Chapter 4346

David walked towards the woman and stretched out his hand to take off the woman's mask!

After all, with such a good figure and white and smooth skin, I believe she looks very attractive!

Seeing that David was going to take off his mask, the woman was shocked. The long sword in her hand crossed the air and instantly intertwined into a sharp sword net, directly blocking David's way, and quickly retreated!

She must not let David take off his mask. This is her secret. No one knows. If she wears a mask, she can still give everyone reverie, but if the mask is taken off, she knows that David will definitely be scared!

But as the woman retreated, David just waved lightly, and the intertwined sword net was instantly chopped by David, without any obstruction to David. David's body is still approaching!

"If you get closer, I will kill you..." The

woman holding a long sword said in shock!

But David seemed not to hear it, and he had to take off the woman's mask!

The woman could only swing her sword at David, and David blocked it with the Dragon Slaying Sword!

Clang!

A crisp sound came, and the long sword in the woman's hand actually broke!

This time, the woman was completely dumbfounded. You know, the long sword in her hand is a precious sword, which can cut iron like mud. Now it is broken?

Just when the woman was stunned, David was already in front of her!

David grabbed the woman's mask!

The woman reacted, threw away the broken sword in her hand, and wanted to slap David with a palm, but David grabbed her wrist and controlled her!

The woman twisted her body, but found that she couldn't get away at all!

David controlled the woman, hugged her into his arms, and then went to the woman's mask with his other hand!

"No, please, don't..."

The woman began to panic, and kept begging David for mercy, begging David not to take off her mask!

David's hand stopped and asked coldly: "You care so much about the mask on your face. Are you an ugly monster, so you are afraid of being seen?"

When the woman heard this, she was immediately angry and roared loudly: "You are the ugly monster. Although my appearance is not as good as that of a fairy, I can also fascinate thousands of men." As soon as

the woman finished speaking, David suddenly took off the mask!

The moment the mask was taken off, David was stunned!

I saw half of the woman's face, which was very hideous and full of scars. It was obviously a burn!

But the other half of the cheek was delicate and smooth, and it can be seen that it was a beauty!

"Woo woo woo..."

The moment the mask was taken off, the woman actually cried!

Seeing this, David hurriedly let the girl go. He didn't expect things to turn out like this, and he didn't expect that under this graceful figure, there would be such a face!

David was a little panicked and didn't know how to comfort the woman in front of him!

But when he looked at half of the woman's face, he was actually familiar!

But David couldn't remember where he had seen this woman for a while!

"I'm sorry, I didn't mean to. I really didn't know it would be like this."

“And I was definitely not peeping at you. I didn’t know there were people on this island at all, let alone not wearing clothes.”

“This is a complete misunderstanding. Don’t cry. I won’t tell anyone about your affairs.”

David could only try his best to explain!

The woman squatted on the ground, still covering her face and crying, ignoring David at all!

Seeing this, David could only jump and plan to leave the island. He didn’t have time to waste here with the woman!

He also had to hurry to Zhujia Town to help Zhu Qingyue deal with things, and then send Zhu Qingyue back to the Xiao Dynasty!

But just when David was about to leave, the woman suddenly stopped David and said, “You have seen my body, and now you see my ugly appearance. Do you want to just leave like this?”

Chapter 4347

“Then what do you say we should do?”

David looked at the woman speechlessly: “Do you still want me to stay here forever and pledge my love to you?”

“Bah, who asked you to pledge your love to me? I just asked you to swear that you will never tell this to anyone.”

“Also, what’s your name? You can’t take advantage of me without even knowing your name!”

the woman asked David!

“My name is David. I won’t tell anyone about what happened today. Is that okay now?”
Chen

Ping said helplessly!

“No, you destroyed my sword, you must compensate me...”

the woman shook her head and said!

“What can I use to compensate you? Besides, you took the initiative to attack me and almost killed me. You still want me to compensate you for your sword?”

David was speechless. This woman was a bit unreasonable!

It was obviously her who attacked him first, and he had no choice but to fight back in the end. Now he was so shameless that he asked her to compensate her for her sword.

“Then compensate me with the sword in your hand. I think your sword is not bad!”

said the woman!

“Get lost...” David suddenly cursed: “My sword is equivalent to my life, how can I compensate you.”

“You are talking nonsense, I will kill you with one sword, you are so long-winded...”

