## Chapter 4326

“Senior, do you know what this Blood Spirit Escape is?”

David asked in surprise!

“I know something!” Chiyun Demon Lord nodded, and then continued: “This Blood Spirit Escape is not to make people invisible, but to turn this guy’s body into countless tiny blood drops.”

“These tiny blood drops are all around, so you will find that this guy’s breath is everywhere.”

“But this guy’s Blood Spirit Escape has not been practiced to the home, only the body is divided, and the soul is still a whole.” After

Chiyun Demon Lord finished speaking, David immediately thought of a way!

So this is the case. This is also the first time that David has encountered this kind of skill!

I saw David’s forehead suddenly flashing red, and then an extra eye appeared!

Soon, the entire Blood Bone Gate became a gray piece in David’s eyes! The

Heavenly Eye was opened by David. As long as the Heavenly Eye was opened, Tan Rongkun’s soul would not be able to hide!

At this moment, David could see countless tiny drops of blood floating in the air!

Tan Rongkun’s soul was hiding on the bone mountain not far away!

David had never thought of this, so he was fooled by this guy. If David’s consciousness spread over a larger area and searched more carefully, he would not be unable to find this guy’s soul!

At that time, he found that the world was full of Tan Rongkun’s breath, and he was a little confused, so he let this guy pretend!

At this time, Tan Rongkun felt very strange when he saw that David suddenly had an extra eye on his forehead!

But he didn't know what the Heavenly Eye was! He

just felt that the place where he was hiding seemed to be stared at, and he felt a little uncomfortable!

Before Tan Rongkun could figure it out, a sword energy suddenly attacked!

Boom!

The entire bone mountain exploded instantly, and Tan Rongkun was also instantly blown away by the sword energy!

At the moment when Tan Rongkun was thrown away, countless tiny blood drops around him began to condense!

In an instant, he became Tan Rongkun's appearance, and Tan Rongkun's soul quickly returned to his body!

Without a body, if only the soul was left, the strength would be greatly reduced. In that case, Tan Rongkun would be even less able to fight with David!

"What kind of magic did you use to discover my existence?"

Tan Rongkun stared at David and asked incredulously!

The eyes that appeared on David's forehead gave people a breathtaking feeling!

"With your little trick, it's okay to deceive others, but it's not that easy to deceive me!"

David sneered!

Tan Rongkun stared at David, then opened his hands, and the entire Blood Bone Gate shook!

Then the broken bones began to condense into a big ball between Tan Rongkun's palms!

At the same time, Tan Rongkun's chest flashed red, and then he threw the ball in his hand fiercely towards David!

David raised the corner of his mouth and clenched his right fist!

Boom!

David's fist flashed with golden light, and he punched out!

The huge golden fist shadow smashed towards the big ball!

The fist shadow rapidly enlarged in the air, and finally became as huge as the big ball!

With a deafening roar, the big ball exploded directly and turned into powder and scattered!

Whoosh!

In the midst of the powder, David suddenly rushed towards Tan Rongkun!

David was so fast that he was in front of Tan Rongkun in the blink of an eye!

Bang!

Tan Rongkun had no time to react and was hit hard by David's punch!

Tan Rongkun's body quickly flew backwards, and a bowl-sized wound appeared on his chest!

However, the wound was recovering at a speed visible to the naked eye!

"Hahaha, you can't kill me, my body can turn into thousands of blood mists, so no matter how you attack, you can't hurt me!"

Tan Rongkun laughed!

"Really?"

David saw that Tan Rongkun's body could turn into blood mist at any time, and could condense at any time. If he wanted to kill Tan Rongkun, he must first prevent him from turning into blood mist!

## **Chapter 4327**

Suddenly, a flame jumped in David's palm, but the flame was not red, nor blue, but white!

Seeing that David was going to use the ultimate fire to attack him, Tan Rongkun laughed and said, "Even if it is the ultimate fire, don't think of hurting me at all."

David ignored him, and the flame in his palm became more and more vigorous!

But the strange thing is that David's flame was rising, but the temperature around him was dropping rapidly!

The sky and the earth seemed to be frozen, and even the snowflakes that kept falling were frozen in the air at this time, motionless!

So people felt the cold and had to burst out the spiritual power in their bodies to resist the severe cold!

"What's going on? This breath is even colder than the Yinsha Qi?" i

Chongjing asked in confusion!

Tan Rongkun didn't understand where this cold air came from. It was obvious that the flame on David's palm was jumping, but he didn't feel any heat. Instead, he felt a breath that was colder than the Yin Sha Qi!

