Chapter 4356

“We not only know each other, but we are old acquaintances.”

“For me, David is much more important than the hundred-year worship.”

“Where are David and the others now?”

Ning Zhi asked!

The blue-clothed monk pointed to the island in the distance and said, “It’s near that island...” As

soon as the blue-clothed monk finished speaking, Ning Zhi instantly turned into a stream of light and headed towards the island!

Seeing this, the others chased closely behind!

But when Ning Zhi arrived at the island, he did not find any trace of David, so he pinched his hands, and countless spiritual lights around him gathered towards his position frantically!

I saw that Ning Zhi’s hands were surrounded by blood and energy, constantly rotating, and finally the blood and energy continued to merge with the surrounding spiritual energy, and finally became a huge human face! This

face is extremely strange, the mouth occupies half of the position, but there is only one eye on the forehead, which looks very scary!

The eyes on the forehead of the human face kept blinking, and then a ray of light was projected into the void!

In that light, the figures of David and Zhu Qingxiu slowly appeared!

When he saw David’s figure, Ning Zhi’s eyes showed excitement!

“David, I finally met you...”

Ning Zhi showed a gloomy smile on his face!

David, who was running away with Zhu Qingxiu, suddenly felt his body tighten, as if something was staring at him!

Even his actions seemed to be affected and slowed down!

“What’s going on? Why do I feel like someone is spying on us!”

David frowned and said!

“I have this feeling too, always feeling uncomfortable!”

Zhu Qingxiu said!

“This is a ghost face exploring the sky. Someone is spying on your location. It is estimated that they will find you soon!”

At this time, the Red Cloud Demon Lord spoke!

Just as the Red Cloud Demon Lord finished speaking, a huge strange face suddenly appeared in the void above David’s head. This strange face was as tall as a person, and an eye on the forehead kept blinking!

“David, I finally found you. The grudge between the two of us should be settled!”

At this time, the big mouth on the ghost face opened and closed, and Ning Zhi’s voice came out!

“Ning Zhi?”

David was stunned. He never thought that Ning Zhi would come to the East Region, and it seemed that he had recovered!

“What is this?”

Zhu Qingxiu was panicked, with cold sweat on her forehead. She didn’t know what this ghost face that suddenly appeared was!

And from behind, she could clearly feel that more than a dozen breaths were approaching rapidly!

“Don’t worry, we must speed up, otherwise it will be troublesome!”

David didn’t know what realm Ning Zhi had reached, but it must not be too low!

This guy’s talent is also very good, and he is also an indestructible cockroach!

However, under the surveillance of the strange face, David and the other two had no place to hide, and their speed could not be fast. This strange face seemed to have a kind of gravity, pulling David and Zhu Qingxiu tightly!

“I have a migration bead here, which can take us away from this area instantly, but where we are taken to is random, and I have no way to control it!”

At this time, Zhu Qingxiu took out a gem with a faint blue mist in it!

“Okay, as long as we leave this surveillance area, we will have a way to escape, use it quickly!”

David said!

Zhu Qingxiu held the migration bead, her face full of entanglement, after all, this migration bead is priceless, and she only has one!

If she uses it, then it will be completely gone!

But if she doesn't use it, they might be caught, and it is very likely that they will die here. Zhu Qingxiu gritted her teeth and crushed the migration bead!

Chapter 4357

As a blue smoke rose up, David and Zhu Qingxiu only felt a light air enveloping them!

Then they shuttled through time and space in front of their eyes, and disappeared in an uncontrolled moment!

David tried hard to open his eyes, wanting to see where the migration bead took them!

But all he saw was white light flying by quickly, and he couldn't see anything clearly!

David could clearly feel that his body was being pulled forward by a force!

When Ning Zhi and the others arrived, they found that David and the other person had disappeared!

Ning Zhi used the eyes on the strange face again to try to find out the location of David and the others, but after trying several times in a row, he failed. It was as if David and the other two had disappeared out of thin air!

“Damn it, let the two of them escape. What kind of skill is this that can make two people disappear out of thin air!”

“It seems like the migration bead that Zhu Qingxiu used. I remember that Wanjian Sect has this thing.”

“The migration bead is priceless. Zhu Qingxiu was willing to use it. When we besieged her, she didn’t even think of using the migration bead!”

“That was because she didn’t have time to use it. If she took out the migration bead, we would have snatched it away long ago!”

Several demon cultivators said unwillingly!

Ning Zhi looked around with a cold face, and with a wave of his hand, the strange face disappeared!

