Chapter 4401

“Mr. Chen, what should we do?”

Zhu Qingxiu looked at David and asked!

After all, they don't have that many spirit stones to give out! Even

if Zhujia Town is asked to gather them, it is estimated that it can't be gathered now. After all, in order to treat Zhu Yuanji, Zhujia Town's resources are almost exhausted!

“I'll go ask!” David walked towards the woman! Although

David didn't have spirit stones, he had purple gold spirit coins. These purple gold spirit coins can be used as money, and of course, they can also be used as cultivation resources!

“Miss, I don't have so many spirit stones on me. I wonder if I can use purple gold spirit coins instead?”

David asked the woman!

“Of course.” After the woman finished speaking, she stretched out her hand towards David!

David directly returned the purple gold spirit coins that the woman gave him!

The woman took the purple gold spirit coin and smiled slightly, saying, “You can go in. I give you this purple gold spirit coin just to give you a chance to enter. After all, my people were rude to you just now!”

David was stunned, then smiled bitterly and said, “Why bother giving me purple gold spirit coins? Just let me in for free...”

“That won't work. This is the rule. The rule cannot be broken...”

The woman shook her head!

David couldn't help but laugh. He felt that this woman was quite cute, cute and a little stubborn!

“Then my two companions...”

David pointed at Ji Yun and Zhu Qingxiu.

“Treat them equally, 100,000 spirit stones, or take out the same amount of purple gold spirit coins!”

The woman said!

“Well, I hope that this trip to the battlefield of gods and demons can earn back the ticket money...”

David smiled and took out two more bags of purple gold spirit coins from the storage ring!

Seeing David casually take out two bags of purple gold spirit coins, the woman’s expression was obviously stunned!

After all, people who can take out so many purple gold spirit coins so casually are definitely not ordinary people. Maybe there is a huge force behind them!

The

woman took the purple gold spirit coin and asked, “May I ask what is this fellow Taoist’s name?”

“David...”

David said his name directly!

Since he knew that the other party was not from the Demon Sealing League, there was no need for David to hide his identity!

Sure enough, the woman’s expression did not change when she heard the word David. It seemed that she did not know David, let alone the fact that the Demon Sealing League had been chasing David for a hundred years! Seeing

the woman’s expression, David finally breathed a sigh of relief. The woman was not from the Demon Sealing League, and she did not know about her own affairs. In this way, David would be much safer in the battlefield of gods and demons!

“My name is Lin Keting, they all call me Xiaoting...”

The woman followed David and introduced herself!

“Miss...”

The right blind elder opened his mouth to remind Lin Keting of something, but was glared at by Lin Keting, and the words on his lips were taken back!

“Miss Lin, see you later, see you on the battlefield of gods and demons...”

After David finished speaking, he was about to take Ji Yun and Zhu Qingxiu into the cave!

But just as he turned around, Lin Keting suddenly called him: “Wait a minute...”

“Miss Lin, do you have anything else to say?”

David looked at Lin Keting in surprise and asked!

“You just said the battlefield of gods and demons? How do you know this is not a relic, but a battlefield of gods and demons?”

Lin Keting reacted at this time!

You know, everyone mistakenly thought that this was an ancient relic, and only David said it was the battlefield of gods and demons!

“What’s so difficult about this? The aura of the battlefield of gods and demons has been leaked, of course I know it.”

“And this is not the first battlefield of gods and demons I have entered, so I can detect it!”

After David finished speaking, he turned around and walked into the cave entrance with Ji Yun and Zhu Qingxiu, ignoring Lin Keting!

Lin Keting stared at David’s back, and his expression became solemn!

Chapter 4402

“Miss, there’s something wrong with this guy. He’s obviously at the seventh level of the Tribulation Realm, but the temperament he displays doesn’t match his realm.”

“Just now, when the blind left elder made a move, if it was an ordinary seventh level cultivator in the Tribulation Realm, he would have been scared to death, but this guy was not afraid at all, and he even activated his body protection magic in an instant.”

“And he took out so many purple gold spirit coins just now, obviously he’s not an ordinary cultivator. I hope Miss will be more careful of this guy!”

The blind right elder reminded in a low voice!

Lin Keting rolled her eyes at the blind right elder and said unhappily, “I’m blind, can’t I see it? Do I need you to remind me?”

Seeing this, the blind right elder was so scared that he dared not speak anymore!

The reason why Lin Keting had a bad attitude towards the blind left and right elders was that these two guys had peeped at her before!

Although she didn’t see anything, Lin Keting still felt aggrieved!