Before Tan Rongkun could react, the flame in David's hand had already slipped out of his hand!

"Since you said you are not afraid of flames, then give it a try. I hope you don't get scared away!"

David mocked Tan Rongkun!

"Humph, just a mere extreme fire, how could I be scared away!"

Tan Rongkun snorted coldly, the red light on his body flashed, and his breath continued to surge!

David was deliberately provoking this guy. As long as Tan Rongkun dared to touch the extremely cold ice flame, he would definitely be frozen!

At that time, David would be able to easily kill Tan Rongkun!

The frozen flesh would have no way to be differentiated into thousands of blood mists!

Tan Rongkun was fooled as expected. A spiritual energy gathered in his palm, and then suddenly waved towards David's extremely cold ice flame!

He planned to stop the extreme fire with one palm!

But when the extremely cold ice flame was getting closer and closer to Tan Rongkun, Tan Rongkun always felt something was wrong!

Because the coldness was getting stronger and stronger, under his feet, it was already frozen, and his feet were frozen to the ground!

But at this time, Tan Rongkun wanted to escape, but it was too late, and he could only block the extremely cold ice flame in front of him!

Boom!

The spiritual energy that Tan Rongkun slapped out instantly collided with the extremely cold ice flame!

At the moment of contact, Tan Rongkun's spiritual energy condensed into ice in an instant, and it could be clearly seen that it became an ice mist in the air!

And this icy breath, along with Tan Rongkun's spiritual energy, directly passed into his body!

Tan Rongkun trembled all over, and then his palm began to freeze!

"My hand, my hand..."

Tan Rongkun looked at his palm in surprise!

Soon, the frost spread from the palm to the body, then to the feet, and finally to the head!

Tan Rongkun was frozen until the end, his eyes were still wide open, his mouth was wide open, and his eyes were full of fear!

In the incredible eyes of everyone, David slowly walked in front of Tan Rongkun, and then gently pushed!

Boom...

Tan Rongkun's frozen body fell down, and then shattered directly into many pieces!

And at the moment when the body shattered, a black shadow rushed out quickly!

This is Tan Rongkun's soul. His body is completely finished. Tan Rongkun's soul is going to escape!

Looking at Tan Rongkun's soul that is about to escape, David waved his hand again, and this time it was a ball of red fire!

The fierce flames instantly devoured Tan Rongkun's soul!

Tan Rongkun screamed, and soon there was no sound!

Di Chongjing and the people from the Blood Bone Sect stared blankly at the scene in front of them!

These people were dumbfounded. They never expected that David would kill Tan Rongkun so quickly!

That was a cultivator of the second rank of the Mahayana realm!

“Escape back to the main hall...”

Di Chongjing reacted, and then waved his hand vigorously, rolling up gusts of wind!

Then he took the remaining disciples of the Blood Bone Sect and fled desperately towards the main hall of the Blood Bone Sect!

## **Chapter 4328**

“Don’t let them escape, kill them...”

Seeing this, Sect Master Jiang roared and led the Soul Demon Sect to kill the disciples of the Blood Bone Sect!

The Palace Master of Guanghan Palace also led the Saint of Guanghan Palace to chase and kill them!

David frowned slightly and looked carefully at the escaping Di Chongjing. This guy was only the first level of the Mahayana Realm, and he was defeated by his hands. He was obviously not his opponent. He didn’t run away, but fled to the hall!

Isn’t this a trap for them? Is there something strange in the hall or some secret passages and teleportation arrays?

Just when David was hesitating, Di Chongjing had already led people into the hall, and Sect Master Jiang and his people also led people to chase after him!

“Don’t chase, don’t enter the hall...”

Seeing this, David hurriedly reminded loudly!

But David reminded too late, Sect Master Jiang had already led the Soul Demon Sect into the hall! When

Di Chongjing saw Jiang Zongzhu rushing in with his men, his mouth corners raised and his eyes were full of pride!

“Brother, you are so stupid. You dare to chase me. Since you want me to die so much, I won’t be polite!”

After Di Chongjing finished speaking, he actually took out a token from his arms and crushed it!

As the token shattered, the hall was filled with a blood-red atmosphere!

“Di Chongjing, don’t forget that we are from the same sect. It’s impossible for you to use this blood mist against me!”

Jiang Zongzhu was not afraid at all. After all, Jiang Zongzhu also had a way to crack these blood mists!

“Hahaha, brother, you are too naive. Can you crack this blood mist?”

Di Chongjing laughed, and soon some dark green breath emerged from the blood mist, and soon Jiang Zongzhu and his men were shrouded!

