We must capture some monks and bring them back. Otherwise, if we affect the senior brother's retreat, we will be guilty of a great sin!"

Tan Rongkun said with a worried face!

"Second brother, I will take people to capture some monks and bring them back. If it doesn't work, I will go to the foot of the mountain and destroy some small sects, so that I can get a large number of monks."

Di Chongjing said!

"No, unless it is absolutely necessary, we must not go to the foot of the mountain to capture people. If we do this, it will cause panic and make many sects unite to deal with us. Wouldn't it be a repeat of many years of mistakes?"

“You should take people to the deep mountains of Tianmo Mountain to capture some monks. This time, there will be a fight in Nanjin City, and many monks will go to Nanjin City to watch and bet.”

“Now it is estimated that many monks have begun to return, and some people should enter the depths of Tianmo Mountain. You can lead people to kill them halfway!”

Tan Rongkun exhorted Di Chongjing!

If they go to capture people wantonly, it will definitely cause panic, and it will also cause many sects to unite against them!

Tan Rongkun didn't want this to happen, which is why Tan Rongkun went to the Mu family to help trick a group of monks up the mountain!

As long as they get here, these monks will be lambs to be slaughtered!

But who knew that this would happen, and the Mu family would no longer send monks to the Blood Bone Gate!

“I understand, I'll take people to ambush!”

Di Chongjing nodded, and then took people away!

David and the others were being led by Jiang Zongzhu to the place where the Blood Bone Gate was!

“Mr. Chen, it is estimated that the Blood Bone Gate is not far away. I can clearly sense the evil spirit.”

“These guys must have killed a lot of people and piled up the bones around!”

Jiang Zongzhu knew Di Chongjing and others, so he followed David and said!

“I also noticed that although this evil spirit is very faint, I can clearly feel it.”

“The direction we are looking for should be correct, but the distance is estimated to be still very far!”

David also sensed the evil spirit!

But just after David finished speaking, he suddenly frowned slightly, because he noticed that more than a dozen auras were coming towards him!

And these auras were not weak, and there were masters of the Mahayana realm!

David didn't understand, how could so many cultivators suddenly appear in the depths of Tianmo Mountain?

As David's consciousness continued to spread, he soon discovered that Di Chongjing was among them!

He had fought with Di Chongjing, so of course he knew the aura of this guy!

"The people from the Blood Bone Sect are coming here!"

David said!

"Mr. Chen, is it that guy Di Chongjing? I didn't expect him to escape, not hide well, and dare to wander around in Tianmo Mountain!"

Sect Master Jiang was a little confused. This Di Chongjing was too courageous. He almost died, and he didn't stop for a while!

Chapter 4317

"That's him!" David nodded: "Let's hide first and see what this guy is going to do!"

"Palace Master, you take the Guanghan Palace Saint and continue to move forward, pretending that you know nothing, I will hide with Jiang Zongzhu."

"If Di Chongjing finds us, he will probably turn around and run away..."

David decided to let the people of Guanghan Palace lure Di Chongjing to show up, he wanted to see what Di Chongjing was going to do!

"Okay." The Palace Master of Guanghan Palace nodded! Chen

Ping used the formation to shield the breath of him and Jiang Zongzhu and others, so as not to be detected by Di Chongjing and others, and then let the Palace Master of Guanghan Palace continue to move forward with many saints!

"Master, there seems to be someone in front, and there are quite a few..."

At this time, a disciple next to Di Chongjing said!

Di Chongjing closed his eyes slightly, then slowly opened them and said, "This group of cultivators are quite strong, and there is even a Mahayana master among them. Cheer

up. If we catch these people, we will have the resources for cultivation for our senior brother!”

After that, Di Chongjing led people to quickly approach the Palace Master of Guanghan Palace and the others!

The Palace Master of Guanghan Palace has never restrained her aura, and she deliberately let Di Chongjing and others notice it!

“Stop, who are you? Why did you run here?”

Soon, Di Chongjing led people to meet the Palace Master of Guanghan Palace and the others, and then asked loudly!

When the Palace Master of Guanghan Palace saw Di Chongjing and the others, he was slightly stunned, and then said, “Who are you? This Tianmo Mountain is not your home, I will go wherever I want...” The Palace

Master of Guanghan Palace knew the details of Di Chongjing and the others, so she was not polite at all!

“Hey, you are a female cultivator, but you are quite crazy...”