Then Ning Zhi took out a very small compass, bit his finger, and put a drop of blood on the compass!

The compass instantly emitted a red light, Ning Zhi closed his eyes slightly, and the whole person fell into silence!

At this time, David and Zhu Qingxiu didn’t know how far they were teleported. When they saw the surrounding scenery clearly, they found that there was only the vast sea around them and there was no place to land!

“What is this place? Don’t let it reach the heart of the Dead Sea. If we can’t find an island, aren’t we dead?”

Seeing this, Zhu Qingxiu said in panic!

Without a place to land, they could only rely on the spiritual power in their bodies to fly. I’m afraid they will fall into the Dead Sea if they can’t find land!

What’s more, David and Zhu Qingxiu have experienced a great war, and they have consumed a lot of energy. How can they have too much energy to fly in the air!

“Let’s take the time to recover first. Only after recovery can we find the mainland faster.”

David said to Zhu Qingxiu!

“How to recover? There is not even a foothold. If you continue to consume like this, I’m afraid you will fall into the Dead Sea before you recover.”

Zhu Qingxiu said speechlessly!

“Since there is no foothold, then go to the bottom of the sea to recover, so that you can avoid being hunted down. They will definitely not think that we will be at the bottom of the sea.”

David said!

“Don’t make a fuss. No one can enter this Dead Sea. Haven’t you seen that those who fell into the Dead Sea have turned into bones?”

“This half of my face was burned into its current appearance when I accidentally touched the Dead Sea. I will never get close to the sea again.”

Zhu Qingxiu touched his half of his face and said with lingering fear!

“Don’t worry, I’m here, the sea water can’t hurt you. Have you forgotten that I came out from underground, and I’ve been at the bottom of the sea a long time ago?”

David said, grabbed Zhu Qingxiu and rushed directly into the sea!

Seeing this, Zhu Qingxiu was startled and began to struggle instinctively, but she couldn’t get away at all!

Plop!

The two fell into the Dead Sea, and Zhu Qingxiu was frightened, but soon she found that her body in the Dead Sea did not feel the slightest heat wave, on the contrary, there was a trace of coolness, which was very comfortable!

“This... What’s going on?”

Zhu Qingxiu asked with a surprised face!

David smiled faintly: “I said, I’m here, this sea water can’t hurt you.”

David not only has the origin of fire, but also has the special fire of extreme cold ice flame. As long as he emits a little bit of the breath of extreme cold ice flame, the surrounding heat waves will disappear!

Chapter 4358

Zhu Qingxiu was shocked, and slowly sank to the bottom of the sea, and nothing happened!

“What’s going on? What kind of skills did you use? Even this dead sea can’t do anything to you!”

Zhu Qingxiu asked puzzledly!

“Don’t ask me first, I want to ask you, what is your relationship with Zhu Jiazhen, and who is Zhu Qingyue to you?”

David asked!

Zhu Qingxiu was stunned, then looked at David and said: “How do you know Zhu Jiazhen? How do you know my sister Zhu Qingyue?”

“Then Zhu Qingyue is your sister? It seems that my guess is not bad. Although you only have half of your face left, you look like your sister.”Chen

Ping said with a smile!

But Zhu Qingxiu’s face suddenly turned cold. She didn’t like people talking about her face the most!

Zhu Qingxiu put on the mask again and said coldly: “How do you know my sister?”

David had to tell him in detail how he knew Zhu Qingyue, but he didn’t say that Zhu Qingyue followed Xiao Feng!

Zhu Qingxiu became angry when he heard it: “The Qijia Town is really unreasonable. When our Wanjian Sect was not destroyed, how dare they treat our Zhujia Town like this.”

“What happened to your Wanjian Sect? Why was it destroyed?”

“Is it just because those demon cultivators spied on the secrets of your Wanjian Sect?”

“And your Wanjian Sect is too weak, just a few demon cultivators destroyed you.”

David didn’t understand. Those demon cultivators didn’t seem to be very strong, so how could they destroy a sect!

“Don’t talk nonsense. Our Wanjian Sect is not weak, otherwise my father would not have sent me to the Wanjian Sect to learn martial arts.”

“It’s just that the Demon Sealing League tried to win over our Wanjian Sect, but the master didn’t agree to join the Demon Sealing League, so the Demon Sealing League sent a large number of demon cultivators to attack us.”