Seeing this, Sect Master Jiang hurriedly took out a token and crushed it. These were all passed down by their master!

But after Sect Master Jiang’s token was crushed, the blood mist mixed with dark green aura did not dissipate!

Seeing this, Sect Master Jiang’s face suddenly changed!

“It’s so cold, too cold...”

Some disciples of the Soul Demon Sect began to tremble!

The temperature of the entire hall was rapidly dropping, and the evil spirits around were rising!

Di Chongjing and the people from the Blood Bone Sect had long disappeared. Only their voices could be heard, but no one could be seen!

“Don’t panic, let’s retreat...”

Sect Master Jiang knew that he could only retreat first. Maybe David could break through the blood mist!

But Sect Master Jiang led his people to retreat continuously, but found that he could not find an exit at all!

“Brother, don’t waste your energy. You can’t get out at all. This is the evil ghost array set up by the eldest and second brothers. It is perfect with the blood evil token given by the master. Don’t even think about escaping!”

After Di Chongjing sneered, a gloomy wind blew!

The blood mist around rolled violently, like boiling water, and began to shake continuously, and the whole void trembled!

And Master Jiang and the others felt the fear and pressure of hell!

At this moment, they all felt like they were in hell, surrounded by countless evil ghosts!

Soon, the dark green aura in the blood mist began to condense continuously, and then turned into huge ghosts!

There were dozens of ghosts, and their bodies were covered with hair, like green-haired people!

The appearance of these ghosts instantly made everyone in the Soul Demon Sect nervous!

But they couldn’t escape, so they could only face it!

“Don’t be afraid, these are just bluffs. Mr. Chen must be out there trying to save us!”

After saying this, Sect Master Jiang led the Soul Demon Sect to kill the green-haired ghosts!

But after the fight, everyone found that these ghosts were not only powerful, but also very difficult to deal with!

Full Read Online **Chapter 4329** of the novel **A Man Like None Other** for free.

## **Chapter 4329**

When attacked, these ghosts will disappear instantly, hidden in the blood mist, and then launch an unexpected attack!

In just a few rounds, several disciples of the Soul Demon Sect died in the hands of these ghosts!

“Come together, don’t attack anymore...”

Sect Master Jiang knew that they couldn’t deal with these ghosts at all, so he asked many disciples to gather together and stalemate with those ghosts! As

long as he gives some time, he believes that David can definitely rescue them!

At this time, David was looking carefully at the hall in front of him. The whole hall was quiet, and no sound could be heard. Even if he looked out, it was empty!

However, David knew that there must be a formation in this hall. The reason why he couldn’t hear or see it was entirely because of the formation! But

after finding the eye of the formation and slowly breaking the formation, David was afraid that Sect Master Jiang and the others would not be able to hold on!

So now he could only forcefully break the formation. David released his divine sense, constantly exploring the types of formations in the hall in front of him!

Even if he forcefully broke the formation, he had to understand the formation, otherwise he would not be able to break the formation, but would easily be backlashed!

“Such a strong evil spirit, these demon cultivators are good at using ghost formations, and ghosts are afraid of fire...”

David thought, and then a blazing flame rose around his body!

The colorful flames turned David into a fireman!

Several kinds of fire have been fused, and the power is much stronger than a single fire!

Slowly raising his fist, David’s fist was also wrapped in flames!

“Holy Light Fist...”

David punched out!

But this punch did not burst out spiritual power, but endless flames!

The flames engulfed the entire hall, and the entire Blood Bone Gate was roasted by the flames!

“Ah.....”

At this time, Jiang Zongzhu and others were struggling to hold on, but suddenly found that the flames broke out. These dark green ghosts, who were born afraid of flames, screamed one by one under the scorching flames, and a lot of smoke and dust came out of their bodies!

Then these ghosts retreated rapidly, and their bodies slowly melted!

“It’s Mr. Chen, it must be Mr. Chen who is helping us, follow me to kill...”

Seeing this, Jiang Zongzhu shouted excitedly!

This evil ghost formation is nothing under David’s fire!

All the people in the Soul Demon Sect were confident and began to rush towards those ghosts, one by one bravely leading!

“This... How is this possible?”

Di Chongjing was dumbfounded when he saw this scene!

You must know that this evil ghost formation is combined with the blood evil token. Even if it is a formation master, it is impossible to break this formation without three to five days!

But David actually made the evil ghost formation collapse so quickly, and all the evil ghosts fled desperately!

