Chapter 4321

Monster beasts are transformed by evil spirits, so even if David takes out the divine beasts, these monster beasts will not be afraid, after all, they are not real monster beasts!

“Second Brother is mighty...”

Seeing Tan Rongkun’s means, Di Chongjing suddenly roared excitedly!

The other disciples of the Blood Bone Sect were also overjoyed, and they calmed down a lot, and they were full of murderous aura!

You must know that this is the Blood Bone Sect, their territory, and their home court!

Here, there is an endless amount of Yin Sha Qi!

At this moment, Master Jiang could no longer bear it, and the aura on his body continued to surge violently!

The moment the protective formation was broken by David, he immediately rushed up with the disciples of the Soul Demon Sect!

“Kill...”

Master Jiang led the disciples of the Soul Demon Sect and rushed up directly!

Seeing this, the Palace Master of Guanghan Palace immediately took dozens of saints to take action.

The people of the Blood Bone Sect were also eager to fight, roaring and rushing forward!

Especially the four strange monsters, roaring continuously, the entire Blood Bone Sect seemed to be trembling!

The melee was about to break out, and all kinds of raging auras between heaven and earth were stirring! Frost

fell from the sky, causing the temperature of the Blood Bone Sect to drop to the extreme. This was because everyone in Guanghan Palace used ice-based skills!

In the sky, snowflakes began to fall, and the snowflakes merged with the white bones, and it was impossible to tell them apart!

David jumped up directly and fought with Tan Rongkun!

The Palace Master of Guanghan Palace also went directly to Di Chongjing, and they fought in an instant!

Although the remaining disciples of the Blood Bone Sect had the help of four strange monsters, they were besieged by nearly a hundred monks and soon fell behind!

“Boy, you are the one who destroyed my fourth junior brother’s body, and you also killed Mu Qing. Although Mu Qing is not a disciple of our Blood Bone Sect, he also has a cooperative relationship with us.”

“Today is a good day for new and old hatreds to come together. I will take care of you...”

Tan Rongkun said while glaring at David!

“Humph, you? You saw what happened to Mu Qing. Today, you will end up like him!”

David snorted coldly!

“What a joke, how can Mu Qing compare with me!”

“In the Blood Bone Sect, even if I don’t do it, I can kill you. Don’t forget that this is my territory.”

After Tan Rongkun finished speaking, he suddenly thrust his hands under his feet!

His hands were directly inserted into the dense bones under his feet. You should know that the entire Blood Bone Sect is covered with bones, and there are even several bone mountains!

Every bone here is a person’s life!

“Come out, my dearest partner...”

Tan Rongkun shouted loudly!

I saw a blood-red breath constantly gushing out from Tan Rongkun’s body, and then it went into the bones on the ground along his palms!

Rumble...

Suddenly, the entire Blood Bone Sect trembled, as if there was a big earthquake!

This made everyone stop and look at it in surprise!

Rumble...

The loud noise was still there, the whole world was shaking, and the bone mountain not far away was also shaking, and the bones fell down!

Crack, crack, crack...

Soon, under the feet of Tan Rongkun, a crack appeared in the bones!

From the crack, a stream of cold and evil auras continued to emanate, covering the surroundings!

This evil aura was much colder than the ice-based skills of Guanghan Palace!

Boom!

A body made of bones, dozens of meters in size, crawled out of the crack!

The body of this bone giant reflected white light, and on the chest, there was a huge gem inlaid. The gem was blood red and emitted blood red light!

The head of this bone giant was also a skull, but there was a red light emanating from his eyes. This red light contained a bloodthirsty and murderous intent!

Chapter 4322

Under those bloodthirsty eyes was the gaping bloody mouth, like a bottomless abyss.

David was like an ant in front of this white bone giant!

Boom...

Suddenly, lightning kept striking in the sky, all striking on the white bone giant!

But the lightning did not cause any damage to the white bone giant, but made the breath in his body stronger and stronger!

Looking at the terrifying giant that suddenly appeared, everyone around was panicked and kept retreating!

And those disciples of the Blood Bone Sect were excited and cheered! The

breath of the white bone giant continued to burst out, and the terrifying pressure made Master Jiang and the others feel suffocated!

“David, this is the white bone giant cultivated by our Blood Bone Sect, and this white bone giant has the breath of three tribes.”

Tan Rongkun looked at David with a sneer!