The two old guys also paid the price of an eye for this, but it was a blessing in disguise. They were taken in by Lin Keting’s father and avoided being hunted down!

You have to know that many years ago, the demon cultivators were like rats crossing the street and everyone shouted and beat them!

This time, Lin Keting brought two blind elders out, in fact, it was also her father’s way to ease their relationship!

“Blind Right, I just made a casual move just now, and I didn’t use my full strength at all. Don’t flatter that kid. If I used my full strength, that kid would have died long ago!”

The blind left elder said somewhat unhappy!

After all, the words of the blind right elder meant to belittle him, and of course he was not happy!

“Forget it, I think you can’t hurt that kid even if you use your full strength. Didn’t you see the body protection magic skill that the kid suddenly activated, and his whole body was covered with golden scales. This is definitely not an ordinary skill.” “

And that girl, she is actually a disciple of the Wanjian Sect. You have to know that those guys in the Wanjian Sect are all people who are seeking fame and reputation and have extremely high standards. How could they be a little follower for others.”

“It’s obvious that the girl is the boy’s follower, but the boy is not a disciple of the Wanjian Sect. This shows that the power behind this boy is definitely not simple, and even a sect like the Wanjian Sect is convinced.”

The right blind elder analyzed directly!

It must be said that this right blind elder does have some brains, much better than the simple-minded left blind elder!

“I won’t talk to you anymore. When we enter the battlefield of gods and demons and meet that boy, I will ask him carefully. I want to see how powerful he is.”

The left blind elder knew that he couldn’t beat the right blind elder, so he turned his head and looked to the side and stopped talking!

“You shouldn’t enter the battlefield of gods and demons. If there is a conflict in the battlefield of gods and demons, who will take care of these messes for you!”

Lin Keting glanced at the blind elder Zuo, and then continued: “You take people to guard here, and don’t let those who don’t hand over the spirit stone enter.”

“If someone breaks in forcibly, don’t be polite, but remember one thing, you can’t hurt other people’s lives for no reason. If my father knows, you will definitely be punished.”

“You are not allowed to tell my father about what happened today. He has a heart of a bodhisattva now and can’t do anything big.”

Lin Keting warned everyone. It is obvious that what happened today was all her own doing, and her father didn’t know at all!

“Miss, don’t worry, we will never tell!”

The blind elder You hurriedly said!

This is a good opportunity to curry favor with Lin Keting, he will not miss it, not to mention that Lin Keting wants to take him into the battlefield of gods and demons without the blind elder Zuo!

“Miss, although I am reckless, I also know what to say and what not to say...”

The blind elder Zuo also expressed his opinion!

He just killed someone. If he tells others about it, he will be punished!

Chapter 4403

As for the monks with swords, Lin Keting didn't even look at them. She knew that these people would not talk nonsense. These were all deadpools. If Lin Keting asked them to die, they would not hesitate!

So there was no need to tell them about this kind of thing!

Lin Keting brought the right blind elder into the battlefield of gods and demons, while the left blind elder could only guard the entrance of the cave with people!

Although he was very unhappy, he had no choice!

Although he was a demon cultivator, he still knew how to repay kindness!

.....

Qijia Town!

The hunchbacked old man was meeting Qi Yuankun, the governor of Qijia Town, with Tiansha! Facing

the people sent by the Demon Sealing League, Qi Yuankun was particularly respectful. After all, if he wanted to avenge his son, he had to get the help of these people from the Demon Sealing League!

"Director Qi, since your Qijia Town has joined the Demon Sealing Alliance, we are a family, so there is no need to beat around the bush."

"Take us directly to Zhujia Town, destroy Zhujia Town, and capture David to avenge your son."

"But we came here in a hurry, and consumed a lot of spiritual power along the way. We need to replenish our physical strength temporarily."

The hunchbacked old man said directly to Qi Yuankun!

The meaning is very clear. This is to ask Qi Yuankun to take out resources. After all, replenishing physical strength is not something that can be done by talking. Resources are necessary!

Qi Yuankun was slightly stunned, but then reacted and said: "Of course, you all come to help me, I can't let you starve."

“I will give the order now to collect the resources of Qijia Town for your use, but the East Region is located in a barren area and there are not many resources. Please don’t despise it!”

“Of course not, Director Qi has the heart, how can we despise it!” The hunchbacked old man was very happy to see Qi Yuankun so accommodating!

But at this moment, accompanied by a strong wind, a black shadow appeared in the hall!

Qi Yuankun suddenly became nervous. He didn’t expect that someone would easily break into his room hall!