Originally, Di Chongjing still thought that he could rely on the evil ghost formation in the hall to subdue David and his people. Even if he couldn’t subdue them, he could always hold them back for a while!

As long as his senior brother came out of retreat, he wouldn’t have to be afraid. When the time came, he would definitely be able to kill David and his people!

But now, the evil ghost formation was about to be broken in the blink of an eye!

Boom!

With a roar and the evil ghost formation, the entire hall collapsed, and the figures of Jiang Zongzhu and his people appeared instantly!

“Kill...”

Seeing this, the Palace Master of Guanghan Palace led many saints of Guanghan Palace to kill the people of Xuegumen!

“Kill...”

Jiang Zongzhu also led the disciples of the Soul Demon Sect to kill the people of Xuegumen!

“Master, what should we do?”

Many disciples of Xuegumen were confused, looking at Di Chongjing one by one, with horror on their faces!

They are no match for Jiang Zongzhu and others. Even on their own territory, they have no advantage at all!

## Chapter 4330

Before Di Chongjing could come up with a solution, the people from both sides had already started fighting!

Soon, many disciples of the Blood Bone Sect were killed one by one!

They couldn't figure out why things turned out like this until they died!

They joined the Blood Bone Sect to improve their cultivation and make their strength grow rapidly, but now they were killed like this!

The people from the Soul Demon Sect and Guanghan Palace were so excited about killing that they were full of energy!

Especially the disciples of the Soul Demon Sect, all of them had red eyes and murderous intent, not giving the disciples of the Blood Bone Sect any chance to survive!

Many of their brothers died at the hands of the Blood Bone Sect, and now it's finally time for revenge! Chen

Ping did not make a move, but stared at Di Chongjing closely. This time he couldn't let Di Chongjing escape!

Di Chongjing looked ashen at the moment, watching his disciples fall one by one, but he had no way at all!

Now, he can only pin his hopes on his senior brother!

“Senior brother, senior brother...”

Di Chongjing gathered all his strength and suddenly shouted loudly!

Along with Di Chongjing’s roar, the largest bone mountain behind the Blood Bone Gate suddenly began to shake violently!

Countless skeletons began to fly around, and a thick evil spirit emerged from the bone mountain!

Feeling this evil spirit, Jiang Zongzhu and others all stopped and stared blankly!

Di Chongjing was surprised and shouted: “Hahaha, senior brother, it’s the senior brother who came out of retreat...”

Rumble...

The bone mountain collapsed, and a figure flew into the sky, and then landed beside Di Chongjing!

This person was dressed in a black python robe, and his whole body was shrouded in a special aura!

And under the black robe, this person’s body was actually rotten, and a foul smell came out.

“Senior brother, these people killed the second brother and destroyed the Blood Bone Gate. You must not let them go!”

Di Chongjing pointed at David and others and said!

“Big Brother, how did you become like this?”

Jiang Zongzhu stepped forward and asked the big brother in front of him!

“Junior Brother Jiang, I didn’t want to care at first, but you disturbed my practice and made me fail. You must take responsibility for this!”

Jiang Zongzhu’s big brother said in a cold voice!

“Big Brother, have you forgotten the master’s teachings before his death? Look at your current appearance. Even if you really practice to the immortal realm, it is difficult to really ascend to become an immortal.”

Jiang Zongzhu said!

“Shut up, I will definitely become an immortal, I will definitely...”

“You destroyed the Blood Bone Sect and made me fail to impact the third level of the Mahayana realm. Today I must kill you!”

After the big brother finished speaking, the black python robe on his body shattered!

Looking at the rotten body on his body and the exposed white bones, everyone was shocked.

Even Di Chongjing on the side was shocked. He didn't expect his big brother to become like this!

The eldest brother suddenly opened his mouth and sucked. All the blood bone sect monks who had just died, all emitted a black mist from their bodies and were sucked into his body!

“Death Qi, this guy actually absorbed death Qi to practice...”

At this time, the Red Cloud Demon Lord spoke!

“Death Qi?” David was slightly stunned.

“Even in the demon world, few people use death Qi to practice, because death Qi practice is a practice method that kills one thousand enemies and injures eight hundred of oneself.” “

It seems that this guy is really cruel to himself. It's not enough to suck blood and gnaw bones. He even absorbs the last breath of death Qi in the dead body.”

The Red Cloud Demon Lord exclaimed in amazement!

At this time, the rotten flesh on the eldest brother's body began to grow rapidly, and then black lines appeared on his body. Two horns grew on his head, and his mouth was full of fangs. His appearance was extremely ugly, and he couldn't see the human form at all!
