Chapter 4369

“I... Am I not dead yet?”

Zhu Qingxiu looked at David and asked in surprise!

“No, of course I’m not dead. I told you that I must save you!”

“You are still too weak now. If you take a few more pills, you will recover faster!”

Seeing that Zhu Qingxiu had woken up, David stopped refining pills, put away the Shennong Ding, and fed the remaining pills to Zhu Qingxiu!

Zhu Qingxiu opened his mouth and ate the pills given by David, and his brows furrowed!

“What kind of pill is this? Why does it smell so bad!”

Zhu Qingxiu asked with a frown!

“Taste? What smell?” David asked puzzled!

“A smell of urine...”

Zhu Qingxiu said!

After Zhu Qingxiu finished speaking, David suddenly remembered that this was a pill made with the urine of a fire unicorn as a medicine. Of course, there would be a smell of urine, but he had forgotten it!

“You smelled it wrong. There is no smell of urine. This medicine is a magic medicine. Your essence and blood are almost exhausted, and it was this magic medicine that saved you.”

David hurriedly covered up and said!

When Zhu Qingxiu heard it, she no longer doubted anything and ate all the pills!

After a short rest, although Zhu Qingxiu was still very weak, her life would not be in danger. As long as she recovered slowly, she would be able to return to her peak sooner or later!

“Since you are fine, let’s go. Let’s leave the Dead Sea area for the time being, otherwise it will be troublesome if those demon cultivators catch up.”

David picked up Zhu Qingxiu and then jumped up!

Zhu Qingxiu was in David’s arms, feeling the temperature of David’s chest, and her heart was also beating wildly!

It was the first time she was held like this by a man, and it was also the first time she was seen naked by a man!

David contacted Ji Yun with the sound transmission jade slip, and learned that Ji Yun and the others were still waiting for him in a small town on the Dead Sea, so David took Zhu Qingxiu and went straight to the town!

After flying in the air for nearly two hours, David finally saw the East Domain Continent, and there was a small town not far from the Dead Sea!

Although it was a small town, there were only dozens of wooden houses and some vendors doing business!

David quickly found Ji Yun and the others!

Ji Yun, Zhu Qingyue and Liu Bo had been waiting for David!

During this period, Ji Yun tried to contact David with the sound transmission jade slip many times, but he couldn’t get in touch with him at all, which made the three people anxious enough!

David was still at the bottom of the sea at that time, so it was normal that the sound transmission jade slip couldn’t get in touch!

Just after David held Zhu Qingxiu and landed in the courtyard where Ji Yun and the others rented, Zhu Qingyue and Liu Bo were stunned!

Because they recognized Zhu Qingxiu at a glance, although Zhu Qingxiu’s face was half disfigured, they still recognized him at a glance!

After all, they are the closest people.

“Sister...”

Zhu Qingyue rushed towards Zhu Qingxiu with an incredible look on her face!

Zhu Qingxiu opened her arms and hugged Zhu Qingyue tightly. The two sisters hugged each other and cried!

They haven't seen each other for many years.

Liu Bo also burst into tears and stepped forward and said: "Miss, it's really you. It's been so long, and the family has been thinking about you."

"The Wanjian Sect was destroyed, and all the disciples of the sect died or fled. At that time, the master was talking about you all day long!"

"I didn't expect to see you here. It's so great..."

David watched from the side, waiting for the family to get excited, and then David said: "Let's go back to the room and talk, so as not to be discovered. We are being chased by more than a dozen demon cultivators!" When Chen

Ping said this, Liu Bo and Zhu Qingyue were startled and hurriedly took Zhu Qingxiu into the room!

David set up a concealment formation around the room to hide the breath of everyone inside!

In this way, even if Ning Zhi and the others passed over the roof, they would not be able to detect their breath!

After entering the room, David told everyone everything in detail!

When Zhu Qingxiu heard that he had fled to a deserted island to avoid being hunted down by the demon cultivators of the Demon Sealing League, and that his face was disfigured, Zhu Qingyue was furious!

Later, when they heard that Zhu Qingxiu almost died, they became even more nervous!

"The Demon Sealing League is a bunch of hypocritical guys. The reason why Qijia Town is so powerful now is because it is said that someone is in charge of Qijia Town, so that no surrounding forces dare to provoke Qijia Town."

Uncle Liu gritted his teeth, wishing to tear the Demon Sealing League to pieces!

"Uncle Liu, who is in charge of Qijia Town? When the Ten Thousand Swords Sect was still there, even if Qijia Town had ten guts, they would not dare to target our Zhujia Town!"

Zhu Qingxiu asked!

“It seems to be called Ning Zhi. I heard that he is also a demon cultivator with the strength of the Mahayana realm and can control fire.”

“I heard that some time ago, there was a conflict between a sect and Qijia Town. This person single-handedly killed hundreds of people from the other sect and directly wiped out the entire sect. It was very terrifying.”

When Liu Bo mentioned this, he also obviously felt his breathing quicken!

“Ning Zhi?”

David frowned instinctively when he heard the name. He didn't expect that Ning Zhi was so successful in the East Region and began to control the power!

However, Ning Zhi's strength is indeed awesome in the East Region Continent!

If he went to other continents, I'm afraid he wouldn't be able to get a number!

“Why, Mr. Chen knows this person?” Liu Bo saw David's reaction, so he asked!

David nodded: “I know, it's Ning Zhi who's chasing us.”

When Liu Bo heard this, his face suddenly became very ugly!

“Then let's rush back to Zhujia Town as soon as possible. I'm afraid it's too late to go back, and Zhujia Town will be in trouble!”

Liu Bo was afraid that Ning Zhi would take the people from Qijia Town to fight!

“Ji Yun, you take them back first, I'm going to meet that Ning Zhi again.”

“This time I will make them pay the price...”

David said to Ji Yun!

“Mr. Chen, it's too dangerous for you to go by yourself, isn't it?”

Ji Yun said worriedly!

“Neither of us is an opponent, and you actually want to go back and die by yourself?”

Zhu Qingxiu saw that David was actually going back, and asked in confusion!

“They beat you like this, of course I have to take revenge. This time without you dragging me down, even if I can’t beat them, they can’t catch me.”

David was very confident that he would fight by himself and be more flexible!

Zhu Qingxiu followed him, which actually made David a little afraid of the rat and couldn’t use it.

“You...” Zhu Qingxiu’s face flushed with anger when he heard it, because David had always regarded him as a burden and a hindrance.

If David hadn’t saved his life, Zhu Qingxiu really wanted to kick him!

“Whether it’s because I held you back or not, it will be very dangerous if you go to take revenge. If you insist on going, then take this thing with you.” “

You also know swordsmanship, and your swordsmanship is very good. There are many sword moves in our Wanjian Sect secret book. It depends on how much you can comprehend.”

Zhu Qingxiu actually took the Wanjian Sect’s secret book and gave it to David!

“This...”

David was a little at a loss after taking the secret book. He was not a disciple of the Wanjian Sect, and it was not good to take someone else’s secret book!

“It’s not for you. You have to return it to me after you use it. In the future, when our Wanjian Sect recovers, we will need this secret book!”

Zhu Qingxiu knew what David meant, so he said!

When David heard it, he put away the Wanjian Sect secret book with peace of mind, and then left after explaining a few words!

Ji Yun and the others also rushed to Zhujia Town without stopping!
