Chapter 4351

In just a moment, David's eyes were dull, and the whole person was like a walking corpse!

It was obvious that his sea of consciousness was breached and he had no consciousness!

Seeing this, the man in green casually called back the big net on David!

"David, David..."

Seeing this, Zhu Qingxiu hurried forward and shook David, trying to wake David up!

But Zhu Qingxiu's shouting stunned the five demon cultivators.

"You said this kid is called David?"

The man in green looked at Zhu Qingxiu and asked!

Zhu Qingxiu glared at the man in green, but ignored him!

"Brother, this kid is called David. Could he be the guy that the leader has been hunting down with a hundred years of offerings?"

The bearded demon cultivator asked in a low voice!

"It's very likely. If it's really him, the five of us brothers will be rich."

"It's said that David is very powerful. So many people have failed to catch him. Now it seems that he is just a vain reputation. We just caught him easily."

The man in green said very proudly!

Zhu Qingxiu didn't know what these people were talking about. She didn't know that David was hunted down by the Demon Sealing League with a hundred years of offerings!

If she knew, she wouldn't be so calm when she heard the name David!

After all, the name David is very famous in the world of heaven

and man! David listened to the conversation between several demon cultivators and knew that these guys were actually from the Demon Sealing League. This can be regarded as a narrow road for enemies.

Even if there was no Zhu Qingxiu, David would not let them go if he met the people of the Demon Sealing League!

“Boy, now I order you to strip this woman’s clothes for me...”

The man in green ordered David.

Now that David’s sea of consciousness has been broken, he has long lost his independent consciousness and is completely at the mercy of others.

“Yes!” David nodded woodenly, and then grabbed towards Zhu Qingxiu.

“What are you going to do? Wake up quickly, wake up...”

Seeing that David was going to take off her clothes, Zhu Qingxiu could only dodge and shout for David to wake up.

She also knew at this moment that David was not a bad person, otherwise he would not help her out of trouble, but now David’s consciousness was controlled by the other party, and Zhu Qingxiu couldn’t bear to do it to David. After all,

David was tricked by the other party in order to help her and became what he is now.

“Hahaha, take it off quickly, take it off for him quickly...”

“It’s so interesting, I want to use the recording crystal to record this scene, let the other people in the Demon Sealing League see that David, who was blown to the sky, has become a walking corpse in the hands of our brothers.”

After the bearded monk finished speaking, he took out the recording crystal and began to record everything at the scene.

David stepped forward and grabbed Zhu Qingxiu, tearing off her clothes. Zhu Qingxiu tried to protect herself and said hastily, “Don’t do this. If you do this again, I will be rude to you. Can you wake up?”

“Don’t worry, I won’t really take off your clothes.”

At this time, David suddenly spoke in a low voice!

Zhu Qingxiu was stunned, and looked at David in disbelief, “You are not controlled?”

“With these little tricks of theirs, they want to control my sea of consciousness. It’s simply a daydream. I’m just teasing them.”

David smiled faintly!

Seeing this, Zhu Qingxiu was relieved and asked, “What should we do next?”

“The two of us pretend to tear, you lead someone over, and I will kill him unexpectedly...”

David said!

“How do I lead it?” Zhu Qingxiu

was a little confused! David tore off Zhu Qingxiu’s clothes, exposing his snow-white skin!

“Ah...”

Zhu Qingxiu panicked and slapped David directly.

After the call, Zhu Qingxiu regretted it a little, but it was just her instinctive reaction.

Chapter 4352

David did not stop because of the slap, and still made a move on Zhu Qingxiu, and even hugged Zhu Qingxiu tightly.

“Damn, big brother, although this silly boy’s sea of consciousness was controlled, he is still so fierce to women...”

The bearded monk said in shock!

“It’s just the nature of men. You go up and record this scene. I wonder how this David will survive in the world of heaven and man in the future!”

The man in green smiled coldly!

The bearded monk hurriedly approached with the recording crystal, and kept licking his lips!

But just after he got close, David, who was holding Zhu Qingxiu, suddenly let go, and then looked at him with a smirk! The

bearded monk was stunned, and before he could react, he felt a flash of white light in front of his eyes.

The bearded monk with the strength of the ninth level of the Tribulation Realm instantly threw his head high up.

Blood spurted continuously, and the body fell heavily.