“Don’t be nervous, Director Qi, this is just one of my disciples...”

The hunchbacked old man saw this and hurriedly explained!

Qi Yuankun was relieved when he heard it. If it was an enemy who could enter and exit his room so easily, would he still be safe!

“Tianluo, didn’t I ask you to find out the place of the strange phenomenon of the world, why did you come back so soon?”

The hunchbacked old man asked!

“Master, I met David on the way and fought with him for a few moves, but I didn’t expect that kid to have some skills, and they were outnumbered, so I ran back to avoid being at a disadvantage!”

Tianluo said truthfully!

“David?” Qi Yuankun was furious when he heard the word David, and then he knelt down suddenly towards the hunchbacked old man: “Please kill David quickly, Master Tian, and avenge my son. As for the resources, I am willing to offer all the resources of our Qijia Town.”

The hunchbacked old man gently lifted Qi Yuankun up with his palm, and then said: “Director Qi, don’t worry, wait for me to ask clearly. Now you and I are one family. You don’t need to say more about killing David!”

After that, the hunchbacked old man looked at Tianluo and asked: “Tianluo, can you tell me what happened in detail?”

Tianluo told the hunchbacked old man about the details of the incident! The hunchbacked

old man frowned and said: "It seems that David is also heading for the place of the strange phenomenon of heaven and earth. It is estimated that there must be something strange in that place!"

Qi Yuankun, who was standing aside, became a little unnatural when he heard this!

There are ruins on the Gelu Mountain. They have been looking for the entrance in Qijia Town for a hundred years, but they have not found it. Now they finally have some clues, but they didn't expect the strange phenomenon of heaven and earth to attract so many people!

Even if the entrance is found now, the ruins will have nothing to do with their Qijia Town!

Chapter 4404

"Director Qi, do you know where the strange phenomenon of heaven and earth is?"

asked the hunchbacked old man!

"I... I..."

Qi Yuankun didn't know how to answer. Should he tell the hunchbacked old man about the ruins?

Just when Qi Yuankun was stuttering and didn't know how to answer, suddenly a monk from Qijia Town ran in hurriedly!

"Director, it's bad. The entrance to the Gelu Mountain ruins has been discovered and opened, and that David is among them." The

monk was sweating profusely. He must have rushed back to report the news!

Qi Yuankun wanted to stop the other party from speaking, but it was too late!

"Director Qi, what's going on? What about the ruins?"

The hunchbacked old man frowned slightly!

"Master Tian, it is rumored that there is another world in the Gelu Mountain, and there is an ancient relic there, which is recorded in the ancient books of our Qijia Town."

“But in the past hundred years, the entrance to the relic has not been found. Now the strange phenomena of heaven and earth appear frequently, which should be related to the relic!”

“Now the entrance to the relic has been found and opened. I believe there must be a lot of treasures inside!”

Qi Yuankun could only helplessly tell the truth!

Hearing this, the hunchbacked old man’s eyes suddenly glowed with gold.

“Director Qi, where is the ancient book? Bring it to me for a careful review...”

said the hunchbacked old man!

“Master, now that the relic has been discovered and opened, you are wasting time in reviewing the ancient books. I am afraid that all the good things have been taken away.”

Tiansha said anxiously!

“Yes, Master, we must leave as soon as possible, and David is also here, so it’s just right to catch David together!”

Tianluo also urged!

“Tianluo Tiansha, you two go to the ruins first. With your strength, there will be no problem in catching David.”

“But try not to conflict with others, restrain yourself!”

“The sudden appearance of the strange phenomenon of heaven and earth, and the appearance of the entrance to the ruins, is not that simple. I must check it out, lest it is a trap!”

The hunchbacked old man was very cautious. He was afraid that this sudden strange phenomenon of heaven and earth was aimed at them again! After all

, it was too coincidental that this happened as soon as they came!

“Okay, then the two of us will go to explore the way first, and catch David by the way!”

Tianluo said happily when he heard it!

Without the sect master following, the two of them can do whatever they want, and they don’t have to be restricted.

With their strength, in this place in the East Region, it is a flat trip, almost invincible!

If you can really find some treasures in the ruins, you can also hide some privately, wouldn't it be great!

The hunchbacked old man saw Tianluo's thoughts at a glance, but he didn't point it out. Instead, he said to Tiansha: "Tiansha, you should be more careful about some things and don't be too reckless!"

"Don't worry, Sect Master!"

Tiansha nodded!

After Tiansha and Tianluo said goodbye, they headed towards Gelu Mountain. The two of them were very fast and their figures flashed by!