“Because the Refining Sect was destroyed, our Wanjian Sect has not been able to update and forge swords for more than ten years, causing a sharp drop in strength. In the end, some of the Wanjian Sect disciples died and some fled.”

“Master gave me the secret book of the Wanjian Sect for safekeeping, and I took the secret book and hid in the Dead Sea.”

“Therefore, while avoiding being hunted down, I accidentally fell into the Dead Sea, and half of my face touched the sea water, so I became like this.”

“I have been hiding on an island in the Dead Sea. I dare not go home, for fear of implicating my relatives in Zhujia Town.”

“I don’t know how long it has been, are father and the others okay...”

Zhu Qingxiu recalled the past, tears couldn’t stop flowing!

“The Demon Sealing League is so bad. Sooner or later, I will eradicate it.”

David’s eyes flashed coldly!

“What’s wrong with you? I heard that the Demon Sealing League used a hundred years of offerings to hunt you down? Do you have any deep hatred with the Demon Sealing League?”

Zhu Qingxiu asked!

“No big hatred, I killed the son of the leader of the Demon Sealing League...”

David said lightly!

“What?” Zhu Qingxiu looked at David in disbelief, and finally gave David a thumbs up and said: “You are so awesome...”

“Okay, don’t praise me, I’m easily proud. I have some pills here. Take them and you can recover faster!”

David took out some recovery pills and handed them to Zhu Qingxiu!

Zhu Qingxiu was not polite either, and directly threw the pills into his mouth.

The pills entered his mouth and instantly turned into a stream of clear water that flowed all over his body, making Zhu Qingxiu feel comfortable all over!

“I didn’t expect that you still have such high-quality pills!”

Zhu Qingxiu couldn't help but praise!

"I have a lot of good things. When you get familiar with me, I guarantee that you can't leave!"

David said jokingly!

Zhu Qingxiu rolled his eyes at David, then closed his eyes and began to circulate his spiritual energy to recover!

Chapter 4359

While Zhu Qingxiu was recovering, David began to fiddle with the sacred tree!

The sacred tree was still struggling in the sea, but David controlled it, making it impossible for the sacred tree to escape!

"It just so happens that I need immortal energy to practice. After I suck out your immortal energy, I'll see how you can still struggle!"

David's Condensation Heart Technique was running, and a large amount of immortal energy on the sacred tree began to be absorbed into David's body!

At first, the sacred tree struggled desperately, but in the end, it struggled weaker and weaker.

"Please, stop sucking, I'll die if you suck again..."

At this time, the sacred tree actually made a sound, and it sounded like a woman!

This scared David, and he hurriedly stopped absorbing and looked around!

He found that there was no one around, so he set his sights on the sacred tree!

"You... did you just say something?"

David asked the sacred tree in his hand!

The sacred tree shook its branches: "It's me, who else could it be except me..."

"Damn, you are a tree, how can you talk and have consciousness? It's too weird..."

David widened his eyes, his face full of disbelief!

“David, use your spiritual sense to communicate with the tree. It is estimated that this tree is not conscious, but someone has no choice, and finally the residual soul lies on this tree.”

At this time, the Red Cloud Demon Lord spoke!

David instantly sent his spiritual sense into the sacred tree, and in an instant David found that in the sacred tree, a figure slowly appeared!

This is a woman in a purple Luo shirt, with a very ugly face, looking very weak!

“You... who are you? Why are you in the tree?”

David asked after approaching the woman!

“My name is Zi'er, and I am one of the seven fairies in heaven. After the great war between gods and demons, I fell into this world of heaven and man. My residual soul had no place to attach to. It was about to dissipate, so I could only attach to a tree on this deserted island.”

“Originally, I didn't have much immortal energy, and now you have absorbed most of it. I'm afraid I can't hold on for long!”

Zi'er said helplessly!

“One of the seven fairies?”

David widened his eyes. When he was in the secular world, he had heard about the story of the seven fairies since he was a child!

Unexpectedly, he actually met one of the seven fairies today!

“I'm really sorry, I'll help you recover!”

David began to inject the absorbed immortal energy back into the tree!

Soon, Zi'er's face became much rosy, but even if there was more immortal energy, Zi'er's residual soul could only be in this tree, unless he found another carrier or let Zi'er reshape his body!

“Sir, I wonder if you can help me get out of this tree. Even if I possess an animal, it's better than this tree!”

Zi'er begged David!

“Then Zhu Qingxiu has lived on the island for so long, why don’t you possess her?”

David asked puzzled!