Because the bones on the white bone giant are also composed of human cultivators, demon cultivators and beastmen. The Blood Bone Sect cultivates, no matter what the other party's identity is!

“Second Brother, don't talk nonsense with him, let the white bone giant tear him apart immediately!”

Di Chongjing said loudly to Tan Rongkun!

Tan Rongkun nodded, and then waved his hand: “Kill them...” As

soon as Tan Rongkun gave the order, the white bone giant looked at David, and the red light in his eyes shot directly at David!

“Mr. Chen...”

Seeing this, Sect Master Jiang and the Palace Master of Guanghan Palace suddenly panicked!

“Don't do anything, if I can't take down a mere Blood Bone Sect, don't mix in the Heavenly World anymore!”

David asked Sect Master Jiang and the others not to help anyone, he wanted to deal with the white bone giant himself!

Boom!

The white bone giant took action, and a stream of icy evil spirit spurted out of his mouth directly, rushing straight towards David!

Whoosh!

David instantly turned into a golden light and flashed away!

The icy evil spirit did not hit David, but directly froze the place where David was standing!

The cold air continued to shroud the surroundings. This icy evil spirit was much more powerful than the cold air emitted by the ice-based skills of Guanghai Palace!

Looking at the frozen place, David raised his mouth slightly: "Ice-cold evil spirit, I'm not afraid of these..."

After David finished speaking, the whole person instantly turned into a meteor and rushed towards the white-bone giant!

David held the Dragon Slashing Sword in his hand, and the sound of breaking through the air continued to sound!

Facing David, the white-bone giant directly raised his right palm, and from that right palm, a series of ice arrows shot out!

Seeing this, David did not dodge, but instantly slashed the Dragon Slashing Sword in his hand!

Boom!

The golden sword energy whistled out and collided directly with those ice arrows!

The two auras collided together, and a violent explosion sounded!

The white ice mist began to spread continuously in the explosion, directly covering David's figure!

David took advantage of this and dodged to the side in an instant, swinging the Dragon Slaying Sword in his hand again!

This sword was even more fierce than the previous one.

The sword energy slashed towards the right palm of the white bone giant, as fast as lightning!

Swish!

Everyone saw a flash of golden light, and then the right palm of the white bone giant was cut off! The

bony palm fell heavily to the ground!

The white bone giant roared and slapped David with his left palm, but David dodged it flexibly!

“Humph, this white bone giant, it’s just like this...”

David snorted coldly!

But when Tan Rongkun saw that the white bone giant had one of his palms cut off by David, he was not surprised or panicked at all, but had a bit of teasing sneer on his face!

David frowned when he saw Tan Rongkun’s expression, and then he saw that the white bone giant inserted the broken arm straight into the ground!

The ground was piled with white bones, and the bone giant inserted his broken arm into the bones!

A red light flashed, and the broken palm of the bone giant was instantly restored!

Chapter 4323

“David, I forgot to tell you that as long as the bones of our white bone giant are there, you can’t kill him. He can be reborn.”

Tan Rongkun said to David proudly!

David didn’t say anything, but there was no surprise or shock in his eyes. Even if the white bone giant could be reborn, David seemed to be absolutely sure!

As if sensing David’s disdain, the white bone giant let out a huge roar!

“Roar...”

The white bone giant roared to the sky, and the huge body made up of countless white bones exuded a chilling breath.

Its empty eye sockets flashed with green flames, and its right claw swung towards David.

“Swoosh!”

David's figure shuttled across the ground like a ghost, but the range of the white bone giant's attack was too large, and he was unable to completely avoid it.

He turned sideways, clenched his left fist, and struck the bone giant's claw arm with all his might.

"Bang!"

A powerful force burst out from David's fist, colliding with the bone giant's claw arm, making an earth-shaking sound.

The bone giant's claw arm trembled slightly due to the punch, and some fine bone fragments fell from it.

"Hmph! Today, you, the bone giant, will die here."

David said coldly, holding the Dragon Slaying Sword in his right hand, the sword body flashing with a cold light, and he stabbed the bone giant's leg with force.

"Crack!"

The Dragon Slaying Sword pierced into the bone giant's leg bone, and cracks appeared on the leg bone instantly.

"Ahh..."

The bone giant felt the pain and roared angrily.

It raised its other foot and stepped hard on David.

"Bang bang bang..."

David jumped back quickly, leaving a deep footprint on the ground every time he landed.

He pushed his feet hard, jumped up high, held the hilt of the sword with both hands, and stabbed straight at the head of the white-bone giant.