The recording crystal in his hand fell to the ground and was crushed by David's foot.

Seeing this scene, the other hurried demon cultivators were all confused and stunned on the spot.

Just when the bearded monk's head fell, it was kicked away by David.

"fu** you..."

David kicked the bearded monk's head into the Dead Sea.

With the rolling of the sea water, the bearded head turned into a skull floating on the sea in a short while.

"You...you are not controlled?"

The man in green realized at this time that David was not controlled at all!

"With your little tricks, you still want to attack my sea of consciousness. It's a joke."

"If I am so easy to be controlled, do you think the Demon Sealing League will still take out a hundred years of offerings to hunt me down?"

David said with a sneer on his face!

"Stinky boy, I'll kill you..."

The man in green was teased and was furious. He drew out a long knife and went towards David!

In mid-air, the man in green waved his long knife and chopped out thousands of knife lights, like a storm, shooting towards David!

David's mouth corners slightly raised, his eyes full of disdain, golden light burst out from his whole body, the indestructible golden body started, and golden scales covered his whole body!

After the indestructible golden body started, David actually went directly to the thousands of knife lights without any hesitation!

"Are you looking for death?"

Seeing this, Zhu Qingxiu hurriedly shouted at David!

How could this be, taking the initiative to face the opponent's offensive, isn't this looking for death?

"Boy, you are too arrogant, you don't dodge or evade, and you dare to rush over!"

The green monk saw that David dared to come towards his knife light, and he was immediately furious!

This is simply too much contempt for himself, after all, he is also a Mahayana cultivator!

David's body was emitting a faint golden light at this time, and the indestructible golden body was attached to David's body. From a distance, he looked like a golden armored war god with his whole body cast in gold!

Bang, bang, bang!

Wherever David passed, all the blade beams that rushed over hit David, but they did not cause any harm to David. Instead, the blade beams directly shattered!

This scene made everyone dumbfounded. That was a blow from a Mahayana cultivator, but David actually relied on his body to bear it!

And it seemed that these attacks did not cause any harm to David!

This was simply incredible. David was only at the seventh level of the Tribulation Realm. Even if he was wearing a treasure armor, it was impossible that he had no harm at all!

No one knew that David's current strength had long surpassed the first level of the Mahayana Realm. Even without the indestructible golden body to protect his body, David's body would have no problem with withstanding the attack of a first-level Mahayana cultivator!

Now with the indestructible golden body, it would be difficult for the man in green to cause harm to David!

Chapter 4353

“Damn, the armor on this kid is too abnormal...”

The green monk cursed, his face full of disbelief!

But the next second, he only felt a flash in front of his eyes, and David’s body disappeared instantly.

“It’s bad...”

The green monk was shocked and his body quickly retreated!

But the green monk reacted so quickly, but it was still too late. David’s body appeared out of thin air, and then the dragon-slaying sword in his hand slashed out!

Puff!

The dragon-slaying sword passed through the body of the green monk. Accompanied by a scream, one of the green monk’s arms was directly cut off. If he hadn’t reacted quickly enough, it wouldn’t be just an arm that was cut off!

“You...what kind of skill is this?”

The green monk was shocked, looking at his broken arm, his eyes were full of shock!

Several other demon cultivators also looked at David in disbelief!

A seventh-grade cultivator in the Tribulation Realm easily cut off the arm of a first-grade cultivator in the Mahayana Realm with one strike. This is too outrageous!

Even Zhu Qingxiu looked at David in disbelief. Only then did she realize that when she was fighting with David just now, David had not used his full strength at all and had been tolerating. Otherwise, with David’s strength, she would have been injured long ago. Thinking

of this, Zhu Qingxiu felt a little ashamed and embarrassed. After all, when David appeared at the beginning, she was the one who took the initiative to attack David. No matter how David explained, she would not listen, and finally broke her own sword!

In fact, all of this cannot be blamed on David. Thinking of this, Zhu Qingxiu felt that she was a little unreasonable!

“Don’t stand there, come together...”

Seeing that David was so powerful, the green-clothed cultivator shouted to the remaining three demon cultivators with a painful look on his face!

The three demon cultivators reacted and directly surrounded David!

“I’ll help you...”

Zhu

Qingxiu saw that these demon cultivators were going to bully David with their numbers, so he jumped to David’s side!

“You’d better watch carefully from the side. These few little demon cultivators are not enough for me to fill my teeth!”

