

A Man Like None Other Novel Chapter 4365

Chapter 4365

Now that he has become a demon cultivator, it is all because of David!

“I understand!” Seeing this, the blue-clothed cultivator hurriedly nodded flatteringly!

If they really offend Ning Zhi, none of them would want to live. After all, Ning Zhi is not under the jurisdiction of their Demon Sealing Alliance. Even if they kill them, the Demon Sealing Alliance will not make decisions for them!

After saying this, the blue-clothed cultivator took the lead and rushed towards the Dead Sea. The other demon cultivators followed closely behind, one by one like sharp arrows, directly shooting down from mid-air!

More than a dozen demon cultivators, their auras intertwined, rushed into the Dead Sea like a mountain pressing down on their heads, and went straight to Zhu Qingxiu!

Zhu Qingxiu also felt the auras of more than a dozen demon cultivators, and her eyes were full of disbelief!

She didn't understand how these demon cultivators could enter the Dead Sea, but now was not the time to think!

The giant sword behind Zhu Qingxiu suddenly came out of its sheath, and thousands of golden lights instantly illuminated the surroundings!

Ning Zhi did not rush into the Dead Sea, but looked down at everything in the sea in mid-air!

And constantly condensed the black demonic energy, and then hit the columns one by one!

More than a dozen demon cultivators, led by the blue-clothed monk, attacked Zhu Qingxiu!

However, under the complete sword shadow and the obstruction of the giant sword, they were unable to get close for a while!

“The secret book of the Wanjian Sect is really powerful. There are more than a dozen of us, but we can't get close.”

The blue-clothed monk frowned slightly and kept dodging the attacks of the sword shadows!

“Brother, the secret book of the Wanjian Sect is awesome, but it also needs spiritual power to support it. I want to see how long Zhu Qingxiu, a woman, can hold on!”

A demon cultivator smashed a sword shadow with one palm, and then said proudly!

“Yes, he, a woman, can’t hold on for too long!”

The blue-clothed monk nodded!

More than a dozen demon cultivators kept chasing Zhu Qingxiu, and Zhu Qingxiu was sweating profusely, urging the jade slip secret book in his hand, and sword shadows were destroyed one after another, and then appeared quickly!

Zhu Qingxiu’s face was already extremely pale, and suddenly Zhu Qingxiu spurted out a mouthful of blood, and the blood sprayed directly on the jade slip secret book!

With a flash of red light, nine blood-red long swords flew out of the jade slip secret book again!

Whoosh whoosh whoosh...

These blood-red long swords all rushed towards the demon cultivators!

However, it can be clearly seen that Zhu Qingxiu’s body is trembling and has reached its limit!

“Hurry up, hurry up, I can’t hold on anymore...”

Zhu Qingxiu glanced at David who was concentrating on engraving the array pattern and said!

David also knew the danger at the moment, but he had to complete the engraving of the divine pattern this time before they could escape!

Otherwise, Ning Zhi plus these dozen demon cultivators would be enough for them to drink a pot!

Now David knew that it was not the time to fight with Ning Zhi. Ning Zhi had too many tricks. David did not know Ning Zhi’s strength yet, so he did not dare to confront him head-on!

If he really suffered a loss, with Ning Zhi’s temperament, it was 100% impossible for him to give himself a chance to escape!

“This Zhu Qingxiu actually used his own blood to consume it. This is to die!”

The blue-clothed monk was surprised when he faced the blood-red swords that suddenly appeared!

However, even if nine blood-red swords appeared again, they could not stop the approach of the dozen demon cultivators!

Every time a blood-red sword was destroyed, Zhu Qingxiu's body would tremble, and then spit out a mouthful of blood!

Zhu Qingxiu spurted out more and more blood, and her breath was already extremely weak!

The jade slip secret book in his hand no longer flashed, and no sword shadow appeared!

The blood stained Zhu Qingxiu's clothes red, and Zhu Qingxiu had become a bloody man at this moment!

She could no longer hold on, and slowly fell to the ground, her face as white as paper!

Chapter 4366

Even so, she was still burning her own blood and blood, struggling to resist those demon cultivators!

It was death anyway, Zhu Qingxiu no longer cared about her life!

If David had a chance to escape, she hoped that David could take the Sword Questioning Sect secret book away!

Anyway, she would die sooner or later!

“Brother, is this Zhu Qingxiu going crazy? Is she preparing to commit suicide!”

A demon cultivator looked at Zhu Qingxiu who was so close, and said in shock!

“She knows that she will die sooner or later, and if she dies like this, she can avoid being abused by all of us.”

“Keep an eye on the secret book in her hand, whoever gets it must give it to me!” After

the blue-clothed cultivator finished speaking, he kept waving his long sword in his arm and rushed straight to Zhu Qingxiu!

Zhu Qingxiu watched helplessly, but he had no strength to resist anymore, and could only watch the demon cultivator getting closer and closer to him!