"Boom!"

When the tip of the sword touched the skull of the white-bone giant, a dazzling light burst out, and the light contained a powerful force, which blasted a big hole in the skull of the white-bone giant.

"Since you are so durable, I will give you something more powerful."

David's eyes were stern, and the spiritual power in his body began to run wildly, and a layer of light golden light appeared on his body.

"Cut!"

David waved the Dragon Slashing Sword, and a golden spiritual power wave blade rushed towards the white-bone giant.

"Boom!"

The wave blade slashed fiercely on the body of the white-bone giant, and its huge body was blasted back a few steps.

"Second Brother, if you don't attack now, when will you attack?" Di Chongjing on the side shouted coldly.

Di Chongjing formed seals with his hands and muttered something. A black shadow flew out of his hands and shot rapidly towards David's back.

At the same time, Tan Rongkun also moved. His figure flashed, like a black lightning, holding a black dagger in his hand, and stabbed towards David's side.

"Mr. Chen, be careful..."

Jiang Zongzhu and Guanghan Palace Master were shocked and warned David!

They didn't expect that Di Chongjing and Tan Rongkun would actually attack by surprise. It was simply shameless!

Jiang Zongzhu and the others also wanted to jump up and help David, but they were stopped by David with a wave of his hand!

"Humph! Do they think they can attack me by surprise like this?"

David snorted coldly. Although his attention was on the white bone giant, he had been prepared.

His body suddenly spun in the air like a spinning top.

"Dangdangdang!"

Di Chongjing's shadow attack and Tan Rongkun's dagger attack were blocked by David.

Di Chongjing and Tan Rongkun were both very surprised. They didn't expect David to react so quickly!

At this time, the white bone giant took this opportunity to attack again.

It opened its huge mouth and condensed a black energy ball in its mouth.

Chapter 4324

“Roar!”

The white-bone giant roared, and the black energy ball blasted towards David.

“It’s not that easy to hurt me.” David crossed his hands in front of his chest, and the golden light on his body became more intense.

“Indestructible golden body!”

Layers of golden scales covered David’s whole body, and the black energy ball blasted against the indestructible golden body, making a violent explosion.

“Boom boom boom...”

Although the indestructible golden body blocked the energy ball, it was also shaken to have some cracks.

“You two, since you dare to attack me, I will deal with you first.” David’s eyes flashed with a hint of murderous intent.

He flashed and rushed towards Di Chongjing and Tan Rongkun.

Chongjing and Tan Rongkun were shocked. They didn’t expect David to dare to take the initiative to attack them while facing the white-bone giant.

“Quickly!” Di Chongjing shouted, and he and Tan Rongkun hurriedly retreated.

At the same time, he ordered the bone giant to stop David.

“Roar!”

The bone giant roared again, and its body began to change.

The originally huge body became even bigger, and the bones became thicker.

Seeing this, David actually put away the Dragon Slaying Sword and clenched his fists.

“I will use my fists to break up your bone monster.”

“Bang!”

The bone giant rushed towards David, and every step it took made the earth shake violently.

David also rushed towards the bone giant. Although his figure was much smaller than that of the bone giant, the momentum he exuded was not weak at all.

“Bang bang bang...”

The fists and claws of the two collided again, making bursts of explosions.

David’s fists fell on the bone giant like raindrops, and the bone giant was not to be outdone. Its claws kept waving at David.

“Ka ka ka...”

David’s fists were so powerful that some bones of the bone giant began to break.

“Holy Light Fist!” David shouted, and all the spiritual power in his body gathered on his right fist, and he hit the chest of the bone giant hard.

“Boom!”

This punch directly blasted a big hole in the chest of the bone giant.

“Ahh...”

The bone giant roared in pain, and its body began to shake.

“It’s not over yet!” David took advantage of the victory and pursued. He flashed and jumped behind the bone giant.

He hugged the spine of the bone giant with both hands and twisted it hard.

“Crack!”

The spine of the bone giant was broken by David, and its huge body collapsed.

At the same time as the collapse, David’s body was surrounded by wind blades, which turned all the bones into powder.

In this case, no matter how capable Tan Rongkun is, this bone giant can be reborn, and there is no way to recover!

The bone giant fell, but the red spirit stone on his chest was flashing in the air!

Tan Rongkun jumped high, opened his mouth wide, and suddenly sucked the red spirit stone into his body!

“Second brother...”