Di Chongjing didn't expect the Palace Master of Guanghan Palace to be so crazy, and seemed a little surprised!

“Master, these female cultivators are so pretty, don't waste your time talking to them, just capture them and let us have some fun.”

“When we have enough fun, we will send Master Uncle to practice. Anyway, it won't affect anything...”

A disciple of the Blood and Bone Sect said while licking his lips!

Many people were about to drool. Their Blood and Bone Sect used to hide here and there, and now they are entrenched in the depths of the Demon Mountain, rarely running around!

There are very few female cultivators they have seen, let alone sleeping with them!

“You useless thing, you only think about women all day long!”

Di Chongjing glared, then looked at the Palace Master of Guanghan Palace and raised the corner of his mouth and said, “Sister, since you have met us, it is fate. Let me tell you, this is our territory. If you want to pass through here, you have to pay a price.”

“Your territory? Is your family’s name written on it?”

The Palace Master of Guanghan Palace snorted coldly!

“Little girl, why are you talking to our sect master? Let me tell you, this area of hundreds of miles is the territory of our Blood Bone Sect.”

“This is the sect master of our Blood Bone Sect. If you don’t behave, I will eat you all...”

A disciple of the Blood Bone Sect said ferociously!

“Blood Bone Sect?” The Palace Master of Guanghan Palace was stunned, then shook his head and said, “I haven’t heard of it. It must be a sect that steals chickens and dogs. It’s not famous!”

“What? You dare to say that our Blood Bone Sect is not famous?”

Di Chongjing was instantly angry. In order to hunt down their Blood Bone Sect, the cultivators of the Tianmo Mountain generation united many people!

Who didn’t know their Blood Bone Sect back then, and trembled all over when talking about the Blood Bone Sect!

Although the Blood Bone Sect is much more low-key now, it is impossible for it to be unfamous!

But what the Palace Master of Guanghan Palace said is indeed true. She doesn’t know what the Blood Bone Sect is!

After all, Guanghan Palace has existed for many times longer than the Blood Bone Sect!

Chapter 4318

It’s not famous, it’s not famous, why can’t you say it?”

The Palace Master of Guanghan Palace said jokingly!

Di Chongjing was full of anger, frowned, stared at the Palace Master of Guanghan Palace and asked: “Who are you? You don’t even know our Xuegu Sect?”

“Have you heard of Guanghan Palace?”

The Palace Master of Guanghan Palace asked!

“Guanghan Palace?” Di Chongjing was stunned, then nodded: “I have heard of it. It is the sect that was established not long ago at the southernmost part of Tianmo Mountain.”

“Are you from Guanghan Palace?”

“Yes, I am the Palace Master of Guanghan Palace.” The Palace Master of Guanghan Palace nodded!

“Guanghan Palace is thousands of miles away from here, and most of it is a mountainous area, and there are monsters rampant. What are you doing here?”

Di Chongjing didn't understand. Guanghan Palace is at the southernmost part of Tianmo Mountain. Why did he come here!

“That's none of your business. I'll go wherever I want...”

The Palace Master of Guanghan Palace sneered!

Looking at Guanghan Palace's fearless look, Di Chongjing hesitated for a moment, then waved his hand and said, “Okay, go ahead...”

The Palace Master of Guanghan Palace was stunned and asked, “Didn't you say this is your territory?

You won't stop us?” “No, go ahead!” Di Chongjing shook his head!

“Master, they...”

The disciples of the Blood Bone Sect on the side were anxious!

So many beautiful female cultivators, if they were let go, it would be hard to find them in the future!

“Shut up!” Di Chongjing glared at him, then lowered his voice and said, “I've heard about Guanghan Palace a long time

ago. It's very powerful, and everyone knows ice-related skills. Maybe we can all be frozen into little ice men.” “And I think the strength of the Palace Master of Guanghan Palace is not worse than mine. If we really fight, I don't know who will win or lose. Let them go first, and wait until we go back to find the second brother to make plans!”

It turned out that when Di Chongjing heard that they were from Guanghan Palace, he was a little scared. Don't let them lose more than they gain, that would be troublesome!

Simply let these people from Guanghan Palace go, and discuss what to do after contacting Tan Rongkun! When

the Palace Master of Guanghan Palace saw that Di Chongjing was going to let them go, she was a little at a loss for a while. She thought these guys would take action, and then David and the others would rush out and catch the other party off guard!

But who knew that when she heard that she was from Guanghan Palace, she was directly scared and wanted to let them go!