At this time, David had already completed the last divine pattern. With the completion of the last divine pattern, a huge magic array was activated instantly!

Buzz!

With a buzzing sound, thousands of golden lights flashed out, and the large array composed of pillars instantly became chaotic with spiritual energy, whistling in all directions, and the demon cultivators who rushed over were repelled one after another, just like a small boat, being rushed out of the Dead Sea by a huge force! The pillars around

also turned into black mist and disappeared under the thousands of golden lights. For a time, the Dead Sea was turbulent, and the water column surged thousands of feet high!

More than a dozen demon cultivators were blown into the sky by this force, and even their shadows could not be seen!

“What kind of formation is this? How can it be so powerful?”

Ning Zhi was in the air. After seeing this scene, his face changed immediately!

He never thought that David had laid such a powerful formation in the seabed in a short time!

“Let me see how powerful you are!”

Ning Zhi’s eyes condensed slightly, and his face was even colder. All the black air in the Dead Sea was absorbed by Ning Zhi on his palms, and then the black air condensed into a spear!

Then Ning Zhi threw the spear into the Dead Sea with force. The spear was like thunder, piercing directly into the position where David and the others were!

Ning Zhi wanted to see whether David’s formation was powerful or his spear was powerful!

Whoosh!

The spear was as fast as lightning and reached the bottom of the sea in an instant!

At this time, David had already picked up Zhu Qingxiu. Zhu Qingxiu was dying and covered in blood. Looking at David, he said in a weak voice: “Don’t worry about me, you find a way to escape, take the secret book of our Wanjian Sect, and don’t let those demon cultivators take it away.”

“I can’t leave, put me down...”

Zhu Qingxiu knew that if David took him with him, he would never be able to escape!

“Don’t worry, I will definitely help you escape!”

David looked at Zhu Qingxiu with a firm look!

At this moment, David frowned slightly, then looked up and saw a spear that penetrated the sea water directly and rushed towards him with a blazing flame!

The speed was so fast that when David looked up, the spear was already in front of him!

The sharp spear head seemed to be able to penetrate everything. The surrounding sea water was squeezed by the fast-coming spear, forming a vacuum channel!

“Go quickly, go quickly...”

Seeing this, Zhu Qingxiu hurriedly urged David to escape and not to care about her!

But David held Zhu Qingxiu, but he didn’t move. He knew that this was Ning Zhi’s hard attack. He wanted to see if the formation under his divine pattern could withstand Ning Zhi’s attack!

Seeing that David didn’t leave, Zhu Qingxiu suddenly burst out with the last bit of strength, broke free from David’s arms, and pushed David aside with all her strength!

At the same time, a burst of blood mist broke out of her body. She wanted to block this attack for David!

Boom!

The spear exploded instantly when it was only ten feet away from Zhu Qingxiu’s body.

Chapter 4367

The terrifying aura spread all around, and the seawater poured back to form a huge whirlpool!

Zhu Qingxiu then remembered that David had already laid a magic circle, and the spear just now was blocked by the magic circle!

Zhu Qingxiu smiled, then slowly closed her eyes, the aura of her whole body quickly dissipated, and her body fell to the ground powerlessly!

Although the spear did not hurt her, her final burst consumed the only remaining spiritual power!
Chen

Ping subconsciously stepped forward and hugged Zhu Qingxiu. He did not expect that at the critical moment, Zhu Qingxiu would make such a choice!

You know, he and Zhu Qingxiu are not related, and the two can't say that they have any friendship!

But Zhu Qingxiu subconsciously chose to sacrifice himself to save David!

Holding Zhu Qingxiu's body and looking at the fallen mask, at this moment, Zhu Qingxiu's burned face was not so ugly in David's eyes!

"Don't worry, I will save you even if I have to go to the underworld!"

David's eyes were full of anger. He raised his head suddenly, and the magic array he had just laid out burst out countless lights like a nuclear bomb!

These lights rushed straight into the sky. Ning Zhi frowned in the air, and the whole person was wrapped in this light!

When the light dissipated, the magic cultivators who were knocked away also flew back, but the Dead Sea had already been calm!

Ning Zhi stared at the Dead Sea, clenching his fists tightly together: "Damn, let them run away..."

He didn't expect that the array laid by David would be so powerful. Not only did his attack fail to break it, but at the moment the array exploded, he couldn't even observe it!

David took advantage of this opportunity to escape with Zhu Qingxiu!

With so many people, they still let David escape. Ning Zhi could only grit his teeth!

This was the closest time he had been to killing David since he came to the Heavenly Realm!

"It's all Zhu Qingxiu's fault. If she hadn't fought desperately, I don't think David would have had the time to set up the formation!"The

blue-clothed monk cursed!

But he was right. If Zhu Qingxiu hadn't tried to delay time, David really couldn't set up the magic circle.

The secret book of the Wanjian Sect was not obtained, and David, the century-old worshiper of the Fengmo League, also ran away...

This time, not only did they get nothing, but they also lost several people. It was really a loss!