David said to Zhu Qingxiu!

David didn’t take the three ninth-grade demon cultivators in the Tribulation Realm seriously at all!

“Can you really do it?”

Zhu Qingxiu asked!

“Get rid of that thing, I really can...”

David said confidently!

“Okay, then I’ll watch the fun from the side...”

After Zhu Qingxiu finished speaking, he really dodged to the side and stopped helping!

The three demon cultivators were so angry that they were three ninth-grade cultivators in the Tribulation Realm, but at this moment, they were looked down upon by David, a seventh-grade cultivator in the Tribulation Realm!

“Don’t be careless, let’s go together. This kid is a bit evil. The aura of his realm is seriously inconsistent with his strength. Let’s not be fooled.”

After the green-clothed monk stopped bleeding, he held a big knife in one hand and reminded the other three demon cultivators!

The three demon cultivators nodded and attacked David

at the same time! A first-grade cultivator in the Mahayana realm, three ninth-grade cultivators in the Tribulation Realm, and four people attacked from different directions!

David's whole body was shining with golden light, shuttling in the air, fighting with these four demon cultivators!

Zhu Qingxiu on the side looked at her blankly. If she met these demon cultivators herself, even with a sword in hand, it would be impossible to defeat them!

But looking at David, it seemed that he was dealing with it very easily, but those demon cultivators were in danger one by one!

As David fought with those demon cultivators, the originally very quiet sea surface shook violently, and the deserted island continued to explode, and deep pits appeared one after another!

This deserted island had already experienced a war, and later the Fire Kirin dug a deep hole that led directly to the seabed. It was already shaky, and now there was another battle on it, and the deserted island began to sink!

Chapter 4354

Seeing this, Zhu Qingxiu jumped up in a hurry, and the whole person was suspended in the air, watching the island disappear in the vast sea!

Without a foothold, the four demon cultivators were obviously a little panicked!

If they accidentally fall into the Dead Sea, they will immediately become a forest of bones!

David took advantage of the situation and slashed a sword. A demon cultivator was unable to dodge and was directly hit in the chest. The whole person instantly lost his spiritual power and fell straight into the Dead Sea!

With the churning of the sea water, it only took a few breaths for the demon cultivator to turn into a skeleton and float on the sea!

"Let's go, don't entangle anymore, find a place to stay first!"

Seeing this, the blue-clothed monk knew that it was unrealistic for them to take David, so he planned to take people to escape first! The

blue-clothed monk took the remaining two demon cultivators and fled quickly towards the island where Zhu Qingxiu lived at the beginning!

Seeing this, David pulled Zhu Qingxiu up and quickly chased after them!

Seeing David and the others chasing after them, the three demon cultivators were very panicked. Now, not only did they not get the secret realm, but they became prey!

“Brother, send a distress message quickly, otherwise we will all die here.”

A demon cultivator said to the blue-clothed monk in fear!

The blue-clothed monk frowned slightly, and finally nodded, and shot out a red light!

The red light went straight into the sky, and then exploded!

“It’s bad, these guys are asking for help, and it is estimated that there are their accomplices nearby!”

Seeing this, Zhu Qingxiu hurriedly said to David!

“Don’t be afraid, kill as many as you come, these dogs of the Demon Sealing League, don’t leave any!”

David hated the demon cultivators who were running dogs for the Demon Sealing League!

The three demon cultivators came to the sky above the island, but after they stood slightly on the island, they immediately jumped up again and fled into the distance!

David brought Zhu Qingxiu to a small island. He wanted to take Zhu Qingxiu to chase again, but was grabbed by Zhu Qingxiu!

“Wait a minute, this island has been destroyed by you, and it is estimated that it will sink. I want to take the sacred tree away!”

Zhu Qingxiu said!

“Sacred tree? What sacred tree?”

David was confused!

Zhu Qingxiu did not speak, but pulled David towards a cliff on the island!

On the cliff, a tree that did not look very big was growing in the cracks of the rocks, and from the tree, there was a fairy spirit coming out!

David was stunned and looked at the tree in disbelief. How could this tree emit fairy spirit?

Is there a fairy skeleton under this tree?

But this tree grows in the cracks of the rocks. It is said that there should be no fairy skeleton underground, but where does this fairy spirit come from?