“You guys from the Blood and Bone Sect are just a bunch of cowards. We are all female cultivators, but you don’t even dare to make a move.”

“Are you scared by the reputation of our Guanghan Palace?”

The Palace Master of Guanghan Palace deliberately provoked Di Chongjing!

“fu** you...”

The Blood and Bone Sect disciple next to him was anxious and was about to make a move, but was stopped by Di Chongjing!

The more the Palace Master of Guanghan Palace provoked, the more guilty Di Chongjing felt. He always felt that the other party was deliberately looking for trouble!

Di Chongjing, who had just exploded his body and almost died, is now much more cautious!

“A good man does not fight with a woman. You go...”

Di Chongjing asked his men to make way!

The Palace Master of Guanghan Palace saw such a provocation, but this guy didn’t even make a move, and he could still bear it!

“You are too cowardly. You dare not make a move even when you are provoked like this. Have you died once and are afraid?”

Seeing that Di Chongjing was too cautious, David simply stopped hiding and walked out!

“Di Chongjing, your body recovered very quickly? Since you died once, you didn’t repent and even did highway robbery. You really embarrassed the master!”

Jiang Zongzhu looked at Di Chongjing and said with disgust!

When Di Chongjing saw David, Jiang Zongzhu and others, his face changed instantly!

He didn't expect that the people from Guanghan Palace were actually with the people from the Soul Demon Sect!

"So it was you, no wonder you wanted to provoke me to take action..."

After Di Chongjing finished speaking, he turned around and ran away, not caring about the disciples who followed him!

Chapter 4319

The disciples of the Blood Bone Sect saw Di Chongjing turn around and run away, ignoring them at all, all of them were confused!

They didn't know what was going on, and Di Chongjing ran away!

When these disciples of the Blood Bone Sect reacted, they also wanted to escape, but found that it was too late. They had been surrounded by people from the Soul Demon Sect and Guanghan Palace!

Sect Master Jiang shouted at Di Chongjing: "Di Chongjing, don't even think about escaping this time!"

Sect Master Jiang was about to chase him, but was stopped by David!

"Sect Master Jiang, let him run, we will follow behind and we can find their lair!"

"This is more convenient, saving us from searching a little bit by ourselves!"

David said to Sect Master Jiang!

"Okay!" Sect Master Jiang nodded, then looked at the disciples of the Blood Bone Sect and said, "What should we do with these people?"

David glanced at them, then said coldly, "Kill..."

As soon as David said the word "kill", the people from Guanghan Palace and Soul Demon Sect started to fight!

The disciples of the Blood Bone Sect cried like ghosts and howled like wolves, without any fighting spirit!

They were few in number, and the Sect Master had run away, so where was the fighting spirit?

In just a few minutes, the dozen or so disciples of the Blood Bone Sect had been beheaded, dead as hell!

David took the lead in chasing after Di Chongjing, and the Fire Control Step was performed. David's body flashed away as if it had crossed time and space!

Sect Master Jiang and the others followed closely behind, chasing after him along the mark left by David! After

Di Chongjing ran for a distance, he was slightly relieved to see that no one had caught up with him!

However, he also heard the screams of the disciples of the Blood Bone Sect, but at this time, no one could care about anyone else!

Di Chongjing didn't want to die again. He was lucky to escape last time. If he was caught again this time, he would definitely not be able to escape!

But just when Di Chongjing was relieved, he suddenly saw a breath approaching from behind!

Di Chongjing was shocked and looked over. He found that David was jumping towards him in space!

That

speed was so fast that it was much faster than his flying!

"Damn..."

Di Chongjing's face changed, and he used all his strength to run away!

Soon, Di Chongjing fled back to the Blood Bone Sect, and then shouted in his throat: "Second Brother, help, help..."

Tan Rongkun heard the noise and immediately led people out of the hall, just in time to see Di Chongjing's face ashen and hurried back!

"Junior brother, what's going on?" Tan Rongkun asked!

"Second Brother, it's not good, Third Brother brought people to kill, and David is among them, and there are a large number of people from Guanghan Palace."

“Now these people are coming soon, think of a way quickly...”

Di Chongjing said anxiously!

“What?”

Tan Rongkun was startled, and then ordered loudly: “Go and activate the Guard Sect Array, and don’t let these guys in!”

“Yes!”

Immediately, a disciple of the Blood Bone Sect went to activate the Guard Sect Array!