David was angry, but the woman was not afraid. She glared at David and said, “My sword was forged by the Refining Sect. It is the 58th sword in our Wanjian Sect.”

“If you don’t compensate me, I will fight you to the death...”

“Is your sword forged by a refiner?” David was stunned!

“Yes, most of the swords in our Wanjian Sect are supplied and forged by the Refining Sect. They are not ordinary swords, so you must compensate me!”

The woman began to cry again!

“I didn’t expect that your Wanjian Sect actually had dealings with the Refining Sect, but the Refining Sect had long been in name only and in tatters. How could it forge swords for your Wanjian Sect?”

David knew that the leader of the Refining Sect was captured by the Fire Sect, and the Refining Sect was also destroyed!

“How do you know this?”

The woman was slightly stunned, and then said: “The Refining Sect was indeed destroyed by the Fire Sect more than ten years ago, and the leader of the Refining Sect and many elders were captured, which also made our Wanjian Sect not update the sword for more than ten years.”

“But some time ago, many elders of the Refining Sect suddenly returned to the Refining Sect and began to recruit disciples again. Although the scale of the Refining Sect is much smaller now, it has come back to life.”

David listened to the woman’s story and suddenly remembered that when he came to the Heavenly Realm, he rescued those elders of the Refining Sect in the dungeon of the Demon Heart Sect!

And Master Iron Hammer also said at the time that he wanted to revitalize the Refining Sect!

Now it seems that the Refining Sect should be revitalized.

“To tell you the truth, I am actually the benefactor of the Refining Sect. I have made an indelible contribution to the revitalization of the Refining Sect.”

David said to the woman!

“Bullshit, how can you, a small cultivator of the seventh level of the Tribulation Realm, be the benefactor of the Refining Sect? Even if you have some strength, you are just an ant in front of a large sect like the Refining Sect.”

“Don’t dream of saying that. I can let you go. If you don’t compensate me for my sword today, I will never let you go.”

The woman didn’t believe what David said at all!

“It doesn’t matter if you don’t believe it, but I tell you that the Dragon Slashing Sword in my hand is the Zhenzong Sword of the Refining Sect, and this Dragon Slashing Sword has been repaired by Jian Lao.”

David waved the Dragon Slashing Sword in his hand and said!

When the woman heard it, she stared at the Dragon Slashing Sword in David’s hand, and then sneered and said, “Who are you trying to fool? How can the Zhenzong Sword of the Refining Sect be given to you? What’s more, I have never heard of Jian Lao you are talking about.”

Chapter 4348

David saw that the woman was a little unreasonable, so he didn’t plan to waste time talking to her. He jumped up and planned to leave the island!

He couldn't give his Dragon Slaying Sword to this woman!

"Don't leave..."

The woman also jumped up and planned to chase David!

But as soon as the woman jumped up, her face changed slightly, and then she looked at the void behind her, with a flash of panic in her eyes!

Then the woman fell back to the island, hurriedly took out a pill and swallowed it! Chen

Ping was a little puzzled. What happened to this woman? Why didn't she chase him?

Just when David was still wondering, suddenly from a distance, several breaths came quickly!

"Zhu Qingxiu, I want to see where you can escape to this time."

"You guy, it turns out that you are hiding on this deserted island. No wonder we can't find you for so long."

"Hand over the secret book of your Wanjian Sect, and we can consider letting you go..."

Whoosh whoosh whoosh!

In the void in the distance, several figures rushed over quickly!

These people are not weak. There are five people in total. There is actually one who is in the first level of the Mahayana Realm, and the remaining four are also in the ninth level of the Tribulation Realm!

These five people rushed over here and shouted! The

woman's face was full of panic, and she glared at David fiercely: "It's all your fault. If I hadn't fought with you and exposed my breath, how could they find me..."

After the woman looked at David with resentment, she flew up and planned to escape!

David was also speechless. It was obviously the woman who started it first, but now she blamed it on him!

What is this?

Women, unreasonable...

The

five people saw that the woman was about to escape, so they sped up their speed to catch up, and passed by David directly, but they ignored David as if they didn't see anything! The

little cultivator of the seventh rank of the Tribulation Realm can indeed be ignored!

Just after the five people passed by David, David looked at the backs of several people and frowned slightly!

Because he clearly felt the breath of the demon cultivator from these five people!