Di Chongjing was shocked when he saw this, because only he knew the function of this red spirit stone!

Tan Rongkun’s chest glowed red, and the whole person was extremely ferocious!

“David, you destroyed our white bone giant, I will make you pay the price...”

Tan Rongkun raised his palm high and waved it down with all his strength!

A red light flew out from Tan Rongkun’s palm, and this light became bigger and bigger, and finally enveloped David!

The terrifying pressure kept approaching David!

David was expressionless and slowly raised his right hand!

“I can destroy your white bone giant, and I can also destroy you...”

David’s fist was wrapped in golden light!

“Holy Light Fist...”

David used the Holy Light Fist again. This is the unique skill of Fengmo, and its power is constantly increasing with David’s strength!

Chapter 4325

Boom!

When David threw this punch, the world was filled with golden light, and the golden light and the red light collided together!

The red light that Tan Rongkun burst out also instantly became dim and colorless under David’s Holy Light Fist, and was finally completely swallowed by the golden light!

David rose from the ground and quickly went towards Tan Rongkun!

“I don’t care what evil skills you use, in front of me, everything is in vain!”

David was in mid-air, with golden light blooming on his body, and the Dragon Slaying Sword appeared in his hand again!

And this time, the Dragon Slaying Sword not only exuded golden light, but also had a raging flame burning!

Spiritual power, origin power, and dragon power were all injected into the Dragon Slaying Sword by David! The

Dragon Slaying Sword made bursts of buzzing sounds, as if it couldn’t bear its bloodthirsty breath!

The Dragon Slashing Sword slashed down, and the terrifying sword energy turned into a golden dragon, roaring and rushing towards Tan Rongkun!

Feeling David’s sword, Tan Rongkun widened his eyes, and his pupils suddenly shrank!

Because the power of this sword was extremely terrifying, it was much more powerful than when David faced Mu Qing on the ring!

“Blood Spirit Escape...”

Although Tan Rongkun was a second-grade Mahayana Realm, he didn’t dare to take David’s sword at this time!

I saw a red light coming out of his chest, and then his whole body turned into a ball of blood mist and disappeared!

Swish!

David’s sword slashed directly into the air, and the void in front of him was cracked by this sword!

Everyone present could feel the power of David’s sword, as well as the monstrous murderous intent.

Di Chongjing and others were even more tense, and those disciples of the Blood Bone Sect were all shocked at this moment!

They could never have imagined that a seventh-grade cultivator in the Tribulation Realm would not take a second-grade Mahayana Realm master seriously!

also beat the opponent so hard that he dared not to parry. This was a bit too outrageous, and it also deeply impacted the cognition of the disciples of the Blood Bone Sect!

David ignored the reactions of the crowd, but turned around and looked around, looking for the trace of Tan Rongkun!

I don't know what the red spirit stone swallowed by this guy is, but it can make people disappear instantly!

However, David knew that Tan Rongkun would never have the ability to teleport in space. He should have used some kind of skill to make his body disappear!

David tried to use his spiritual sense to detect Tan Rongkun's breath, but after the investigation, David was a little surprised, because the entire Blood Bone Sect was full of Tan Rongkun's breath.

It seemed that Tan Rongkun and the white bones of the Blood Bone Sect were all integrated into one, and the specific location of Tan Rongkun could not be found at all!

"David, I said that this Blood Bone Sect is my territory, and you can't defeat me at all."

"The entire Blood Bone Sect is me, and I am also the entire Blood Bone Sect..."

Tan Rongkun's voice came from all directions, and his tone was full of ridicule and disdain!

David held the Dragon Slaying Sword and suddenly swung a sword to the left and right. The sword energy was crisscrossed and flew through the Blood Bone Gate at a high speed!

When the sword energy disappeared, Tan Rongkun did not show up.

"Hahaha, I've said it before, I am the entire Blood Bone Gate. How can you hurt me with sword energy..."

Tan Rongkun sneered!

This time, David really felt a little tricky. This Tan Rongkun did not use a shielding array to hide himself!

If it was a array, David could easily find it and then break it!

But now Tan Rongkun did not use a magic array or a space jump to escape. His aura was also spread throughout the Blood Bone Gate. There was no way to find it by aura!

“This guy used the Blood Spirit Escape, which is also a kind of heavenly practice.”

“After the war between gods and demons, it seems that there are many heavenly practices left in this world of heaven and man.”

At this time, the Red Cloud Demon Lord spoke!