Zhu Qingxiu has been on the island and often goes to the cliff to absorb the fairy spirit. Zi’er has a chance to possess Zhu Qingxiu!

Zi’er shook her head: “I’m too weak now. I can’t possess someone with strong strength. What’s more, Miss Qingxiu is also a poor person. She has been with me on the island for so long, and I can’t bear it.”

“I didn’t expect you to be so kind-hearted. You are lucky to meet me this time. You don’t have to possess someone else. I can help you reshape your body.”

David has the Heavenly Demon Stone. When the time comes, he can restore Zi’er’s body to the Soul Demon Sect!

“Really? Thank you so much, sir. One day when I return to heaven, as long as you ascend to heaven, I will definitely repay you!”

Zi’er said, and was about to kneel down to David!

Full Read Online **Chapter 4360** of the novel **A Man Like None Other** for free.

Chapter 4360

David hurriedly supported Zi’er. After all, she was a fairy. Although there was only a remnant soul left, her status was also noble. How could she kneel down to him!

“Miss Zi’er, there is no need to do this, but you have to bear it first and stay here at the bottom of the sea. When I finish my business, I will take you away from the bottom of the sea and restore your body!”

David said to Zi’er!

Now Zi’er is attached to a tree. David can’t put her in the storage ring. He can’t hug a tree every day!

If the tree is taken out, some people will notice that the tree has fairy spirit, which is probably dangerous!

So David decided to leave Zi’er at the bottom of the sea. After all, no one comes to the bottom of the Dead Sea. When David deals with the affairs of Zhujia Town and brings

Zhu Qingyue back to the Xiao Dynasty, he can take Zi'er to the Soul Demon Sect to restore his body!

"Okay, Zi'er will follow the arrangements of the young master!"

Zi'er bowed slightly and said!

David looked at Zi'er, who was polite and had the temperament of a lady from a noble family. No wonder she was one of the Seven Fairies, so she was very polite!

After retracting his divine sense, David put the tree in his hand on a flat place!

In order to prevent the trees from being damaged by sea water or other people, David began to carve array patterns around them!

It couldn't be that after David left, the trees were directly burned to ashes by the sea water, which would be troublesome!

When David was carving the array patterns, he also added some extremely cold ice flames, so that the temperature within the array could be guaranteed!

Just as David was concentrating on carving the array, Zhu Qingxiu slowly opened his eyes and let out a breath of turbid air!

"This guy's elixir is really good, it recovered so quickly!"

Zhu Qingxiu felt refreshed and his physical strength recovered a lot!

"Do you think my elixir is very good? I'll give you some more, take it and use it!"

David seemed to have heard Zhu Qingxiu's words, and directly threw a bottle of elixir to Zhu Qingxiu!

Zhu Qingxiu took the elixir and didn't know what to say for a while!

After all, she and David were not related in any way, and she had misunderstood David at the beginning. But now David gave her the elixir, and Zhu Qingxiu always felt a little embarrassed!

"Take it, just consider it as compensation for your sword!"

David said slowly!

"That won't do. Since you said you have a relationship with the Refining Sect, you must get me another sword from the Refining Sect."

“I just want to see if you really have a relationship with the Refining Sect, or if you are just bragging...”

Zhu Qingxiu still remembered the sword that was cut off by David!

“Okay, when I go to the Refining Sect, I will take you with me and let you see if I have a relationship with the Refining Sect!”

David ignored Zhu Qingxiu and continued to carve the array pattern!

“You also know the array?”

Zhu Qingxiu only realized at this time that David was drawing on the ground, and it turned out to be carving the array!

David ignored her, but concentrated on carving the array pattern!

This array can not only protect the trees in the array, but also block the leakage of the fairy energy in the trees to avoid exposing the position!

Zhu Qingxiu looked closer and carefully, then a flash of surprise flashed in her eyes, and her expression changed a little!

Although Zhu Qingxiu didn't understand the art of formation, she had never eaten pork, but she had never seen a pig walk!

When the Wanjian Sect asked the formation master to set up the sect protection formation, the formation master also carved the formation pattern one by one!

The formation pattern looked much simpler than David's, and he also received a lot of benefits from the Wanjian Sect!

But David, a seventh-grade cultivator in the Tribulation Realm, carved such a complicated formation pattern!

You know, the more advanced the formation, the more complex the formation pattern, and the more difficult it is to carve!

Zhu Qingxiu doesn't know, but she has heard of it!

She couldn't believe that David was still a formation master, and a high-level formation master!

She really underestimated David!