These five people can expose their demon cultivator breath openly, and it seems that they are not afraid at all!

“Zhu Qingxiu?”

Suddenly, David seemed to remember something. He remembered that someone just called this woman Zhu Qingxiu?

What is the relationship between Zhu Qingyue from Zhujia Town who came with him?

Boom!

David suddenly remembered that although only half of this woman's face was good, the appearance of that half of her face was exactly the same as that of Zhu Qingyue!

No wonder I felt familiar when I saw this woman, but I just didn't remember it for a while!

“You demon cultivators, I will not give you the secret book of Wanjian Sect. Even if I go into the Dead Sea and turn into bones, I will not give you the secret book.”

Zhu Qingxiu ran away desperately, and the direction of his escape was exactly the deserted island where David landed at the beginning!

David jumped up and chased after him!

Let's not talk about whether this woman has any relationship with Zhu Qingyue. Even if she is a female cultivator with no relationship, David has to ask clearly when she is chased by so many demon cultivators!

What's more, this woman is from Wanjian Sect, and Wanjian Sect has a good relationship with Lianqi Sect!

In fact, it's my fault that the woman exposed her whereabouts. If I hadn't collected those flints and rushed out on the island where they were hiding, there would be no later things.

David convinced himself from the bottom of his heart, and then quickened his pace, intending to help Zhu Qingxiu!

If this Zhu Qingxiu is really from Zhujia Town, then I have to help even more!

After all, Zhujia Town will be related to Xiao Huangchao in the future!

Chapter 4349

Zhu Qingxiu in front was desperately running away, and the five demon cultivators behind were desperately chasing after her, attacking Zhu Qingxiu from time to time, but they didn't use any killing moves. They were probably afraid that Zhu Qingxiu would really die and fall into the Dead Sea, which would be troublesome!

After Zhu Qingxiu desperately escaped to the deserted island, she seemed to be exhausted and could only fall on the deserted island!

Seeing this, the five demon cultivators attacked Zhu Qingxiu directly. Rays of light pierced through the darkness, and countless spiritual lights attacked Zhu Qingxiu!

Zhu Qingxiu no longer had a long sword in her hand, so she could only rely on constant dodging and defense, but this was not a long-term method. The five demon cultivators quickly surrounded her!

"You damn demon cultivators, you actually killed hundreds of our Wanjian Sect for the secret book of our Wanjian Sect. Sooner or later, I will exterminate you all."

Zhu Qingxiu looked at the five demon cultivators surrounding her, gritting her teeth with unwillingness on her face!

Her strength is only the first level of the Mahayana Realm, but the opponent has a first level of the Mahayana Realm and four ninth level cultivators of the Tribulation Realm!

If she had the sword in her hand, she could still resist for a while, but now without the sword, it is like a tiger without teeth. Zhu Qingxiu's strength will be greatly reduced!

"It's all because of that dead guy, he actually broke my sword."

Zhu Qingxiu still hated David at this moment!

If David hadn't broken her sword, she wouldn't be so embarrassed now, and maybe she would have a chance to escape!

“Zhu Qingxiu, stop talking nonsense. Hand over the secret book quickly and we will let you go. Don’t resist fearlessly.”

“If you don’t scream, don’t blame us for being rude. Although your face is ruined, you have a good figure.”

“When the time comes, cover your face, and we brothers will enjoy it.”

A leading man in green smiled coldly!

Five demon cultivators stood in one direction each, surrounding Zhu Qingxiu tightly!

“That’s right, we are not picky. If you don’t listen, cover your face and calm us down.”

A bearded demon cultivator had a lewd smile on his face, and his eyes kept scanning Zhu Qingxiu!

“You’d better listen obediently. Anyway, your Wanjian Sect is finished. What’s the point of keeping that broken secret book? Give it to us, otherwise, if the five of us come together, your graceful little body may not be able to bear it.”

The five demon cultivators shamelessly humiliated Zhu Qingxiu, and their eyes stared at Zhu Qingxiu’s body without any concealment!

“You shameless people are even more shameless than that peeping guy...”

Zhu Qingxiu’s eyes were full of anger, and he suddenly attacked the blue-clothed man who was leading with a palm!

This blue-clothed man is also a first-grade Mahayana realm. As long as he can injure this blue-clothed man first, the remaining four ninth-grade cultivators of the Tribulation Realm will be easy to deal with!