“This is the sacred tree. I have been practicing with the spiritual spring and the sacred tree for all these years on the island. As a result, you destroyed the spiritual spring, and now there is only this sacred tree.”

“I want to take the sacred tree away, otherwise after the island sinks, the sacred tree will also suffer.” After

Zhu Qingxiu finished speaking, she jumped towards the sacred tree!

She planned to uproot the sacred tree and then find a place to plant it, so that she could continue to practice with the sacred tree!

But just when Zhu Qingxiu approached the sacred tree, the sacred tree suddenly surged with dark green light!

These lights formed spiritual blades and attacked Zhu Qingxiu, preventing Zhu Qingxiu from getting close!

The sudden change made Zhu Qingxiu suddenly terrified. She was scratched by the spiritual blades and almost fell into the Dead Sea!

Seeing this, David jumped up and carried Zhu Qingxiu back!

Zhu Qingxiu and David looked at the sacred tree in front of them in shock, not understanding how a tree could attack?

Could it be that the tree was alive?

David used his magic to seal off the surrounding space, then grabbed the tree!

Chapter 4355

He wanted to see what was so special about this tree. Not only could it emit fairy spirit, but it could also actively attack humans!

The tree emitted spiritual blades, but David simply dodged them and let the spiritual blades hit him, which did not cause any harm to him at all!

David grabbed a branch of the tree, and then pulled it hard, and the tree was pulled out directly from the crack of the stone!

At the moment of pulling it out, the tree was struggling constantly, as if to break free from David's restraints!

"This tree is actually conscious, it's really too strange..."

David said in surprise while grabbing the tree!

"This is the first time I've seen it, how come this tree has life..."

Zhu Qingxiu was also very surprised!

"Never mind, those guys are going to escape, let's chase them first..."

David took Zhu Qingxiu and began to chase the three demon cultivators!

During this period, David tried several times to put the tree into the storage ring first, but failed every time!

You know, David's storage ring can hold everything except humans, like this sacred tree, it should be no problem, but David failed several times!

David simply stopped caring, grabbed the tree, and began to chase the three demon cultivators quickly!

But just after chasing a short distance, David frowned, because he felt that from the distance of the void, many auras were constantly approaching them!

And there were more than a dozen people, among whom there were several in the Mahayana realm. These should be the reinforcements brought by the three demon cultivators!

Isn't this East Region barren and the strength of the cultivators is not high? Why did so many Mahayana cultivators suddenly come?

David was speechless!

At this time, Zhu Qingxiu's face also changed slightly. He sensed the aura of many strong men, and hurriedly said to David: "It's bad, it should be the reinforcements of the demon cultivator, and there are quite a few people. Let's not chase them."

"Let's go..."

David nodded, and then took Zhu Qingxiu and ran from another direction. As long as they left the Dead Sea area, it would be fine!

Not long after David and the others left, there was a wave in the void, and a man in a blood-colored robe appeared. Behind him were many monks, several of whom were of the first rank in the Mahayana realm!

If David hadn't left, he would have been surprised to see the man in the blood-colored robe, because this guy was Ning Zhi who had taken the Heavenly Demon Stone and ran away!

He has restored his physical body, and his strength has also been raised to the second rank in the Mahayana realm!

It must be said that Ning Zhi is also a genius!

The blue-clothed monk was overjoyed when he saw the man who suddenly appeared, and immediately greeted him and said, "Mr. Ning, I didn't expect you to bring people here in person."

Ning Zhi looked at the broken arm of the blue-clothed monk, frowned slightly, and said, "What's wrong with you? Can't you even deal with a little girl?"

Ning Zhi's face was full of anger, which scared the blue-clothed monk!

"Master Ning, if it was just Zhu Qingxiu, we would have taken her down long ago, and we would have gotten the secret book. It's a pity that David showed up halfway."

"This guy doesn't seem to be at a high level, but he's quite powerful, and he has a set of precious armor. He really made us suffer."

The green-clothed monk explained carefully!

"David?"

Ning Zhi was slightly stunned, and then his face showed some excitement: "Hahaha, it's really a narrow road for enemies. This guy actually came to the East Region. I was worried that I couldn't find him."

“Master Ning, do you know David? That guy was ordered by the leader to be hunted down with a hundred years of offerings.”

“If we can catch David, we can go to the leader to receive the hundred years of offerings.”

The green-clothed monk said hurriedly!