At this moment, David and his men also arrived at the Blood Bone Sect. Seeing the white bones all over the ground, many people were shocked!

How many people had to be killed to have so many skeletons!

At this moment, whether it was the Soul Demon Sect or the Guanghai Palace, they were all filled with anger, wishing to kill the people from the Blood Bone Sect immediately!

“I must kill these damn guys with my own hands, so as not to tarnish the Master’s wisdom...”

Seeing this scene, Sect Master Jiang gnashed his teeth in hatred, thinking about rushing in immediately!

But the sect protection formation was activated, and they had no way to get in. They could only enter the Blood Bone Sect after breaking the formation!

At this time, Tan Rongkun had already brought everyone here, and they looked at each other face to face across the sect protection formation!

Chapter 4320

David and his Soul Demon Sect, together with the Saintess of Guanghai Palace, have nearly a hundred people, and they are all very strong!

Especially the Palace Master of Guanghai Palace is also in the Mahayana Realm. Although David is only in the seventh level of the Tribulation Realm, his strength is obvious to all.

Sect Master Jiang is in the ninth level of the Tribulation Realm, which can be considered a master!

In this way, the strength of the Blood Bone Sect is a bit weak.

Now there are only more than 30 disciples of the Blood Bone Sect. The other disciples of the Blood Bone Sect were taken out by Di Chongjing, and none of them came back.

Looking at the lineup of David and his team, many disciples of the Blood Bone Sect began to change their faces, and some of them began to retreat!

If it weren't for Tan Rongkun and Di Chongjing, these disciples of the Blood Bone Sect would have run away long ago!

"Second brother, you followed our eldest brother and actually went along with Di Chongjing to do such a heinous thing."

"When our master passed away, he told us not to practice this kind of evil technique, but you didn't listen at all."

Sect Leader Jiang asked angrily when he saw Tan Rongkun.

"Third Junior Brother, stop pretending to be so noble. You were the most favored by Master back then, and you had the highest talent and strength. You looked down on us."

"But what about now? You are only at the ninth level of the Tribulation Realm. You can't even beat Fourth Junior Brother, let alone compare with me and Senior Brother."

"I tell you, Senior Brother is trying to reach the third level of the Mahayana Realm. When the time comes, he can take your life with just a flick of his finger."

"I advise you to take your people and get out immediately. We don't interfere with each other, and I don't want to see fellow disciples killing each other."

Tan Rongkun wanted Sect Master Jiang to take his people away!

If a fight really broke out, the Blood Bone Sect would be in danger, and their Senior Brother's closed-door practice would be disturbed and stopped!

"Humph, I will never leave. You have killed so many people. I must kill you to comfort Master's spirit in heaven."

Sect Master Jiang snorted coldly. He would never leave!

“Just relying on you people, you still want to kill us. It’s ridiculous. You can’t even think of breaking this protective formation!”

Tan Rongkun knew that there was a great array to protect the sect. It would not be so easy for David and the others to rush into the Blood Bone Gate!

Sect Master Jiang stopped talking, because he could see that this great array to protect the mountain was indeed not easy to break. Now that they were isolated outside, it was impossible for them to kill the people from the Blood Bone Gate!

“You want to stop us with this array-breaking method?”

David raised his mouth slightly!

“What? We... “

Tan Rongkun was about to mock David, but he saw David slowly stepped forward and gently pressed one hand on the great array to protect the sect!

The originally solid great array to protect the sect actually trembled slightly under David’s palm, and then spider-web-like cracks formed visible to the naked eye!

Seeing that the great array to protect the sect was about to be broken, Tan Rongkun and the others were completely stunned!

They spent a high price to invite the array master to set up this great array to protect the sect. How could it be broken so easily in David’s hands?

Could it be that this guy also knows the formation?

Seeing that the protective formation was about to be broken, Di Chongjing panicked!

“Second Brother, what should we do?”

Di Chongjing asked!

“What else can we do? We must fight with them. We must hold on. As long as the eldest brother breaks through the third level of the Mahayana realm and comes out of retreat, none of these people will survive!”

Tan Rongkun’s eyes were full of fierceness, and then he suddenly jumped up!

Seeing this, Di Chongjing and others also rushed up!

Tan Rongkun waved his palms, and blood mist filled the air. From the white bones of the Blood Bone Sect, the evil spirit continued to gather!

Soon, these evil spirits turned into four strange monsters.

These monsters are huge, and the breath on their bodies is violent!