“Zhu Qingxiu won’t live long. Even if David escapes, he can’t escape far. Come with me to find him!”

Ning Zhi said, and his body instantly appeared several miles away!

Seeing this, more than a dozen demon cultivators didn’t dare to say anything, so they could only chase him closely.

On the other side, on a desolate island in the Dead Sea, a ray of light flashed, and David appeared on the deserted island holding Zhu Qingxiu!

Holding Zhu Qingxiu and performing the Fire Control Step in succession, David was also a little out of breath!

Although the Fire Control Step is fast and can travel several miles in one step, the consumption is also huge!

David looked at Zhu Qingxiu in his arms, his face was very solemn. At this time, Zhu Qingxiu was on the verge of death!

David found a flat place, and then put Zhu Qingxiu on the ground. Zhu Qingxiu, who was covered in blood, closed his eyes and looked extremely ugly!

But even so, Zhu Qingxiu was still holding the jade slip secret book of Wanjian Sect tightly in his hand!

Zhu Qingxiu consumed too much blood and essence. If it was just an ordinary injury, or even a serious injury, David would have a way to treat it, and he also had various elixirs on him!

But Zhu Qingxiu consumed his own blood and essence, which could not be replenished by any elixir!

Blood and essence are formed little by little by every cultivator in the continuous practice day and night. It can be said that it represents the life of every cultivator!

Consuming blood and essence is no different from consuming life, so many cultivators will not easily consume their blood and essence unless they have no choice!

Chapter 4368

David gently held Zhu Qingxiu's hand, and spiritual power continued to be injected into Zhu Qingxiu's body, hoping to wake Zhu Qingxiu up!

But after David tried for a long time, Zhu Qingxiu did not respond at all!

David began to inject immortal energy and dragon energy into Zhu Qingxiu's body, but it was still useless!

In the end, David was exhausted, and Zhu Qingxiu's condition did not improve!

“Don't waste your energy, this girl's blood is almost exhausted, and it's useless to input more spiritual power into her.”

“It's estimated that she can't survive. While she is not dead yet and her body is still warm, do whatever you want...” The

voice of the Red Cloud Demon Lord sounded in David's mind!

David was speechless when he heard it.

“Damn, if you can talk, then talk. If you can't, then shut up. Who do you think I am?”

David was a little angry!

This was the first time he had spoken to the Demon Lord Chiyun in this tone!

Zhu Qingxiu became like this because of him. David had to save her no matter what. How could he have the heart to think about anything between men and women now!

“How many women have you played with? Why are you pretending now...”

The Demon Lord Chiyun rolled his eyes!

David was speechless and simply ignored the Demon Lord Chiyun!

He took out a large number of pills from the storage ring. At this time, David didn't care whether those pills were precious or not, and gave them all to Zhu Qingxiu!

He now had only one idea, that is, to let Zhu Qingxiu live, and she must not die!

Otherwise, David couldn't afford this favor, and he would have to protect Zhujia Town all the time in the future!

And David will be restless for the rest of his life.

Soon, a large amount of elixirs entered Zhu Qingxiu's body, but Zhu Qingxiu still did not wake up. Although there was a lot of breath surging around Zhu Qingxiu's body, Zhu Qingxiu, who lacked blood and essence, could not wake up even if he had more breath!

Just when David was at a loss and didn't know what to do, the Fire Kirin suddenly staggered out of the storage ring.

The Fire Kirin walked to the side, and then began to urinate as if no one was around!

After peeing, the Fire Kirin returned to the storage ring and didn't even look at David's shocked look!

David's face was full of anger. He was now helpless in the face of the unconscious Zhu Qingxiu. This Fire Kirin also walked out swaggeringly and urinated in front of him!

Just when David was about to take the Fire Kirin out of the storage ring and clean it up to let it know who the master was, the Red Cloud Demon Lord said excitedly: "It's God's will. This little girl is destined not to die..."

David was stunned, and then asked: "Senior, what do you mean by this?" "

You idiot, the Fire Kirin is a divine beast, and the urine of the divine beast is also an excellent spiritual liquid."

"You use the urine of the Fire Kirin as an introduction to refine some blood-replenishing and sperm-reinforcing pills, and this little girl will be able to come back to life."

"It may not be completely recovered, but it won't be a matter of life..."

said the Red Cloud Demon Lord!

When David heard this, he was overjoyed and didn't dare to hesitate at all. He hurriedly took out the Shennong Ding, and then waved his hand. A fire dragon emerged and gradually formed a shield around, protecting David and Zhu Qingxiu!

David didn't have time to arrange the formation, so he could only temporarily use the fire source as protection!

Then he put all kinds of materials and the urine of the Fire Kirin into the Shennong Ding!

The fire under the Shennong Ding was rising, and David generously put various immortal herbs into it!

Soon, pills were refined by David and then put into Zhu Qingxiu's mouth!

It only took a moment for Zhu Qingxiu's breath to stabilize, and he slowly opened his eyes!