At this time, at the entrance of the battlefield of gods and demons in Gelu Mountain, Elder Zuo Xia was sitting on a big rock and eating melon seeds boredly!

A long sword was placed beside him, and in front of him lay more than a dozen corpses. These were people who wanted to break in by force without giving spirit stones!

Without Lin Keting's restraint, Elder Zuo Xia let go of his temper and started killing!

Anyway, no one dared to tell anyone about what happened today!

Just as Elder Zuo Xia was leisurely cracking melon seeds, suddenly two phantoms came quickly, accompanied by an invisible breath shock wave at the same time!

This was because the two were too fast, and the shock wave generated, under this shock wave, the rocks shattered one after another!

Chapter 4405

Elder Zuo Xia frowned, waved his hand gently, and shattered the shock wave directly!

The two phantoms were Tiansha and Tianluo who were coming quickly!

When they reached the entrance of the cave, they fell from mid-air!

Elder Zuo Xia stood up immediately with his sword in hand, staring at the other party!

At this time, the elder who sat down no longer had a relaxed look on his face. After all, the strength of Tiansha and Tianluo was not weak!

Both of them were at the second level of the Mahayana Realm!

This kind of strength is rare in the East Region, and the other party is a demon cultivator like him!

It is not easy for a demon cultivator to cultivate to this level!

You must know that the living space of demon cultivators in the Heavenly Realm is very small, and there are not many resources that can be obtained, so it is not easy to cultivate to the Mahayana Realm!

Tianluo and Tiansha were also slightly stunned after seeing Elder Zuo Xia. They didn't expect to meet a fellow cultivator!

Moreover, the aura on the other party was so terrifying that they couldn't detect the other party's realm at all!

Tiansha arched his hands towards Elder Zuo Xia, as a greeting, and then he was about to take Tianluo into the cave entrance!

But Elder Zuo Xia stretched out his hand and stopped the two people!

"Fellow Daoist, I wonder why you stopped us?"

Tiansha asked!

"If you want to enter, each person must pay 100,000 spirit stones." Elder Zuo Xia said!

"Pay 100,000 spirit stones?"

Tiansha and Tianluo were stunned!

They all lived under someone else's roof and worked as dogs for the Demon Sealing Alliance. Where could they get 100,000 spirit stones!

"Who are you? Is this cave yours? Why should I give you spirit stones?"

Tianluo asked dissatisfiedly!

"Who do you care whether it's mine or not? If I ask you to pay, you have to pay, otherwise don't even think about going in."

Elder Zuo Xia had a very tough attitude!

Tianluo frowned, and one hand instantly grasped the blood-red sword!

This old guy is too awesome, isn't this highway robbery?

Seeing this, Tiansha hurriedly pressed Tianluo's arm, and then said to Elder Zuo Xia with a smile on his face: "Daoyou, we can't take so many spirit stones when we go out, and for the sake of our being demon cultivators, let us two go in!"

"No, this is the rule, can't be broken..." Elder Zuo Xia said!

Even Miss Lin Keting can't break the rules, of course he dare not!

"Damn, you old thing, will you let us in? I tell you, we are from the Demon Sealing League."

"You old thing, if you don't behave, we will directly take you to the Demon Sealing League and let you suffer in hell!"

Tianluo was angry when he saw that Elder Zuo Xia didn't give face!

He brought up the Demon Sealing League. After all, many demon cultivators are afraid of the Demon Sealing League. After all, the Demon Sealing League is an alliance organization established specifically for demon cultivators! As soon as

Tianluo mentioned the Demon Sealing League, Elder Zuo Xia instantly became furious!

"Damn it, it turns out that you are the dogs of the Demon Sealing League, and you are embarrassing us demons."

"Bah..."

Elder Zuo Xia actually spat at Tiansha and Tianluo fiercely!

"fu** you..."

Tianluo was immediately angry, and instantly drew out the blood-colored long sword and slashed directly at Elder Zuo Xia!

His temper would not allow others to humiliate him like this!

Elder Zuo Xia was also angry. Seeing that Tianluo dared to attack him, he was immediately furious. He also slashed the long sword in his hand, and the sky full of sword light burst out in front of him! Seeing this

, the several sword-bearing monks directly drew out their long swords and surrounded Tiansha!

Although the strength of these people is much different from that of Tiansha, these sword-bearing monks did not show any fear at all, and there was no expression on their faces!

Tiansha felt something was not right when he looked at several monks with swords. It was obvious that the state displayed by these monks was too unusual. Ordinary sects might not be able to cultivate such people!