The blue-clothed man seemed to have prepared for it. Seeing Zhu Qingxiu attacking him, he couldn’t help but raise the corner of his mouth and said, “Girl, you’ve been fooled...”

After that, the blue-clothed man was seen with demonic energy flowing all over his body, and then those demonic energy suddenly condensed into wisps of strange breath!

With a gentle wave of his hand, the other four people also exuded the breath of that breath!

These breaths intertwined into a huge net, covering Zhu Qingxiu!

Zhu Qingxiu was already so angry that his head was dizzy. Facing this suddenly appearing net, his face changed drastically!

This big net looks simple and ordinary, but when it spreads out, the surrounding void vibrates, and all the space is instantly locked. Zhu Qingxiu has nowhere to escape!

In just a moment, Zhu Qingxiu was suppressed by the big net!

“You despicable villains...”

Zhu Qingxiu cursed, trying hard to break free from the big net and escape, but no matter how he struggled, it was useless!

Chapter 4350

“Hahaha, don’t waste your energy. You don’t even have a sword in your hand. It’s impossible to break our big net.”

“Just surrender...”

The man in green laughed triumphantly!

Just as the man in green approached Zhu Qingxiu, a figure suddenly crossed the void and came in front of Zhu Qingxiu!

With a flash of golden light, the big net that bound Zhu Qingxiu was directly cut, and Zhu Qingxiu escaped from the big net!

Seeing this, several demon cultivators were stunned, and the young man frowned and said, “Who are you? Dare to ruin our good deeds?”

Zhu Qingxiu only saw clearly at this moment that the person who saved her was David!

“You five grown men are actually dealing with a weak woman. Are you still men?”

“No wonder you all practice magic skills and are willing to become magic cultivators. It turns out you are all cowards.” Chen

Ping said to the five magic cultivators with sarcasm!

When the five people heard it, they were immediately furious, and their eyes exuded a bloodthirsty cold light!

These five people are not real demons, but human cultivators who practiced magic skills and became demon cultivators!

This kind of demon cultivator has the lowest status in the demon clan. They only made this decision to quickly improve their cultivation!

Now David's words have exposed the scars of the five people, so they are so angry!

"Boy, you are a seventh-grade cultivator in the Tribulation Realm, and you dare to talk to us like this. You are tired of living!"

The man in green waved his hand, and the big net that was cut by David actually closed up and covered David and Zhu Qingxiu!

Seeing this, David once again held the Dragon Slashing Sword and slashed directly at the big net!

"Be careful, don't let this big net touch your body..."

Seeing this, Zhu Qingxiu hurriedly reminded David!

David didn't understand what Zhu Qingxiu meant, and the Dragon Slashing Sword in his hand had already touched the big net!

With

the sword light shooting out, the big net was instantly chopped into pieces!

The big net was chopped into pieces, but the man in green didn't seem to be in a hurry at all, but raised a sneer at the corner of his mouth!

Just when David didn't understand what this guy was up to, the broken big net kept falling on David! After

these broken big nets fell on David, they immediately became twisted and wrapped David tightly!

"Hahaha, do you think you can escape by breaking this big net?"

The man in green laughed!

"Your thing is a bit interesting..."

David looked at the big net that bound him, not only was he not afraid, but he was very interested!

“Get rid of it quickly, get rid of it quickly, this big net can not only restrain your actions, but also attack your consciousness, making you unconscious.”

Zhu Qingxiu saw that David was bound by the big net and hurriedly reminded him!

Just as he finished speaking, David felt a strange breath coming from the big net, constantly drilling into his body!

This breath constantly attacked his sea of consciousness, making his consciousness blurred, and finally achieved the result of being controlled!

David laughed. If this kind of consciousness attack could break through his sea of consciousness, it would be a joke!

Not to mention that there is the Daluo Golden Classic in his sea of consciousness, the residual soul of the Red Cloud Demon Lord is guarding the sea of consciousness. These pediatric things are simply impossible to break through David's sea of consciousness!

“Oh, my head hurts so much, why do I feel like I'm going to go stupid?”

David suddenly covered his head and shouted in pain!

Zhu Qingxiu was so anxious that she scratched her head, but she had no way to help David get rid of the shackles of the big net without even a weapon in her hand!

“Hahaha... you idiot, you will listen to me in a while, I will let you do a striptease...”

The man in blue saw David's look and laughed!
